

The Order 6781

Chapter: 6781

It was still broken open by force!

Everyone has their mouths so big that they can fit an egg in their mouths!

They couldn't believe that Chen Ping actually did it!

Even Baicao was a little shocked. He didn't expect Chen Ping to be so powerful, cutting through three formations with one sword!

Forget about Peng Wu, he was dumbfounded. He stared blankly at the martial arts field and muttered to himself: "Impossible, this is impossible, how is it possible?"

"He is only a sixth-grade monk in the Tribulation Realm. How could this happen?"

Peng Wu was very confused. He didn't understand how Chen Ping did it!

But the facts are in front of him, even if Peng Wu doesn't believe it!

"Mr. Chen, you are awesome..."

Gu Tianchao jumped up happily and cheered for Chen Ping!

In the entire Liangyi Sect, only Gu Tianchao shouted excitedly!

At this moment, Gu Tianchao no longer worried about Peng Wu's feelings. Anyway, Peng Wu would no longer be the sect leader, so Gu Tianchao was no longer afraid!

Chen Ping jumped down from the martial arts arena, walked to Peng Wu and said: "Master Peng, I accept the concession, can you give me the magic pen in your hand?"

Peng Wu held the magic pen, which was his lifeblood. He was not willing to give it to Chen Ping like this!

"You're cheating. This is impossible. You can't forcefully break my formation."

"I don't believe you are so powerful. Master Bai must be helping you behind the scenes."

This guy Peng Wu is starting to cheat!

He didn't believe that Chen Ping had such ability. Baicai must be secretly helping behind the scenes!

"Peng Wu, are you trying to cheat?"

Baicai frowned and said!

Feeling the terrifying aura on Bai Jue's body, Peng Wu shook his head and said, "Master Bai, I'm not trying to be shady, but I don't believe he has this strength."

"Now you can let him set up a formation, and I will break his formation. That's what I said at the beginning."

"He broke through my three formations with one stick of incense, and I can break through his three formations with one stick of incense."

Peng Wu didn't want to hand over the magic pen, nor did he want to hand over the position of the clan leader!

Now he can only act like this!

"Peng Wu, you weren't just..."

Baicaï wanted to refute Peng Wu, but was interrupted by Chen Ping with a wave of his hand. Then he looked at Peng Wu with a sneer and said: "Okay, you only need to break through one of my formations with one stick of incense, then you will win."

"This is what you said, set up the formation..."

When Peng Wu heard this, he suddenly became energetic again!

He didn't believe that Chen Ping could set up any profound magic circle!

On the martial arts field, Chen Ping carved several formation patterns with his hands, and then the formations suddenly fell down to form a magic circle!

Seeing Chen Ping setting up a magic circle so easily, then this magic circle must not be too powerful!

When Gu Tianchao saw this, his originally happy expression became nervous again!

Chen Ping and Peng Wu competed, and Gu Tianchao was anxious to get angry!

“With this formation, I can’t even use a stick of incense.”

Peng Wu saw the formation laid out by Chen Ping. It was an extremely simple formation. This formation was the best to crack!

Peng Wu jumped onto the martial arts field, then moved his hands through the void, and rays of light lit up, and he began to look for the formation eye!

Soon, Peng Wu found the position of the formation eye. Then Peng Wu happily stepped forward and patted the position of the formation eye with a light palm!

At this moment, the formation suddenly dissipated!

“Hahahaha, this formation is too simple...”

“I won, I won...”

“Hahaha.....”

Peng Wu laughed crazily!

Chapter: 6782

Everyone stared blankly at Peng Wu laughing, with a confused look on everyone’s face!

“What’s going on, Master? Are you stupid?”

“This formation hasn’t been broken yet, why are you laughing and saying you won?”

“Isn’t it because you were stimulated?”

Everyone looked at Peng Wu in confusion and started talking about it!

Gu Tianchao was also a little confused and didn’t know what Peng Wu was doing!

