

The Order 6911

Chapter: 6911

Chen Ping didn't speak, but looked at Nie Hong coldly, with murderous intent in his eyes!

Feeling the killing intent in Chen Ping's eyes, Nie Hong shut her mouth and did not dare to look directly at Chen Ping!

Now that the moral hat is on, it no longer works!

"You should recruit me truthfully. If I am allowed to produce evidence, you two brothers and sisters will definitely die."

Chen Ping said coldly!

When Nie Lei heard this, he knelt down to Chen Ping with a bang!

Nie Hong looked at her brother, and finally fell to her knees helplessly!

"Fellow Daoist Chen, we were wrong. We were wrong. It was only because of our own interests that we did such a thing."

"Please, Fellow Daoist Chen, spare our lives. We will never dare to do it again."

“Then Su Tianshuo promised us that as long as we catch you, he will share part of the hundred-year tribute from the Demon Sealing Alliance to our brothers and sisters.”

“We brothers and sisters have no family and no one to rely on. Although we have joined the Central Region Pharmacist Association, we are still at the lowest level. In this Pharmacist Conference, we are not qualified to follow President Chen.”

“And Su Tianshuo said that if we don’t agree, he will kill our brothers and sisters. On this Medicine Cauldron Mountain, no one will find out if we kill one or two people. There is nothing we can do. Please ask Fellow Daoist Chen to spare us... ..”

Nie Lei kept kowtowing, tears streaming down his face!

When Nie Hong saw her brother like that, her eyes turned red and she cried!

“You two have gone too far. Are you going to betray Mr. Chen for your own benefit?”

“Thank you Mr. Chen for being kind enough to take you two with him. You two are worse than pigs and dogs!”

Nie Heng angrily cursed at the two siblings!

Originally they both had the same surname, and Nie Heng had a good impression of the siblings, but he didn’t expect them to be this kind of person!

“Chen Ping, kill both of them. Keeping such people alive will be a disaster sooner or later!”

Liu Ruyan also said angrily!

When Nie Lei heard this, he was so frightened that he trembled all over and kept kowtowing!

Nie Hong was also scared at this moment, and her face became very ugly, no longer the same as when she was branded morally!

“You two are forced to do nothing, so I will spare you!”

Chen Ping looked at the two brothers and sisters kneeling on the ground, and finally spared them!

Chapter: 6912

“Thank you Mr. Chen, thank you Mr. Chen...”

Nie Lei kowtows desperately!

Then he picked up Nie Hong and turned around and walked down the mountain!

“Where are you two going?” Chen Ping asked!

“This Yaoding Mountain is too dangerous. It is no place for us brothers and sisters to stay. Let’s go down the mountain.”

“And if we don’t report our location to Su Tianshuo, he won’t let us go. We’d better escape as soon as possible!”

Nie Lei said!

“Do you think you two siblings can get out of this poisonous fog?”

Chen Ping continued to ask!

Nie Lei was silent. If the two of them didn't have the detoxification pill and Chen Ping's pill to absorb the toxins, they would probably not be able to get out of this poisonous fog just by relying on their bodies!

“You two should follow me, or you can continue to report the location to Su Tianshuo!”

Chen Ping said!

“I don't dare, I absolutely don't dare...”

Nie Lei quickly waved his hand!

It would be great if Chen Ping could spare them. How dare they tip off Su Tianshuo!

“I ask you to report, so you report. This is also to paralyze Su Tianshuo so that he will not doubt you!”

“Then Su Tianshuo has united many people and plans to use the help of Tianzhan Dazong to reshuffle the medicine masters in the entire heaven and human world.”

“It is estimated that many pharmacists will die this time, so I must expose Su Tianshuo's conspiracy!”

The reason why Chen Ping asked Nie Lei and his sister to continue reporting was to paralyze Su Tianshuo!

When the time comes, he will make arrangements and let brother and sister Nie Lei tell Su Tianshuo, so that he can catch them all!

As long as we find a way to expose Su Tianshuo's conspiracy, I believe that many pharmacists will not let Su Tianshuo go!

"What? Then Su Tianshuo wants to target the pharmacists in the entire heaven and human world, not just you?"

Liu Ruyan was shocked, she didn't expect that Su Tianshuo had such a big conspiracy!

"Mr. Chen, let's leave quickly and inform others as soon as possible. If Su Tianshuo succeeds, it will be a disaster for the entire pharmacist world!"

Chapter: 6913

Nie Heng urged anxiously!

"Okay, let's go!"

After Chen Ping finished speaking, he waved his hand, and a fire suddenly burst into flames!

