

The Order 6831

Chapter: 6831

“Fellow Daoist Chen, you don’t know something. The first symptom is not as simple as it seems. Several of our presidents and two Medicine Masters discussed together to find a solution, but none of them succeeded. of.”

“There is also a fifth-grade medicine master who failed to reveal the first disease in the end. Now he has lost all his cultivation. He spends all his time drinking to drown his sorrows. He just committed suicide a few days ago.”

“This is really no joke. If it weren’t for the fact that Fellow Daoist Chen has helped me so much, I would never have stopped you.”

Chen Wenliang persuaded with sincerity!

Everyone else also looked at Chen Ping with shock on their faces. Being able to choose the first disease on the medical list to be treated means that newborn calves are no longer afraid of tigers!

“Who is this person?”

Zhong Qing looked at Chen Ping and asked with interest!

“Zhong Yaozun, this person was brought here from the Central Region by my aunt. He said he is my aunt’s friend.”

“Maybe he’s also a pharmacist!”

Zhen Huan followed Zhong Qing and said respectfully!

“This man is a pharmacist, and he probably doesn’t have much strength, because he doesn’t even know what the medical list is. He just asked me a lot about the medical list.”

“I guess I’m just ignorant and fearless. I think I’m great and want to test it out!”

Zhou Lang said on the side!

Just now, Chen Ping asked a lot about things on the medical list, including the compensation, which proves that he doesn’t know much about the medical list!

When Zhong Qing heard that Chen Ping was the friend brought by Grandma Zhen, she jumped up and came to Chen Ping!

When Chen Wenliang saw Zhong Qing, he immediately greeted him warmly: “Zhong Yaozun...”

Zhong Qing nodded in response, then looked at Chen Ping and said, “Young man, this medical list is not something you can try to play with, especially the first symptom, which is not as simple as you see.”

“Since you are Zhen Ni’s friend, I can’t watch you die, so you should go back.”

“If you want to go to Yaoshen Island, I can let you pass the test. You don’t have to take this risk.”

“Thank you, Senior Zhong, but I still want to give it a try, and I have confidence in myself. If I go to Medicine God Island, even if I don’t take the test, there will still be a place, but now I am very interested in the reward for the first disease.”

Chen Ping said truthfully!

“Immortal bones?” Zhong Qing was stunned for a moment, then smiled: “It is said that immortal bones are comparable to immortal weapons, and if they are ground into powder and eaten, they can have great effects and greatly increase a person’s strength, but the immortal bones want to be ground into powder , is very difficult, and the Immortal Bone is not as good as you think.”

“Grind it into powder? Eat it?”

Chen Ping was a little shocked!

Chapter: 6832

Demon Lord Chiyun was angry.

“Damn it, my bones have become a resource for these people to improve their strength.”

Demon Lord Chiyun cursed angrily!

“Senior Zhong, I want the immortal bones for other purposes, not for food. Thank you, Senior Zhong, for your kindness!”

After Chen Ping finished speaking, without waiting for Zhongqing to say anything else, he directly put his hand on the doctor’s list!

Soon, light emitted from the first symptom!

A huge amount of information entered Chen Ping's sea of consciousness through the medical list!

There is detailed information about patients and various physical conditions!

Zhong Qing and Chen Wenliang on the side sighed after seeing Chen Ping reveal the list, and then fell back to the ground!

Now that the list has been announced, there is nothing anyone can do to stop it. We can only look at Chen Ping's luck!

If the treatment fails, then accept your fate!

After Chen Ping received all the information, he slowly fell to the ground!

Now Chen Ping has all the disease information, and even the other party's personal information!

Now let's find out how to find a cure!

Everyone was watching Chen Ping quietly, even Ouyang Wufeng was watching quietly, waiting for what Chen Ping would do next!

Rumble.....

Suddenly, there was a sudden roar from the sky, and everyone looked away from Chen Ping!

I saw a piece of golden light coming from far to near from the horizon, followed by a tremor in the void!

A middle-aged man wearing a purple and gold robe slowly appeared!

This person has a broad face, bright eyes, and looks majestic like a superior!

Seeing the sudden appearance of the middle-aged man, many people suddenly exclaimed, and even their breathing became rapid!

