

## **The Order 6651**

Chapter: 6651

“Is this really the inside of the sacred volcano? It seems correct!”

Chen Ping suddenly became excited when he heard what Hong San said!

Since this is inside the sacred volcano, he can definitely get out. Demon Lord Chiyun did not lie to him!

“It’s not difficult for you to leave here, but I’ve been waiting here for so many years, and finally I’m waiting for a disciple of the Ziyan Sect.”

“This remnant of my soul can’t exist for long, so before I completely dissipate, I want to give you all I have learned throughout my life.”

“You are also a disciple of the Ziyan Sect. After you learn what I have learned throughout my life, you can kill Huo Yuanting and become the leader of the Ziyan Sect.”

Hong San said to Chen Ping!

“You want to teach me all the skills, that’s great...” When Chen Ping heard this, he burst out laughing!

“I only have a remnant soul left now, so I need you to let go of the sea of consciousness, let me enter your sea of consciousness, and pass on to you the most essential things in my life, not only the skills, but also some experience!”

Hong San said slowly!

“No problem, I will let go of the sea of consciousness immediately, senior, you can enter as you like!”

After Chen Ping finished speaking, the sea of consciousness opened instantly!

Hong San’s soul instantly entered Chen Ping’s sea of consciousness!

“It’s just a fourth-level monk in the Tribulation Realm. I didn’t expect that the sea of consciousness is quite vast. But you are stupid and trust people too easily.”

“If you say you are a disciple of the Ziyang Sect, will I believe you?”

“You have demonic aura on your body. You are not a disciple of our Ziyang Sect at all. Who are you? Let’s recruit you as you are!”

Hong San looked stern and directly controlled Chen Ping’s sea of consciousness and said!

“You have become a remnant soul, and you can still detect the demonic energy in me. It is really powerful.”

“Although I am not a disciple of the Ziyang Sect, I didn’t lie to you. I have been helping the Ziyang Sect now.”

Chen Ping said!

“Hmph, that’s nonsense. Do you think I’m a three-year-old child? If you don’t tell me the truth, then I will take over your body, or destroy your consciousness, and make you a fool and a mindless walking zombie.”

Hong San snorted coldly, not believing what Chen Ping said at all!

“Boy, what I said is right. I just said that this old guy saw that you were lying. Why did you insist on saying that you are a disciple of the Ziyang Sect?”

At this time, the voice of Demon Lord Chiyun came from Chen Ping’s sea of consciousness!

Hong San was stunned and quickly looked around: “Who is it? Who is it? Are there other remnant souls in this sea of consciousness?”

Along with Chen Ping’s sea of consciousness, a golden light flashed, and the Daluo Golden Code was revealed!

The figure of Demon Lord Chiyun also appeared at the same time, and Chen Ping’s sea of consciousness suddenly expanded more than ten times!

Hong San just saw the vastness of Chen Ping’s sea of consciousness, but it was only a small part. Chen Ping did not let go of the entire sea of consciousness!

It was Demon Lord Chiyun who reminded Chen Ping and asked Chen Ping to do this. Demon Lord Chiyun had long seen that Hong San must have had other intentions when he entered Chen Ping!

Chapter: 6652

Hong San looked at Daluo Jindian and was stunned when he saw Demon Lord Chiyun in front of him!

He never imagined that a fourth-level monk in the Tribulation Realm would have such a vast sea of consciousness, and he would also possess a strange book!

What's more important is that Hong San felt the breath of Demon Lord Chiyun in front of him, and his legs were trembling!

You know, he himself is the creator of the Purple Flame Sect, and he has almost reached the level of Immortal Transformation!

Even if there is only a trace of his soul left now, he has never seen anyone or experienced anything!

But looking at Demon Lord Chiyun in front of him, Hong San was afraid from the bottom of his heart. There was no way to cover up that kind of fear!

"Boy, this old guy is scared to death. If you have anything to say to him, I'll go hide. He will be scared to death in a while!"

Seeing Hong San's legs trembling, Demon Lord Chiyun said to Chen Ping!

Chen Ping could also feel Hong San's fear. After all, who would not be afraid of a great demon like Demon Lord Chiyun!

