

The Order 6881

Chapter: 6881

“Fellow Daoist Zhou, why don’t you go up the mountain?”

Chen Ping asked in confusion!

“Fellow Daoist Chen, my father wants to talk to you. My aunt and Zhong Yaozun are both here!”

Zhen Huan said to Chen Ping!

She was probably afraid that Chen Ping wouldn’t go, so she moved out Granny Zhen and Zhong Qing!

After all, Chen Ping came here for Granny Zhen, so he should give her some face!

When Chen Ping heard that Granny Zhen and Zhong Qing were also there, he nodded and followed Zhen Huan and the others!

Liu Ruyan, Nie Heng, and the newly joined Nie Lei and Nie Hong brothers also followed!

Zhen Yuandao followed Zhou Qian and others and waited in a small forest not far ahead!

Seeing Chen Ping coming, Zhen Yuandao took the initiative to step forward: “Fellow Daoist Chen, why did it take you so long to enter the mountain? You must know that there must be benefits to climbing to the top of the mountain first.”

“I’ve been delayed on some things. I wonder what the Master Zhen wants from me?”

Chen Ping asked!

“Fellow Daoist Chen, I’m looking for you because I want to ask you for a favor. I know that you have a good relationship with President Chen of the Zhongyu Pharmacists Association. Our two families hope to form an alliance with the Zhongyu Pharmacists Association.”

“This way, if something happens on Yaoding Mountain, we will have someone to take care of each other...”

Zhen Yuandao said directly!

Chen Ping was slightly stunned, looked at Zhen Yuandao and said, “Master Zhen, do you know what will happen in Yaoding Mountain? Otherwise, the strength of your Zhen family and Zhou family cannot be underestimated. Why join forces with the Zhongyu Pharmacist Association?”

“And you from the Western Region Pharmacists Association are also participating. Even if it is an alliance, it should be with the Western Region Pharmacists Association, right?”

Chen Ping knew that Zhen Yuandao must be keeping something secret. After all, no one wanted to form an alliance at this time. After all, if there was one more person, he would get an extra share of the treasure!

“Fellow Daoist Chen, to be honest, the reason why we formed an alliance with the Zhongyu Pharmacist Association is to deal with Su Tianshuo and the others!”

“We got the news that Su Tianshuo has joined forces with the Diao family and the Bao family in Yongle City to attack us in Yaoding Mountain.”

“The strength of our two families is not enough to deal with them, so we want to form an alliance with the Zhongyu Pharmacist Association through Fellow Daoist Chen.”

“You can tell President Chen that we will never treat him badly. The Central Region Pharmacist Association can take half of the treasures obtained at Yaoding Mountain!”

“And when we return to Yongle City, our two families will be given heavy gifts...”

Zhen Yuandao also knows that if they don't provide some substantial benefits, who will form an alliance with them!

Chapter: 6882

Hearing this, Chen Ping frowned slightly. If there were internal fights among the many pharmacists in Medicine Cauldron Mountain, it would weaken a lot of strength!

When the time comes, if the Heaven-Destroying Sect really attacks Medicine God Island, how can they stop it?

“Master Zhen, is what you said true? How can you be sure that Su Tianshuo will deal with you?”

Chen Ping asked!

“Of course it's true. Su Tianshuo secretly met with the heads of the Bao family and the Diao family. It was obviously aimed at us.”

“Our four great families are at odds with each other, and sooner or later there will be a battle...”

Zhen Yuandao said!

“Master Zhen, can’t you make peace? Even if you can’t make peace, don’t start a fight on Medicine God Island.”

Chen Ping said with a very ugly face!

“Why?”

Zhen Yuandao asked in confusion!

Chen Ping sighed softly, and then told Zhen Yuandao exactly what Ouyang Xing told him!

When they heard about the Heaven-Destroying Sect, everyone’s expressions instantly changed!

“The Zhantian Dharma Sect actually wants to capture Medicine God Island? I’m just saying that something must be wrong if Ouyang Xing suddenly forcibly moves the Medicine Master Conference to Medicine God Island.”

“Okay, now, we plan to tie up many of the pharmacists in our Heavenly and Human Realm with Medicine God Island, and follow them to fight against the Heaven-Destroying Sect!”