“Who reveals the list and can cure my son?”

The middle-aged man glanced at it and asked!

Although this middle-aged man is just a shadow projected from the sky, many people are still trembling under this glance, and they don't even dare to look directly at the middle-aged man!

Chapter: 6833

Everyone's eyes were on Chen Ping, and now Chen Ping became the focus!

When the middle-aged man saw Chen Ping, he frowned slightly!

Because in his opinion, Chen Ping is too young, how could he have such high medical skills!

But since the other party has revealed the list, it should have certain strength!

“Little pharmacist, since you have revealed the results, is there any way to cure my son?”

The middle-aged man asked Chen Ping!

Chen Ping looked directly at the middle-aged man in front of him. Because it was a projected shadow, Chen Ping could not tell the man's strength, but he could tell from his conversation alone that this middle-aged man was definitely the overlord!

"I already have a way, but I need to see the patient before I can be sure. The other thing is the immortal bone. Do you know if I cure your son, will you really give it to me?"

Chen Ping asked the middle-aged man!

The middle-aged man was slightly startled, then laughed loudly and said: "Hahaha, of course I, Xiao Yuanshan, mean what I say. If you don't believe it, you can ask everyone present."

"After you heal my son, I will immediately offer the immortal bones with both hands."

"Okay, bring your son!"

Chen Ping said!

Xiao Yuanshan looked at Chen Ping, and his dangling figure slowly disappeared!

After Xiao Yuanshan left, there was an uproar at the scene!

"Damn it, I never expected that the person with the first disease would be the prince of the Xiao Dynasty. It's incredible."

"Prince Xiao is extremely talented. I heard that he had reached the Mahayana realm many years ago, but he has disappeared in recent years. Unexpectedly, he was ill."

“Could it be that Prince Xiao has practiced evil skills? Has he become possessed and become manic and bloodthirsty?”

“Don’t talk nonsense. Be careful. Your life is at risk. There are many reasons for mania and bloodthirsty, and it doesn’t necessarily mean you are possessed.”

Everyone was talking about it, but Chen Ping was confused!

He doesn’t know what the Xiao Dynasty is, let alone the prince!

“Hey, I really didn’t expect that the person with the first disease would be the prince of the Xiao Dynasty. No wonder he can be rewarded with immortal bones!”

Chen Wenliang sighed and said!

“President Chen, who is this Xiao Dynasty? Who is this Xiao Yuanshan?”

Chapter: 6834

Chen Ping asked in confusion!

Chen Wenliang glanced at Chen Ping. He really couldn’t believe whether Chen Ping was from the world of heaven and man!

“Fellow Daoist Chen, this Xiao Dynasty is a country with an area of one third of the entire Western Region.”

“For other sects and aristocratic families, being able to control an entire clan and a city is considered pretty good.”

“And the Xiao Dynasty has hundreds of cities under its jurisdiction. This is the largest force in the world of gods and humans.”

Chen Wenliang explained to Chen Ping!

“Damn, are you so awesome?” Chen Ping was a little confused when he heard this, so he quickly continued to ask: “Then who is this Xiao Yuanshan just now?”

“This person is Emperor Xiao of the Xiao Dynasty, and the person who is sick should be his son Xiao Feng.”

Chen Wenliang said!

“What state is this person in? Can he control such a large area in the world of gods and humans?”

Chen Ping asked in confusion!

You know, the larger the area under your jurisdiction, the more resources you can get!

With the profit-seeking character of everyone in the Heavenly and Human Realm, if they don't have the absolute strength to protect such a large area, they will definitely be cannibalized!

“I don't know about this, but many years ago, Xiao Yuanshan broke through to the Mahayana realm in just a hundred years and became the youngest genius in the world of gods and humans.”

“I heard that his son is more talented than Xiao Yuanshan, but he doesn’t want to get this disease.”

Chen Wenliang said!

Chen Ping thought about it. Xiao Huangchao, who suddenly appeared, seemed to be very strong. If he really couldn’t be cured, it would be difficult for him to escape!

“Look, what is that...”

Suddenly, someone shouted!

Everyone looked towards the horizon and saw a strange light approaching rapidly!

Soon, as the light continued to get closer, everyone discovered that three flying tiger monsters that looked like mountains were coming quickly, pulling a huge chariot!

