

The Order 6901

Chapter: 6901

“Someone is coming, you guys should go first...”

Chen Ping noticed that someone was approaching them!

“How is it possible? Not to mention that no one knows our location, and the place is full of poisonous mist. Who can come straight to us?”

Liu Ruyan frowned. She was very puzzled. How could someone always find their location accurately?

“These people are very powerful, you should leave first, and I will find you later!”

Chen Ping also frowned slightly!

Because he noticed that the opponent was very powerful, even a master of Mahayana realm, and the target was very obvious, he was coming straight towards them!

If it was just Chen Ping himself, Chen Ping could still deal with it, but if Liu Ruyan and the others were here, and Chen Ping still had to spare his energy to protect them, it would be troublesome!

“Okay, pay more attention to yourself!” Liu Ruyan also knows his own strength. Following Chen Ping will only drag him down, so it is better to leave early!

“I know, take this pill, otherwise it will be difficult for you to get out of here!”

Chen Ping gave the pill to Liu Ruyan!

“What should you do?” Liu Ruyan asked with concern!

“Don’t worry, this little poison won’t cause any harm to me at all.”

Chen Ping smiled slightly and said!

It is true that Chen Ping’s strong body suffered much less damage from toxins than others!

If it were ordinary toxins, Chen Ping would have already reached the point where he would be invulnerable to all poisons!

It’s just that this toxin was obviously left by the medicine god and was not an ordinary toxin. This made Chen Ping unable to completely resist it!

Liu Ruyan took the elixir and quickly left with Nie Heng and the others!

Not long after Liu Ruyan and the others left, Chen Ping saw a group of people walking out of the mist next to them!

There are more than a dozen of these people, and most of them are at the seventh or eighth level of the Tribulation Realm!

There are also a few who have reached the ninth level of the Tribulation Realm!

There is even a Mahayana master, and this Mahayana master is Diao Changmin!

The head of the Diao family in Yongle City!

“Master Diao?” Chen Ping looked a little confused when he saw Diao Changmin: “Aren’t you with President Su and the others?”

Chapter: 6902

“I started to follow them, but now they are separated. I just want to see the ancient medicine cauldron of Fellow Daoist Chen.”

“I don’t think Daoyou Chen would be so shameless and wouldn’t show it to me, right?”

Diao Changmin asked!

It turns out that this guy has been thinking about Chen Ping’s Shennong Cauldron, secretly followed Su Tianshuo and others, and led the Diao family to find Chen Ping!

He wanted to get the Shennong Cauldron. If he did it together with Su Tianshuo and others, it would be uncertain who the Shennong Cauldron would fall into!

“Oh, it turns out you just want to take a look at the medicine cauldron. Isn’t this simple?”

When Chen Ping heard this, he showed no concern and was about to take out the medicine cauldron!

When Diao Changmin saw this, his eyes lit up, full of greed!

As long as Chen Ping takes out the Shennong Ding, he will not hesitate to attack Chen Ping. After killing Chen Ping, the Shennong Ding will be his, and the hundred-year enshrinement of the Demon Sealing Alliance will also be his!

After all, a young monk at the sixth level of the Tribulation Realm, with the elites of the Diao family, would definitely be able to kill him easily!

Moreover, he is still a master in the Mahayana realm, so there is no way he would be afraid of Chen Ping!

I saw Chen Ping flipping through it casually, and what he took out was not a medicine cauldron, but a dragon-slaying sword!

Senhan's sword light shot out in an instant!

When Diao Changmin saw this, he retreated suddenly, barely dodging Chen Ping's sword!

But the two people behind Diao Changmin were not so lucky. They were directly hit by the sword light and their bodies were cut into two pieces!

"you....."

When Diao Changmin saw that one of his people was killed, he immediately glared at Chen Ping.

"Hmph, if you want to spy on my medicine cauldron, just go ahead and dream about it. You guys are the only ones who want to lie to me!"

Chen Ping sneered, jumped up suddenly, and ran quickly to the side!

“Damn it, you want to run away, I have to kill you today!”

When Diao Changmin saw that he was being played by Chen Ping, he became furious. With a murderous look in his eyes, he led his men to chase after Chen Ping!

Chen Ping was in front and Diao Changmin led others behind, constantly shuttling through the mist!

