

The Order 6931

Chapter: 6931

Chen Ping only felt his body shaking for a while, and then he was wrapped in a ray of light, and his whole body disappeared in front of his eyes!

When Chen Ping opened his eyes, he found that he was already at the foot of Yaoding Mountain!

The Yaoding Mountain in front of us is constantly spewing smoke and rocks are flying everywhere. It is obviously about to collapse!

“It’s broken, Ruyan and the others are still on the mountain...”

When Chen Ping saw this, he was immediately shocked!

If Yaoding Mountain collapses, wouldn’t it be dangerous if Liu Ruyan and the others are still on the mountain?

Just when Chen Ping was about to save Liu Ruyan and the others, he saw a person running towards him in a hurry!

When the person came closer, Chen Ping discovered that it was Ouyang Wufeng!

After seeing Chen Ping, Ouyang Wufeng gasped and said, “Fellow Daoist Chen, where are the others? Get everyone out of Yaoshen Island quickly. The people from Zhantian Fa Sect attacked in advance.”

“My father has already led people to resist. I’m afraid I won’t be able to resist for long. He asked me to notify everyone quickly and leave Yaoshen Island as soon as possible.”

“What? The Heaven-Destroying Sect has already started attacking?”

Chen Ping was slightly stunned. He originally said three days later, but now it’s only been two days!

“Yes, they attacked too suddenly, so they didn’t have much time left to leave Medicine God Island.”

“And what’s going on with Yaoding Mountain? Why did it suddenly collapse?”

Ouyang Wufeng didn’t understand why Yaoding Mountain collapsed suddenly after it had existed for thousands of years!

“I can’t explain it to you in a sentence or two. Please notify the others immediately. They are probably fleeing from Yaoding Mountain now!”

“I’m going to meet with the Heaven-Destroying Sect and help Island Master Ouyang!”

Chen Ping has to help Ouyang Xing stop the Heaven-Zhancing Fazong, otherwise the Zhantian Fazong will kill Yaishen Island and collude with Su Tianshuo, and all the medicine masters will be in trouble!

After Chen Ping finished speaking, runes flowed all over his body instantly, the strong wind surged, and his whole body turned into a flame and disappeared instantly!

Chen Ping used the Fire Control Step to quickly move towards the direction of Ouyang Xing!

Ouyang Wufeng looked at Chen Ping blankly, his face full of surprise!

“It’s too fast...”

Ouyang Wufeng said in shock!

At this time, everyone on the mountain was running down the mountain desperately!

Chapter: 6932

The crumbling rocks were flying everywhere. Fortunately, everyone used their spiritual power to form a shield to avoid being hit by the rocks!

Running to the foot of the mountain in one breath, Liu Ruyan and Chen Wenliang let out a long breath this time!

Then Zhou Qian and everyone in the Zhen family also came down the mountain!

Then came the people led by Su Tianshuo and Bao Longxing!

Looking at the collapsed Yaoding Mountain in front of them, everyone was in a state of confusion. They didn’t understand why it suddenly became like this!

“Chen Ping should still be on the mountain, I want to find him...”

Liu Ruyan looked at the collapsed Yaoding Mountain and wanted to rush in and look for Chen Ping among the ruins!

“Miss, with Mr. Chen’s strength, he will definitely be fine. Maybe Mr. Chen was responsible for the collapse of Medicine Cauldron Mountain!”

Nie Heng grabbed Liu Ruyan and said!

Not long after Chen Ping disappeared, Yaoding Mountain collapsed. Maybe it was Chen Ping’s fault!

“With Fellow Daoist Chen’s strength, he will be fine, don’t worry!”

Chen Wenliang also spoke to persuade Liu Ruyan!

Liu Ruyan calmed down, but there was still a worried look on his face!

“President Chen, why did the Medicine Cauldron Mountain suddenly collapse?”

Zhen Yuandao and others came over and asked Chen Wenliang!

After all, Chen Wenliang and the others were almost at the top of the mountain, and they were the ones who knew the strange phenomena at the top of the mountain best!

“I don’t know, but there was a ladder leading to the top of the mountain. It’s just that the ladder was so coercive that I couldn’t climb it.”

