

## **The Order 6601**

Chapter: 6601

Elder Tu narrowed his eyes, and murderous intent burst out of him!

I saw that Elder Tu's eyes turned into a dark color, and at the same time, black flames filled the air around him, and among these black flames, several figures slowly appeared!

“Hmph, no matter how fast you are, can you still be faster than the demon soul?”

Elder Tu snorted coldly!

You must know that demon souls are not restricted by laws and can be very fast. After all, they do not have physical bodies, they are just spiritual bodies!

Several demon souls rushed towards Chen Ping in an instant, so fast that they couldn't even see clearly!

Whoosh whoosh!

These demon souls are like arrows, disappearing into the void instantly, and then appearing in the distance!

Elder Tu followed closely behind these demon souls!

Chen Ping frowned. He could feel a sense of danger coming. Then he started the fire-control step and his body disappeared from the place again!

But at the moment when Chen Ping disappeared in an instant, those demonic souls had also appeared where Chen Ping had just stood, and the several demonic souls also disappeared in an instant!

Chen Ping's face was cold. He didn't expect Elder Tu of the Grimace Sect to have such a method. At this time, Chen Ping didn't know what it was, but his speed was not inferior to his own!

Just when Chen Ping took a step forward and his figure appeared again, several demonic souls appeared above Chen Ping's head!

"Demon soul?"

Chen Ping was a little surprised when he saw what followed!

He could not have imagined that Elder Tu could control several demon souls at the same time!

Several demon souls roared with ferocious expressions!

Although these demon souls look very scary, Chen Ping doesn't have the same sense of crisis just now!

You must know that the only thing that can cause harm to you is the sea of consciousness!

The demon soul cannot cause any harm to Chen Ping's physical body, nor can it attack Chen Ping's physical body!

It can only attack Chen Ping's sea of consciousness, but Chen Ping's sea of consciousness is not that easy to attack!

In addition to Demon Lord Chiyun in the Consciousness Sea, there is also a treasure book like the Great Luo Golden Code!

“Senior, can you deal with these demon souls?”

Chen Ping asked Demon Lord Chiyun!

Chapter: 6602

“What are you talking about? Are you slapping me in the face? You asked such a thing!”

“Don’t talk about these demon souls, even the demon soul of Demon Lord Lihuo in the heaven world, I will beat the crap out of him!”

Demon Lord Chiyun said with disdain!

“Senior is mighty!” At this time, Chen Ping can only obey Demon Lord Chiyun. He likes to brag, so let him brag twice!

Several demon souls surrounded Chen Ping and poured into Chen Ping’s body instantly!

Soon, he rushed into Chen Ping’s sea of consciousness!

Seeing Chen Ping being possessed by the demon soul, Elder Tu laughed proudly!

“Even if your consciousness is powerful, I don’t believe that these demon souls can’t subdue you!”

Elder Tu slowly walked towards Chen Ping!

When Chen Ping looked at the approaching Elder Tu, he suddenly had a plan in mind. His eyes instantly became lifeless, as if he was being controlled by the sea of consciousness!

But at this time, after those demon souls entered Chen Ping’s sea of consciousness, they all regretted it!

They all screamed and were beaten to pieces by Demon Lord Chiyun with a wave of his hand!

This is not an opponent at the same level at all. Although Demon Lord Chiyun is just a ray of remnant soul at the moment, even so, it is not comparable to the souls of these demon cultivators in the heaven and human world!

Elder Tu walked up to Chen Ping at this time and couldn’t help but smile coldly when he saw Chen Ping’s eyes were lifeless and his whole body was like a puppet!

“Elder Tu’s demon soul is still powerful. No matter how powerful this guy is, if the sea of consciousness is not strong, it will be useless!”

The man from the Ghost Face Sect also caught up, and then praised Elder Tu!

“This trip was really worthwhile. Not only did we negotiate terms with the Ziyang Sect, we also thought we caught this Chen Ping.”

“Now we can find that demon alliance in exchange for a hundred years of worship. Now you take this kid back to the sect, and I will go after those guys from the old sect master’s lineage in the Ziyang Sect. We must not let them cause trouble.”

Elder Tu said to the man!

After all, Chen Ping is now controlled by the demon soul, and he is no different than a fool, so just anyone can take Chen Ping away!

“good!”

The man nodded, then walked up to Chen Ping and waved: “Come with me...”

Chen Ping moved his steps mechanically, following behind the man!

Elder Tu is leading his men to chase Elder Yu and the others!

