

The Order 691

Chapter: 691

Chen Gouzi took out some more money and slapped it on the table!

But the waiter still didn't take it or move it. This angered Chen Gouzi and kicked the waiter hard.

"Brother Dog, the money is really not enough!" the waiter said with an aggrieved look on the verge of tears.

"I wonder if you don't understand me and want to make money from it?"

Chen Gouzi suddenly stood up.

"You don't have to force him. We don't have this wine in Anhe Town, and the money is really not enough. A bottle of Romanee-Conti costs 300,000!"

Chen Ping said to Chen Gouzi.

"How much? Three hundred thousand?" Chen Gouzi looked at Chen Ping in shock, and then his face became angry: "Chen Ping, why are you pretending to be cool with me here? You drink a bottle of wine worth three hundred thousand? Are you bragging? Who doesn't know that you just came out of prison, and you thought you were renting a Mercedes-Benz, and you didn't know where to find a bartender to come over, so you pretended to be rich? If you weren't Yingxia's cousin, I would have you out of Anhe in a minute town."

Su Yuqi's face suddenly turned cold when she heard the words "hostess."

"Xiao Chen, calm down!" Chen Ping's second aunt quickly stood up, then looked at Chen Ping and said: "Chen Ping, you just came out of jail. You are not doing well and no one is laughing at you. Just find a good job in the future. , we are all relatives, you don't have to pretend, and you drink a bottle of wine worth 300,000 yuan, why didn't you say you drank a bottle of wine worth 1 million? There is no such expensive wine in this world!"

“Chen Ping, shut your mouth and stop talking nonsense!”

Seeing that Second Aunt Chen Ping was a little angry, Tang Hongying hurriedly said to Chen Ping.

“Sister, your Chen Ping really needs to be taken care of. Why are he pretending to be in front of us? I’ve seen him since I was a kid. I don’t know how much he weighs. When he comes back this time, I won’t let him. I’m going back. Now our place is developing so well and it’s still waiting for demolition. Let Xiao Chen find him a good job and earn money to marry a wife and have a baby. How nice it would be to live a stable life!”

Second Aunt Chen Ping said to Tang Hongying.

“We’ll talk about this later, let’s order first!”

Tang Hongying didn’t want to talk about this topic, so she picked up the menu and said.

Soon, he ordered a table of dishes and several bottles of liquor. Chen Gouzi kept pretending, just waiting for others to toast him.

“Xiao Chen, who is Manager Cui in Private Room No. 1?”

Second Aunt Chen Ping asked Chen Gouzi.

“Oh, Manager Cui is a big shot. He has the final say on the development of our Anhe Town. The valuation of whose house will be in his hands in the end. He only needs to sign and it will be settled. I am now Take care of some projects under his hands.”

Chen Gouzi explained.

“Hey, that’s such a big shot. Can you talk to Manager Cui and find a job for Chen Ping? After all, we will all be relatives from now on.”

Second Aunt Chen Ping is still worried about Chen Ping's work problems!

Chen Gouzi glanced at Chen Ping and snorted coldly: "Based on his attitude just now, I don't want to care about him, but for the sake of Ying Xia, I will follow Manager Cui!"

Chapter: 692

Chen Gouzi said, stood up with a glass of wine, and then continued: "I'll go next door to offer a drink to Manager Cui, and you can drink it yourself!"

Chen Gouzi left, and only Chen Ping's family and his second aunt's family were left in the entire box!

"Chen Ping, my second aunt's words are unpleasant, but they are all for your own good. Your parents don't have jobs now, so they rely on you to support them. If you are not motivated, who will your parents expect in the future? You said you would come home. What's the use of renting a luxury car or a girlfriend? Is face so important to you? No one in the village knows that you just came out of prison. If you behave like this, others will look down on you even more!"

Chen Ping's second aunt said to Chen Ping sincerely.

"Second aunt, I..."

"Mom? What are you talking about? Sister Yuqi is really Brother Chen Ping's girlfriend. You can rent everything. Just listen to what Chen Gouzi is talking about!"

Chen Yingxia hurriedly said to her mother.

Chen Yingxia knew that Su Yuqi was definitely not rented by Chen Ping, because no rented girlfriend would wear all the big-name brands, and the Cartier earrings given to her were worth a lot of money, but Chen Gouzi didn't know the goods and was making random noises!

