

The Order 6661

Chapter: 6661

Zhu Ling warned everyone, and then they dispersed!

Two days later, three loud bangs sounded in the sky above Ziyang Gate!

All Zi Yan Sect disciples were summoned to the square in front of the main hall, and even the outer disciples made an exception and gathered here!

Following Elder Natan's announcement, Huo Yuanting, dressed in fine clothes, then flew to the center of the square, holding the divine fire seal in his hand, and glanced at it with excitement on his face!

At this time, Huo Yuanting was extremely high-spirited!

After showing the Divine Fire Seal, Huo Yuanting flew up and sat on the throne of the main hall!

From here, you can overlook the entire Ziyangmen Square!

All Zi Yan Sect disciples knelt down and worshiped, including Elder Yu and the others!

Elder Tian followed the procedure and praised Huo Yuanting, telling him about Huo Yuanting's achievements in the Ziyan Sect!

Elder Yu and the others gritted their teeth after hearing this, but there was nothing they could do!

“The supreme will is God’s will, and the inferior will be the people’s will. Huo Sect Master is honored as the Sect Master today, which is in line with the rules of our Ziyang Sect.”

“From today on, Master Huo is the real master of Ziyang Clan. All disciples must obey Master Huo’s orders!”

“The ceremony has begun, all disciples begin to congratulate!”

Elder Tian announced loudly!

Just when Huo Yuanting was happily waiting for congratulations from many disciples, suddenly a cold and atmospheric voice came!

“Wait a minute, Huo Yuanting, the sect leader, who has admitted it?”

At this time, a figure slowly appeared and kept walking towards the center of the square!

“Father.....”

“Old sect master...”

Zhu Ling and Elder Yu were all shocked when they saw the person coming!

It turns out that the old sect leader is here. Many of them don’t know that the old sect leader has recovered!

When the disciples of the old sect master’s lineage saw the old sect master’s appearance, they got up from the ground one by one and kept cheering!

After seeing the old sect master, Huo Yuanting's face instantly became extremely ugly!

The old sect leader was controlled by the demon soul, how could he escape?

And it seems that the old sect master is not affected at all, as if he has recovered!

"Master Zhu, why are you here?"

Huo Yuanting stood up quickly and asked politely to Master Hu Zhu!

"Why am I here? If I hadn't come, wouldn't the Ziyang Sect have made you the master?"

The old sect master looked at Huo Yuanting with an indifferent expression!

"Old sect master, what do you mean by this? I only officially became the sect master after I got the Divine Fire Seal and recognized my master."

"You came out a little late. Now I am the leader of Ziyang Sect!"

Huo Yuanting frowned and said coldly!

Chapter: 6662

After Huo Yuanting finished speaking, the divine fire seal in his hand exuded bursts of flames, and a terrifying heat wave swept towards everyone!

Feeling the heat wave emanating from the Divine Fire Seal, everyone in the old sect leader's lineage showed solemn expressions!

The old sect master also frowned slightly, and the aura from his body slowly came out!

Originally, the Divine Fire Seal was in his hand. It was precisely because he discovered that Huo Yuanting wanted to rebel that the old sect leader placed the Divine Fire Seal in the Divine Volcano!

The reason is that even if Huo Yuanting becomes the sect leader, it will only be temporary. After all, without the Divine Fire Seal, it is impossible to be the real sect leader!

But now, he found that the Divine Fire Seal had no connection with him at all. It seemed that Huo Yuanting had really made the Divine Fire Seal recognize its master!

And Huo Yuanting felt the aura of the old sect master and suddenly laughed!

“Hahaha, old sect leader, although you are no longer crazy now, it is obvious that your consciousness has been severely damaged and has not yet fully recovered.”

“Do you think your current strength is suitable for being a sect leader?”

Huo Yuanting held the divine fire seal and questioned the old sect master!

The old sect master remained silent and took back his breath!

He has indeed not fully recovered now. If there is a conflict with Huo Yuanting, they will not be able to take advantage at all.

“Huo Yuanting, since you have recognized the master of the Divine Fire Seal, then you should be the master of the Ziyang Sect!”

The old sect leader compromised!

Hearing what the old sect master said, Huo Yuanting sneered, glanced at Elder Yu and others, and said, "Did you hear that? Now that I am the real sect master, I won't kneel down..."

Elder Yu and the others had no choice but to kneel down!

The old sect leader has admitted it, what else can they do!

Seeing Elder Yu and the others kneeling in front of him, Huo Yuanting burst into laughter!

"Today I officially become the master of Ziyang Sect, so I have to re-establish the rules and improve the style of Ziyang Sect!"

