

## **The Order 6701**

Chapter: 6701

Everyone fled from the Ziyan Gate and stood quietly watching from a distance. The entire Ziyan Gate was wrapped in the breath of flames!

Chen Ping stared at the crazy Huo Dong, his face was terrifyingly calm!

“Aren’t you afraid of death?”

Huo Dong asked strangely when he saw that Chen Ping was neither running away nor afraid!

“Why are you afraid? I can’t die at all. What are you afraid of...”

Chen Ping smiled lightly!

“I know you have the True Fire Dharma Body and you are not afraid of fire. But if the Divine Fire Seal is detonated, it will be useless even if you have the Dharma Body.”

“At that time, the entire Ziyan Sect will cease to exist, and we will all become dust.”

Huo Dong said ferociously!

“No, the Divine Fire Seal can’t explode at all!” Chen Ping said!

“Why?” Huo Dong was stunned!

“Because your Divine Fire Seal is just an empty shell, and the real Divine Fire Seal’s soul is with me!”

After Chen Ping said that, he opened his palms slightly, and the soul of the seal was beating in Chen Ping’s palms!

“Yinhun? Why have I never heard of it?”

Huo Dong was dumbfounded!

“There are so many things you haven’t heard of, why do I still have to let you know?”

After Chen Ping finished speaking, the soul in his palm jumped directly into the air!

A strange suction force directly sucked in Huo Dong’s divine fire seal!

Immediately afterwards, the seal soul began to merge with the divine fire seal!

When Huo Dong saw this, he tried desperately to stop it, but he found that his connection with the Divine Fire Seal was missing!

This time, Huo Dong panicked, because he discovered that what Chen Ping said was actually true!

With the fusion of the seal soul and the divine fire seal, the entire divine fire seal has been controlled by Chen Ping!

Chen Ping waved, and the Divine Fire Seal returned to Chen Ping's hand!

At the same time, the terrifying flame breath of Zi Yanmen also disappeared in an instant, as if nothing had happened!

Chapter: 6702

Seeing the sudden disappearance of the flame breath, everyone was stunned and didn't know what happened!

When everyone got closer, they discovered that the Divine Fire Seal had somehow reached Chen Ping's hands!

You must know that it is not a simple matter for the Divine Fire Seal to recognize its owner, and not everyone can have the Divine Fire Seal recognize its owner!

Now that the Divine Fire Seal is in Chen Ping's hands, it proves that the Divine Fire Seal has recognized Chen Ping as its master!

How could the Divine Fire Seal pass from Huo Dong's hands to Chen Ping's in such a short period of time?

No one knows what happened!

Everyone looked at Chen Ping in disbelief!

Huo Yuanting was even more shocked and said: "Son, what's going on? How did the Divine Fire Seal get into his hands?"

Huo Dong didn't say a word, he had been stunned for a long time, and fear was already showing in his eyes at this moment!

Once a person's heart is occupied by fear, he is completely doomed!

"Chen Ping, I lost, I lost, please spare my life..."

Huo Dong was actually following Chen Ping to beg for mercy!

Huo Dong's sudden begging for mercy left everyone confused, wondering what Huo Dong had just experienced.

Even Huo Yuanting didn't expect that his son would actually beg for mercy!

"Spare your life?"

Chen Ping had a joking look on his face, and the Divine Fire Seal in his hand suddenly burst into flames!

boom!

Huo Dong's body was immediately wrapped in flames, and screams came from Huo Dong's mouth!

In just a moment, Huo Dong's whole body was burned to ashes!

Huo Yuanting didn't even have time to save him!

There was silence!

Huo Dong, who was in the Mahayana realm, was begged for mercy by Chen Ping, a fifth-level master in the Tribulation Realm, and was burned alive in the end!

If someone had told them before that a fifth-level Tribulation Realm master could defeat a Mahayana Realm monk, they would definitely not believe it and would scold him to death!

But now, they all believe it, because this is what they saw with their own eyes!

Chapter: 6703

Huo Yuanting looked at Huo Dong who had turned into ashes. His expression froze and his body was trembling slightly!

Everyone else also opened their mouths in shock!

"Son, my son....."

Huo Yuanting roared angrily.

Rumble.....

Pieces of red clouds began to gather in the sky!

Accompanied by a terrifying bolt of flames and thunder, it suddenly fell and headed straight for Chen Ping!

“Chen Ping, be careful...”