Although Chen Ping’s body was not infested by toxins much, he kept traveling in the mist, which still made Chen Ping feel that the spiritual energy in his body was not flowing smoothly!

Chen Ping actually didn’t take these people seriously. The reason why he didn’t take action against them was because of the fog around him!

Chapter: 6903

If a fight really breaks out, the poisonous gas will invade the body faster!

Even if Chen Ping killed people like Diao Changmin, he must have been poisoned a lot. If he encountered the situation again, he would be in trouble!

Diao Changmin and others were chasing after him, and they kept throwing pills in their mouths!

This is a detoxifying pill. Although there is no way to completely eliminate the toxins in the mist, it can also slow down the speed of the poisonous gas invading the body!

Not long after entering the mist, they noticed something strange in the mist, so they started taking antidote pills!

As a family of medicine, detoxifying pills are a long-term necessity!

“Master, we don’t have much antidote pills left. If we continue to use them like this, we will be in trouble!”

At this time, a middle-aged pharmacist beside Diao Changmin reminded!

Diao Changmin frowned slightly, looked at Chen Ping not far ahead, and said with some confusion: “Damn, why hasn’t this kid gotten poisoned yet? I really don’t think I saw him taking the detoxifying pill along the way!”

“Master, is this guy invulnerable to all poisons?” said the middle-aged pharmacist!

“Fart, the toxins in this mist are not ordinary toxins. Even if he is immune to all poisons, he still can’t resist the toxins in this mist!”

“Our detoxifying pill can also detoxify hundreds of poisons, but in the face of this kind of toxin, it can only delay it, but there is no way to prevent the toxin from entering the body!”

Diao Changmin cursed!

“So what? We have a lot of people who are starting to show symptoms.”

The middle-aged pharmacist asked!

“Take a few people to stay, refine the detoxification pill on the spot, and then catch up with us as soon as possible!”

Diao Changmin asked the middle-aged pharmacist to lead people to stay and refine the detoxification pill on the spot!

Fortunately, they all carry various kinds of fairy grass with them, so it is still very easy to refine the antidote pill!

Diao Changmin led the rest of the people and continued to chase Chen Ping!

After running for a while, Chen Ping stopped directly!

He knew he couldn't run anymore. If he kept running, more and more toxins would accumulate in his body!

When the time comes, there is no need for Diao Changmin and others to take action, he will fall down by himself!

People like Diao Changmin can make detoxifying pills, but Chen Ping alone can't make pills on the run!

He wants to kill people like Diao Changmin before his poison spreads!

Chapter: 6904

When Diao Changmin saw Chen Ping stopped and his expression was not very good, he immediately smiled coldly and said: "Run, why don't you run?"

"I thought your kid was immune to all poisons. Isn't this also a serious case of poisoning?"

Diao Changmin smiled proudly!

Immediately afterwards, more than a dozen Diao family members surrounded Chen Ping!

Then Diao Changmin directly threw a formation disk, and with a buzzing sound, a breath spread to all directions, covering an area of dozens of miles!

This is a shielding formation, designed to shield the breath and sound of the monks in the formation!

As a result, Chen Ping had no choice but to call for help!

Diao Changmin did this to prevent anyone from noticing and coming over to fight with him!

Chen Ping is very valuable now. Not counting the hundred years of offerings from the Demon Sealing Alliance, he still has an ancient medicinal cauldron in his hand!

Diao Changmin wants to take these things as his own!

“Are you afraid that others will know that you killed me?”

Chen Ping saw Diao Changmin blocking everyone around him, so he smiled slightly and said!

“Of course, you are now a hot cake, and everyone wants to take a bite of it. However, many people do not dare to offend Xiao Huangchao, so they have been holding back.”

“Now that I have killed you, I don’t know who killed you in a place like this. So Xiao Huangchao wants to avenge you, but he doesn’t know who to look for!”

Diao Changmin said very proudly!

“If you do this yourself, aren’t you afraid that President Su and others will know about it?”

Chen Ping asked!

Diao Changmin was with Su Tianshuo and others. If he suddenly leaves now, he will definitely become suspicious!

“Hahaha, so what if you know? Besides, Su Tianshuo doesn’t have time to take care of these things.”

“His goal is to control the entire pharmacist world. What he needs is to control the entire pharmacist world.”

