

The Order 6611

Chapter: 6611

“I don’t care if you are possessed by a demon soul or not, I will definitely kill you today!”

Elder Tu’s face was gloomy, and he waved his hand suddenly, and the terrifying aura swept across like a hurricane!

The sky was full of black fog, shrouding the entire Divine Volcano in darkness!

“You’re just an ant, if you want to resist, then I’ll send you to hell!”

Chen Ping looked at the furious Elder Tu with disdain on his face!

Hold the God King’s bow in your hand and pull it hard!

This time, countless auras from heaven and earth surged toward God King Gong!

Even the black mist erupted by Elder Tu was swept away at this moment!

The God King’s bow burst out with dazzling light, and a golden arrow appeared!

Even the flames from the Divine Volcano and the magma river were absorbed!

Everyone who had reached the sacred volcano looked at the direction down the mountain in surprise!

“What a pleasure...”

Demon Lord Chiyun was having fun, but he forgot that Chen Ping’s body simply couldn’t withstand such an explosion!

Chen Ping’s body began to ooze blood, and his blood vessels became very obvious!

“Senior, stop, stop, my body is going to explode.”

When Chen Ping saw this, he was so frightened that he quickly stopped the Chiyun Demon Lord!

But Demon Lord Chiyun has already killed Hongyan, so he doesn’t care at all!

Chen Ping was frightened, and his face was full of annoyance. If he knew that Demon Lord Chiyun was disobedient, he would not give up his body to him!

Just when Chen Ping was regretful and at a loss, suddenly the Daluo Golden Code in the sea of consciousness shone with light!

A white light flashed, and Chen Ping was surprised to find that he had started to control his body again!

And the remnant soul of Demon Lord Chiyun returned to the sea of consciousness, looking around in confusion!

Daluo Jindian sensed Chen Ping's danger, so he forcibly pushed back the remaining soul of Demon Lord Chiyun, allowing Chen Ping to regain control of his body!

“puff.....”

After Chen Ping regained control of his body, a mouthful of blood spurted out!

Chapter: 6612

The golden arrow feathers on the God King's bow quickly disappeared, and the red lines on Chen Ping's body also disappeared!

Even the terrifying demonic energy disappeared without a trace in an instant!

Elder Tu felt the changes in Chen Ping. After seeing Chen Ping spit out a mouthful of blood, his strength was greatly reduced. He instantly understood something!

“Hahaha, you borrowed the demon soul to increase your strength, but you didn't expect the demon soul to bite you back. Now I don't think you're dead!”

Elder Tu's confidence greatly increased and he laughed!

Then a palm came towards Chen Ping, and Chen Ping frowned and retreated back instantly!

“Hmph, let's see where you can escape...”

Elder Tu snorted coldly, immediately increased his speed to the fastest, and chased Chen Ping!

Chen Ping killed so many disciples of their Grimace Sect, Elder Tu will never let him go!

Otherwise, he wouldn't be able to explain it after he goes back!

Chen Ping only ran away for two steps and then stopped, because in front of him was the boiling lava river!

Chen Ping glanced at the magma river. This magma river was bottomless, and it was flowing very fast at the moment, and flames were constantly rising into the sky!

Seeing Elder Tu chasing after him, Chen Ping helplessly threw the puppet out again!

The puppet driven by Lord Huo Lingxing's ultimate fire essence, as soon as it appeared, followed Elder Na Tu to fight together!

The puppet has no life, so there is no fear!

For a moment, Elder Tu was inextricably following the puppet!

Chen Ping knew that this puppet could not last long, not to mention that Chen Ping could not watch the puppet be destroyed!

The Ultimate Fire Essence cannot be thrown away. If the puppet is destroyed, the Ultimate Fire Essence may be damaged or lost!

Chen Ping used this time to brainstorm and think of ways to deal with Elder Tu!

But after much deliberation, Chen Ping didn't have any good ideas. Chen Ping could now escape the magma river and go straight to the sacred volcano!

But in that case, he would be luring Elder Tu to the sacred volcano, and then Elder Yu and the others would be in danger!

Looking at the puppet that was about to lose its support, and looking at the lava river in front of him, Chen Ping decided to jump into the lava river to escape!

Just get rid of Elder Tu!