"Second sister, Yu Qi is really Chen Ping's girlfriend, we all know this!"

Tang Hongying also hurriedly followed Aunt Chen Ping to explain.

When Second Aunt Chen Ping heard this, she suddenly looked embarrassed and could only smile apologetically at Su Yuqi. Su Yuqi also smiled slightly and didn't take it to heart because she knew that Second Aunt Chen Ping was also doing it for Chen Ping's good!

"Chen Ping, you have found such a good girlfriend, so you should work harder. I have heard your mother say a long time ago that you have no job now. If Chen Gou can find you a job later, If you have a good job, do it well. Although this place is not as good as Hongcheng City, there are still prospects for development!"

Second Aunt Chen Ping continued to persuade Chen Ping!

"Second aunt, I understand everything you said. If you don't tell me in advance, let's talk about Yingxia!"

Chen Ping planned to tell several elders about making Chen Yingxia regret her marriage!

"What's going on with Yingxia?" Second Aunt Chen Ping asked with a puzzled look!

"Brother Chen Ping, don't talk nonsense!" Chen Yingxia's face suddenly changed with fright.

Chen Ping ignored Chen Yingxia, but continued to say to his second aunt: "Second aunt, Yingxia is only nineteen years old now, it is too early to get married!"

"Hey, you said this kid can't even go to school. What will he do if he doesn't get married? It's like this in the countryside. You can't compare with the city!"

Second Aunt Chen Ping sighed and said.

"It's because Yingxia doesn't go to school. It's because Chen Gouzi made trouble in the school and made the school afraid to marry Yingxia. He also used you as a threat to force Yingxia to have no choice but to agree to marry him. Don't you know who Chen Gouzi is?"

Chen Ping said loudly.

Hearing what Chen Ping said, everyone was shocked, including Chen Ping's parents who looked at Chen Yingxia!

"Yingxia, is everything Chen Ping said true?"

Chapter: 693

Second Aunt Chen Ping looked at Chen Yingxia and asked.

"Mom, don't worry about it. Things have reached this point. It doesn't matter whether it's true or not!"

Chen Yingxia said helplessly.

"Why....."

Seeing Chen Yingxia like that, everyone guessed that the matter must be true, so they all sighed!

Things are already like this, the wedding has been decided, what else can be done?

Regret your marriage?

They don't dare. They know what Chen Gouzi is like!

"Second aunt, I plan to make Yingxia regret her marriage and then send her to study in Hongcheng!"

Chen Ping revealed his plan!

"Are you kidding me? If you follow Chen Gouzi and regret your marriage, isn't that asking for death?"

Second Aunt Chen Ping said in surprise.

“Chen Ping, please don’t act nonsense. You don’t know who Chen Gouzi is now. If you do this, you will harm your second aunt’s family!”

Tang Hongying also hurriedly said to Chen Ping.

Chen Baoguo, who had never spoken before, also spoke at this time: “Chen Ping, that Chen Gouzi is not as simple as you think. As the saying goes, a strong dragon cannot defeat a local snake. Don’t think that knowing a few people in Hongcheng can solve the problem. Chen Gouzi.”

Chen Baoguo knew that Chen Ping had some connections, and with the financial resources of Su Yuqi’s family, they must be quite powerful, but this was Anhe Town, not Hongcheng, so Chen Gouzi was not someone to be trifled with.

“I have decided this matter, you don’t have to worry about it!”

Chen Ping had already made up his mind. If he couldn’t deal with a little gangster, that would be really ridiculous!

“Brother Chen Ping, I know you are doing it for my own good, but I don’t want to see you take risks, so you better leave it alone!”

Chen Yingxia didn’t want Chen Ping to take care of it. If she really pissed off Chen Gouzi, he could do anything!

“Ying Xia, you are only nineteen years old now. Do you really accept your fate like this? This is a lifetime thing. Do you just want to destroy yourself in the hands of Chen Gouzi? You should go to school now and find someone you like in the future. Like your boyfriend, don’t settle for anything less, you still have a long life, don’t accept your fate, I can definitely help you, don’t worry!”

Chen Ping said loudly to Chen Yingxia!

