

## The Order 681

Chapter: 681

Chen Ping could feel Tang Hongying's heart at this moment. Since he was imprisoned, his father's job has disappeared, and the conditions at home have plummeted. This has also made people in his hometown point fingers!

Tang Hongying had a very strong temper. She used to have a lot of connections in her hometown and was very popular, but when her family fell into decline, everyone shunned her, even her relatives.

Tang Hongying called Chen Ping this time and asked him to go back to his hometown. It was definitely a show off. She just took advantage of Chen Yingxia's wedding to show off Chen Ping to her relatives and friends!

Although Tang Hongying doesn't know what Chen Ping does now, Tang Hongying knows that Chen Ping is capable since Chen Baoqiang's family was humiliated in the hotel and even fired from his official position!

"Mom, I'm fine. I'll rush back to my hometown today. Don't worry..."

Chen Ping hurriedly spoke to the phone.

Hearing Chen Ping's words, Tang Hongying became excited: "Okay, when you get home, I will make pickled cabbage dumplings for you. You have loved eating them since you were a child! By the way, don't forget to ask Yu Qi to come too. You should meet other people." Relatives!"

Chen Ping smiled, knowing that Tang Hongying wanted him to take Su Yuqi there so that he could show off in front of his relatives, so he nodded and said, "No problem, I'll tell her right away!"

"Well, I'll wait for you!"

After Tang Hongying finished speaking, she hung up the phone!

“I have something to do, so I won’t go to Hengshan for the time being, but you have to buy more of Hengshan’s rough stones!”

After hanging up the phone, Chen Ping said to Wu Dong.

Wu Dong nodded: “Okay, I will go to Hengshan myself to urge the mining of some rough stones!”

After Wu Dong left, Chen Ping told Su Yuqi what happened. Su Yuqi was reasonable. Although she knew that the conditions in the countryside were very difficult, Su Yuqi agreed immediately!

The two of them drove directly back to Chen Ping’s hometown!

Chen Ping’s hometown is in a rural area in Hongcheng. It was originally a small village, but after rapid development, it has changed a lot now!

When Chen Ping went back, he saw a big word “demolished” written on every house. It must be demolished. At that time, Chen Ping’s second uncle Chen Baoqiang wanted the ancestral home because it was to be demolished for development!

Just entering the village, some children were running wantonly on the streets. Chen Ping didn’t recognize any of them. He hadn’t been back for several years!

“Second uncle, third aunt, please rest!”

Not long after entering the village, several old men and women were sitting beside a neat road. Chen Ping quickly rolled down the window and said!

Chen Ping knew these people. After all, he had grown up here since he was a child. It was not until after graduating from junior high school that Chen Ping followed his father, Chen Baoguo, to the city because of his job transfer!

Seeing Chen Ping talking, several old men and women looked over. Soon a middle-aged woman recognized Chen Ping and said, "Isn't this Chen Ping? Didn't you go to jail? When did you get out?" Did you drive a big Mercedes-Benz just after you came out?"

The middle-aged woman looked at the car driven by Chen Ping and said.

Chen Ping smiled awkwardly: "Third Aunt, I just came out not long ago!"

Chapter: 682

"Oh, you came back to attend your cousin's wedding, right? Let me tell you, Yingxia is very good now. Her husband is a big boss, very rich. If you come back just in time to talk about it, maybe he can find one for you. It's a good job, go and get it..."

The middle-aged woman waved her hand and said.

Chen Ping nodded, rolled up the window and continued to drive forward. Then he looked at Su Yuqi with an embarrassed look on his face: "Rural women are like this. They speak freely but have good intentions. When I was a child, my third aunt often boiled eggs for me secretly. eat! "

Su Yuqi just smiled and said nothing. She might not understand the way rural people talk.

Soon, Chen Ping parked the car in front of a small yard. The yard was not big, but it was very clean. The five brick houses were all newly painted. This was Chen Ping's hometown. It seemed that after his parents came back, they The house is tidied up!

"Dad, Mom..."

As soon as he got off the car, Chen Ping shouted loudly.

Looking at the brick house in front of him and calling his parents, Chen Ping's mind suddenly returned to his childhood!

