

The Order 6721

Chapter: 6721

He thought that the old sect leader made him the sect leader just to pass the position to Zhu Ling!

If the old sect leader passes the position to Zhu Ling himself, he is probably afraid that some elders will be dissatisfied!

After all, the position of the leader of the Ziyang Sect is not hereditary. It is somewhat inappropriate for the old sect leader to pass it on to his daughter!

Now if Chen Ping passes it on to Zhu Ling, then others can be silenced!

Chen Ping understood it this way, but he understood it wrong. The old sect leader did not mean this. He really wanted Chen Ping to be the sect leader!

“Zhu Ling is a woman and will get married sooner or later. She is not suitable to be the head of the family.”

“Unless you marry Zhu Ling, then she can share the important responsibilities for you!”

The old sect master said!

“This is impossible...” Chen Ping waved his hand quickly!

He can't marry Zhu Ling.

Chen Ping said that the first wedding must be for Su Yuqi. Although Su Yuqi's whereabouts are now unknown, Chen Ping firmly believes that Su Yuqi is waiting for him!

Although Chen Ping has many women, and many of them are close to each other, he will not give it to any other woman for his first wedding!

"What, you think I'm not good enough for you?"

When Zhu Ling saw this, she asked a little aggrievedly!

"No, senior sister has a good figure and good skin. She is stunningly beautiful and will be liked by all men who see her."

"It's just that I already have a girlfriend, and I have a lot of confidantes, and we already have physical intimacy, so... I'm not worthy of senior sister."

Chen Ping quickly explained!

When Zhu Ling heard this, she immediately laughed. She thought Chen Ping looked down on her!

The old sect leader laughed and said, "What does it matter? Since you can't get a wife, let Zhu Ling be your confidante."

"In this world of gods, it is normal for men to have three wives and four concubines, and it is also normal for them to practice dual cultivation together if they are in love with each other. After all, this will help improve their strength."

“Yes, you don’t have to marry me or give me any title. The world of heaven and humans doesn’t care about that. As long as you have me in your heart.”

Zhu Ling approached Chen Ping and took the initiative to hold Chen Ping’s hand!

This made Wei Qing and others laugh out loud!

The woman they never dreamed of would take the initiative to approach Chen Ping and even sacrifice herself!

Chapter: 6722

This is the gap, the gap between people!

When Chen Ping saw this, he didn’t say anything anymore. People have taken the initiative to this extent. If they don’t agree, they will be a bit shameless!

What’s more, Zhu Ling is really attractive. When I think of that night, when I accidentally saw Zhu Ling’s body, Chen Ping was still in a hurry with each other!

When everyone returned to Ziyan Gate, Chen Ping immediately went to find the imprisoned Gu Tianchao!

Gu Tianchao was imprisoned in the dungeon of Ziyan Gate, and there was a magic circle set up by Elder Cui around him!

At this time, Gu Tianchao was disheveled and his whole body had lost the high spirits he had at the beginning!

After hearing the sound, Gu Tianchao slowly said: "You are finally here..."

"Have you been waiting for me?"

Chen Ping was a little surprised!

"Of course, otherwise do you think the surrounding magic circle can trap me?"

Gu Tianchao raised his head and showed a smile!

Chen Ping glanced at it and laughed. These formations really couldn't trap Gu Tianchao!

This guy's formation skills are indeed superb!

But Chen Ping didn't understand why this guy didn't run away and was waiting for him?

"What are you waiting for me for? Do you want to beg me?"

Chen Ping asked!

"Of course I'm not begging you, I just want to do business with you..."

Gu Tianchao said!

"Business? What business?" Chen Ping suddenly became interested!

Although Gu Tianchao was disheveled and was so frightened that he almost peed, Chen Ping became wary of Gu Tianchao at this time!

Because the look this guy showed at this moment was not that of a coward!

Being a prisoner and still thinking about doing business proves that this guy is not simple-minded!

Maybe some of what they saw before were just appearances!

“I hope you can help me become the master of the Liangyi Sect.”

Chapter: 6723

Gu Tianchao said straightforwardly!

Chen Ping was stunned, this guy is the elder of Liangyi Sect, and now he wants to be the sect leader!

But how could he find him?

“How do you know I can help you? And how do you know I have that ability?”

Chen Ping asked curiously!

“Your formation skills are the most awesome I have ever seen, and you will definitely help me because I have this in my hand.”

