

The Order 6681

Chapter: 6681

Then, under the thundering palm, it suddenly collapsed and dissipated!

Even the black mist dissipated in an instant!

This palm shocked everyone instantly!

One palm actually triggered the power of thunder, which is simply unbelievable!

“The origin of thunder and lightning, only a fourth-level Tribulation Realm master, actually mastered the origin of thunder and lightning. It’s incredible!”

The old sect leader saw that the thunder and lightning used by Chen Ping were all the original power!

Huo Dong looked at Chen Ping with a gloomy expression, the muscles on his face kept beating!

Elder Yu and the others were also shocked. The skills and strength that Chen Ping displayed were definitely not something that the fourth level of the Tribulation Realm could display!

“Son, use the fire...”

Huo Yuanting reminded Huo Dong!

Huo Dong now possesses three types of ultimate fire, two types of ultimate fire from the Ziyang Sect, and the demon clan's ultimate fire!

The power of the three ultimate fires is definitely not something Chen Ping can bear!

In this regard, Huo Dong is better than the other members of the Ghostface Sect. After all, the other members of the Ghostface Sect do not have the two ultimate fires of the Ziyang Sect!

Huo Dong nodded, and three kinds of ultimate fire instantly appeared around him, and then continued to surround Huo Dong!

The heat wave erupted from the three types of ultimate fire, even with a light curtain shield, was unbearable for many people and they retreated one after another!

"This Huo Dong has mastered three kinds of ultimate fire. Now we are in trouble..."

When Wei Qing saw this, he began to worry about Chen Ping.

Zhu Ling also clenched her fists, her eyes full of worry!

The old sect leader looked at him quietly with a smile on his face. Chen Ping had more Supreme Fires than Huo Dong!

"Do you want to compete with me?"

Chen Ping raised the corner of his mouth and whirred, all six fires ignited around Chen Ping!

Six supreme fires formed a circle, flowing with different colors, like divine light, surrounding Chen Ping in the middle!

“Six Paths to Fire?”

When Huo Dong saw this, his eyes suddenly widened with disbelief on his face!

Chapter: 6682

Huo Yuanting was also shocked. He never expected that Chen Ping actually possessed the Six Paths of Ultimate Fire!

Wei Qing and the others were also shocked!

Zhu Ling looked at Chen Ping with eyes that had already fallen for her. She already loved Chen Ping to death!

“You...you...how do you have so much ultimate fire? You actually have the demon supreme fire!”

Huo Dong swallowed his saliva and asked!

“Why can’t I have the ultimate fire of the demon clan?” Chen Ping smiled lightly: “You like to play with fire, today I will let you taste the taste of ultimate fire.”

Chen Ping slowly raised his arm, and the void in front of him seemed to open a door of light. Six rays of fire were like arrow feathers, rushing towards Huo Dong!

Seeing this, Huo Dong waved his palms with all his strength and unleashed three powerful fires, but he knew that this would not be able to stop Chen Ping’s attack at all!

“Son, catch the divine fire seal...”

Upon seeing this, Huo Yuanting hurriedly threw the divine fire seal in his hand towards Huo Dong!

Huo Dong caught the Divine Fire Seal, and a drop of blood instantly entered the Divine Fire Seal!

Originally, Huo Dong and Huo Yuanting had the same bloodline, so they could easily identify their master with the Divine Fire Seal!

Huo Dong raised the Divine Fire Seal high in his hand, and an invisible vortex immediately formed in the Divine Fire Seal. Chen Ping’s Six Paths of Ultimate Fire actually began to be absorbed by the Divine Fire Seal, and the flame breath on the Ultimate Fire was peeling away little by little. , was sucked into the Divine Fire Seal!

Seeing this scene, Chen Ping was not surprised at all!

Huo Dong’s face was full of excitement, and his body was trembling a little when he looked at the divine fire seal in his hand!

“Hahaha, I have the divine fire seal in my hand. Even if you have sixty fires, it’s useless!”

Huo Dong laughed crazily: “Don’t you have the Six Paths of Ultimate Fire? Then I’ll let you taste the Ultimate Fire!”