"Senior, don't be afraid, I won't hurt you."

"I lied to you, but although I am not a disciple of the Ziyan Sect, I am really helping the Ziyan Sect."

"I was helping Elder Yu of the Ziyan Sect and the others to prevent Huo Yuanting from obtaining the Divine Fire Seal. That's why I was chased by the Ghost Face Sect. I had no choice but to enter the magma river, fall into the void crack, and come here."

Chen Ping said to Hong San very sincerely!

“Then why do you have demonic energy in you?” Hong San asked!

Hong San hated the demon clan so much that the Ziyang Sect has been at odds with the demon clan for so many years!

“Not only do I have demonic aura, but I also have an orcish aura!”

After Chen Ping said that, the power of the three clans slowly spread out, allowing Hong San to notice it directly!

When he saw that Chen Ping actually possessed the aura of the three races, Hong San’s eyes widened and he looked very surprised!

One person has the auras of three races, which is something he has never heard of or seen!

“What a strange person, what a strange person...”

Hong San said in shock!

“Senior, since you only have a remnant soul left now, then stay in my sea of consciousness. I will take you out. Maybe I can find a chance to resurrect you!”

Chen Ping said to Hong San!

Hong San smiled miserably and said: “I can’t be resurrected. Even this residual soul is supported by the flame breath of the treasures around me.”

Chapter: 6653

“I know that I will dissipate soon, so before I dissipate, I will pass on what I have learned throughout my life to you. I hope you can carry forward the Purple Flame Sect!”

“Senior, what are you...” Chen Ping was stunned, how could he promote the Ziyang Sect? He is not even a disciple of the Ziyang Sect!

But before Chen Ping could say anything, Hong San condensed a spiritual thought in his palm, and then instantly merged into Chen Ping’s sea of consciousness!

A stream of complex and detailed information began to pass through Chen Ping’s sea of consciousness!

Before Chen Ping could react, Hong San’s face turned pale and his whole body was shaking violently, but there was a smile on his face, as if a big event had been solved!

“Senior, are you okay?”

Chen Ping didn’t have time to digest the information in the sea of consciousness, so he hurriedly asked Hong San!

“I’m fine. Even if I die now, I can still rest in peace. Because I suddenly had an accident, my true heritage didn’t stay much in the Ziyang Sect. This is why the Ziyang Sect is getting weaker and weaker now!”

“There is also the secret of the Divine Fire Seal. I didn’t even have time to tell my disciples. I think over the years, they will only recognize the Divine Fire Seal as its master and then use the Divine Fire Seal to practice.”

Hong San said with a look of helplessness and shame!

“Senior, isn’t that Divine Fire Seal for cultivation? I heard that after the Divine Fire Seal recognizes its master, it can fuse with the ultimate fire.”

Chen Ping asked Hong San in surprise!

Hong San shook his head and said: “The Divine Fire Seal can indeed help with cultivation, but the current Divine Fire Seal is just an empty shell.”

After saying that, Hong Sanqiang left Chen Ping’s sea of consciousness and returned to the bluestone platform!

Feeling the flame aura of the treasures around him, Hong San’s face looked much better!

However, as Hong San reached out and patted it, the colorful treasures around him slowly dissipated, and finally turned into an illusory seal!

“Divine Fire Seal, is this the Divine Fire Seal?”

Chen Ping looked at what he saw in front of him and was suddenly surprised!

He didn’t expect that the Divine Fire Seal would be here!

However, this divine fire seal looks very illusory, like a projection, not the real thing!

“This is the Divine Fire Seal, and it is not the Divine Fire Seal...”

Hong San said slowly!

When Chen Ping heard this, he was immediately confused. He didn't know what Hong San was talking about!

Yes means it, no means no, no matter what, it's still no, what kind of riddle are you trying to make!

Chapter: 6654

If Hong San hadn't just passed on Chen Ping's lifelong skills, Chen Ping would probably be scolded!

"This is the soul of the Divine Fire Seal. That's why it is said to be the Divine Fire Seal, but it is no longer the Divine Fire Seal."

Hong San saw Chen Ping's urge to curse, so he quickly explained!

