

The Order 6711

Chapter: 6711

Are you going to fight with the devil in heaven?

Not to mention that the other party has a remnant soul left, even if there is a piece of spiritual consciousness left here, it is not something that his Mahayana realm can handle!

Now Wei Tianya finally understands why Chen Ping, a young monk at the fifth level of Tribulation Realm, is so awesome!

Moreover, his own elder Tu and Huo Dong, Mahayana monks, all died in the hands of Chen Ping!

It turns out that there is such a demon king living in the sea of consciousness, so what are you afraid of?

But Wei Tianya didn't know that Chen Ping didn't entirely rely on Demon Lord Chiyun!

In addition to his own bloodline strength, Chen Ping also has many things he can use!

The Fire Essence, the Dragon Pattern Bell, the Divine King's Bow, and the little sky-swallowing beast that only knows how to eat but doesn't do much work!

If this little guy wakes up, he can kill everyone!

At the same time, the original space in Chen Ping's body is the stars of the universe, and countless original stars are waiting for Chen Ping to light up!

These are also what Chen Ping relies on. Chen Ping not only relies on the remnant soul of Demon Lord Chiyun!

Wei Tianya didn't know this. Now he only knew that the remnant soul of Demon Lord Chiyun, the Demon Lord of Heaven, scared him to the point of peeing!

"Senior, ancestor, I was wrong. I didn't know it was the soul of the ancestor, and I spoke rudely and offended the ancestor..."

Wei Tianya cried and begged for mercy!

A great monk of the third level of the Mahayana Realm, the master of the Ghost Face Sect!

Wei Tianya, who was in a state of unparalleled glory for a while, was now crying!

Seeing Wei Tianya's cowardice, Demon Lord Chiyun instantly lost interest!

When he met Chen Ping, Chen Ping knew his identity and didn't seem to cry in fear!

This fucking coward is still the leader of the clan!

"Coward, you are really fucking embarrassing to us demons, get out of here..."

Demon Lord Chiyun lost interest in playing and waved his hand, and Wei Tianya's shadow instantly dissipated!

At the same time, Wei Tianya, who was in the main hall of the Ghost Face Sect, opened his eyes, with cold sweat on his forehead!

When I looked down, I saw that I was already wet!

Now if you give him some courage, he won't dare to seek revenge against Chen Ping again!

Chapter: 6712

As for Huo Yuanting, seeing Wei Tianya crying and begging for mercy like a dog, and finally dissipating, he was completely confused!

He didn't understand what the identity of the demon soul in Chen Ping's body was, but it actually scared Wei Tianya to tears!

Just now Demon Lord Chiyun announced his identity, only Wei Tianya heard it, and no one else could hear it at all!

But no matter what, just when Demon Lord Chiyun spat, Wei Tianya's grimace instantly shattered. This was something I witnessed with my own eyes!

None of them here have this kind of strength!

Huo Yuanting knew that he was probably going to be in trouble today!

But looking at the divine fire seal in Chen Ping's hand, Huo Yuanting was also jealous!

This should have been his. He had worked so hard for the Divine Fire Seal, but now it fell into Chen Ping's hands!

Wei Tianya left, and the entire Ziyang Sect returned to peace!

Demon Lord Chiyun has returned to Chen Ping's sea of consciousness!

"Junior brother, you are so great..."

Zhu Ling looked at Chen Ping with admiration and said!

Elder Yu, Wei Qing and others also gathered around, and everyone praised Chen Ping!

"Huo Yuanting, now your son is dead, and it is clearly you who colluded with the Ghost Face Sect, but you framed the elder and others."

"Now I want to take back my order and remove you from the position of acting sect leader!"

The old sect leader looked at Huo Yuanting coldly and said!

"Remove me? Why should you remove me?"

"You are no longer the sect leader, and I am not the acting sect leader. I am now the real sect leader of the Ziyang Sect. I have the Divine Fire Seal to identify myself as the master."

Huo Yuanting snorted coldly!

“Do you recognize the owner of the Divine Fire Seal?” The old sect leader smiled: “Now that the Divine Fire Seal is no longer in your hands, why do you still want to be the sect leader?”

“You no longer have the Divine Fire Seal, so you are not the sect leader. Why do you dismiss me?”

“According to the rules, I am the last sect leader of Ziyang Sect. Before the new sect leader is born, even if I don't have the Divine Fire Seal, I am still the sect leader.”