"Elder Yu and others colluded with the Ghost Face Sect to subvert our Ziyang Sect. They also accepted other people's property and sought positions in the Ziyang Sect for outsiders."

"I now declare that Elder Yu and others will all be kicked out of the Ziyang Sect, all identities will be abolished, and they will no longer be disciples of the Ziyang Sect."

"Because Zhu Ling was deceived, she was imprisoned for ten years as punishment!"

As soon as Huo Yuanting's words came out, there was an uproar on the scene!

Even the old sect leader didn't expect that Huo Yuanting would operate on someone of his own lineage just after he took office!

Chapter: 6663

This is too fast, are you so impatient?

This is already obvious, it is targeting him!

Especially when Elder Yu and others directly accused him of colluding with the Grimace Sect. This was obviously Huo Yuanting's collusion with the Grimace Sect!

If he accepts property and brings people into Ziyang Sect, Elder Yu can admit it or accept punishment!

But if he is said to have colluded with the demon cultivator, he cannot admit it even if he is killed!

"Huo Yuanting, you are so slanderous. It is obviously you who colluded with the Ghost Face Sect, but you actually framed us!"

Elder Yu retorted angrily!

"Elder Yu, is this how you talk to the sect master? No matter how big or small, the crime will be increased!"

Elder Na Tian immediately reprimanded Elder Yu!

Elder Yu gritted his teeth and turned red!

It would be fine if he was framed and kicked out of the Ziyan Sect alone, but now all the disciples of the old sect leader's lineage are to be kicked out of the Ziyan Sect!

Except for the old sect leader and Zhu Ling, everyone else will be driven away!

Although after Huo Yuanting became the acting sect leader, the resources allocated to the disciples of their old sect leader's lineage were much less, but after all, relying on the Ziyan Sect, there were still resources allocated!

Whether it's elixirs, fairy grass, or even divine volcanoes to assist them in their practice, these are all helpful to them!

But if they are driven out of Ziyan Gate, where will so many people go?

The entire world of heaven and humanity is focused on profit, and no one will take them in. Where can they get resources?

Without resources, there is no way to practice and your strength will stagnate!

In this way, they will slowly be eliminated!

"Huo Yuanting, I have recognized you as the leader of the sect, do you still want to kill them all?"

The old door master asked with wide eyes.

"Old sect master, you have wronged me. Didn't I keep you and your daughter?"

“As for other people, they collude with demon cultivators, and our Ziyang Sect cannot accommodate them. Moreover, this rule was set when the Ziyang Sect was established.”

“Our Ziyang Sect ancestor is the most ruthless demon cultivator, so there is nothing wrong with what I do!”

Huo Yuanting said calmly!

Chapter: 6664

At this time, the old sect leader was speechless. After all, he didn't know what was going on!

Although he believed that Elder Yu and the others could not collude with the Grimace Sect, they could not prove their innocence even if Huo Yuanting poured dirty water on them!

“Huo Yuanting, you are innocent of right and wrong. Heaven and earth can tell you who colluded with the Ghost Face Sect. Do you dare to swear?”

An elder from the old sect leader's lineage yelled angrily!

Huo Yuanting's face turned cold, and the divine fire seal in his hand suddenly burst out with a breath of flame!

“Nothing big or small...”

After saying that, the flame breath went straight to the elder.

In just an instant, the elder was knocked away, vomiting blood, and his body was covered with burn marks!

“Huo Yuanting.....”

The old sect leader's eyes were filled with anger and murderous intent. His fists were clenched but he did not take action. He had been restraining himself.

"Huo Yuanting, as the leader of the sect now, you can give orders, but you must always pay attention to reasons and evidence. You said that Elder Yu and others colluded with the Ghost Face Sect. What evidence do you have?"

The old door master asked loudly!

"evidence?"

Huo Yuanting smiled coldly: "The divine fire seal in my hand is the evidence. If I said they were colluding with the Ghost Face Sect, they would be colluding with the Ghost Face Sect!"

Seeing Huo Yuanting's arrogant look holding the Divine Fire Seal, the old sect master knew that they would definitely be kicked out of the Ziyang Sect today!

It's a pity that his consciousness has never been completely restored, otherwise it wouldn't be impossible to give it a try!

But he knew that if the two sides fought together, the Ziyang Sect would be completely doomed!

When the time comes, both sides will suffer losses, and other sects will definitely take advantage of the situation and replace the Ziyang Sect!

"Old sect master, this Huo Yuanting is bullying people too much, we will fight with him..."

Elder Yu's eyes were red and he roared loudly!

Huo Yuanting was obviously bullying them, and he couldn't swallow this tone!