Chen Yingxia was silent, and everyone stopped talking. It was true. Chen Yingxia was only nineteen years old now, and she still had a long way to go in the future. She couldn't let it be ruined in Chen Gouzi's hands!

"Why....."

Chapter: 694

Chen Ping's second uncle sighed and drank a glass of white wine in one gulp!

There are no parents who don't love their children, but sometimes they have to accept the reality. There is no fairness in this world. The law of the jungle is the law of survival!

At this moment, Chen Yingxia's cell phone rang. After Chen Yingxia answered the call, she quickly hung up, but her face looked a little ugly!

"Yingxia, what's wrong?"

Second Aunt Chen Ping asked with concern.

"Then Chen Gouzi asked me to come over and drink with him. I'm a little afraid..."

Chen Yingxia said with a scared look on her face.

When Second Aunt Chen Ping heard this, she stopped talking. What could she say at this time? If you don't let your daughter pass, it will make Chen Gouzi lively!

"Yingxia, I'll accompany you there, don't worry!"

Chen Ping stood up and said.

"I'll go with you too, don't be afraid!"

Su Yuqi also stood up and said to Chen Yingxia.

“Chen Ping, if you go, don’t be impulsive. We will make long-term plans when you get back!”

Chen Ping’s second aunt persuaded Chen Ping!

“Second Aunt, don’t worry, I know what to do!”

Chen Ping nodded and walked towards the private room No. 1 with Chen Yingxia. Su Yuqi kept comforting Chen Yingxia and told her not to be afraid!

As soon as I walked to the door of Private Room No. 1, I heard the noisy sound of drinking coming from inside.

Chen Ping stepped forward and pushed open the box door!

At this time, five people were drinking in the box. The host was a middle-aged Mediterranean man, and Chen Gouzi was sitting beside him, toasting with a flattering look on his face!

It seems that the middle-aged Mediterranean man is that Manager Cui!

Chen Ping suddenly opened the door, and everyone in the private room was stunned. Chen Gouzi glanced at Chen Ping, as well as Chen Yingxia and Su Yuqi behind Chen Ping, and hurriedly said to the middle-aged Mediterranean man: “Manager Cui, This is my wife’s cousin. He must have known that Manager Cui was here and came here to propose a toast!”

After Chen Gouzi finished speaking, he hurriedly said to Chen Yingxia: “Yingxia, come here and pour a glass of wine for Manager Cui!”

Chen Yingxia was trembling with fear. Su Yuqi held Chen Yingxia’s hand and felt that Chen Yingxia’s hand was shaking violently!

“Little Yingxia, you are not sensible, let me do it...”

Chapter: 695

Su Yuqi took the initiative to stand up, then picked up the liquor on the table and walked over!

When Chen Gouzi saw this, the corner of his mouth raised. He was even more convinced of his guess. Su Yuqi poured the wine so actively. What could she mean if she wasn't a bartender?

When Manager Cui saw Su Yuqi, he narrowed his eyes, looked at Su Yuqi lustfully, and then picked up the wine glass.

“Gouzi, who is this beautiful lady?”

Manager Cui asked Chen Gouzi.

“Oh, she's my wife's cousin's girlfriend!”

Chen Gouzi said hurriedly.

He didn't dare to say that Su Yuqi was a bartender. After all, a big shot like Manager Cui no longer likes that kind of romantic woman, and prefers this kind!

“Where is Manager Cui's job?”

Su Yuqi asked while pouring wine for Manager Cui.

“Manager Cui is the manager of the Su Group, which is the leading company in Hongcheng!”

Before Manager Cui could say anything, Chen Gouzi introduced him proudly!

Su Yuqi raised the corner of her mouth and smiled coldly. She had known for a long time that this place was developed by her family, so she asked deliberately to see if this guy was from her own company!

“Miss, what’s your name?”

Manager Cui looked at Su Yuqi and asked.

“My name is Su Yuqi!” Su Yuqi said with a smile.

“Su Yuqi?” Manager Cui frowned slightly, but he quickly relaxed and said, “It’s a really good name. It has the same name as our eldest lady...”

“Nowadays, there are too many people with the same name and surname. What’s the use? They have different lives. They are young ladies from rich families...”

Chen Gouzi smiled!