“I don’t have that big ambition. I just need the medicine cauldron in your hand and get the hundred-year tribute from the Demon-Sealing Alliance.”

Diao Changmin laughed loudly!

After hearing this, Chen Ping was slightly startled: “The pharmacist in the entire heaven and human world? What does this mean?”

“Seeing as you are about to die, I might as well tell you that we already knew about the Tianzhan Dazong’s attack on Medicine God Island.”

“Furthermore, Su Tianshuo has also reached cooperation with the Heaven-Zhancing Sect. The Heaven-Slashing Sect has occupied Yaoshen Island. What Su Tianshuo has to do is to use the hands of the Heaven-Slashing Sect to eliminate dissidents.”

“When the time comes, the inside should cooperate with the outside. Who dares to disobey orders?”

“You are such a scoundrel. You think we are only targeting the Zhou family and the Zhen family. You are so naive!”

Diao Changmin was so proud at this moment that he told Su Tianshuo all about his plan!

In his opinion, Chen Ping is bound to die, so it doesn't matter even if he tells Chen Ping!

Chen Ping frowned, with murderous intent in his eyes. He didn't expect that Su Tianshuo could be so vicious!

I was also deceived by Su Tianshuo. No wonder Su Tianshuo was very active when he came to Yaoshen Island to hold a pharmacist conference!

Chapter: 6905

“I want to know, how did you find my location?”

Chen Ping was very puzzled, how could Diao Changmin know his exact location?

After all, Yaoding Mountain is very huge. A few people in this Yaoding Mountain are simply smaller than ants!

How could Diao Changmin know his position accurately without relying on his breath and spiritual consciousness?

“Of course they are spies. The brother and sister following you are our spies. They will announce your location at any time.”

Diao Changmin said with a sneer!

After hearing this, Chen Ping was not surprised. In fact, he had also suspected Nie Lei and Nie Hong!

From the very beginning when the pharmacists found him accurately, Chen Ping actually had doubts about the siblings!

But there was no definite evidence, and he didn't say anything!

Now that Diao Changmin can come at him effortlessly, Chen Ping becomes even more suspicious!

The reason why he asked Diao Changmin was just to confirm his guess!

Diao Changmin is so proud that he will definitely say anything!

Now Chen Ping can be sure!

“Thank you for telling me this!”

After Chen Ping finished speaking, an aura of horror suddenly erupted from his body. The indestructible golden body wrapped his body, emitting a dazzling golden light!

“Hmph, it’s useless. No matter how many tricks you have, you will definitely die today!”

Diao Changmin snorted, and then shouted: “Kill him...”

More than a dozen pharmacists burst out with all their strength and attacked Chen Ping!

They each use their most powerful moves!

For a moment, the heaven and earth shook, and the space roared!

Chen Ping was instantly enveloped in countless auras, and his whole person disappeared!

When Diao Changmin saw this, he sneered. With so many people attacking together and hitting Chen Ping, Chen Ping would have been wiped out long ago!

boom!

A loud noise suddenly sounded, and then the pharmacists closest to Chen Ping screamed and flew backwards!

Chapter: 6906

“What?”

Diao Changmin was stunned!

Then I saw fire rising into the sky, followed by a dragon roar, and a golden dragon appeared on Chen Ping's body!

The golden dragon's whole body was burning with flames, and its terrifying aura made everyone stunned!

The golden dragon roared, and the overwhelming fire headed towards the pharmacists!

Wherever the golden dragon passed, those pharmacists were instantly knocked away, and several pharmacists with low strength were directly torn to pieces by the golden dragon!

The flames filling the sky made everyone tremble with fear!

In just an instant, the dozen pharmacists brought by Diao Changmin all lost their fighting power!

Even if there is immortality, there is only one breath left and they are lingering!

"What...what's going on?"

Diao Changmin's face was full of disbelief!

He couldn't believe that Chen Ping was only at the sixth level of Tribulation Realm, how could he have such ability?

You must know that the ones he brought were all the elites of the Diao family, all of whom were in the eighth or ninth level of the Tribulation Realm!

Logically speaking, it would be easy for these people to kill Chen Ping, but now it has become this situation!

Could it be that Chen Ping is hiding his strength? He is not a sixth-grade monk in the Tribulation Realm, but a Mahayana Realm monk?