"Hahaha, if you fight with me, you are worthy..."

Huo Yuanting burst out laughing, and then waved his hand. Huo Dong, Elder Tian and others immediately surrounded the old sect master!

And when Gu Tianchao used his methods, arrays of formations kept lighting up on both sides!

Chapter: 6665

Looking at the formation that was constantly lighting up, the hearts of everyone in the old sect master's lineage were filled with despair!

If there was a real fight, they might be directly imprisoned in this area and wouldn't be able to escape!

"There is no need for people from your Liangyi Sect to interfere in the internal affairs of our Ziyang Sect!"

Elder Cui, who remained neutral, rose up from the ground in an instant, pinched the magic formula with his fingers, white light flashed through, and the formation coefficient set by Gu Tianchao was broken!

Seeing that Elder Cui actually helped the old sect leader, Huo Yuanting frowned and said: "Elder Cui, you are only responsible for the Ziyang Sect assessment and the sect protection formation. You never ask about other matters. What are you going to do today? me?"

Although Huo Yuanting got the Divine Fire Seal, he didn't want to offend Elder Cui!

After all, Elder Cui is the only formation master in Ziyang Sect, and we still need to rely on him for many things!

Although it is possible to invite formation masters from Liangyi Sect, they are invited after all. Huo Yuanting cannot hand over some sect secrets to Gu Tianchao!

For example, the formations used in the sect's assessment are maintained and operated by Elder Cui, and outsiders cannot be allowed to do it!

"Master Huo, since you have obtained the Divine Fire Seal and recognized the master, you are the master of Ziyang Clan. Of course I cannot go against you!"

"It's just that I don't want both sides of the Ziyang Sect to suffer, and I don't want outsiders to interfere with our Ziyang Sect's internal affairs."

Elder Cui said with a righteous look!

Huo Yuanting frowned slightly and looked at Gu Tianchao. After all, he was able to obtain the Divine Fire Seal thanks to Gu Tianchao!

Moreover, we have to cooperate with the Liangyi Sect in the future. It is not appropriate to drive Gu Tianchao away now!

If a fight really breaks out, Gu Tianchao's formation can play a big role!

Gu Tianchao saw Huo Yuanting in trouble, so he smiled coldly and said: "Master Huo, I have long heard that Elder Cui of your Ziyang Sect is very powerful in formation. I will learn from you..."

After Gu Tianchao finished speaking, he formed seals with his palms, and strange formations appeared in mid-air. These formations emitted blood-red light and carried a strong smell of blood!

The formation pattern fell from the sky and enveloped Elder Cui. At the same time, from within the formation pattern, extremely ferocious ghosts appeared, as if they had appeared from hell, and surrounded Elder Cui with a shrill roar!

“Wangui is coming to court?”

Elder Cui’s expression changed greatly, and he tried his best to use magic to resist, but it was obvious that Elder Cui was no match for Gu Tianchao!

Seeing this scene, the faces of all the old sect masters changed drastically, and their expressions became extremely nervous!

When Huo Yuanting saw this, he laughed coldly!

No one in the entire Ziyang Sect can stop him, he can do whatever he wants!

“Elder Cui...”

Chapter: 6666

Elder Yu and others saw Elder Cui surrounded by ghosts, but they were powerless and could only shout desperately!

Even the old sect master could only watch helplessly, unable to do anything!

“A mere brat dares to embarrass someone...”

Suddenly, a gust of wind passed by, and then a figure appeared.

As thousands of golden lights filled the sky, the ferocious ghost instantly turned into bursts of black mist and disappeared without a trace under this golden light!

Elder Cui’s face was pale and his forehead was covered with cold sweat. If it had been a little later, he might have died here!

“Junior brother...”

“Junior brother...”

When Wei Qing, Zhu Ling and the others saw that the person coming was Chen Ping, they were all excited!

When the old sect leader saw Chen Ping, he was slightly stunned. The strength Chen Ping showed shocked him!

Elder Yu watched Chen Ping arrive, but he felt an inexplicable sense of security in his heart!

Huo Yuanting looked at Chen Ping with incredible eyes!

He didn’t understand how this new disciple recruited by Elder Yu had such ability. Even Elder Cui couldn’t break the formation. Chen Ping made all the ghosts disappear without a trace with a wave of his hand!

And Gu Tianchao looked at Chen Ping and frowned tightly. He could clearly remember Chen Ping’s breath!

When he was in Wantong Pavilion, it was Chen Ping who ruined his good deeds!

“Sister, are you okay?”

Chen Ping walked up to Zhu Ling and asked with concern!

