

## **The Order 6631**

Chapter: 6631

Demon Lord Chiyun's words immediately made Chen Ping enlightened!

If Demon Lord Chiyun hadn't said it, Chen Ping would never have thought of this!

"Senior, thank you, I am really enlightened..."

Chen Ping thanked Demon Lord Chiyun!

"What's there to be grateful for? When you reach my realm and control the breath of thousands of worlds, you can tear apart the void at any time and reach the world you want to go to."

"But the prerequisite is that you must control the breath of that world. Only in this way can you use the breath of that world to tear apart the void and reach the place you want."

Demon Lord Chiyun said!

Chen Ping was shocked. He thought that people like Demon Lord Chiyun could go wherever they wanted. Unexpectedly, there were restrictions. He had to control the breath of the world before he could use the cracks in the void to teleport there!

"Senior, if I want to go to a world where I don't know the atmosphere of that world, is there no way I can go there?"

Chen Ping asked curiously!

“You’re stupid, just because you don’t know, doesn’t mean others don’t know either. Just ask someone to help you tear apart the void and create cracks in the void.”

Demon Lord Chiyun said speechlessly!

When Chen Ping heard this, he was immediately embarrassed. He didn’t even think of understanding such a simple thing!

It’s like if you don’t know a place or the way, you can find a driver who knows the way to take you there!

Chen Ping actually asked about such a simple truth!

The embarrassed Chen Ping stopped talking and hurriedly explored the aura emanating from every crack in the void!

Soon, Chen Ping noticed a small void crack, because there was a hint of familiar breath in the void crack.

The only auras that Chen Ping is familiar with now are the secular world and the heavenly and human world!

If this crack in the void does not lead to the world of heaven and humans, then it is to the secular world!

If he really reaches the secular world, Chen Ping can go home and take a good look!

Seriously, he misses home!

Whether he went to the secular world or the celestial world, Chen Ping could accept it, so he rushed into the void crack without hesitation!

With a huge burst of power, Chen Ping rolled over, and then his mind went blank and he lost consciousness instantly!

Chapter: 6632

I don't know how long it took, but after Chen Ping opened his eyes, he found that he was in a huge cave!

The entire cave looks very huge, and there seems to be the sound of running water!

Chen Ping shook his head. He didn't know where he was teleported through the void crack!

"Senior, where are we? Is this still the world of heaven and humans?"

Chen Ping asked Demon Lord Chiyun!

"Please, I can only sense the outside through you. You are already unconscious. How can I know anything? What's more, I am just a remnant soul in the crack in the void. What can I know?"

Demon Lord Chiyun rolled his eyes at Chen Ping and said!

"If you don't know, you don't know why you are so angry!"

Chen Ping muttered, he must be angry because he didn't let Demon Lord Chiyun control his body!

My body is not a toy, how can I let Demon Lord Chiyun control it at will?

Chen Ping glanced at the cave, and he felt an indescribable feeling in his heart at this moment!

He looked forward to being transported back to the secular world, but he was worried about returning to the secular world!

After all, he still has a lot to do in the world of gods and humans!

There are people waiting for him in the secular world, and there are also people waiting for him in the world of gods and humans!

Chen Ping looked around and was surprised to find that the dying Elder Tu was also in the cave. They had teleported to the same place!

It's just that at this time, Elder Tu doesn't look like a Mahayana master at all, he looks more like an old man!

The grimace on his face is gone, and his breath is very weak. He no longer has the strength of the Mahayana realm!

After using a secret method, his legs were cut off by the sharp blade of time and space. After suffering such a blow, it's good that Elder Tu can survive!

Chen Ping stepped forward and mentioned Elder Tu. As expected, he was motionless. He must have fainted!

Seeing this, Chen Ping slowly squatted down!

“Boy, what are you going to do, wake him up?”

Demon Lord Chiyun asked after seeing this!

“Save his ancestor. This guy has always wanted to kill me and wants to die with me. How can I save him?”

“I just saw a storage bag on him. There should be good things in it, so take it and take a look!”

Chapter: 6633

Chen Ping said coldly!

Chen Ping is not a holy mother. Anyone who wants to kill him should die. How can Chen Ping save him?

But just when Chen Ping reached out to take off Elder Tu’s storage bag, Elder Tu suddenly opened his eyes!