The one who controls the three flying tiger monsters is Xiao Yuanshan who just left!

And on top of this chariot, there is an iron cage made of hard black iron, each one is one meter thick!

And around the iron chain, there are dozens of iron chains, the ends of which are all tied to a man!

Chapter: 6835

The man’s eyes were scarlet and his teeth were sharp, like a devil!

The entire chariot was shrouded in formations, with colorful lights flashing all around!

“Is the person in this cage the same as Prince Xiao? I heard that Prince Xiao used to be a handsome man. How did he become like this now?”

“It’s so scary, like a devil...”

“No wonder Xiao Yuanshan took out treasures like immortal bones as reward and wanted to save his own son. What has happened.”

When everyone saw this scene in front of them, they couldn’t help but whisper!

“Ouyang Wufeng of Medicine God Island, pays homage to Emperor Xiao...”

When Ouyang Wufeng saw Xiao Yuanshan’s true form approaching, he hurriedly stepped forward to salute!

Xiao Yuanshan just hummed casually, turned his attention to Chen Ping, and then said: “Little pharmacist, I brought my son, you can treat him.”

“As long as my son is cured, not only can I give you the immortal bones, but you can also become a guest of my Xiao Dynasty.”

Chen Ping glanced at Xiao Feng inside the iron cage, and then said: “I need to go forward and check in person to find the root cause.”

“No problem, but my son has an unstable temperament, so you need to pay more attention.”

“I will open the iron cage and stand guard. You must not anger him.”

After Xiao Yuanshan finished speaking, he was about to lift the formation around the iron cage!

“There is no need to unlock the formation. If your son becomes manic, without the control of the iron cage and formation, many pharmacists here will suffer.”

Chen Ping stopped Xiao Yuanshan and said!

“If you don’t disarm the formation, how can you go up and check it?”

Xiao Yuanshan was stunned and said!

“I have my own way...” Chen Ping walked to the iron cage, took a look at the formation, and gently pressed it with his palm!

The formation trembled for a while and then slowly disappeared!

After Chen Ping got on the chariot, the formation miraculously appeared again!

Seeing this scene, everyone’s eyes widened with disbelief on their faces!

You know, they are all pharmacists here, how can anyone know the art of formation!

Chen Ping is also a pharmacist, but he doesn’t expect to know how to turn the formation on and off so easily!

Chapter: 6836

When Xiao Yuanshan saw this, he frowned and his face became a little ugly!

It is true that there is a specialization in medicine. Now that Chen Ping has shown strong formation ability, it means that his medical skills must not be very good!

But there are very few people who have practiced formation techniques and medical skills to the point of proficiency!

The more powerful Chen Ping's formation skills are now, the more disappointed Xiao Yuanshan will be!

What he wants is a pharmacist who can treat his son, not an array master!

At this moment, Chen Ping was looking at Xiao Feng inside through the iron cage!

Xiao Feng raised his head slightly to look at Chen Ping, then lowered his head again!

At this time, Xiao Feng was conscious and had no symptoms of mania and bloodthirsty!

His expression looked very haggard. After all, no one would feel too comfortable being locked up like this!

"Fellow Taoist, can you release the aura in your body without deliberately suppressing it, so that I can better detect the cause."

Chen Ping said calmly to Xiao Feng in the iron cage!

Xiao Feng raised his head again and said with a bit of pity in his eyes: "Boy, there's no need to waste your efforts. Since I don't want to kill anyone right now, you may still have a chance to survive."

"I would like to advise you, it's better to leave. My illness is not something you can see."

"Since I have revealed the results, I must treat you, otherwise my entire cultivation will be ruined."

Chen Ping shook his head!

"You can still live if your cultivation is abolished, but if you treat me, you will die..."

Xiao Feng said!

"No need to say more, I believe it's painful for you to suppress it, so just let it go and let it go. If you kill me, I won't blame you!"

Chen Ping could see that it was very painful for Xiao Feng to suppress the mania in his body!

However, Xiao Feng's suppression made it difficult for Chen Ping to analyze the real cause of the disease!

"Why....."

Xiao Feng sighed, and the breath in his body began to slowly come out!