Soon, the dead bodies on the ground, as well as the Diao family pharmacist who was still alive, were all burned to ashes by the fire!

Looking at the raging fire in front of him, Nie Lei's forehead was covered with cold sweat. Fortunately, Chen Ping let them go!

Otherwise, their brothers and sisters might become part of this fire and become ashes!

Chen Ping's power is simply not something they can shake!

They actually naively wanted to cooperate with Su Tianshuo and carve up the Demon Sealing Alliance for hundreds of years!

If Chen Ping were really killed, they might not be able to get the hundred-year tribute from the Demon-Sealing Alliance!

Without absolute strength, the best way to save your life is to keep a low profile!

Chen Ping and the others were traveling very fast, because there were pills, so they didn't have to worry about being poisoned!

The fog quickly receded in front of their eyes!

I don't know how long it took, but Chen Ping and the others finally walked out of the foggy area!

At this time, Su Tianshuo and others, who were still in the mist, were anxiously waiting for Diao Changmin!

"President Su, let's leave this place first and look for Patriarch Diao!"

“Although the fog here is not very poisonous, it will be harmful to the body if it stays for a long time.”

“Our antidote pills can’t remove this toxin at all!”

Bao Longxing said to Su Tianshuo!

Su Tianshuo frowned and his face became very ugly: “Damn it, this Diao Changmin took away all the family members. What on earth does he want to do?”

“When he took the people away at the end, did he say what he was going to do?”

“No, but he seemed to have left in a hurry. But I heard from others that Diao Changmin probably left in a hurry after getting the report from the brother and sister.”

“Is this guy leading his tribe to capture Chen Ping?”

Bao Longxing said!

When Su Tianshuo heard this, his eyes narrowed slightly, and his face was terrifyingly cold!

Chapter: 6914

“This Diao Changmin, I know what he did. He must have gone to capture Chen Ping. This guy wants to take it all for himself. He was thinking about the medicine cauldron on Chen Ping’s body all the way.”

“If he dares to eat alone and let me catch him, I will kill him...”

Su Tianshuo gritted his teeth, not to mention how angry he was!

Now that the plan has not been implemented, this kind of thing has happened in his team. How can he not be angry!

“President Su, why don’t you contact brother and sister Nie Lei and ask what’s going on?”

Bao Longxing said!

“No, if we contact you rashly, it will be troublesome for Chen Ping to notice.”

“After a while, the brothers and sisters will take the initiative to contact you again. Then we will know what the situation is. Let’s go now, we won’t wait any longer!”

Su Tianshuo no longer plans to wait for Diao Changmin!

There are so many people waiting in the poisonous fog. If the poisoning is too deep, it will be in trouble!

Bao Longxing nodded, then greeted everyone and started to move forward!

None of them knew that at this time, Diao Changmin and his tribe had been killed by Chen Ping and wiped out in ashes!

After Su Tianshuo and others penetrated the fog, they all stopped, breathing heavily and resting!

Even with detoxifying pills, the toxins cannot be eliminated from the body. Now we can only stop and rely on spiritual power to slowly force the toxins out!

As a result, many people will fall behind, but there is no way!

Yaoding Mountain, halfway up the mountain!

Chen Ping took Liu Ruyan and the others and continued to climb towards the top of the mountain!

On the way, I also met a lot of pharmacists. Most of them knew Chen Ping and greeted Chen Ping!

But Chen Ping didn't say anything about Su Tianshuo!

After all, Chen Ping didn't know if these pharmacists were Su Tianshuo's people, and even if they were not Su Tianshuo's people, Chen Ping might not believe it if he told them!

Now Chen Ping has to quickly find Chen Wenliang and Zhen Yuandao. The only way is to make these people believe it and then slowly spread the news!

"Fellow Daoist Chen, I've been looking for you all the way, why are you so slow?"

Just as Chen Ping and the others were heading towards the top of the mountain, Chen Wenliang called out to him!

"President Chen, I was delayed for something, so I entered the mountain a little late!"

Chapter: 6915

When Chen Ping saw Chen Wenliang, he breathed a sigh of relief!

Now that I meet Chen Wenliang, I can tell him Su Tianshuo's conspiracy first.

"No wonder, I didn't see you along the way." After Chen Wenliang finished speaking, he saw brother and sister Nie Lei and Nie Hong and said curiously: "You two are actually with Fellow Daoist Chen. I even sent someone to look for you two."

"This Yaoding Mountain is not safe. With the strength of the two of you, don't run around!"

