

The Order 671

Chapter: 671

“I know you want to admit defeat, but I won’t give you a chance to say it...”

After Chen Ping finished speaking, he punched the bald head!

The bald man roared loudly and tried his best to stop him with his other hand. He wanted to escape, but his feet were already stuck in the ring and could not move!

puff.....

Chen Ping punched the bald man in the chest. The fist penetrated directly into the bald man’s body and was exposed from the other side. Blood dripped from Chen Ping’s fist!

The bald man’s eyes widened and he lowered his head unwillingly. He was obviously dead!

At this moment, the entire audience was dead silent, and everyone’s eyes fell on Chen Ping. Chen Ping swept the stage and said, “Is there anyone else on stage?”

No one in the audience dared to speak. With the strength of the bald head, Chen Ping easily killed him with one hand. The others who went up would have died!

“A bunch of trash...”

Following a cold snort, a figure floated onto the ring.

“Jiang Zhengde?”

At this moment, many people in the audience saw the identity of the person coming. After all, it was big news that Jiang Zhengde was kicked out of the Jiang family back then!

When Sun Simiao saw Jiang Zhengde coming on stage, his eyes narrowed slightly, but he didn't say anything, but the old man next to him spoke.

"Jiang Zhengde, this is a martial arts gathering. The arena has rules. You can't go on stage if you are over thirty-five years old. You have already exceeded your age. Get off quickly!"

But who would have thought that Jiang Zhengde sneered: "Old guy, you didn't even fart when you saw someone named Sun. Do you have the right to speak?"

As he spoke, Jiang Zhengde waved his hand, and a majestic momentum attacked the old man. The old man's face darkened, and he hurriedly used his inner strength to resist, but he was still knocked away directly, and the tables and chairs in front of him also became shattered. !

When everyone saw this scene, they were all surprised. Being able to sit on the stage as a referee must be very powerful, but they were knocked away by Jiang Zhengde at any time with a swipe.

Sun Simiao's expression was ugly. After all, this martial arts gathering was organized by his King Yao's Mansion, and Jiang Zhengde was here to cause trouble and slap him in the face of King Yao's Mansion. Especially what Jiang Zhengde said just now made Sun Simiao feel completely embarrassed!

He didn't speak just now because he wanted Jiang Zhengde to teach Chen Ping a lesson, but Jiang Zhengde didn't even take him seriously. How could Sun Simiao endure this tone in public, not to mention that Bai Zhantang was still watching from the audience? !

"Jiang Zhengde, rules are rules. I set these rules. Do you want to break them?"

Sun Simiao said, and his body floated down opposite Jiang Zhengde!

Seeing this, Chen Ping retreated slightly, making room for the two people. He knew that Jiang Zhengde was seeking revenge from him, but now that these two people were going to fight, Chen Ping could also take advantage of it!

“Bullshit rules, don’t think that with the support of the Bai family behind the Yao Wang Mansion, you can just yell and scream. Do you believe that I can slap you to death with one slap?”

Jiang Zhengde said with disdain.

Chapter: 672

Sun Simiao was indeed inferior to Jiang Zhengde in terms of strength. He only had excellent medical skills and was able to make elixirs. His real strength was just that of a master of internal energy.

Sun Simiao’s face turned red and white after being told this, and he gritted his teeth and glared at Jiang Zhengde.

“Jiang Zhengde, are I, the Bai family, someone you can bully?”

As the words fell, Bai Zhantang jumped out from the crowd and landed steadily on the stage. Behind Bai Zhantang, there were several servants following. The auras on each of them were powerful, and they were all at the level of a master of internal energy!

When Jiang Zhengde saw Bai Zhantang on stage, his expression changed slightly, and then he opened his mouth and said: “Mr. Bai, Chen Ping killed my father and brother. I must avenge this today. I must kill him!”

As soon as Jiang Zhengde finished speaking, there was an uproar in the audience. Although many people knew that Jiang Zhengde was killed, no one knew specifically who was killed except those present that day.

Now when Jiang Zhengde said it, everyone knew that Chen Ping, who had just killed the bald head with one punch, turned out to be the person who killed Jiang Zhengde. No wonder he had the courage to follow the bald head and hit him with one hand!