Only Baicai smiled faintly, looked at Chen Ping and said, “Junior brother, your illusion formation is really extraordinary...”

“Where, where, Senior Brother Bai saw through it at a glance...”

Chen Ping said with a modest smile!

It turned out that Peng Wu didn’t break the formation at all. As soon as he came on stage, he was hit by Chen Ping’s illusory formation, but he didn’t know it!

So in the phantom formation, he felt that he had broken through the formation and won the competition!

That’s why I laughed crazily and said I won!

In the eyes of everyone below, Peng Wu just came on stage and made a few random gestures. The formation was still there, so he started laughing crazily!

At this time, Peng Wu was like a clown, being pointed at by others!

An elder couldn't stand it anymore, so he could only hurry up and wake up Peng Wudao: "Sect Master, you must have been hit by the illusion array. Why are you smiling so stupidly?"

"What? Am I hit by a magic circle?"

Peng Wu frowned and quickly shook his head. Then he turned around and found that the formation was intact behind him!

This time, Peng Wu was dumbfounded!

He had clearly broken the formation just now, why did he appear again!

But just when Peng Wu was about to break the formation, Gu Tianchao shouted: "It's time to burn incense..."

With Gu Tianchao's shouting, the magic circle set up by Chen Ping slowly disappeared!

This move had to make everyone admire him very much!

You must know that it is the most basic for the formation master to lay out the formation, but if the formation can be kept for time and the calculation is accurate, then not everyone can do it!

Even Peng Wu doesn't have this kind of strength!

Chapter: 6783

But Chen Ping deployed the formation, and as soon as the time for burning the incense was up, the formation disappeared on its own!

It can be seen that Chen Ping's control of this formation has reached the extreme!

Peng Wu came down dejected, but at this time he was already convinced in his heart!

He never expected that he would already be hit by Chen Ping's phantom formation as soon as he entered the martial arts arena. Chen Ping was too powerful!

Whether it was breaking through three of his formations with one sword, or letting himself be hit by the illusion formation silently, Peng Wu knew that he couldn't match Chen Ping's!

"I lost....."

Peng Wu handed his magic pen to Chen Ping!

After Chen Ping took the magic pen, Peng Wu left without looking back. He had no shame to stay at Liangyi Gate!

Chen Ping did not dissuade him, he knew that this would definitely be the result!

What's more, Peng Wu's character is not good and he is still cheating. Even if he stays in Liangyi Sect, he will be a disaster!

This time, Chen Ping defeated Peng Wu, so no one would object to him becoming the leader of the sect!

Especially these people have seen Chen Ping's strength!

Chen Ping successfully became the sect leader of Liangyi Sect and named Gu Tianchao as the deputy sect leader!

After giving two of the blood jade from the Liangyi Sect to Bai Jue and giving them to the Divine Pattern Patriarch and the Array Demon, Chen Ping pocketed all the remaining blood jade!

After re-establishing the rules and order for Liangyi Sect, Chen Ping planned to leave Liangyi Sect!

Moreover, the management power of Liangyi Sect was still handed over to Gu Tianchao!

This can be regarded as fulfilling Gu Tianchao's wish!

After explaining everything, Chen Ping asked Baicao to say goodbye to the ancestor of Divine Patterns and the Array Demon, and then returned to the Purple Flame Sect!

After leaving for the past few days, Zhu Ling missed Chen Ping so much that she had a good time making out with Chen Ping!

However, Chen Ping still wanted to go to the Western Regions to find Huofeng and the others, so he did not fall into Zhu Ling's gentle land!

After handing Zhu Ling a token, Chen Ping embarked on the road to the Western Regions!

This token was used to let Zhu Ling go to Liangyi Sect to find someone when Ziyang Sect was in danger. This is the token of the leader of Liangyi Sect!

Western Region, Yongle City!