“Fellow Daoist Chen climbed up, and then the others disappeared. After a while, the ground began to shake and the Yaoding Mountain collapsed!”

Chen Wenliang said truthfully!

“Could it be that Chen Ping received the inheritance of the God of Medicine, so Yaoding Mountain began to collapse?”

Zhong Qing stepped forward and said!

The significance of the Medicine Cauldron Mountain is the inheritance of the Medicine God. If the inheritance is obtained by others, the Medicine Cauldron Mountain will have no meaning of existence!

So it makes sense that it collapsed!

“It’s possible...”

Chapter: 6933

Zhen Yuandao nodded. Now that the inheritance has been obtained, it is possible for Yaoding Mountain to collapse!

Chen Wenliang looked at Su Tianshuo and others who had also come down the mountain, and then whispered: “Everyone, I have something to tell you. Please follow me to a hidden place!”

Chen Wenliang wants to tell the story about Su Tianshuo joining forces with Tianzhanfa Sect to deal with all the pharmacists!

Regardless of whether Zhen Yuandao believes it or not, he will always say it!

When Zhen Yuandao and others saw this, they followed Chen Wenliang towards the hiding place with doubts on their faces!

At this time, Su Tianshuo looked at the collapsed Medicine Cauldron Mountain and frowned: "Damn it, it collapsed even before the Medicine God's inheritance was obtained, and I didn't get any treasures. It's so damn unlucky."

"President Su, I didn't see any of the Diao family members. Could it be that all the Diao family members didn't run out?"

Bao Longxing said!

Only then did Su Tianshuo realize that none of Diao Changmin and the entire Diao family showed up!

Su Tianshuo's face turned ugly, and he said with a stern expression: "No one in the Diao family is missing. That means it's not that they didn't run out, but that they might have been killed before Yaoding Mountain collapsed."

"Killed? Who can kill everyone in the Diao family?"

Bao Longxing was slightly startled!

"We are plotting to kill others, isn't there someone plotting to kill us?"

After Su Tianshuo finished speaking, he looked at Chen Wenliang and others!

He doesn't know yet, but Chen Wenliang already knows their plan!

"Everyone, Yaoding Mountain has collapsed now. Please leave Yaoshen Island quickly. I have prepared the spirit boat."

"Zhantian Dharma Sect suddenly attacks Yaoshen Island. My father has already gone to stop them. Please leave quickly. It will be too late at night."

Ouyang Wufeng hurriedly came to the pharmacists and said loudly!

"What? The Tianzhan Fa Sect attacks Yaoshen Island?"

Many people were completely confused, they had no idea what was going on!

Su Tianshuo raised the corner of his mouth slightly: "I didn't expect that the Tianzhan Dazong was very trustworthy and actually attacked in advance."

"President Su, should we also take action?"

Bao Longxing asked!

"Just wait and see what happens, don't take action for the time being, and see how these people react."

Chapter: 6934

“Now that Yaoding Mountain has collapsed, Yaoshen Island has lost its meaning. If we take action now, what will happen if the Tianzhan Dharma Sect suddenly evacuates?”

“By then, wouldn’t we have become the target of public criticism and have no place in the world of gods and humans?”

Su Tianshuo analyzed!

If Yaoding Mountain collapses, Yaoshen Island will be meaningless. If Zhantian Fa Sect knew that Yaoding Mountain collapsed, they would definitely not spend so much money on a deserted island!

If the Tianzhan Dazong withdrew, how could people like Su Tianshuo be able to deal with all the pharmacists in the heaven and human world!

“President Su’s analysis is correct. We will wait and see what happens now.”

Bao Longxing nodded!

“Just waiting and watching for changes is just one of the reasons. Next, we have to urge these people to resist the Heaven-Destroying Sect.”

“Only in this way will the Heaven-Destroying Sect take action against them. Now Yaoshen Island is no longer suitable as a battlefield.”

“We only need to incite these people to resist the Tianzhan Dazong, and then we will be able to compete with the snipe and the clam and make a profit.”

Su Tianshuo said with a proud look!

“Yes, yes, let the Tianzhan Dazong fight with these people. Then we will clean up the mess. President Su’s method is really clever.”

Bao Longxing is flattering!

