

The Order 6891

Chapter: 6891

“At that time, we will catch them all. This will not only prevent the news from spreading, but also destroy the Zhou family and the Zhen family together.”

“And with brothers and sisters Nie Lei and Nie Hong following him, we don’t have to worry about not finding Chen Ping!”

Su Tianshuo planned in a low voice!

It turns out that Nie Lei and Nie Hong, brothers and sisters, were sent by Su Tianshuo to Chen Ping!

The reason why Lu Qing’s pharmacists were able to find Chen Ping accurately was because of these brothers and sisters!

“Okay, just listen to President Su!”

Bao Longxing nodded!

“I agree too!” Diao Changmin also nodded!

A few of them agreed, and as for the others, they didn’t need to worry about it. Now everyone is a grasshopper on a rope, and no one can escape!

Everyone agreed, Su Tianshuo walked towards Chen Ping!

“Fellow Daoist Chen, I just discussed it. The Bao family and the Diao family agreed not to cause trouble to the Zhou family and the Zhen family at this pharmacist conference.”

“As for whether they will have another dispute after the Medicine Master Conference is over, there is no guarantee!”

Su Tianshuo said!

“Okay, with President Su’s words, I can safely tell Head Zhen and the others.”

“But President Su, you should also be careful not to stay too long in Yaoding Mountain. It is best to leave as soon as possible before the Tianzhan Dazong arrives!”

Chen Ping kindly reminded Su Tianshuo!

“I wanted to leave quickly, but unfortunately the light curtain blocked us from going up the mountain.”

“Many people just passed through the light curtain, but they were all injured and pushed back by a mysterious force!”

Su Tianshuo sighed, looked at the light curtain hanging from the top of the mountain and said!

“Is there such a thing?”

Chen Ping frowned slightly and looked at the light curtain carefully!

Although the light curtain did not cover the entire Yaoding Mountain, it would take a lot of time to bypass the light curtain!

Chen Ping felt that the light curtain was like a magic circle set up by someone, but Ouyang Xing didn't say that there was a magic circle in Yaoding Mountain at first!

"This Medicine Cauldron Mountain is by no means as simple as Ouyang Xing said. In addition to the ferocious beasts and dangers here, there must also be various tests set by the Medicine God!"

Chapter: 6892

"So if you want to get the inheritance of the Medicine God, you must go through the many tests he has set up. Otherwise, no one on the Medicine God Island will get the inheritance of the Medicine God for so many years!"

Su Tianshuo expressed his suspicions!

He suspected that this light curtain was actually a test set by the God of Medicine before he died. Only after passing many tests can one obtain the inheritance of the God of Medicine!

"Maybe, I'll go take a look..."

Chen Ping slowly walked towards the light curtain!

Liu Ruyan and Nie Heng saw this and hurriedly followed Chen Ping!

Seeing Chen Ping going to observe the light curtain, Su Tianshuo winked at Nie Lei and Nie Hong!

The two people followed Su Tianshuo quietly, and then found a hidden place!

“President Su...”

Nie Lei and Nie Hong shouted respectfully!

“What did you two do? Is the location given incorrectly? Didn’t Lu Qing and his people find you?”

Su Tianshuo asked angrily!

Now that Chen Ping appears here, it must be because Lu Qing and others did not encounter Chen Ping!

“President Su, Lu Qing and others found us, but a few of them were all killed.”

Nie Lei said!

“What? Killed?” Su Tianshuo frowned: “That Chen Ping is only in the sixth level of the Tribulation Realm, and the men and women around him are even weaker. How could he kill Lu Qing and others?”

“Did you help? Or someone helped Chen Ping?”

“President Su, we didn’t help, and no one helped Chen Ping. Chen Ping did it himself.”

“To be precise, it’s not even called taking action. After Lu Qing and others got close to Chen Ping, they were ignited by Chen Ping’s sudden burst of fire, which made them howl!”

“If my brother and I hadn’t acted quickly, they would have exposed both us and you!”

Nie Hong said!

Listening to Nie Hong's words, Su Tianshuo couldn't calm down for a long time!