Chapter: 6603

But just as Chen Ping followed the man for a few steps, the corner of his mouth suddenly raised, and his originally expressionless eyes now revealed a hint of coldness!

Uh-huh!

The dragon-slaying sword suddenly appeared in Chen Ping’s hand, followed by a slash!

This chop directly cut off the head of the man walking in front!

The man didn't even have time to react!

He had always thought that Chen Ping was under control at this moment, so he relaxed his vigilance. Who would have thought that Chen Ping was actually faking it!

"You idiots, you've been fooled. A few demon souls still want to control me. It's a joke..."

Chen Ping yelled at Elder Tu, and then kicked the man's head in front of Elder Tu!

Elder Tu originally led his men to chase Elder Yu and the others, but suddenly heard Chen Ping's voice. When he turned around to look, a black shadow came towards him!

Elder Tu reached out and grabbed it, only to realize that it was his own head!

After Chen Ping smiled disdainfully at Elder Tu, his figure disappeared instantly!

Elder Tu is going to be so angry!

The few demon souls he had finally cultivated did not cause any harm to Chen Ping.

Instead, Chen Ping was deceived and killed his own men with one sword!

"Boy, I will definitely kill you, I will definitely..."

Elder Tu roared angrily and chased after Chen Ping!

When the disciples of the Grimace Sect saw this, they also chased after him!

Chen Ping used the Fire Control Step and quickly chased Elder Yu and the others!

If there were only Elder Yu and the others, they might not be able to stop Huo Yuanting and the others!

You must know that the people from the Liangyi Sect are also there, but if the formation master sets up a formation, Elder Yu and the others will not be able to break it!

Chen Ping quickly chased in the direction of Elder Yu and the others!

But when Chen Ping caught up with Elder Yu and others, he found that Elder Yu and others were all blocked by the lava river in front of them!

Looking at the magma flowing in front of him, Chen Ping was actually excited. You must know that the magma is filled with fire from the center of the earth!

Chen Ping can absorb the flames in these magma and strengthen his inner earth fire!

Chapter: 6604

However, Chen Ping does not have time to absorb it slowly now!

“Junior brother, are you okay?”

Seeing Chen Ping catching up, Zhu Ling asked with concern!

“Senior sister, I’m fine!” Chen Ping shook his head, and then asked: “Can’t I jump across this lava river?”

“I can’t get through it. A disciple just tried it and was swallowed up by the flames. The flames in the magma river are too powerful.”

Elder Yu said to Chen Ping!

Chen Ping looked at the magma river carefully. If he had time, he could absorb all the flames in the magma, but now he doesn’t have time!

The people from the Ghostface Sect are chasing after them, and they should be able to catch up soon!

Chen Ping tentatively approached the magma river. When Chen Ping’s body was close to the magma river, a large amount of flames suddenly erupted from the magma river!

“Junior brother, be careful...”

Seeing this, Zhu Ling reminded Chen Ping loudly!

However, this flame will not cause any harm to Chen Ping. After all, Chen Ping has already refined the fire of the core of the earth. Even if he enters the magma at this moment, he will not be harmed!

Chen Ping can pass through the magma river without any problems, but how can others get through?

Just when Chen Ping was at a loss what to do, he suddenly thought of something, and then a white flame danced in his palm!

Immediately afterwards, Chen Ping slowly drove the white flame into the magma river!

In an instant, the magma in the magma river stopped flowing, and even the rising flames stopped beating!

When everyone saw this scene, they all looked at Chen Ping in shock. They didn't understand how Chen Ping did it!

"Hurry through, I won't last long!"

Chen Ping saw this and said quickly!

When Elder Yu and others heard this, they quickly began to fly over the magma river!

Because the magma river is controlled by Chen Ping, it is not attacked by fire!

When everyone passed through the magma river, Chen Ping gasped for air and put away the extremely cold ice flames!

Chen Ping's forehead was covered in cold sweat!

At this time, not far away, Elder Tu and the people from the Grimace Sect were already chasing him!

Chapter: 6605

“Junior brother, come here quickly, come here quickly...”

Seeing the people from the Ghostface Sect coming to kill them, Zhu Ling hurriedly shouted to Chen Ping!

Chen Ping glanced at the people from the Grimace Sect and knew that if he left at this moment, the people from the Grimace Sect would definitely catch up soon!

“Senior sister, you go first and stop Huo Yuanting immediately. I will catch up soon!”