When Chen Ping heard this, he immediately understood that some things worn by monks all year round will produce weapon spirits over time!

It's like my own dragon-slaying sword has a sword spirit inside it!

This Divine Fire Seal was left behind by Mr. Huo Lingxing. With Mr. Huo Lingxing's strength, the seal on his body has a seal soul, so it is normal for him to have spiritual wisdom!

In this way, the seal soul is always here, and the divine fire seal that Huo Yuanting and the others are looking for is just an empty shell!

However, an empty shell can also help with cultivation and allow the fusion of the ultimate fire. It has to be the things left behind by Lord Fire Star, and they are all treasures!

When he thought that Demon Lord Chiyun and Lord Huo Lingxing were of the same status and realm, Chen Ping excitedly said to Demon Lord Chiyun: "Demon Lord, this Lord Fire Lingxing has been left behind in the

world of heaven and man. There are many treasures, and each one is more powerful than the last. Didn't you leave any treasures behind?"

"Tell me now, and I'll go look for it and see if your treasure is stronger than Lord Fire Star's!"

Hearing Chen Ping follow him to ask for the treasure, Demon Lord Chiyun couldn't help but rolled his eyes and said: "I left my life in the world of heaven and man. Isn't that enough? I also left behind a bullshit treasure."

"Isn't this ray of my soul no match for that bullshit treasure of Lord Fire Spirit Star?"

"If that's the case, then I'll forget about leaving you. Anyway, I'm allowed to move freely here without any oppression. I'll be here quietly waiting for the right person!"

As he said that, Demon Lord Chiyun acted like a child and wanted to leave Chen Ping's Consciousness Sea!

When Chen Ping saw this, he quickly apologized: "Senior, I'm just asking casually why you are still in a hurry. Just stay in my sea of consciousness and I won't charge you any fees."

"And I will definitely help you collect the complete corpse and resurrect you. I will definitely be able to do it!"

Chen Ping will not let Demon Lord Chiyun leave him. Having this guy in his sea of consciousness is like having an extra encyclopedia!

There are things about heaven and some treasures. Even Demon Lord Chiyun knows about things that I don't understand!

What's more, with Demon Lord Chiyun here, Chen Ping can use Tianming Eye anytime and anywhere, how cool it is!

“You kid, you are insatiable, be careful to bite off more than you can chew. I have given you so many treasures, can you have fun with them?”

After Demon Lord Chiyun finished speaking, he turned around and ignored Chen Ping!

Chen Ping was speechless for a while. This old devil has been around for thousands of years, and he is still acting like a child, making his temper...

Chen Ping didn't notice that just as he was talking to Demon Lord Chiyun, Hong San slowly closed his eyes with a smile on his face!

That remnant soul is slowly dissipating!

Chapter: 6655

Without the support of the flame energy, and Hong San passed all his lifelong skills to Chen Ping, his remnant soul cannot exist anymore!

“Senior, senior...”

When Chen Ping saw this, Chen Ping hurried forward and injected wisps of flame energy into Hong San's body!

No matter what, now that Chen Ping has accepted Hong San's lifelong skills, he is considered a disciple of the Ziyang Sect!

Chen Pingcheng doesn't admit it, this is all the result!

"Don't waste your time. Even if Daluo Jinxian descends to earth, he won't be able to resurrect me. At the last moment, I will be able to pass on what I have learned throughout my life. I am already very satisfied!"

Hong San smiled, showing no fear at all!

When this remnant soul dissipates, Hong San disappears from this world forever!

Chen Ping desperately tried to make Hong San exist for a while, but it was of no use. In the end, Hong San's remaining soul dissipated completely!

Seeing Hong San gradually dissipating, Chen Ping felt a sense of regret in his heart!

After all, he was considered a great master. He founded the Ziyang Sect, but died quietly in the end!

"Hey..." After Chen Ping sighed softly, he set his sights on the seal soul!

"This thing is more difficult than recognizing the master of the Divine Fire Seal. I hope I can conquer it!"

After Chen Ping finished speaking, he waved his hand instantly and wrapped the seal soul with several fires!