Yongle City is an ordinary city in the central part of the Western Region. There is nothing special about the size of the families in the city, the surrounding resources, or even the geographical location!

Chapter: 6784

But the only praiseworthy thing about Yongle City is that the four big families in Yongle City are all medical families!

Grandma Zhen's Zhen family is one of them. Although Grandma Zhen has been away from home for decades, for a monk, decades are not too long!

You must know that there are not many pharmacists in the entire heaven and human world, and there are four medical families in Yongle City at once, which is definitely a handful. Yongle City is also known as the Medicine City.

Because there are not many resources around Yongle City, and there are no mountain monsters, plus the four major medical families in Yongle City, many monks dare not make mistakes, so Yongle City has become a safe city!

Many people who don't care much about cultivation will move to Yongle City and live a stable life!

And those who are strong and dedicated to cultivation will not come here. After all, there are no resources here!

However, in Yongle City, there is a very special person. Not only has he obtained the qualification of Medicine Master, but his strength has also reached the Mahayana realm!

You must know that it is very difficult to practice as a pharmacist. A pharmacist who can reach the Mahayana realm is definitely an awesome existence!

But there is such a person in Yongle City, and this person does not belong to any of the four major families!

Even the Pharmacist Association of the Western Regions tried its best to invite this person to be its president, but he was ruthlessly rejected!

This person's name was Zhongqing. He had no Taoist companions in his life. He practiced or gave alms every day. Countless people came to him for treatment, but he didn't take any money from them!

Therefore, this love has a very high status in the entire Yongle City and is respected by everyone!

"Grandma Zhen, why do you look so depressed when you get home? It's like you don't want to go home."

"You haven't been out in the past few days, is there something wrong?"

Bai Qian discovered that Granny Zhen had never left the house since she returned home, and she had never smiled!

Moreover, the people in the Zhen family seemed a little cold towards Granny Zhen. Logically speaking, she should be very affectionate after not seeing her for decades.

But apart from setting aside a yard for Granny Zhen and Bai Qian to live, the Zhen family didn't care about anything else!

And Granny Zhen seems to never communicate with the Zhen family or go out!

"I'm fine, I just don't want to go out."

Grandma Zhen shook her head and said!

“Demon Princess, Fire Phoenix, Mr. Chen has come to convey the message. He has already rushed here. I have given him a place.”

Ji Yun happily ran to follow Bai Qian and Huofeng and said!

“Ask him to come here in the teleportation array. How can he reach such a long distance without a spirit boat?”

“Recently, Yongle City will hold a pharmacist conference. Many pharmacists from the entire heaven and human world will come to Yongle City to discuss and learn.”

Chapter: 6785

“There will be a pharmacist association in every region, and each pharmacist association will have a teleportation array to teleport to Yongle City.”

“Just ask Mr. Chen to go to the Medicine Master Association in the Central Region and teleport here. I believe the teleportation array will be activated during this period.”

When Granny Zhen heard that Chen Ping was heading towards the Western Region, she said!

You must know that the Purple Flame Gate in the Central Region is tens of thousands of miles away from Yongle City in the Western Region. They have crossed the region. If Chen Ping runs over, even if he has fire-bending steps, it will take a lot of time and consume a lot of spiritual power. !

If there is a teleportation array, it will be much easier. The most important thing is to spend some spiritual coins!

However, this teleportation array is not available everywhere. It just so happens that there is a teleportation array in Yongle City, which connects the pharmacist associations in major regions. Chen Ping can also teleport there!

When Ji Yun heard this, he quickly took out the sound transmission jade slip and followed Chen Ping and explained it in detail!

Chen Ping is also worried. If he runs to the Western Region, he will be exhausted to death. Now that he heard that there is a teleportation array, it will be much more convenient!

After talking to Chen Ping, Ji Yun was about to turn around and leave. After all, this was Granny Zhen's room, and Ji Yun couldn't stay long!

