

The Order 6581

Chapter: 6581

“This Ziyang Gate doesn’t even have a mountain, so where does Si Guo Ya come from?”

“And it’s only for three days, so I can just practice quietly!”

Chen Ping didn’t mind staying in Siguoya for three days!

“Junior brother, Si Guo Ya is just a room, but staying in it is not an easy task.”

“If you can stay inside and practice quietly, everyone will want to go.”

“There will be aura in Siguoyang Cliff that intrudes on the consciousness, which will cause pain to those who stay at Siguoyang Cliff.”

“And the consciousness will go through all kinds of hardships, just like what really happened!”

“You must be careful. Although these three days are not long and will not harm your life, they will definitely cause physical and mental damage, and you will need to recover for a period of time.”

Wei Qing told Chen Ping about thinking over the cliff and told Chen Ping not to be careless!

“You don’t need to be too nervous. With your current ability, there will be no harm in thinking about it for three days.”

Elder Yu comforted Chen Ping!

Chen Ping nodded, and then followed Elder Yu and the others to Siguo Cliff!

Si Guo Ya is just a shabby-looking hut with a sign hanging on the eaves that reads Si Guo Ya!

Opening the door, Chen Ping walked in. There was almost nothing inside, only a dirty-looking mat!

“This environment looks like no one has been here for a long time.”

Chen Ping sized up his fist and then sat on the mat!

Three days really flies by for a monk. As long as he enters the state of cultivation, time will not be a problem!

But Chen Ping had just sat down, closed his eyes and mobilized the spiritual energy in his body to prepare for practice, when he suddenly felt a breath appearing in his sea of consciousness, and this breath was constantly condensing!

This aura was not in Chen Ping's body, and Chen Ping had no way to control it. However, Wei Qing had already said it in advance, so Chen Ping was not panicked!

This should be the aura that Zi Yan Sect Si Guo Ya uses to control the sea of consciousness. Chen Ping did not deliberately resist!

As the breath filled the sea of consciousness, Chen Ping felt his body feel hot!

When he opened his eyes, he found that there was a towering mountain in front of him. The whole mountain was red in color, like a mountain of flames!

Where Chen Ping was sitting, there was a straight cliff in front of him. On the cliff were written the words “Si Guo Ya”!

At this moment, Chen Ping understood the origin of Si Guo Cliff. It turned out that after entering the room, he would really be taken under a cliff!

Chapter: 6582

Just when Chen Ping was looking at the cliff in front of him, suddenly, flames came from the high mountain like a flood!

Chen Ping wanted to dodge, but he couldn't dodge at all!

Soon, Chen Ping's body was engulfed by the flames!

For a moment, a severe burning sensation made Chen Ping extremely painful. He quickly used the extremely cold ice flames to resist the scorching heat!

But no matter how Chen Ping resisted, it had no effect. The extremely cold ice flame seemed to have lost its icy air!

“What...what's going on?”

Chen Ping was shocked!

“This is in an illusion. Of course your extremely cold ice flames are useless. Everything you see and feel now is dominated by divine consciousness. Since your consciousness sea is controlled, the other party wants you to have Whatever you feel, you will feel.”

Demon Lord Chiyun said slowly!

Only then did Chen Ping realize that he should still be in the dilapidated room at this moment, but his consciousness was controlled, so he could see everything in front of him!

Helpless, Chen Ping could only use his body to resist the scorching flames. Under the engulfment of the flames, Chen Ping felt anxious, as if he was going crazy!

“Look, look what’s on the cliff...”

Suddenly, Demon Lord Chiyun reminded Chen Ping!

Chen Ping frowned, looked at the cliff, and found that there was only the word “Si Guo Ya” on the cliff, and there was nothing at all!

“There’s nothing. What did you see?”

Chen Ping asked in confusion!

“The exercises are exercises. Calm down and look carefully...”

Demon Lord Chiyun reminds you!

When Chen Ping heard this, he quickly took a deep breath, let the flames burn, and stopped thinking randomly. Instead, he chanted the Heart Clearing Mantra and worked hard to clear his mind!

As Chen Ping slowly calmed down, the burning sensation in his body also dissipated a lot!

Chen Ping looked up at Siguo Cliff in front of him. Through the blazing flames, words began to flash on Siguo Cliff!

The calmer Chen Ping's heart became, the clearer the words became, and soon the entire Siguo Cliff was covered with words!