After saying that, Gu Tianchao took out a dark red crystal from the storage space!

When Chen Ping saw the spar, he was stunned because he didn't know this kind of spar!

The aura emitted by this crystal stone is many times stronger than that of the spirit stone!

"Blood jade? How come this guy has blood jade that is only found in heaven?"

Demon Lord Chiyun was also surprised when he saw the dark red crystal!

"Senior, what is blood jade? Is it only found in heaven?"

When Chen Ping heard about the heavenly things, he immediately said excitedly!

"This is a kind of fairy jade from the heaven. For formation masters, this kind of thing is a major resource for understanding formations and increasing the strength of formations."

Demon Lord Chiyun explained!

There are not many formation mages in the heaven and human world, and it is impossible to have resources like blood jade, which is only available in the heaven world!

After hearing Demon Lord Chiyun's explanation, Chen Ping's face became more and more excited!

"This kind of thing is the most precious treasure of the formation master, and you also know that after breaking through the Tribulation Realm, the monks who reach the Mahayana Realm are already considered to be semi-immortal bodies, and the spiritual energy in their bodies will slowly transform into immortal energy."

“It’s just that when you ascend, the immortal energy in your body will be very scarce, but with this kind of thing, the formation master can replenish a lot of immortal energy.”

“Of course, this kind of thing also requires a high-level array master to use. If the level is too low and only the Fusion Realm, it will be useless at all.”

Gu Tianchao followed Chen Ping to explain, but he never told Chen Ping what this thing was called or where it came from!

“Blood jade, a kind of fairy jade from the heaven, is the most basic resource for array masters. It’s really good!”

Chen Ping pretended to be calm and said!

Gu Tianchao was stunned, his eyes widened with disbelief on his face!

Chapter: 6724

“You...how do you know this? This is impossible!”

Gu Tianchao couldn’t understand how Chen Ping knew!

You know, this kind of thing is only available to their Liangyi Sect. The reason why their Liangyi Sect’s formation techniques are so powerful is because of this blood jade!

“I know far more than you think. Although this kind of blood jade is not the best fairy jade in the heaven, it is still considered a treasure in the heaven and human world.”

“It’s just a blood jade, but you want me to help you become the leader of the Liangyi Sect. Are you overthinking it?”

Chen Ping smiled coldly!

In fact, Chen Ping has already agreed in his heart. If he has blood jade, Chen Ping will definitely make rapid progress in formations!

However, Chen Ping can’t show too much excitement, now he has reached the stage of bargaining!

Chen Ping must calm down at this moment!

Gu Tianchao frowned slightly. Originally, he wanted to brag about the blood jade, let Chen Ping regard it as a treasure, and then use the blood jade to get Chen Ping’s help!

But now Chen Ping actually knows this blood jade, and it seems that one blood jade cannot satisfy Chen Ping at all!

But as an elder of Liangyi Sect, Gu Tianchao only has one blood jade!

“Of course not. My blood jade is just a deposit. When you help me become the master of the Liangyi Sect, how about I give you ten blood jade?”

Gu Tianchao asked tentatively!

Chen Ping shook his head: "I still feel it's a bit risky."

"What do you want? Our Liangyi Sect only has a dozen or so blood jade, why don't we give you ten?"

Gu Tianchao was a little anxious!

Chen Ping saw Gu Tianchao's appearance and knew that Gu Tianchao would not lie. It seemed that Liangyi Sect really only had a dozen blood jade!

It's impossible to give them all to him, ten is already the limit!

So Chen Ping said: "It's not that I want more of this blood jade, I also want to get the essence of your Liangyi Sect's formation."

"Don't tell me that a formation sect as big as your Liangyi Sect doesn't have its essence, right?"

When Gu Tianchao heard this, he calmed down a little and said, "So you want the divine pattern of our Liangyi Sect, you just had to tell us earlier."

"Yes, I want your Liangyi Sect's divine pattern!"

Chen Ping nodded!

Chapter: 6725

In fact, how did Chen Ping know what the divine patterns of Liangyi Sect were? It was just a test, but he didn't expect Gu Tianchao to say it himself!

"Okay, I will find a way to introduce you to the ancestor of the divine patterns, but whether you can get the divine patterns and condense the divine patterns is your own business."

"But let me tell you, divine patterns are not so easy to condense, and you might become obsessed with it."

Gu Tianchao said!