Huo Yuanting began to use the loopholes in the Ziyang Sect's rules to refute!

“Now that the divine fire seal is in the hands of the junior brother, and he has recognized his master, does that mean that the junior brother is considered the master of the sect?”

Chapter: 6713

Zhu Ling said!

“Then Chen Ping is not a disciple of my Ziyang Sect at all, and the Divine Fire Seal cannot be in his hands.”

“As disciples of the Ziyang Sect, we have the obligation to protect the Divine Fire Seal from being taken away by outsiders.”

Huo Yuanting began to incite many disciples of Ziyang Sect!

You must know that the Divine Fire Seal is extremely important in the hearts of these disciples, otherwise the sect leader would not have to recognize the Divine Fire Seal as his master.

Now that Chen Ping's identity has been exposed, he is not a disciple of the Ziyang Sect, so it is inappropriate to hold the Divine Fire Seal. Even if he recognizes his master, Chen Ping cannot be allowed to take away the Divine Fire Seal!

Huo Yuanting recognized this, so he fought to death and resisted. If he could get the Divine Fire Seal into his own hands, that would be it!

"Who said Chen Ping is not my disciple of Ziyang Sect?"

The old sect leader asked back!

"Of course not. None of us know what Elder Yu's virtues are. He must have received Chen Ping's money to bring him in."

"And with what Elder Yu did, it's impossible for him to become Chen Ping's master."

Huo Yuanting said!

"Yes, Elder Yu cannot be Chen Ping's master, but I can be Chen Ping's father-in-law."

"Chen Ping already has a physical relationship with my daughter and has become my uncle."

"His identity is more important than that of a disciple of the Ziyang Sect. Why can't he get the Divine Fire Seal?"

The old sect master snorted coldly!

When Chen Ping heard this, he was a little stupid. When did he and Zhu Ling have a physical relationship?

Isn't it just a shower?

The world of heaven and humans is so open. Just take a shower. Don't we have to be together?

Chen Ping didn't know it himself, but he had become the uncle of the old sect leader!

Zhu Ling blushed when she heard her father say such words in public, but it was obvious that she was very happy!

And the other disciples of the Ziyan Sect are all envious, jealous and hateful of Chen Ping!

You must know that Zhu Ling is the goddess in the hearts of many men!

The kind that makes you tremble just by looking at it!

Chapter: 6714

Such a goddess was actually slept with by Chen Ping!

Just thinking about it makes me jealous!

“Junior brother, when did you sleep with Senior Sister Zhu Ling?”

Wei Qing was very puzzled. He had been with Chen Ping during this period, and he didn't see any chance for Chen Ping!

Chen Ping smiled helplessly and did not answer Wei Qing!

At this time, Huo Yuanting was stunned when he heard the old sect leader's words. He didn't expect Chen Ping to be with Zhu Ling!

Think about it, my son was kicked out of Ziyang Sect just for teasing Zhu Ling a little bit!

But now that Chen Ping has slept with Zhu Ling, nothing happened!

“Hmph, this is just your one-sided statement. No matter what, this Divine Fire Seal must not be in Chen Ping's hands.”

After Huo Yuanting finished speaking, he snatched the divine fire seal from Chen Ping's hand!

This guy wants to take the Divine Fire Seal back into his own hands!

“Don't overestimate your own capabilities...”

Facing Huo Yuanting, Chen Ping showed disdain!

I saw a flame aura erupting from the Divine Fire Seal, and the monstrous flame aura crashed down towards Huo Yuanting like a mountain!

Click, click, click...

Huo Yuanting's body was shaken, and he felt his body creaking under the pressure, and he fell to the ground instantly!

This aura made it impossible for Huo Yuanting to get up!

Huo Yuanting, who was in the Mahayana realm, was lying like a dog at this moment!

Huo Yuanting struggled desperately, but the more he struggled, the more difficult he felt to breathe!

In the end, Huo Yuanting stopped struggling. Although there was reluctance in his eyes, there was nothing he could do!

The old sect master looked at Huo Yuanting's appearance and sighed softly: "Huo Yuanting, I have missed you in Ziyang Sect for many years, and your son is also dead. I will not kill you today, but you will be expelled from Ziyang Sect and you will never be allowed to live in Ziyang Sect." Half a step into the Purple Flame Gate!"

After the old sect master finished speaking, Chen Ping put away the flame aura!