Thinking of this, Chen Ping waved his hand and summoned the puppet back!

Elder Tu looked at Chen Ping, his eyes full of pride and said: "Boy, let me see where you are going to escape this time..."

"If you want to see it, then go see it!"

Chen Ping smiled coldly, then with firm eyes, he turned around and jumped into the lava river!

"Depend on....."

Elder Tu hurried forward, but Chen Ping's body had already fallen straight into the lava river!

Chen Ping plunged into the magma river, feeling the scorching heat around him. Because of Chen Ping's sudden jump, the heat wave in the magma river began to twist and shoot straight into the sky!

Chen Ping's body was wrapped in magma, and he was constantly falling toward the depths of the magma river!

As Chen Ping went deeper, the hot feeling became stronger and stronger!

Chen Ping could only run towards the depths with all his strength to escape Elder Tu's pursuit!

Chen Ping's body finally fell to the bottom, and then he started walking at the bottom of the magma river!

He must leave this position as soon as possible!

Because of the magma heat wave, it is impossible for Elder Tu to detect his aura!

But if Chen Ping doesn't move here, if the opponent also jumps down, he will definitely be able to find him, so Chen Ping must change his position!

Chapter: 6613

Chen Ping was in the magma river, swimming at the bottom of the river like a fish.

Elder Tu frowned slightly as he looked at the flaming lava river. He didn't expect Chen Ping to jump into the river!

Looking at the vast and endless magma river, Elder Tu exuded his spiritual consciousness and wanted to find Chen Ping's exact location!

However, the magma river was too big, and Chen Ping even dived to the bottom. Elder Tu's consciousness could not penetrate the magma river at all, and Chen Ping's location could not be found!

“We must not let this kid escape, otherwise I won’t be able to explain...”

Elder Tu is now not as simple as just stopping Chen Ping!

Chen Ping killed so many disciples of their Grimace Sect and was able to exchange them for a hundred years of worship from the Demon Sealing Alliance.

Elder Tu wanted to jump down and chase Chen Ping, but he didn’t know Chen Ping’s specific location. If he went down rashly and couldn’t find Chen Ping, he would be in trouble!

And on his own, if he couldn’t use his spiritual sense to detect, trying to find Chen Ping in this magma river would be like looking for a needle in a haystack!

Elder Tu looked at the dead Grimace Sect disciples not far away and seemed to have thought of something!

I saw a drop of blood being forced out from between his brows, and the blood fell to the ground and instantly turned into a ball of blood mist!

This blood mist quickly turned into the shape of a grimace!

Then streaks of light lit up from the blood mist!

As waves of cold breath continued to spread out, the grimace transformed into blood mist slowly rose into the sky!

Just after the ghost faces turned into blood mist rose into the air, the ghost faces worn by the dead Ghost Face Sect disciples on the ground all floated up!

These ghost faces actually let out shrill screams, as if something was suppressed in the ghost faces!

“go.....”

Elder Tu waved his hand, and dozens of ghost faces seemed to have come to life, swarming into the magma river.

These ghost faces were not afraid of flames at all and spread out into the magma river. Elder Tu wanted to use these ghost faces to find traces of Chen Ping!

At this time, Chen Ping didn't know it yet and was desperately swimming in the depths of the magma river.

Fortunately, Chen Ping has already refined the fire from the center of the earth, so he only needs to turn to the fire a little to resist the scorching heat in the magma river!

However, Chen Ping's physical body was experiencing bursts of soreness from different places!

These are all the sequelae of being controlled by Demon Lord Chiyun!

This guy clearly promised to restrain himself, but in the end he went crazy to absorb all the power around him and condense it into arrows!

Chapter: 6614

Even though Chen Ping's physical body was strong, he couldn't bear it. Fortunately, Daluo Jindian finally sensed Chen Ping's dangerous situation and forcibly separated the remaining soul of Demon Lord Chiyun from Chen Ping's physical body!

Otherwise, Chen Ping would be a lonely soul now, and his body would have exploded long ago!

“Boy, I’m a little too excited, I’m sorry...”

Demon Lord Chiyun also noticed the changes in Chen Ping’s physical body, so he said embarrassedly!

“It’s useless to say I’m sorry now. I have to find a relatively safe place and practice slowly for a few days to let my physical body recover.”