Looking at the words in front of him, Chen Ping was very excited, but he tried hard to restrain himself. He couldn't let his emotions fluctuate too much!

"True Fire Dharmakaya? It's actually a technique that's quenched into fire!"

Chapter: 6583

After Chen Ping read the exercises once, he slowly closed his eyes and started practicing according to the exercises on Siguo Cliff!

Soon, in Chen Ping's sea of consciousness, a void figure appeared, exactly like Chen Ping, just like Chen Ping's soul!

However, the soul will not appear in the sea of consciousness. Even Demon Lord Chiyun felt a little curious when he saw the sudden appearance!

However, Demon Lord Chiyun did not disturb him, but watched quietly!

This ethereal figure looks very blurry and has no breath at all!

It's just that with Chen Ping's movement skills, five groups of ultimate fire appeared around the figure, which were the five ultimate fires mastered by Chen Ping!

The five kinds of supreme fire circulated and began to purify. Originally, due to various reasons that Chen Ping absorbed during refining, the supreme fire was not pure, but now these five kinds of supreme fire have become extremely refined!

At this time, the ultimate fire became very pure, and its power was also greatly improved.

Along with the purification of the ultimate fire, Chen Ping's body is also being quenched. The ethereal figure is actually Chen Ping's true fire dharma body. However, Chen Ping has just practiced and the dharma body is still in nothingness!

Along with the quenching of the dharma body, Chen Ping's body has also been improved.

In this case, no matter what Chen Ping does in the future, he can cultivate his Dharma body in the sea of consciousness, so that his own cultivation will also increase!

In this way, Chen Ping no longer needs to practice in seclusion. Even in battle, the practice of Dharmakaya will be reflected on Chen Ping himself!

It's just that Chen Ping doesn't fully understand the True Fire Dharmakaya yet!

He has just understood the cultivation now. As the cultivation deepens, Chen Ping will definitely have a deeper understanding of the True Fire Dharmakaya!

And just when Chen Ping was practicing the True Fire Dharmakaya in Siguoya!

Elder Natian has already gone to Liangyi Gate to invite formation masters!

Since Elder Yu and others do not agree to open the sacred volcano, Huo Yuanting will find a formation master to open the sacred volcano himself!

“Sect Master, Elder Gu of Liangyi Sect has arrived...”

Elder Tian entered the hall and said to Huo Yuanting!

“I didn’t expect Elder Gu to come in person. It was a long way to greet him, but he was far away...”

Huo Yuanting stood up and greeted Gu Tianchao very respectfully.

If Chen Ping saw this Gu Tianchao, he would probably be able to recognize him at a glance. This guy was the one who harmed Elder Xia’s daughter in Wantong Pavilion!

At that time, Chen Ping broke the Ten Thousand Soul Formation, and the remnant soul of Gu Tianchao escaped. He was still alive at that time, saying that he would settle the score with Chen Ping in the future!

“Master Huo, you’re welcome. If something happens to your Ziyang Sect, of course I will come. What’s more, Master Huo also takes good care of our Liangyi Sect.”

Gu Tianchao said with a smile!

The killing array that Huo Yuanting spent a lot of money to buy was bought from the Liangyi Sect, so Huo Yuanting had some friendship with the Liangyi Sect!

“Elder Gu, we are old acquaintances, so I will tell you straight away. The reason why I found you is that I hope you can help me open the sacred volcano.”

Huo Yuanting said!

Gu Tianchao was stunned, and then said: "Master Huo, the sacred volcano that starts your Ziyan Sect's sacred mountain has been imprisoned by the formation. If you want to open the sacred volcano, you must open the formation."

"Don't you Ziyan Sect have an array master and an array that can open the divine volcano? Why are you still looking for me?"

Chapter: 6584

Huo Yuanting was silent because he didn't know how to follow Gu Tianchao!

After all, Gu Tianchao was not a disciple of Zi Yan Sect, and these were all secrets of Zi Yan Sect, and Huo Yuanting didn't want outsiders to know!

If someone took advantage of the internal strife of Zi Yan Sect and suddenly attacked, then Zi Yan Sect would be in danger!

Huo Yuanting didn't want to see Zi Yan Sect fall!

Seeing Huo Yuanting didn't speak, Gu Tianchao smiled and said, "Master Huo, no matter what the reason is, I don't want to know, but I will help you open the God Fire Mountain, and the fee can't be less!"

"Don't worry, Elder Gu, whether it's spirit coins or resources, Elder Gu, just mention it, I will definitely satisfy you."

