

The Order 6591

Chapter: 6591

After all, this is an internal matter of Ziyang Sect. He can't control it, and he doesn't want to control it. As long as he can get benefits from Ziyang Sect, it's fine!

"Master Huo, I'm here to tell you something. Your old master is now out of the control of the demon soul. The demon soul we provided has disappeared." Elder Tu said slowly to Huo Yuanting! "What? Impossible, did he destroy the demon soul himself?" Huo Yuanting didn't dare to believe it! A few days ago, he saw that the old master was crazy and didn't seem to be pretending at all! "It wasn't that he destroyed it himself, but someone helped to destroy the demon soul." Elder Tu shook his head and said! "How is it possible? Who can pass through the layers of formations to get in?" Huo Yuanting frowned. He really couldn't figure out who was able to pass through the layers of formations, see the old master, and destroy the demon soul in the old master's body? Suddenly, Huo Yuanting seemed to think of something! He remembered that the formation was suddenly activated, and Elder Yu's newly recruited disciple was at the scene! Thinking of the new disciple recruited by Elder Yu, who defeated Liu Shitong in one move, Huo Yuanting narrowed his eyes slightly!

He began to suspect that Chen Ping was not a disciple recruited by Elder Yu at all, but a master invited from outside, who then broke the formation and helped the old master to eliminate the demon soul!

And the reason why Chen Ping looked like he only had the strength of the fourth level of the Tribulation Realm was definitely to hide his strength and not be discovered!

"Damn, I was fooled. It turns out that they have been plotting to cure the old master."

Huo Yuanting gritted his teeth and felt that he was fooled!

"Those who can pass through layers of formations and eliminate demon souls are definitely not ordinary people. I guess this time when the Divine Fire Mountain is opened, Master Huo may not be able to get the Divine Fire Seal."

“The other party obviously invited a master, and your old master came out. Do you think you still have a chance to sit on the position of the master?”

Elder Tu asked Huo Yuanting!

Huo Yuanting was silent. He certainly knew that if the old sect master left, he would have no chance, not to mention that the other party had already planned it!

After thinking for a moment, Huo Yuanting looked at Elder Tu and asked, “Tell me, what do you want?”

“Of course I want to cooperate with Sect Master Huo.”

“We will help Sect Master Huo clear the obstacles so that you can get the Divine Fire Seal and sit on the position of Sect Master.”

“Of course Sect Master Huo will also take out some resources from the Divine Fire Mountain so that our Ghost Face Sect can live in the Purple Flame Sect!”

Elder Tu stated the conditions of their Ghost Face Sect!

“Let me think about it...”

Huo Yuanting frowned slightly!

If he agreed, it would be like inviting a wolf into the house. If things go wrong for a long time, the entire Purple Flame Sect will become the Ghost Face Sect!

By then, even the Divine Fire Mountain will become a resource place for the Ghost Face Sect!

“I can give Sect Master Huo time to consider, but I’m afraid that the old sect master’s lineage will not give you time.”

“As for those people you left behind, I guess they can’t hold out for long.”

Elder Tu said!

Huo Yuanting also knew that he was just delaying time by leaving some people to stop Elder Yu and the others!

Once he entered the Shenhuo Mountain and got the Shenhuo Seal, he would not be afraid!

Chapter: 6592

So he did not leave too many powerful people!

Most of them were taken to the Shenhuo Mountain. After all, finding the Shenhuo Seal was the most important thing!

But now, a magma river suddenly appeared to block the way, and he learned that the old master had recovered. Huo Yuanting’s heart had been in chaos for a long time!

“Okay, I promise you!”

Huo Yuanting finally gritted his teeth and agreed!

“Hahaha, Master Huo, this is a wise move. Even your son is from our Ghost Face Sect. By then, we will be a family and can communicate with each other.”

Elder Tu laughed!

“Don’t forget what you said, help me get the Shenhuo Seal and be the master of this sect.”

“Now I have to cross this magma river, and there are people blocking the old master’s lineage.”

Huo Yuanting said!