Chen Ping said angrily!

“In this magma river, that guy can’t find you. You won’t be detected by divine consciousness here.”

Demon Lord Chiyun said!

He also knew that he was in the wrong, so when Chen Ping said a few words to him, Demon Lord Chiyun could only listen!

“Run away, this guy is really difficult to deal with...”

After Chen Ping swam desperately for a while, he relaxed a little and stopped!

Chen Ping plans to absorb these underground fires here, and then use the real fire body to temper his physical body!

Just in this magma river, if you use the real fire body to quench your physical body, you will definitely get twice the result with half the effort!

Chen Ping tried to absorb the fire from the center of the earth in the magma river, but as soon as it started to operate, he heard a buzzing sound, and then he saw the surrounding flames flowing more rapidly.

A stream of flames actually began to spin and circle in front of Chen Ping!

Soon a huge whirlpool appeared. The whirlpool was so big that it kept sucking away the surrounding fire from the center of the earth in front of Chen Ping!

“What is going on? Why did a huge whirlpool suddenly appear?”

When Chen Ping saw this, his face was full of surprise!

When Demon Lord Chiyun saw this, he said, “You must have absorbed the fire from the center of the earth here, causing the surrounding flame atmosphere to change, and that’s why such a large vortex was formed.”

“Rivers like this formed from underground magma are very violent. A little physical medium may be able to change the current state.”

After listening to Demon Lord Chiyun, Chen Ping heard that the volcano was coming!

A calm volcano will not erupt even if the magma surges!

But if you throw a stone in, it may directly cause the volcano to erupt!

The same is true now. Chen Ping just absorbed the surrounding flames a little, and a huge whirlpool suddenly appeared in the magma river!

Chapter: 6615

Chen Ping saw that the vortex was getting bigger and bigger, and there seemed to be a void crack in the center of the vortex!

After being sucked into the whirlpool, these flame breaths all flowed away along the cracks in the void, and they didn't know where they went!

Looking at the growing whirlpool, Chen Ping decided to hide for a while. Maybe the whirlpool would slowly subside after a while!

Chen Ping resisted the suction of the vortex and kept swimming towards the other side, but it was very difficult for Chen Ping to walk!

His movements were originally blocked in the lava river, but now he was firmly controlled by the suction of the vortex. Chen Ping could only grit his teeth and keep avoiding!

But at this moment, a weak aura was approaching, and Chen Ping soon felt that it was the aura of the Grimace Sect!

"That guy actually found this place?"

Chen Ping's expression tightened!

Chen Ping didn't expect that Elder Tu would find him so quickly!

But just when Chen Ping braced himself to defend himself against the enemy, he realized that what was coming was a grimace!

The ghost face seemed to have life and kept approaching Chen Ping!

Seeing this grimace, Chen Ping frowned. He knew that this grimace would never appear here for no reason!

It must have been thrown into the magma river by Elder Tu, and this ghost face must be looking for him!

Chen Ping looked at the ghost face that suddenly appeared quietly. He wanted to know whether Elder Tu threw the ghost face into the magma river, or whether it fell in by himself!

The ghostly face kept getting closer to Chen Ping, but when it was some distance away from Chen Ping, it was suddenly sucked into the huge whirlpool and disappeared instantly!

After seeing the ghost face being sucked into the whirlpool, Chen Ping breathed a sigh of relief. It seemed that the ghost face was not thrown into the magma river by Elder Tu!

Chen Ping distanced himself from the whirlpool and did not dare to absorb and refine the fire of the core of the earth at will. He could only rely on these flames and use the True Fire Body to temper his physical body!

At this time, Elder Tu was waiting on the bank of the magma river!

Soon a breath came, and Elder Tu looked into the distance!

“This guy actually sneaked out so far...”

Elder Tu raised his lips slightly, he already knew Chen Ping’s location!

The grimace just approached Chen Ping, directly exposing Chen Ping’s position!

At this time, Chen Ping didn't even know that his position was exposed. He was still immersed in the True Fire Dharma Body, quenching his physical body!

Elder Tu jumped up, and after arriving at Chen Ping's location, he plunged into the lava river!