At this time, Chen Wenliang had already told the Zhou and Zhen families about Su Tianshuo’s conspiracy. When they learned that Su Tianshuo was colluding with the Tianzhan Fa Sect, many people were filled with indignation!

It’s just that no one pointed it out at this time, they all pretended not to know!

“Mr. Ouyang, we came to Yaoshen Island to hold a pharmacist conference. Now Zhantian Fa Sect is attacking us. How can we escape for our lives?”

“Everyone can kill a demonic cultivator like the Tianzhan Fa Sect. We, the people, have the unshirkable responsibility. We must not let Yaoshen Island bear it alone.”

“We should all work together to fight against the Heaven-Destroying Sect...”

Su Tianshuo stood up and said very passionately!

“Yes, we can’t stand by and run for our lives alone!”

Bao Longxing also cheered!

Many pharmacists who were kept in the dark began to respond!

Only Chen Wenliang, Zhen Yuandao and others looked at Su Tianshuo without saying a word!

Ouyang Wufeng was very moved when he saw that Su Tianshuo actually wanted to lead people to resist with Yaoshen Island!

Chapter: 6935

“President Su, thank you for thinking about our Medicine God Island. However, my father has said that you must leave Medicine God Island safely.”

“The Heaven-Destroying Sect’s powerful skills are not something that we can handle.”

Ouyang Wufeng said!

“Master Ouyang, even if we die, we will never let Yaoshen Island bear it alone.”

Su Tianshuo said righteously!

“Zhou Qian, Zhen Yuandao, why don’t you say anything? Do you want to run away?”

“It’s still a famous medical family. I think it’s bullshit...”

Bao Longxing saw that no one in the Zhou family or the Zhen family said anything, so he deliberately mocked!

“you.....”

Zhen Yuandao and Zhou Qian suddenly became angry and wanted to speak, but were stopped by Chen Wenliang!

Chen Wenliang saw that Su Tianshuo and others were obviously deliberately asking everyone to fight with the Heaven-Destroying Sect!

“Everyone, we at Yaoshen Island appreciate your kindness, but none of you need to go, so you should leave quickly.”

“Fellow Daoist Chen has gone to help. I have to stop him as soon as possible, so I can’t take you away!”

After Ouyang Wufeng finished speaking, he turned around and prepared to leave!

“Master Ouyang, did you say that Chen Ping went to deal with the Heaven-Destroying Sect?”

Liu Ruyan heard this and asked quickly!

“Yes, when I rushed over, I met Daoyou Chen. After he heard about it, he hurried to help my father.”

“So I have to stop him as soon as possible to prevent him from dying in vain!”

After Ouyang Wufeng finished speaking, his body jumped up instantly!

Liu Ruyan looked at Nie Heng, and then the two of them chased after him!

Now that they know Chen Ping is gone, it's impossible for them to escape alone!

When Chen Wenliang saw this, he followed Zhou Qian and Zhen Yuandao and said, "Now that Fellow Daoist Chen has gone, we can't stand by and watch. Let's go..."

People like Chen Wenliang were all saved by Chen Ping, so now that Chen Ping is in danger, they will never ignore it!

Soon, everyone hurried to the port of Yaoshen Island, boarded the spirit boat, and headed straight for the battle!

At this time, Chen Ping had already used the Fire Control Step to quickly approach the battle area!

boom!

With a loud noise, Chen Ping found that the front was filled with smoke!

Hundreds of people wore black robes, covering their faces, and were constantly performing spells, while Ouyang Xing and many of the disciples from Yaoshen Island were desperately resisting!

Under Ouyang Xing's feet, several spirit boats had already been destroyed, billowing smoke!

Countless magic spells fell from the sky, constantly bombarding everyone on Yaoshen Island!

Ouyang Xing used countless golden beetles to continuously attack the surrounding spells. The bite force of this kind of golden beetles was huge. Tens of thousands of golden beetles could forcefully break open one spell after another!

However, patches of golden beetles are also dying, and the bodies of golden beetles are floating on the entire sea!

Without these golden beetles, Ouyang Xing and the others might not be able to hold on!

Even so, disciples from Yaoshen Island are constantly being attacked and killed by spells!

