

The Order 661

Chapter: 661

When Bai Zhantang heard this, he stopped and said with a bit of nervousness on his face: "Speak carefully if you have anything to say. I will grant you any request you have!"

"Bah, I won't believe you anymore. You ruined my Yin family and want to get my family's ancestral jade pendant. I won't let you succeed!"

Yin Susu roared with anger in her eyes.

"Think about your seriously ill father. When you came here, didn't you just want the Prince of Medicine to save your father? I can order them to cure your father now."

As Bai Zhantang spoke, his feet moved slowly!

"If I knew that Prince Yao's Mansion was a puppet of your Bai family, I wouldn't have come. I would rather die than give anything to you!"

Yin Susu's eyes were full of determination, and she said with an expression as if she was looking forward to death.

Bai Zhantang frowned, but he said calmly: "You have misunderstood me. It was the Qin family that ruined your Yin family, not us at all. Because of this, I asked my sister to dump that Qin Feng. You should hate the Qin family..."

"Are you Bai family members so shameless?" Just as Bai Zhantang finished speaking, several more people suddenly walked in from the alley.

The leader was none other than Qin Feng, followed by several masters!

"Qin Feng? Why are you here?" Bai Zhantang frowned and looked a little surprised after seeing Qin Feng.

“Do you think you are the only one in the Bai family who can guess that she will come here?”

Qin Feng smiled coldly.

“Qin Feng, you’d better leave now. Don’t forget whose territory this is. You must know that Yaowang Mansion is the property of my Bai family. If you want to compete with me here, do you have the qualifications?”

Bai Zhantang threatened Qin Feng.

“Are you threatening me? I’m not afraid. Do you think my Qin family has nothing in Jiangbei?”

As Qin Feng finished speaking, a middle-aged man with a square face and thick eyebrows and big eyes walked out.

Chen Ping discovered that the appearance of this middle-aged man was somewhat similar to that of Jiang Zhengzhong!

“Jiang Zhengde?” Bai Zhantang looked a little surprised when he saw the person coming!

Chen Ping, who was hiding in the dark, suddenly realized that this person was Jiang Zhengzhong’s younger brother, Jiang Zhengde. No wonder he looked similar!

“Master Qin!” Jiang Zhengde walked towards Qin Feng and shouted respectfully!

Qin Feng looked at Bai Zhantang with a proud face: “Now Jiang Zhengde has become a guest of my Qin family!”

“Hahaha, Qin Feng, what are you proud of? Don’t you know that the Jiang family has been destroyed a long time ago? It’s just Jiang Zhengde, and I, the Bai family, don’t take it seriously!”

Bai Zhantang laughed.

Chapter: 662

“Of course I know, but Bai Zhantang, open your eyes and look at the current strength comparison. If I want to take away the jade pendant, can you stop me?”

Qin Feng sneered!

Bai Zhantang’s smile suddenly solidified on his face. Although the number of both sides was about the same, it was obvious that Qin Feng’s side was stronger!

Just as the two parties were confronting each other, Chen Ping quietly arrived behind Yin Susu.

Yin Susu felt someone approaching her and opened her mouth to shout, but before she could shout, Chen Ping covered her mouth, then jumped over the high wall and disappeared!

“Where are the people?”

Bai Zhantang suddenly discovered that Yin Susu was missing and was shocked!

Qin Feng looked around and saw that Yin Susu’s shadow was no longer visible. His face turned cold: “Is there someone else who can get there first?”

“Hurry up and chase me...”

Bai Zhantang jumped up and immediately chased after him!

Qin Feng also waved his hand and led the people to catch up!

At this time, Yin Susu was held in Chen Ping’s hand, and the wind whistled in her ears!

After arriving at a hidden place, Chen Ping stopped and put Yin Susu down!

Yin Susu took advantage of Chen Ping's unpreparedness and bit Chen Ping hard. Then she grabbed the jade pendant in her hands with both hands and looked at Chen Ping nervously!

Chen Ping looked at the clear bite marks on his arm, frowned and said, "I saved you, why do you still bite me?"

"Bah, don't think I don't know. You're here for the jade pendant in my hand. This is an ancestral item of my Yin family. Even if I destroy it, I won't let you get it!"

Yin Susu glared at Chen Ping and said coldly.

Chen Ping did follow Yin Susu because of the jade pendant in his hand, but he had no intention of snatching it away. Now that Yin Susu had misunderstood him, Chen Ping was a little helpless!

