

The Order 6841

Chapter: 6841

“Wait a minute, I want to check the elixir you refined before you give it to my son.”

Xiao Yuanshan was afraid that Chen Ping would really refine the poison pill for his son!

“No problem!” Chen Ping took out the two pills he had refined!

Xiao Yuanshan was not a pharmacist, so of course he could not examine it, so he looked at Su Tianshuo and Ouyang Wufeng and said, “President Su, Mr. Ouyang, please identify the ingredients of this elixir.”

When the two of them were invited by Xiao Yuanshan, they were all flattered and immediately joined in!

The reason why Xiao Yuanshan did not let Chen Wenliang identify him was because he saw that Chen Wenliang was familiar with Chen Ping and was afraid that Chen Wenliang would not tell the truth!

Su Tianshuo and Ouyang Wufeng looked at the two pills, one white and one black!

Then he sniffed it vigorously, and used his spiritual consciousness to explore it for a long time!

In the end, the two people looked at each other with doubts on their faces!

“Boy, what are the ingredients of these two pills? Can they cure my son’s disease?”

Xiao Yuanshan asked!

Ouyang Wufeng licked his lips, looking like he was hesitant to speak!

Su Tianshuo on the side said: "Emperor Xiao, these two pills are not for treating manic bloodthirsty disease."

"This white elixir contains the ingredient of forgetfulness grass, which can cause amnesia in people and make them unable to remember anything."

"And this black elixir is a poisonous elixir, and it is also a high-level poisonous elixir. After taking it, thousands of ants will eat your heart, and you will die in pain!"

As soon as Su Tianshuo finished speaking, a violent energy burst out from Xiao Yuanshan's body. Chen Ping was unable to guard against it and was directly knocked away by this terrifying force!

Everyone else was also confused. They didn't understand what Chen Ping was doing. Even if there was no way to cure it, he couldn't give people poison pills?

Moreover, this is the prince of the Xiao Dynasty. If he is given poisonous pills, isn't this just seeking death?

"Poison Pill? How is that possible?"

Chen Wenliang didn't believe that Chen Ping could refine poison pills, so he went over to check!

Even Zhong Qing jumped forward and looked at the two pills carefully. After all, who would believe that someone dared to practice poison pills for the prince of the Xiao Dynasty at this time!

After the inspection, Zhong Qing also looked at Chen Ping in disbelief!

Chen Wenliang frowned even more and said in disbelief: "Fellow Daoist Chen, did you make the wrong elixir? Why did you refine the poison elixir?"

"This elixir is extremely poisonous. I'm afraid there is no cure. What is your intention in using the poison elixir on Prince Xiao? Do you want to trap us pharmacists in an unkind and unjust place and make the people of Xiao Dynasty hate you forever?" Us?"

Chapter: 6842

Su Tianshuo glared at Chen Ping and asked loudly!

Wow!

When they heard that it was really a poisonous elixir, all the pharmacists were shocked. They didn't understand, what was Chen Ping doing?

If you don't know how to cure the disease and don't understand the cause of the disease, you can just make some innocuous elixirs and take them. If you can't cure them, they won't kill you!

This directly refines the highly toxic elixir. What is it doing?

Is it possible that Chen Ping is having trouble with the people of Xiao Dynasty?

Xiao Yuanshan's expression turned extremely ugly, with a strong murderous intent in his expression!

Although he overheard the conversation between his son and Chen Ping, he never expected that Chen Ping would actually dare to refine poison pills for his son!

“Boy, what are your intentions?”

Xiao Yuanshan asked Chen Ping coldly!

“Intentions?” Chen Ping smiled slightly: “Of course I want to cure your son’s disease. This is my intention.”

“Hmph, you refined a poison elixir for my son, and you dare to say that it can cure diseases?”

“I think you just want to harm my son. Although I, Xiao Yuanshan, never kill innocent people indiscriminately, you must die today!”

Xiao Yuanshan’s face was full of anger, and his body was filled with terrifying murderous aura!

The expressions of everyone around him changed drastically, and they fled into the distance one after another!