“It’s nothing. If I can come, I can definitely help you...”

After saying that, Elder Tu took off his ghost face and threw it away!

The ghost face suddenly grew larger in the air, like a flying boat hanging in the air!

At the same time, Elder Tu’s scarred face was also exposed!

“Now you can go up and fly over the lava river. As for the disciples of the old sect master, I will deal with them.”

Elder Tu said!

Seeing this, Huo Yuanting nodded and led people to jump onto the ghost face!

Elder Tu shot out a black mist, which carried the ghost face and headed towards the other side of the lava river!

After seeing Huo Yuanting and others leave and reach the other side, Elder Tu raised the corner of his mouth!

How could the Ghost Face Sect be under another sect? Now it's just the first step!

Sooner or later, they will replace the Purple Flame Sect and completely occupy the Shenhua Mountain!

At this time, Elder Yu and his men also defeated all the people from Huo Yuanting's lineage who had held back. Elder Tian was no match for Elder Yu and was defeated!

Because they were all disciples of the Purple Flame Sect, they did not kill them. Except for some injuries, no one was in danger of life!

Chapter: 6593

Elder Tian's mouth was bleeding with blood, but his face was full of excitement as he said: "It's useless even if you catch up now. Master Huo and the others should have entered the sacred volcano long ago, and maybe they have obtained the sacred fire seal long ago."

"Resign yourself to your fate. If you choose to follow Master Huo now, I can still put in a good word for you."

"Bah, even if Huo Yuanting gets the Divine Fire Seal, he will never recognize him as his master."

Elder Yu spat hard, then looked at Zhu Ling and said: "Miss, let's catch up quickly..."

"Okay!" Zhu Ling nodded!

The group of people quickly headed towards the sacred volcano, but just when they were about to reach the foot of the sacred volcano, dozens of auras suddenly came towards them!

"Have Huo Yuanting and others already obtained the Divine Fire Seal and returned?"

Zhu Ling said with a cold expression!

"It won't be so fast, right?" Elder Yu also frowned slightly!

He didn't believe that Huo Yuanting would get the Divine Fire Seal so quickly. This was a bit unrealistic!

But at this time, who would come from the direction of the sacred volcano?

"This is not Huo Yuanting and others, these are demon cultivators."

Chen Ping said with a stern expression!

"Demon cultivator?"

Elder Yu and Zhu Ling said in unison!

“Junior brother, why are there demon cultivators here?” Wei Qing asked!

“How do I know? I should ask you, but these people are indeed demon cultivators. I can feel their aura.”

Chen Ping said!

“Demon cultivator? Why did the demon cultivator come here?” Zhu Ling was also very puzzled!

“Is it someone from the Ghostface Sect? The people from the Ghostface Sect have been spying on our sacred volcano for a long time.”

“This time the sacred volcano suddenly activates. Maybe people from the Grimace Sect will come to snatch the right to use the sacred volcano!”

Elder Yu said nervously!

As soon as Elder Yu finished speaking, dozens of figures were seen landing in front of them!

Everyone wears a mask, and they are indeed members of the Ghostface Sect!

Chapter: 6594

“Grimace Sect? It’s really you...”

When Elder Yu saw the person coming, he clenched his fists subconsciously!

For so many years, the Ziyang Sect has been fighting openly and secretly with the Ghostface Sect!

“Elder Yu, you are in such a hurry to go to the Shenshan Mountain. Could it be that there is an internal fight in your Ziyang Sect?”

Elder Tu said with a cold smile!

Elder Yu looked at the ferocious face of Elder Tu from the Ghost Face Sect and felt nauseated all the time!

“This is our Ziyang Sect’s business and has nothing to do with you. If you don’t want to die, take your people and get out of here immediately.”

Elder Yu said coldly to Elder Tu!

“How could it not matter? I was invited by your Ziyang Sect, and I was personally invited by your Sect Master Huo. How could you say it doesn’t matter?”

Elder Tu smiled!

As soon as these words came out, Elder Yu and the rest of the Ziyang Sect were all stunned, and then their eyes flashed with anger and they were extremely angry!