When the old sect master saw this, he jumped up!

He had been wary of Huo Yuanting for a long time. This guy would definitely become furious when he saw his son dead!

The old sect leader hung above Chen Ping, with aura erupting from his body, forming a terrifying defensive shield!

This Huo Yuanting is also a master of the Mahayana realm, but he is not comparable to Huo Dong, who has just been promoted to the Mahayana realm!

If this guy attacks Chen Ping, Chen Ping will definitely not be able to handle it!

What’s more, Chen Ping had just gone through a big battle and didn’t have time to rest!

The old sect master gritted his teeth and resisted the terrifying fire and thunder!

Although the strength of the old sect leader is not weak to that of Huo Yuanting, it is a pity that the old sect leader’s consciousness was damaged and has not been fully recovered, so his strength cannot be fully unleashed!

Chen Ping raised his head and looked at the old sect leader who was struggling to help him resist, feeling very brave in his heart!

“Old Sect Master, you don’t have to help me resist. Even if I don’t move, Huo Yuanting can’t do anything to me.”

After Chen Ping finished speaking, the Divine Fire Seal in his hand instantly burst into a burst of fireworks!

The flames and thunder were instantly defeated by the fireworks. They were not on the same level at all!

The old sect leader and Huo Yuanting all looked at Chen Ping in shock!

You know, they have all used the Divine Fire Seal, and they also know how powerful the flames the Divine Fire Seal can erupt!

But the fireworks that soared into the sky just now should not be erupted by the divine fire seal!

Chapter: 6704

“How could this be? How could the Divine Fire Seal be so powerful in your hand?”

Huo Yuanting’s face was filled with disbelief.

The old sect leader looked at Chen Ping with shock on his face and said, “Chen Ping, what’s going on? Is this the flame that burst out from the divine fire seal?”

“Old sect master, the Divine Fire Seal that you have always regarded as the sect’s most precious treasure is actually just an empty shell. There is a seal soul in the Divine Fire Seal. The Divine Fire Seal has lost its soul, so its power has weakened a lot.”

“I accidentally obtained the Seal Soul in that magma river, so I was able to easily identify the owner of this Divine Fire Seal, and it was also able to erupt with more intense flames than before!”

Chen Ping followed the old sect leader and explained!

But Chen Ping didn't say anything about Hong San!

“Sealing the soul? I didn't expect that the divine fire seal also has the sealing soul. Even without the sealing soul, this divine fire seal can be called a divine weapon. Now that it has the sealing soul, its power is probably extremely terrifying!”

The old sect leader said in shock!

Huo Yuanting was also filled with shock when he heard Chen Ping's words. The Divine Fire Seal he had worked so hard to obtain turned out to be just an empty shell!

No wonder Chen Ping didn't seem afraid at all when Huo Dong was holding the Divine Fire Seal, and he looked confident!

It turns out that Chen Ping had obtained the Seal Soul a long time ago and knew that the Divine Fire Seal was just an empty shell!

At this time, Huo Yuanting was determined to avenge his son, but facing Chen Ping and the old sect leader, he had no chance of winning!

Huo Yuanting frowned and said nothing. He didn't know what he should do now!

If you try your best, the final result will be death!

But if he leaves, the Ziyang Sect will no longer have a place for him, and not many of his disciples will follow him!

After all, people in the Heavenly Realm are all interested in profit. If Huo Yuanting was not the sect leader and left the Ziyang Sect, and there was no profit to be made, who would follow him?

And just when Huo Yuanting was hesitant and didn't know what to do, he suddenly remembered a roar in the sky!

boom!

A black light shot into the sky, instantly attracting everyone's attention!

And in this black light, an old man wearing a black robe slowly appeared directly from the void!

"Killing our elder of the Grimace Sect, and then killing Huo Dong, are you trying to deceive me, the Grimace Sect's no one?"

The person who came was none other than Wei Tianya, the leader of the Grimace Sect.

Seeing the sudden appearance of the master of the Ghostface Sect, the old sect leader's face became extremely ugly, and even the other disciples of the Ziyang Sect were extremely nervous!

Chapter: 6705

But Huo Yuanting had a look of excitement on his face. If the master of the Ghost Face Sect came forward and killed Chen Ping and the old sect leader directly, then the Ziyang Sect would still belong to him!

“Chen Ping, take the opportunity to run away with the others. This guy is the leader of the Ghost Face Sect. His name is Wei Tianya. He is a master of the third level of the Mahayana Realm.”