“Emperor Xiao, I think Fellow Daoist Chen must have made a mistake. He had no reason to harm Prince Xiao.”

“There must be some misunderstanding here, right?”

When Chen Wenliang saw this, he quickly persuaded Xiao Yuanshan!

With Xiao Yuanshan’s strength, Chen Ping would be wiped out with just a wave of his hand!

“Father, this is my idea. It has nothing to do with other people, let alone this little pharmacist. Don’t kill him.”

At this time, Xiao Feng, who was in the iron cage, spoke!

The poisonous elixir he asked Chen Ping to refine was now discovered by his father. He wanted to kill Chen Ping. He couldn't just sit back and watch, he had to tell the truth!

When everyone heard Xiao Feng's words, they were all stunned, and then they understood what was going on!

No one thought that this was actually requested by Xiao Feng himself!

Chapter: 6843

It seems that Xiao Feng was also tortured badly and wanted to die!

After all, being locked in an iron cage and chained up, what's the point of living like this!

Might as well be dead!

It's probably because Chen Ping couldn't cure Xiao Feng at all, and Xiao Feng had such a request, so Chen Ping agreed!

"Son, why are you so stupid? I said, no matter where you are in the world, I will definitely heal you."

"You only lost your freedom temporarily, why are you seeking death?"

“Even if you asked me, this boy actually dares to refine poison pills for you. I can’t let him go!”

Of course Xiao Yuanshan knew that it was his son who asked for it. After all, he heard clearly the conversation between Chen Ping and Xiao Feng!

“Father, if you really feel sorry for me, just let me die. I am really in too much pain, too much pain...”

Xiao Feng said with a painful expression!

Immediately afterwards, Xiao Feng’s eyes suddenly turned blood red, he opened his mouth suddenly, and the aura on his body exploded instantly!

A shrill roar came from his mouth!

The whole person fell into madness and kept shaking the iron cage!

“Let me out, let me out...”

Xiao Feng roared, looking like a monster!

Seeing this scene, everyone was frightened. They didn’t expect Xiao Feng to be so terrible when he got sick!

Xiao Yuanshan felt distressed when he saw his son like this, but he had no choice but to step forward and pull the chain with all his strength!

He couldn’t let Xiao Feng break free, otherwise all the pharmacists here would be in trouble!

“Son, calm down, calm down...”

Xiao Yuanshan comforted Xiao Feng!

“Father, let me die, die, I feel really uncomfortable...”

Xiao Feng desperately suppressed his mania and begged Xiao Yuanshan!

But just after he finished speaking, his face immediately changed and he started to struggle desperately!

Just like this, after a while of burning incense, Xiao Feng slowly calmed down, and he already showed signs of collapse!

Chapter: 6844

Xiao Yuanshan looked at his son, feeling distressed and helpless!

But there was nothing he could do!

“Father...please...please...let me die, I’m really in pain!”

Xiao Feng begged to Xiao Yuanshan!

It’s so difficult to live at this time, but dying is a relief!

Xiao Yuanshan looked at his son, and tears slowly flowed out. Although he was the Emperor Xiao of the Xiao Dynasty, a person above tens of millions of people, he couldn’t even save his own son!

This helplessness made Xiao Yuanshan look much older instantly!

Xiao Yuanshan glanced at Xiao Feng and slowly walked towards Chen Ping. Although there was still a bit of anger in his eyes, there was no murderous intention!

“You go ahead. I just hope that there will be no pain when my son leaves!”

Xiao Yuanshan reluctantly accepted!

Xiao Feng living like this is a kind of torture for Xiao Yuanshan, Xiao Feng himself, and even the entire Xiao Dynasty!

“Emperor Xiao, you don’t have to be sad. Maybe if this poisonous pill goes away, your son will be fine.”

“Though you will die and live again, maybe you can only be full of hope for the rest of your life if you die once!”

After Chen Ping said a few words to Xiao Yuanshan, he walked towards Xiao Feng!

Xiao Yuanshan looked at Chen Ping blankly. He didn’t understand what Chen Ping meant, but in Xiao Yuanshan’s eyes, there was a glimmer of hope!