"I understand, President!" Brother and sister Nie Lei and Nie Hong looked embarrassed and ashamed!

Just now they said that pharmacists in the Central Region were at the bottom, and no one paid attention to them. Now Chen Wenliang not only remembered them, but also sent someone to find their brother and sister. It can be seen that he is not bad for two people!

"President Chen, I have something to tell you. Come with me!"

Chen Ping called Chen Wenliang to a hidden place!

After all, Chen Wenliang also had many pharmacists with him, and Chen Ping didn't know if any of them were colluding with Su Tianshuo!

Brother and sister Nie Lei and Nie Hong, although they are also pharmacists of the Central Region Pharmacist Association, they colluded with Su Tianshuo!

"Fellow Daoist Chen, what is it that is so mysterious?"

Chen Wenliang asked in confusion!

“President Chen, do you know what Su Tianshuo, the president of the Western Regions Pharmacists Association, has planned?”

Chen Ping asked!

“Intention? What intention?” Chen Wenliang was stunned!

“Let me tell you the truth, Su Tianshuo colluded with the Tianzhan Dazong to take action against Medicine God Island. He contacted many pharmacists and planned to reshuffle the pharmacist world in the heaven and human world!”

“If we don’t stop it this time, I’m afraid many pharmacists will die on this Medicine God Island.”

Chen Ping said!

“What?” Chen Wenliang’s eyes widened with disbelief on his face: “You said, Su Tianshuo wants to attack all the pharmacists in the pharmacist world? He doesn’t have the courage, does he?”

“How did you know about colluding with the Heaven-Destroying Sect?”

Chen Ping knew that no one would believe it easily, so he told Chen Wenliang what happened in detail!

But even so, Chen Wenliang still couldn’t believe that Su Tianshuo had such courage!

Chen Ping had no choice but to call brother and sister Nie Lei and Nie Hong!

After brother and sister Nie Lei and Nie Hong talked about it, Chen Wenliang believed it!

But this also gave him a headache. After all, even if he said it, no one might believe it!

After all, everyone in Yaoding Mountain is in a competitive relationship. Maybe everyone thinks that he is alarmist and deliberately scares everyone to leave Yaoding Mountain!

“Now I can only advise the many pharmacists in the Central Region Pharmacist Association to be careful, but others may not believe what I say.”

Chen Wenliang said!

“I understand. Now we go to the Zhou family and the Zhen family. If we can convince them, we will have leverage against Su Tianshuo and others.”

“Even if other pharmacists don’t believe it, Su Tianshuo won’t be able to succeed at all.”

Chen Ping said!

“Okay, without further ado, let’s set off quickly!” Chen Wenliang nodded!

Chapter: 6916

Chen Ping nodded, and then followed Chen Wenliang and others towards the top of the mountain!

I believe that when we reach the top of the mountain, most of the pharmacists will be there!

But not long after Chen Ping and the others advanced, there were suddenly several loud noises!

Rumble...

Click!

Bolts of thunder suddenly fell from the top of the mountain, hitting a place not far from Chen Ping and the others!

At this time, several deep pits were instantly carved out of the mountain by thunder, and the debris was shot towards everyone!

Seeing this scene, many pharmacists were frightened!

Chen Ping waved his hand, and a barrier appeared to block the gravel, otherwise the gravel would definitely hurt people!

“What’s going on? No one has broken through, so how did the thunder disaster happen?”

Chen Wenliang asked very puzzledly!

“This is not a thunderstorm...”

Chen Ping looked up at the sky. There were no thunder clouds in the sky, so the thunder was not thunder!

“It’s not thunder tribulation? What is that?”

Chen Wenliang asked!

“This should be a test, the test of the God of Medicine?” Chen Ping said!

“Test? What do you mean? Why is there a test by the God of Medicine?”

Chen Wenliang was very puzzled. They had not seen any medicine test since they arrived here!

“President Chen, didn’t you encounter any dangers along the way?”

Chen Ping asked strangely!

“No, I encountered some monsters and were killed. There is no other danger!”

Chen Wenliang shook his head!

“It seems that climbing up the mountain from different directions will encounter different challenges.”

Chen Ping told Chen Wenliang what he had experienced!

Chapter: 6917

Especially when encountering the light curtain and poisonous fog, these are also tests!

When Chen Wenliang heard this, his expression became solemn. He had never heard that there was a test to climb the Medicine Cauldron Mountain. Now it seems that it is not that easy to climb to the top of the mountain and obtain the inheritance of the Medicine God!

“Mr. Chen, look quickly...”

Nie Heng pointed to the sky and said!

