

The Order 6671

Chapter: 6671

When Elder Cui saw the spell performed by Gu Tianchao, he was shocked and reminded Chen Ping!

Chen Ping had just saved one of his lives, and Elder Cui was very grateful!

I saw those two fierce ghosts rushing into the sky. In a moment, the entire sky changed color, and then a ghostly face bigger than the Ziyang Gate appeared in the air!

The ghost face has a big mouth, looking down at all the people below!

Seeing this huge grimace, everyone was frightened!

“Boy, please accept the baptism of the Ghost King!”

Gu Tianchao looked at Chen Ping with a sneer and said!

“Ghost King?” Chen Ping smiled disdainfully: “You’ve deceived others with just illusions, how could you deceive me...”

After Chen Ping finished speaking, golden light suddenly appeared on his body, and with a dragon roar, a golden dragon appeared and hovered above Chen Ping’s head!

Now that his identity has been exposed, Chen Ping has nothing to fear!

I saw the golden dragon flying into the sky and spitting out a lot of flames towards the huge ghost face!

Under the impact of the golden dragon, the grimace collapsed and disappeared instantly!

Gu Tianchao was startled and his brows instantly furrowed!

“It’s rude to come and not reciprocate...”

After Chen Ping finished speaking, the origin of illusion in the origin stars began to rise and flicker!

Chen Ping, who has understood the origin of illusion, Gu Tianchao still wants to use illusion to confuse Chen Ping, which is simply ridiculous!

With the explosion of the source of illusion, Gu Tianchao’s face was startled, and he instinctively wanted to retreat, but before he could retreat, everything in front of him suddenly went dark!

Then the screen turned, and an old man with white hair appeared, looking at him majestically!

“Father.....”

Gu Tianchao’s face was full of shock, and then he started crying: “Father, I actually saw you!”

In the eyes of everyone, they saw Gu Tianchao’s expression suddenly change, and then he kept calling Chen Ping his father!

This sudden scene made many people couldn’t help laughing!

Everyone obviously knew that Gu Tianchao was under an illusion!

“Little...Mr. Chen, your illusion is really powerful!”

Chapter: 6672

Zhu Ling approached Chen Ping and said with a smile!

She just wanted to get close to Chen Ping and take a good look at Chen Ping!

Zhu Ling wanted to continue calling Junior Brother Chen Ping, but she found something was wrong, so she quickly changed her tune!

“Senior Sister, just call me Junior Brother. No matter who I am, am I not your Junior Brother?”

Chen Ping smiled lightly at Zhu Ling and said!

Zhu Ling was already full of love at this moment, and she nodded quickly and said: “Yes, you will always be my little junior brother!”

Chen Ping actually had time to flirt with Gu Tianchao, which made Huo Yuanting and his son very angry!

But at this time, in Gu Tianchao’s eyes, his wife actually appeared and flirted with his father!

This made him very angry!

“Father, you actually had an affair with your own daughter-in-law. You cheated on me because I missed you for so many years. I’m going to kill you...”

Gu Tianchao shouted that he would follow Chen Ping to the death!

Chen Ping waved his hand, and a formation instantly enveloped Gu Tianchao. In the formation, Gu Tianchao himself was jumping up and down like a monkey, yelling!

Everyone couldn’t help but laugh out loud. Chen Ping used illusions to make Gu Tianchao wear a cuckold, which was put on by his father!

This kind of stimulation and blow is probably difficult for Gu Tianchao to bear. Even if the illusion array is dispersed and Gu Tianchao regains consciousness, he will probably be greatly stimulated!

Huo Yuanting and Huo Dong looked at Gu Tianchao’s embarrassment, not to mention how embarrassed he was at this moment!

They also didn’t expect that Chen Ping’s formation skills were even more powerful than Gu Tianchao’s!

“Boy, I didn’t expect that you are still an array master, but even if your array is powerful, you will never leave our Ziyang Sect today!”

“I have decided on the hundred-year sacrifice of the Demon-Sealing Alliance...”

Huo Dong stepped forward and looked at Chen Ping coldly and said!

Huo Dongdu, who was at the peak of the Tribulation Realm, did not even have the Mahayana Realm, but dared to challenge Chen Ping, it was also because of the Divine Fire Seal in Huo Yuanting's hand!

Another point is that he doesn't believe that Chen Ping is talented and smart, and a fourth-level monk in the Tribulation Realm can beat him at the peak of the Tribulation Realm!

As for the tragic death of Elder Tu, it was entirely because of the demon soul in Chen Ping's sea of consciousness. This was not Chen Ping's true strength!