“I haven’t seen this guy for decades. I heard he has been in seclusion, but I didn’t expect that he was released from seclusion.”

The old sect leader said to Chen Ping with an ugly expression!

He wants Chen Ping to escape with the disciples of the Ziyang Sect, and he wants to find a way to hold Wei Tianya back!

The old sect leader knew that he was definitely no match, and the final result would be death, but being able to save so many people from the Ziyang Sect was worth it!

“Old Sect Master, it’s just a phantom formed, there’s nothing to be afraid of.”

“It’s not like the real body is here, so we don’t have to run away!”

Chen Ping glanced at Wei Tianya and said calmly!

The leader of the Ghost Face Sect is just a phantom, and there is no way he can exert his true power!

“Boy, even if I’m just a shadow, it’s more than enough to kill you!”

When Wei Tianya heard Chen Ping’s words, he raised his hand and slapped Chen Ping!

The aura of the Mahayana realm exploded instantly, causing many monks to change their expressions!

Seeing this, the old sect leader wanted to resist, but was held back by Chen Ping!

“Just leave it to me...”

Chen Ping smiled lightly, the spiritual energy in his body exploded instantly, and then he clenched his fists!

The golden light on the fist flickered like a dazzling sun!

“Holy Light Fist...”

After punching out, a huge fist shadow headed towards Wei Tianya!

Chen Ping’s punch actually shattered Wei Tianya’s palm!

Wei Tianya was slightly startled. After the real fight, he discovered that Chen Ping, a fifth-level monk in the Tribulation Realm, was different in strength from what he looked like!

“Boy, you killed Elder Tu and Huo Dong with the strength of the Tribulation Realm. You really have some real abilities.”

“But the people you killed were all members of my Grimace Sect, so you must give me an explanation...”

After Wei Tianya finished speaking, there was a buzz in the sky, and then a vortex in the void appeared, and soon a huge grimace formed!

Chapter: 6706

This ghost face was as big as a hill and was constantly twisting. Moreover, the eyes of the ghost face seemed to be alive. They were constantly staring at Chen Ping, as if they wanted to see through Chen Ping!

Under the gaze of these eyes, the others all lowered their heads, as if they had been seen through, and there was no secret at all!

An invisible pressure continued to radiate from that ghost's face!

Every monk felt as if his body was being pressed by mountains and rivers, and breathing became extremely difficult!

Some monks with low strength began to be unable to bear it and fell to the ground with a thud!

Even Elder Yu and the others have ugly faces and are struggling to support themselves!

The appearance of this grimace shrouded the entire Ziyang Sect under pressure!

That kind of powerful, domineering, and terrifying aura makes everyone dare not make the slightest move!

The face of the old sect master was also extremely ugly.

Everyone's eyes were filled with fear, and no one dared to look up at that grimace!

Only Chen Ping raised his head, with no trace of panic in his eyes!

“A good boy, he has quite a bit of backbone...”

After Wei Tianya finished speaking, a surge of overwhelming pressure came straight towards Chen Ping!

The large tracts of houses and ground around them could not withstand the pressure and collapsed one after another!

Chen Ping’s body stood upright without any bend, and he didn’t even dodge his eyes!

At the same time, the Divine Fire Seal in Chen Ping’s hand erupted with bursts of flames, resisting this pressure!

Chen Ping has the Divine Fire Seal in his hand, so he is so calm!

In fact, Chen Ping still has someone to rely on, and that is Demon Lord Chiyun!

If it really comes to a matter of life and death, then he will risk everything and let Demon Lord Chiyun control his body again!

Now that Chen Ping has the Divine Fire Seal, the remnant soul of Demon Lord Chiyun can appear in this world under the protection of the Divine Fire Seal!

It doesn’t need to be hidden in Chen Ping’s sea of consciousness. If it’s not enough, it can only appear in the flame breath of the divine fire seal!

Otherwise, if the remnant soul of Demon Lord Chiyun is exposed in this world, he may be wiped out in ashes!

In a closed space or in the sea of consciousness, the remnant soul of Demon Lord Red Cloud can move!

Seeing Chen Ping raising his head and chest, he was not frightened at all, while Wei Tianya controlled that grimace and continued to exert pressure!

Chapter: 6707

boom!