Yinhun was struggling desperately to resist, and he was even exuding a fierce flame breath to resist!

The temperature in the entire room instantly increased, reaching thousands of degrees!

However, Chen Ping has the True Fire Dharmakaya and the Ultimate Fire Essence, so he is not afraid!

Then he sat in the room and began to surrender the soul!

When Chen Ping surrendered to Yinhun, flames rose into the sky from the sacred volcano above his head!

The divine fire seal gradually floated, making the flames of the entire divine volcano even more intense!

“Hahaha, the Divine Fire Seal has appeared. I finally found the Divine Fire Seal. It’s just God’s help that I was found so quickly!”

Huo Yuanting looked at the suspended divine fire seal and laughed crazily!

After searching for two days and one night, I finally found the Divine Fire Seal.

Everyone looked at the Divine Fire Seal with excitement on their faces. Huo Dong even licked his lips with greed in his eyes!

Chapter: 6656

Divine Fire Seal, with this thing, Huo Yuanting can become the real sect leader!

More importantly, with the Divine Fire Seal, Huo Dong can use the Divine Fire Seal to break through the peak of the Tribulation Realm and reach the Mahayana Realm!

“Congratulations to Master Huo, who in the entire Ziyang Sect dares to disobey you...”

Gu Tianchao stepped forward and praised Huo Yuanting!

Huo Yuanting was very pleased with it, with a proud look on his face. Then he moved his body and headed directly towards the divine fire seal!

But just when Huo Yuanting was approaching the Divine Fire Seal and was about to grab it, there was a sudden scream!

Huo Yuanting's face turned pale, his whole body fell down instantly, and bursts of white smoke came out of his palms!

"The flames are so fierce, I can't bear the flames of the Divine Fire Seal..."

Huo Yuanting looked at his palms and frowned!

"Father, this divine fire seal needs to recognize its owner. If you don't recognize its owner, it will be difficult to hold back the flames in the divine fire seal."

Huo Dong quickly reminded Huo Yuanting!

Huo Yuanting nodded quickly. He was so excited that he forgot to recognize the master!

Soon, a drop of blood essence was forced out from between Huo Yuanting's eyebrows, and then the drop of blood essence floated towards the Divine Fire Seal!

As long as the Divine Fire Seal absorbs this drop of essence and blood, it will be regarded as a successful recognition of the master!

"Huo Yuanting, I will not let you get the Divine Fire Seal..."

Just when the drop of essence and blood was immediately absorbed by the Divine Fire Seal, a cold voice suddenly came!

Then several figures appeared, and Huo Yuanting's drop of blood essence was instantly dispersed under a ray of white light!

It turns out that Elder Yu and the others arrived in time and prevented the Divine Fire Seal from recognizing its master!

Seeing Elder Yu and the others arriving, Huo Yuanting did not panic at all. Instead, he smiled coldly and said, "You want to stop me from getting the Divine Fire Seal, so don't be wishful thinking."

"Huo Dong, bring someone to stop them. Elder Gu helps me set up the magic circle. Don't let them disturb me from recognizing the fire seal of the Lord God!"

Huo Yuanting ordered loudly!

Huo Dong led many disciples of his lineage and rushed directly towards Elder Yu and the others!

A melee broke out instantly, and Gu Tianchao used his fingers to seal the secrets, and formation patterns appeared around Huo Yuanting, directly covering Huo Yuanting and the divine fire seal!

"Elder Yu, we must not let Huo Yuanting get the divine fire seal and stop him..."

Chapter: 6657

Zhu Ling waved the long sword in her hand and said loudly!

Elder Yu nodded, and his whole body turned into a flaming meteor and crashed directly towards Huo Yuanting!

It seems that Elder Yu plans to die with Huo Yuanting without letting him get the Divine Fire Seal!

boom!

But with a loud noise, Elder Yu's body was instantly bounced away by the magic circle!

Elder Yu has no way of breaking through the magic circle set up by Gu Tianchao!

At the moment, none of them understands the art of formations, so they can only forcefully break the formations. However, as an elder of the Liangyi Sect, Gu Tianchao, how can the formations set up by Gu Tianchao be broken so easily!