His own son is like this, maybe the poison pill in Chen Ping’s hand can really bring a glimmer of hope!

Everyone looked at Chen Ping. They didn’t know what Chen Ping was thinking at this moment, let alone what Xiao Yuanshan was thinking!

After all, no one can do it by watching their son swallow the poison pill with his own eyes!

“Prince Xiao, I have two pills here, one is the Forgettable Pill, and the other is the Poison Pill. If you choose to take the Forgettable Pill, you will forget the past, lose all your memories, and start everything from scratch!”

“And if you choose Poison Pill, you will be poisoned and die, but it will allow you to retain a trace of your soul, possess the memories of the past, and slowly wander around in the world of heaven and humans!”

Chen Ping reached out and handed over two pills and said!

Xiao Feng looked at the black and white pills and suddenly laughed!

He looked at Chen Ping in disbelief and said: “After all these years, you are the only one who has really seen through the cause of my illness. Only you have seen through me...”

“Asking what love is in the world, it only makes life and death mutually agreeable.”

“I believe that girl is beautiful and you love her very much...”

Chen Ping said to Xiao Feng!

Xiao Feng was slightly startled, and murmured to himself Chen Ping’s words: “What is love in this world? Is it just a matter of life and death?”

“What a wonderful sentence. We did have a life-and-death promise together. Now that she is gone, what’s the point of my life.”

As Xiao Feng said, he actually took out something like a crystal ball from his arms!

I saw the crystal ball shining with light, and a girl in white was running around with a smile on her face!

Xiao Feng was chasing after him, and the two of them looked so happy and happy!

“This is the last time I saw her, recorded with a crystal ball. Whenever I am awake, I will take it out and look at it!”

Chapter: 6845

“She is a very good girl. Although she does not have much talent or strength, and she has no background, she is kind. She does not have the utilitarian ambitions of those monks in the world of heaven and earth who pursue ascension to immortality.”

“There are countless girls around me. Only when I am with her can I feel real happiness and warmth!”

“.....”

The more Xiao Feng spoke, the more gentle his eyes became, with a smile on his face!

At this moment, Xiao Feng no longer showed any trace of violence and mania!

After saying that, Xiao Feng picked up the poison pill without hesitation and threw it directly into his mouth!

Not a trace of hesitation!

“I can die, but I can’t forget her. I’m going to find her.”

“Thank you, thank you for helping me escape. If there is an afterlife, I will repay you!”

Xiao Feng looked at Chen Ping very gratefully!

“You don’t need to be born again, you have a chance to repay me!”

After Chen Ping finished speaking, he turned around and walked out of the carriage, while Xiao Feng looked confused, not knowing what Chen Ping meant!

But soon, he felt that his whole body was burning like a fierce flame, and his whole body seemed to explode!

He knew that this was the onset of poisonous elixir!

Xiao Feng did not roar, but sat cross-legged in the iron cage, quietly waiting for death!

Soon, Xiao Feng felt that his consciousness was getting blurry, and he seemed to see his beloved girl!

Xiao Yuanshan looked at his son with great pain in his heart!

Chen Ping walked directly in front of Xiao Yuanshan, and then said softly: “Xiao Emperor, I said, risk your life and survive. Although it is a poison pill, it is also a pill that can untie his knot.”

“Actually, Prince Xiao doesn’t have any illness. It’s just because of his lovesickness that his consciousness mutated and his spirit split.”

“To be precise, it’s split personality, which is a type of mental illness!”

“Mental illness?” Xiao Yuanshan frowned slightly: “Lovesickness?”

“Does your son have a girl he likes very much?” Chen Ping asked!

“Yes, he likes a girl, but that girl is just a child from an ordinary family. She has no power, and her level of strength is not good. It will not help Feng’er at all, so I don’t agree with them being together.”

“In order to make Feng’er give up, I said that the girl is dead and don’t let him think about her anymore.”

Chapter: 6846

Xiao Yuanshan nodded and said!

“So, the girl is not dead?” Chen Ping asked!