He always remembers that the first thing he did when he came home from school was to call his parents, then he threw his schoolbag into the yard, turned around and ran to play!

“Chen Ping, are you back?”

Tang Hongying ran out of the room happily.

“Auntie!” Su Yuqi shouted with a smile after seeing Tang Hongying.

“Oh, Yuqi is here, come in and sit down quickly!”

When Tang Hongying saw that Su Yuqi was really here, she almost jumped up with joy.

She originally thought that a young lady like Su Yuqi would not like the dirty and messy environment in the countryside. When she finished the phone call, Tang Hongying was still uneasy, wondering if Su Yuqi would come. Now she saw Su Yuqi coming, Tang Hongying was so happy!

“Where’s my dad?” Chen Ping asked Tang Hongying.

“I’m going to your second aunt’s house to see if I can help with anything!”

Tang Hongying said.

This is how it is in rural areas. If there is any happy event, everyone will help together. Because Chen Ping’s second aunt is also from Chenjia Village, she is from the same village, so it is even more important to help!

Entering the room, Tang Hongying greeted Su Yuqi, which made Su Yuqi somewhat cautious, while Chen Ping walked around several rooms, filled with memories!

“Chen Ping, this house will be demolished soon. It’s only a short look if you can. After it’s demolished, the whole village won’t know where to go!”

Tang Hongying saw Chen Ping walking around in various rooms, so she sighed and said.

“Mom, aren’t resettlement houses arranged for demolition?”

Chen Ping was stunned and asked Tang Hongying.

Chapter: 683

“Who will arrange it for you? Don’t even think about such a good thing. There is not even a rental subsidy. The ancestors in the village have lived here for generations. Now it is demolished. The family only has a few hundred thousand in demolition money. Other villages have less, but there is no room to reason. Go, your dad and I just finished cleaning up the house and spent a lot of money, we didn’t expect it to be demolished so soon!”

Tang Hongying looked very lonely!

“Mom, if the house is demolished, you and my dad can go back to Hongcheng to live. Anyway, the house in Panlong Bay has been vacant, and I don’t have time to live there!”

Chen Ping comforted Tang Hongying.

Tang Hongying glanced at Chen Ping: “Chen Ping, let me tell you, although Yuqi’s family is rich and can lend you that big house to live in, you can’t just do nothing. Yuqi will follow you then. , you can’t keep spending other people’s money, right? You are a man!”

“Auntie, you misunderstood, actually...”

“Mom, I know, I will definitely do a good job!” Chen Ping interrupted Su Yuqi directly and did not let her continue.

“It’s just that Yu Qi doesn’t dislike our family. You must treat them well. If I know that you have done something sorry for Yu Qi, I will not recognize you as my son!” Tang Hongying liked Su Yuqi very much. He casually warned Chen Ping!

A rich young lady doesn’t mind their family’s poverty and has a good personality. This kind of girl is really hard to find!

“Auntie, Chen Ping is very good to me. If he dares to feel sorry for me, I will pull his ears!”

Su Yuqi smiled and followed Tang Hongying.

“Yes, pull him hard. Then you tell Auntie, and Auntie will help you pull his ears!”

Tang Hongying also said with a smile.

“Mom, I’m still not your son. You guys are ganging up on me!”

Chen Ping was speechless for a while, but his heart was full of happiness!

“Hahaha.....”

Su Yuqi laughed out loud when she saw Chen Ping like that!

“Brother Chen Ping, Brother Chen Ping...”

This is, there is a girl’s voice outside calling Chen Ping!

When Chen Ping heard the voice, he knew it was Chen Yingxia, so he ran out!

Chen Yingxia is a few years younger than Chen Ping, and the two families are from the same village, so Chen Yingxia has followed Chen Ping like a follower since she was a child. In order to protect Chen Yingxia, Chen Ping often fights with others. The relationship between the two brothers very good!

It's just that they haven't seen each other for many years, but Chen Ping misses this cousin very much!

When Chen Ping ran out of the room, he saw in front of him a tall girl, over 1.7 meters tall, with a ponytail tied on her head and two shallow dimples when she smiled!

"Welcome summer?" Chen Ping shouted tentatively!