“This Huo Yuanting is so audacious that he dares to openly collude with your Grimace Sect. He is not worthy of being the sect leader, not even the acting sect leader!”

Wei Qing roared!

Elder Yu also had a look on his face: “I never expected that Huo Yuanting would betray the Ziyang Sect and collude with you demon cultivators. This time it’s not just a dispute between the sect leaders. We must eradicate the traitor Huo Yuanting.”

“Hahaha, you guys are really good at telling lies. When I kill you, Huo Yuanting will let our Grimace Sect live in Ziyang Sect and use the resources of the Divine Volcano.”

“By that time, it’s not certain who owns the Divine Volcano. Maybe even the Purple Flame Sect will be gone!”

Elder Tu laughed loudly!

“Damn Huo Yuanting, how dare he agree to such a request?”

When Zhu Ling heard this, her face turned red with anger!

“It seems that you have been in contact with each other for a long time. Huo Dong has your aura on him. He must have been taken in by your Ghost Face Sect after he was kicked out of the sect.”

“And the demon soul in the old disciple’s body was also provided by your Ghost Face Sect, right?”

Chen Ping looked at Elder Tu and asked calmly!

Elder Tu has never looked at Chen Ping directly. After all, Chen Ping is too young and not very strong. He regards Chen Ping as an ordinary disciple of Ziyang Sect!

“How did you know? Considering that you are young and have no strength beyond the fourth level of the Tribulation Realm, I didn’t expect that you were observing very carefully.”

Chapter: 6595

“Then Huo Dong was indeed taken in by us. We took him in to prepare for today.”

“Also, the demon soul was indeed provided by us, but it was destroyed by others. I didn’t expect that Ziyan Sect still has such an expert.”

Elder Tu said!

“To be honest, I destroyed that demon soul. If I can destroy your demon soul, I can also destroy you.”

Chen Ping said calmly!

“Is it you?” Elder Tu looked at Chen Ping in disbelief: “How can you do this if you don’t transition to the fourth level of the Tribulation Realm?”

“Yes, I am at the fourth level of the Tribulation Realm, but I specialize in dealing with demon cultivators. My strength is enough to kill you!”

Chen Ping laughed!

“Hmph, you’re talking too much!” Elder Tu snorted coldly!

“Miss, Cheng Ping, you two go to the Divine Volcano to prevent Huo Yuanting from getting the Divine Fire Seal. I will hand over this Grimace Sect member to me!”

Elder Yu is going to lead people to fight with the Grimace Sect and asks Chen Ping to accompany Zhu Ling to the Shenhua Mountain!

“Don’t even think about leaving!”

Elder Tu said!

Elder Yu suddenly jumped up, bursts of spiritual light burst out from his body, and then punched out a fire dragon!

The fire dragon exploded in front of Elder Natsu and others, and the blazing flames rushed towards the people of the Ghost Face Sect!

Elder Yu acted first to create opportunities for Chen Ping and Zhu Ling to leave!

“Huh, what a small trick...”

Elder Tu snorted coldly, and then waved his palm, and a huge palm suddenly appeared in the air, and the palm headed towards the sea of fire like a mountain!

With this palm strike, the burning sea of fire was instantly covered, and the flame was extinguished instantly!

Elder Yu looked stunned. Elder Tu’s strength seemed to be superior to his.

When Chen Ping and Zhu Ling saw this, they also knew that unless these Grimace Sect members were dealt with, they might not be able to escape!

Especially since the two of them went to the Divine Volcano, they might not be able to stop Huo Yuanting!

“Let’s do it together and destroy the Grimace Sect first!”

Zhu Ling shouted loudly, and then everyone from the Ziyang Sect rushed forward!

Chapter: 6596

For a moment, the Ziyang Sect and the Ghost Face Sect were fighting together, and Chen Ping took out the magic whip without hesitation!

At this time, Chen Ping was not afraid of revealing his identity, and the magic whip in his hand crackled!

The magic cultivators who were beaten screamed for a while!