Chen Ping only felt that his breathing began to quicken, his whole body became a little stiff, and he felt as if the whole sky was pressing down on him!

This indescribable force made all the bones in Chen Ping's body rattle, but Chen Ping was still standing!

I saw Chen Ping gritting his teeth, his eyes red, and the quenching of his body was reflected at this moment!

The various spiritual powers in the body are constantly operating, and the flame breath in the Divine Fire Seal is also constantly erupting, resisting this pressure for Chen Ping!

“Boy, the flame breath in this divine fire seal can help you practice. Don't waste it here. Just let me go out and help you deal with it.”

Demon Lord Chiyun said after Chen Ping!

Demon Lord Chiyun now wants to leave Chen Ping's sea of consciousness and go to the real world to have fun!

"Just show your face, but don't think about running away..."

Chen Ping said!

"What the hell, except for a pervert like you, who else can tolerate me in the sea of consciousness."

"What's more, I have to wait for you to help me find the wreckage. You won't run away!"

Demon Lord Chiyun said!

"Okay, you fight quickly. This guy is just a shadow projection. It just so happens that you only have a remnant soul left, so it's fair."

Chen Ping said!

"Damn it, you're fucking comparing this piece of trash to me. Not to mention the remnant of my soul, even if I only have a hair on my leg, this old guy is no match for me!"

Demon Lord Chiyun was a little unhappy!

The leader of the Ghostface Sect is only a third-level Mahayana Realm leader, but Chen Ping actually competes with Demon Lord Chiyun!

Of course Demon Lord Chiyun disagrees!

If Demon Lord Chiyun was intact at this time, Wei Tianya could be wiped out with just one look!

“Senior, I was just making an analogy, why are you so impatient?”

Chen Ping was a little dumbfounded. These guys from the heaven are really weird!

“Let me out quickly, stop whining!”

Demon Lord Chiyun said!

Chapter: 6708

“Okay!” Chen Ping nodded, and then the Divine Fire Seal erupted into a red flame visible to the naked eye!

The flames exploded in mid-air, directly forming a shield that enveloped the entire Ziyang Gate!

Then Wei Tianya was also shrouded in it!

Wei Tianya was stunned for a moment, but then he sneered: “Boy, are you stupid? If you want to resist my pressure, you have to isolate me.”

“Now that you have covered me directly, doesn’t this make it easier for me to do something?”

Chen Ping looked at Wei Tianya and smiled coldly: “Am I stupid? You will know in a moment!”

After Chen Ping finished speaking, he immediately struck a very handsome pose!

“Come out.....”

After Chen Ping finished speaking, a black mist appeared above his head, and then an old man with disheveled hair slowly appeared!

However, the old man seemed to be looming, obviously a remnant soul!

When Wei Tianya saw this, he laughed: “Boy, if you use the devil soul in front of me, isn’t this a show of force in front of Guan Gong?”

“Don’t you know that our Ghostface Sect specializes in raising demon souls?”

“Just in time, I’ll raise this devil soul of yours and let him be used by me!”

Wei Tianya is going to die laughing at this moment!

“Feed your mother, you damn thing, can you afford me?”

Demon Lord Chiyun was very happy to leave Chen Ping’s Consciousness Sea and be able to move around in the outside world!

But this Wei Tianya actually said the words of support!

Are you kidding me? Can the Demon Lord of the Heavenly Realm be raised as much as he wants?

Wei Tianya was stunned. He didn't expect that this demon soul had such a bad temper that he actually had his own consciousness!

Many of the demon souls raised by the Ghostface Sect do not have autonomous consciousness. Those with autonomous consciousness are not easy to control!

But once this kind of demon soul is controlled, it will definitely be powerful!

The old sect leader and Huo Yuanting all looked at Demon Lord Chiyun at this moment!

They knew that this should be what Elder Tu said before he died, that Chen Ping knew the demon soul in the sea!

It was precisely because of this demon soul that Elder Tu and the disciples of the Grimace Sect were massacred by Chen Ping!

"You only have a remnant soul left, and you still dare to be so arrogant. When I conquer you, you will know how powerful I am."

After Wei Tianya finished speaking, that huge grimace suddenly opened its mouth and sucked it towards Demon Lord Chiyun!

It's just a remnant soul that can be easily sucked into the ghost face!

"I haven't played like this in thousands of years. Since you want to play, I will play with you!"

Demon Lord Chiyun suddenly laughed when he saw that Wei Tianya was trying to subdue him!