"Then you don't have to worry, you just need to promise me!"

At this moment, Chen Ping was just following Gu Tianchao's nonsense. He looked like he was confident, but in fact, Chen Ping didn't know anything at the moment.

"I have a message jade slip here. When I return to Liangyimen and the time is right, I will inform you."

"As long as you help me become the leader of the Liangyi Sect, then our Liangyi Sect and your Ziyang Sect will definitely become friends forever and achieve win-win cooperation!"

Gu Tianchao said excitedly!

"Looking at you like this, you don't look like a coward. Why were you so scared at that time?"

Chen Ping asked curiously!

Gu Tianchao smiled: "If I didn't show fear and was very tough, would you still lock me up?"

“Of course not. I will kill you on the spot. How can I spare someone who threatens me?”

Chen Ping said!

“Hahaha, isn’t that right? If I didn’t do that, how could I have the cooperation we have today?”

“I originally came to help Huo Yuanting, but I came here privately, and I also secretly cooperated with Huo Yuanting. He will help me win the position of the leader of the Liangyi Sect.”

“But who would have thought that this guy failed to live up to his expectations and was defeated by you, so I can only talk to you.”

Gu Tianchao said!

“Aren’t you afraid that if I don’t agree, I’ll kill you?”

Chen Ping was a little curious. This guy could escape but didn’t. If he waited for him, he wouldn’t be afraid of killing him!

“There is no hatred that cannot be resolved by interests. As long as I give you enough interests, I believe you will not kill me.”

“This is what the world of heaven and humanity is like, and the interests are the greatest.”

“Haven’t you promised me not to kill me now?”

Gu Tianchao said with some pride!

“You are right, you can go now...”

Chen Ping also had to admit that this Gu Tianchao did have some brains.

The main reason is that the benefits given are too great, especially the blood jade, a thing from heaven, so precious!

After Gu Tianchao handed the blood jade to Chen Ping, he walked out of the dungeon!

Many people were surprised to see Gu Tianchao being let go by Chen Ping, but no one dared to say anything!

After all, Chen Ping is now the leader of Ziyang Sect!

What's more, Chen Ping's strength was obvious to everyone, and they were all shocked by Chen Ping!

Chapter: 6726

Chen Ping left the dungeon, and the old sect leader did not ask Chen Ping about letting Gu Tianchao go. After all, Chen Ping is the leader of the Ziyang Sect now, and Chen Ping has the final say in everything!

Chen Pingyuan originally planned to return to Huhuangcheng after learning the art of ultimate fire fusion, but now that Gu Tianchao is involved, it seems that he will be delayed for a few days!

But if you can get the blood jade from Liangyi Sect, it's worth staying there for a few days!

There is another thing, that is, Chen Ping is obsessed with Zhu Ling. If he leaves before she sleeps, Chen Ping will be a little unwilling!

Next, Chen Ping accepted the Jinping Ceremony, so Chen Ping no longer wanted to be the leader of the sect!

Moreover, Chen Ping also rectified the Ziyang Sect to prevent things like Huo Yuanting from happening again!

And the mess Huo Yuanting left must also be cleaned up!

Although these people all expressed their submission and stayed in Ziyang Sect, there were also many people with evil intentions among them!

Especially deacon disciples like Liu Shitong, who are completely devoid of virtue and incompetence, and have even brought shame to the Ziyang Sect!

Therefore, such people must be punished and their responsibilities reduced.

After all, Huo Yuanting has been in charge of Ziyang Sect for a while, and many villains who follow Yan's influence can no longer be reused!

Chen Ping followed the old sect leader while asking for advice and making corrections, which made the Ziyang Sect undergo quite a change in just a few days!

These are all seen by the old sect master, and he is happy in his heart!

Zhu Ling, on the other hand, stays with Chen Ping every day and strongly supports Chen Ping!

If someone else were to be the leader of this sect, Zhu Ling would be conflicted and opposed in her heart!

But when Chen Ping accepted it, Zhu Ling was extremely happy. In fact, in Zhu Ling's heart, she had long regarded Chen Ping as her man!

It's just that Chen Ping didn't take the initiative, and Zhu Ling was embarrassed to take the last step!

"Daughter, it's been several days, haven't you and Chen Ping cooked the rice yet?"

The old sect leader was a little anxious and asked Zhu Ling!

"Father, this... if Chen Ping doesn't take the initiative, then I, a girl, can't take the initiative!"