Huo Dong held up the Divine Fire Seal, and then a ball of flame burst out from the Divine Fire Seal!

This flame is not some kind of ultimate fire, but more like a fusion of multiple ultimate fires!

When Chen Ping saw this flame, his eyes suddenly lit up: "This divine fire seal can really fuse the ultimate fire..."

Chen Ping smiled. The ultimate fire that was sucked away by the Divine Fire Seal actually merged directly into the Divine Fire Seal, and now it is coming towards Chen Ping!

"I'm not afraid of fire at all. I'm not afraid of any kind of flame."

After Chen Ping finished speaking, suddenly balls of red flames appeared around his body!

The True Fire Body is activated, and the flames at this time cannot hurt Chen Ping at all!

Chapter: 6683

"True Fire Dharmakaya..."

When the old sect master saw this scene, his eyes widened and his mouth opened wide with an expression of great surprise!

"Father, what is the True Fire Dharmakaya?" Zhu Ling asked in confusion!

"This is a long-lost method of our Ziyang Sect. I wonder how it was practiced by Chen Ping?"

The old sect leader was very puzzled. After all, Chen Ping had only come to Ziyang Sect not long ago!

Huo Yuanting was also surprised when he looked at Chen Ping's True Fire Body!

"Dad, what kind of skill does this kid have? He's not afraid of fire!"

Huo Dong was immediately confused when he saw that Chen Ping's body was like an immortal descending, not afraid of the fire!

You must know that he is not afraid of the ultimate fire because of the Divine Fire Seal. But Chen Ping has no treasures. He is not afraid of the ultimate fire just by using the skills. That is so awesome!

And it seems that the skills performed by Chen Ping are very unique and mysterious!

"True Fire Dharma Body, the lost True Fire Dharma Body of our Ziyang Sect, how could this guy know it? How could he know the True Fire Dharma Body?"

"Strange, so strange, why on earth?"

Huo Yuanting couldn't understand why Chen Ping, a guy who had only been in Ziyang Sect for a few days, could master the True Fire Dharma Body?

"What is the True Fire Dharmakaya?"

Huo Dong asked!

"The True Fire Dharma Body is the secret skill of the first sect leader of the Ziyang Sect. However, the first sect leader suddenly disappeared, and the True Fire Dharma Body has been lost for a long time. Fortunately, our Sutra Pavilion has records, but they are incomplete. , no one can practice it."

“I wonder where this kid learned the True Fire Dharma Body. Is the first leader of our Ziyang Sect still alive?”

Huo Yuanting frowned, puzzled!

Huo Dong was also stunned when he heard that what Chen Ping was using was the Zi Yan Sect's secret skill!

How could this Chen Ping know the unique skills of Ziyang Sect!

However, seeing that the fire could not cause any harm to Chen Ping, Huo Dong was holding the divine fire seal with murderous intent on his face, and black energy began to fill his body!

Huo Dong used the divine fire seal to resist Chen Ping's ultimate fire attack, while using his own methods to target Chen Ping!

Since Chen Ping is not afraid of getting angry, he will use other methods!

As long as the Divine Fire Seal is in his hand, Chen Ping will not pose much threat or harm to him!

Chapter: 6684

Waves of ghost chirps sounded around Huo Dong, and the entire Ziyang Sect seemed to have become a purgatory on earth. These ghost chirps seemed to come out of hell, crying out for injustice!

The sound is very harsh and penetrating. Every sound makes people's eardrums feel like they have been punctured!

Many people covered their ears and had goosebumps all over their bodies!

In this hot Ziyang Gate, listening to the chirping of ghosts, everyone trembled, as if they had fallen into an ice cave!

As strange black energy continued to rise in the void, the entire formation space was filled with black mist!

If there is no light curtain to block it, these black mist will engulf the entire Ziyang Gate!

However, the light curtain could not block the sound, and the ghostly chirping made many Ziyang Sect disciples unable to bear it, and blood flowed from their ears!

What's more, his mind was a little uneasy, as if he was stupid or scared!

"What kind of technique is this? The sound alone can make people delirious?"