Chapter: 6715

Huo Yuanting's face turned pale, and he looked at Chen Ping helplessly. The power of this divine fire seal was too great, and Huo Yuanting simply couldn't bear it!

But fortunately, I still retained my cultivation, I just left the Ziyang Sect!

“Elder Tian, are you willing to leave the Ziyang Sect with me? I won’t treat you badly.”

“You have followed me all these years and have offended Elder Nayu and others. If I leave, will you still have good fruits to eat?”

Huo Yuanting wants to take away his group of people!

At this time, Elder Tian and others were a little scared. Although they did not want to leave the Ziyang Sect, after all, after leaving the Ziyang Sect, they would have no fixed place to live and it would be difficult to even obtain resources!

But if you don’t leave, Elder Yu and others will take revenge, which will be troublesome!

Just when Elder Tian and others were hesitant, the old sect leader said: “Let bygones be bygones, but if anyone wants to leave, I won’t stop them!”

“Don’t listen. If you stay now, you will definitely be retaliated against in the future!”

Huo Yuanting said loudly!

“If you trust me, you can stay. If you don’t trust me, then leave!”

The old sect leader waved his hand and asked Elder Yu and others to move out of the way!

Seeing this situation, Elder Tian and others looked at each other, and then knelt down on the ground: “We trust the old sect master and are willing to do everything for the Ziyang sect...”

When Huo Yuanting saw this scene, he knew that his situation was over and no one was willing to follow him!

As the saying goes, when the tree falls, the hozen disperses. Now he is nothing, so how can anyone follow him?

“Okay, okay, okay...”

Huo Yuanting said three good words in a row, and finally jumped out of the Ziyan Gate!

He was afraid that if he stayed here longer, the old sect master would change his mind and deal with him, which would cause trouble!

After Huo Yuanting left, Chen Ping looked at the old sect leader and said: “Old sect leader, this Divine Fire Seal is the most precious treasure of your Ziyan Sect. I will use this Divine Fire Seal to refine the ultimate fire fusion technique and give it back to you!”

This Divine Fire Seal belongs to the Ziyan Sect. If Chen Ping takes it away, the future development of the Ziyan Sect will be hindered!

Chen Ping only came here to learn the fusion of fire. Although this divine fire seal is a very powerful treasure, Chen Ping can't be greedy!

He has learned the two ultimate fires of the Ziyan Sect, and also learned the True Fire Dharmakaya. More importantly, he has also inherited all the skills of Hong San, the first leader of the Ziyan Sect!

It would be a bit embarrassing if he was taking the Divine Fire Seal away!

In that case, how will the Ziyan Sect develop in the future?

Chapter: 6716

“Since this Divine Fire Seal has been recognized as its owner, then you are the sect master of our Ziyang Sect. How could the sect master hand over the Divine Fire Seal?”

The old sect leader said with a faint smile!

“No, no, no, I can’t be the leader of the Ziyang Sect. What’s more, I’m still being hunted by the Demon Sealing Alliance, which will bring trouble to the Ziyang Sect.”

“Besides, I have no fixed abode and won’t stay in one place for a long time. It’s not suitable at all!”

Chen Ping shook his head repeatedly!

But the old sect leader smiled slightly, and then saluted Chen Ping directly: “Greetings to the new sect leader...”

When Elder Yu and others saw this, they also knelt down and worshiped on the ground: “Greetings to the new sect leader...”

Wei Qing, Qian Xiu and others all looked at Chen Ping excitedly!

Their junior brother is now the new sect leader, and they are all happy for Chen Ping!

Chen Ping looked at the disciples of the Ziyang Sect who were kneeling down and smiled helplessly!

He seemed to know the old sect leader's intention, so he said: "Okay, since you all elected me, then I will reluctantly do it. Everyone, get up!"

"Master, what should I do with this guy?" Wei Qing asked, pointing at Gu Tianchao who was too scared to walk!

Chen Ping glanced at Gu Tianchao and frightened him so much that he kowtowed!

"Lock him up first. This guy has good formation skills. Let's keep him for now!"

Chen Ping wants to use Gu Tianchao to find out the details of Liangyi Sect, but not now. Now Chen Ping must seize the time to practice the art of fire fusion!

After briefly explaining a few words to the old sect leader, Chen Ping said: "Now I am going to the Divine Volcano to practice the ultimate fire fusion technique. Everything in the sect should still be in charge of the old sect leader!"