But just as Ji Yun walked out of the door, he was shocked!

"who are you?"

I saw a person floating there in the mid-air outside the room, with his head full of white hair flowing in the wind!

Seeing someone suddenly, Ji Yun was ready to take action at any time!

When Bai Qian and Huofeng heard Ji Yun's voice, they rushed out and looked up into the air. When they saw the white-haired old man in the air, they immediately became vigilant!

"Who are you? Why are you breaking in here?"

Bai Qian asked sharply!

But the white-haired old man didn't say a word, just stared at the house blankly!

"It's really strange. This is the Zhen family. It is said that the Zhen family is also one of the four major families in Yongle City. How come people can break in and there is no movement at all?"

Huofeng said very strangely.

"Yes, why didn't I see anyone from the Zhen family stopping me? It's really strange..."

Bai Qian also felt very strange!

At this time, the white-haired old man slowly fell from the air, his eyes constantly looking into the room!

Bang!

Suddenly, Granny Zhen was in the room and she closed the door!

Chapter: 6786

It shocked Bai Qian and Huo Feng and locked them out!

"Zhen Ni, I know you are back. Please see me. I have been waiting for you for decades and have never left Yongle City."

The white-haired old man suddenly said!

This sentence by Zhen Ni made Bai Qian, Huo Feng and the others confused!

“Bai Qian, who is Zhen Ni?” Huo Feng asked!

“I don’t know either?” Bai Qian shook her head!

“What’s Grandma Zhen’s name? If you don’t know her name, just call her Zhen Ni?”

Ji Yun whispered!

“I don’t know Grandma Zhen’s name. I always call her Grandma Zhen.”

“Grandma Zhen’s name is really Zhen Ni, right? It sounds like a really nice name.”

Bai Qian doesn’t know Granny Zhen’s name either!

But at this moment, Granny Zhen’s voice sounded in the room: “Zhong Qingqing, get out of here, you ruthless and unjust guy...”

Grandma Zhen was very angry when she heard her voice.

Bai Qian and the other three looked at each other and were stunned. It turned out that Granny Zhen’s name was really Zhen Ni!

And this white-haired old man is called Zhong Wuqing. What is his name?

“Zhen Ni, my name is no longer Zhong Qingqing, my name is Zhong Qing. I only love you. Please see me.”

“I know it was all my fault in the past. I just ask you to forgive me. As long as you forgive me, you can do anything you want me to do.”

Zhongqing prayed hard!

“Get out, get out now, I won’t believe you. If you don’t get out, then I will leave Yongle City immediately so that you will never find me.”

Grandma Zhen yelled angrily!

“Okay, okay, I’ll get out, I’ll get out...”

Zhongqing gave in, he was really afraid that Granny Zhen was leaving!

Bai Qian and Huo Feng looked at Zhongqing in shock. Although they didn’t know what was happening at this moment, they also knew that Granny Zhen must be related to the old man in front of them!

“Who are you to Zhen Ni?” Zhong Qing looked at Bai Qian and the others and asked!

“We are from the Central Territory. We were chased by our enemies and fled here with Granny Zhen.”

“Grandma Zhen has been taking care of me for these decades.”

Bai Qian said!

“Oh, that’s it.” Zhong Qing nodded, then took out a white handkerchief with some words written on it in blood, handed it to Bai Qian and said, “Please give this to Zhen Ni. This handkerchief was also hers back then. Give it to me, I hope she can take a look...”

After handing the handkerchief to Bai Qian, Zhong Qing jumped up and disappeared without a trace!

Chapter: 6787

Bai Qian looked at the blood-written handkerchief in her hand and didn’t know what to do for a moment!

She didn’t know what the relationship between this white-haired old man and Granny Zhen was!

After much hesitation, Bai Qian walked in holding a handkerchief!

Huofeng and Ji Yun looked at each other and followed them into the room.

They are very curious, so they also want to listen to this kind of gossip!