"This is the voice of hell of the Ghost Face Sect. It is said that only monks in the Mahayana realm can perform this kind of technique. But this Huo Dong is only at the peak of the Tribulation Realm. How could he possibly perform it?"

The old sect master frowned slightly and said!

He has the most dealings with the Ghost Face Sect, and often fights with people from the Ghost Face Sect, so he knows the best about some of the Ghost Face Sect's techniques!

"Dad, this technique looks very bluffing, but can you kill someone with your voice?"

Zhu Ling asked very puzzledly!

“You don’t understand. This kind of sound is not a means of killing people, but it is used to influence people’s minds and disrupt their judgment. Huo Dong will take action later and it will be unexpected.”

The old sect master said with some worry!

“What should I do? How can this Huo Dong perform the techniques of the Mahayana realm? He is not in the Mahayana realm?”

When Zhu Ling heard this, she said nervously!

The old sect master stared at the Divine Fire Seal in Huo Dong’s hand, and said thoughtfully: “If my guess is right, it must be because of the Divine Fire Seal. This Huo Dong suddenly returned to Ziyang Sect and was in such a hurry. To find the Divine Fire Seal, you should rely on the Divine Fire Seal to break through to the Mahayana realm.”

The old sect leader’s analysis was correct. Huo Dong relied on the Divine Fire Seal to perform this kind of skill, and Huo Dong was already on the verge of a breakthrough at this moment!

After listening to the words of the old sect leader, Zhu Ling looked at Chen Ping nervously, and then shouted loudly: “Junior brother, be careful, Huo Dong is very likely to break through to the Mahayana realm, you must be careful...”

The light curtain could not isolate the sound, so Chen Ping could hear Zhu Ling’s voice clearly!

Hearing Zhu Ling remind him, Chen Ping turned to look at Zhu Ling and smiled and said: “Thank you, senior sister, for reminding me. Even if he really breaks through to the Mahayana realm, I am not afraid. I will beat him until he calls daddy...”

“Boy, suffer death...”

Chapter: 6685

Huo Dong suddenly turned red with anger after hearing Chen Ping's words!

Black mist continued to spread, wrapping Chen Ping's entire body!

Chen Ping grabbed the Dragon-Slaying Sword and watched the silky black mist gathering around him. Chen Ping slashed out with one sword!

The black mist was cut off directly, which made Chen Ping slightly stunned!

But soon, the black mist slowly gathered again from the place where it was cut off!

"This is not mist..."

Chen Ping frowned slightly!

As soon as he struck the sword, he knew that the diffuse black mist in front of him looked like mist, but it was not mist at all!

But just when Chen Ping was thinking, suddenly from the black mist, a huge black claw came towards Chen Ping, accompanied by Ruan's ghostly chirping sound!

The slender claws went straight to Chen Ping's heart, apparently intending to hit Chen Ping to death.

When Chen Ping saw this, he swung down the dragon-slaying sword in his hand, his claws were cut off directly, and then fell to the ground!

But after the paw fell to the ground, it instantly turned into a black mist and disappeared!

But the next moment, more sharp claws came towards Chen Ping. The dragon-slaying sword in Chen Ping's hand kept waving. As long as these sharp claws were cut off, these sharp claws would turn into black mist again!

When Chen Ping saw this, he fired two balls of fire. He knew that these things were afraid of fire, so just use fire to burn them!

But after the two balls of ultimate fire were fired, there was no sound in an instant, and they were all sucked away by Huo Dong using the divine fire seal!

“There is indeed something about this technique...”

Chen Ping was obscured by countless black fogs. In addition to the shrill ghosts, he was also attacked from all directions from time to time!

No matter how Chen Ping fought back, he couldn't kill the thing in the black mist!

Zhu Ling looked at everything and suddenly became nervous. It seemed that just like what her father said, Huo Dong's attack would come unexpectedly!

“Dad, please give me some advice, what should I do?”

Zhu Ling is anxious!

It was not easy to meet Chen Ping. She was Chen Ping's little fan. If Chen Ping died like this, she would be sad!

The old sect leader looked at the battle in front of him, but smiled slightly and said: "Don't worry, haven't you seen that Chen Ping is very confident? He is just playing with Huo Dong now!"