“It’s okay, we’re okay, junior brother, where have you been? Where are the people from the Ghost Face Sect?”

Zhu Ling asked curiously!

Chen Ping was blocking so many people from the Grimace Sect alone. In their opinion, Chen Ping should definitely die!

But now Chen Ping is back, and he doesn’t seem to be injured at all!

“Kill them all...” Chen Ping said calmly!

“What?”

Everyone was shocked!

Chapter: 6667

Chen Ping, a fourth-level monk in the Tribulation Realm, could fight beyond the level, but he could face dozens of people from the Grimace Sect alone, as well as Elder Tu from the Mahayana Realm!

How could he possibly kill those people from the Grimace Sect?

This is obviously impossible!

“Boy, you are bragging that you don’t pay taxes. You even killed everyone in the Grimace Sect. You don’t even know what kind of virtue you are.”

“You’re only at the fourth level of the Tribulation Realm. Even if you have some talent, with your ability, can you still kill dozens of demon cultivators from the Ghost Face Sect?”

“What’s more, Elder Tu of the Ghost Face Sect is a master of the Mahayana Realm, and he can kill you with one slap!”

Huo Dong said to Chen Ping with disdain!

He just couldn’t stand Chen Ping’s bragging attitude!

“Huo Dong, are you already a member of the Ghost Face Sect? You know the Ghost Face Sect so well, and you just framed us for colluding with the Ghost Face Sect. I think it’s you who are colluding with the Ghost Face Sect.”

“You are full of demonic energy. You have been away from the Ziyang Sect for such a long time. You suddenly returned to the Ziyang Sect and brought people from the Ghost Face Sect. What else do you have to say?”

Elder Yu said to Huo Dong!

“Which of your eyes saw me joining the Ghostface Sect? What evidence do you have? I said you colluded, and you just colluded.”

“Don’t forget, my father is the master of the sect now, and he has the Divine Fire Seal in his hand!”

Huo Dong said very arrogantly!

Now that Huo Yuanting is the real master of the Ziyan Sect, of course Huo Dong can quibble!

“You want evidence, I have it here...”

Chen Ping smiled lightly, then jumped out, and then came back again!

But this time, Chen Ping was holding someone in his hand!

A body to be exact!

There are no arms and legs, only a torso. If you didn’t see the head and eyes moving, you would have thought it was a dead person!

What Chen Ping was carrying was Elder Tu. Chen Ping originally kept him to torture him, but he didn’t expect to put it to good use!

Chen Ping threw Elder Tu’s torso at the feet of Huo Dong and Huo Yuanting!

Elder Tu looked at Huo Yuanting and Huo Dong, and his eyes were filled with hope: “Master Huo, save me, hurry up and save me...”

“Elder Tu.....”

Chapter: 6668

Huo Dong and Huo Yuanting's expressions changed drastically!

You must know that Elder Tu is a master in the Mahayana realm, and now he has turned into this, and he has become like this in the hands of Chen Ping, a fourth-level monk in the Tribulation Realm!

"Elder Tu, what's going on? How did you become like this?"

Huo Dong asked with shock on his face!

Huo Dong is now a disciple of the Grimace Sect, and his status is not as high as that of Elder Tu!

"It's all this Chen Ping. He used the ancient demon soul to control his body and used tricks to deceive me like a river of lava. That's why I was carelessly fooled."

Elder Tu explained!

He couldn't say that he couldn't beat Chen Ping, so he could only talk about Chen Ping being cunning!

As a result, everyone thought that Elder Tu was like this because he fell into a trap, and it was not that he couldn't defeat Chen Ping!

"Chen Ping? This guy's name is Chen Ping?"

Huo Yuanting frowned slightly!

“Elder Tu, is this guy the one the Demon Sealing Alliance has dedicated a hundred years to hunting down?”

Huo Dong asked excitedly!

Everyone else also looked at Chen Ping with disbelief in their eyes!

You must know that Chen Ping is also famous in the world of gods and humans, and is being hunted down by the Demon Sealing Alliance!

Zhu Ling opened her mouth wide and looked at Chen Ping in surprise!

Her idol is Chen Ping. She has always wanted to see Chen Ping in person, but she never had the chance!

The young junior brother in front of me now is actually Chen Ping?

Zhu Ling was so excited that she almost cried!

Elder Yu was also full of surprise. He really didn't expect that the disciple he brought in for some benefit would actually be the person that the Demon Sealing Alliance used a hundred years of sacrifice to hunt down!

“Yes, he is the person that the Demon-Sealing Alliance is chasing with a hundred years of sacrifice. As long as you catch him or kill him, you can go to the Demon-Sealing Alliance to receive the reward.”