“go to hell.....”

I saw Elder Tu instantly reaching out his claws and grabbing Chen Ping’s neck fiercely!

Moreover, Elder Tu’s claw had a sharp aura and was extremely fast. If the claw were grabbed directly, Chen Ping’s neck would be broken in an instant!

Seeing Elder Tu pretending to be stunned and unexpectedly attacking him, Chen Ping didn't move at all!

Elder Tu grabbed Chen Ping's neck and was immediately ecstatic!

"Hahaha, boy, you will die in my hands after all!"

After saying that, Elder Tu suddenly exerted force!

But no matter how hard Elder Tu tried, he just couldn't break Chen Ping's neck!

In the end, Elder Tu suppressed it until his face turned red and his neck became thick, but it still didn't work!

While looking at Chen Ping, he looked at Elder Tu like an idiot!

Chen Ping's physical body has been tempered countless times. If Elder Tu is still a Mahayana master, he will definitely be able to break Chen Ping's neck!

But now Elder Tu's body is extremely weak, and it may be difficult for him to reach the combined strength and physical realm!

With this kind of strength, if you want to break Chen Ping's neck, isn't that a joke?

"Don't you know what kind of virtue you are now? Don't tell me to break my neck. I'll give you an ordinary stone. I'm afraid you can't even crush it now."

Chen Ping grabbed Elder Tu's wrist and with a little force, he moved Elder Tu's hand away!

Elder Tu wanted to resist, but Chen Ping made a strong effort!

Click!

Elder Tu's entire arm was torn off by Chen Ping!

"ah....."

Elder Tu screamed!

Both legs are gone, and now an arm is missing!

Chapter: 6634

"I thought I was a master in the Mahayana realm, bah..."

Chen Ping spat hard!

"I kill you....."

Elder Tu waved his only remaining arm and roared loudly!

This guy, at this point, still wants to kill Chen Ping!

When Chen Ping saw this, he kicked away, instantly shattering Elder Tu's shoulder blade and sending his entire arm flying out!

This time, Elder Tu's hands and feet were gone, leaving only one mouth, roaring continuously!

Chen Ping stepped directly on Elder Tu's head, causing Elder Tu to whimper and make no sound!

"You are screaming, keep shouting?"

Chen Ping looked at Elder Tu sarcastically!

Elder Tu's face was deformed, and he made a reluctant sound!

You must know that at the beginning, he didn't take Chen Ping seriously at all. As a Mahayana realm, he felt that Chen Ping could die without a burial place with just a wave of his hand!

But what about now?

He was stepped on by Chen Ping, but there was nothing he could do!

This feeling of going from heaven to hell makes Elder Tu want to die immediately!

"Kill me, kill me..."

Elder Tu struggled to spit out a few words from his mouth!

At this moment, he felt that dying would be better than this!

“Want to die?” Chen Ping smiled: “The more you want to die, the less I will let you die. I will torture you.”

“You forced me to run around, and finally came to this cave somewhere. If I don’t torture you to call me daddy, then I won’t be able to do it!”

Chen Ping really wanted to kill Elder Tu at first, but now he decided to keep him and torture him!

Chen Ping released his feet to avoid trampling this guy to death!

“I will not be humiliated, absolutely not...”

Elder Tu roared, and his body suddenly swelled!

Chapter: 6635

You can tell at a glance that this guy is going to blow himself up!

Chen Ping had quick eyes and quick hands, and kicked him in the back. Elder Tu spurted out a mouthful of blood, and his bulging body instantly withered!

“You want to blow yourself up, it’s so beautiful. I’ll destroy your Dantian and let’s see how you blow up again!”

Chen Ping looked at Elder Tu with a sneer!

“Ah... kill me. If you don’t kill me, I will definitely kill you, and our Ghost Face Sect will never let you go!”

Elder Tu yelled in despair!

“Hahaha, I won’t kill you. Didn’t you say that my life would be worse than death? I want to see who will be worse than death!”

Chen Ping laughed loudly, and then opened Elder Tu’s storage bag!

There are many treasures, elixirs, and various cultivation resources in the storage bag. As expected of the elder of the Grimace Sect, there are indeed a lot of things!

But there is nothing particularly valuable!

But if you think about it, you can understand that the Ghostface Sect, as a demon sect, has always been hiding. Even as an elder of the Ghostface Sect, it is impossible to get anything of special value!