“Island Master, we can’t stand it any longer. If we don’t leave, we will all die here.”

An elder said loudly to Ouyang Xing!

“We can’t leave. Just hold on. I don’t know if the pharmacists on the island have left.”

Ouyang Xing gritted his teeth, even if they were all dead, he still had to delay for a little longer!

If all the pharmacists were blocked on Medicine God Island, there would probably be no more pharmacists in the human world that day!

“Ouyang, what’s the point of your desperate struggle? It’s just delaying for some time, but the result is still the same.”

A masked guy mocked Ouyang Xing.

Chapter: 6936

“Wang Qingshi, you are so secretive, don’t I know it’s you?”

“Do you, the Heaven-Destroying Sect, only know how to carry out sneak attacks?”

“Didn’t you promise me to give me three days?”

Ouyang Xing said angrily!

He was originally promised to give him three days for Ouyang Xing to leave Yaoshen Island on his own, but before the three days were up, people from Zhantian Fa Sect came to launch a sneak attack!

Fortunately, Ouyang Xing had already taken precautions and sent out sentries hundreds of miles away. Only then did he discover the traces of Tianzhan Fa Sect!

Otherwise, it would be troublesome if we were really blocked in Medicine God Island for a sneak attack.

What’s annoying is that these guys still cover their faces, making it seem like no one else knows their identities!

“The plan has changed, and I can’t do anything about it. Anyway, you will all die in a few days. It’s the same whether you die early or later!”

Wang Qingshi smiled coldly, and then shouted an order: “Attack with all your strength, leave no one behind, kill all these people, Yaoshen Island will be ours.”

“There are still many pharmacists on Medicine God Island now. If we kill these pharmacists, we can get a lot of good things from them.”

Boom boom boom.....

A series of magic spells continued to bombard the people on Yaoshen Island!

Ouyang Xing looked very ugly and kept summoning the golden beetle-breaking spell, but the golden beetle was limited after all!

The disciples of Yaoshen Island kept wailing and then fell into the sea!

At this time, Ouyang Xing was very anxious. He didn't know whether Ouyang Wufeng had conveyed the message or whether those pharmacists had left Medicine God Island!

"Disciples of Medicine God Island must obey orders. No one can retreat from the battle. Even if we die today, we will leave a name in the medicine world."

"I believe those pharmacists will not forget us and fight with them..."

Ouyang Xing shouted loudly!

"Little Ouyang, you are really ridiculous. You think about those pharmacists, but they want your life."

"To tell you the truth, I have been in contact with many pharmacist associations for a long time. Let's work together to occupy your Medicine God Island."

"The reason why I attacked in advance was because I got the news. Now the pharmacists on Medicine God Island are probably dead and injured."

Wang Qingshi sneered!

Ouyang Xing was stunned for a moment, then frowned and said, "Who, exactly, is he cooperating with your Heaven-Destroying Sect?"

Chapter: 6937

Ouyang Xing didn't believe that these people from the Medicine Master Association would cooperate with the Zhantian Fa Sect!

"Of course I can't tell you. I can tell you when you die!"

Wang Qingshi said!

"Su Tianshuo from the Western Region Pharmacist Association, he united some pharmacists and colluded with the people of the Tianzhan Fa Sect."

"But don't worry, Island Master Ouyang, I have already informed the others that Su Tianshuo will not succeed."

Along with a sound like a bell, everyone saw a red flame directly penetrate the void and appear instantly!

The moment it appeared, the sky was filled with overwhelming fire, heading towards the disciples of the Tianzhan Dazong!

"Hurry up and get away..."

Wang Qingshi was shocked and shouted quickly!

Many disciples of the Heaven-Zhancing Sect also changed their expressions and started to dodge one after another. However, some disciples of the Heaven-Slaying Sect were casting spells and could not move at all!

boom!

Fire exploded all over the sky instantly, and dozens of disciples of the Heaven-Zhancing Sect were directly burned to ashes under the fire!

The formation that originally surrounded Ouyang Xing and others suddenly collapsed in the fire that filled the sky!

“Fellow Daoist Chen.....”

Seeing Chen Ping coming and being so shocked as soon as he made a move, Ouyang Xing was immediately moved!