Manager Cui poured Su Yuqi’s wine and drank it all in one gulp, then continued to pick up the glass and said, “Beauty, please pour me some wine. It’s a pleasure to drink. Let’s have another glass...”

But this time, Su Yuqi’s face turned cold and she threw it directly at Manager Cui!

Manager Cui screamed and jumped up in a hurry. Chen Gouzi hurriedly wiped Manager Cui’s clothes, then glared at Su Yuqi and said: “You are looking for death, if you dare, you will spill it on Manager Cui!”

“Little girl, I think you don’t want to live anymore?” Manager Cui glared at Su Yuqi!

“I think you’re the one who doesn’t want to live. I asked you to come here to supervise development and manage the company, but you behave like this. I think you’ve done your job!”

Chapter: 696

Su Yuqi said, took out her mobile phone and dialed Su Wenzong!

“You...what do you mean?” Manager Cui was stunned and asked Su Yuqi.

“There is no other meaning. If you take my family’s money and don’t do anything practical, I will ask my father to fire you!”

Su Yuqi said coldly.

“You...are you the eldest lady?” Manager Cui’s eyes instantly showed fear!

Chen Gouzi was also surprised, but then he comforted Manager Cui: “Manager Cui, don’t be afraid, she is definitely not the eldest daughter of the Su family. Chen Ping is a reform-through-labor prisoner who just came out of prison. If she is the eldest daughter of the Su family, Miss, how could she be with a reform-through-labor prisoner? I must have heard you say that she has the same name as the eldest daughter of the Su family, so I scared you!”

When Manager Cui heard this, he breathed a sigh of relief, and then looked at Su Yuqi coldly: “Little girl, if you have the ability, try to make a phone call. If you can’t fire me today, I will let you take care of me for a few nights.” !”

“Manager Cui, don’t worry, I will arrange this matter, she can’t run away!”

Chen Gouzi hurriedly flattered him.

Chen Yingxia was frightened behind her. Although she knew that Su Yuqi had some status, she did not dare to associate Su Yuqi with the eldest lady of the Su family. After all, how could she like Chen Ping with her status?

“Brother Chen Ping?” Chen Yingxia grabbed Chen Ping’s arm nervously!

Chen Ping smiled slightly: “Don’t worry, because your sister-in-law is really the eldest lady of the Su family!”

When Chen Yingxia heard this, she was stunned!

At this time, Su Yuqi's phone call had been answered, so she said directly: "Dad, did you arrange for a person named Cui to manage the development in Anhe Town?"

"I don't know. It was all arranged by your Uncle Liu. What's wrong?" Su Wenzong asked with a puzzled look on his face.

During this period, Su Wenzong rarely managed the company's affairs and focused on maintaining his health. If it weren't for Chen Ping last time, he would have lost his life!

"Never mind it, I'll call Uncle Liu!" Su Yuqi hung up the phone!

At this time, Manager Cui's face was already ugly, because his immediate boss was indeed named Liu.

Chen Gouzi saw that Manager Cui had a bad look on his face, so he hurriedly comforted him: "Manager Cui, don't be afraid, I think this little girl can act!"

But Manager Cui didn't pay attention to Chen Gouzi, but stared at Su Yuqi with cold sweat on his forehead!

Su Yuqi dialed a new number, and soon a hearty voice came from the other side: "Niece, why did you remember to call your Uncle Liu?"

This Uncle Liu is a veteran who has been with Su Wenzong for a long time and is also one of the people Su Wenzong trusts most. Otherwise, he would not trust the company to him!

But when Manager Cui heard the voice coming from the phone, his legs went weak and he collapsed!

"Hey, hey, hey, Manager Cui, are you okay?" Chen Gouzi, who was on the side, hadn't realized what was going on, and hurriedly helped Manager Cui and said.

Chapter: 697

Manager Cui was so trembling that he was speechless!

“Uncle Liu, have you arranged for a guy named Cui to take charge of Anhe Town?”

Su Yuqi asked Uncle Liu.

“Yes, what’s wrong?” Uncle Liu said.

“I fired him. This guy bullied me, forced me to pour him wine, and wanted me to sleep with him!” Su Yuqi said angrily.

“What? This guy dares you to pour him wine and sleep with him. He’s so fucking contrary. Just wait for me to take care of him for you!”