At this time, Chen Ping felt that Xiao Feng's aura was very majestic, and he was indeed a genius!

Even in this situation, the slightest smell can make people feel numb!

Chapter: 6837

Even though they were separated by the iron cage and the formation, the pharmacists felt this breath, as if there were mountains constantly exerting pressure on their bodies!

"You go ahead and check it out, but I still advise you to hurry up. Another thing is not to touch me. But before you check it out, I want to ask you something!"

Xiao Feng said softly to Chen Ping!

"What's the matter?" Chen Ping was a little surprised. He didn't understand what Xiao Feng was asking for!

"After the examination, give me a poison and let me die. I don't want to live like this anymore."

Xiao Feng's voice is like a mosquito, only Chen Ping can hear it!

Chen Ping was stunned for a moment, then smiled slightly and said: "How are you sure that I can't cure you?"

"Cure is not good!" Xiao Feng shook his head: "I have been treated by more than a dozen pharmacists, and all of them died without exception."

“I don’t want to kill people randomly anymore, nor do I want to live in this prison forever. I beg you, please give me a poison so that I can die with dignity.”

Although Xiao Feng’s eyes were scarlet, he was sincere and did not say it casually!

“Okay, I promise you, if I can’t cure you, I will give you a poison pill.”

Chen Ping nodded!

Xiao Feng laughed, with a smile on his pale face: “Thank you...”

Chen Ping condensed his spiritual energy, and then formed a white spiritual mist, which penetrated directly into Xiao Feng’s body!

It only took a few breaths for Chen Ping to jump off the frame!

Xiao Feng was stunned and frowned slightly!

Xiao Yuanshan’s face was cold. Seeing that Chen Ping only took a moment to complete the inspection, his trust in Chen Ping became even weaker!

Especially the conversation that just followed Xiao Feng. Although the two people’s voices were very low, Xiao Yuanshan listened to them.

The reason why Xiao Yuanshan didn’t say anything was because he was waiting to see what Chen Ping would do!

If Chen Ping really dared to give poison to his son, he would kill Chen Ping without hesitation!

Chen Wenliang and others were a little curious when they saw that Chen Ping just checked it without looking carefully at all!

“Where did this guy come from as a pharmacist? He just revealed the list, but he didn’t even check it carefully. Is this a joke with his own life?”

“Young man, you are so pretentious. It won’t take long before he starts crying.”

“Every year, people die because of showing off, but this guy is probably the first person who dares to show off in front of Emperor Xiao.”

Chapter: 6838

Everyone was talking about Chen Ping, and everyone was sarcastic!

Even Ouyang Wufeng shook his head slightly, thinking that Chen Ping was too perfunctory!

Zhong Qing sighed softly: “It’s a good seedling, but it’s a pity that I don’t know how to keep a low profile.”

Zhongqing could tell that Chen Ping was very talented, but it was a pity that he was too pretentious. Such good talent was wasted!

Liu Ruyan and Nie Heng looked nervous. When they saw Chen Ping jump off the carriage, they all rushed to meet him!

If someone attacks Chen Ping, they will fight to the death to protect Chen Ping!

“Fellow Daoist Chen, don’t you need to check it in detail?”

Chen Wenliang came over and said to Chen Ping!

“I’ve checked and already know the cause of his illness. No more tests are needed.”

Chen Ping smiled slightly and said!

“In such a short time, you found the cause of the disease?”

Chen Wenliang felt very incredible!

After only a few breaths, Chen Ping knew the cause of the disease!

“President Chen, as a pharmacist, you should understand that time does not determine the cause of a disease.”

“The more you can see through the cause of the disease at a glance, the more certain you will be about the cure!”

Chen Ping said!

“That’s right!” Chen Wenliang nodded: “Fellow Daoist Chen, don’t you know you need my help? This time I came to attend the Medicine Master Conference. I brought a lot of fairy grass and elixir. If you need it for alchemy, I can give it to you. you!”

“Thank you, President Chen. I have some of it myself. It’s enough. I just need to find a secluded place for me to make alchemy.”

Chen Ping said!

“That’s easy to say!” After Chen Wenliang finished speaking, he looked at Su Tianshuo and said, “President Su, I hope you can give up the alchemy room of your Pharmacist Association so that Fellow Daoist Chen can use it!”