But such a young person in the Mahayana realm is rare in the entire world of gods and humans!

As the fire in the sky slowly dissipated, Chen Ping stood on the spot unscathed!

The golden and indestructible golden body is still shining!

The golden dragon hovered above Chen Ping's head, roaring from time to time!

Looking at the golden dragon above Chen Ping, Diao Changmin's legs became weak and he almost fell to the ground!

"You...what kind of strength are you?"

Diao Changmin asked loudly!

Although Diao Changmin was in the Mahayana realm, Chen Ping wiped out all the elite members of the Diao family as soon as he took action. Diao Changmin was also very scared at this moment!

Chapter: 6907

“Can’t you see that I am only at the sixth level of the Tribulation Realm!”

Chen Ping smiled lightly!

“Impossible, absolutely impossible. If you are only at the sixth level of Tribulation Realm, how could you have such strength?”

Diao Changmin didn’t believe what Chen Ping said at all!

A young monk at the sixth level of the Tribulation Realm has crippled a dozen pharmacists at the eighth or ninth level of the Tribulation Realm. It is simply unbelievable!

“Believe it or not, but there is no way you will leave here alive today.”

After Chen Ping finished speaking, the golden dragon above his head roared and headed towards Diao Changmin!

Diao Changmin was so frightened that he didn’t dare to resist anymore. Seeing that Chen Ping was about to take action, he turned around and ran away!

He just wants to save his life and doesn’t care about face at all!

It would be really embarrassing if someone saw a master in the Mahayana realm being chased by a monk in the sixth level of the Tribulation Realm!

Diao Changmin didn’t care anymore and ran away desperately. The shielding circle he had set up was also let go by him at this time!

“The head of the family...”

Just when Diao Changmin turned around and ran away, the middle-aged pharmacist who had been left behind to refine the detoxification pill arrived with his people!

Seeing his own people coming, Diao Changmin shouted anxiously: “Stop him, stop him for me...”

The middle-aged pharmacist jumped up and headed straight for Chen Ping!

Diao Changmin was secretly relieved. As long as someone stopped Chen Ping, he could escape!

But just when the middle-aged pharmacist led people to rush towards Chen Ping, Chen Ping suddenly swung the dragon-slaying sword in his hand!

The sky full of sword light covers the sky and the sun!

The middle-aged pharmacist and others were directly penetrated by the sword light in the sky, and countless blood holes appeared on their bodies!

When Diao Changmin saw this, his legs suddenly softened and he fell directly to the ground!

The dragon-slaying sword in Chen Ping’s hand was pointed at Diao Changmin, his eyes full of murderous intent!

“Don’t... don’t kill me. As long as you don’t kill me, I will listen to you in everything.”

“I can expose Su Tianshuo...”

Chapter: 6908

Diao Changmin started begging for mercy with a look of horror on his face!

As the head of the Diao family and a monk in the Mahayana realm, he has to humble himself and beg for mercy at this moment!

But Diao Changmin doesn't care, he just hopes to live. As long as he lives, nothing will be a problem!

"I don't need you to reveal it!" Chen Ping said coldly!

"I can give you all the resources of the Diao family, and I am even willing to submit to the Zhen family, as long as you don't kill me!"

Diao Changmin desperately begged Chen Ping!

At this moment, Diao Changmin's face was pale and his body was feeling uncomfortable!

After all, without the detoxification pill, and with the space in your heart, the toxins in your body will spread quickly!

"I don't need anything. From the moment you peeked at the Shennong Cauldron on my body, your fate was already sealed!"

After Chen Ping finished speaking, he swung the dragon-slaying sword in his hand!

Diao Changmin's head flew out directly, and even his soul disappeared!

Diao Changmin's eyes widened, and his head rolled far away. He never thought that the matter of pinching it with his hands would end up like this!

If he knew, even if he was killed, he wouldn't be able to bring people to rob Chen Ping privately!

It's too late to regret now!

There is no regret medicine in the world!

puff.....

After killing Diao Changmin, Chen Ping also spurted out a mouthful of blood!

Both hands were firmly pressed against the ground with the dragon-slaying sword!

Relying on the Dragon-Slaying Sword to support his body, Chen Ping had just tried his best, causing the toxins in his body to spread rapidly!