"What, you still want to show off to me?"

When Chen Ping saw Huo Dong coming forward, he raised the corners of his mouth slightly and said with disdain!

Chapter: 6673

"Yes, the hundred-year tribute from the Demon-Sealing Alliance is worth my while!"

Huo Dong sneered!

"You're just dying in vain. Even the elder of the Grimace Sect is no match for me. Who are you?"

"I think it's better to let your father take action. You're still a bit unworthy!"

Chen Ping said contemptuously!

“Hmph, you are too crazy. Whether I am worthy or not, you will know after trying it!”

After Huo Dong finished speaking, he flew into the air with a whoosh and looked down at Chen Ping!

“Junior brother, don’t be fooled. This Huo Dong is very insidious. I’m here to meet him...”

Zhu Ling stopped Chen Ping and prepared to meet Huo Dong in person!

Zhu Ling, who is in the ninth level of the Tribulation Realm, is not much worse than Huo Dong, and she can still fight with Huo Dong!

“Senior sister, don’t worry. He’s like this. I beat him until he knelt down and called daddy.”

“Isn’t this kid always harassing you and teasing you? I’m going to kill him today so that he won’t be able to tease women for the rest of his life.”

Chen Ping said with a faint smile!

Facing Huo Dong, Chen Ping was still confident!

“Don’t be careless. Huo Dong obviously has evil powers, and they have the Divine Fire Seal in their hands. The Divine Fire Seal can restrain the Ultimate Fire. The Ultimate Fire on your body will be useless by then.”

The old sect leader reminded Chen Ping!

Although Chen Ping has several kinds of ultimate fire in his body, and the old sect leader has seen it, Huo Yuanting has the divine fire seal in his hand. If the critical moment comes, Huo Dong will definitely use this divine fire seal. At that time, Chen Ping's It's useless when it comes to fire!

"Don't worry, old master, even if they come together, I'm not afraid!"

Chen Ping said with a smile.

Although Chen Ping was bragging, everyone could tell, but the old sect leader felt so comfortable listening to Chen Ping bragging!

Especially Zhu Ling, her eyes were full of admiration when she saw Chen Ping bragging!

"Junior brother, senior sister believes in you. No matter what the outcome is, senior sister will stand with you!"

Zhu Ling said while making secret glances!

This almost made Huo Dong angry to death in mid-air!

Chapter: 6674

Chen Ping brags and praises his father and son, but now Zhu Ling is giving Chen Ping secret looks in front of him!

You must know that Huo Dong has always been thinking about Zhu Ling and wants to get Zhu Ling!

As a result, he failed to get it. Chen Ping had only been here for a few days, and Zhu Ling was about to throw herself into his arms!

“Chen Ping, if you don’t want his mother-in-law and mother-in-law, you have the ability to fight me to the death!”

Huo Dong roared angrily, and the aura on his body burst out!

Chen Ping was stunned, and instantly flew into the sky, then suspended in the air, following Huo Dong looking at each other from a distance!

Huo Dongdu’s aura at the peak of the Tribulation Realm burst out without hiding it!

Chen Ping is bursting with the aura of the fourth level of the Tribulation Realm. This is all his strength!

For a moment, black clouds swept across the sky, strong winds roared all around, and waves of invisible pressure caused many disciples of the Ziyang Sect to retreat one after another!

Even the disciples with low strength turned pale and vomited blood!

The aftermath of such a powerful duel could kill many people!

“Elder Cui...”

The old sect leader shouted, and Elder Cui immediately understood what he meant. He made a hand seal and a huge formation slowly formed, surrounding Chen Ping and Huo Dong!

At the same time, the old sect leader and Huo Yuanting took action at the same time, and light curtains rose into the sky, directly cutting off everyone!

Whether it is the old sect leader or Huo Yuanting, although they have different political views, no one wants the Ziyang Sect to end!

By isolating in this way, the aftermath of a fight between two people can be avoided, which could injure many disciples of the Purple Flame Sect!

“Chen Ping, I don’t know where you got the courage to say such awesome things, but I will let you have a taste of my power!”

After Huo Dong finished speaking, bursts of black energy emerged from his body, and instantly the black energy turned into a long sword, which was held by Huo Dong.

At the same time, Huo Dong’s face began to become a little distorted, and a ghostly face appeared on Huo Dong’s face!

Now, no need to say anything else, all fools know who is colluding with the Ghost Face Sect!

The dirty water that Huo Yuanting poured on the elders and the others is now self-defeating!

“Huo Yuanting, your son is actually a member of the Ghostface Sect. You still dare to slander others. It’s so shameless...”