"It's unreasonable. You really regard the jade pendant in your hand as a treasure!"

Chen Ping said a word, turned around and left, no longer caring about Yin Susu!

When Yin Susu saw this, she was stunned. Looking at Chen Ping's back, she felt a little confused!

After a while, seeing Chen Ping walking away, Yin Susu gritted her teeth and chased after him!

"What are you following me for?"

Chen Ping glanced at Yin Susu and asked angrily.

Chapter: 663

"I..." Yin Susu opened her mouth, and finally said weakly: "I'm sorry, I... I wrongly blamed you!"

“You don’t have to apologize. You’re safe now. Stop following me!”

Chen Ping said as he walked!

But Yin Susu lowered her head and still followed Chen Ping. She would go wherever Chen Ping went!

Chen Ping was speechless for a while, stopped and said, “What do you want?”

Yin Susu looked at Chen Ping: “Can you send me back? I’m afraid of meeting those people!”

Yin Susu knew that Chen Ping was definitely not an ordinary person. If he could rescue her silently from Bai Zhantang and Qin Feng, Chen Ping must be very strong!

Chen Ping wanted to refuse, but looking at Yin Susu’s pitiful look, he sighed helplessly and said, “Where is your home?”

“Not far, just in the village outside the town!”

Seeing Chen Ping agree, Yin Susu said happily.

Chen Ping followed Yin Susu towards the outside of the town, and soon saw a village. However, no one lived here for a long time, and the houses were dilapidated. There was a big word “DEMOLITION” written on them. It was obvious that they were going to be demolished!

After finding a slightly better house, Yin Susu walked in. There was a candle lit inside, and a weak, pale middle-aged man was lying inside!

Seeing the appearance of the middle-aged man, Chen Ping frowned slightly. This man was seriously injured and might not survive for a few days at all.

Hearing the sound, the middle-aged man opened his eyes hard. When he saw Yin Susu, he opened his mouth to speak, but as soon as he opened his mouth, a mouthful of blood spurted out!

“dad.....”

When Yin Susu saw this, she hurriedly rushed forward, wiped the blood stains on the middle-aged man, took out a few black pills from her arms, and planned to let the middle-aged man take them!

Chen Ping stretched out his hand to stop it, then smelled the pill and said to Yin Susu: “Your dad’s internal organs are damaged and he can no longer take such irritating pills. Although the injury can be suppressed temporarily, But it will aggravate the damage to the internal organs.”

Yin Susu looked at Chen Ping in surprise: “You...you know how to treat diseases?”

The middle-aged man also looked at Chen Ping doubtfully, with questioning eyes in his eyes.

“Know a little bit about medical skills...”

Chen Ping nodded.

“That’s great, please help my dad. If you can cure my dad, you can do whatever you want me to do, even if you let me...” Yin Susu suddenly turned red and said with a bit of shyness: “Even if you let me...” You can let me sleep with you!”

“Sorry, I have a girlfriend!” Chen Ping was speechless for a while. Does he look like the kind of person who plays with women?

Yin Susu’s face turned redder and she lowered her head with a look of shame on her face: “I have nothing but my own body now!”

Chapter: 664

“Don’t you still have a jade pendant?” Chen Ping looked at the jade pendant in Yin Susu’s hand and said!

When Yin Susu heard this, she immediately looked at Chen Ping nervously and held the jade pendant firmly in her hand: "You...what do you want to do?"

"I just want to see your jade pendant. Don't be so nervous. Let me control your father's condition first!"

As Chen Ping spoke, he gently pressed a hand on the top of Yin Susu's father's head. A burst of spiritual energy instantly entered Yin Susu's father's body, then wrapped the injured internal organs and began to slowly repair them!

Yin Susu's father only felt a warm current passing through his body, and then his whole body suddenly felt relaxed and his face became rosy!

Yin Susu looked at her father's changes with surprise in her eyes: "Dad, how do you feel?"

"Cough..." Yin Susu's father coughed: "Breathing is much easier, and the pain in my stomach is not so bad!"

"Thank you, thank you so much..."

When Yin Susu saw this, she happily followed Chen Ping to say thank you!

"Can you show me the jade pendant now?" Chen Ping asked Yin Susu.

Yin Susu held the jade pendant and looked at her father hesitantly!

Yin Susu's father nodded: "Susu, show it to your benefactor!"

Yin Susu gave the jade pendant to Chen Ping. After Chen Ping took the jade pendant, the familiar feeling became even stronger!