Seeing that Elder Yu couldn't break the formation despite all his efforts, Huo Yuanting burst out laughing, and then he slowly approached the Divine Fire Seal.

As a drop of essence and blood fell on the divine fire seal, the divine fire seal emitted a burst of blood-red light!

Upon seeing this, Huo Yuanting reached out and took the divine fire seal in his hand!

"Hahaha, this is the Divine Fire Seal, this is the Divine Fire Seal..."

Huo Yuanting laughed crazily!

Seeing Huo Yuanting get the Divine Fire Seal, whether it was Elder Yu, Zhu Ling, or Wei Qing and others, their expressions suddenly changed!

If Huo Yuanting gets the Divine Fire Seal and recognizes his master, then the master of the Ziyan Sect will be completely his!

“With the Divine Fire Seal in your hand, you Ziyan Sect disciples will obey my orders...”

Huo Yuanting held the divine fire seal and shouted excitedly!

Upon seeing this, Huo Dong quickly led his disciples to kneel down and worship!

Elder Yu and the others all looked at it blankly, a little at a loss!

“What? You don’t listen to orders, are you going to rebel?”

Huo Yuanting looked at Elder Yu and the others coldly and asked!

“Hmph, who knows whether this divine fire seal is real or fake...”

Elder Yu snorted coldly, and then raised his hand to shoot out a fire storm that filled the sky!

Now he can only delay by doubting the authenticity of the Divine Fire Seal!

“Bold, if you dare to attack the sect master, you will be killed according to the sect rules...”

Chapter: 6658

When an elder from Huo Yuanting's lineage saw this, he shouted and wanted to stop Elder Yu!

"Don't worry about him, I'll let him see if this divine fire seal is real or fake..."

Huo Yuanting smiled coldly!

I saw Elder Yu shooting out flames all over the sky, and countless flames formed a fire tornado, heading towards Huo Yuanting!

When Zhu Ling saw this, she knew that Elder Yu was no match for Huo Yuanting, so she also slapped him with her palm!

With this palm, flames also rose, and a big bird burning with flames rose into the sky and headed straight for Huo Yuanting!

The two men joined forces to attack Huo Yuanting!

It's just that the corner of Huo Yuanting's mouth raised slightly, and he didn't panic at all. Instead, he held up the divine fire seal in his hand!

The divine fire seal suddenly emitted thousands of flames. The flames attacked by Elder Yu and Zhu Ling dissipated instantly in front of the divine fire seal, without causing any harm to Huo Yuanting!

Seeing this scene, Elder Yu and Zhu Ling were all very surprised!

However, the two men took action again, and streams of fire continued to move towards Huo Yuanting!

Unfortunately, these attacks all disappeared in front of the Divine Fire Seal.

Elder Yu and Zhu Ling both had disturbed breaths, and their foreheads were covered in cold sweat!

Look at Huo Yuanting again, holding the Divine Fire Seal, his face full of pride!

“I have the Divine Fire Seal in my hand, but you still dare to be so presumptuous. You are so ignorant...”

Huo Yuanting sneered!

Elder Yu followed Zhu Ling, although he was very angry, but there was nothing he could do!

“If you don’t kneel down even if the sect master gives the order, will you be expelled from the Ziyang Sect?”

At this time, one of Huo Yuanting’s elders shouted at Zhu Ling and the others!

Helpless Elder Yu and Zhu Ling looked at each other and knelt down too!

After the two of them knelt down, other disciples also knelt down and worshiped!

Now that Huo Yuanting has obtained the Divine Fire Seal and recognized his master, it proves that Huo Yuanting is no longer the acting sect leader, but the real sect leader!

If Elder Yu and Zhu Ling did not kneel down, Huo Yuanting could have expelled them all from the Ziyang Sect in accordance with the rules of the Ziyang Sect!

Seeing Elder Yu and Zhu Ling bowing their heads and kneeling, Huo Yuanting suddenly laughed excitedly!

Chapter: 6659

“Hahaha, go back to Ziyang Sect and prepare for the official appointment ceremony...”

Huo Yuanting laughed, holding the divine fire seal, and slowly walked past the people who were kneeling!