You must know that Lu Qing and others are all monks at the seventh or eighth level of the Tribulation Realm. Although this kind of person is not particularly outstanding in the world of gods and humans, among the team of pharmacists, those who can practice to the seventh or eighth level of the Tribulation Realm are definitely He is considered a master!

And several of them couldn't even deal with Chen Ping, a sixth-level monk in the Tribulation Realm?

Chapter: 6893

"It seems that I underestimated Chen Ping!" Su Tianshuo said with a cold expression!

At this time, Chen Ping had already approached the light curtain and slowly stretched out his hand!

"Mr. Chen, be careful!"

When Nie Heng saw this, he quickly reminded him!

"Chen Ping, don't be reckless..."

Liu Ruyan stepped forward and grabbed Chen Ping!

So many monks were injured in the light curtain. If Chen Ping also entered the light curtain, who knows what would happen!

“Don’t worry, I am sensible. This so-called light curtain is just a test formation!”

Chen Ping smiled slightly, then broke away from Liu Ruyan and instantly walked into the light curtain!

Chen Ping walked into the light curtain and disappeared instantly!

At this time, Su Tianshuo saw Chen Ping entering the light curtain and ran over immediately!

Diao Changmin and Bao Longxing also came over!

They didn’t understand why Chen Ping entered the light curtain!

After Chen Ping entered the light curtain, his body was instantly torn apart by a strange force!

Chen Ping wanted to control his body, but he couldn’t control it at all!

The sharp breaths kept sending Chen Ping’s body flying everywhere!

Even though Chen Ping had activated the Indestructible Golden Body, the power still made Chen Ping feel his blood surge and his internal organs churning!

“What kind of breath is this? It’s so strange. It’s not spiritual energy, fairy energy, or demonic energy. What the hell is it!”

Chen Ping was a little overwhelmed by these sharp auras!

Because Chen Ping has never encountered the aura within this light curtain!

“It’s really strange. What the hell is this breath? Although it looks extremely sharp, it’s not very powerful.”

“Otherwise, you would have died a long time ago, and the pharmacists who broke in all came out injured, not dead!”

Demon Lord Chiyun is also wondering where this kind of aura comes from!

Just when Chen Ping’s body was flying around like a ball due to this strange aura, there was a sudden buzz!

Chapter: 6894

Something suddenly flew out of Chen Ping’s storage ring, shining with light!

“Shen Nong Ding?”

Chen Ping was stunned when he saw what suddenly flew out!

I saw the lines on the Shennong Cauldron, constantly emitting light!

The strange auras in the light curtain can be clearly seen at this moment!

Two breaths flew past the Shennong Cauldron, and were directly sucked into it by the Shennong Cauldron!

Seeing this, the other auras moved away from the Shennong Cauldron and continued to attack Chen Ping!

Chen Ping was directly suspended above the Shennong Cauldron, and those strange auras were like mice seeing a cat, all surrounding Chen Ping, but they never attacked Chen Ping again!

Chen Ping looked down and found that the two auras inside the Shennong Cauldron were struggling and moving inside the Shennong Cauldron, as if they wanted to break free from the constraints of the Shennong Cauldron!

“Boy, if you capture all these auras and put them into the Shennong Cauldron, what do you think will happen?”

Demon Lord Chiyun asked!

Chen Ping looked carefully at the two auras in the Shennong Cauldron. He didn't know what would happen if these auras were captured into the Shennong Cauldron!

But now that he has the Shennong Cauldron, knowing that these strange auras are afraid of the Shennong Cauldron, Chen Ping is no longer afraid!

“Try it...”

After Chen Ping said that, he actually took the initiative to move towards those weird auras!

After Chen Ping escaped from the Shennong Cauldron, those strange auras began to attack Chen Ping again!

While dodging, Chen Ping began to lure those auras towards the Shennong Cauldron!

Then he was caught off guard and forced a breath into the Shennong Cauldron, and was controlled by the huge suction force of the Shennong Cauldron!

Just like this, more than an hour passed, and there was no more breath in the light curtain. All the breath was sucked into the Shennong Cauldron!

These breaths are twisting randomly, and they seem to be very scared!