After all, the demonic whip is specifically aimed at demonic cultivators, and the attack is on the demonic cultivators’ spiritual consciousness, which gives these Grimace Sect people a headache!

Zhu Ling looked at the magic whip in Chen Ping’s hand, and she was in a trance for a moment!

She seemed to remember that Chen Ping had a magic whip in his hand!

Zhu Ling paid special attention to Chen Ping. After all, Chen Ping was her idol!

“Could he be Chen Ping?” Zhu Ling looked at Chen Ping blankly!

“What are you looking at? If you don’t take action, it will be too late to stop Huo Yuanting.”

Chen Ping saw Zhu Ling staring at him in a daze, so he said!

Zhu Ling reacted and quickly started to take action!

Just when Chen Ping was using the magic whip to kill everyone, a transparent beam of light suddenly came towards him!

This beam of light was so fast that it had already reached the top of Chen Ping's head before he could react!

Only then did Chen Ping see that there was a grimace talisman in the air!

The light shines from this grimace talisman!

And a man wearing long sleeves was looking at Chen Ping coldly!

The body was hanging in the air, and his face was extremely pale, like the face of a dead person!

With cold eyes and a half-smiling expression, Chen Ping felt a little hairy!

“You are only in the fourth level of the Tribulation Realm, but you actually have a magical weapon like the Demonic Whip in your hand. If I guess correctly, you should be the Chen Ping who was hunted down by the Demon Sealed Alliance with a hundred-year tribute, right?”

The man said coldly!

Chen Ping's expression suddenly changed, and he quickly shook his head and said, "I am your grandfather, and I don't even know who Chen Ping is!"

Chen Ping can't admit it. If he admits it, there will be a lot of trouble later!

The man's words stunned Elder Yu, Zhu Ling, Wei Qing and others who were fighting!

They have also heard of Chen Ping's name, and the Demon Sealing Alliance has used hundreds of years of offerings to hunt down Chen Ping. This has long been known to everyone, including the entire heaven and human world!

Chapter: 6597

Now that Chen Ping is right in front of them, how could they not be surprised!

However, Chen Ping didn't admit it at all, which made them a little undecided!

"Hahaha, whether you are or not, I will use your head to try to seal the Demon Alliance."

After the man finished speaking, he rushed towards Chen Ping!

"Junior brother....."

When Zhu Ling saw this, she had a relationship with Chen Ping and wanted to help Chen Ping, but she was entangled by the people of the Grimace Sect and had no way to escape!

Soon, streaks of black mist began to spread around Chen Ping, wrapping him up!

When everyone else saw this scene, they were all worried about Chen Ping!

But now they are all in trouble, and no one can help Chen Ping!

Chen Ping was wrapped in the black mist and didn't panic at all. He was not afraid of the man in front of him. He was worried about other people now!

If the fight continues like this, Elder Yu and others will definitely be at a disadvantage, and maybe the entire army will be annihilated!

This is not what Chen Ping wants to see!

"Senior brother, senior sister, I will help you block these people in a while. You go to the sacred volcano quickly, don't look back, and don't worry about me."

"I have a way to escape, they can't do anything to me..."

Chen Ping sent a message to Zhu Ling and others, telling them to escape as soon as possible!

Following the people of the Grimace Sect will do them no good at all!

However, Zhu Ling and the others were very curious. They didn't understand how Chen Ping, a fourth-level Tribulation Realm master, could stop dozens of people from the Ghost Face Sect?

You must know that Elder Tu of the Grimace Sect is a master of the Mahayana realm!

Just when everyone was wondering how Chen Ping could help them stop these Grimace Sect members, a figure suddenly rushed out of the black mist!

When the man from the Ghostface Sect saw this, he slapped him with his palm. He thought it was Chen Ping who had rushed out!

But when he slapped the opponent with his palm, the Grimace Sect man immediately regretted it!

Because he felt as if this palm was hitting an iron wall, and his whole body was shaken to the point of numbness in his arms!

Upon closer inspection, I discovered that the figure was actually a puppet!