Huo Yuanting promised!

“Okay, take me to see...”

Gu Tianchao nodded!

Huo Yuanting took Gu Tianchao to the depths of the sect!

All the way to the deepest part of the sect, a huge disc, Huo Yuanting stopped!

Various array patterns flashed on the disc, and there were statues of five monsters standing around the disc!

“Elder Gu, this is the array disc that opens the God Mountain Fire, but only our Elder Cui can open the array disc and open the God Mountain Fire.”

“Now please ask Elder Gu to see if he can help open it?”

Huo Yuanting asked Gu Tianchao respectfully!

Gu Tianchao glanced at the huge array disc, and then waved his hand, and all the runes on the array disc were reflected in the air!

Looking at the messy and disorderly array patterns, Huo Yuanting and other people who don't understand the array are confused!

“It's not difficult to open the array disc, it just takes two or three days.”

After Gu Tianchao looked at it carefully, he said confidently!

“Okay, Elder Gu, tell me what you need!”

Huo Yuanting was immediately excited when he heard that Gu Tianchao could open it!

“During the days when I am cracking the formation, no one is allowed to disturb me. Otherwise, not only will all my efforts be wasted, but I will also be retaliated against.”

Gu Tianchao warned!

“Don’t worry, Elder Gu, no one will disturb me!” Huo Yuanting promised!

Chapter: 6585

Then he looked at Huo Dong on the side and said, “Son, you take people to guard here in person. Anyone who dares to approach will be killed without mercy...”

“Understood!” Huo Dong nodded!

Gu Tianchao began to crack the formation plate, while Huo Dong took several elders to guard outside!

At the same time, Wei Qing hurried to Elder Yu’s mansion!

“Master, the Huo family father and son actually invited a formation master from Liangyi Sect to forcibly break the formation plate and open the God Fire Mountain.”

Wei Qing said anxiously.

“What? Huo Yuanting actually dared to violate the sect rules and open the God Fire Mountain privately? Is the news accurate?”

When Elder Yu heard this, he was immediately shocked!

“That’s right. I saw it with my own eyes. Huo Yuanting took the people from Liangyi Sect to the formation plate. Only Huo Yuanting left, and Huo Dong was guarding it himself.” Wei Qing said! “It’s bad. It seems that Huo Yuanting must get the Divine Fire Seal. We must not let him open the Divine Fire Mountain. Otherwise, if he gets the Divine Fire Seal, even if the old sect master recovers and comes out of the mountain, it will be useless.” Elder Yu frowned slightly, and then continued: “You should contact other elders and disciples immediately and call everyone in our lineage.” “Master, should Senior Sister Zhu Ling call her?” Wei Qing asked! “Call her. This matter must be known to the eldest lady. If Huo Yuanting gets the Divine Fire Seal, it is estimated that the eldest lady and everyone in our lineage will not have a good end.” Elder Yu made a decision. Even if he died, he could not let Huo Yuanting open the Divine Fire Mountain and get the Divine Fire Seal! After Wei Qing left, Elder Yu looked in the direction of Siguo Cliff! “I don’t know what’s going on with this Cheng Ping...”

At this moment, Elder Yu hoped that Chen Ping would come out to help him after his reflection.

In this way, they would have one more helper. Although Chen Ping was only at the fourth level of the Tribulation Realm, his strength was not much worse than his!

In less than an incense stick of time, the elders and disciples of the old sect master’s lineage were summoned.

Zhu Ling, who had not been seen for a long time, also came to Elder Yu’s mansion!

Seeing Zhu Ling, many disciples were very excited!

“Miss, Huo Yuanting has found the formation master of Liangyi Sect and is ready to forcibly start the Divine Fire Mountain and get the Divine Fire Seal. We must not let him succeed.”

“If he gets the Divine Fire Seal, it will definitely be bad for Miss and the old sect master.”

Elder Yu said to Zhu Ling!

At this time, Zhu Ling’s words were more cohesive than Elder Yu’s.

These people are all from the old sect master’s lineage, so they will listen to Zhu Ling more.