Chen Ping gently pressed one hand on the Shennong Cauldron. As the lines on it continued to emit golden light, the atmosphere inside the Shennong Cauldron gradually became quieter!

Soon these breaths began to merge, and streams of white mist continued to emerge from the Shennong Cauldron!

At this time, Liu Ruyan and Nie Heng, who were outside the light curtain, were already anxious!

Chen Ping has been inside the light curtain for more than an hour, but he hasn't seen any trace yet, and he can't even hear much movement!

Chapter: 6895

Liu Ruyan tried many times to enter the light curtain to find Chen Ping, but was stopped by Nie Heng!

Even Su Tianshuo and others were very curious and didn't understand why Chen Ping didn't move inside the light curtain for such a long time!

“President Su, we have only been in for a few minutes, but we were all injured one by one and flew out. This guy has been in for more than an hour, why is there no movement yet?”

Bao Longxing asked very puzzledly!

“Could he have died inside?”

Diao Changmin also said!

Su Tianshuo looked at the light curtain in front of him. He had personally felt the strange aura inside. It was very domineering. They were forced to retreat within a few minutes, and many people were injured!

Chen Ping has been in there for so long now, maybe he has died inside!

“It’s very possible that he’s already dead inside. So many of us didn’t last even a few minutes. It’s been an hour now.”

“If this guy dies, our plans will change again.”

Su Tianshuo frowned.

Things are always changing, giving him a headache!

“If Chen Ping dies, these two people can’t stay!”

After Bao Longxing finished speaking, he looked at Liu Ruyan and Nie Heng with a murderous expression!

Liu Ruyan and Nie Heng were looking at the light curtain in front of them attentively, but a dangerous murderous intent suddenly came, and the two of them turned back at the same time!

They saw Bao Longxing looking at them with murderous intent. This murderous intent made the two of them tremble!

“Don’t take action yet, just wait and see. If Chen Ping doesn’t show up within a quarter of an hour, we will kill these two guys and then take a detour up the mountain!”

Su Tianshuo decided to wait!

After hearing Su Tianshuo’s words, Bao Longxing put away his murderous intention!

“Miss, why do I feel like these guys have bad intentions?”

“The way he looked at us just now was as if he wanted to eat us.”

Nie Heng whispered to Liu Ruyan!

“I also feel that these guys have murderous intent. They probably want to kill us.”

Liu Ruyan said with a solemn expression!

Chapter: 6896

“Didn’t they just have a good talk with Mr. Chen? And we have no enmity with them, so why do they want to kill us?”

Nie Heng was very puzzled!

“Knowing people but not their hearts, who knows what they are thinking, we two should be careful.”

Liu Ruyan asked Nie Heng to be careful!

And she looked nervously at the light curtain in front of her, hoping in her heart that Chen Ping would appear!

But at this time, Chen Ping was looking at everything in the Shennong Cauldron with concentration!

At this moment, the surroundings were already wrapped in mist, and in the Shennong Cauldron, a crystal clear elixir appeared, and inside the elixir, there was also white mist wrapped in it!

“What kind of pill is this?” Chen Ping took out the pill from the Shennong Cauldron.

After playing with it for a while, Chen Ping didn’t even realize what this elixir was and what it did!

“No wonder I didn’t recognize those auras just now. It turns out they were transformed by this elixir!”

“It can be turned into a breath, which shows that the level of this elixir is not low.”

“Could it be that this Medicine God practiced it? Later, the Medicine God died, and the elixir slowly turned into powerful energy here!”

Demon Lord Chiyun said.

“I don’t know, but the aura just now was transformed by this elixir. If the Shennong Cauldron hadn’t collected these auras and then refined them into elixirs again, I never would have thought that elixirs could be transformed into auras. And there is a certain amount of consciousness!”

Chen Ping said with emotion!

Although Chen Ping is also a pharmacist and has good medical skills, he can be considered a senior pharmacist!

But he never imagined that a dead object like elixir could be transformed into breath, and even have a certain degree of consciousness!

Otherwise, those auras would not know how to dodge after encountering the Shennong Cauldron. If they dodge, it proves that they have a certain amount of consciousness!