Zhou Qian said very dissatisfied!

“This Medicine God Island is simply too bad. If the Heaven-Destroying Sect attacks, I don’t know how many medicine masters will die.”

Zhen Huan also said angrily!

Everyone began to curse Yaoshen Island, feeling that they had all been cheated!

“Everyone, you have misunderstood Island Master Ouyang. He is not trying to get everyone to help him resist the Heaven-Slashing Sect. He just doesn’t want the many inheritances and treasures from the place where the Medicine God fell to fall into the hands of the Heaven-Slashing Sect!”

“So he moved the Medicine Master Conference to Medicine God Island to allow everyone to benefit from this place where the Medicine God fell.”

“After three days, everyone must leave, because the Tianzhan Dharma Sect will attack Yaoshen Island in three days.”

Chen Ping helped Ouyang Xing explain!

“If that’s the case, then we really don’t have time to waste fighting.”

Chapter: 6883

“But right now, if we don’t fight with Su Tianshuo and others, they probably won’t give up this opportunity.”

Zhen Yuandao frowned and said!

“This is easy to handle. I will explain this matter to President Na Su. I believe they will understand how to do it.”

Chen Ping planned to tell Su Tianshuo about this.

As long as Su Tianshuo knew that Zhantian Dazong was going to attack Yaoshen Island, and they really only had three days, they would not waste time on the Zhou family and the Zhen family!

But Chen Ping didn't know that Su Tianshuo had already known about the Heaven-Zhanting Fazong, and he had already reached cooperation with the Heaven-Zhanting Fazong!

"That's fine, I'll leave this matter to Fellow Daoist Chen!"

Zhen Yuandao doesn't want to fight with Su Tianshuo and others in Yaoding Mountain!

After all, they came to the place where the God of Medicine fell to try their luck. If they could get the inheritance of the God of Medicine, they would become famous in an instant!

"I tried my best..."

Chen Ping nodded!

After saying goodbye to Zhen Yuandao and others, Chen Ping and the others continued to head towards the mountain!

Yaoding Mountain is very big, and nearly a thousand pharmacists like them can't see anything when they enter Yaoding Mountain!

Chen Ping himself didn't know if he would encounter Su Tianshuo and others, but if he did, Chen Ping would try his best to stop the fight!

Chen Ping still doesn't know that he himself has become the prey of Su Tianshuo and others, and he still wants to stop the fight!

Not long after Chen Ping and the others left, several auras suddenly came towards them!

Although the distance was not very close, Chen Ping could sense that these breaths were coming towards them!

"Mr. Chen, what's wrong?"

Seeing Chen Ping stop suddenly, Nie Heng asked curiously!

"Someone is coming this way, I don't know who it is!"

Chen Ping said solemnly!

Although everyone who enters Yaoding Mountain is a pharmacist, Chen Ping cannot possibly know them all!

I don't know if the people coming this way are enemies or friends!

Now almost all the pharmacists know Chen Ping's identity. With the hundred-year-old enshrinement of the Demon Sealing Alliance placed here, it is inevitable that some people will have evil intentions!

Chapter: 6884

Even with Xiao Yuanshan's intimidation, some people still cannot avoid taking risks for the sake of the Demon Sealing Alliance's centenary enshrinement!

As the saying goes, people die for wealth and birds die for food!

"Chen Ping, why didn't we feel anyone coming?"

Liu Ruyan asked!

"Yeah, we don't seem to feel anything!"

Nie Lei and Nie Hong also said!

"Don't worry, it should appear soon!"

Chen Ping looked ahead with a solemn expression!

Soon, several figures appeared. As soon as they appeared, these people surrounded Chen Ping and the others!

Looking at this formation, Chen Ping understood instantly!

"Who are you? What do you want to do?"

Nie Heng saw that these people had evil intentions, so he asked!

“No matter what your business is, get out of here. We are here to find this Chen Ping.”

One of the pharmacists wearing a gray cloth said!

They obviously came here for the hundred years of worship from the Demon Sealing Alliance!

Chen Ping took a glance and found that these people were all at the seventh or eighth level of the Tribulation Realm, and their strength was not weak!