“Yes, he didn’t die. He has been living in the Western Region.”

Xiao Yuanshan said!

“That’s great. My poisonous elixir only temporarily prevents him from schizophrenia. If the girl is not dead, as the saying goes, the person who untied the bell must tie the bell. If you want your son to recover, only That girl can do it!”

Chen Ping said!

“It turns out that my son’s illness was all because of that girl. I didn’t expect that he would be so affectionate towards the girl.”

“Hey, I’m an old fool. Why did I stop him? I almost killed my own son.”

“Now that Feng’er has taken the poison pill, won’t he die?”

Xiao Yuanshan now has some trust in Chen Ping!

“Of course not. Although the poison pill can indeed kill people, all things are interdependent. My poison pill can restrain schizophrenia.”

“With Prince Xiao’s strength, although the poison pill will cause some damage to his body, it will never be fatal.”

Chen Ping promised!

As Chen Ping finished speaking, Xiao Feng suddenly spat out a mouthful of blood. He then had a splitting headache and his eyes became extremely scarlet!

Everyone looked at Chen Ping in shock. Xiao Feng was like this now. He must have had a poisonous elixir attack and he probably wouldn’t survive!

But after Xiao Feng spat out a few mouthfuls of blood, he suddenly fell down!

Xiao Yuanshan hurried forward, opened the iron cage, and took Xiao Feng out!

After about a stick of incense, Xiao Feng woke up leisurely!

Although the aura on his body is obviously much weaker, the violent and manic aura is gone!

Seeing that Xiao Feng was not dead and woke up, everyone was surprised!

They couldn't believe that Xiao Feng didn't die after taking the poison pill!

Looking at the situation just now, Xiao Feng is bound to die!

Could it be that Poison Pill can really cure diseases?

Everyone here is a pharmacist, and of course they know that poisonous pills cannot cure diseases. However, Chen Ping gave Xiao Feng a poisonous pill, but Xiao Feng did not die. On the contrary, the manic aura in his body disappeared!

Chapter: 6847

You must know that this poisonous elixir has been inspected by everyone. It is indeed a poisonous elixir!

"How can it be?"

Su Tianshuo couldn't believe it, so he stepped forward and shot a stream of spiritual energy into Xiao Feng's body!

After a moment, Su Tianshuo stepped back in shock!

“Really...really cured?”

Su Tianshuo looked a little dull!

Chen Wenliang, Zhongqing, Ouyang Wufeng...

Many pharmacists gathered around him and began to examine Xiao Feng’s body!

They wanted to know if Xiao Feng had been cured!

If it is really cured, they can learn something from it!

After all, the Pharmacist Conference is also for many pharmacists to learn together!

Xiao Yuanshan watched from the side, looking at his son, like a monkey, being surrounded by everyone to study!

“It’s weird, it’s really weird. Poison Pill can also cure diseases?”

Zhong Qing looked at Chen Ping in disbelief and said very respectfully: “Fellow Taoist, I wonder if you can tell me how you did it?”

“Of course, every pharmacist has his or her own unique skills. It doesn’t matter if you don’t want to tell them...”

Zhong Qing knows that every pharmacist will have his or her own secret knowledge that should not be passed on to others. Even in the pharmacist conference, everyone just communicates and learns from each other, but no one will reveal their own secret knowledge!

“Senior Zhong, in fact, this is not a special skill of mine, it’s just that I have seen this kind of disease before, but none of you have seen it!”

Chen Ping smiled slightly and said!

In the secular world, there are a lot of mental illnesses, there are all kinds of them!

There are too many personality splits like this!

There are also people who are sometimes men and sometimes women, which is not surprising at all.

But this kind of disease is rare in the world of gods and humans, so many pharmacists have never seen it and don’t know how to treat it!

“Zhong Yaozun, is my son really well?”

Xiao Yuanshan asked Zhong Qing in disbelief!

Chapter: 6848

After all, Xiao Yuanshan can trust the reputation of Zhongqing!

“Emperor Xiao, Prince Xiao has indeed recovered under my investigation. There is no bloodthirsty aura in him anymore. Although the aura in his body is a little weaker, these are not big problems!”