Originally, Demon Lord Chiyun could make Wei Tianya disappear by blowing his breath, but he wanted to have fun and didn't want Wei Tianya to disappear so quickly!

If Wei Tianya disappears and Chen Ping puts away the shield held up by the divine fire seal, Demon Lord Chiyun will return to Chen Ping's sea of consciousness!

Chapter: 6709

Even though the ghost face opened its mouth and kept sucking fiercely, Demon Lord Chiyun remained motionless!

Even if there is a trace of residual soul left, it cannot be shaken by a Mahayana monk like Wei Tianya.

"How is that possible? You are just a remnant soul. My ghost face has absorbed countless demon souls and has never failed."

"How did that happen?"

When Wei Tianya saw this, he was a little confused!

"That's because you didn't meet me. If you did, you would have failed a long time ago."

"It's so fucking embarrassing to make such a bad face and show off one's strength!"

"I bother....."

Demon Lord Chiyun spat directly!

But just after spitting, Wei Tianya's grimace instantly shattered into pieces as if struck by lightning, and the mountainous grimace just disappeared!

Wei Tianya was stupid!

Others looked at this scene with shock on their faces. They didn't understand what kind of existence the demon soul hidden in Chen Ping's sea of consciousness was!

There is only a ray of remnant soul left, and it is still so powerful. This is too outrageous!

"I understand, I understand..."

The old sect leader now understood why Chen Ping was not afraid of the Demonic Soul of the Ghostface Sect and dared to let the Demonic Soul enter his sea of consciousness!

It turns out that such an awesome demon soul already existed in Chen Ping's sea of consciousness. Other demon souls are entering. Isn't that looking for death?

"You...who are you? With such strength, how come you only have a trace of your soul left? And it's still in this kid's sea of consciousness?"

Wei Tianya asked in shock!

There is only a trace of residual soul left, and the strength is so strong. You can imagine how terrifying the strength of Demon Lord Chiyun must have been when he was at his peak!

But even with such terrifying strength, he was actually killed and his body was destroyed, leaving only a trace of his soul!

“I am your ancestor. When you see me, you should kowtow three times and call me ancestor!”

Demon Lord Chiyun said with a smile!

To be precise, Demon Lord Chiyun was right. As members of the Demon Clan, there must be a connection!

Therefore, Demon Lord Chiyun is correct when he says that he is the ancestor of Wei Tianya!

Chapter: 6710

Wei Tianya’s eyes narrowed slightly. He thought that Demon Lord Chiyun was scolding him and deliberately humiliating him!

“Hmph, since you are so arrogant, don’t blame me for being rude...”

After saying that, Wei Tianya’s shadow became more solid, and the black mist around his body began to fill!

“Fuck, I said it’s your ancestor, and I’m all praise you, but you kid doesn’t know how to praise me.”

“Then I will teach you, this unfilial descendant...”

After Demon Lord Chiyun said that, he slapped him!

The black mist that finally filled Wei Tianya dissipated in an instant, and his whole body was slapped firmly!

In front of Demon Lord Chiyun, Wei Tianya found that he had no room for resistance at all!

And he could feel that Demon Lord Chiyun was just playing tricks on him and was not using all his strength. Otherwise, with the slap just now, the shadow projected by him would have collapsed long ago!

Demon Lord Chiyun came to Wei Tianya, then grabbed Wei Tianya and gave him a loud mouth again!

Everyone stared blankly!

Wei Tianya is a third-level monk in the Mahayana realm. Although it is just a shadow projected over him, it is not an entity!

But his strength should not be underestimated, and now he was slapped in the mouth by a demon soul!

And it seems that Wei Tianya doesn't have the slightest ability to fight back!

This mouthful made Wei Tianya stunned, and his eyes were full of panic!

Because from the extremely weak aura of Demon Lord Chiyun, he detected an aura that did not belong to the world of heaven and humans!

"You...are you a demon soul from heaven?"

Wei Tianya asked with his body trembling!

“You still have some discernment. I am the Demon Lord of the Heaven Realm, and my remnant soul came to the Heaven and Human Realm unexpectedly.”

“Even if I only have a trace of my soul left, it’s not like you, an ant, can make irresponsible remarks.”

Demon Lord Chiyun said coldly!

“Heaven? Demon Lord?”

Wei Tianya’s eyes widened and he peed in fear!

Are you kidding me?
