

The Order 6691

Chapter: 6691

Elder Cui nodded and was about to close the formation and let Chen Ping come out!

But when Huo Yuanting saw this, he immediately stopped Elder Cui and said with a cold expression: "No one is allowed to move now. If Chen Ping escapes, everyone will die."

"You have to decide whether you want Chen Ping to die or everyone else to die with him."

Huo Yuanting's eyes were full of murderous intent. After all, the old sect leader's side was not strong enough to compete with his side, so he dared to be so presumptuous!

Elder Cui saw this and looked at the old sect master!

The old sect master's eyes narrowed slightly, staring at Huo Yuanting!

"Elder Cui, close the formation and let the junior brother out. If you really want to take action, then do it to the death."

"The Purple Flame Sect will be completely destroyed by then, and no one will be able to become the leader of the Ziyang Sect..."

Zhu Ling only wanted to save Chen Ping, even if she destroyed the Ziyang Sect!

"That's right, even if the Ziyang Sect is destroyed, we will not compromise."

Wei Qing also said loudly!

The disciples of the old sect master all raised their arms and shouted, no one was afraid of death, they all wanted to follow Huo Yuanting and fight to the death!

Even if it means death, Chen Ping must be released first, otherwise the fish will die and the net will be broken!

Huo Yuanting didn't expect that the disciples of the old sect master's lineage would be so strong-willed. He was very angry for a while, but there was nothing he could do!

If all is lost, the Ziyang Sect may disappear into the long river of history!

Elder Cui was also moved, so he wanted to close the formation!

But Chen Ping said: "If I want to escape, how can this formation stop me? Even if the formation is closed, I will not escape, and it will affect other brothers."

"Don't worry, little Huo Dong. If I want him to die, he will never survive. Even if father and son do it together, I won't take it seriously."

Chen Ping stopped Elder Cui from closing the formation!

This formation can't stop Chen Ping, but without this formation, relying solely on the light curtain shield, I'm afraid it will be difficult to block the horrific aftermath, and it will be in trouble if it endangers other disciples of the Ziyang Sect!

Elder Cui didn't know what to do for a moment and could only look at the old sect master!

The old sect leader looked at Chen Ping and saw that there was indeed no trace of panic in Chen Ping's eyes, but also a bit of amusement. Then he waved his hand and told Elder Cui to retreat!

He chose to believe Chen Ping. Maybe Chen Ping really had some secrets that they didn't know about!

After all, Chen Ping gave him too many surprises!

Chapter: 6692

When Huo Yuanting saw that Chen Ping was still giggling, a look of disdain appeared on his lips!

As long as Huo Dong is promoted to the Mahayana realm and has the Divine Fire Seal in his hand, no matter how awesome Chen Ping is, he will not be able to escape the fate of death in the end!

And while Huo Yuanting was quietly waiting for Huo Dong's thunder disaster to come, an extremely angry voice came!

"You brat, if you dare to tease me and make me look embarrassed, I will make your life worse than death..."

Along with the roaring sound, the formations set up around Chen Ping and Huo Dong suddenly shone with light!

So people followed the sound and discovered that it was Gu Tianchao!

This guy fell into Chen Ping's illusion and saw his father and his wife cuckolding him. He was so angry that he went crazy!

But after Chen Ping and Huo Dong competed, no one paid attention to Gu Tianchao, and Gu Tianchao slowly woke up from the illusion!

When he knew that he was being played and so many people were watching, his lungs almost exploded with anger!

Gu Tianchao waved his palms, and the magic formation set up by Elder Cui began to shine, and then the formation patterns on it were constantly changing!

The exquisite formation patterns all turned blood red at this moment, and the red chains locked the formation tightly!

At this time, no one can escape from this formation.

In the void, the red chain continued to rise, shrouding the large thunder cloud!

“Elder Cui, stop him...”

When the old sect master saw this, he immediately shouted loudly!

It’s dangerous enough for Chen Ping to deal with Huo Dong, but now that Gu Tianchao appears again, Chen Ping is definitely no match for the two of them!

However, when Gu Tianchao used the formation, others knew very little about the art of formation, so they could only let Elder Cui stop that Gu Tianchao!

When Elder Cui looked at the formation performed by Gu Tianchao, his eyes suddenly widened and he was stunned on the spot!

“Blood Refining Cage.....”

Elder Cui’s face was full of shock and he didn’t dare to move at all. Then he shook his head towards the old sect leader and said: “This... I can’t stop this formation at all!”

When the old sect master heard this, he became extremely anxious!