“I don’t care if you take revenge, but this is a martial arts gathering held by my King Yao’s Mansion, and this is the arena of King Yao’s Mansion, so if you want to take action, I have to take care of it!”

Bai Zhantang said coldly.

“Bai Zhantang, now Jiang Zhengde is my Qin family’s guest, why don’t you give me this little face?”

As soon as he finished speaking, Qin Feng also walked onto the ring from the crowd, and behind Qin Feng, there were also several servants with the strength of the Nei Jin Grandmaster!

Seeing these people suddenly appearing, the younger generation of warriors in the audience were all ashamed, especially Wu Xi, who clenched his fists and his eyes were full of horror!

He always thought that his strength could be regarded as the best among the younger generation, but the Bai Zhantang and Qin Feng who appeared now were stronger than him in every aura, even surpassing his father Wu Liuyi.

Now Wu Xi finally understands that he is a frog in the well. It seems that the outside world is far more powerful than he imagined.

The appearance of Bai Zhantang and Qin Feng really hit the younger generation of warriors in Jiangnan and Jiangbei. Originally, there was Chen Ping, who everyone regarded as an example, but now young Neijing masters in their twenties appear one after another. Such a blow is too hard to accept!

On the ring, looking at Qin Feng who appeared, Bai Zhantang did not answer him directly, but turned to look at Chen Ping: “You have seen the situation today. If you agree to my request, I can help you settle it. If not, , you know the consequences...”

Bai Zhantang is threatening Chen Ping. He wants Chen Ping’s elixir. Now is a good opportunity!

Chen Ping sneered disdainfully: “Just these cats and dogs, I haven’t taken them seriously yet!”

Chen Ping’s words made Bai Zhantang stunned. You must know that Jiang Zhengde’s strength is higher than that of Jiang Zhengzhong, not to mention that the opponent now has Qin Feng and several masters under him. Chen Ping is alone, how can he have the courage to say Say something like this?

“Okay, if that’s the case, then I’ll just sit back and watch!”

After Bai Zhantang finished speaking, he led people to the side of the ring, and Sun Simiao followed closely and asked in a low voice: "Second Young Master, do you really want Jiang Zhengde to kill Chen Ping? In this case, we won't be able to take it. We've arrived at Danfang!"

"Don't worry, after that kid is beaten half to death, I will save him. I need to cure his arrogance first!"

Bai Zhantang said calmly!

After Bai Zhantang led the people away, Jiang Zhengde glared at Chen Ping: "Boy, today I want to avenge my father and brother and restore the reputation of my Jiang family!"

Chapter: 673

Jiang Zhengde said, and was about to attack Chen Ping, but was stopped by Qin Feng with his hand!

Qin Feng looked at Chen Ping with a faint smile: "We meet again, we are really destined!"

Qin Feng met Chen Ping at Gu Ling'er's parents' house. At that time, he felt that Chen Ping's aura was strong and his strength must be extraordinary. He just didn't expect that Chen Ping was the one who killed Jiang Zhengzhong!

"It's quite a fate!" Chen Ping smiled coldly.

"Tell me, what does Bai Zhantang want from you? If you can tell me and agree to follow the Qin family, I can ask Jiang Zhengde to spare you, and you don't need to owe the Bai family any favors!"

Qin Feng knew that Bai Zhantang must want to get something from Chen Ping, otherwise he would not follow the Qin family as an enemy just for Chen Ping, and this thing is very precious!

As soon as Qin Feng finished speaking, Jiang Zhengde glanced at Qin Feng, but didn't say anything. If Qin Feng really spoke, he wouldn't be able to spare Chen Ping. After all, he and Jiang Zhengzhong had no feelings at all, and Chen Ping didn't. If he killed him, he would also kill Jiang Zhengzhong, his brother.

He is now seeking revenge on Chen Ping, just using this as an excuse to take charge of the Jiang family again after killing Chen Ping. From now on, the Jiang family will be regarded as the power of the Qin family in Jiangbei!

“Are you serious?” Chen Ping looked at Qin Feng and asked.