The old sect master turned red with anger and cursed at Huo Yuanting!

Huo Yuanting said nothing and looked at the battlefield solemnly!

Chapter: 6675

If Huo Dong showed signs of being defeated, he would throw the divine fire seal to Huo Dong without hesitation.

The Divine Fire Seal has been recognized as the master, and Huo Dong and Huo Yuanting have the same bloodline, so there is absolutely no problem for Huo Dong to use the Divine Fire Seal!

“Look at you, whether you’re human or not, whether you’re a ghost or not. It makes me feel sick to compete with you!”

Chen Ping curled his lips and took out the Dragon Slaying Sword!

“Let me see how stubborn you can be...”

Huo Dong shouted angrily, and the black energy in his body exploded instantly, and the world was directly enveloped in thick black mist!

Huo Dong turned into a giant black beast, holding a long sword, and came towards Chen Ping!

The body, which is dozens of feet tall, is like a hill in front of Chen Ping!

It seemed as if the entire black mist was filled with the figure of Huo Dong!

The long sword that was swung was more than ten feet long, tearing the void instantly, emitting a hellish roar!

Facing Huo Dong's attack, Chen Ping's eyes narrowed slightly!

Despising the enemy in terms of momentum and attaching importance to the enemy in tactics, Chen Ping will not really underestimate every enemy!

The Dragon-Slaying Sword is radiant with light, and mysterious Taoist auras are emanating from the Dragon-Slaying Sword!

"Nine Shadows Sword Technique....."

Chen Ping's eyes flashed with a gleam, and he waved the Dragon-Slaying Sword!

Buzz!

On both sides of Chen Ping, white light flashed instantly, and Chen Ping appeared one after another!

There are six Chen Pings, all holding dragon-slaying swords!

These six Chen Pings have the same aura and appearance!

The six swords all pointed at the black giant beast that Huo Dong had transformed into!

Everyone was stunned when they saw six identical Chen Pings suddenly appearing!

“What...what’s going on? Why are there six junior brothers?”

Zhu Ling was stunned!

She likes Chen Ping, but with so many Chen Pings appearing at once, which one does she like?

Chapter: 6676

Which one is true?

If these Chen Ping are true, I can’t bear it...

Zhu Ling blushed as she thought about it!

Looking at the blushing Zhu Ling, the old sect leader seemed to have thought of something and hurriedly said: “Silly daughter, these Chen Pings are just illusions. They are all phantoms. There is only one real Chen Ping!”

Huo Yuanting was also stunned for a moment before showing a sneer!

Using this kind of illusion to scare people is simply in vain!

In the face of absolute strength, all illusions are in vain!

Just when Huo Yuanting smiled coldly, all six Chen Ping moved!

Swish, brush, brush!

Six sword qi came out vertically and horizontally, and the sword qi flashed with golden light for a while, followed by the domineering black sword, which continued to collide and explode!

Storms set off between heaven and earth, constantly bombarding the surrounding light curtain shields. Without this light curtain shield, I don't know how many Zi Yan Sect disciples' lives would be endangered!

And just when the sky was dark, a figure slowly emerged from the black mist and came to the edge of the light curtain.

When everyone saw it, it turned out to be Chen Ping!

When Chen Ping came to the edge of the light curtain, he was still smiling at Zhu Ling!

At this time, everyone was stunned, and the old sect leader also rubbed his eyes, his face full of disbelief!

Six identical Chen Pings, holding dragon-slaying swords, collided and fought fiercely with the black giant beast transformed by Huo Dong!

But another Chen Ping appeared here, with a relaxed look on his face, and he smiled at Zhu Ling from time to time!

what is happening?

Zhu Ling was also confused and looked at the old sect leader: "Dad, didn't you say it was an illusion? Didn't you say that those were all phantoms? Could it be that phantoms also have fighting power?"

"This..." The old sect leader was speechless when asked.

“Senior Sister Zhu Ling, maybe what we are seeing now is all illusion. How can there be so many Chen Pings in the world, even if they are multiple twins, it is impossible.”

“It’s fake. That Chen Ping who is laughing with you must also be fake. The illusion caused the illusion we saw!”

Wei Qing stepped forward to explain and help the old sect leader out of the siege!

When Zhu Ling heard it, she felt it made sense and nodded!

Chapter: 6677

“Elder brother, what are you talking about? Who is the fake? I am standing here with flesh and blood, and if you say I am a fake, I will ignore those eyes of yours.”

Chen Ping said to Wei Qing speechlessly!

Although there is a light screen shield, it does not block the sound. Chen Ping heard Wei Qing’s words clearly, so he spoke!