Zhongqing said!

Xiao Yuanshan looked at Chen Ping excitedly and said gratefully: “Thank you, little brother. I, Xiao Yuanshan, will always remember your kindness!”

After Xiao Yuanshan finished speaking, he quickly helped Xiao Feng, who was still looking confused, up!

After Xiao Feng opened his eyes, he saw that everyone immediately surrounded him, and then various auras continued to swim around his body, checking his body!

Until now, Xiao Feng is still confused, not knowing whether he is dead or alive!

“Father, I...am I still alive?”

Xiao Feng looked at Xiao Yuanshan blankly and asked!

“Son, you’re alive, you’re still alive, you’re fine, you’re fine.”

“It’s all my father’s fault. I shouldn’t have forcibly separated you and A’Zhu. I lied to you. Miss A’Zhu is not dead. She has been living in the Western Region.”

Xiao Yuanshan remembered Chen Ping’s instructions and hurriedly followed Xiao Feng!

When Xiao Feng heard this, he was stunned. After a long time, tears burst into his eyes: "Father, please don't lie to me. Is A'Zhu really not dead?"

"I'm not dead, I'm really not dead. I will promise you to marry Miss A'Zhu after I go back. After so many years, I have understood that anything about a well-matched family or a famous family is all bullshit."

"As long as you are fine, nothing will be a problem. I will never interfere with your feelings in the future."

Xiao Yuanshan's face was full of regret. If Chen Ping hadn't cured his son, Xiao Yuanshan would have hated himself to death!

Just for the sake of his career, he has to sacrifice his son's feelings!

This is selfish!

Xiao Feng was extremely excited, then looked at Chen Ping and suddenly knelt down!

You must know that Xiao Feng is a prince and his status is extremely noble. How could he kneel down so easily?

But at this time, Xiao Feng knelt down in front of Chen Ping!

He knelt down to Chen Ping not because Chen Ping saved his life, because Xiao Feng didn't care about his life!

The reason why he knelt down to Chen Ping was because Chen Ping fulfilled his wish and allowed him to be with the woman he loved!

“Prince Xiao, you must not...”

Chapter: 6849

When Chen Ping saw this, he quickly stepped forward to help Xiao Feng!

Everyone around was extremely envious. Even Prince Xiao knelt down in front of Chen Ping. If Chen Ping made a small request at this time, I believe Xiao Yuanshan would agree without hesitation!

I will definitely become a guest of Xiao Dynasty and a distinguished guest of Xiao Dynasty in the future!

“Little brother, you saved my son and deserve his worship.”

“From today on, you are the most distinguished guest of my Xiao Dynasty. You can go to Xiao Dynasty anytime and come in and out of the palace at will.”

After Xiao Yuanshan finished speaking, he took out a golden token and handed it to Chen Ping!

When everyone saw this token, their saliva was filled with envy. With this token, Chen Ping could freely enter and leave the Xiao Dynasty, and he also had great rights!

But Chen Ping did not pick up the token immediately, because what Chen Ping wanted was not the token, but the immortal bone!

What if I ask for the token but the other party doesn't give me the immortal bone?

Xiao Yuanshan saw Chen Ping's concerns, so he laughed and said: “Little brother, you take this token, and the reward on the medical list will be given to you, but I don't carry it with me.” I need to get the immortal bones for you!”

When Chen Ping heard what Xiao Yuanshan said, he took the token with an embarrassed smile!

“I still believe in Emperor Xiao’s character!”

Chen Ping laughed!

“Little brother, I don’t know your identity yet. I wonder if you can tell me?”

Xiao Yuanshan asked!

“Chen Ping...”

Chen Ping said his name!

“Chen Ping?”

Xiao Yuanshan was stunned!

There are also many pharmacists who are stunned because many people are familiar with this name!

After all, many people know about the people who have been worshiped and killed by the Demon Sealing Alliance for hundreds of years!

“Are you the Chen Ping who was hunted down by the Demon Sealed Alliance with a hundred-year tribute?”