“Of course, who doesn’t know that I, Qin Feng, speak the truth!”

Qin Feng patted his chest and said.

At this time, Bai Zhantang shook his hands slightly and frowned. He did not expect Qin Feng to do such a trick. If Chen Ping was bribed by the Qin family, it would be a loss for them!

“Well, I’ll tell you!” Chen Ping smiled playfully: “Then Bai Zhantang wanted to recognize me as his godfather, but I didn’t want such an old godson, so I didn’t agree, but he kept forcing me!”

“If you also want to recognize me as your godfather, I might consider it!”

After Chen Ping finished speaking, the people in the audience burst out laughing, and Bai Zhantang’s face turned livid with anger.

Qin Feng’s face turned cold: “Are you kidding me?”

“What’s wrong with you? I can’t even look down on a guy like you who only knows how to play with women, even if you accept me as your godfather!”

Chen Ping sneered disdainfully.

It was obvious that what he said was referring to Qin Feng and Gu Ling’er’s divorce.

“you wanna die.....”

Qin Feng gritted his teeth and said to Jiang Zhengde: "Kill him and cut him into pieces!"

After Jiang Zhengde received Qin Feng's order, the aura on his body exploded instantly, directly covering Chen Ping!

"Boy, I will cut you into pieces today!"

Jiang Zhengde was like a bloodthirsty beast, staring at Chen Ping!

Chapter: 674

"Hmph, how dare a lackey bark? Haven't you ever heard that a biting dog never barks?"

Chen Ping snorted coldly, and his body also exuded waves of terrifying aura!

The two breaths collided together, creating a hurricane in an instant!

"Back off!" Upon seeing this, Qin Feng immediately jumped to the edge of the ring with his men!

Chen Ping and Jiang Zhengde stood still, but with the two of them as the center, the strong wind was raging!

Soon, Jiang Zhengde had sweat on his forehead, but Chen Ping stood there with a nonchalant look on his face, as if he didn't exert any effort at all!

"Is this all you have?" Chen Ping saw Jiang Zhengde's face getting worse and worse, and sneered, "At your level, I'm afraid you won't even be qualified to be a dog!"

"Ahhh...boy, I must kill you!"

Jiang Zhengde was furious. In front of everyone, Chen Ping repeatedly made rude remarks. He couldn't stand it anymore!

After an angry shout, Jiang Zhengde raised his hand and walked towards Chen Ping. The huge shadow of his fist enveloped Chen Ping, like a mountain pressing down!

With this punch, the ring began to tremble, and the hard stone slabs on the ring began to crack. Even those on the edge of the ring felt the pressure!

"Chen Ping..."

When Gu Ling'er and Su Yuqi saw this, they all exclaimed and wanted to rush forward!

"Don't any of you move!"

Chen Ping hurriedly stopped Gu Ling'er and Su Yuqi. It was useless for the two of them to come on stage!

But just when Gu Ling'er and Su Yuqi got up and were about to run towards the ring, Bai Zhantang and Qin Feng on one side of the ring looked at Gu Ling'er and Su Yuqi!

After all, everyone wants to take a second look at these two beauties, but at this glance, the eyes of Bai Zhantang and Qin Feng burst into light at the same time!

Because they found the jade pendant Su Yuqi was wearing. This was exactly what they were looking for this time!

Without the slightest hesitation, Bai Zhantang and Qin Feng jumped up and grabbed Su Yuqi together!

"ah....."

Su Yuqi was so frightened that she instinctively screamed!

Gu Ling'er hurriedly stopped him, and Wu Xi also jumped up, ready to stop the two of them!

However, their strength was incomparable to that of Bai Zhantang and Qin Feng. Before they even got close, the two of them were blown aside by the powerful energy!

At this time, Chen Ping, who was on the ring, saw Bai Zhantang and Qin Feng grabbing Su Yuqi. His eyes suddenly shot out with cold light, and his body jumped up from the ring!

Chapter: 675

"Boy, do you want to leave?"

At this time, Jiang Zhengde's fierce punch had already landed!

"Go away..."