I saw wisps of blue light emerging from the top of Yaoding Mountain. These lights converged in the sky, and then countless lightnings shuttled and brewed in the blue light, and there was a crackling sound!

It seems that these thunder and lightning will strike down soon. With so many thunder and lightning, everyone may have no place to hide even if they want to!

“We can’t avoid these troubles. I wonder how powerful this thunder is, and whether we can survive it with our own cultivation!”

Chen Wenliang frowned and said!

boom!

Just as Chen Wenliang finished speaking, a bolt of thunder thundered down and hit a pharmacist directly!

The pharmacist thought he was vomiting blood and fell to the ground seriously injured!

Although he is not dead yet, he has been seriously injured. If he comes again, he will definitely die!

Everyone who saw this scene was frightened!

Chen Wenliang directed everyone to start treating the pharmacist who was seriously injured!

But at this time, the thunder and lightning are getting denser and denser, and they may all crash down at any time!

At this moment, everyone had no idea, and they all looked at Chen Wenliang with extremely ugly expressions!

As the president of the association, Chen Wenliang can only count on Chen Wenliang to give him an idea!

But Chen Wenliang was helpless at this time, with a look of anxiety on his face!

Facing this sudden thunder test, Chen Wenliang seemed helpless, while the pharmacists looked frightened and at a loss.

At this time, Chen Ping's eyes were extremely firm. He knew that in such a critical moment, someone must stand up and lead everyone through the difficulties.

"Don't panic, everyone!" Chen Ping's voice penetrated the thunder and seemed extremely calm. "We must unite and face this test together. I believe that as long as we work together, we will be able to find a solution."

As he spoke, Chen Ping began to observe his surroundings, trying to find patterns or safe areas for lightning protection.

But this area is under the shroud of thunder, and there is no room to escape!

boom!

Chapter: 6918

Another thunderbolt came down, and a pharmacist was hit again and fell to the ground instantly!

At this moment, everyone panicked and rushed to escape!

“Everyone, don’t mess around. Running around at this time will only lead to death!”

Chen Ping hurriedly stopped him!

“Listen to Fellow Daoist Chen, no chaos is allowed, no one can move!”

Chen Wenliang also stopped everyone from running around!

Running around at this time is the most unwise choice!

Rumble.....

The thunder is still bombarding down, but not every time it hits people!

If it hits the ground, a huge deep pit will be formed!

After several thunderbolts struck down, Chen Ping’s eyes suddenly lit up!

He noticed that the Thunder did not seem to attack indiscriminately, but selectively landed in certain areas.

This made him realize that there might be some way to predict or circumvent the thunder's onslaught.

"Everyone, please note that Thunder seems to be following a certain trajectory." Chen Ping quickly analyzed, "We need to find this pattern and then use it to avoid Thunder."

Upon hearing this, Chen Wenliang immediately organized pharmacists to assist Chen Ping in observation and analysis.

After some intense discussion, they discovered that Thunder always prioritizes attacking those with lower cultivation levels or weaker physiques.

Perhaps this is a special arrangement by the Medicine God to eliminate those with low strength!

This is also the reason why Ouyang Xing does not let people with low cultivation level enter Yaoding Mountain!

When these people enter Yaoding Mountain, they are afraid that they will disappear without seeing the inheritance of the Medicine God!

"The pharmacists below the fifth level of the Tribulation Realm are all gathered together, and the pharmacists with higher cultivation levels are surrounding. We have to form a shield to protect these pharmacists."

Chen Ping suggested that the pharmacists with higher cultivation levels should form a circle to protect those with lower cultivation levels.

"Is everyone ready? We are about to take action!" Chen Ping shouted.

Under Chen Ping's command, the pharmacists acted quickly and arranged their formation according to the plan.

With a roar, another thunderbolt fell, but this time, it was blocked by the medicine masters with higher cultivation level, without causing any harm.

Chapter: 6919

Seeing this, everyone's confidence increased greatly, and according to Chen Ping's instructions, they headed towards the top of the mountain step by step.

Although thunder continued to fall along the way, under the leadership of Chen Ping, the pharmacists relied on wisdom and courage to avoid danger time and time again.

However, just after they traveled a certain distance, the thunder in the sky suddenly became more dense and violent, as if it was about to swallow up the entire Yaoding Mountain.

"Everyone, be careful, this is the most critical moment!" Chen Ping reminded loudly.

This thunder is also like the poisonous mist, getting more powerful as it goes deeper. Now is the critical moment. As long as they rush through here, they will withstand the test of this thunder!