Uncle Liu hung up the phone as he spoke, and then called Manager Cui!

Soon, Manager Cui’s phone rang. Seeing his phone ringing, Manager Cui’s hands were shaking and he didn’t dare to answer it!

At this time, Chen Gouzi seemed to have discovered something, and looked at Su Yuqi in surprise!

Finally, Manager Cui answered the phone tremblingly!

“Cui Baldy, you fucking dare to let the eldest lady pour you wine and sleep with you, you are really fucking capable!”

As soon as the call was connected, Uncle Liu’s roar came out!

“Liu...Mr. Liu, I...I don't know, I didn't know he was the eldest lady!”

Manager Cui is about to cry at this moment!

“Stop fucking talking. You are fired. I will send someone to replace you tomorrow. Come back and accept the punishment. See if I don't break your legs...”

After Uncle Liu finished speaking, he hung up the phone!

“Mr. Liu, Mr. Liu...”

Manager Cui wanted to say something else, but there was already a busy signal on the other side!

Su Yuqi looked at Manager Cui with a half-smile but said, “Why, do you still want me to accompany you?”

Plop.....

Manager Cui suddenly knelt down in front of Su Yuqi: “Miss, I deserve to die. I was wrong. Please forgive me. I was wrong...”

“Bah, you scumbag, how could I possibly spare you...”

Su Yuqi spat fiercely!

Manager Cui suddenly collapsed on the ground, his face ashen.

Chapter: 698

When the people who were drinking together saw this, they ran away one after another, and Chen Gouzi also hid far away!

Su Yuqi turned around and walked out. When she passed Chen Yingxia, she smiled lightly and said, "Yingxia, let's go!"

At this time, Chen Yingxia's eyes were still wide open, looking at Su Yuqi in disbelief!

"Miss Su..." Chen Gouzi also hurriedly followed!

However, Su Yuqi ignored him, and then Chen Gouzi directly grabbed Chen Ping's arm: "Cousin, we really misunderstood just now. We are relatives now. How can I watch my relatives being bullied? You said this person named Cui How to deal with it? If you just say a word, I will have someone chop him down right away!"

Chen Gouzi's effort to add insult to injury directly caused Manager Cui, who was paralyzed on the ground, to faint from anger!

Chen Ping just looked at Chen Gouzi coldly, ignored him, and went back to private room No. 2!

Chen Gouzi didn't mind either and followed closely behind.

After entering the private room, Chen Gouzi hurriedly pulled out the chair: "Cousin, sit down!"

Seeing Chen Gouzi being so polite to Chen Ping, both Chen Ping's second aunt and Tang Hongying felt strange!

After Chen Ping sat down, he said coldly to Chen Gouzi: "Chen Gouzi, you forced my cousin to marry you, how do you deal with this matter?"

Chen Gouzi was stunned for a moment, then licked his face and said, "Cousin, what are you talking about? Yingxia and I are in a free relationship, and I didn't force him!"

"Stop fucking nonsense. Your wedding to Yingxia is cancelled. Yingxia will not marry you!"

Chen Ping said coldly.

“Cousin, this...”

“Aren’t you willing?” Chen Ping frowned!

Chen Gouzi gritted his teeth, glanced at Chen Yingxia, and finally nodded: “Okay, the wedding is cancelled, we won’t get married!”

After saying that, Chen Gouzi turned around and wanted to leave!

“Did I let you go?” Chen Ping asked.

“What else do you want?” Chen Gouzi’s face looked a little ugly at this time!

“If you cut off one of your hands, I will no longer pursue this matter!”

Chen Ping said calmly.

When Chen Gouzi heard this, he became furious: “Chen Ping, don’t go too far!”

“Chen Ping, forget it, forget it, since he promised not to get married, don’t worry about it!”

Chapter: 699

When Chen Ping’s second aunt heard this, she hurriedly persuaded Chen Ping!

“Brother Chen Ping, forget it, I’ll be content if I don’t get married!” Chen Yingxia also persuaded Chen Ping!

After all, if Chen Gouzi is in a hurry, he will do anything!

“Don’t worry about it!” After Chen Ping finished speaking, he looked at Chen Gouzi and said, “I’m just going too far. What can you do? If you cut off one of your hands, you can still save your life. If I do it, your life will be gone!”