After Chen Ping finished speaking, he jumped straight towards the sacred volcano!

Hu Huangcheng!

Fox Princess Bai Qian is sitting on the throne of her palace with an extremely solemn expression!

Huo Feng and Ji Yun stood next to Bai Qian, each of them looked ugly!

"Daughter Fox Princess, the spirit boat is ready. Let's leave quickly. We won't be able to leave until the city is destroyed."

“Don’t worry, as long as Mr. Chen comes back, I believe he will help you take back Hu Huangcheng!”

Ji Yun persuaded Bai Qian!

“Bai Qian, don’t be stubborn. If the master comes back and finds that you died in the battle, he will definitely be sad.”

Chapter: 6717

“Don’t you realize that the master likes you very much? When we are together, he always sleeps with you for a long time!”

Huofeng also persuaded Bai Qian!

But Bai Qian had tears in her eyes, biting her lips, her face full of fear!

This is the country she finally conquered, but now it is about to be taken away by others!

Just when Bai Qian hesitated, Granny Zhen rushed in with scars all over her body!

“Queen, people from the Feng family are about to rush in, we’d better leave quickly!”

“The green hills are here, so don’t worry about running out of firewood. You can take shelter with me first. We will come back one day!”

Grandma Zhen persuaded Bai Qian!

Bai Qian looked at Granny Zhen who was covered in scars, and finally nodded!

She didn't want to see Granny Zhen, who had taken care of her all her life, die here!

After Xue Kun died, the Feng family knew that their hope of cooperating with Hu Huangcheng was shattered, so they gathered a lot of people to attack Hu Huangcheng!

Behind the Feng family is the Demon Feng Alliance, and there are rumors that Chen Ping is in Hu Huangcheng, so many people are interested in Hu Huangcheng!

Now Hu Huangcheng is about to be destroyed. By then, Bai Qian won't be able to leave even if he wants to!

Bai Qian followed Huofeng and others onto the airship, and then quickly flew away from Huhuang City.

Because I didn't expect that there would be an airship in Huhuang City, no one stopped the airship for a while!

Bai Qian looked at the ruins of Huhuang City and the corpses of the people, and her heart felt like a knife was twisting!

"Where are we going now?"

Ji Yun asked!

After all, Ji Yun was not very familiar with the Central Territory. He had only been to the Ji family in the Central Territory.

“Going to the Western Regions. Before I arrived at Huhuang City, I was from the Western Regions. Let’s go to my house to hide for now!”

Grandma Zhen said!

“Grandma Zhen, you are from the Western Region, I have never heard of you talking about it!”

Bai Qian was a little surprised!

“I’ve been away from home for decades, I just don’t want to mention it!” Grandma Zhen gave a bitter smile!

Chapter: 6718

Obviously, there was a reason why Grandma Zhen left, so she didn’t mention it for so long!

If she hadn’t encountered this situation this time, Granny Zhen probably wouldn’t have said anything!

At that time, Granny Zhen was left in Huhuangcheng because of her superb medical skills!

There are very few monks and pharmacists in the entire human race, not to mention the beast race, so Granny Zhen was taken in by Hu Huangcheng because of this!

“How do we notify the master? He is still at Ziyamen. If he goes to Huhuang City to find us, wouldn't he be falling into a trap?”

Huofeng asked!

“I can't contact Mr. Chen using the Jade Slips of Sound Transmission. I guess he is practicing at this time. I will contact him with the Jade Slips of Sound Transmission when I get a chance!”

Ji Yun said!

The airship flew towards the Western Region, but luckily the Feng family didn't pursue it!

At this time, Chen Ping was sitting on the sacred volcano, with his eyes slightly closed, breathing heavily, holding the sacred fire seal in his hands and hugging it to his chest!

Buzz!

A breath of fire continued to fill the air, and then within this breath of fire, a majestic, vast, pure breath was flowing!

The Six Paths of Ultimate Fire are constantly rotating around Chen Ping!

boom!

Suddenly, the color of the sky and the earth changed, and the situation turned upside down!

This sudden change caused many people in Ziyang Sect to look in the direction of the Divine Volcano!

“Father, it’s been three days, will Chen Ping be okay?”

Zhu Ling looked at the sudden change in the sacred volcano and asked with concern!

“I don’t know either, but when I merged with Ultimate Fire, there didn’t seem to be such a big movement. Maybe it’s because Chen Ping has too much Ultimate Fire!”