“Grandma Zhen, this is what the old man gave you...”

Bai Qian handed the handkerchief to Granny Zhen.

Grandma Zhen looked at the handkerchief, obviously stunned for a moment, and finally took it with trembling hands!

“Grandma Zhen, what is your relationship with that old man?”

Bai Qian asked curiously!

Granny Zhen did not speak, but looked at the handkerchief in her hand, then waved her hand and said: “Go out, don’t ask anymore...”

It was obvious that Granny Zhen didn’t want to talk, and she didn’t want to leave the room, probably because she was afraid of seeing that love!

The two people must have had a relationship before, but later they separated for some unknown reason!

Grandma Zhen left the Western Regions in despair, and finally arrived at Huhuang City!

Bai Qian saw that Granny Zhen didn’t want to talk, so she didn’t dare to ask any more questions and left with Ji Yun and Huofeng!

Grandma Zhen held a handkerchief and shed tears silently!

At this time, Chen Ping, after receiving the message from Ji Yun, began to look for the Medicine Master Guild in the Central Region!

After finding out the location of the Zhongyu Pharmacist Association, Chen Ping went there non-stop!

The Medicine Master Club of the Central Region is located in a small town!

The town is surrounded by mountains. Usually few people come here, but because of the Yongle City Pharmacist Conference this time, many pharmacists have gone here, preparing to take the teleportation array to teleport to Yongle City!

When Chen Ping arrived here, the town was already overcrowded and there was no place to live!

Many pharmacists are at the foot of the surrounding mountains, looking for a place to live!

And in the very center of the town, a huge and towering building is where the Pharmacist Association of the Central Region is located!

The building of the Zhongyu Pharmacist Association is majestic and majestic, with different heights and very heroic. This also shows that the profession of pharmacist is really rich!

Chapter: 6788

Whether it is the secular world or the current world of gods and humans, those who are related to medicine will make a fortune!

No hospital in the secular world is built magnificently. This is the most profitable business!

In the small town, pharmacists are constantly passing through in groups, many of whom are wearing brand-new pharmacist uniforms.

Chen Ping, who was unfamiliar with the place, looked at the pharmacist meeting in front of him and planned to go in and ask how long it would take to take the teleportation array!

But just when Chen Ping was about to walk into the Pharmacy Association, someone suddenly called him!

“Mr. Chen, is this Mr. Chen?”

Someone asked Chen Ping!

Chen Ping frowned slightly. He didn't expect that in such a small town, there would be people who knew him!

When Chen Ping turned around and looked over, he was stunned!

“Nie Heng?”

Chen Ping looked at the person calling him in front of him and couldn't believe it!

The opponent turned out to be Nie Heng from the Jade Cauldron Sect.

“Mr. Chen, it's really you. I thought I was wrong.”

Nie Heng rushed over and hugged Chen Ping happily!

There are still tears of excitement in my eyes!

“Nie Heng, you are not in the Jade Cauldron Sect, why are you here? Where is Ruyan?”

Chen Ping asked!

“I accompanied the eldest lady to attend the pharmacist conference in Yongle City. Now the eldest lady lives in an inn not far away. I will take you there.”

“You have been gone for so many days, and the eldest lady has been thinking about you every day!”

Nie Heng pulled Chen Ping and headed towards the inn!

Chen Ping actually missed Liu Ruyan and the others, but things kept happening, and Chen Ping had no chance to return to the Northern Territory to see them!

When Nie Heng dragged Chen Ping to the inn and entered Liu Ruyan’s room!

Liu Ruyan was sitting at the window, staring blankly out of the window!

“Nie Heng, have you ever asked when the teleportation array will be repaired?”

Chapter: 6789

Hearing the sound at the door, Liu Ruyan did not look back, but asked lightly!

“Miss, I didn’t ask.”

Nie Heng said!

“Why didn’t you ask? Could it be that if we can’t repair the teleportation array, are we waiting here all the time?”