Chen Ping put the elixir away. Since he didn’t know what the elixir was and what it did, Chen Ping didn’t dare to take it casually!

At this time, Liu Ruyan, who was waiting anxiously for Chen Ping outside, turned extremely pale!

Nie Heng held the sword with one hand, ready to take action at any time!

Because that murderous aura is filling the air again!

“That kid must be dead. Don’t waste time. I’ll kill these two people and then we’ll take a detour!”

Bao Longxing saw that the time was almost up and Chen Ping was still missing, so he decided to take action against Liu Ruyan and Nie Heng!

Chapter: 6897

Liu Ruyan and Nie Heng felt the murderous intent behind them, so they became very nervous and prepared to resist!

However, the strength of the two of them is too low, and they know that they are no match for these people!

But we can't sit still and wait for death!

Just when the bag of dragon stars was slowly approaching Liu Ruyan and Nie Heng, there was a sudden bang!

I saw the light curtain hanging from the top of the mountain in front of me, like glass shattering, directly shattered, and then slowly disappeared!

The light curtain disappeared and everyone was stunned!

Then the scene behind the light curtain was also seen by everyone!

There was only a faint mist behind the light curtain, and Chen Ping was not far away from them!

In front of Chen Ping, there is a furnace cauldron placed on the ground!

There are all kinds of strange and weird lines on the furnace tripod, and it still exudes a simple atmosphere!

Chen Ping was also startled by the sudden disappearance of the light curtain, and quickly put away the Shennong Cauldron!

The Shennong Cauldron is an ancient divine cauldron, and it is the alchemist's favorite thing!

If these pharmacists find out, Chen Ping has a treasure like the Shennong Cauldron in his hand, which will be more attractive than the hundred-year enshrinement of the Demon Sealing Alliance!

After all, this Shennong Cauldron is a priceless treasure to these pharmacists!

"President Su, did you see the medicine cauldron just now?"

Bao Longxing was the closest and asked Su Tianshuo with his body trembling slightly!

"I saw it..." Su Tianshuo's eyes also widened!

"That's an ancient medicinal cauldron. It's definitely a treasure among treasures."

"I really didn't expect that Chen Ping would have this kind of medicinal cauldron in his hands."

Diao Changmin's eyes showed greed!

At this time, Chen Ping had already walked out of the mist. The mist seemed to be blocked by something and did not float past the location of the light curtain!

“Chen Ping, are you okay?”

Seeing Chen Ping coming out, Liu Ruyan hurriedly stepped forward and asked!

“It’s okay!” Chen Ping shook his head!

Chapter: 6898

When Su Tianshuo and the others saw this, they also came over, then looked at Chen Ping with a smile and said: “Fellow Daoist Chen, why did you stay in this light curtain for so long? And the light curtain suddenly disappeared, how did you do it?” ”

“This is just a formation. I know a little bit about it, so I broke the formation inside, so the light curtain disappeared!”

Chen Ping smiled slightly and said!

Chen Ping didn’t say anything about using the Shennong Cauldron to refine those weird auras!

“Fellow Daoist Chen, can you let us appreciate the medicine cauldron you just put away? I think that medicine cauldron is so special!”

Diao Changmin asked greedily!

“Yes, let’s pay our respects. I didn’t expect that there is such a good medicine cauldron in the world of heaven and humans!”

When Bao Longxing saw this, he hurriedly said!

Chen Ping didn't expect that his Shennong Cauldron would be seen by these people, but these people wanted to see it, so it didn't hurt to let them see it, and it would also give them a lot of insights!

Just when Chen Ping was about to agree and take out the Shennong Cauldron, Liu Ruyan suddenly pulled Chen Ping and said with an ugly face: "Chen Ping, I feel a little uncomfortable, please help me take a look..."

"Ruyan, what's wrong with you?"

Seeing this, Chen Ping hurriedly stepped forward to support Liu Ruyan, and a burst of spiritual power instantly penetrated Liu Ruyan's body!

Then Chen Ping's spiritual power and Liu Ruyan's voice transmission said: "Don't take out your medicine cauldron, these guys are not good things."