Chapter: 6616

Several ghost faces surrounded Elder Tu's body, protecting Elder Tu from the flames of the magma river!

This ghost face is not afraid of the fire in the center of the earth. When Huo Yuanting and others passed through the magma river, they also used ghost faces to send them across!

As Elder Tu continued to deepen, his spiritual consciousness also spread to the extreme!

Now he can only know Chen Ping's approximate location. If he wants to capture Chen Ping's exact location, he still needs to use his spiritual sense to detect it!

Although in this magma river, the distance of spiritual consciousness will not be too far, but Chen Ping's approximate location is already known, so this distance is enough.

Just when Elder Tu emitted his spiritual consciousness, he was instantly captured by Chen Ping!

"Holy shit, this guy is chasing you so quickly?"

Chen Ping was startled and quickly put away the True Fire Body, frowning tightly, and then quickly went deeper!

"This guy is so fucking annoying. You are lending me your body. I will kill this guy!"

Demon Lord Chiyun said to Chen Ping!

“Pull it down quickly. My body can’t stand your torture anymore. I still don’t know when I can fully recover.”

Chen Ping rolled his eyes at Demon Lord Chiyun!

It is impossible for him to give control of his body to Demon Lord Chiyun!

Demon Lord Chiyun is also addicted and always wants to control Chen Ping’s body!

If there was no Daluo Jindian sitting in Chen Ping’s sea of consciousness, it is estimated that Demon Lord Chiyun would have followed Chen Ping to fight for control of his body!

At this time, Elder Tu also noticed Chen Ping’s aura, and immediately laughed and said: “Boy, you are only at the fourth level of Tribulation Realm, and you still want to fight with me. You can’t escape, so let’s capture you without mercy!”

Chen Ping listened to Elder Tu’s words without saying a word, his face was solemn, and he swam quickly!

Elder Tu was chasing after him. Chen Ping was in the lava river and couldn’t use the Fire Control Step, so Elder Tu was approaching Chen Ping quickly!

Chen Ping had already used up all his strength to feed himself, and the pain and discomfort caused by his physical body made Chen Ping frown from time to time!

He will never let Demon Lord Chiyun control his body again, the consequences will be too great!

Sensing the approaching Elder Tu, Chen Ping gritted his teeth and looked very grim!

In this river of magma, Chen Ping didn't know how many tricks he could fight with Elder Na Tu!

Especially now that my body is damaged!

But just as Chen Ping was swimming forward anxiously, his body suddenly sank, and he fell straight down like a boulder!

I don't know when, a cliff-like deep pit appeared in front of me. Chen Ping didn't pay attention, and his body fell rapidly downward!

Chen Ping was shocked and tried desperately to swim upward, but it was to no avail!

Chen Ping could only use all the spiritual power in his body to resist the surrounding flames!

It became deeper and deeper, and the flames became more and more fierce. In the end, Chen Ping found that the flames had turned black and red!

"Hmph, I still want to avoid being chased by diving deep. It's such a beautiful idea!"

Elder Tu thought Chen Ping was trying to avoid him and dived deeper without any scruples!

Little did he know that Chen Ping was also unprepared and fell straight down!

Elder Tu dived down without hesitation. No one knew how deep it was!

Chen Ping passively fell downwards, while Elder Na Tu actively pursued downwards!

The two people were falling one behind the other!

As the color of the flames became heavier and heavier, the flames became more and more fierce. Even though Chen Ping refined the fire in the center of the earth and understood the origin of fire, he still felt hot and suffocated!

Chen Ping could only exude extremely cold ice flames with all his strength to resist this unbearable hot feeling!

As for Elder Tu, he was not feeling well at this time. As he continued to dive, the ghost faces around him rotated faster and faster, and waves of heat began to harass Elder Tu's body!

Elder Tu frowned slightly, looking at Chen Ping who was still diving, he couldn't help but cursed: "Damn it, is this guy looking for death?"

Chapter: 6617

Chen Ping gritted his teeth, his body falling rapidly, the flames around him became more and more fierce, and were constantly accompanied by flame vortexes!

When Chen Ping felt that his body was slowing down, he found that he seemed to have reached the bottom. Huge flame vortexes, like the sickle of death, kept passing by Chen Ping!