“I really don’t know how you can reach the Mahayana realm if you are so damn poor.”

After Chen Ping looked through the storage bag, he said to Elder Tu!

Elder Tu’s face turned red with anger, but he couldn’t answer Chen Ping’s question!

He could only look at Chen Ping fiercely and said: “Boy, we are now teleported to an unknown area, and this should be a place of death. Even if you torture me, you will never leave this place.”

“Your destination is also to die alone. When the time comes, you will fall into endless loneliness alone!”

“Is this a place of death?”

Chen Ping was stunned, and then he sent out his spiritual consciousness to explore the depths of the cave, but his spiritual consciousness was always blocked by an inexplicable force!

At this moment, Chen Ping frowned: "Is this really a place of death?"

"Damn it, you believe what he says. It's not like this, but there is something special here!"

Suddenly, a figure appeared next to Chen Ping!

The remnant soul of Demon Lord Chiyun actually broke away from Chen Ping's sea of consciousness!

Elder Tu was shocked when he saw someone suddenly appeared next to Chen Ping!

But when he saw it clearly, his face was full of shock and he said: "Demon soul? Is this the demon soul in your sea of consciousness, the one who destroyed those demon souls of mine?"

Chapter: 6636

"Shut the hell up, do you deserve to be called a demon soul? Do you guys deserve to be demons?"

"I'm the real demon. You guys are just demon cultivators at best. You don't have pure demon blood. I think you're just a bunch of people, a combination of humans and demons."

Demon Lord Chiyun looked at Elder Tu with disdain and said!

This guy always claims to be a demon, but there are not many real demons of blood. There are many demon cultivators who are human beings and became demon cultivators because they practiced demonic skills!

After these people developed, they founded sects and began to consider themselves demons!

But they are not pure demons!

This kind of people will become more and more difficult as their strength develops, because people who are not of pure demon blood cannot practice the top demon skills!

“Who are you? Dare you say this to me?”

Elder Tu glared at Demon Lord Chiyun!

He can be beaten and ridiculed, but to say that he is not a demon and that he is a string is too hurtful. Elder Tu cannot accept it!

“Who am I?”

Demon Lord Chiyun was stunned for a moment, then he laughed loudly and said: “I am Demon Lord Chiyun in the heaven, and I am as famous as Lord Huo Lingxing. This sacred volcano was formed by the fall of one of Lord Huo Lingxing’s items.”

“Now do you think you have any objection to me saying this to you?”

Demon Lord Chiyun’s words made Elder Tu dumbfounded!

He didn’t know Demon Lord Chiyun, but Lord Huo Lingxing had heard of it. According to legend, this sacred volcano was formed by an object dropped by Lord Huo Lingxing!

Just by simply dropping an item, a sacred volcano was formed, and a large sect like Ziyang Sect was born!

Of course, there is no need to say more about the status of Mr. Huo Lingxing!

And the man in front of him turned out to be the Demon Lord who was as famous as Lord Fire Star!

Elder Tu was scared to death. Now he finally understood why Chen Ping, who was only in the fourth level of Tribulation Realm, was so difficult to deal with!

“Senior, your remnant soul can suddenly escape from my sea of consciousness. Does this mean that this cave is similar to the Demon Swallowing Cave where you are?”

Chen Ping asked Demon Lord Chiyun!

“Yes, but there are similarities and differences. Otherwise, I wouldn’t dare to expose the remaining soul to the outside world. But this also proves that this is not a place of death.”

Demon Lord Chiyun nodded and said!

“I understand!” Chen Ping nodded!

He casually took out the magic whip and whipped Elder Tu.

The demonic whip was aimed at the consciousness of the demons. Elder Tu was beaten with the demonic whip and screamed!

He could endure the physical pain, but Elder Tu couldn’t bear this kind of mental and spiritual torture!

“I said, I’m going to beat you until you call me daddy...”

Chen Ping said while smoking!

However, Elder Tu was also tough-mouthed and never called Chen Ping daddy from beginning to end!

Soon, Elder Tu was beaten to death. He had no arms or legs, and only his torso was left shaking!

When Chen Ping saw this, he tied Elder Tu with a magic whip, then pulled him away with his hands, and began to look for a way out of the cave!