How could Chen Ping still be in the mood to fight with Jiang Zhengde at this time? He shouted angrily and suddenly waved his hand to take a picture!

Bang!

With a loud noise, Jiang Zhengde was directly knocked to the ground by Chen Ping, and his body actually fell into the ring, as if it was inlaid!

Seeing this scene, everyone looked shocked. They had seen Jiang Zhengde's strength with their own eyes. Now Chen Ping actually took Jiang Zhengde into the ring with one palm. It seems that Chen Ping's strength far exceeded their imagination. !

Especially Gao Baisheng, whose face turned red and white. With his strength, he actually wanted to compete with Chen Ping at that time. If Chen Ping hadn't done it for Wu Xi's sake, he would have become a dead soul now. !

Chen Ping's body jumped down from the ring, but at this time, Bai Zhantang and Qin Feng were already in front of Su Yuqi, and they both grabbed the jade pendant at the same time!

But at this moment, a burst of red light suddenly appeared from the jade pendant, and Bai Zhantang and Qin Feng were knocked away at the same time. They stepped back more than ten steps before stopping!

"It's really a good thing..."

The lights in Bai Zhantang and Qin Feng's eyes became even brighter!

Chen Ping had already arrived at Su Yuqi's side. Although she was protected by a jade pendant, Su Yuqi was still so frightened that there was no trace of blood on her face!

"Yu Qi, it's okay..."

Chen Ping hugged Su Yuqi tightly and comforted her!

"Chen Ping..."

Su Yuqi's body was trembling in Chen Ping's arms!

Feeling Su Yuqi's trembling, the expression on Chen Ping's face had become extremely cold, and he looked at Bai Zhantang and Qin Feng with cold eyes!

"If you dare to touch my woman, you will all die..."

As the word "death" was spoken, Chen Ping's body erupted with overwhelming murderous intent. Everyone around him felt the murderous intent on Chen Ping's body. They were all shocked and their bodies were trembling!

Bai Zhantang and Qin Feng also frowned and used their inner strength to resist this terrifying aura. However, even with all their inner strength, their bodies still couldn't stop trembling!

At this time, Jiang Zhengde had been pulled out of the ring by Qin Feng's men. He was already bleeding from all his orifices, his eyes were wide open, and he looked dead!

Neither Bai Zhantang nor Qin Feng noticed how Chen Ping killed Jiang Zhengde, but if he could beat Jiang Zhengde to death in such a short period of time, one can imagine Chen Ping's strength!

"Let's work together. Kill this kid first, and then talk about the jade pendant!"

Chapter: 676

When Qin Feng saw that Jiang Zhengde was dead, he frowned and said to Bai Zhantang!

He was planning to join forces with Bai Zhantang to kill Chen Ping!

But who would have expected that Bai Zhantang suddenly pulled back, raised his fist towards Chen Ping and said, "Brother Chen, I did not intend to offend your woman. I am here to apologize!"

Bai Zhantang's sudden withdrawal put Qin Feng in an awkward position. He knew very well that Bai Zhantang was going to kill someone with a borrowed knife. If he could kill Chen Ping, Bai Zhantang would definitely snatch the jade pendant from him, but if they were killed by Chen Ping, then Chen Ping will also be exhausted and seriously injured, and Bai Zhantang will still take action!

"You coward..."

Qin Feng looked at Bai Zhantang, gritted his teeth and cursed, and then said to his men: "Come together, kill this kid first, and then seize the jade pendant!"

"Ada, watch that woman, don't let her run away!"

Qin Feng roared angrily and led his men directly towards Chen Ping, leaving Bai Zhantang alone!

“Linger, look at Yuqi!”

Chen Ping handed Su Yuqi over to Gu Ling'er for support!

At this time, when Na Ah Da saw Chen Ping let go of Su Yuqi, a pair of eyes flashed with cold light, and he walked towards Su Yuqi from one side!

“court death.....”

Chen Ping's face turned cold and he slapped Ah Da with his palm!

Chen Ping, who is already in the foundation building stage, will not take any inner strength master seriously at all!

When Ah Da saw this, he stopped fighting with Chen Ping and tried to sneak away on one side of his body!