There are two dragons circling on the jade pendant. The two dragons are very vivid and vivid!

Chen Ping held the jade pendant, and a burst of spiritual power was slowly injected into it, but it was quickly rebounded with such force that Chen Ping almost couldn't get the jade pendant out of his hand!

"There is indeed a prison within the jade pendant!"

Chen Ping thought to himself, then bit his middle finger, squeezed out a drop of blood and dripped it towards the jade pendant!

When Yin Susu saw this, she hurriedly wanted to stop him, but was stopped by her father. He shook his head towards Yin Susu and signaled Yin Susu not to disturb Chen Ping!

When a drop of Chen Ping's blood fell on the jade pendant, the jade pendant suddenly glowed red, followed by a trace of dragon roar.

The two dragons on the jade pendant seemed to come to life and kept swimming, but soon as the drop of blood was quickly absorbed, the red light slowly faded, and the jade pendant returned to its original appearance!

At this time, both Yin Susu and her father were stunned. Their eyes widened and they looked at Chen Ping in surprise!

"As expected!" Chen Ping held the jade pendant with a bit of excitement on his face, then looked at Yin Susu's father and said, "Uncle, I wonder where your family's ancestral jade pendant came from?"

"I'm not very sure. It seems that I picked it up from an island. Because this jade pendant suddenly burst into red light like this and saved my father's life. So my father enshrined this jade pendant as a family heirloom. stand up!"

Yin Susu's father said truthfully.

Chapter: 665

“Picked it up on the island?” Chen Ping frowned slightly. Thinking of the nameless island and Suolong Island mentioned by the old leader, it seems that Chen Ping can only know something after landing on the island!

“Since it is your family’s heirloom, I can’t take away people’s love, but this jade pendant will be a disaster after all for you...”

Chen Ping said and handed the jade pendant back to Yin Susu!

“Hey!” Yin Susu’s father sighed: “Because of this jade pendant, our Yin family has been ruined, and only our father and daughter are left to depend on each other!”

In fact, Chen Ping listened to the conversation between Bai Zhantang and Yin Susu and already knew something. As the saying goes, wealth is not revealed. Now that the jade pendant of the Yin family is exposed, it is only a matter of time before the family is wiped out!

“Dad, don’t worry, I will definitely avenge dozens of members of the Yin family!”

Yin Susu looked at her father like that and said with anger in her eyes.

Unexpectedly, Yin Susu’s father shook his head: “That’s it, you are the only one I have left now. I don’t want to lose you again. From now on, we, father and daughter, can find a place where no one knows each other and live together!”

Yin Susu’s father said, took the jade pendant from Yin Susu’s hand, and then handed it to Chen Ping and said: “Benefactor, you saved my life, and this jade pendant can also be of great value in your hands, so why don’t you give it to me?” Come on, this jade pendant is worthless to us now!”

Chen Ping didn’t refuse and took the jade pendant directly: “Thank you very much. If you encounter difficulties, you can call me!”

Chen Ping left his phone number and some money, while Yin Susu and his daughter left here overnight.

They originally came here to seek treatment from King Yao's Mansion. Now that the disease is cured, there is no point in staying here. Moreover, Bai Zhantang and Qin Feng are looking for them everywhere, so there are many dangers!

When Chen Ping returned to the hotel, it was already dark and he couldn't take rest. Chen Ping took the jade pendant and refined it into a protective spiritual weapon. As long as Su Yuqi wears this jade on her body, even if she is a master of inner strength, she will be There is no way to hurt her at all!

"Chen Ping, get up and have breakfast!"

Chen Ping had just refined the jade pendant into a protective spiritual weapon, and Su Yuqi knocked on the door outside!

Chen Ping could only pretend to have just woken up, yawned and opened the door!

"It's so early, I still want to sleep more!" Chen Ping said, rubbing his eyes.

"Why don't you sleep? We had breakfast and went shopping with us. Ling'er said that the people here are all masters and they are very fierce. The two of us don't dare to go, so we need you to accompany us!"

Su Yuqi said to Chen Ping.

"Going shopping?" Chen Ping's head got bigger when he heard that he was going shopping with these two women!

"What, you're not happy?" Su Yuqi's eyes widened!

"Happy, happy..." Chen Ping could only smile helplessly!

But just when Chen Ping was about to go downstairs to have breakfast with Su Yuqi, Su Yuqi suddenly saw the bite mark on Chen Ping's arm. The bite mark by Yin Susu was quite serious, and it is clearly visible now!