Along the way, there will be blood marks all the way behind!

Elder Tu woke up and saw that he was being pulled by Chen Ping like a dead dog, and his whole body collapsed!

Chapter: 6637

Chen Ping, on the other hand, kept looking for a way out of the cave no matter how much Elder Tu howled!

Fortunately, Demon Lord Chiyun is by my side, so I don’t feel lonely either!

The cave was very big, but it was completely dark. Even Chen Ping could only see a hundred meters away!

And there is no way for the spiritual consciousness to be emitted. Every time it is emitted, it will be blocked by an inexplicable force!

There is a lot of pressure in the cave, and heat waves hit from time to time!

“Why do I feel more and more like this is not a cave, but more like the belly of a large monster?”

Chen Ping looked around and said!

The heat waves from time to time are like the breath of a large monster beast, brought by every breath!

“Stop talking nonsense, what kind of monster can have such a big belly? There is no way such a huge monster can exist in a place like the Heaven and Human Realm.”

“Although there are thousands of worlds, anything can happen and anything can appear, but certain rules must be followed.”

“The laws of heaven and earth have their own destiny. If such a big monster appears in this small world of heaven and humans, wouldn't it be a disaster?”

Demon Lord Chiyun said to Chen Ping!

Chen Ping was stunned for a moment, then looked at Demon Lord Chiyun in surprise: “How do you know this is the world of heaven and humans? Couldn't it be another world? We are in other unknown worlds?”

When Demon Lord Chiyun saw this, he suddenly looked embarrassed, and then smiled and said: “I wanted to scare you, kid, but I didn't expect that I let it slip.”

“This is the world of heaven and humanity. It’s just that you didn’t observe it carefully. Although you are very talented, you can be as stupid as a pig sometimes!”

“Have you never noticed that there are free filaments of flame on the stone walls around the cave?”

“Although these flame filaments are very weak and you can’t detect the breath, you can try to fuse these flame filaments.”

After listening to Demon Lord Chiyun’s words, Chen Ping looked carefully around the stone wall, and sure enough he found many extremely fine flame filaments!

These flame filaments obviously penetrated into the cave bit by bit from the outside. Because they were so subtle, Chen Ping didn’t notice it at all!

Chen Ping tried to attract the flame filaments on the stone wall to his surroundings little by little!

After using it for a while, Chen Ping finally collected a flame like a candle!

But this little flame was enough for Chen Ping to detect the breath of the flame.

When Chen Ping felt the breath of fire, his eyes suddenly widened with disbelief in his eyes!

“This this.....”

Chapter: 6638

Chen Ping was very shocked!

“How’s it going? Do you feel anything now?”

Demon Lord Chiyun asked with a slightly raised corner of his mouth!

“This... this is the flame breath of the Divine Volcano. Have we never left the Divine Volcano? Are we inside the Divine Volcano?”

Chen Ping looked at Demon Lord Chiyun and asked!

He didn’t dare to confirm it now, so he could only wait for Demon Lord Chiyun to answer!

Obviously Demon Lord Chiyun knows everything, but he just doesn’t tell Chen Ping. Maybe it’s just to play tricks on Chen Ping and take revenge on Chen Ping for not letting him control his body!

“Yes, this is the inner cave of the Divine Volcano. We have not left the Divine Volcano. The void crack just sent us to the interior of the Divine Volcano!”

Demon Lord Chiyun smiled and nodded!

“Damn, you fucking knew this a long time ago and you didn’t even tell me?”

Chen Ping glared at Demon Lord Chiyun angrily!

“You won’t let me play with your body, why should I tell you...”

Demon Lord Chiyun turned his head to the side angrily!

The dignified Demon Lord now looks like an angry little old man!

When Chen Ping saw this, he was speechless for a while. Are all these old people in the heaven so unique?

Elder Tu was half-dead listening to Chen Ping's conversation with Demon Lord Chiyun, and he was totally confused!

Is this the Demon King of Heaven?

Is this Chen Ping's attitude?

"Okay, I was wrong. Can't you help me restore your physical body as soon as possible? Then tell me, how do you get out of this cave?"

Chen Ping can only apologize!

I have to say that even if this Red Cloud Demon Lord only has a trace of his soul left, he is still much stronger than me!