Chen Ping is alone, and there are several of them. As long as Chen Ping is not paying attention, they can take Su Yuqi away!

But just when Ah Da's body was retreating, he suddenly felt a blur in front of his eyes, and then Chen Ping disappeared.

Panic suddenly flashed in Ah Da's eyes, and he stepped back faster, but he bumped into something with a bang!

When Ada looked back, he was dumbfounded. He realized that he had bumped into Chen Ping. At some point, Chen Ping had arrived behind him!

Bang!

Chen Ping slapped the old man on the head with his palm, smashing his head into pieces!

After killing Na Ada, Chen Ping's figure did not stop at all, and instantly faced Qin Feng and his men!

Chen Ping's figure was like a whirlwind, constantly shuttling between Qin Feng and his men, and screams would be heard from time to time!

When Chen Ping stopped, all the men brought by Qin Feng were lying on the ground. They all looked painful and struggled ferociously, but they didn't live long!

Chapter: 677

The scene was deathly silent, and no one dared to speak. These were all masters, and they were going to die just like this!

"Run!" Qin Feng saw this and turned around to run!

Chen Ping's strength is much stronger than he imagined!

But just as Qin Feng turned around, Chen Ping swayed and chased after him, kicked Qin Feng in the back, and then stepped on Qin Feng's head with one foot!

"Chen Ping, you... you can't kill me. I am a member of the Qin family. If you kill me, the Qin family will not let you go even if they chase you to the end of the world!"

Qin Feng's eyes flashed with panic, and he threatened Chen Ping!

"I hate it when people threaten me!"

Chen Ping said coldly, the strength on his feet increased a bit!

Qin Feng panicked and hurriedly shouted to everyone: "I am the young master of the Qin family in Kyoto. If any of you can save me, my Qin family will definitely thank you!"

Everyone knows that if you get involved with the Qin family in Kyoto, you will definitely become famous. But with Chen Ping's strength, who dares to save him?

Seeing that no one spoke, Qin Feng became even more panicked: "Bai Zhantang, save me. If you save me, my Qin family can obey the orders of your Bai family!"

Qin Feng was following Bai Zhantang to ask for help. At this time, Qin Feng's head had sunk halfway into the ground. If Chen Ping used force, Qin Feng's head would definitely break!

Bai Zhantang's expression changed, but he didn't move or speak!

"If no one saves you, then I will send you on your way..."

Chen Ping said coldly.

"No, no..." Qin Feng shouted, and suddenly he thought of Gu Ling'er, so he said loudly: "Ling'er, Ling'er, save me, save me, for the sake of our love, save My life, I like you, I really liked you at that time, but I was forced by my family to break off the engagement with you, and then got engaged to Bai Manli of the Bai family, please save me..."

When Gu Ling'er looked at Qin Feng like that, her body was trembling slightly and her eyes were full of tears. She really loved him. At that time, Gu Ling'er thought she had found true love and Prince Charming, but who knew that she would suffer The worst injury!

When Chen Ping heard that Qin Feng dared to mention this matter, he was already very angry because of Gu Ling'er. But Qin Feng dared to say it, and Chen Ping became even more angry!

"You scumbag, go to hell..."

Chen Ping yelled angrily and raised his foot to step down!

“Wait a minute!” Suddenly, Gu Ling’er shouted.

Chen Ping looked back at Gu Ling’er in surprise.

Gu Ling’er walked over, glanced at Qin Feng helplessly, and then said to Chen Ping: “Chen Ping, can you spare his life?”

“Ling’er, did this scumbag hurt you?”

Chapter: 678

Chen Ping didn’t understand why Gu Ling’er still interceded for Qin Feng!

“Spare his life. After all, I loved him. This can be regarded as a kind of relief for myself. I saved his life and will never have anything to do with him again!”

Tears flowed from Gu Ling’er’s eyes. It was obvious how much Gu Ling’er loved Qin Feng!

Chen Ping took his feet back, sighed helplessly, and then said to Qin Feng: “Go away, no one will plead for you again next time!”

Qin Feng let out a long breath, then stood up and ran away without looking back or even looking at Gu Ling’er!