“When did you become so unreliable in doing things?”

Liu Ruyan looked a little angry and spoke in a heavier tone!

“Miss, I met an acquaintance on the road, so I didn’t ask.”

Nie Heng said!

“Acquaintance?” Liu Ruyan paused for a moment, then continued: “When did you have an acquaintance in the Central Territory?”

“Miss, you also know this acquaintance.”

Nie Heng smiled slightly and said!

“I know him too? Who is it?” Liu Ruyan asked curiously, but he never looked back!

“it’s me.....”

Chen Ping spoke!

When he heard Chen Ping’s words, Liu Ruyan was stunned, and then his body started to tremble slightly!

She turned around hard, and when Chen Ping’s figure did appear in front of her eyes, Liu Ruyan’s tears couldn’t stop flowing out like the mouth of a river bursting with embankments!

Chen Ping stepped forward and gently took Liu Ruyan into his arms!

Liu Ruyan leaned on Chen Ping's arms and kept crying, the two of them didn't say a word!

Upon seeing this, Nie Heng smiled slightly, quietly retreated, and closed the door!

Chen Ping stroked Liu Ruyan's hair and comforted her silently!

Then he picked up Liu Ruyan and put him on the bed!

Liu Ruyan looked at Chen Ping and his face turned red!

More than an hour later, Chen Ping and Liu Ruyan looked out the window, with expressions of satisfaction and happiness on their faces!

"Ruyan, why did you go to the Medicine Master Guild in the Central Region to ride on the teleportation array?"

Chapter: 6790

Chen Ping was very curious as to why Liu Ruyan and the others didn't go to the Pharmacist Association in the Northern Territory!

Ji Yun said that each regional pharmacist association has a teleportation array that can teleport to Yongle City!

"The northern region is barren and there are not many pharmacists. Although there is a pharmacist association, they are simply unable to afford the maintenance and activation of the teleportation array."

“Activating the teleportation array requires a large amount of spiritual stone resources. The Medicine Master Guild in the Northern Territory simply cannot afford it.”

“There are only a handful of people from the entire Northern Territory who come to attend the Medicine Master Conference.”

“If you hadn’t allowed the Jade Cauldron Sect to integrate and fight internally, we, the Jade Cauldron Sect, wouldn’t have been qualified to participate in the Medicine Master Conference.”

Liu Ruyan followed Chen Ping and explained!

After hearing this, Chen Ping realized why Liu Ruyan came to the Central Territory to ride on the teleportation array!

“By the way, you just said that the teleportation array was broken. What happened?”

Chen Ping asked!

“We have been here for several days. The teleportation array of the Central Region Pharmacist Association has broken down. I don’t know whether it is due to disrepair or overloading.”

“It hasn’t been repaired in the past few days, otherwise there wouldn’t be so many people gathering in this town. These pharmacists are all waiting to ride on the teleportation array.”

Liu Ruyan said!

Only then did Chen Ping realize that these pharmacists were all detained here. No wonder it was overcrowded!

“Is this Pharmacist Conference just a place for pharmacists from all over the heaven and human world to learn from each other?”

Chen Ping asked!

“Yes, the main thing is to learn from each other, take the strengths of others and make up for your own shortcomings.”

“But there is also a big competition between pharmacists, which can be regarded as making friends through martial arts.”

“The Medicine Master Conference is not like other conferences held by monks, where people are beaten and killed everywhere.”

“The competition between the Medicine Masters Conference is just about comparing their respective alchemy techniques and alchemy equipment.”

“Actually, these are all competing resources. After all, whether it’s alchemy or equipment, a lot of resources are needed.”

Liu Ruyan said!

Of course Chen Ping knew that the competition between pharmacists was just a competition of alchemy skills, and there would be no bloodshed!

“Miss, let me come over to check. The formation has not been repaired yet. The exact time it will be repaired is unknown!”