Chen Ping tried his best to control his breath. Now it was hard enough for him to fight against the flames at the bottom of the magma river. If he was caught in the vortex, he would definitely be finished!

“Boy, I wonder where you can escape this time...”

Elder Tu’s voice came!

Chen Ping saw that Elder Tu was like a dog-skin plaster, constantly behind him, and now he was in front of him!

“I can’t let you catch me, just give up.”

After Chen Ping finished speaking, he glanced at the flame vortex and resolutely went towards the flame vortex!

Elder Tu was shocked. He didn’t understand why Chen Ping would rather die in the flame vortex than let himself kill him!

As soon as Chen Ping’s body approached the flame vortex, he was immediately sucked in by a huge suction force!

Elder Tu watched with his eyes wide open, but did not dare to move forward. He knew that if he was sucked into the flame vortex, he would definitely die!

“Hmph, even if it’s a corpse, I will take it back and ask the Demon Sealing League for a reward!”

Elder Tu snorted coldly and waited for Chen Ping quietly!

And the moment Chen Ping was drawn into the flame vortex, he took a deep breath, the spiritual power in his body suddenly turned, and the light of fire flashed in his eyes!

The fire source star in Chen Ping's body was flashing desperately!

Even though Chen Ping's fire source power resisted frantically, he still felt that the whole person was about to be torn apart by the flame vortex!

Elder Tu watched quietly outside, with a sneer on his face!

When Chen Ping felt that he could not bear it, he suddenly released the puppet!

He casually took off the Fire Spirit from the puppet!

Without the Fire Spirit, the puppet was instantly crushed by the flame vortex!

With the Fire Spirit in hand, Chen Ping felt much more relaxed, and a large amount of Fiery Energy was absorbed by the Fire Spirit!

Although the puppet was destroyed, Chen Ping was still safe at this moment!

Chen Ping also took a gamble and placed his hope on the Fire Spirit!

Otherwise, how could he take the initiative to enter the flame vortex!

Chapter: 6618

Chen Ping took advantage of this moment and hurriedly used the True Fire Dharma Body, and a figure appeared in Chen Ping's sea of consciousness!

Chen Ping's body also began to absorb the Fiery Energy, using these flames to temper his body, and at the same time, the figure of the True Fire Dharma Body became more and more solid!

Chen Ping greedily absorbed the Fiery Energy, and Elder Tu looked at Chen Ping, and actually sat cross-legged on his knees, and was not crushed by the flame vortex, and was stunned for a while!

He didn't understand what method Chen Ping used to survive in this fierce flame vortex!

And it seemed that the flame vortex did not cause any harm to Chen Ping!

As Chen Ping continued to absorb the flames, the True Fire Dharma Body made a vacuum around his body!

The huge flame vortex was slowly weakening, and the vortex was about to disappear!

“Damn, it's really strange...”

Elder Tu was confused. He really couldn't understand what kind of ability Chen Ping, a fourth-grade cultivator in the Tribulation Realm, had. He was not afraid of this flame vortex, and it seemed that the flame vortex was about to disappear!

However, Elder Tu was ready at this moment. As long as the flame vortex disappeared, he would immediately attack Chen Ping!

And Chen Ping also noticed that the flame vortex was slowly disappearing!

So the body kept moving, and the flame vortex also moved with Chen Ping.

Soon, Chen Ping merged with a huge flame vortex again!

Elder Tu was about to be mad at this. These flame vortices could have stopped Chen Ping and prevented him from escaping!

But now, they have become Chen Ping's amulet!

Chen Ping looked at the flames spinning around him. He actually liked it so much at this moment. This flame vortex was simply perfect!

Using this flame vortex, Chen Ping began to practice and escape at the same time!

Elder Tu could only watch, but did not dare to get close, because the huge suction of the flame vortex would suck him in!

Now he had to endure the attack of the flames on his body, and he had to avoid the flame vortex that appeared from time to time!

The ghost faces around Elder Tu's body had already rotated to the limit at this moment!

"Ah....."

Elder Tu roared!

He could still watch Chen Ping getting farther and farther away!

As a master of the Mahayana realm, he was fooled around by Chen Ping, a little cultivator of the fourth level of the Crossing Tribulation realm. Elder Tu was so angry that he almost vomited blood!