Zhu Ling and the others are also very anxious, but there is no point in being anxious, they can’t help at all!

Soon, Chen Ping and Huo Dong were both in the cage, with blood-colored chains directly connecting heaven and earth!

This time, Chen Ping couldn’t escape even if he wanted to!

Chapter: 6693

When Huo Dong saw this, he laughed crazily!

“Hahaha, let’s see where you can escape. Just wait for my thunder trial!”

Huo Dong looked at Chen Ping, his eyes full of pride!

But Chen Ping just looked at Gu Tianchao's formation and said with disdain: "It's a kid's play formation to trap me. It's a joke!"

"If I really want to leave, no one can stop me..."

After Chen Ping finished speaking, he sat cross-legged with no intention of running away!

Seeing Chen Ping actually sitting down, everyone looked confused!

"Junior brother, what are you doing? Why are you still sitting down?"

Zhu Ling asked in confusion!

"It doesn't matter, it's two people dealing with him..."

Wei Qing also had no idea what Chen Ping was going to do!

The old sect leader frowned slightly and stared at Chen Ping!

At this time, the thunder cloud between the heaven and the earth has taken shape, and the thunder disaster may come down at any time!

But Chen Ping was sitting cross-legged on the ground, with no intention of resisting the thunderous disaster!

Huo Dong was already prepared for the coming thunder disaster!

However, the aura around Chen Ping's body is constantly rising!

"Is it possible that he won't be able to break through?"

Seeing Chen Ping's rising aura, Elder Yu said!

The old sect leader also thought about Chen Ping's words just now, and he also wanted to cause a thunder disaster for himself!

But Huo Dong is at the peak of the Tribulation Realm. This is the thunder tribulation of the Mahayana Realm. As long as he survives this thunder tribulation, Huo Dong will reach the Mahayana Realm!

And Chen Ping is only at the fourth level of the Tribulation Realm. Even if he really caused a thunder tribulation, he is only at the fifth level of the Tribulation Realm!

The gap between the two thunder tribulations is still very obvious. It would be too naive for Chen Ping to rely on breakthroughs to resolve the danger at this time!

Huo Dong couldn't help laughing when he saw that Chen Ping was also trying to break through!

Chen Ping still has great difficulty in resisting his own thunder tribulation. If he chooses to break through at this time and endure two kinds of thunder tribulation, wouldn't he be certain to die?

Chapter: 6694

Is Chen Ping going to die with him?

However, the thunder tribulation of the fifth level of Tribulation Realm seemed to be unable to cause any harm to Huo Dong at all!

It was so crazy for Chen Ping to do this at this time. In fact, Chen Ping could completely escape the scope of the thunder tribulation!

Now that Huo Dong is going through a thunderstorm, he can't just run around and chase him!

Chen Ping had time to escape!

But Chen Ping didn't run away, he actually wanted to break through at this time!

"Don't those who disappeared know that the moment of breakthrough is the most vulnerable time?"

"He has to endure two kinds of thunder catastrophes, and his life is at stake..."

Zhu Ling is very worried!

"Daughter, don't worry too much. Since Chen Ping made his own choice, it proves that he knows what he wants."

"Maybe he still has hidden strength that we haven't seen yet. Don't worry..."

The old sect leader comforted Zhu Ling!

Zhu Ling nodded, now she can only wait!

Gu Tianchao directly sealed Chen Ping in the formation. No one could get in, and Chen Ping could not get out!

Soon, the sky that was originally filled with Huo Donglei's calamity clouds began to slowly shrink!

Another piece of thunder and calamity cloud has been suspended in the mid-air for some time!

Rays of golden lightning kept flashing in the thunder clouds!

Although Chen Ping only broke through to the fourth level of the Tribulation Realm, the thunder and calamity cloud he attracted was no weaker than Huo Dong's!

The two Thunder Tribulation Clouds are equally matched, and the Thunder Tribulation Cloud uses flashing thunder and lightning, but Chen Ping's one looks more violent!

Just when everyone was a little surprised that Chen Ping, a fourth-level breakthrough in the Tribulation Realm, could attract such a powerful thunder calamity cloud, the thunder calamity suddenly struck down!

Rumble.....

Chen Ping's thunder disaster and Huo Dong's thunder disaster fell almost at the same time!

Whether it was Chen Ping or Huo Dong, they had no other thoughts at this moment and were focused on resisting the thunder tribulation!

However, Huo Dong has the Divine Fire Seal in his hand, which can help him resist part of the power of the thunder tribulation!

Chapter: 6695

After all, Huo Dong's breakthrough opportunity was because of the Divine Fire Seal!