Chapter: 684

"Brother Chen Ping, don't you recognize me?"

Chen Yingxia said with a smile.

"I really don't dare to admit it. You are growing up too fast. You are as tall as me!"

Chen Ping circled around Chen Yingxia in surprise, and then compared his heads again!

The two have not seen each other for four or five years. At that time, Chen Yingxia was just a little girl in the 14th and 15th years of age, but now she has become a big girl!

"It's because you are growing slowly. I will surpass you in another two years!" Chen Yingxia raised her head and said, "I just heard from the third aunt at the entrance of the village that you are back. You bought the big Mercedes-Benz outside, right?"

"It's from a friend!" Chen Ping said with a smile!

This car belongs to Su Yuqi. Chen Ping didn't buy a car himself, because both Su Yuqi and Lin Tianhu have cars, and there are quite a lot of them, so Chen Ping has no shortage of cars to drive!

“Oh!” Chen Yingxia said oh, and then asked: “I heard from the third aunt that you brought a very beautiful girl here. Is she your girlfriend?”

Chen Ping smiled and nodded. This rural woman’s ability to spread news is probably faster than the Internet!

“Where is it? Take me to see you quickly!”

Chen Yingxia pulled Chen Ping and walked towards the house!

As soon as she entered the door, she was met by Tang Hongying and Su Yuqi, who were preparing to come out to greet her!

“Auntie!” Chen Yingxia shouted after Tang Hongying.

“Yingxia, you are getting married soon, why are you still running around?”

Tang Hongying asked Chen Yingxia.

“There were too many people at home and it was too noisy, so I ran out to get some air!”

After Chen Yingxia finished speaking, she looked at Su Yuqi next to Tang Hongying and said with surprise: “Is this my brother Chen Ping’s girlfriend? She’s so beautiful, like a fairy!”

Hearing what Chen Yingxia said, Su Yuqi’s face immediately turned red, but her heart felt beautiful.

“My name is Su Yuqi!” Su Yuqi stretched out her hand and said.

“Sister-in-law, my name is Chen Yingxia...”

Chen Yingxia hurriedly stretched out her hand and shook it with Su Yuqi!

“Okay, you guys go and talk in the house, I’ll go check out Ying Xia’s house!”

After Tang Hongying finished speaking, she left!

Chapter: 685

When several people returned to the room, Chen Yingxia kept looking at Su Yuqi, which made Su Yuqi feel a little embarrassed.

“Yingxia, what are you always looking at?”

Chen Ping hurriedly reminded Chen Yingxia.

“I think my sister-in-law’s outfit is not cheap. It’s all famous brands, and the earrings are Cartier, which are very expensive!”

Chen Yingxia said with envy: “Sister-in-law, what does your family do?”

Su Yuqi didn’t expect that this little girl Chen Yingxia was quite knowledgeable. She smiled lightly and said, “She’s doing some small business!”

After saying that, Su Yuqi took off the earrings: “Yingxia, your brother and I came in a hurry and didn’t buy you any gifts. If you like these earrings, then give them to you!”

Chen Yingxia waved her hand hurriedly and backed away in fright: “Sister-in-law, this is too expensive, I don’t dare to ask for it!”

“What’s precious? This is my sister-in-law’s wish!” Su Yuqi said, forcing Chen Yingxia to put it on him directly: “Look at how beautiful it is. It will look even better when you put it on when you get married!”

“Brother Chen Ping, forget it, there’s no point in telling you, things are already like this, and I’ve looked away!”

Chen Yingxia wiped away her tears and forced out a smile.

“Yingxia, tell me, I will definitely be able to help you...” Chen Ping said anxiously!

Chapter: 686

“Yingxia, just tell me, I believe we can help you!”

Su Yuqi also said to Chen Yingxia.

Chen Yingxia looked at Su Yuqi, then nodded and said, “Brother Chen Ping, do you still remember Chen Gouzi?”

“Of course I remember. Isn’t he the guy who stopped going to school very early and collected protection money at the school gate all day? This kid even kicked me back then!”

Chen Ping nodded and said.

“I just married him...”

Chen Yingxia lowered her head and bit her lip and said!