Chapter: 6619

Soon, Chen Ping's figure completely disappeared in the vortex of flames, and Elder Tu could no longer feel Chen Ping's breath!

Elder Tu was going crazy, and he endured the discomfort of his body and continued to search in the deepest part!

But after searching for a long time, there was no trace of Chen Ping, and the ghost face beside him had begun to shatter at this moment!

Without the protection of the ghost face, Elder Tu's body could not withstand the attack of the flames!

Elder Tu had no choice but to swim upstream desperately!

Suspended above the magma river, Elder Tu was extremely depressed!

All the disciples he brought with him were slaughtered, and he chased for a long time, but he didn't hurt Chen Ping at all!

If this is told to others, who can believe it?

I, a Mahayana realm, can't deal with a mere little cultivator of the fourth level of the Crossing Tribulation realm!

No one would believe this no matter how hard you try!

But this is the fact. Elder Tu regretted coming to the Purple Flame Sect!

It would be better to let other elders come. He originally wanted to get some credit. When the Ghost Face Sect swallowed up the Purple Flame Sect in one fell swoop, his status and position would definitely rise!

But now, everything is messed up. If he can't kill Chen Ping, he doesn't know how to go back and explain!

Looking at the rolling lava river, Elder Tu's expression became more and more ugly!

"It seems that there is no way to report without making sacrifices..."

After a moment of silence, Elder Tu suddenly flashed a trace of determination in his eyes!

Then Elder Tu waved his hand, and dozens of ghost faces all came towards Elder Tu, and at the same time, these ghost faces issued bursts of shrill screams!

Dozens of ghost faces began to attach to Elder Tu's body, and Elder Tu's body was constantly expanding!

These ghost faces were of different shapes and had hideous faces. They were all attached to Elder Tu, making Elder Tu look like he had dozens of faces!

Elder Tu's ghost face slowly cracked from the center of his eyebrows, and then a stream of blood slid down his eyebrows!

Every ghost face greedily sucked the blood wherever it passed, while emitting a strong demonic aura!

Strange black flames swirled around Elder Tu.

Looking at the lava river below, Elder Tu rushed down instantly!

This time Elder Tu's speed was extremely fast, and he was not affected by the flames at all!

Chapter: 6620

Chen Ping was still at the bottom of the lava river at this moment, with his body in the middle of the flame vortex. This was the safest place!

But Chen Ping didn't know whether Elder Tu had left!

But even if Elder Tu had the strength of the Mahayana realm, he couldn't stay at the bottom of the lava river for too long!

Chen Ping was carried by the vortex of flames and continued to move forward. As for where he would lead, Chen Ping had no idea!

He only wanted to get rid of Elder Tu's pursuit!

But when Chen Ping moved forward, he found that there was no road, and there was a rock wall in front of him!

The place where Chen Ping fell was an abyss, and at this moment Chen Ping actually walked to the end of the abyss!

At this time, Chen Ping had no choice but to swim upwards!

When Chen Ping swam upwards, he saw that the rock wall was burned into a very special crystal by the flames!

All of them were flashing red light, and they looked crystal clear and very tempting!

Chen Ping reached out and touched the rock wall, and a strong flame gas poured into Chen Ping's body!

Chen Ping's eyes lit up, he didn't expect that there was pure flame gas stored in it!

If you use these crystals to temper the true fire body and improve your own fire, it will definitely be twice the result with half the effort!

Thinking of this, Chen Ping hurriedly sacrificed the Dragon Slaying Sword and slashed on the rock wall with one sword, trying to cut off the crystal on it!

But Chen Ping slashed several swords in a row, and the rock wall didn't move at all!

These crystals are too strong!

They have been here for who knows how long they have been burned by the flames, so the crystals must be extremely strong!

Seeing that he couldn't take the crystals away, Chen Ping could only quietly press his hands on the rock wall and absorb the flames in the crystals!

“This place is really magical. I feel like I have seen it somewhere...”

The Red Cloud Demon Lord said!

“Have you seen it? Where have you seen it?”

Chen Ping asked hurriedly!

“I can’t remember it. You know I have lost my memory and can’t remember it. But if you let me control your body, maybe I can remember something.”

The Red Cloud Demon Lord’s thoughts were not hidden at all!