Zhu Ling blushed with embarrassment!

"You girl, what can you do if you take the initiative? You have to earn your own happiness."

"You can take the initiative to go to Chen Ping's room today. I will rest assured if you make the rice cooked."

The old sect leader urged Zhu Ling!

Chapter: 6727

Zhu Ling nodded, it seemed like she could only take the initiative!

At night, when Chen Ping was lying on the bed and slowly about to fall asleep, he heard the door of the room being pushed open gently!

Chen Ping knew who it was without even looking, so he kept pretending to be asleep!

But at this time, Chen Ping's heart was pounding!

Without anyone to accompany him during this period, Chen Ping felt a little empty!

Zhu Ling walked to Chen Ping's bed and looked disappointed when she saw Chen Ping asleep!

After much hesitation, Zhu Ling took off her clothes and slowly lay down!

But just as he lay on the bed, Chen Ping suddenly turned over!

Zhu Ling was startled: "You're not sleeping..."

"Sister, without you, how could I sleep..."

After Chen Ping finished speaking, he kissed Zhu Ling!

Suddenly a spring breeze comes overnight, and thousands of pear trees bloom!

This night, Chen Ping was so happy!

But I don't know how many men have had sleepless nights!

The goddess in my heart is no longer there!

Under the nourishment of Chen Ping, Zhu Ling becomes even more charming!

But the day after Chen Ping slept with Zhu Ling, Chen Ping received the jade slip from Ji Yun!

Only then did Chen Ping know that Hu Huangcheng had actually destroyed the Feng family, but luckily Huofeng and the others were fine and escaped to the Western Regions!

Otherwise, Chen Ping would immediately return to Hu Huangcheng!

But even so, Chen Ping didn't intend to let go of the Feng family. The Feng family was still the dog and pawn of the Demon Sealing Alliance. Chen Ping just took the opportunity to destroy the Feng family and beat the Demon Sealing Alliance!

Now that Chen Ping has reached the sixth level of Tribulation Realm, he is not afraid at all even if he encounters a first-level Mahayana monk!

However, the top priority is for Chen Ping to find resources and improve his strength as soon as possible!

Only when you are strong enough, you don't have to be chased by the Demon Sealing Alliance. Then you can trample the Demon Sealing Alliance under your feet and treat them like ants!

Now that Chen Ping has complete control of the Ziyang Sect, if he pushes Gu Tianchao to the position of the leader of the Liangyi Sect, Chen Ping believes that the Liangyi Sect will also be used for him!

Chapter: 6728

In addition, there is a Ji family in Zhongyu who can help. Chen Ping, combined with these people, should have no problem dealing with a Feng family!

Chen Ping can't just run away, he also needs to show his strength when necessary!

In the evening, Chen Ping received a notice from Gu Tianchao, telling Chen Ping an address!

Let Chen Ping wait for him at that address!

Chen Ping went without any hesitation. He was not afraid that Gu Tianchao would lie to him and set an ambush!

Because Gu Tianchao is not stupid, but also very smart!

So smart people would never do this!

Chen Ping followed the place given by Tianchao and came to a hill thousands of miles away from Ziyang Gate!

The environment on the mountain is very good. Compared with the hot desert land of Ziyangmen, I don't know how much better it is!

When Chen Ping arrived, Gu Tianchao was already waiting for him!

"I have tested the ancestor of the divine pattern, and he is unwilling to see outsiders."

“Now if you want to meet the ancestor of the divine pattern, there is only one way, and that is to pretend to join our Liangyi Sect.”

“I can be your guide. With your formation skills, it is more than enough for you to join our Liangyi Sect.”

“You can continue to use the method you used at Ziyang Sect to help me win the position of the leader of Liangyi Sect!”

Gu Tianchao said!

“Ask me to join your Liangyi Sect? Won't I be found out?”

Chen Ping asked curiously!

You know, the people in Liangyi Sect are all formation masters. If you want to change your aura and appearance, it is very difficult to deceive these people!

“Don't worry, no one dares to mess with the people I bring. I still have the right to speak the truth in Liangyimen.”

Gu Tianchao is very confident!

“Then why do you still insist on being the leader of this sect?” Chen Ping asked curiously!

“Of course it's for resources. Only the sect leader at that time has the right to condense the divine patterns and distribute the blood jade.”