Chen Ping didn't notice the filament of flame at all, but Demon Lord Chiyun not only discovered it, but also detected the breath of the filament of flame!

This is the gap, the gap in strength!

"I don't know..." Demon Lord Chiyun said!

Chapter: 6639

“Why are you still angry? I already apologized, why not?” Chen Ping said speechlessly!

“I really don’t know. It’s useless for you to apologize a hundred times. I’ve never been here before.”

“If I had a physical body now, I could level the entire sacred volcano, wouldn’t I just go out?”

“Otherwise you can lend me your body...”

Demon Lord Chiyun said!

When Chen Ping heard this, he waved his hand quickly and walked forward quickly!

By the time the sacred volcano is leveled, my body will probably have been wiped out long ago!

Chen Ping dragged Elder Tu forward, letting Elder Tu’s body bump against each other in the rugged cave!

No matter how Elder Tu called, Chen Ping pretended not to hear him!

Soon, Chen Ping and the others came to a fork in the road. There were four roads in total, and Chen Ping chose one based on his feeling!

Now that he knows that this is the world of heaven and man, and it is also inside the sacred volcano, Chen Ping doesn't panic!

No matter how you go, you can eventually get out of the sacred volcano!

But not long after walking, there was another fork in the road. Chen Ping continued to choose a path and continued walking!

Although there is pressure in the cave, it is nothing to Chen Ping!

Demon Lord Chiyun is a remnant soul, so he is not afraid of any pressure!

But Elder Tu, although only his torso was left, still had to withstand the pressure, and he also had to endure the humiliation of his body being constantly bumped against stones and being dragged like a dead dog!

The one thing Elder Tu wishes for most now is death!

He wanted to die so much, but it was a pity that Chen Ping wouldn't let him die!

"You choose a route blindly like this, without following any rules. How can you get out?"

Seeing that Chen Ping was just following his feelings, Demon Lord Chiyun finally asked helplessly!

"I'll just go based on my feeling. If I can't get out, I'll keep walking. I don't see any rules!"

"How about you tell me which way to go?"

Chen Ping said calmly!

Demon Lord Chiyun looked at Chen Ping. He knew that Chen Ping was doing this on purpose, deliberately forcing him to show the way!

Chapter: 6640

And Chen Ping also understands the temperament of Demon Lord Chiyun. If he takes the initiative to ask, he will definitely not tell!

So Chen Ping goes like this. When Demon Lord Chiyun feels bored, he will take the initiative to speak!

Now Demon Lord Chiyun took the initiative to speak.

“I don’t know how to get out of here, but there are so many forks in the road. If you follow your feelings, you will definitely get lost, and spiritual consciousness cannot be emitted here.”

“But I’ll teach you a way to find the right route!”

Demon Lord Chiyun said!

“What solution?” Chen Ping’s eyes lit up. He had been waiting for Demon Lord Chiyun’s solution!

“Of course we are exploring the road. There are so many forks in the road and it is impossible for every road to be open, so you can explore the path first...”

Demon Lord Chiyun said!

“Exploring the path? How can I explore the path by myself? With so many forks in the road, it would take me a long time to walk through it by myself!”

When Chen Ping heard Demon Lord Chiyun’s method, he immediately said in frustration!

“Stupid, who asked you to explore the path? You can let other things explore the path for you!”

Demon Lord Chiyun rolled his eyes at Chen Ping and said!

“something else?”

Chen Ping looked around, and then set his sights on Elder Tu!

This guy has no limbs, how can he find the way?

Seeing that Chen Ping still didn’t understand what he meant, Demon Lord Chiyun had no choice but to say: “I will teach you a secret method. You first collect the flame filaments in the cave, and then there will be something to explore the way! ”

When Chen Ping heard this, he was immediately overjoyed. What Demon Lord Chiyun taught must be the same.

Chen Ping desperately collected the flame filaments in the cave. This time, he collected a ball of flame as big as his palm, and then Chen Ping stopped!

“Put your blood and essence into this flame!”

Demon Lord Chiyun said!

Chen Ping hurriedly did as he was told. When a drop of essence and blood dripped into the flame, the flame seemed to have life, beating happily!

Seeing this scene, Chen Ping quickly looked at Demon Lord Chiyun, wanting to know what to do next!

Demon Lord Chiyun came close to Chen Ping's ear and told him a formula!