"What is this? You wouldn't provoke someone's little girl at night and get bitten, would you?"

Chapter: 666

Su Yuqi asked Chen Ping.

"With a beauty like you by my side, who am I going to tease a little girl? I just bought you a jade pendant and was misunderstood!"

Chen Ping said, taking out the pair of dragon jade pendants.

Su Yuqi's eyes suddenly lit up when she saw the jade pendant. She couldn't put it down when she held it in her hand. She didn't question Chen Ping. In fact, Su Yuqi believed in Chen Ping in her heart. She knew that Chen Ping would not do such a thing!

After breakfast, Chen Ping accompanied Su Yuqi and Gu Ling'er for a whole day. He originally thought that Yaowang's Mansion would continue to cause trouble, but everything was peaceful this day, which surprised Chen Ping!

The next day was the beginning of the martial arts gathering. The atmosphere in Tianfeng Town instantly changed. A high arena had been set up outside Tianfeng Town.

People from King Yao's Palace were guarding the area around the ring, and above the ring, some elderly men were sitting, acting as referees!

The middle position is vacant and no one has taken it yet. It is obviously the position of Sun Simiao, the master of Yaowang Palace.

The audience was already packed with people. Only the front rows had seats, while people in the back were standing crowdedly.

“Mr. Chen, please go ahead...”

Wu Xi walked up to Chen Ping and said respectfully.

Chen Ping and the others came as tourists, so there were no seats in the front. Wu Xi invited them to the front, and they took the seats assigned to them at the Bajiquan Gym!

Chen Ping, Su Yuqi and Gu Ling'er were sitting, while Gao Baisheng stood behind Chen Ping and his disciples with his disciples!

The owner of the dignified Bajiquan gym actually gave up his seat to a few young people and stood respectfully behind him. This made many people look at him and guess Chen Ping's identity. However, there were some people from the Jiangbei provincial capital. The warrior recognized Chen Ping immediately after seeing him, and understood why Gao Baisheng gave up his seat!

“Gao Baisheng, has your Bajiquan changed its owner? Does this young man look unfamiliar?”

A bald man sitting on the side of Bajiquan asked Gao Baisheng with a sneer on his face.

“Bald man, shut your stinky mouth, and when you get to the stage, let my disciple teach you a lesson!”

Gao Baisheng glared at the bald head!

“Hahaha, you Baji Quan have become someone else's lackeys, and you still have the nerve to talk big...”

The bald man burst out laughing, causing many people to laugh!

After all, with a status like Gao Baisheng's, now giving up his seat to a young man and standing behind him, he is obviously the backer Baji Quan is looking for!

Chen Ping turned around and glanced at the bald head coldly. His sharp eyes instantly made the bald head tremble, and the smile on his face froze directly on his face!

The bald man did not dare to look directly into Chen Ping's eyes. He wiped the cold sweat from his forehead and stopped talking. The look from Chen Ping just now made the bald man feel as if he had walked through the abyss of hell!

"The master of Yaowang Palace has arrived!"

Chapter: 667

With a loud roar, Sun Simiao slowly walked onto the stage!

The noisy voices of the crowd suddenly became extremely quiet. Sun Simiao may not be the strongest, but it can be seen that he has the greatest reputation!

After all, no matter whether they are warriors from Jiangnan or Jiangbei, no one wants to offend the King of Medicine. After all, there are times when they ask for help from the King of Medicine. Who can guarantee that they will never be injured?

When Sun Simiao sat down at the main seat, he glanced at the people below, and immediately saw Chen Ping sitting in front of him. Sun Simiao was stunned for a moment, and then looked back at Chen Ping angrily!

"Everyone, today's martial arts gathering begins. I won't go into details about the rules, but the reward this time is a hundred-year-old medicinal plant. This is a top-grade medicinal plant worth millions!"

As soon as Sun Simiao finished speaking, the audience immediately started talking.

A hundred-year-old medicinal plant worth millions is very tempting. Not all martial arts families or warriors are wealthy, many of them just do it to practice martial arts and make a living!

"Hahaha, I've decided on this century-old medicinal plant..."

The bald man laughed loudly, stood up and jumped directly to the high platform, and then looked at the audience with provocative eyes: "Who dares to come on stage to compete with me?"

"I come....."

A spotless young man in a white suit jumped directly onto the stage!

"Bald guy, please..."

The young man made a gesture of invitation.

"Stop being pretentious, I just can't stand your behavior..."