“Fuck, little junior brother, is this all true?”

Wei Qing was immediately shocked!

Zhu Ling was also shocked, and hurriedly ran over, looked closely at Chen Ping, and then asked: “Junior brother, you are chatting with us here. Who are the six people who followed Huo Dong in the black mist?”

“Senior sister, of course it’s me too, those are all my clones!”

Chen Ping said!

“Clone?” Zhu Ling was stunned and felt a little incredible: “Junior brother, have you ever used your clone to find me?”

“For example, you are with Junior Sister Qian, and then you use your clone to find me...”

“Senior sister, what are you thinking? This clone of mine will only be used in battle, and it can’t be too far away from the main body.”

“The various spiritual powers consumed by the clone now are all provided by my main body. Do you really think that my clone can act independently!”

“If I could act independently, wouldn’t there be several of me, and I could be with many women at the same time...”

Chen Ping did not continue, but Zhu Ling understood, rolled her eyes at Chen Ping, and ran away with a blush!

“Chen Ping, your clone is so powerful. While you were dealing with Huo Dong, you still had the leisure to chat!”

The old sect leader stepped forward in surprise and said!

“Then Huo Dong is just a strong person but has no real ability. That’s why I am so relaxed!”

Chen Ping smiled lightly and said!

This Huo Dong is far inferior to Mu Qing of the Mu family, and even compared to Mu Nayi, he is still inferior!

Chen Ping beheaded Mu Nayi, and Huo Dong was no longer a problem!

Huo Yuanting looked at Chen Ping who was talking and laughing, and then looked at the six identical Chen Pings fighting with Huo Dong in the black mist. At this moment, he was greatly shocked and shocked in his heart!

He suddenly had a bad feeling. Maybe his son, who was at the peak of the Tribulation Realm, might not be able to defeat Chen Ping!

A person who is only at the fourth level of the Tribulation Realm can be killed by the Demon-Sealing Alliance using a century-old technique. He must have some real ability, otherwise it would not be worth the hundred-year tribute from the Demon-Sealing Alliance!

Huo Dong looked around at the several figures of Chen Ping who were fighting with him, with horror in his eyes!

Chapter: 6678

He also didn't expect that Chen Ping, a guy at the fourth level of the Tribulation Realm, could have such a method!

"Humph, don't think that you are the only one who can clone..."

Huo Dong snorted coldly, the black aura on his body dissipated instantly, and the grimace he wore began to glow!

Huo Dong took out a token as black as ink from his arms and crushed it in an instant!

For a moment, the void was distorted, and shadows were reflected in the void. Each shadow was wearing a black robe and had a grimace on its face.

The shadows gradually solidified, and then slowly fell next to Huo Dong!

When Chen Ping saw this, he stopped talking and shook the dragon-slaying sword in his hand!

Between heaven and earth, invisible sword energy began to condense in an instant, and the Dragon-Slaying Sword exuded a dazzling brilliance!

This brilliance is getting stronger and stronger, and the void around is trembling!

“Chen Ping, these clones of yours are borrowing the power of your body, but these clones of mine will not consume any of my strength.”

Huo Dong laughed ferociously, waved his hand and said: “Kill him...”

Those ghost-faced robes waved their swords and rushed directly towards Chen Ping!

For a moment, Chen Ping’s clones fought with these ghost-faced robes!

Chen Ping just glanced at it and discovered that these were not the clones of Huo Dong, but some demon souls!

The token that Huo Dong pinched just now should be used to summon these!

If these people were all real disciples of the Ghost Face Sect, they would not have been able to teleport here so quickly!

There are very few formation masters in the world of gods and humans. It is estimated that not many people can set up a teleportation formation that can move so many people instantly!

What's more, the teleportation formation needs to be arranged in both directions. There is no teleportation formation here at Ziyang Sect. Therefore, even if the Ghostface Sect has a teleportation formation, it is impossible to teleport so many people here instantly!

The only explanation is that these ghost-faced robes are spirits such as demon souls. Huo Dong crushed the token and released these demon souls!

Thinking about it, Elder Tu also released a lot of demon souls at that time. It seems that the Ghost Face Sect is good at fostering demon souls!

Thinking of this, Chen Ping withdrew his clone, and at the same time his consciousness dispersed instantly!

At this moment, Chen Ping's entire sea of consciousness is open!

Huo Dong was stunned. He didn't understand what Chen Ping was trying to do. He suddenly recalled his clone and dispersed his consciousness.

"Could this guy use his spiritual sense to detect these ghost-faced robes that I summoned?"