"No matter what methods Huo Dong uses, Chen Ping doesn't seem to care very much. He should have been aware of it for a long time."

Chapter: 6686

Chen Ping was indeed confident that he still had a trick that was useless, which was the Soul Seal of the Divine Fire Seal. Although Huo Dong held the Divine Fire Seal and recognized his master, it was of no use at all. It was just an empty shell!

As long as Chen Ping sacrifices the soul of the Divine Fire Seal, the Divine Fire Seal will be in his hands immediately, and he will also take the initiative to claim its owner!

After all, Chen Ping surrendered the seal soul. This seal soul is the foundation of the divine fire seal!

The reason why Chen Ping hasn't taken out the Yin Soul yet is because he wants to play with Huo Dong!

At the same time, he also wanted to see what was so powerful about this Grimace Sect!

Chen Ping's two balls of supreme fire just now made no sound, so he erupted all over his body again, emitting a large amount of supreme fire flames!

At this moment, Chen Ping's whole body was like a man on fire!

And after the surrounding black mist encountered the fire, it actually retreated from Chen Ping's body!

Huo Dong sneered, and the Divine Fire Seal instantly produced a huge suction force. All the fire around Chen Ping was instantly absorbed by the Divine Fire Seal!

But Chen Ping didn't panic at all, because sooner or later the divine fire seal would be his, and even if it was absorbed by the divine fire seal, Chen Ping would not lose anything!

At the same time that the ultimate fire on Chen Ping disappeared, two sharp claws attacked again. Fortunately, Chen Ping reacted quickly and cut off the sharp claws with the Dragon Slayer Sword in an instant!

"Hahaha, let me tell you, my technique can wear you to death. I want to see how long you can persist."

Huo Dong held the Divine Fire Seal and said proudly!

When Huo Yuanting saw this, he breathed a heavy sigh of relief. Even if Chen Ping was not beaten to death after this, he would still be eaten alive!

Chen Ping looked at Huo Dong's proud look and smiled coldly: "Do you really think I can't do anything about your broken skills? I'm just coaxing you to have fun."

"In this black mist, there is a multi-legged monster hidden, and these claws are all attacked by the multi-legged monster."

"It's just that the multi-legged monster has merged with the black mist and is invisible at all. In other words, the black mist is not mist. This black mist is part of the multi-legged monster."

Hearing what Chen Ping said, Huo Dong frowned slightly and said in disbelief: "You...how did you know?"

“What? Did I say it right?”

When Chen Ping saw Huo Dong’s expression, he immediately smiled playfully and said, “I guessed it, but I didn’t expect that you would be fooled by this evil pen...”

Seeing this, Huo Dong said with a cold face: “Chen Ping, even if you guess it, you will never be able to kill that monster, because you will never be able to discover it.”

“Whether you can discover it or not is not up to you...”

Chen Ping smiled slightly, and then a red light flashed on his forehead!

Then a strange eye grew rapidly on Chen Ping’s forehead!

Chapter: 6687

“this.....”

Seeing Chen Ping’s strange scene, everyone was stunned!

Huo Dong and Huo Yuanting also looked at it in disbelief. They didn’t understand, how could Chen Ping, who was so good, suddenly grow an eye?

As Chen Ping’s Tianming Eye opened, the whole world turned into a gray mess!

No matter what it is, it is exposed to Tian Ming's eyes!

This is Demon Lord Chiyun's trick. In a small place like the Heavenly and Human Realm, nothing can escape the detection of Tianming Eye!

Under Tian Ming's eyes, the multi-legged monster clearly appeared in front of Chen Ping!

Chen Ping, holding the dragon-slaying sword, instantly stabbed the multi-legged monster's vital parts!

Just now, Chen Ping could only defend passively, so he could only cut off the claws of the multi-legged monster, but could not cause any harm to the multi-legged monster at all!

But it was different now. With the blessing of Tianming Eye, Chen Ping could clearly see the outline of the multi-legged monster.

puff.....

With one thrust of the sword, the Dragon-Slaying Sword instantly penetrated the multi-legged monster's body!

Immediately afterwards, the flames on the dragon-slaying sword rose and violent flames broke out!