After Qin Feng ran away, Chen Ping looked at Bai Zhantang and said coldly: “If you want to take advantage of my internal energy to run out, you can do it now!”

Feeling Chen Ping’s gaze, Bai Zhantang’s heart trembled slightly. After his face changed, he showed a smile and said: “Brother Chen, I said it was a misunderstanding just now. You and I have no grievances. How could I attack you? !”

Chen Ping sneered: “This jade pendant is what you are looking for. Don’t you want to take it back? And the elixir on me, don’t you want it?”

Bai Zhantang frowned. He really couldn't understand. How did Chen Ping know that he was coming for this jade pendant?

Could it be that Chen Ping was the one who rescued Yin Susu that night?

Thinking of this, Bai Zhantang instantly understood that with Chen Ping's ability, he could indeed rescue Yin Susu silently before their eyes!

"Now that the thing is in Brother Chen's hands, it naturally belongs to Brother Chen. Why would I want it? And there is also the prescription. Brother Chen doesn't want to take action. I can only regret it. I won't buy or sell by force. thing!"

Bai Zhantang could only squeeze out a smile and said against his will.

Chen Ping looked at Bai Zhantang like that and said with a look of disdain: "You don't do things like buying and selling by force, but I will do it. Remember what I said, send all the medicinal materials from Yaowang Palace to me in the provincial capital. , otherwise I will destroy Yaowang Mansion..."

After Chen Ping finished speaking, he didn't pay attention to Bai Zhantang's ferocious look, turned around and pulled Su Yuqi away!

Gu Ling'er and Wu Xi followed closely behind, and everyone else also left one after another. What happened today really shocked them.

"Second Young Master?"

Sun Simiao looked at Bai Zhantang and said, "What should we do?"

"Delay it for a few days, and I'll go back to the family to discuss it!"

After Bai Zhantang finished speaking, he left with his men!

Chen Ping took Su Yuqi and the others back to the provincial capital. As Chen Ping entered the foundation building period, his requirements for spiritual energy became higher and higher, but the rapid improvement in strength also made him excited!

Today, he killed several master masters in one move. If he was in the Qi refining stage, he would not be able to do it. Even if he followed Jiang Zhengzhong to fight, Chen Ping would have spent some effort at that time.

If he were fighting with Jiang Zhengzhong at this time, Chen Ping could just crush him to death without giving him the slightest chance to fight back!

“Mr. Chen, should we send someone to secretly monitor the actions of King Yao’s Mansion? I guess they won’t hand over the medicinal materials easily!”

Chapter: 679

Chifeng rushed over immediately after Chen Ping came back!

Lin Tianhu told Chi Feng what happened in Tianfeng Town. Chi Feng was also shocked at the time. After all, Chen Ping’s strength was simply unfathomable and growing at a speed visible to the naked eye!

“No, I hope they don’t hand over the medicinal materials. What I want then is not just the medicinal materials, what I want is the entire Medicine King’s Mansion!”

Chen Ping smiled coldly, with endless greed in his eyes!

If he wants to improve his strength, Chen Ping must rely on a large number of elixirs. As long as the medicinal materials from Yaowang Palace are helpful to Chen Ping, they are limited after all. Chen Ping wants the entire Yaowang Palace in the future. Let the King of Medicine’s Mansion only deliver the elixir to you!

But those century-old elixirs are limited after all and cannot be infinite. There will always be a day when they are exhausted. The higher Chen Ping’s strength, the greater his demand for spiritual energy. Therefore, in addition to these medicinal materials, Chen Ping has to look for other substitutes!

“It seems it’s time to go to Mount Heng to see if there are any spiritual stones there.”

Chen Ping thought to himself.

If there were spiritual stones in Hengshan, Chen Ping could just stay in Hengshan to practice!

Chen Ping contacted Wu Dong and told him to go to Hengshan early tomorrow morning to take a look. Su Yuqi now has a jade pendant to protect her. Chen Ping is relatively relieved. Neither of the two masters can get close. It seems that this jade pendant is indeed a treasure. !

As night fell, everyone fell asleep. Tianfeng Town also had temporary changes due to martial arts gatherings. Everyone left and became deserted!