“Fellow Daoist Lu, if you don’t go hunting for treasures in the mountains, what are you going to do to find Friend Daoist Chen?”

At this time, Nie Lei stepped forward and said to the pharmacist in gray!

“Nie Lei, Nie Hong, you two brothers and sisters are actually here.”

“I advise you two to stay out of your own business. We are only looking for Chen Ping and have nothing to do with you brother and sister.”

The gray-clothed pharmacist said!

“Do you want the hundred-year enshrinement of the Demonic Alliance?”

Chen Ping asked!

“Yes, as long as I kill you, I can get the hundred-year tribute from the Demon Sealing Alliance. These resources are enough for our brothers to practice for a hundred years.”

Chapter: 6885

The gray-clothed pharmacist said!

“Hmph, it’s ridiculous that even with your virtues, you want to kill me and get the Demon-Sealing Alliance to enshrine you for a hundred years!”

Chen Ping said with disdain on his face!

“You are a sixth-grade cultivator in the Tribulation Realm, but you dare to speak so brazenly. I don’t want our brothers to be your opponents!”

The gray-clothed pharmacist pulled out a long knife!

Others also showed off their weapons, ready to attack Chen Ping at any time!

When Nie Heng and Liu Ruyan saw this, they all put on their posture!

Brother and sister Nie Lei and Nie Hong were also standing in front of Chen Ping!

“If you two, brother and sister, don’t get out, are you looking for death?”

The pharmacist in gray frowned and said!

“Since we have chosen to follow Fellow Daoist Chen, we cannot sit idly by.”

Nie Lei said!

“Okay, then you will die together today!”

After the gray-clothed pharmacist finished speaking, he planned to take action!

“You all get out of the way. I can handle these few young monks who are in the Tribulation Realm!”

Chen Ping asked Liu Ruyan and the others to get out of the way!

Chen Ping still doesn't look down on a young monk who is in the seventh or eighth level of the Tribulation Realm!

Nie Lei and Nie Hong couldn't help but look ugly when they saw Chen Ping despising the Tribulation Realm monks!

Chen Ping was only at the sixth level of the Tribulation Realm, and he actually said such words that looked down upon the Tribulation Realm monks!

“Mr. Chen, please be more careful and don't get blood all over your body...”

Nie Heng warned Chen Ping and then hid aside!

When Liu Ruyan saw this, he also left!

With the strength of the two of them, even if they were helping, they wouldn't be able to help much, and they might even distract Chen Ping!

They are also aware of Chen Ping's strength. A few monks of the seventh and eighth levels of the Tribulation Realm cannot kill Chen Ping!

Chapter: 6886

But when brother and sister Nie Lei and Nie Hong saw this, they seemed a little at a loss!

"Brother Nie, you two brothers and sisters also come over and let Mr. Chen deal with it alone."

Nie Heng waved to Nie Lei and his sister and said!

Because they both share the surname Nie, Nie Heng is very close to the brother and sister!

Nie Lei and Nie Hong saw this, and then slowly stepped aside!

The gray-clothed pharmacist ducked away when he saw it, and the aura on his body instantly filled the air. The rest of the people were also full of momentum, hunting in the fierce wind!

"Boy, I can only blame you for being too valuable. Don't blame us..."

The gray-clothed pharmacist took the lead in taking action against Chen Ping!

Chen Ping raised the corner of his mouth slightly, but he did not dodge or take out a weapon, but a faint golden light began to emit from all around his body!

When several other people saw this, they all rushed towards Chen Ping!

Just after a few guys approached Chen Ping, Chen Ping's body seemed to explode!

boom!

Suddenly, a burst of red flames shot out from Chen Ping's body, soaring straight into the sky!

The guys who were caught off guard were suddenly set on fire!

"ah....."

"Fire, it's on fire..."

"Burn me to death..."

Several guys were burning with flames, rolling on the ground desperately, but the flames couldn't be extinguished at all!

Liu Ruyan and Nie Heng were not surprised!

But brother and sister Nie Lei and Nie Hong looked at the scene in front of them with shock on their faces!

Several monks in the seventh and eighth levels of the Tribulation Realm, each of them no worse than the two brothers and sisters, were now swallowed up by the sudden burst of fire without even touching a hair on Chen Ping's head!