Chen Ping shouted to Zhu Ling!

“Miss, let’s go first. It’s even more dangerous for him to cross the magma river at this time. The people from the Ghostface Sect will be here soon.”

“Our top priority is to prevent Huo Yuanting from getting the Divine Fire Seal. We must stop him!”

Elder Yu pulled Zhu Ling and said!

Zhu Ling also knew that what they had to do now was to prevent Huo Yuanting from getting the Divine Fire Seal!

Helpless Zhu Ling, after taking a deep look at Chen Ping, turned towards the sacred volcano with tears in her eyes!

This time, she didn’t know if Chen Ping could escape!

After all, there is a river of lava blocking the front, and the Ghostface Sect is chasing behind him. Where can Chen Ping escape?

And when Chen Ping looked at Elder Na Tu who was coming in angrily, he knew that he was trying to escape this time. I'm afraid it wouldn't be that easy!

"I don't know if I can fight with this puppet!"

Chen Ping frowned slightly!

Just now, Chen Ping used the extremely cold ice flames to directly freeze the magma river, allowing Elder Yu and others to pass through. He had already spent a lot of energy!

Before he could even take a breath, Elder Tu led his men to catch up!

"As you are now, you have no strength to fight."

Demon Lord Chiyun said!

"If I die, you won't survive, so stop making sarcastic remarks..."

"Hurry up and think of a way. You, the devil in the heaven, are useless."

Chen Ping said angrily!

"It's not that there is no way, I'm just afraid you won't agree."

Demon Lord Chiyun said.

Chapter: 6606

“Tell me, what can we do?” Chen Ping asked!

“Then let me possess you and let me control your body.”

“But don’t worry, I will definitely control my breath and will not destroy your physical body, nor will I not return it to you after taking it away.”

“We’ve been together for such a long time, don’t you believe me?”

Demon Lord Chiyun said!

“No problem, I can give up my body and let you control it.”

Chen Ping agreed without hesitation!

Seeing Chen Ping agreeing so happily, Demon Lord Chiyun was a little surprised: “Boy, do you really agree? Aren’t you afraid that I won’t return my body to you? Or aren’t you afraid that I will occupy your body and then play with you? A woman?”

“You know, those women of yours are all stunning beauties. I have never seen such beautiful women in heaven!”

“Stop talking nonsense. If you dare to have such an idea, I will have my own way to deal with you, but I trust the senior’s character more. You will not do this.”

Chen Ping said!

“Okay, but if you give up your body, you must also find a way to suppress this heavenly book. This thing hangs above my head all day long. I’m afraid that if there is any abnormal movement that takes over your body, it will be completely destroyed.”

Demon Lord Chiyun reminded!

Daluo Jindian in Chen Ping’s sea of consciousness has always been protecting Chen Ping. No soul can control Chen Ping’s body through Chen Ping’s sea of consciousness!

“Don’t worry, hurry up...”

Chen Ping urged!

Then Chen Ping’s consciousness spread, and a figure appeared in the sea of consciousness. Chen Ping took the initiative to give up his physical body and entered his soul into the sea of consciousness!

Seeing this, Demon Lord Chiyun directly controlled Chen Ping’s body!

“Hahaha.....”

The moment he took control of Chen Ping’s body, Demon Lord Chiyun burst into laughter!

He has lost count of how many years he has not appeared in this world in a real physical state!

While laughing, the world instantly became extremely dark!

All the clothes on Chen Ping's body dissipated instantly, his skin began to turn dark, and red lines appeared on Chen Ping's skin!

Endless black demonic energy surged through Chen Ping's body with terrifying power!

Chapter: 6607

And between Chen Ping's eyebrows, eyes that had been shining with a sinister brilliance suddenly appeared!

This sudden change caused Elder Tu, who was originally chasing people, to stop instantly!

"What...what is going on? Why does this guy have such terrifying demonic energy?"

Elder Tu looked at Chen Ping with surprise in his eyes!

Especially when I saw the eye between Chen Ping's eyebrows, my whole body felt shuddering!

"Senior, that's it. You've shattered all my clothes. How can I see anyone in a while?"

"As long as you feel you can beat these guys, don't use too much force. I'm afraid your body won't be able to bear it."

Chen Ping hurriedly reminded Demon Lord Chiyun in the sea of consciousness!

This guy shouldn't be happy for a moment, forget everything, and let himself go completely. Chen Ping's physical body can't bear it!

Fortunately, Chen Ping's body has been tempered many times and can still bear it!