Just as he was stunned, the puppet punched out!

A huge flaming fist hit the Grimace Sect man and knocked him away!

Chen Ping waved his hand, and the black mist dissipated instantly!

Everyone stopped at the same time and looked at Chen Ping's puppet in disbelief!

Such an awesome puppet is so powerful!

They simply don't know that the driving core of this puppet is the supreme fire essence of Lord Fire Star!

This ultimate fire essence is probably more powerful than the divine fire seal of the divine volcano!

If this kind of thing is used on a puppet, how could the puppet not be awesome!

Chen Ping directed the puppet to attack Elder Tu, and then he waved the magic whip in his hand, and flames burned around the magic whip!

“You guys go quickly...”

Chen Ping shouted loudly!

After Elder Yu and the others were stunned for a moment, they immediately jumped up and headed straight for the Divine Volcano!

They also knew that if they were entangled by the Ghost Face Sect, they would be unable to stop Huo Yuanting from getting the Divine Fire Seal!

Chapter: 6598

“Stop them and never let them escape...”

Elder Tu yelled, but he was entangled by the puppet and couldn't free his hands at all!

The other Grimace Sect disciples wanted to stop them, but Chen Ping used the magic whip to stop them!

And the stars of Chen Ping's fantasy source kept flashing, and a huge fantasy formation appeared!

Although the phantom formation cannot hurt these Grimace Sect disciples, it can block their actions!

For a time, all the disciples of the Ghost Face Sect were trapped in the illusion formation, and there was no way to stop them!

Elder Yu and Zhu Ling led the people towards the sacred volcano quickly!

Zhu Ling looked back from time to time, obviously worried about Chen Ping!

Seeing that the time was almost up, Chen Ping suddenly waved his hand and summoned the puppet back!

He didn't want his puppet to be damaged. If it hurt the fire essence, it would be troublesome. This kind of treasure can't be obtained at any time!

The moment he recalled the puppet, Chen Ping activated the Fire Control Step!

I saw flames burning under the soles of his feet, and then Chen Ping seemed to disappear out of thin air, tearing apart the void and appearing several miles away in an instant!

The reason why Chen Ping dared to stay alone to resist was because of his fire-bending steps. This was his support. Even if he couldn't defeat him, he could still escape!

As the ultimate fire burned, Chen Ping's fire control steps became more and more proficient, and his whole body was jumping in space as if he was teleporting!

Elder Tu of the Grimace Sect looked confused as he watched Chen Ping's leaping progress in space!

“What the hell is this technique? How can it be so fast?”

Elder Tu rubbed his eyes!

As a master in the Mahayana realm, he cannot achieve this speed. No matter how fast he is, he can still see an afterimage!

But Chen Ping couldn't see the afterimage at all, it seemed like it disappeared instantly and then appeared in another place instantly!

This kind of speed cannot be explained by just being fast!

In terms of Chen Ping's speed alone, a fourth-level cultivator in the Tribulation Realm is far superior to masters like them in the Mahayana Realm!

Elder Tu struggled to catch up, and some of the Grimace Sect disciples also broke through the illusion and chased Chen Ping!

Chen Ping smiled coldly. With this fire-bending step, he was not afraid at all and could completely follow the people of the Ghost Face Sect!

I saw Chen Ping taking out the Dragon-Slaying Sword, and then his body flashed away and suddenly appeared in front of the Grimace Sect disciples!

Chapter: 6599

Then he swung the dragon-slaying sword, and a golden sword light flashed through, tearing the void.

Those Grimace Sect disciples had no time to dodge, nor did they expect that this guy Chen Ping would suddenly turn back and appear in front of them instead of running away!

Accompanied by several screams, the hurried Grimace Sect disciple was cut in half by Chen Ping's sword, and the bloody smell filled the air instantly!

Just after Chen Ping slashed out with his sword, his body disappeared again!

When Elder Tu saw this scene, his face turned red with anger and he roared loudly: "You are Chen Ping. If you still dare not admit it, I must kill you today."