“Let’s go see what’s going on...”

The old sect leader took Zhu Ling and the others straight to the sacred volcano!

When they arrived at the foot of the sacred volcano, everyone looked up and were surprised to find that six different colors of auspicious clouds appeared in the sky!

These auspicious clouds gather on the sacred volcano.

Immediately afterwards, these auspicious clouds of different colors began to merge!

Chapter: 6719

The fire around Chen Ping’s body is also protecting and merging!

Above Chen Ping’s head, the source of fire stars actually flashed out, flashing with light!

Soon, countless rays of light filled the air, and the stars were as bright and gorgeous as a galaxy!

Thousands of stars' light continued to gather, and then poured into Chen Ping's original stars!

Everyone who saw this scene was breathless and stunned!

They can feel that this is the breath of the origin of fire!

But how could Chen Ping possess so many fire origins all at once?

The six paths of fire merged, and then turned into the original power and poured into the original stars!

The aura in Chen Ping's body is rising rapidly!

The colorful auspicious clouds slowly disappeared, and the last pure and incomparable essence of the fire slowly fell from Chen Ping's head into his body!

boom!

At this moment, Chen Ping's body roared instantly!

As a wave of air visible to the naked eye spreads to the surroundings, the auspicious clouds that had just dispersed above the head actually condensed!

However, this time it is not auspicious clouds, but thunder and calamity clouds as dark as ink!

“Holy crap, is my junior brother about to break through again?”

Wei Qing went crazy when he saw this scene!

Chen Ping had obviously just made a breakthrough, but it had only been a few days and he was about to make another breakthrough!

Elder Yu glared at Wei Qing fiercely and said, “Asshole, this is the sect master, not the junior brother?”

“Yes, yes, Sect Master, Sect Master is so awesome, how come you broke through so quickly?”

Wei Qing changed his words again and again!

The old sect leader, Zhu Ling and others were also shocked!

But this thunder tribulation cloud is real, lightning flashes across, and soon thunder tribulations fall from the sky!

Chen Ping himself didn't expect that using this divine fire seal to merge into fire would actually increase his level instantly!

This is only the Six Paths of Ultimate Fire. If you have dozens of Ultimate Fires, wouldn't you be able to reach the peak of the Tribulation Realm in one fell swoop?

Chapter: 6720

Thunder tribulations came down one after another, hitting Chen Ping continuously!

Chen Ping was not only excited at this moment, but also felt the slightest pain from Thunder Tribulation!

After the thunderstorm, Chen Ping's body jumped into the air!

The aura of the sixth level of the Tribulation Realm pervades the entire Divine Volcano!

Looking at the divine fire seal in his hand, Chen Ping was very happy!

He didn't expect that such a large amount of energy was gathered in this divine fire seal, which suddenly lifted him to a higher level!

However, after Chen Ping improved his level, the aura on the Divine Fire Seal was obviously much weaker!

His consciousness sank into his body, and Chen Ping saw that in his original space, the stars of the origin of fire were emitting dazzling light at this moment. The stars of the origin of fire were much brighter than other origin stars!

Chen Ping fell slowly, his restrained aura still unable to cover up the coercive force on his body!

A person who is only at the sixth level of the Tribulation Realm has a natural pressure!

It makes people shudder!

"Chen Ping, you are so awesome. I didn't expect that you would continuously fuse with the ultimate fire and even improve your realm!"

Zhu Ling ran over happily and said!

“Chen Ping, congratulations. In just three days, you have reached a new level again. This is unheard of!”

The old sect master congratulated!

“Thanks to the old sect master’s guidance and this Divine Fire Seal, otherwise I wouldn’t have been able to improve so quickly.”

Chen Ping said with a smile!

In fact, Chen Ping knew that the reason why he was able to improve so quickly was closely related to Hong San!

Hong San passed on his lifelong skills to himself, and with the blessing of the Divine Fire Seal, it was normal for Chen Ping’s strength to improve rapidly!

“You are too humble. This is just your own talent.”

“Now that you are the leader of the Ziyang Sect, how the Ziyang Sect develops in the future depends on you!”

The old sect master smiled!

“No, no, no, my position as sect leader is only temporary. After I finish handling the matter, I will leave. At that time, I will pass on the position of sect leader to Senior Sister Zhu Ling.”

Chen Ping said quickly!