The bald man said, and punched the young man with one punch!

The bald head's punch was so fast that it made a sound of breaking through the air. With just this punch, the young man's face changed and he hurriedly took action to parry!

Bang!

With a dull sound, the young man's body retreated quickly, a deep scratch appeared under his feet, and the young man's face became a little pale!

His hands were trembling slightly, and there was fear in his eyes. The bald man's punch almost made the young man lose his ability to resist!

"The bald guy is really awesome, I..."

"Cut the fucking nonsense..."

The bald man didn't wait for the young man to finish speaking, and punched out again, and the sound of piercing the air sounded again!

The young man's heart sank, he screamed inwardly, turned around and ran towards the bottom of the ring. He originally wanted to admit defeat, but looking at the bald head, he knew he was going to decide whether to live or die!

But just as the young man turned around, the bald man's fist had already arrived and hit the young man's back with a punch. The young man was completely knocked away!

Chapter: 668

A mouthful of blood spurted out in the air, and his body fell heavily under the ring. Without the slightest breath, the young man immediately stopped breathing.

"If you go on stage, you will die. Who else dares to come?"

The bald man didn't even glance at the person he beat to death. He glanced at the audience with contempt and shouted loudly!

The people in the audience were furious, especially the relatives of the young man who was beaten to death. They were filled with indignation and stood up angrily. However, the rules were such that some people over their age, even if they were powerful, could not come on stage to seek revenge on the bald man. I can only look at the bald head with angry eyes!

Several old men on the ring also frowned slightly. They felt that the bald man's attack was too harsh, but they couldn't say anything. After all, fists and feet have no eyes. In a competition on the ring, death and injury are inevitable!

"Is there anyone else on stage?" Sun Simiao asked expressionlessly.

Seeing this, Wu Xi jumped up and wanted to go on stage, but was stopped by Chen Ping: "Don't go yet, this bald man's strength is better than yours, I want him to be exhausted before talking!"

After hearing this, Wu Xi could only retreat, but at this moment someone also jumped onto the stage!

The competition continued, but without any surprise, they were all knocked off the ring by the bald man. They were either killed tragically or seriously injured. This shocked the young warriors who were ready to make a move.

Although those hundred-year-old top-grade medicinal materials are good, you have to live to enjoy them. Looking at the strength of this bald head, I am afraid that he has already touched the realm of the inner strength master!

“Are you Baji Quan afraid, or do you want to be a coward?”

The bald head looked in the direction of Chen Ping and the others and said with a sneer!

“Bald man, don’t be proud...”

Wu Xi’s eyes were red, and he was full of anger. He rushed to the stage in one swift step!

“Hahaha, I still have some backbone. Although I have fought many times in a row, I can still give you a few moves without any problem!”

The bald man sneered again and again and said with disdain.

“Stop talking nonsense and do it!” Wu Xi said, his body was like a spring, bouncing up from the ground, and then punched the bald head!

Wu Xi’s punch was very fast and at a tricky angle. The whole person was falling in mid-air, and a shadow of his fist enveloped the bald head!

The bald man raised the corner of his mouth and glanced at Wu Xi with contempt: “It’s all bells and whistles...”

Immediately afterwards, the bald man punched into the sky, and the air was turbulent. Wu Xi's fist shadow disappeared, and the two fists collided heavily!

Bang!

With a thunderous explosion, Wu Xi's body quickly fell onto the ring, and he stepped back three steps in a row. His whole arm was slightly numb, and he looked at the bald head in disbelief!

"Boy, you are still far behind. You still want to win the championship with this little skill?"

The bald man sneered, and then his fists flew towards Wu Xi like a storm.

Chapter: 669

Wu Xi suddenly fell into the state of being beaten. He felt that the bald man's fist was extremely powerful, and his arms were numb from the shock, and he kept retreating!

When Gao Baisheng in the audience saw this, his face suddenly turned ugly, his fists were clenched, and he seemed a little nervous.

"Mr. Chen....."

Gao Baisheng shouted softly to Chen Ping from behind!

He wanted Chen Ping to come forward to rescue Wu Xi at a critical moment. After all, Chen Ping was of the right age, but he himself was not qualified to take office.

Chen Ping didn't speak, but nodded slightly. Even if Gao Baisheng didn't speak, Chen Ping wouldn't see anything happen to Wu Xi!

Gao Baisheng was relieved when he saw Chen Ping agree. With Chen Ping's strength, even two bald guys were no match for him!