“Island Master Ouyang, are you okay?”

Chen Ping asked in front of Ouyang Xing!

Ouyang Xing’s eyes were full of tears. He glanced at his disciples and said sadly: “These are the only disciples left on Yaoshen Island. Two-thirds of them have been killed or injured...”

Chen Ping took a look at the Yaoshen Island disciples. They were all covered in injuries, and there were many corpses floating on the sea!

Even so, none of the pharmacists on Medicine God Island ran away or flinched!

“Island Master Ouyang, don’t worry. I’m here to avenge you. Today I’m going to wipe out all the bastards of the Heaven-Zhancing Sect. No one will be left alive...”

The dragon-slaying sword slowly appeared in Chen Ping’s hand, and the terrifying murderous aura continued to rise in his body!

Many disciples on Yaoshen Island were also inspired by Chen Ping’s aura, and they all said with red eyes: “Kill, kill, kill, avenge the dead brothers...”

Wang Qingshi frowned slightly, looked at Chen Ping and said, “Who are you, kid? This is my matter with Yaoshen Island. If you don’t want to die, get out...”

Chapter: 6938

Just now, Chen Ping used the sky-filling fire to directly burn dozens of people from Zhantian Dharma Sect, and even broke the formation that trapped Ouyang Xing and others. This made Wang Qingshi a little curious about Chen Ping’s identity!

“My name is Chen Ping, and the affairs of Yaoshen Island are my business.”

Chen Ping said!

“Chen Ping?” Wang Qingshi was stunned, and then his eyes lit up and said: “Are you the Chen Ping who was hunted down by the Demon Sealing Alliance with a hundred-year tribute?”

“Hahaha, I’m really lucky today. Not only can I get Medicine God Island, but I can also kill you and exchange for a hundred years of worship with the Demon Sealing Alliance!”

“You alone are worthy of killing me!” Chen Ping was not afraid at all when facing the Heaven-Destroying Sect!

“Boy, you’re too crazy. There are hundreds of people from our Heaven-Destroying Sect, but we can’t kill you, a young monk at the sixth level of the Tribulation Realm.”

“Watch me trap you all in the formation...”

After Wang Qingshi finished speaking, he suddenly raised his palms toward the sky!

In an instant, the sky was covered with dark clouds, and there were rolling waves on the sea!

At this moment, Ouyang Wufeng arrived in a hurry.

“Father.....”

Ouyang Wufeng shouted and approached Ouyang Xing!

“Feng’er, don’t come here, stay away...”

When Ouyang Xing saw this, he shouted loudly!

He couldn’t let Ouyang Wufeng be trapped in the formation of Tianzhan Dazong!

But Ouyang Wufeng didn't listen at all and rushed straight into the sky covered by dark clouds!

Seeing this, Ouyang Xing could only sigh helplessly!

"Ouyang Xiao'er, now you and your son can be reunited."

Wang Qingshi sneered!

"The beasts of Tianzhan Dazong, don't be so arrogant..."

Chen Wenliang shouted angrily!

I saw more than a dozen spirit boats approaching quickly!

Above are pharmacists from various regions in the heaven and human world. These people are facing the wind and waves, and they are constantly approaching!

Chapter: 6939

Seeing that these pharmacists had also arrived, Ouyang Xing scolded Ouyang Wufeng: "What's wrong with you? Didn't I ask you to inform everyone and leave Medicine God Island immediately? Why are they all here?"

"I...I don't know. I asked them to leave, but they didn't even think about coming."

Ouyang Wufeng said!

"Ouyang Island Master, since they are here, let's get more helpers." Chen Ping said!

“Fellow Daoist Chen, you don’t know something. The techniques of the Heaven-Destroying Sect are very powerful. We are just medicine masters and we can’t defeat these formation masters at all.”

“I tried my best to resist here just to let everyone escape from Yaoshen Island, but who knew it would turn out like this.”

“God’s will, is this God’s will?”

Ouyang Xing’s face was full of frustration!

When Wang Qingshi saw that all the pharmacists had arrived, and Su Tianshuo was among them, he immediately said excitedly: “Hahaha, that’s great. You are all here, which saves me from killing each one.”