Elder Tu quickly replied.

He killed Chen Ping just to make Huo Yuanting and the others interested in Chen Ping!

In this way, he will be saved, and he can also get revenge for himself!

Chapter: 6669

“You talk too much...”

Chen Ping suddenly waved his palm, and a flame came instantly!

No one reacted, and Elder Tu exploded directly, followed by screams, and was burned alive by the fire!

Everyone who saw this scene was shocked!

However, it is obvious that many people have greed in their eyes. The hundred-year tribute from the Demon Sealing Alliance is not a small sum!

If the entire Zi Yan Sect is obtained, then the Zi Yan Sect will not have to worry about resource issues for a hundred years!

“Chen Ping, it turns out you are Chen Ping. No wonder you can defeat Liu Shitong. But if you hide your identity, you will definitely do nothing good by coming to our Ziyan Sect.”

“Now reveal your true face and let me see what the person who was killed by the Demon Sealing Alliance with a hundred years of sacrifice looks like!”

Huo Dong stepped forward slowly and said coldly!

“Since you want to see it, let you see it to your heart’s content!”

Chen Ping smiled lightly, the aura on his body was flowing, and his appearance was also changing!

Soon, a handsome, handsome, young face appeared!

“It’s him.....”

Gu Tianchao frowned!

“Elder Gu, do you know this boy?”

Huo Yuanting asked!

“That’s right, when we were in Wantong Pavilion, this kid was the one who ruined my good deeds. Today I have to teach him a lesson!”

Gu Tianchao said!

When Chen Ping took action at the beginning, he just felt that Chen Ping’s aura was very annoying. Now he can be sure that it was Chen Ping who ruined his good deeds!

When other people saw Chen Ping’s face, they all became commotion and talked about it!

Especially the two girls Zhu Ling and Qian Xiu, their hearts were beating fast. Before Chen Ping was exposed, they actually had a good impression of Chen Ping!

Now that Chen Ping has revealed his true colors, he is handsome and charming. When the young lady and the young daughter-in-law see him, their legs are weak and their eyes are shining with gold!

When the old sect master saw his daughter's expression, he smiled.

The person who was actually the most surprised and unbelievable at the moment was Wei Qing. He had always regarded Chen Ping as his junior brother!

Chapter: 6670

Even though Chen Ping showed extraordinary strength, Wei Qing tried his best to protect Chen Ping!

But now, his junior brother turned out to be Chen Ping.

This Chen Ping, who was hunted by the Demon Sealed Alliance and was famous in the world of gods and humans!

Wei Qing smiled bitterly and said helplessly: "Master, you have found a good disciple for our Ziyang Sect..."

Elder Yu looked embarrassed. He didn't even know it was Chen Ping. He just brought Chen Ping in for money!

"Mr. Huo, this person has some grudges against me. Let me settle the grudges first. Mr. Huo will decide on this person!"

Gu Tianchao took one step forward and came to Huo Dong's side and said!

Huo Dong was stunned, looked at Gu Tianchao and said, "Elder Gu, what do you mean, are you following our Ziyang Sect to fight for it?"

"Isn't Elder Gu also moved by the hundred-year tribute from the Demon Sealing Alliance?"

Huo Dong thought that Gu Tianchao was going to fight with him. If Gu Tianchao killed Chen Ping, wouldn't the hundred-year enshrinement of the Demon Sealing Alliance belong to the Liangyi Sect?

"Young Master Huo misunderstood. Chen Ping and I do have some issues. We are not fighting with your Ziyang Sect."

"I will never kill him, I will only trap him and torture him. How can I possibly do anything to fight for the Ziyang Sect's territory!"

Gu Tianchao quickly explained!

Huo Dong wanted to say something else, but Huo Yuanting said: "Huo Dong, Elder Gu won't fight with us. Let him take care of that kid and vent his anger..."

Seeing Huo Yuanting speak, Huo Dong slowly stepped back!

Gu Tianchao faced Chen Ping, his eyes slightly condensed, and asked in a cold voice: "Boy, do you still remember me?"

"I don't remember you, a trash like you who doesn't even spare children..."

Chen Ping said with a faint smile!

When Chen Ping said this, he obviously remembered it, but he was just angry at Gu Tianchao!

“Boy, don’t be arrogant, I will make your life worse than death today...”

After Gu Tianchao finished speaking, a burst of black mist filled his palms!

The black mist turned into two fierce ghosts, rising into the sky, intertwining and circling each other, and making bursts of ghostly chirps as they rose!

This sound made everyone feel a chill.

“Shuanggui Wentian, Mr. Chen, be careful...”