Chen Gouzi suddenly slammed the table: “Chen Ping, do you think that just because you are a rich lady on the list, you can do anything? This is Anhe Town. I can make you die with just one phone call. Even Su What can the family do to me? I belong to Master Hu of Hongcheng, I believe you must have heard of Master Hu!”

“I’ve heard of him, is he the underground emperor of Hongcheng?” Chen Ping nodded.

“You are quite knowledgeable, so don’t push me too hard, otherwise no one can protect you!” Chen Gouzi said with a cold smile!

“I don’t need personal protection. I just need to protect myself. Leave one hand behind and get out, or else I’ll save my life!”

Chen Ping said calmly!

“Damn it, shame on you!” Chen Gouzi cursed angrily, picked up the bottle and threw it at Chen Ping!

But before he could take action, Chen Ping reached out and grabbed the bottle, and then hit Chen Gouzi hard on the head!

Chen Gouzi’s head suddenly flowed with blood, and he screamed and sat on the ground!

This time, everyone was shocked. As long as Su Yuqi smiled, she didn’t have to worry at all!

“You fucking wait for me!” Chen Gouzi roared angrily, took out his phone and started calling someone!

“If you call someone, I will call him too. Don’t you know Lin Tianhu? I’ll ask him if he knows you!”

Chen Ping said, taking out his mobile phone!

“Hmph, you are a pretty boy, but you deserve to know Mr. Tiger. Even if he is the boss of the Su Group, Mr. Tiger will not look down on him!”

Chen Gouzi snorted coldly!

Chen Ping ignored him and called Lin Tianhu directly!

“Mr. Chen...” Lin Tianhu was in the provincial capital and answered the phone immediately!

“There is a man named Chen Gou in Anhe Town. He said he knows you and is your subordinate. Do you know him?”

Chen Ping asked.

“Anhe Town?” Lin Tianhu thought for a moment: “I don’t know you. I take care of everything below Hongcheng!”

“Ask your subordinates who knows this Chen Gou? Now this kid is using the name of Juyi Hall to dominate and dominate!”

Chapter: 700

Chen Ping said coldly.

“Okay, I’ll check right away...”

After Lin Tianhu finished speaking, he hung up the phone and hurriedly checked.

Soon, Lin Tianhu's call came back: "Mr. Chen, I asked, and Biaozi said he knows a man named Chen Gou from Anhe Town, but he's not very familiar with him!"

"Biaozi?" Chen Ping remembered. This Biaozi was the cousin of his classmate Yuan Hua, who broke off one of his hands at that time!

"I'll send you the location and ask him to come and handle it in person!"

After Chen Ping finished speaking, he sent Lin Tianhu a location!

"Chen Ping, are you done with your fucking pretense? I'm telling you, my people will be here soon, so just wait to die!"

Chen Gouzi said fiercely.

Chen Ping ignored him, but said to his second aunt's family and his parents: "Let's eat and ignore him!"

But in this situation, who can still eat it?

"Chen Ping, why don't we leave!" Second Aunt Chen Ping said with fear on her face.

"Let's go, none of you can leave!" Chen Gouzi stood at the door and shouted loudly!

"We don't need to leave. We'll talk after dinner. Second aunt, you don't have to be afraid!"

Chen Ping persuaded his second aunt!

But no matter how hard Chen Ping tried to persuade him, no one was in the mood to eat!

More than twenty minutes later, there was a sudden burst of chaotic footsteps rushing upstairs from downstairs!

“My people are here, just wait for me!” Chen Gouzi looked proud!

At this time, the faces of Aunt Chen Ping’s family, Tang Hongying and Chen Baoguo all changed color!

Soon, more than a dozen people rushed in with sticks, all with tattoos and menacing looks.

“Brother Dog, who messed with you?”

One of them asked Chen Gouzi.

“Take care of this place. No one is allowed to go. I’m going to go on a killing spree today!”

Chen Gouzi had a ferocious expression, then looked at Su Yuqi and said: “Miss Su, you’d better get out of the way, so as not to get blood all over you. Don’t interfere in this matter. I believe that your Su family doesn’t want to fight with Hu.” Are you my enemy?”