“Although I can mobilize anyone from Liangyi Sect now, I can’t make the final decision regarding the allocation of resources!”

Gu Tianchao explained!

Chapter: 6729

Chen Ping knows that everything is caused by resources, and resources are the most important in the world of heaven and humans!

Even if you can command thousands of troops, it is better to own a large land of resources!

“Okay, I promise you!”

Chen Ping nodded!

Seeing Chen Ping’s promise, Gu Tianchao said curiously: “You agreed to me so quickly. Aren’t you afraid that I would deceive you into going to Liangyi Gate and then arrest you directly and send you to the Demon Sealing Alliance?”

Now that Gu Tianchao knew Chen Ping’s identity, Chen Ping still dared to agree, which made Gu Tianchao a little strange!

“Hahaha, you are a smart man, I believe you would not do this.”

“What’s more, I am absolutely sure that I will kill you all when you try to catch me.”

Chen Ping laughed, his eyes full of confidence!

Gu Tianchao could only smile bitterly when he saw Chen Ping’s confident look!

He saw with his own eyes that Chen Ping defeated Huo Dong and used the demon soul in his body to defeat Wei Tianya, the leader of the Ghostface Sect!

He also stepped on Huo Yuanting’s feet directly, so that Huo Yuanting did not dare to make mistakes!

With this kind of strength, if you really have to fight hard!

Their Liangyi Sect may not necessarily be able to catch Chen Ping, especially because Chen Ping’s formation technique is so powerful!

Thinking back to the time when his blood-refining cage was broken open by Chen Ping, Gu Tianchao was really frightened!

“What I need is the position of the sect leader. As for the hundred-year sacrifice of the Demon Alliance, I am not interested.”

“You and I are both smart people. We know what we can and cannot want.”

“If you insist on doing things beyond your capabilities, the result will be like Huo Yuanting and his son, who end up with nothing.”

Gu Tianchao said with a smile!

Listening to Gu Tianchao's words, Chen Ping was a little impressed!

This guy is not only smart, but also content and knows what he can get!

You can fight for the position of the leader of the Liangyi Sect, but Gu Tianchao doesn't want the hundred-year tribute from the Demon Sealing Alliance, and he doesn't have the strength to do so!

"let's go....."

Chen Ping plans to follow Gu Tianchao to Liangyi Gate!

Chapter: 6730

But as soon as Chen Ping finished speaking, a strange aura suddenly enveloped his head!

Chen Ping was shocked. He was still confident that Gu Tianchao didn't dare to deceive him, but he didn't expect it to come so soon.

"How dare you lie to me..."

Chen Ping's eyes widened, making Gu Tianchao look confused!

"No, I don't. This is..."

Gu Tianchao's eyes were also shocked. Before he finished speaking, several rays of light quickly hit Gu Tianchao!

Gu Tianchao rolled his eyes and fainted!

Chen Ping was dumbfounded when he saw this scene. He originally thought it was a formation set up by Gu Tianchao to target him!

However, this formation actually went straight towards Gu Tianchao, which made Chen Ping a little confused!

"Who is it that has the ability to come out..."

Chen Ping was actually very panicked at the moment. The other party quietly set up a magic circle above their heads, and they didn't even notice it!

What's even more frightening is that Chen Ping can't even see the other party's figure!

While speaking, an eye began to appear on Chen Ping's forehead, and the Tianming Eye shrouded the surroundings!

Chen Ping wanted to see what method the other party used to prevent them from seeing it!

It shouldn't be a simple invisibility technique. If it is an invisibility technique, there is no way to hide the breath of the body!

It can also be detected through breath. Invisibility can only deceive vision, but there is no way to hide it from divine perception!

As he didn't open it, Chen Ping discovered that a strange-shaped rune was floating above his head. Chen Ping grabbed it with all his strength, and then a fire rose up, turning the rune into ashes!

But when Chen Ping felt strange, after the runes turned into ashes, the ashes slowly fell and turned into runes again!

Chen Ping's passion just now was in vain, and he didn't burn the rune at all!

Chen Ping frowned, feeling increasingly uneasy!

At the same time, a supreme fire rose up from the palm of his hand and was shot out instantly. The area several feet in front of him was filled with supreme fire.

After the fusion of Ultimate Fire, Chen Ping's Ultimate Fire became much more powerful!

But now it can't even burn a single rune. This is so strange!

While playing the ultimate fire, Chen Ping also increased his vigilance!