“What?” Chen Ping suddenly raised his voice and his eyes widened: “That Chen Gouzi is just a gangster. He hasn’t even graduated from junior high school. Why are my second aunt and others willing to let you marry him?”

Although Su Yuqi didn’t know this Chen Gouzi, she heard that he was not a good person. She also looked at Chen Yingxia in confusion. After all, Chen Yingxia had a good figure and appearance. How could she marry such a person!

Chen Yingxia's eyes turned red, she started crying again, and started to slowly follow Chen Ping's words!

After hearing this, Chen Ping's face turned livid, and with a fierce slap, a solid wood table instantly shattered!

"This Chen Gouzi is so abominable, he is simply not human!"

Su Yuqi was also very angry!

It turns out that Chen Gouzi has always been a small gangster, and later he became famous throughout Anhe Town. With the development of Hongcheng, many towns and villages below also followed the reforms. Anhe Town attracted investment and engaged in real estate construction, and as a small gangster Chen Gouzi took the opportunity to contract earthwork projects and suddenly became rich!

Now Chen Gouzi cooperates with the developer for demolition. As long as the developer can't negotiate, Chen Gouzi will bring people there, beating and scolding people to sign the agreement. Gradually, everyone in Anhe Town is afraid of this. Chen Gouzi.

Chen Gouzi fell in love with Chen Yingxia, who was in high school, and went straight to the school. The principal was so scared that Chen Yingxia was expelled, and Chen Gouzi threatened Chen Yingxia with Chen Yingxia's parents, so Chen Yingxia had no choice but to agree to marry him!

For this reason, Chen Gouzi valued Chen Yingxia's house at one million during the demolition valuation, and other families in Chenjia Village also valued it a little more. This made the entire Chenjia Village happy and regarded Chen Gouzi as a Benefactor, but no one knows Chen Yingxia's suffering!

"It's so damn..."

Chen Ping gritted his teeth, his eyes filled with murderous intent!

If Chen Gouzi wants to marry a girl from another family, Chen Ping will give up. After all, there are too many such things. In many places, gangsters cooperate with developers to bully the people. Chen Ping can't control it. He is not a savior. !

But now Chen Gouzi actually has his mind set on Chen Yingxia, but Chen Ping won't agree!

"Brother Chen Ping, don't be impulsive. Things are like this. I have already looked away. Chen Gouzi has a group of people, and I heard that he is still in contact with some underground emperor in Hongcheng. Those people are all He kills without blinking an eye, and I don't want you to take risks for me!"

Seeing Chen Ping's angry look, Chen Yingxia hurriedly persuaded him.

"You mean Lin Tianhu?"

Chapter: 687

Chen Ping asked.

Chen Yingxia thought for a while: "It seems to be called Tiger. I only heard Chen Gouzi mention it occasionally!"

"Yingxia, since you don't want to get married, leave this matter to me and I will help you handle it. Then I will find a school for you in Hongcheng. You must go to school well and you must not be uneducated!"

Chen Ping said to Chen Yingxia.

"Brother Chen Ping, you..."

"Yingxia, trust your brother, he can handle it well, don't worry!"

Before Chen Yingxia could finish speaking, Su Yuqi took Chen Yingxia's hand and said.

Yingxia didn't speak, but she didn't have any hope, she had already accepted her fate!

After a while, it was getting dark outside, and Tang Hongying came back!

“Chen Ping, get ready. You and your second aunt’s family will go out to eat later, and we’ll treat you to Xia Xia!”

Tang Hongying said to Chen Ping.

“Is that Chen Gouzi?” Chen Ping asked.

Tang Hongying was stunned for a moment, but she quickly reacted and said, “Chen Gouzi is no ordinary person now. He is a big boss. You can’t call him Chen Gouzi when you meet him. It’s rude!”

“If I don’t call him Chen Gouzi, what will he be called? As soon as I meet him, I will...”

“Auntie, go tell my mother, we will go there right away...”

Before Chen Ping could finish speaking, Chen Yingxia hurriedly said to Tang Hongying.

“Well, hurry up and don’t make people wait...”

Tang Hongying left after saying that!

Tang Hongying walked back, and Chen Yingxia looked at Chen Ping and said, “Brother, my parents and aunt don’t know. I always said that I was willing to save them from worrying!”