At this time, thick golden thunder tribulations continued to bombard Chen Ping!

Thunder and lightning kept flashing on Chen Ping's body, but Chen Ping didn't seem to use any breath to resist the thunder!

Let the thunder tribulation bombard you and then slowly disappear!

"What are you doing, little junior brother? Why don't you resist the thunder tribulation? Do you want to use your body to resist the thunder tribulation?"

"It might turn into ashes!"

When Wei Qing saw this, he said in surprise!

But they didn't know that Chen Ping already possessed the origin of thunder and lightning, and his physical body had also reached a very powerful level!

These lightning tribulations bombarding Chen Ping's body will only increase the quenching of Chen Ping's physical body!

Some of them will be absorbed by Chen Ping into his original stars!

This is why Chen Ping is not afraid of thunder disaster at all!

Huo Dong's whole body was filled with flames, and at the same time, the ultimate fire in the Divine Fire Seal was also spreading, scattering the thunder. Huo Dong was resisting the thunder tribulation. It was completely different for him to follow Chen Ping!

At this time, Huo Dong's clothes were flowing freely, and his whole body was filled with the breath of fire, and his whole person was like a burning man!

Huo Dong's body was suspended in mid-air, constantly facing thunder and calamity, and he looked like a god of war!

On the other hand, Chen Ping was sitting cross-legged on the ground and was constantly being bombarded by thunder. His clothes were shattered by thunder and he looked in tatters and very unbearable!

With such a comparison, there is no way Chen Ping can compete with Huo Dong!

But no one knew that Huo Dong was resisting the thunder tribulation, while Chen Ping was taking advantage of the thunder tribulation!

The two of them are not on the same level at all!

What is really incomparable is Huo Dong!

It's just that on the surface, Chen Ping looks embarrassed!

Huo Dong looked down at Chen Ping and couldn't help but feel so happy when he saw Chen Ping's embarrassed look!

Following Huo Dong's instigation, lightning tribulations continued to move towards Chen Ping!

Huo Dong used his thunder calamity to bombard Chen Ping again!

Chen Ping would definitely not be able to withstand the thunder catastrophe in the Mahayana realm!

Chapter: 6696

Chen Ping was so happy when he saw Huo Dong triggering the thunder calamity to bombard him!

It just so happens that he can absorb the thunder tribulation of this Mahayana realm. The power of thunder and lightning in each thunder tribulation is inexhaustible!

Rumble.....

Above Chen Ping's head, lightning tribulation flashed continuously, but Chen Ping closed his eyes slightly and remained motionless.

No one knows whether Chen Ping is dead or alive, but under such an intensity of lightning disaster, the possibility of surviving is not very high!

I don't know how long it took, but the thunder cloud above Huo Dong slowly dissipated!

In the sky, a divine light shone down, and Huo Dong's whole body was bathed in that divine light!

"A breakthrough, my son has a breakthrough..."

“Hahaha.....”

“Awesome...”

When Huo Yuanting saw that divine light, he knew that Huo Dong had passed the thunder tribulation!

This is the scene of ascending to the Mahayana realm!

A palm-sized golden Taoist heart kept flashing in front of Huo Dong’s chest!

This is the most obvious sign of breaking through to the Mahayana realm!

Huo Dong has a Taoist heart, which makes him different from other ordinary monks.

Being above the Tribulation Realm can be called the ladder to heaven.

After the Mahayana realm, you will become an immortal. At this time, the monks are already considered immortals. They can just wait to ascend to the heaven!

The realm of overcoming tribulation is a hurdle. Many monks are stuck in the realm of overcoming tribulation and it is difficult to break through to the Mahayana realm!

Especially there are very few monks who rely on their own cultivation and enlightenment, and then suddenly achieve enlightenment and breakthrough to Mahayana!

Nowadays, many people rely on some kind of magic weapon or treasure as an opportunity to trigger thunder tribulation and break through the last bit of Platycodon!

However, the Mahayana monks who rely on external factors such as magic weapons and treasures to achieve breakthroughs are slightly inferior to the Mahayana monks who rely on their own enlightenment to achieve breakthroughs, both in terms of understanding the techniques and cultivating them!

Seeing that Huo Dong had broken through to the Mahayana realm, everyone in the old sect master's lineage had extremely sad expressions on their faces!

Now that Huo Dong has made a breakthrough, the difference in strength between the two sides has become even greater!

At this time, Chen Ping was still being bombarded by thunder tribulations, and he had suffered countless thunder tribulations. Chen Ping was motionless, and his body even smelled like burnt!