The multi-legged monster let out a ghostly chirp and was immediately engulfed in flames.

Seeing this, Huo Dong hurriedly used the divine fire seal to absorb the flames, but the multi-legged monster had already disappeared!

The black fog in the sky also disappeared together!

Looking at the disappearing black mist, Huo Dong felt a little confused!

He didn't understand how much Chen Ping, a fourth-level monk in the Tribulation Realm, knew.

The determination of the Ziyan Sect will be strong!

And the three eyes just now are obviously very powerful skills!

And Chen Ping also possesses six kinds of ultimate fire!

Who is this person? Why does a fourth-level transcending tribulation realm have these things?

Huo Dong was beaten to the point of being autistic by Chen Ping. He used the Divine Fire Seal to display all the techniques that could only be performed in the Ghost Face Sect's Great Journey, but he didn't expect that Chen Ping would easily break it!

"Oh my God, what kind of technique did my junior brother use? Why did he suddenly grow an eye?"

Chapter: 6688

"Isn't this the opening of the eyes of heaven? Is this junior brother the chosen one?"

"Open the Heavenly Eye, definitely open the Heavenly Eye. Look at the light emitted by the divine eye, it has a fairy spirit!"

Seeing Chen Ping's third eye suddenly popping up, many people started talking about it!

When the old sect leader saw Chen Ping's third eye, he instantly became extremely surprised!

Because the moment Chen Ping's third eye appeared, it gave him a feeling of spiritual shock!

Huo Yuanting had a look of shock on his face, his just relaxed mood was heightened again, and he looked at Huo Dong nervously.

"If you have any other abilities, just use them..."

Chen Ping looked at Huo Dong and said with a smile!

Huo Dong's eyes narrowed slightly. Although he held the Divine Fire Seal in his hand, Huo Dong began to feel fear in his heart!

"Chen Ping, don't be proud. It was you who pushed me to this point. I will let you know that there is no way to bridge the real gap in realms."

"You are only in the fourth level of the Tribulation Realm. No matter how many techniques you know, it will be in vain..."

Rumble.....

Just after Huo Dong finished speaking, bright flames from the Divine Fire Seal continued to pour into Huo Dong's body!

At the same time, the clear sky turned gloomy in an instant, and dark clouds from all directions rushed towards Chen Ping and the others crazily!

Strong winds roared up, and the sky and the earth instantly became dim!

It's like the end of the world is coming!

"Jie Yun? Isn't it possible that this Huo Dong is going to reach the Mahayana realm?"

Seeing the sudden black cloud, the old sect leader said in surprise!

"It looks like this Huo Dong is actually using the Divine Fire Seal to overcome the tribulation. Is he crazy? How dare he overcome the thunder tribulation during the competition?"

Elder Yu also said in surprise!

After all, it is very dangerous to overcome the tribulation. If the opponent interferes with the tribulation during the competition, not only will the tribulation fail, but also his life may be lost!

Zhu Ling and the others were also shocked, so they shouted to Chen Ping: "Junior brother, hurry up and don't let his Thunder Tribulation Cloud take shape."

Huo Dong is at his weakest at this time. If Chen Ping takes action to prevent Huo Dong from crossing the tribulation, he is still very sure of success!

But Huo Dong laughed loudly and said: "You don't have to think about sneak attacks when I am transcending the tribulation. I have already expected it. I have been stuck at the peak of the tribulation realm for a long time, just to use the divine fire seal to help me reach the Mahayana realm." "

Chapter: 6689

"When I truly reach the Mahayana realm, you will be nothing more than an ant in front of me. How can you make up for the gap in the great realm with just a few of your techniques?"

“Just wait to die, and I will let you know how powerful a Mahayana monk is!”

Huo Dong originally didn't want to reach the Mahayana realm when he fought with Chen Ping, but now he has no choice. If he doesn't truly become a Mahayana realm monk, there is really no way to deal with Chen Ping!

“Have you forgotten that your Elder Tu seems to be a Mahayana monk as well, and he was beaten just like his grandson by me.”

Chen Ping said with a faint smile!

Chen Ping didn't seem to be afraid at all of Huo Dong's promotion to the Mahayana realm, and he had no intention of stopping him!