The moment Chen Ping took out the Dragon-Slaying Sword, he already understood that the other party would definitely be able to figure out his identity!

But Chen Ping didn't care. After all, there were only people from the Ghost Face Sect here, not the Ziyan Sect!

When the time comes, no matter what the people of the Grimace Sect say, just don't admit it!

After all, the Dragon-Slaying Sword is Chen Ping's imperial spiritual sword. The moment he takes out the Dragon-Slaying Sword, Chen Ping's identity is revealed!

"I am Chen Ping, what can you do to me? What a fool, you want to take my head to the Demon Sealing Alliance to claim credit. Don't you know that the Demon Sealing Alliance is specifically designed to deal with you demon cultivators?"

Chen Ping was deliberately irritating Elder Tu and preventing him from cooperating with the Demon Sealing Alliance.

"Hmph, the Demon-Sealing Alliance will kill us demon cultivators openly, but behind the scenes they have negotiated cooperation many times."

“The Feng family in the Central Region is a vassal family of the Demon Sealing Alliance. They have long discussed with us about killing you.”

“I didn’t expect that your kid hid his identity in the Purple Flame Sect and was encountered by me today. That is the blessing of our Ghost Face Sect.”

Elder Tu snorted coldly, obviously not caring about Chen Ping’s deliberate irritation!

When Chen Ping heard what Elder Tu said, he couldn’t help but frown slightly!

He didn’t expect that in order to kill him, this Demonic Alliance would actually start talking with the Demon Cultivator!

You know, the previous Demon Sealing Alliance was arrogant and domineering, and any disobedient demon cultivators would be destroyed and forced to submit!

And now, he actually started negotiating with the demon cultivator!

“With your little ability, you can’t kill me at all...”

Chen Ping smiled coldly!

“Really?” After Elder Tu said this, he jumped up instantly, and the world instantly became dark!

Then countless black aura chains, with flames burning on them, surged towards Chen Ping!

These aura chains, like tentacles, seem to be alive!

Chapter: 6600

In just an instant, he was above Chen Ping's head!

The spiritual energy chain that covers the sky and the sun has blocked all Chen Ping's escape routes!

This is true even from miles away!

Because Elder Tu could see that every time Chen Ping jumped in space, it was only a few miles away. So this time he covered a radius of several miles, and Chen Ping couldn't escape at all!

This spiritual energy chain is extremely fast, and it covers the sky and the sun, giving Chen Ping no time to react!

Seeing Chen Ping's inevitable look, Elder Tu's lips raised!

In his opinion, Chen Ping must die!

How can he say that he is also a master of the Mahayana realm, but he can't deal with a young monk who is in the fourth level of the Tribulation Realm? Wouldn't that be a joke?

But when Chen Ping looked at those spiritual energy chains, he didn't have any panic in his expression.

Countless spiritual energy chains were burning with fire and heading towards Chen Ping, but when they reached Chen Ping's eyes, Chen Ping's body trembled slightly!

A white light visible to the naked eye flashed out, and then those spiritual energy chains suddenly stopped motionless, and even the ultimate fire above stopped beating!

It was as if the entire time and space had stopped.

“What? You actually know that time stands still. Could it be that you have understood the origin of time?”

Elder Tu was shocked!

Chen Ping smiled coldly, disappeared instantly, and then appeared several miles away!

Chen Ping has understood the origin of time, but he still can't make time stop completely!

What he just used was extremely cold ice flames!

The spiritual energy chain and ultimate fire were all frozen, and it looked like time and space had stopped!

In this way, Elder Na Tu would be doubtful and would not dare to act rashly!

Being able to make time stand still is a method of the Immortal family. It is not something that monks like them in the world of heaven and earth can use!

Now Chen Ping actually showed it!

Just when Elder Tu was a little dazed, the man who was originally fighting with Chen Ping suddenly shouted: “Elder Tu, this is not time standing still, but the spiritual energy chain being frozen.”

One sentence reminded Elder Tu, and sure enough, he felt a strong chill from the spiritual energy chain!

“This kid still wants to bluff me...”