On the stage at this time, Wu Xi had already retreated to the edge of the ring. His arms were numb and he had no intuition. He could only parry the bald head's attack instinctively!

"Boy, get out of here..."

The bald man raised the corners of his mouth, and then punched Wu Xi in the chest!

If this punch was hit, Wu Xi would definitely fall from the ring and be seriously injured even if he didn't die.

Everyone in the audience looked solemn when they saw this scene. Wu Xi was considered a leader among the younger generation of warriors and had great hope of winning the championship. However, at this time, under the attack of the bald man, he had no chance to fight back. force!

Seeing that the bald man was about to hit Wu Xi's chest with a punch, Wu Xi could not avoid it. At this moment, a figure appeared on the stage and grabbed the bald man's wrist!

The bald man's fierce punch was easily caught!

The bald man was startled and looked intently, only to realize that the person who caught him was actually the young man sitting in front of Bajiquan!

"What? Are you Bajiquan going to fight two against one?"

The bald man yelled angrily!

Chen Ping let go of the bald head, smiled coldly and said: "Wu Xi is defeated, he admits defeat, I will fight you this time!"

"Thank you Mr. Chen for saving your life..."

Wu Xi's forehead was covered with cold sweat at this time, and he walked from the edge of death, which made him feel lingering fear!

"Go down!" Chen Ping said calmly!

Wu Xi nodded and jumped down from the ring!

The bald man narrowed his eyes slightly and looked at Chen Ping warily. He could easily grab his wrist, and the strength of someone who was effortless must not be underestimated!

"I have fought many times in a row and my body is exhausted. According to the rules, I can apply for a rest and let others fight you first!"

Chapter: 670

The bald man was unsure of Chen Ping's strength, so he planned to let Chen Ping fight with others first so that he could observe from the side!

"Are you tired? Are you scared?" Chen Ping raised the corner of his mouth: "I can only use one hand!"

Chen Ping put one hand behind his back and only stretched out the other hand, waving to the bald head!

At this moment, the bald head was furious. In front of so many people, he actually hit him with one hand. If the bald head was shrinking, he would become the laughing stock of everyone!

When everyone in the audience saw this, they all started talking. Even the old men on the stage were very interested in Chen Ping. Only Sun Simiao looked at Chen Ping with a gloomy expression!

In a corner under the stage, Bai Zhantang and others were mixed in. At this time, he was looking at Chen Ping with stern eyes. On the other side, Qin Feng was also among the crowd. When he saw Chen Ping coming on stage, Qin Feng's eyes also changed. He squinted slightly, with a hint of amusement on his face!

“Boy, you are so arrogant. No matter which master you are, you will not be killed or injured in the ring. If I accidentally kill you, you can’t seek revenge on me!”

The bald man looked at Chen Ping coldly and said.

The bald man didn’t know Chen Ping’s identity. He was afraid that Chen Ping had some background. If he really killed Chen Ping by mistake, he would be in big trouble!

“Don’t worry, if you have the ability to kill me, no one will seek revenge from you!”

Chen Ping said calmly.

“That’s good!” After the bald man said it, he suddenly let out a loud roar, and then the skin all over his body began to turn black, and the veins on his forehead protruded one by one!

Amidst the roar, Bald Head attacked Chen Ping. The punch was so powerful that it was as if Mount Tai was pressing down on him and headed towards Chen Ping!

When Wu Xi in the audience saw this, his expression changed slightly. If the bald man had attacked with this punch from the beginning, Wu Xi might not have been able to hold on for so long!

Looking at the bald head’s punch, Chen Ping had a contemptuous smile on his face. After the bald head came closer, he punched lightly. In the eyes of everyone, Chen Ping’s punch was weak and there was no way he could follow the bald head. Compared to that punch!

But when the two fists collided, the huge impact spread directly to the surroundings. Several old men on the stage hurriedly used their inner strength to resist, while many tables and chairs under the stage were overturned to the ground!

Click.....

A crisp sound!

When everyone looked, they found that the bald man's arms had been bent strangely, and his feet were stuck deep in the ring. His face turned pale, and his eyes looked at Chen Ping in horror!

"I...I admit..."

The bald man realized that Chen Ping's strength was beyond his imagination, so he quickly gave in!

But before he finished speaking, Chen Ping slapped him!

Snapped!

With a crisp sound, half of the bald head's face instantly became red and swollen, and all the teeth in his mouth fell out. The severe pain caused the bald head to open his mouth and make a babbling sound.