On the streets of Tianfeng Town, four old men wearing black robes and gray beards walked quietly. The four people walked very slowly, but each step covered a long distance. The streets of hundreds of meters were surrounded by four people. The individual has come to an end in a blink of an eye. These four old men are the four elders of Xuanyue Valley!

The four elders went straight to the ring, and then divided the work and cooperated, each performing his own duties, just like detectives investigating a case, constantly checking the footprints on the ground and the large human-shaped hole in the ring that was smashed by Jiang Zhengde!

One of the elders took out a cloth bag, then reached into it, took out a handful of silver powder, and threw it into the air!

In an instant, a silver light flashed, and figures appeared in the air. The figures were still moving, just like a fast-forward 3D movie. Every character was very real!

Upon closer inspection, it turned out to be an image of Chen Ping fighting several grandmasters. However, the image was very short and disappeared after only a few seconds, and the scene fell into darkness again!

“Brother, can you tell what kind of strength this kid has?”

asked the elder who spread the silver powder.

The great elder shook his head: "I can't see clearly. To kill these Nei Jin masters so easily, this kid may have reached the peak of Nei Jin masters, or the strength of the Nei Jin grand masters, but I can't feel the slightest bit of power from here." The aura of the Grandmaster!"

"Brother, judging from the big pit in this arena, that kid must have reached the strength of a grand master, otherwise Jiang Zhengde would not have died tragically!"

The elder who was investigating on the ring also spoke.

"Second brother, the eldest brother has the sharpest nose. If a grand master really uses force here, the eldest brother will definitely be able to feel the breath!"

The elder who sprinkled gold dust retorted.

At this moment, everyone was lost in thought, and things seemed to have reached a dead end!

Chapter: 680

"Could it be that this guy is not a warrior, but a warlock like us?"

The elder who spread the gold powder suddenly had his eyes lit up and said!

"It's impossible. It's impossible for a skilled warlock to have the ability to fight in such close quarters. You have to know that all we use are spells. With physical strength alone, which one of you can punch a punch with the master of Nei Jin?"

The great elder immediately retorted!

Everyone fell into dead silence again, everyone frowned, this matter made them feel unable to do anything!

“Forget it, let’s go back and report to the Valley Master. Chen Ping is too strong. We still need to take a long-term approach!”

After thinking for a moment, the great elder waved his hand and said!

The other three nodded, and then disappeared into the night instantly. No one could have imagined that someone had been here before!

Early the next morning!

Wu Dong came early to wait for Chen Ping. Chen Ping followed Su Yuqi to explain a few games and was ready to follow Wu Dong!

This time I just went to Hengshan for a brief exploration, so I won’t go there for many days and I don’t bring much with me!

But just when Chen Ping was about to leave, the phone suddenly rang!

Chen Ping saw that it was his mother who was calling, so he quickly answered the phone!

“mom.....”

After Chen Ping answered the phone, he shouted happily.

He hasn’t called his parents in the past few days. Chen Ping blames himself just thinking about it!

“Hey!” When Tang Hongying heard Chen Ping calling her, she responded happily, and then said, “Chen Ping, have you been busy recently? Your second aunt’s cousin is getting married in a few days. Do you have time to go back to your hometown?”

“Ying Xia is getting married?” Chen Ping was surprised: “Mom, how old is Ying Xia?”

“I’m nineteen, I’m no longer in school, I’m not too young!” Tang Hongying said.

Chen Ping was speechless for a while. This is how it is in rural areas. As long as children don’t go to school, they will arrange marriages, especially girls. Logically speaking, at Chen Yingxia’s age, she is in her youth. When she went to college, she is now getting married and having children. !

“Mom, I...”

Chen Ping didn’t know how to follow Tang Hongying and said that he was preparing to go to Hengshan and had no time at all!

Tang Hongying on the other end of the phone may have heard something, she sighed slightly, and then said: “It’s okay, if you don’t have time, I will tell your second aunt and the others, you should be busy, be busy...”

Tang Hongying’s voice became smaller and smaller, and finally there was no sound, but the phone was not hung up!