Otherwise, the explosion of demonic energy just now would have caused the physical body to explode!

"You kid, you are really disappointing. I finally wanted to use my skills, but you stopped me!"

Demon Lord Chiyun said very unhappy!

"Senior, stop making trouble. My physical body is ruined. Rebuilding it is too difficult. If you can't rebuild your physical body, where can you find such a handsome body?"

"The women around me will all run away by then..."

Chen Ping hurriedly said in a pleading tone!

"Hahaha, don't worry, I'm measured!"

After Demon Lord Chiyun finished speaking, he rushed towards the Grimace Sect disciples with the Dragon Slaying Sword in hand!

"You little bastards, take your lives..."

Chen Ping roared and rushed forward!

Elder Tu was stunned. Shouldn't Chen Ping escape? How dare you launch an attack and rush toward yourself?

When Chen Ping rushed over without fear, Elder Tu frowned and said: "Damn, this kid is actually possessed by a demon soul, but such a terrifying demonic energy is not the demons I released." Soul."

"No wonder those few demon souls of mine couldn't hurt him at all. It turns out that there are even more powerful demon souls in his body!"

Elder Tu's expression changed slightly. He finally understood why Chen Ping suddenly became full of demonic aura, and he seemed to be a different person!

"Stop him, stop him for me..."

Elder Tu shouted!

Without understanding Chen Ping's current situation, Elder Tu could only let his Grimace Sect disciples test it out!

Looking at these Grimace Sect disciples rushing over, Chen Ping was not afraid at this moment, but was extremely excited!

I don't know what I'm shouting in my mouth!

And those Grimace Sect disciples mobilized their demonic energy one by one and used various means to come towards Chen Ping!

Chen Ping's eyes were filled with black demonic energy, and the dragon-slaying sword in his hand also buzzed!

Then Chen Ping raised his Dragon-Slaying Sword, and streams of sharp sword energy spurted out, straight into the sky!

Chen Ping was full of fighting spirit, and the sword light was extremely powerful with the blessing of demonic energy!

With this sword strike, the color of the sky and the earth changed, and the earth shook and the mountains shook!

More than a dozen Grimace Sect disciples were instantly wiped out, and even the scum could no longer be seen!

“Hahaha, so enjoyable...” Demon Lord Chiyun exclaimed, “Hahaha, so enjoyable!”

Chen Ping said with a bitter look on his face: “Senior, please find some clothes and put them on. It’s too indecent to be naked and dangling around...”

Chapter: 6608

Demon Lord Chiyun looked down and couldn’t help but smile. It really looked unsightly!

As soon as Demon Lord Chiyun stretched out his hand, a disciple of the Grimace Sect was caught and his clothes were ripped off with a casual tug!

Seeing this scene, many disciples of the Ghost Face Sect and Elder Na Tu were all shocked!

They didn’t know what Chen Ping was going to do, so why did they take off their clothes?

Everyone involuntarily tightened their legs!

Chen Ping put on his clothes, clapped his hands, and sent the Grimace Sect disciple to see the King of Hell!

“It’s okay now, I’m going to have a good time...”

After putting on his clothes, Chen Ping raised his Dragon-Slaying Sword again and brought the sword down!

Boom Ka.....

With Chen Ping as the center, a huge crack suddenly appeared in the sky, and in the huge crack, dark whirlpools appeared one after another!

This sword actually tore through the void, revealing another world!

Lines of gray aura emerged from the dark whirlpool!

All these gray auras were absorbed by the Dragon-Slaying Sword, causing the Dragon-Slaying Sword to glow with aura!

At the same time, the entire surrounding area of the sacred volcano seemed to be in the end of the world, and even the lava river on the side was boiling at this time!

Facing the terrifying sword, all the Ghost Face Sect disciples were stunned, and even Elder Tu’s expression changed drastically!

It was hard for him to imagine that this sword could be unleashed by a young monk at the fourth level of the Tribulation Realm.

Especially the torn void, there is breath coming out from another world!

And this kind of aura was also absorbed by the Dragon-Slaying Sword. You must know that not all auras in the thousands of worlds are suitable for cultivating by monks in the heaven and human world!

If you inhale that kind of breath that is not suitable for cultivation, not only will it not be beneficial, but it will also cause irreversible damage to the body!

Now Chen Ping doesn't seem worried at all, using the Dragon Slaying Sword desperately to absorb the gray aura!

Soon, after the Dragon-Slaying Sword absorbed the aura, the sword light suddenly fell!