“When did Huo Yuanting start to crack the array and forcefully open the God Fire Mountain?” Zhu Ling asked! “Sister, it happened today. I saw it with my own eyes.” Wei Qing said hurriedly! “Today!” Zhu Ling frowned slightly, then looked at the people around her, and asked Elder Yu: “Elder Yu, what about Junior Brother Cheng Ping?” “Miss, he ran around without permission and triggered the array. Huo Yuanting punished him to go to the Cliff of Repentance and face the wall for three days.” Elder Yu said! Zhu Ling knew that this was Chen Ping taking the blame for her! “The array, how long will it take for the people of Liangyi Sect to crack and open it?” Zhu Ling continued to ask! “This...” Elder Yu hesitated! He didn’t know either. After all, he was not an array master, so how could he know. Others were silent, not knowing how to answer Zhu Ling’s words! “Sister, I think Elder Cui knows. We can ask him.” Wei Qing said at this time. “Okay, then you go and invite Elder Cui.” Zhu Ling said.

Wei Qing nodded and immediately went to invite Elder Cui.

Elder Cui was a neutral party after all, so he was not called just now.

Soon, Elder Cui was called by Wei Qing.

Seeing that the people of the old master’s lineage were all there, and Zhu Ling also showed up, Elder Cui seemed a little surprised.

Chapter: 6586

“Miss, what do you want to talk to me about?”

Elder Cui asked Zhu Ling.

“Elder Cui, if the people of Liangyi Sect want to forcibly crack the array plate and open the God Fire Mountain, how long will it take?”

Zhu Ling asked Elder Cui.

“What? Is someone going to forcibly open the God Fire Mountain?”

Elder Cui frowned.

“Yes, Huo Yuanting invited the array master of Liangyi Sect to forcibly open the God Fire Mountain.”

Zhu Ling nodded and said!

“This Huo Yuanting is too bold.” Elder Cui was furious, but then he said, “If the elders of Liangyi Sect come here, it will take about four to five days to crack the array and open the God Fire Mountain.”

“But I can add some obstacles to him, so it will take longer. If only ordinary disciples of Liangyi Sect are invited, they will never be able to crack the array.”

“Four to five days...” Zhu Ling pondered!

“Miss, there is no time to lose. Let’s rush over and stop Huo Yuanting. Once the God Fire Mountain is opened, we can’t stop him.”

Elder Yu said to Zhu Ling anxiously!

Zhu Ling said after thinking for a while: "Don't worry, wait until Junior Brother Cheng Ping finishes his reflection. Didn't Elder Cui say that even the elders of Liangyi Sect need four or five days to open the Divine Fire Mountain."

"Besides, Elder Cui will also add obstacles. Maybe they can't open the Divine Fire Mountain at all."

The reason why Zhu Ling wanted to wait for Chen Ping and prevent Elder Yu and others from clashing with Huo Yuanting was to wait for the old sect master to come out!

Zhu Ling knew that her father's demon soul had been eliminated, and she only needed to restore his consciousness to come out and take charge of Ziyang Sect again!

As long as Huo Yuanting couldn't get the Divine Fire Seal during this period, it would be fine!

Maybe after four or five days, the old sect master would recover and come out, and even if the Divine Fire Mountain was opened, it would be useless!

"Miss, isn't this too risky? If..."

Elder Yu wanted to say something, but was interrupted by Zhu Ling!

"Okay, let's do it this way. We'll make plans after Junior Brother comes out of the Cliff of Repentance. You guys just pretend you don't know about it these days, and no one should bother Huo Yuanting."

"Got it!" Seeing this, Elder Yu could only listen to Zhu Ling's words!

All the people who were summoned dispersed!

Chapter: 6587

Elder Cui also left, and Zhu Ling looked at Elder Yu and said, "Elder Yu, you don't know that my father's madness is gone, and he is recovering his consciousness now."

"In order not to be known by Huo Yuanting, I didn't tell anyone. I accidentally touched the formation at that time. I took Chen Ping to see my father."

"It's just that in order not to let Huo Yuanting get suspicious, my junior brother stayed alone and took all the responsibility on himself!"

"So don't provoke Huo Yuanting these days. If my father recovers completely and comes out of the mountain, even if Huo Yuanting forcibly opens the God Mountain Fire, it will be useless!"

Zhu Ling followed Elder Yu to explain, she was afraid that Elder Yu couldn't help but stop Huo Yuanting!

"So the eldest lady went with us. This guy is so tight-lipped that he didn't even tell me."

"I will follow the eldest lady's arrangements in everything..."

After knowing the reason, Elder Yu nodded and said!

Since then, the entire Ziyang Sect has become quiet, and the old sect master's lineage pretended not to know and did not provoke Huo Yuanting and his people!