Elder Yu and others followed back to Ziyangmen!

It's just that everyone in the old sect leader's lineage is worried. Now that Huo Yuanting has obtained the Divine Fire Seal and has become the real sect leader, they will not have a good life in the future!

However, after returning to Ziyang Sect, Huo Yuanting did not cause trouble to Elder Yu and others. I wonder if he was busy with the appointment ceremony and had no time to care!

“Hey, we are going to be doomed now, and I don't know what happened to my junior brother.”

Qian Xiuzai was worried about Chen Ping. It had been several days and there was no news about Chen Ping!

“I think Junior Brother is in danger. Your Grimace Sect is too powerful. With so many people fighting against Junior Brother alone, Junior Brother can't escape.”

Wei Qing had long thought that Chen Ping was dead!

After all, even if Chen Ping is powerful, there is no way he can escape when facing so many people from the Grimace Sect!

“Senior brother, how can you curse my junior brother? I believe that my junior brother will be fine.”

When Qian Xiu heard Wei Qing’s words, he was a little unhappy!

Many other disciples are also discussing Chen Ping, wondering if Chen Ping is still alive!

In the room, Elder Yu summoned several other elders under the old sect master and followed Zhu Ling to discuss countermeasures!

Now that Huo Yuanting has obtained the Divine Fire Seal and has great power, people from the old sect leader’s lineage will definitely be retaliated and suppressed!

“Hey, now that Huo Yuanting is in power and has obtained the Divine Fire Seal, we may not have a good life in the future.”

An elder said with a sigh!

“If this Huo Yuanting dares to retaliate against us, then we will die.”

Elder Yu gritted his teeth and said angrily!

He would rather die than give in to you, Huo Yuanting!

Elder Yu is just greedy for money, but in the face of major issues of right and wrong, Elder Yu is absolutely reliable!

“Everyone, please don’t be too impulsive. Huo Yuanting hasn’t made any changes to us now. Let’s just wait and see what happens!”

Zhu Ling said to everyone!

Now that Huo Yuanting has obtained the Divine Fire Order, his strength has greatly increased. They are no match for Huo Yuanting’s lineage!

Chapter: 6660

“I see that Huo Yuanting is busy with the appointment ceremony. I guess he will attack us during the appointment ceremony!”

Elder Yu said!

He never expected Huo Yuanting to let them go, just pretend that nothing happened!

“Perhaps Huo Yuanting tolerated it deliberately for the sake of the overall interests of Ziyang Clan. After all, there are quite a few of us.”

An elder said!

“Hmph, he will put the overall situation first? This guy even dares to cooperate with the Ghost Face Sect, so why talk about the overall situation!”

Elder Yu snorted coldly. He didn't believe that Huo Yuanting would consider the overall situation of Ziyang Clan!

“Okay, no matter whether Huo Yuanting causes trouble for us or not, now that he has obtained the Divine Fire Seal, he is the most troublesome.”

Zhu Ling frowned!

Huo Yuanting got the Divine Fire Seal and recognized it as its owner!

If the appointment ceremony is opened, then he will be the real leader of the Ziyang Sect!

Even if Zhu Ling's father appears, there is nothing he can do to stop it. After all, this is the rule of the Ziyang Sect!

“How about we find a way to steal the Divine Fire Seal?”

An elder suggested!

“Impossible, then Huo Yuanting will definitely take it with him personally and send someone to guard it.”

“And Gu Tianchao from the Liangyi Sect is here. He can set up a magic circle to protect the Divine Fire Seal. Who among us can break the magic circle?”

Elder Yu said!

Hearing this, everyone fell silent. After all, no one has that ability!

“It would be great if my junior brother is here, he can break the magic circle.”

“I don’t know how he is doing now. If he blocks so many Grimace Sect members by himself, he will definitely be in trouble.”

Zhu Ling thought of Chen Ping!

When Chen Ping was mentioned, Elder Yu was also a little worried!

In any case, Chen Ping faced the Ghostface Sect alone in order to help them escape.

“Let’s take it step by step now. Everyone should be careful these two days and try not to provoke the disciples of Huo Yuanting’s lineage.”