Horrible, simply terrible...

"How do you know my location?"

Chen Ping looked at the people who were burned and screamed, and asked coldly!

Chapter: 6887

Yaoding Mountain is extremely huge, and Chen Ping and the others were the last to enter. These guys could actually come straight to them from a long distance away!

It was obvious that these people knew their location in advance, so they came straight over!

Several pharmacists were burned until they screamed, and no one answered Chen Ping's questions!

At this time, the brother and sister Nie Lei and Nie Hong glanced at each other and immediately raised their swords!

"Hey...you guys..."

When Nie Heng saw this, he was about to speak, but the brother and sister had already rushed forward!

Then he killed all the pharmacists in a few strokes!

“Hmph, these guys are disrespectful to Fellow Daoist Chen. They want to get a hundred years of sacrifice from the Demon-Sealing Alliance with this little strength. They are really overestimating their capabilities!”

After Nie Lei killed a few people, he snorted coldly!

“Why did you kill people? Didn’t you see Mr. Chen asking questions?”

When Nie Heng saw this, he quickly frowned and said!

“These guys definitely won’t say it, not to mention that their whole bodies are burning with flames. If they want to say it, I’m afraid they won’t have a chance.”

“It’s better to just kill them. After all, we are both pharmacists, so we can’t watch them being burned alive so cruelly!”

Nie Hong started her moral remarks again!

When Nie Heng heard this, he didn’t know how to answer!

“Okay, just kill them. Even if they don’t take action, these people won’t survive.”

“Let’s go, we only have three days, don’t delay!”

After Chen Ping finished speaking, he walked straight forward!

Several people were following Chen Ping, but they didn't encounter any danger along the way!

But when they reached the mountainside, they suddenly discovered that there was a light curtain hanging down from the top of the mountain, and in front of the light curtain was a large flat open space!

In this open space, many pharmacists stopped, and some pharmacists were lying on the ground, obviously injured!

When Chen Ping got closer, he found that most of these pharmacists were people from the Western Regions who would follow the Bao family and the Diao family!

There are also some pharmacists from other regions!

At this time, Su Tianshuo, Bao Longxing and Diao Changmin were looking at the light curtain in front of them with their brows furrowed!

Chapter: 6888

"President Su, Chen Ping is here!"

At this time, someone came up to Su Tianshuo and whispered!

"What?" Su Tianshuo turned around and saw Chen Ping walking over with Liu Ruyan and the others!

"What do Lu Qing and the others do for food? Didn't they find someone? Why did they let him come here?"

When Bao Longxing saw this, he said very dissatisfied!

“Now that we’re here, we can’t run away. Our top priority is to find a way to break the light barrier in front of us.”

“If someone else climbs to the top of the mountain first and gets the Medicine God’s inheritance, wouldn’t it be in vain for us?”

Diao Changmin said!

“Don’t worry, even if they get the Medicine God inheritance, they can’t even think of leaving Medicine God Island.”

Su Tianshuo sneered at the corner of his mouth, and then walked towards Chen Ping!

Chen Ping cured Xiao Feng and became a distinguished guest of the Xiao Dynasty, and he was considered a celebrity!

“President Su...”

Seeing Su Tianshuo, Chen Ping stepped forward and said hello!

After all, he wanted to help the Zhou family and the Zhen family make peace with Su Tianshuo!

They are all pharmacists, and they are all from the same place, so it would be best to mediate!

“Fellow Daoist Chen, I didn’t expect you to go in this direction. We are really destined!”

Su Tianshuo said angrily!

Unfortunately, Chen Ping didn't hear it. Instead, he looked at Bao Longxing and Diao Changmin behind Su Tianshuo and said, "These two should be the head of the Bao family and the head of the Diao family, right?"

"Not bad!" Su Tianshuo nodded!

"President Su, I just have something to tell you!" Chen Ping said.

Chapter: 6889

"Oh? Tell me?"

Su Tianshuo was stunned!

He had no interaction with Chen Ping, so he didn't know what Chen Ping wanted to tell him!

"President Su, are you going to unite and take action against the Zhou family and the Zhen family during this Medicine Master Conference?"