“Hmph, Elder Tu has long said that you rely on the possession of the demon soul to forcibly increase your strength, but this possession of the demon soul has backlash, and your body will soon suffer the backlash.”

“When I advance to the Mahayana realm, let me see if you still have a demon soul to help you!”

Huo Dong snorted coldly!

“Okay, then I'll wait for you...”

Chen Ping watched quietly as Huo Dong improved his cultivation!

And he actually lit a cigarette and smoked it vigorously. It was a pleasure!

Dark thunder clouds filled the sky, and streaks of lightning flashed through the thunder clouds!

“Chen Ping, you have to be careful, this guy is not just trying to overcome the tribulation, he is going to use the tribulation thunder to kill you...”

The old sect leader seems to have seen Huo Dong’s intention!

“Junior brother, stop playing around. This is no joke. Lei Jieyun will attack you. Quickly take action to stop Huo Dong.”

Zhu Ling also reminded nervously!

“Sister, don’t worry, he can attract thunder to improve his cultivation, why can’t I?”

Chen Ping said with a faint smile!

“Don’t be stupid, even if you are attracting thunder to improve your cultivation level now, you are just rising from the fourth level of the Tribulation Realm to the fifth level of the Tribulation Realm.”

“Not to mention whether such a small level of improvement can lead to thunder tribulation, how can a thunder tribulation like yours be better than that of Huo Dong?”

“He has been promoted to the Mahayana realm. This is a big improvement. Lei Jieyun must be very powerful.”

Zhu Ling said anxiously!

The higher the cultivation level, the more severe the thunder disaster will be when the cultivation level is improved. This is common sense that a monk knows!

Chapter: 6690

Chen Ping was only at the fourth level of the Tribulation Realm. How could the thunder and calamity clouds he attracted be greater than that of Huo Dong!

What's more, Chen Ping didn't look like he was going to overcome the disaster at all, and he didn't have any aura of improvement at all!

"His improvement in a big realm may not be as good as mine in a small realm..."

Chen Ping smiled lightly!

Seeing that Chen Ping was still talking and laughing without fear at all, Huo Dong's face became extremely ugly!

"Boy, you will know the power of Thunder Tribulation in a while. Now let me let you scream..."

Huo Dong said coldly.

At this time, the thunder clouds had filled the entire sky, and there were formations and light curtains blocking the surroundings. It was impossible for Chen Ping to escape!

"I don't know if the thunder tribulation is powerful, but I know that your thunder tribulation is definitely not powerful. After all, your strength is not that good..."

Chen Ping mocked Huo Dong.

Huo Dong's face turned red and he sped up the thunder calamity!

The old sect master looked at the increasingly dense clouds of thunder and calamity, his brows knitted together tightly!

Although Chen Ping acted very relaxed, he knew that the Thunder Tribulation Cloud in the Mahayana realm was no ordinary powerful one!

The old sect master personally experienced the Thunder Tribulation Cloud in the Mahayana realm!

Moreover, in the world of gods and humans, half of the monks will die under the thunder and calamity cloud of the Mahayana realm, and there is no way they can survive it!

So now many monks, when they reach the peak of the Tribulation Realm, will choose to use various magic weapons and artifacts as an opportunity to break through to the Mahayana Realm!

In this case, at least there is something that can help block the thunder tribulation. If you directly improve your cultivation and break through to the Mahayana realm, it will be difficult to survive even this thunder tribulation!

“Elder Cui, close the formation, let Chen Ping out, and don't follow that Huo Dongbi.”

The old sect leader said to Elder Cui with a very ugly expression!

The old sect master knew that Chen Ping could not withstand the thunder tribulation of the Mahayana realm no matter what, and he would definitely die under this thunder tribulation!

That's why he asked Elder Cui to close the formation and told Chen Ping not to compete!

As long as Chen Ping escapes from the range of Lei Jie Yun, he will not be attacked by Lei Jie!

After all, the main target of this thunder tribulation was Huo Dong.

However, if someone appears within the range of the Thunder Tribulation Cloud, they will also be attacked by the Thunder Tribulation Cloud!