The sword light that erupted this time was something that no one had ever seen before. It was like a lifeless breath of death. This kind of breath had never been seen in the world of heaven and humans!

Facing Chen Ping's sword, many disciples of the Ghostface Sect began to resist one after another. A series of spells were fired, and the endless black energy formed a shield in front of everyone!

And some people chose to run away and flee!

Chapter: 6609

However, the sword light fell like the sickle of death!

The black energy shield was as fragile as glass under this sword, and it shattered instantly!

The disciples of the Ghost Face Sect were screaming in agony, their bodies were torn apart, and they exuded a strong smell of blood!

One by one, the bodies of the Grimace Sect disciples were broken into two halves, while others were turned into a puddle of mud!

Some had half of their heads cut off by the sword light. The situation at the scene was like purgatory, extremely cruel!

This sword caused more than 20 Ghostface Sect disciples to lose their heads!

There were also some who were lucky enough to escape. Looking at the scene in front of them, they suddenly vomited!

Elder Tu was in a state of confusion!

Is this a joke?

Although these Grimace Sect disciples are not strong, they are all masters of the Tribulation Realm!

Why was he killed like an ant under this sword?

Elder Tu finally understood that the Demon Sealing Alliance was not stupid. They were willing to sacrifice a hundred years of offerings to kill Chen Ping, which proved that Chen Ping was definitely worth the price!

“It’s so cool, I want to play with it too...”

Chen Ping put away the Dragon-Slaying Sword, and then five different colors of ultimate fire ignited around his body!

Five kinds of ultimate fire are jumping in the void!

When Elder Tu saw this scene, he was deeply shocked again!

Chen Ping, a fourth-level monk in the Tribulation Realm, actually possesses five kinds of ultimate fire?

Isn’t this too outrageous?

“I’m playing with your God King Bow, don’t be stingy!”

Demon Lord Chiyun actually wanted to take out Chen Ping’s God King Bow!

“Damn it, senior, please stop making trouble. The God King’s Bow has been exposed. If this gets out, I will become the target of public criticism.”

When Chen Ping saw that Demon Lord Chiyun wanted to play with his God King Bow, he quickly refused!

If one member of the Ghost Face Sect escapes and spreads the news that he has the Divine King Bow in his hand, more people will probably want to kill him!

“Looking at your stingy look, don’t worry, no one will leave here alive!”

Chapter: 6610

After Demon Lord Chiyun finished speaking, he took out the God King's Bow from Chen Ping's storage ring!

"grass....."

Chen Ping looked depressed, but he couldn't stop it!

Now that his body is completely controlled by Demon Lord Chiyun, Chen Ping can only hide his soul in the sea of consciousness and watch!

Elder Tu stared blankly, and saw Chen Ping suddenly take out a long bow, and then bend the bow to set an arrow. Five kinds of ultimate fires, each of which was condensed into an arrow burning with flames!

Whoosh!

I saw Chen Ping draw his bow full of arrows, five arrows shot out into the sky, and then fell from the mid-air!

But when it fell, it turned into a dense rain of arrows!

The remaining Grimace Sect disciples' mentality collapsed at this moment!

I want to dodge, but looking at the rain of arrows in the sky, I don't know where to hide!

"Don't be afraid, don't panic..."

Elder Tu finally came to his senses. He knew that if this continued, they would all be annihilated!

Elder Tu waved his hand, and black mist filled the air instantly. The endless black mist swallowed up the arrow feathers one after another!

Seeing that all the arrow feathers were swallowed up, the corner of Elder Tu's mouth instantly raised an arc!

But before he could boast, colorful lights suddenly flashed out from the black mist!

The swallowed arrow feathers all penetrated the black mist and quickly headed towards the ground!

When Elder Tu saw this, he hurriedly dodged, and the Grimace Sect disciples, after listening to Elder Tu's words, all stood blankly, thinking that Elder Tu could block the attack.

But who knew that instead of stopping Elder Tu, he actually ran away!

By the time those Grimace Sect disciples reacted, countless arrow feathers had fallen, turning these Grimace Sect disciples into hedgehogs, and they were all dead!

"Hahaha, fun, so fun..."

Demon Lord Chiyun shouted!

He couldn't even remember how many years he had not lived so happily!

At this time, only a few of the dozens of disciples of the Ghost Face Sect were still alive, but they were all injured!

Elder Tu's face turned green when he looked at the Grimace Sect disciples who died tragically!