Chen Ping saw that Chen Yingxia was so sensible at such a young age, and touched Chen Yingxia’s head with pity in his eyes: “Yingxia, don’t worry, from now on, no one will force you to do something you don’t like, Brother You Now, no one dares!”

Chen Ping and the others drove to Chen Yingxia’s house. At this time, in front of Chen Yingxia’s house, a Toyota Overlord was parked there. In front of the car, a man wearing a gold chain, a gold ring on his hand, and a cigarette in his mouth was following Chen Ping. What are parents talking about with Chen Yingxia’s parents!

Chen Ping could tell at a glance that this guy was Chen Gouzi, with murderous intent flashing in his eyes!

“Brother, please don’t be impulsive, I beg you...”

Chen Yingxia seemed to feel the murderous intention in Chen Ping, and followed Chen Ping with a pleading look on her face.

Chapter: 688

Seeing Chen Yingxia like that, Chen Ping nodded.

Several people got out of the car and walked over. Chen Gouzi saw Chen Ping at a glance, grinned and said: “Chen Ping, you have been in prison for three years, why do you still look so weak? Come hang out with me, you Having the experience of being in jail can build up your authority!”

Chen Ping gave Chen Gouzi a cold look: “Not interested!”

Chen Gouzi’s face turned cold when he saw Chen Ping’s attitude. However, when he saw Su Yuqi next to Chen Ping, a smile instantly appeared on his originally cold face, and his eyes scanned back and forth on Su Yuqi’s body unscrupulously. This made Su Yuqi It’s absolutely disgusting!

“Miss, my name is Chen Gou, nice to meet you!”

Chen Gouzi pretended to be a gentleman, stretched out his hand with a few gold rings on it and said.

Su Yuqi gave Chen Gouzi a cold look and didn’t say a word!

“This is Brother Chen Ping’s girlfriend, Su Yuqi!”

When Chen Yingxia saw this, she said hurriedly for fear that Chen Gouzi would be angry.

Chen Gouzi wasn't angry either. He just smiled and patted Chen Ping on the shoulder and said, "I really underestimate you. You just got out of prison and you fell in love with a rich woman. You're really capable!"

When Chen Gouzi said this, he didn't hide it at all. His voice was so loud that everyone could hear it!

"Let's leave quickly, or there will be no room!"

Chen Yingxia hurriedly stepped forward and pulled Chen Gouzi to go to the restaurant. If they were chatting, they might start a fight!

"How can there be no place? In the entire Anhe Town, wherever I go to eat, he must have a place!"

Chen Gouzi took Chen Yingxia's hand and went directly to her domineering car. Chen Yingxia winked at Chen Ping with a look of pleading. She was really afraid that Chen Ping would have a conflict with Chen Gouzi!

Soon, several people arrived in the town. With the development over the years, Anhe Town has become a lot more prosperous. There are many restaurants on both sides of the road. Chen Gouzi took Chen Ping and the others to a five-story hotel.

After getting off the car, Chen Gouzi pointed at the hotel and said: "This is the largest hotel in Anhe Town, and I have a share!"

When Chen Gouzi spoke, his face was full of pride.

Su Yuqi glanced at the hotel, covered her mouth and smiled secretly, and then said in Chen Ping's ear: "It's not as big as one floor of my hotel, so it's worth showing off!"

Chen Ping smiled and said nothing. He wanted to see how arrogant Chen Gouzi could be!

Several people walked into the hotel lobby. When a cashier saw Chen Gouzi, he immediately ran over and said with a flattering look: "Brother Gou is here!"

"Xiao Li, prepare private room No. 1 for me, and we'll go over to eat!"

Chen Gouzi said arrogantly.

The cashier suddenly looked embarrassed: "Brother Dog, someone is eating in the private room No. 1. If you had informed us in advance, we wouldn't have gone out!"

Chapter: 689

Snapped!

Chen Gouzi gave the cashier a slap in the face and glared: "Do I need to notify you in advance when I want to eat? Send me the person in the private room No. 1. Do you still need me to teach you about this? Don't you want to?" Finished?"