"They wanted to kill us just now, but fortunately the light curtain disappeared and you appeared, otherwise they would have taken action."

Chen Ping couldn't help but frown as he listened to Liu Ruyan's voice transmission!

He didn't understand, what did people like Su Tianshuo do to Nie Heng and Liu Ruyan?

They also have no grudges!

And with the strength of Liu Ruyan and Nie Heng, they can't threaten them or anything!

But since Liu Ruyan reminded him, it is impossible for Chen Ping to take out the Shennong Cauldron!

“It’s just an ordinary medicine cauldron, nothing interesting to look at.”

“Now that the light curtain has disappeared, it’s better to go up the mountain as soon as possible. I have to leave too!”

Chapter: 6899

Chen Ping supported Liu Ruyan and said to Bao Longxing and others!

Seeing this, Su Tianshuo nodded: “Fellow Daoist Chen, let’s say goodbye...”

Chen Ping took Liu Ruyan and the others away and walked towards the mist!

Brother and sister Nie Lei and Nie Hong followed closely behind!

“President Su, what should we do? Just let Chen Ping go?”

Seeing Chen Ping leaving, Diao Changmin said anxiously!

He has taken a fancy to Chen Ping’s Shennong Cauldron and wants to get it!

“Let him go for the time being. When he joins the Zhou family and the Zhen family, we will catch them all in one fell swoop...”

“Otherwise, the Zhou family and the Zhen family will unite with other pharmacist associations, and we will be in trouble!”

Su Tianshuo said!

“Hey!” Diao Changmin sighed, but there was nothing he could do!

The group of people also entered the mist and started heading towards the mountain!

“Mr. Chen, why do I feel like there’s something wrong with the fog?”

While walking forward, Nie Heng suddenly said!

“There’s a problem, what’s the problem?”

Chen Ping’s face was full of surprise!

“I also feel that there is something wrong. This mist seems to be poisonous, but it is not very toxic and will only slowly erode. We have only been walking for a while, and I feel a little tired, and the spiritual power in my body cannot be mobilized!”

Liu Ruyan also said!

At this time, brothers Nie Lei and Nie Hong also said: "There is indeed something wrong with this fog. We are also feeling flustered and short of breath now, and it is very uncomfortable..."

Chapter: 6900

There were five people in the group, and four of them felt uncomfortable now. Only Chen Ping had no problem at all!

"Why don't I feel anything?"

There is a difference between Chen Ping, is it related to his own physique?

"There is indeed something wrong with this mist. If you take out the elixir on your body, you will probably be able to feel the problem with this mist!"

Demon Lord Chiyun said to Chen Ping!

When Chen Ping heard this, he took out the pill and gave it to Liu Ruyan!

"Chen Ping, what kind of elixir is this? It's so curious..."

Liu Ruyan looked at the elixir and asked curiously!

"I don't know, I picked this up!" After Chen Ping finished speaking, he slowly felt the fog around him!

Chen Ping discovered that there was indeed something wrong with the mist, as it could slowly corrode the human body!

When you notice something is wrong, it's because your body is suffering from too many toxins!

“Look, there's black mist coming out of my body!”

At this time, Liu Ruyan suddenly shouted!

I saw Liu Ruyan holding the unknown elixir. From the palm of his hand, traces of black mist slowly emerged, and then were absorbed by the elixir, and then purified, turning into white mist!

Only then did Chen Ping discover that it was really about this elixir. This elixir could purify the toxins in the mist!

Although the toxins in this mist are not very heavy, you will still feel it if you stay there for a long time!

“Ruyan, give the elixir to Nie Heng...”

Chen Ping said!

Nie Heng took the elixir, and the toxins in his body began to be absorbed quickly!

Nie Lei and Nie Hong, brothers and sisters, also followed suit and used elixirs to absorb the toxins in their bodies!

After cleaning up the toxins, everyone felt much more relaxed and then continued to move forward!

Although they knew there were toxins in the mist, they were not afraid as long as the elixir was there!

But after walking for a while, Chen Ping suddenly stood still!

“Mr. Chen, what’s wrong?” Nie Heng asked!