Chapter: 6679

Thinking of this, Huo Dong suddenly raised the corner of his mouth!

Then let those ghost-faced robes swarm towards Chen Ping. Now that Chen Ping has let go of his spiritual consciousness and opened the sea of consciousness, these demon spirits can invade Chen Ping's body and directly occupy Chen Ping's sea of consciousness!

By then, even if Chen Ping is immortal, he will become an unconscious body, which will be much easier to deal with!

And what Chen Ping wants is this result. He used this method to fool Elder Tu, and now he lets Huo Dong be fooled again!

The demon soul that can control Chen Ping's sea of consciousness does not exist in the entire heaven and human world!

Not even the demon soul of Demon Lord Chiyun can control Chen Ping's sea of consciousness. This is the Demon Lord of Heaven!

These garbage demon souls from the human world still want to control Chen Ping's sea of consciousness. What are they thinking!

Several demon souls entered Chen Ping's sea of consciousness, and Chen Ping's body stopped moving for a moment!

However, after these demon souls entered Chen Ping's sea of consciousness, they immediately slapped Demon Lord Chiyun to death, leaving them with no ability to resist at all!

Seeing Chen Ping suddenly stop moving and his eyes were dull, Huo Dong smiled!

“Hahaha, you bastard, this is not my clone. These are the demon souls I summoned. How dare you use your spiritual sense to detect them.”

“Now that your consciousness is open, if my demon soul invades your consciousness, you will immediately become a fool!”

Seeing Chen Ping like that, Huo Dong laughed crazily!

He felt that Chen Ping was too stupid!

When the old sect master and the others saw this scene, they looked worried!

You must know that the old sect leader himself was tortured to death by a demon soul. He was crazy all day long and could only wake up a little late at night!

But now Chen Ping has been invaded by several demon souls into the sea of consciousness. Can he still wake up?

Huo Yuanting felt a little relieved when he saw that Chen Ping was controlled by the demon soul invader!

“Son, stop chirping, cut off Chen Ping’s head, and go to the Demon Sealing Alliance to receive the reward...”

Huo Yuanting said to Huo Dong!

Huo Dong nodded, holding a black long sword. After approaching Chen Ping, he slashed at Chen Ping with one strike!

But just when Huo Dong's sword was about to land on Chen Ping's neck, Chen Ping's figure suddenly disappeared!

Huo Dong was stunned and felt a sudden danger coming from behind him.

When Huo Dong turned around, he saw Chen Ping's huge palm swiping away!

Chapter: 6680

Snapped!

Huo Dong had no time to dodge and was whipped away. His whole face was deformed by the whip!

Huo Dong fell heavily to the ground and struggled to get up, but the teeth in his mouth fell to the ground!

"You...you are not controlled by the demon soul?"

Huo Dong looked at Chen Ping in shock!

"Control your mother, you only have a few demon souls, and you still want to control me. You forgot to warn you that there are more powerful demon souls in my sea of consciousness."

Chen Ping smiled lightly and said!

Huo Dong's face became very ugly. Elder Tu did indeed say that at that time, and Chen Ping was still controlled by the demon soul. This was the reason why Elder Tu and others suffered!

Huo Dong actually forgot about it. When he thought that so many of his demon souls would end like this, Huo Dong felt very distressed!

“Chen Ping, don't be proud, I will definitely kill you...”

Huo Dong roared angrily, and black energy emitted from his body again. Once the black energy appeared, it boiled and boiled like boiling water!

It seemed that there were countless ferocious beasts in the black mist, and then a python with its head and eyes glowing red and spitting out a red letter appeared!

These pythons are all extremely dark and blend into the black mist. If it weren't for the eyes and the red letter, it would be hard to tell them apart!

One of the pythons was dozens of feet long, its head was bigger than the main hall of Ziyang Sect, and its body kept spiraling into the sky!

Seeing this, Chen Ping raised his dragon-slaying sword, and thousands of sword lights shot into the sky!

The sword light passed through the black fog, and screams were heard instantly, and pythons died one after another!

And the huge python opened its mouth with blood and swallowed those sword lights into its belly in an instant!

Chen Ping was slightly stunned and found that the python seemed not to be afraid of the sword light, so he put away the Dragon Slaying Sword and jumped up!

Chen Ping's body was shining with golden light!

At this time, the sky was instantly covered with dark clouds, and lightning flashed across the sky!

"Thunder Palm..."

Chen Ping slapped the python with his palm!

In the Thunder Palm, thunder and lightning kept bursting out with fire!

Thunder and lightning struck the python one after another, causing the python to lose its attack instantly!