Huo Yuanting was waiting for Gu Tianchao to crack the array and open the Divine Fire Mountain!

He didn't care about Elder Yu and the others, as long as these people didn't make trouble, they could do whatever they wanted!

As long as he got the Divine Fire Seal, he would become the real sect master of Ziyan Sect!

Whoever he wanted to get out of Ziyan Sect would get out!

Three days passed in the blink of an eye!

When Chen Ping walked out of the Cliff of Repentance, he actually had an extraordinary aura on his body!

"If there were no other things, I really wanted to stay in this Cliff of Repentance for a few more days!"

Chen Ping was reluctant to leave the Cliff of Repentance!

In addition to being able to practice the True Fire Dharma Body, you can also use the flames on the mountain to temper your body!

This kind of good thing is not always available!

It seems that this Cliff of Repentance was originally the place where the ancestors of Ziyan Sect taught the exercises!

However, the disciples of Zi Yan Sect who came to the Cliff of Repentance were only thinking about leaving quickly and were still suffering. They could not find the skills on the Cliff of Repentance at all!

If it were not for the reminder of the Demon Lord Chi Yun, Chen Ping would have found it difficult to find the skills on the Cliff of Repentance!

Speaking of which, this is also a coincidence, which made Chen Ping a blessing in disguise!

“Junior brother, you finally came out, are you okay?”

Wei Qing knew that it was time for Chen Ping to reflect on his mistakes, so he came to pick him up!

“It’s okay, it’s good, senior brother, have you been to the Cliff of Repentance?”

Chen Ping asked!

“Of course I have been there. When we, the deacon disciples, are promoted to deacons, we have to temper ourselves in the Cliff of Repentance.”

“Otherwise, how would I know that the Cliff of Repentance is terrifying? It’s simply not a place for people to stay.”

When Wei Qing mentioned the Cliff of Repentance, it can be seen that he was very resistant!

“Didn’t senior brother find that there is something special about the Cliff of Repentance?”

Chen Ping looked at Wei Qing and asked!

“Special? What could be special? Did you find anything?” Wei Qing asked curiously! “No, I’m just asking casually.” Chen Ping smiled, and then continued: “Brother, I’ve thought about it for the past three days. Is

Huo Dong causing trouble?” “No, they don’t have the energy to cause trouble. Now Huo Yuanting has found a formation master from Liangyi Gate and is forcibly opening the God Fire Mountain. Huo Dong is personally guarding the left and right guards!” Wei Qing said helplessly!

Chapter: 6588

Seeing that the formation had opened a gap, Wei Qing led everyone to rush forward!

But just as he rushed forward, a white light flashed, followed by a terrible force, knocking everyone out!

“Hahaha, this formation has been strengthened by the elders of Liangyi Sect, how could it be broken so easily?”

An elder of Huo Yuanting’s lineage laughed!

Huo Yuanting had actually been prepared for a long time. He knew that Elder Cui might favor the old sect master, so after Gu Tianchao came, he asked him to strengthen the formation!

Seeing this, Zhu Ling frowned instantly. The formation plate in her hand could only break the formation set up by Elder Cui. If there were formations set up by others, she would not be able to break them!

Originally, she did not understand the formation, and relied entirely on the formation plate given by Elder Cui!

“What should I do?” Zhu Ling was a little at a loss!

“Senior sister, let me break the formation!”

Chen Ping stepped forward and said!

“You?” Zhu Ling was stunned: “You know the art of formation?”

You know, when Zhu Ling took Chen Ping to see the old master, Chen Ping had always pretended to know nothing and followed behind him obediently!

How come he knows the art of formation now?

Chen Ping just smiled and didn't say anything, but walked forward and gently pressed his palm on the formation!

In just a moment, the originally unbreakable formation shattered like an eggshell, and then disappeared completely!

Seeing Chen Ping break the formation so easily, Zhu Ling was stunned!

Others were also stunned. No one expected that Chen Ping actually knew the art of formation, and it seemed that his level was very high!

“Senior sister, my junior brother's formation art is probably not inferior to that of Elder Cui.”

Wei Qing stepped forward and said to Zhu Ling!

Zhu Ling only realized at this moment that Chen Ping was not only powerful, but also so powerful in the art of formation!

At this time, Zhu Ling's heart was even more throbbing!

"What are you waiting for, kill..."

Chen Ping glanced at Zhu Ling, then raised his arm and called out!

Chapter: 6589

For a moment, the sound of killing shook the sky, and spiritual power kept colliding and bombarding!