“No problem...” Su Tianshuo nodded!

Xiao Yuanshan saw that Chen Ping was so confident, so he asked: “Little brother, what is the cause of my son’s disease? More than a dozen pharmacists came over, but no one made it clear.”

“Emperor Xiao, forgive me for not telling you now. I will naturally tell you after your son is cured.”

Chen Ping kept it secret and didn’t tell Xiao Yuanshan!

Chapter: 6839

Xiao Yuanshan was stunned for a moment, then nodded and said: “Okay, then I’ll wait...”

“Chen Ping, are you sure?”

Liu Ruyan asked worriedly!

“Don’t worry, you guys are waiting for me here, I never do anything I’m not sure about!”

Chen Ping gently stroked Liu Ruyan’s head!

Under the leadership of Chen Wenliang, Chen Ping entered the alchemy room of the Western Regions Pharmacists Association!

Then the heavy iron doors were closed so that outsiders could not spy on Chen Ping’s alchemy!

After all, alchemy is the secret of every pharmacist, and you don’t want anyone to see it!

Sitting in the alchemy room, Chen Ping took out the Shennong Cauldron and began to prepare the elixir!

“Boy, let me tell you, this guy is not possessed by a demon soul. His manic and bloodthirsty disease is not caused by a demon soul.”

Demon Lord Chiyun said to Chen Ping!

Demon Lord Chiyun doesn’t know how to see a doctor and doesn’t know any medical skills, but he can detect whether there is a demon soul in Xiao Feng’s body!

Many people who are possessed by demonic souls will suddenly become manic and bloodthirsty, and their whole appearance will change!

“Of course I know. If it was just possessed by a demon soul, it wouldn’t have taken so many years for no one to see through it!”

Chen Ping smiled slightly!

“Then tell me, what is this guy’s disease?” Demon Lord Chiyun was also very curious!

What kind of disease can make people suddenly wake up and become manic and bloodthirsty?

“Heart disease...”

Chen Ping smiled slightly and said!

“Heart disease?” Demon Lord Chiyun was stunned: “What do you mean?”

“It doesn’t mean anything, it’s just a heart disease. This Xiao Feng is not physically ill, but has a heart disease.”

“He was disturbed by inner demons, causing mental disorder, so that sometimes he was awake, and sometimes he was manic and bloodthirsty.”

“This disease is also called interstitial psychosis...”

Chen Ping said!

Chapter: 6840

“Mental illness?” Demon Lord Chiyun was confused. He didn’t even know what mental illness was!

After all, as a person in the heaven, both his spiritual consciousness and the sea of consciousness are very huge, and it is impossible to have any kind of mental illness!

Even ordinary monks cannot be mentally ill. After all, every monk cultivates his own spiritual consciousness.

Mental illness only exists among ordinary people, and only in the secular world!

Many mental illnesses are caused by direct breakdown under mental stress!

That’s because ordinary people have never cultivated spiritual consciousness and cannot resist the pressure!

It is impossible for a monk to be mentally ill!

But now Chen Ping has diagnosed Xiao Feng, a Mahayana monk, as mentally ill!

If other pharmacists were here, they would definitely scold Chen Ping for being a complete loser!

Chen Ping began to refine the elixir, and soon two elixirs slowly rose from the Shennong Cauldron!

One white and one black, they turned out to be elixirs of different colors!

“Two kinds of pills. Does the mental illness you mentioned need to be treated with two different pills?”

Demon Lord Chiyun asked curiously!

“Of course not, you only need one, but both are effective, it’s up to him to choose!”

Chen Ping smiled slightly and said!

Put away the Shennong Cauldron and slowly open the door to the alchemy room!

All eyes are focused on Chen Ping!

“Fellow Daoist Chen, how are you doing?”

Chen Wenliang asked!

“I have refined the elixir and can give it to Prince Xiao now!”

“My elixir can cure diseases...”

Chen Ping said very confidently!

“Okay, then let Prince Xiao take the medicine.” Seeing Chen Ping’s confidence, Chen Wenliang asked Chen Ping to quickly give Xiao Feng the medicine!

But when Chen Ping was walking towards Xiao Feng, he was stopped by Xiao Yuanshan!