As several thick thunder and lightning crashed down, the powerful pharmacists around them burst out their spiritual power desperately, forming a shield to protect the less powerful pharmacists in the center!

But after these lightning bolts, the shield suddenly shattered, and several pharmacists were directly knocked away, and they all fell to the ground seriously injured!

Seeing this scene, Chen Wenliang was shocked!

Seeing the thunder in the sky forming again and about to strike down again, everyone's faces were full of fear!

"President Chen, please go and leave us alone..."

A less powerful pharmacist said!

"Yes, President Chen, run if you can, otherwise we will all die here!"

"The treasures in Yaoding Mountain are really not that easy to get, so I accept my fate!"

Many medicine men are waiting for death to come!

They knew that with their strength, it was impossible to pass through this thunder!

Rather than all of them dying here, it's better to run away one by one!

Chen Wenliang had a look of embarrassment on his face. He couldn't leave these pharmacists alone, but he couldn't stop them!

At this moment, Chen Ping looked up at the thunder condensed in the sky and seemed to have made a difficult decision!

"President Chen, I will attract those thunders myself. You and your people should leave this area quickly!"

Chen Ping decided to go into the air alone to attract the power of thunder!

He now has the power of thunder and lightning. Perhaps the power of thunder in these tests cannot hurt him at all!

“Fellow Daoist Chen, you must not do it. If you try to resist the power of thunder, won’t you die in vain?”

Chen Wenliang quickly stopped Chen Ping!

Liu Ruyan was also shocked and said: “Chen Ping, don’t be ridiculous, how can you resist these thunders yourself!”

Chapter: 6920

“Mr. Chen, you don’t have to worry about us, just go!”

Nie Heng said to Chen Ping!

“Don’t worry, I can’t die. You hurry up and get out of here!”

After Chen Ping finished speaking, he jumped up!

In mid-air, streaks of lightning began to emit from all around Chen Ping’s body, like lightning snakes shuttled back and forth!

These thunder and lightning continued to spread towards the sky, and began to attract the thunder to strike at him!

Everyone looked at this scene and were stunned!

“What are you still doing? Let’s go...”

Chen Wenliang reacted and yelled immediately!

This is Chen Ping trying his best to buy them time. If they delay, they will be sorry for Chen Ping!

The pharmacists reacted, quickly took the injured pharmacist, and ran desperately towards the outside of the thunder!

boom.....

There was a deafening loud noise that startled everyone!

Everyone was stunned for a moment, then looked up at the sky!

I saw several extremely thick thunder and lightning bombarding towards Chen Ping. Chen Ping’s entire body was submerged by the thunder and lightning!

Seeing this scene, Liu Ruyan burst into tears instantly!

“Chen Ping...”

She didn’t know what was going on with Chen Ping because she couldn’t see clearly!

All the pharmacists also felt nervous and silently prayed that Chen Ping would be fine!

“Go, don’t stop...”

Chen Wenliang suddenly pulled Liu Ruyan!

If you stop at this time, you are courting death!

Everyone rushed to attack again, and at this time, Chen Ping gritted his teeth and revealed the power of thunder and lightning in his body!

The raging thunder and lightning roamed over his body, causing him great pain!

The original space is opened, and the original stars of thunder and lightning are running desperately, absorbing the power of thunder and lightning in Chen Ping’s body!

boom.....

Several more thunder and lightning struck, and Chen Ping’s whole body was trembling!

Chen Ping’s expression became ferocious, he gritted his teeth, and his body began to bulge visibly to the naked eye!

It seemed like the whole person was going to explode!

“Absorb it quickly, hurry up...”

Chen Ping shouted in his heart, let the original stars absorb it faster!

Otherwise, the power of these thunder and lightning will burst Chen Ping's body!

It's just a test. Chen Ping doesn't understand why this medicine god wants to do it so hard!

Don't you want others to inherit your inheritance?

Chen Wenliang led the people out of the place covered by the thunder, and everyone fell to the ground. The feeling of exhaustion and the feeling of surviving a disaster made them almost exhausted!

Liu Ruyan looked up at the sky, looking at the ball of light in the sky that was brighter than the sun!

She knew that Chen Ping was inside this ball of light, and she didn't know what kind of pain he was suffering!

This kind of terrifying thunder will turn people into ashes!

Even if you are a master in the Mahayana realm, you still have to shed a layer of skin!

After gasping for breath, many pharmacists looked nervously in the air. Everyone was extremely nervous!

I don't know how long it took, but the blue light in the sky slowly faded, and the thunder and lightning slowly disappeared!