The reason why Chen Ping used all his strength as soon as he took action was because he was afraid that once the poison was exposed, he would have no chance!

"You are very poisonous. Hurry up and find the antidote pills from these people and take them."

"Although it can't help you detoxify, it can control the spread of toxins!"

Demon Lord Chiyun said to Chen Ping!

Chapter: 6909

Chen Ping hurriedly found the antidote pills from the dead pharmacists, and then swallowed them all!

After taking the detoxification pill, Chen Ping's body finally gained some strength!

Although Chen Ping couldn't resist when someone intercepted him, he still had no problem walking!

"You have indeed made great progress. You can kill so many people even when you are poisoned."

Demon Lord Chiyun praised Chen Ping!

Chen Ping did wipe the blood from the corner of his mouth and said with a sad smile: "These people are also poisoned. Although they are taking the detoxification pill, there are still toxins in their bodies!"

"These toxins are weakening these people, they just don't notice it."

"Otherwise I wouldn't have been able to kill these people so easily!"

Chen Ping had that elixir at that time, which protected his body from being poisoned at all. But at that time, Diao Changmin and others began to be invaded by toxins!

In addition, Chen Ping's body is special, even if he is poisoned, the toxin spreads very slowly!

This caused Diao Changmin and others to take detoxification pills, but the toxins still spread and their strength continued to decline!

In this way, Chen Ping took advantage and was able to quickly kill these people when the opponent was proud!

"Okay, you'd better leave this mist quickly, I don't want to see you being poisoned to death here!"

Demon Lord Chiyun said!

Chen Ping smiled, then used the Dragon Slayer Sword as a crutch and started walking forward step by step!

"Chen Ping..."

Just after Chen Ping took two steps, Liu Ruyan suddenly shouted!

At this moment, Liu Ruyan and the others were flying towards Chen Ping!

Seeing Chen Ping's haggard look, Liu Ruyan knew that Chen Ping must have been seriously poisoned!

So he quickly gave the elixir in his hand to Chen Ping!

When he holds the elixir in his hand, the toxins in Chen Ping's body are quickly absorbed by the elixir!

Chen Ping's complexion and strength are also recovering at a speed visible to the naked eye!

The brothers Nie Lei and Nie Hong who were following Liu Ruyan were stunned when they saw the corpses around them and the severed head of Diao Changmin!

Chapter: 6910

The two people were stunned on the spot and didn't speak for a long time!

They did not expect that Chen Ping would kill everyone in the Diao family by himself, and even Diao Changmin was beheaded!

You know, Diao Changmin is a master in the Mahayana realm!

How could this happen?

Nie Heng looked at the charred corpses on the ground and asked Chen Ping: "Mr. Chen, who are these people? Are they targeting you?"

"These are people from the Diao family in Yongle City. They want my Shennong Cauldron and want to exchange me for the hundred-year tribute from the Demon Sealing Alliance."

"It's a pity that they were not strong enough, so I killed them all!"

Chen Ping said lightly!

“It’s really strange. Why can someone always find us accurately?”

Liu Ruyan frowned slightly, she also felt something was wrong!

This Yaoding Mountain is so huge that even if you want to deliberately find someone, it is very difficult, but they have been found again and again!

After hearing Liu Ruyan’s words, brother and sister Nie Lei and Nie Hong looked at each other with fear in their eyes!

Chen Ping doesn’t even pay attention to Mahayana monks. The two of them are probably not even ants in front of Chen Ping!

Chen Ping glanced at the two brothers and sisters. The two brothers quickly lowered their heads, not daring to look at Chen Ping at all, let alone follow Chen Ping’s gaze!

“Why do we always get found? Then we have to ask these brothers and sisters!”

Chen Ping walked towards Nie Lei and Nie Hong!

“Both of them?”

Liu Ruyan’s face was full of confusion!

Nie Heng frowned and said, “Mr. Chen, could it be that these two brothers secretly leaked our whereabouts?”

When Nie Lei and Nie Hong heard this, they immediately panicked.

“Fellow Daoist Chen, don’t be joking. How could we leak our whereabouts? Besides, we have always been together.”

Nie Lei quickly forced out a smile and said!

“Yes, we will never do such a thing. If you think we are a burden, just say so. Why should you accuse us unjustly?”

As soon as Nie Hong opened her mouth, the moral label was slapped on her again!