For a moment, the world seemed like the end of the world, and the entire void was shaking!

Just when the old master's lineage and Huo Yuanting's lineage were fighting, Huo Yuanting brought Huo Dong and others to the foot of Shenhushan Mountain!

However, at the foot of Shenhushan Mountain, a river about a hundred feet wide and flowing with magma blocked the way!

Looking at the magma river in front of him, Huo Yuanting frowned.

"What's going on? How did a river suddenly appear?"

Huo Yuanting had also been to Shenhushan Mountain, but had never seen this magma river. Now such a river suddenly appeared, which made him very confused!

“Father, could it be that the magma under Shenhushan Mountain came out, so it formed a river?”

“For this kind of river, we only need to jump over it, don’t be afraid.”

Huo Dong said!

But just when Huo Dong was about to jump up, he was stopped by Huo Yuanting!

“Don’t be reckless.” Huo Yuanting said, glanced at the Zi Yan Sect disciple beside him, and then said: “You go first...”

“Yes!” Although the Zi Yan Sect disciple was also afraid, he had no choice!

I saw that the Zi Yan Sect disciple jumped up, and when his body passed over the river, it suddenly ignited flames, accompanied by a scream, and fell into the river!

Seeing this scene, Huo Dong’s face instantly became extremely ugly!

Huo Yuanting frowned, he didn’t expect that the Shenhuo Mountain was opened, but suddenly a blocking river appeared!

Just when Huo Yuanting was a little at a loss, suddenly dozens of breaths came towards them quickly!

“Bad, are these guys here so soon?”

Huo Yuanting thought that Elder Yu and his men came to stop them from entering the Shenhuo Mountain!

But just when Huo Yuanting was about to take action, dozens of people with ghost faces appeared!

The auras of these people are very strong, especially the leader, who exudes the aura of the Mahayana realm!

“Ghost Face Sect? How come you are here?”

Huo Yuanting became nervous when he saw the people coming!

This Ghost Face Sect is also a major sect in the Central Region, and it also cultivates the Ultimate Fire, but the Ghost Face Sect is a demon cultivator!

Chapter: 6590

For a long time, the Purple Flame Sect has been fighting with the Ghost Face Sect, and they all want to compete for the right to use the God Fire Mountain!

After all, there are items dropped by the Fire Spirit Star Lord here, not to mention that guarding the God Fire Mountain, you can also borrow the flames of the God Fire Mountain itself to improve your strength!

However, as a demon cultivator, the Ghost Face Sect is suppressed by all the major sects everywhere, so they can't fight the Purple Flame Sect at all!

In the end, the Ghost Face Sect could only disappear and hide!

Now that the Ghost Face Sect suddenly appeared near the God Fire Mountain, and so many people came, Huo Yuanting had to become nervous!

“Master Huo, you don't have to be nervous, we are already a family.”

The leading member of the Ghost Face Sect said slowly!

“What are you talking about? Who is your family?”

Huo Yuanting snorted coldly!

“Hahaha, if you are a family, you can ask your son.”

The member of the Ghost Face Sect laughed!

Huo Yuanting looked at Huo Dong, and Huo Dong walked straight to the member of the Ghost Face Sect and said respectfully: “Disciple Huo Dong, I pay my respects to Elder Tu...”

At this moment, everyone looked at Huo Dong in shock!

Even Huo Yuanting was surprised!

Although he knew that his son had practiced magic and refined the ultimate fire of the demon clan, he never thought that Huo Dong would join the demon clan and become a member of the Ghost Face Sect!

“Huo Dong, do you know what you are doing?”

Huo Yuanting glared at Huo Dong and questioned!

“Father, of course I know. The old sect master expelled me from Ziyang Sect. If it weren't for the Ghost Face Sect taking me in, I would have died long ago.”

“Now I control three kinds of fire, and my strength has reached the peak of the Tribulation Realm. What’s wrong with that?”

“And the magic soul you use is actually provided by the Ghost Face Sect. Otherwise, where can I find the magic soul for you to drive the old sect master crazy?”

Huo Dong said to Huo Yuanting!

Huo Yuanting’s expression became complicated when he heard it. Fortunately, all the disciples here are from his lineage, and no one will say anything!

If Elder Yu and the others were here, they would definitely fight to the death if they knew that he used the magic soul to harm the old sect master!

However, Gu Tianchao on the side was also very surprised after hearing this, but he pretended not to hear it!