Chapter: 6697

Huo Dong looked down at Chen Ping and snorted disdainfully: "I wanted to kill you with my own hands, but it seems I won't be able to use it anymore..."

Huo Yuanting also looked at Chen Ping with a sneer, not to mention how proud he was!

His son broke through to the Mahayana realm, he became the master of the Purple Flame Sect, and the Divine Fire Seal is still in his hands!

The most important thing is that Chen Ping is also dead, and the hundred-year enshrinement of the Demon Sealing Alliance is about to be obtained!

Everyone was watching Chen Ping's joke, but no one thought that Chen Ping had only broken through to the fifth level of the Tribulation Realm, but this thunder tribulation was much stronger than Huo Dong's Mahayana realm thunder tribulation!

Huo Dong's thunder tribulation ended early, but Chen Ping's thunder tribulation is still bombarding. What does this mean? You don't have to think about it to know!

"Seventy-eight..."

"seventy-nine....."

The old sect master remained silent, counting silently in his heart!

"Father, what are you counting?" Zhu Ling asked!

"Thunder tribulation, Chen Ping has suffered eighty-one thunder tribulations, which are more numerous and fiercer than the thunder tribulations in the Mahayana realm!"

The old sect master said calmly!

After the eighty-one thunder tribulations, the thunder tribulation cloud above Chen Ping also dissipated!

Golden light appeared all over the sky, directly covering a distance of a hundred feet in radius!

"this....."

Feeling the golden light, Huo Dong suddenly became confused!

You must know that this golden light is much more intense than the divine light when he just broke through!

Feeling the dazzling golden light, the others also looked shocked!

Chen Ping, who was originally sitting cross-legged, has now stood up, his body suspended in the air, bathed in golden light!

The skin that was a little burnt just now is now glowing with golden light!

But the torn clothes made Chen Ping look a little embarrassed!

Especially in front of Zhu Ling and Qian Xiu. After all, they are girls. Seeing Chen Ping like that made me blush a little!

“Senior brother, can you lend me a piece of clothing to cover up?”

Chen Ping looked at Wei Qing and asked!

“Of course you can, but this formation blocks it, how can I give it to you?”

Wei Qing took off his gown and asked Chen Ping!

Chen Ping looked at the blood-colored chain that went straight to the clouds, with disdain in his eyes. He stretched out his hand and grabbed the blood-colored chain directly. With a slight exertion, the entire blood-refining cage formation began to shake!

In just an instant, the formation was broken, and the bloody chains shattered and disappeared!

You must know that Chen Ping did not break the formation through the formation eyes, but broke it with brute force!

This method of breaking the formation is many times more difficult!

But in Chen Ping's eyes, it turned out to be so easy!

No one understands that Chen Ping has only improved a small level. How come it seems that his strength has improved a lot!

Especially the aura on his body is directly breathtaking, even more awesome than Huo Dongrong's Mahayana realm!

Gu Tianchao saw that the formation he had worked so hard on broke when Chen Ping shook it casually. He was so frightened that his legs became weak and his pants got wet!

"Junior brother is awesome, I'll give you clothes..."

Wei Qing yelled excitedly and threw his clothes to Chen Ping!

Chapter: 6698

Chen Ping wrapped his clothes around his body and looked at Huo Dong coldly!

The old sect leader said with excitement on his face: "Hahaha, this kid is really talented. He is at the fifth level of Tribulation Realm, but his aura seems to be no worse than that of Huo Dong. No wonder he refuses to escape!"

“Now that the formation has been easily broken, if he wants to leave, who can stop him?”

“It’s really amazing...” Zhu Ling looked at Chen Ping with tenderness in her eyes!

“Daughter, it’s hard to find such a good man in the entire world of heaven and humans. You have to catch it yourself!”

The old sect leader said to Zhu Ling!

“Father, in fact, I am already his...”

Zhu Ling blushed!

“What?” The old sect leader was stunned and looked at Zhu Ling: “Did you already sleep with Chen Ping?”

“Not yet, but he has already seen me through, so I can’t be looking for another man.”

Zhu Ling now recalls the moment when she was looked down upon by Chen Ping, and she is actually very excited!

“Haha, it seems that this is God’s arrangement. I am relieved that you can find such a good man!”

The old doorkeeper laughed!

Chen Ping didn’t even know at this time that the father and daughter of the old sect had decided on his life-long event in just one conversation!

“Do you still have any means? If not, then I won’t play with you!”

Chen Ping sneered at Huo Dong!