The cashier was slapped and immediately started crying in aggrieved manner. He covered half of his face with one hand and looked frightened in his eyes!

"Chen Gou, we can just find a room..."

Seeing the cashier's behavior, Chen Yingxia couldn't bear it, so she said to Chen Gouzi.

"That's okay, I'm taking my future parents-in-law to dinner, and I have to have private room No. 1!"  
Chen Gouzi wanted to show off in front of Chen Ping and the others!

"Brother Dog, No. 1...the guests in private room No. 1 cannot be kicked out!"

The cashier said quietly.

"Damn it? Who can't be driven away? Do you want me to personally come out and drive them away?"

Chen Gouzi stared at the cashier, stretched out his hand and wanted to hit him again, but was stopped by Chen Yingxia!

The cashier was so frightened that he backed away and said with a trembling body: "Brother Dog, the person drinking in private room No. 1 is Manager Cui..."

The cashier's words made Chen Gouzi's body tremble slightly, and the expression on his face changed obviously!

"Manager Cui is here for dinner? You didn't even give me a fucking notice in advance. The money for private room No. 1 can't be counted. It's all recorded in my account. Go and free up private room No. 2 for me!"

It was obvious that Chen Gouzi was very afraid of Manager Cui!

The cashier nodded and arranged for the waiter to drive away guest No. 2!

Soon, I heard several people coming down from upstairs cursing, all of them big and round.

"Damn it, what a shabby restaurant. We kicked people out before we even finished eating. Don't you want to do it anymore?"

"Yes, I'll destroy the hotel for you!"

"Today I want to see who is so fucking awesome!"

Several big men with big shoulders and round waists were blushing and scolding as they walked away. The waiter could only keep smiling!

But when they walked into the lobby, when several people saw Chen Gouzi, they were all stunned. Then their expressions changed and they said to Chen Gouzi: "Brother Gou!"

“You idiot, I’m so grandiose. I want you to get lost, okay?”

Chen Gouzi cursed and stepped forward, kicking several people. They lowered their heads and no one dared to speak!

Seeing that several people were being honest, Chen Gouzi waved his hand: “Get out of here!”

Chapter: 690

Several people ran away in a hurry as they were granted amnesty!

The waiter led Chen Gouzi and Chen Ping upstairs!

After sitting down, Chen Gouzi put the menu on the table: “I’m treating you today, you can order whatever you want!”

“Brother Chen Ping, sister-in-law, this is your first time here. Let’s see what you like to eat. Order whatever you want!”

Chen Yingxia placed the menu in front of Chen Ping and Su Yuqi.

“Yes, Chen Ping, if you have more money, you don’t have to save money for me. You have suffered in prison for three years, come out and make up for it...”

Chen Gouzi shook the big gold watch in his hand and said.

Chen Ping smiled lightly: “Whatever, what I want is not available here!”

“What do you mean? Let me tell you, this is the largest restaurant in Anhe Town. If you don’t have anything, even if you drink Maotai Wuliangye, it is available here!”

Chen Gouzi's face turned cold: "Tell me, what do you want?"

"I don't like to drink white wine. I usually only drink Romanee-Conti..." Chen Ping said.

"What emperor? What the hell is that?"

Chen Gouzi was confused!

Su Yuqi couldn't help laughing when she saw Chen Gouzi like that, and Chen Ping just laughed without saying a word!

Chen Gouzi frowned and looked at the waiter on the side: "What is that thing he is talking about? Does our hotel have it?"

The waiter shook his head: "That's red wine, we don't have it in the hotel!"

"It turns out to be red wine. What's so good about that stuff? It smells like swill!" Chen Gouzi looked disgusted, but then he said to the waiter: "Our hotel doesn't have it, so go out and buy a few more bottles." come over....."

As he spoke, Chen Gouzi took out a wad of money from his wallet and slapped it on the table. It amounted to several thousand yuan!

The waiter looked at the money and didn't dare to take it, nor was he moved!

"Damn it, I asked you to buy wine, didn't you hear me?"

Seeing that the waiter didn't move, Chen Gouzi got angry!

“Brother Dog, this...the money is not enough!”

The waiter said softly.

“How much more money can I have for a bottle of red wine? I’ll give you a few thousand more!”