Xiao Yuanshan asked!

“Emperor Xiao actually knows about this?”

Chen Ping asked rhetorically, but this is equivalent to admitting his identity!

Seeing Chen Ping admit it, many people looked like hungry wolves in their eyes, wanting to rush forward and catch Chen Ping now!

The hundred-year tribute from the Demon Sealing Alliance is an unimaginable amount of resources!

Chen Ping could also feel the hungry wolf-like gaze among the crowd!

But Chen Ping is not afraid. Since he dares to reveal his identity and admit it, he won't be afraid!

“I think this matter is almost unknown to everyone in the world of gods and humans. How could I not know about it?”

“But you dare to admit your identity in public. You are really brave. Aren't you afraid?”

Xiao Yuanshan was very curious as to why Chen Ping dared to reveal his identity!

There are so many people, but many of them yearn for the hundred-year worship of the Demon-Sealing Alliance!

“There's nothing to be afraid of. The soldiers will just cover up the water and earth.” Chen Ping acted very calmly!

“You have the guts. Since you saved my son today, I’m giving you a gift!”

After Xiao Yuanshan finished speaking, his body jumped up and floated in the air. Then he looked down and said, “Everyone is here today. I want to announce in public that Xiao Huangchao, my little brother Chen Ping, has been spared.”

“From now on, Chen Ping will be a distinguished guest of my Xiao Dynasty. Whether I am a member of the Demon Sealing Alliance or someone else, if I dare to attack Chen Ping, don’t blame me, Xiao Yuanshan, for turning against me!”

“I advise you not to lose your life for that illusory hundred-year offering. Everyone is dead, and it will be useless no matter how much resources you ask for!”

After saying that, Xiao Yuanshan slowly fell!

Chapter: 6850

Xiao Yuanshan’s words shocked many pharmacists. You must know that Xiao Yuanshan’s words are worth a thousand pieces of gold!

The Demon Sealing Alliance wanted to kill Chen Ping, but now the Xiao Dynasty actually protects Chen Ping!

The strength of Xiao Dynasty is not inferior to that of the Demon Sealing Alliance at all!

It’s just that the spheres of influence of the two sides are different!

The Xiao Dynasty was in the Western Region, occupying a large area of land and controlling dozens of cities!

The Demon Sealing Alliance has developed its power to the entire heaven and human world, and the forces of the Demon Sealing Alliance are everywhere!

According to the area of influence, the area where the Demon Sealing Alliance's influence extends is much larger!

But the Xiao Dynasty was a dictatorship, and Xiao Yuanshan had absolute control and say!

And the Demon-Sealing Alliance said it was just an alliance, an alliance of forces from all over the place!

In terms of loyalty and cohesion, the Demon Sealing Alliance is no match for the Xiao Dynasty!

Both have their own advantages and disadvantages, so they are equally powerful!

Now the two parties who had no conflict at first started directly targeting each other because of Chen Ping!

The Demon Sealing Alliance kills Chen Ping, and the Xiao Dynasty protects Chen Ping!

Now if you want to kill Chen Ping and get the hundred-year enshrinement of the Demon Sealing Alliance, you should think about it carefully!

Among the many pharmacists at the scene who had this idea, many suppressed it!

Because they know that they cannot afford to offend Xiao Huangchao!

Don't wait until the time comes. The hundred years of worship in the Demon-Sealing Alliance will be earned, but lost!

Xiao Yuanshan also knew that many people at the scene wanted to take advantage of Chen Ping, so he said such words!

The purpose is to shock everyone present!

Chen Wenliang was relieved when he heard Xiao Yuanshan's words!

He knows Chen Ping's identity, but he won't do anything to Chen Ping for the hundred years of worship from the Demon Sealing Alliance!

But with so many people present, he couldn't guarantee that others wouldn't be tempted by the Demon-Sealing Alliance's hundred-year offering!

But now, with Xiao Yuanshan's words, I believe many people will give up their thoughts!

Seeing that his goal was achieved, Xiao Yuanshan left Chen Ping with his address and left with Xiao Feng!