"Actually, the Zhou family and the Zhen family also know your intentions, so please ask me to unite with the Central Region Pharmacist Association."

"If a fight breaks out then, I'm afraid both sides will suffer losses."

"And one more thing, you may not know that disaster will befall Yao Shen Island in three days!"

“The Tianzhan Dharma Sect will attack Yaoshen Island in three days. If you are fighting, no one will be able to leave Yaoshen Island.”

Chen Ping followed Su Tianshuo truthfully!

When Su Tianshuo heard this, his face was filled with shock. Even Bao Longxing and Diao Changmin had expressions of disbelief!

After all, only a few of them knew about this matter, and the other pharmacists didn't know about it at all!

If they knew it, many people would probably escape from Medicine God Island!

After all, no matter how good the treasure is, it is not as important as life!

“Fellow Daoist Chen, are you telling the truth?”

Su Tianshuo asked!

“Of course, Island Master Ouyang told me personally. There is absolutely no lie.”

“I just hope that you will stop fighting during the Medicine Master Conference. After all, it is better to resolve enemies than to end them.”

“What's more, there are not many pharmacists in the heaven and human world, and they are still a vulnerable group. If there is internal fighting, the pharmacists in the entire heaven and human world will be even more vulnerable.”

Chen Ping persuaded Su Tianshuo!

Su Tianshuo frowned and did not answer Chen Ping's words. Instead, he looked back at Bao Longxing and Diao Changmin!

Su Tianshuo didn't expect that Ouyang Xing would take the initiative to reveal the news about Zhantian Fa Sect's attack on Medicine God Island!

In fact, Su Tianshuo and others also believed that Ouyang Xing forcibly moved the Medicine Master Conference to Yaoshen Island in order to tie up with many medicine masters and then fight against the Tianzhan Dazong!

Therefore, Ouyang Xing will never reveal this matter. If it is really revealed, it will cause panic among the pharmacists. I believe many people will choose to escape from Medicine God Island. Who will follow Ouyang Xing to resist the Tianzhan Dazong?

But now, Ouyang Xing told Chen Ping the news, which forced Su Tianshuo and others' plans to change!

Chapter: 6890

They just want to join forces with the Heaven-Destroying Sect and then kill most of the pharmacists, so that they can control the pharmacists in the entire heaven and human world!

But now that Chen Ping knows this secret, I believe that it won't be long before other pharmacists will also know about it!

If all the pharmacists run away, Su Tianshuo's plan will be over!

Therefore, they must not let Chen Ping leak the news!

“Fellow Daoist Chen, I still have to discuss it with Patriarch Bao and Patriarch Diao. After all, they are the protagonists in this matter!”

Su Tianshuo followed Chen Ping very politely!

He wants to stabilize Chen Ping first, but Chen Ping still doesn't know their plan!

They are hiding and Chen Ping is hiding, so they have the opportunity to attack Chen Ping at any time!

“Okay!” Chen Ping nodded!

Su Tianshuo called Bao Longxing and Diao Changmin aside!

“How could such a situation happen? In this case, most of the people will probably have escaped before the Heaven-Destroying Sect arrives at Yaoshen Island.”

Bao Longxing said anxiously!

“What is this Ouyang Xing doing? Isn't he afraid that all the pharmacists will run away?”

Diao Changmin also said hastily!

“It seems that I have to inform Zhantian Dazong and take action in advance. However, we must not let Chen Ping spread the news in the past few days!”

Su Tianshuo knew that once the news spread that Zhantian Dazong was attacking Yaoshen Island, all the medicine masters would flee!

By that time, his plan had completely failed!

“Then let’s kill Chen Ping directly now. Won’t he be unable to spread the news? Kill everyone with him as well.”

Bao Longxing said!

“It’s easy to kill Chen Ping, but what about the Zhou family and the Zhen family? They all know about it.”

“It’s impossible for us to kill all the Zhou and Zhen families now.”

Diao Changmin frowned and said!

“Don’t kill him yet. Keep Chen Ping under control and find a way to get him to find Zhou Qian and Zhen Yuandao.”

“As long as we show sincerity that we won’t fight, I don’t think Zhou Qian and Zhen Yuandao will be on guard.”