Huo Dong’s face looked uglier than if he had eaten shit!

I originally thought that I had broken through the tribulation and ascended to the Mahayana realm, and I could easily defeat Chen Ping!

But now, Chen Ping has been promoted to the fifth level of the Tribulation Realm. Both the thunder calamity and the divine light emanating from behind are much stronger than him!

Now Huo Dong no longer has the confidence he had just now!

But he won’t give in easily. After all, with such a huge gap in realms, if Huo Dong gives up, then he won’t be able to hang out in the world of gods and humans anymore!

“I have many methods...”

Huo Dong burst out with a black aura. The aura at this time was obviously much stronger than the breakthrough aura!

A breakthrough in a big realm means a geometric increase in strength!

Chapter: 6699

The black aura condensed into a sharp long knife, and then slashed towards Chen Ping!

Huo Dong exploded with all his strength!

“go to hell.....”

Huo Dong roared angrily, his expression extremely ferocious!

I am already a Mahayana monk, but I was bullied by a fifth-level Tribulation Realm, in front of so many people. It is so shameless!

The black long sword cut through the void, and Huo Dong’s Mahayana realm cultivation exploded at this moment!

Because there was no formation to block it, this terrifying sword directly filled the sky above the Purple Flame Sect with a coercive force!

Many Ziyang Sect disciples with low strength couldn’t bear it any longer and fled away.

The old sect master and Huo Yuanting took action at the same time, forming a shield to resist the terrifying pressure!

“Father, junior brother, he...”

Zhu Ling felt worried about Huo Dong’s knife!

“Don’t worry, Chen Ping will be fine.” The old sect leader was already confident at this time!

When that terrifying knife came in front of Chen Ping, Chen Ping let out a sneer!

There was only a flash of white light, but no one saw how Chen Ping took action!

But the long sword condensed in black mist dissipated in an instant!

“You...” Huo Dong was surprised when he saw Chen Ping break his blow so easily!

At this time, Huo Dong’s expression changed drastically, and a sense of crisis came to his heart!

This was his strongest attack, but Chen Ping broke it so easily!

“Son, retreat, retreat quickly...”

Huo Yuanting also saw the problem at the same time and said loudly!

Huo Dong’s body retreated rapidly. Without the obstruction of the formation, Huo Dong’s body escaped into the distance like a meteor!

puff!

But Chen Ping took action, and the dragon-slaying sword in his hand came out smoothly, and the sword light was extremely fast!

It directly penetrated Huo Dong's body and cut off one of Huo Dong's arms!

Chapter: 6700

Huo Dong stumbled and fell from mid-air!

The moment Huo Dong fell, Chen Ping took advantage of the situation and slashed again. A white light flashed again, and one of Huo Dong's legs was cut off directly!

Huo Dong's body fell to the ground. He couldn't stand and sat directly on the ground!

Seeing Huo Dong's embarrassed look, Chen Ping walked towards Huo Dong step by step!

"son....."

Huo Yuanting roared and wanted to take action, but the old sect leader took the lead to block Huo Yuanting.

Others were watching blankly. At this time, everyone was waiting and watching!

"Chen Ping, don't think that I have lost. I still have the Divine Fire Seal. I want you to die..."

Huo Dong roared angrily, and the supreme fire aura in his body continued to enter the divine fire seal!

The Divine Fire Seal erupted into a shocking flame breath, and the entire Ziyang Sect was wrapped in this flame breath!

Even the old sect master and Huo Yuanting couldn't bear it!

The world was engulfed in flames. This breath of fire was even more powerful than the breath of fire on the divine volcano!

"Son, what are you going to do, what are you going to do? Stop it quickly!"

Huo Yuanting shouted in shock!

He was not worried about Huo Dong, but worried about the divine fire seal in Huo Dong's hand!

Huo Dong is going to explode the Divine Fire Seal and let everyone die with him!

The old sect leader was also shocked at this moment. He didn't expect that Huo Dong would be so crazy and wanted the entire Ziyang Sect to be buried with him!

"Retreat, everyone, retreat quickly..."

The old sect leader took the lead and soared into the sky, roaring loudly!

Everyone fled towards the distance to avoid this terrifying flame breath!

Zhu Ling looked at Chen Ping and didn't want to leave at all. She shouted to Chen Ping: "Junior brother, leave quickly, leave quickly, then Huo Dong will detonate the divine fire seal and we will die together..."

But Chen Ping didn't seem to hear it and remained motionless!

“Senior sister, leave quickly, it’s too late...”

Wei Qing pulled Zhu Ling and ran away desperately!