“Today I will use a large formation to kill all of you. From now on, there will never be a Medicine Master Guild in the entire heaven and human world.”

Wang Qingshi laughed crazily, and the dark clouds in the sky became lower and lower!

Everyone in Zhantian Dharma Sect also murmured in low voices, wondering what spell they were reciting!

Black mist slowly emerged from the bodies of the Zhantian Fa Sect, and then gathered in the black clouds!

The black cloud slowly turned into a net and began to cover Chen Ping and the others!

“Retreat, you retreat quickly...”

When Ouyang Xing saw this, he hurriedly shouted at Chen Wenliang and others!

It is obvious that the people of the Heaven-Destroying Sect have set up a large formation to trap everyone. Now that Chen Wenliang and the others are entering the large formation, they are so stupid!

But Chen Wenliang and the others didn't listen at all, and drove the spirit boat into the network of dark clouds!

"President Su, these fools actually threw themselves into the trap. Now we can reap the benefits!"

Bao Longxing said happily when he saw Chen Wenliang and others rushing into the net regardless of risk.

Su Tianshuo was also a little surprised. He didn't expect people like Chen Wenliang to rush in without fear of life and death!

"If nothing else happens, it seems there is no need for us to take action!"

Su Tianshuo stood at the bow of the boat with a sneer on his face!

He led a group of pharmacists and did not rush into the big net with Chen Wenliang, but watched from a distance!

Chapter: 6940

He came here to wait and see what happens and not get involved!

"Chen Ping, are you okay..."

Liu Ruyan rushed to Chen Ping and asked with concern!

“I’m fine, it’s just the Heaven-Slaying Sect. I haven’t taken them seriously yet.”

Chen Ping smiled slightly and said!

When Ouyang Xing heard what Chen Ping said, he couldn’t help but sigh!

He thought Chen Ping was just bragging. A sixth-level monk in the Tribulation Realm didn’t take the Heaven-Destroying Sect seriously. Isn’t this a joke?

“President Chen, why did you rush in? Now we are all trapped in this formation, and no one can get out.”

Ouyang Xing looked at Chen Wenliang and said annoyed!

“Ouyang Island Master, you can resist the Heaven-Destroying Sect on your own for us, but we can’t just ignore it.”

“As long as we work together, we may not be able to defeat the Heaven-Destroying Sect!”

Chen Wenliang said!

“Yes, as long as we work together, we don’t have to be afraid of the Heaven-Destroying Sect!”

Zhen Yuandao said!

“But the Tianzhan Dazong and the Medicine Master are colluding, but I don’t know who they are colluding with.”

Ouyang Xing didn't know who the Heaven-Zhanting Fazong was colluding with!

"Following the Northern Territory Pharmacist Association, didn't you see that Su Tianshuo and those people didn't follow you at all?"

Chen Wenliang looked at Su Tianshuo and others hiding in the distance!

At this moment, all the pharmacists looked at the spirit boat where Su Tianshuo and the others were, and now they finally understood that Su Tianshuo had actually colluded with the Tianzhan Fa Sect!

"Su Tianshuo?" Ouyang Xing frowned: "It turns out that this guy has been colluding with the Zhantian Fa Sect for a long time and wants to occupy Medicine God Island. No wonder I asked him to talk about holding a pharmacist conference on Medicine God Island, and he agreed immediately. !"

"It turns out that it was planned a long time ago. This guy is so bad..."

"Su Tianshuo is really not a human being. He told us that he only agreed to hold the Medicine Master Conference on Yaoshen Island because Yaoshen Island is so powerful that he had no choice but to force him to do so." Zhong Qing said through gritted teeth!

Many pharmacists were cursing Su Tianshuo at this moment, but Su Tianshuo couldn't hear it at all!

Because that huge black network has enveloped everyone!

The cloudless sky turned into darkness at this moment, making it impossible to see even one's fingers!

Under this dark web, an inexplicable fear spreads in everyone's hearts!

And there is an extremely violent sense of oppression that makes people feel suffocated!

“We all work together to break through this formation...”

Chen Wenliang commanded everyone and wanted to work together to break the formation!

After all, there are so many of them, and if they attack together, the power will definitely be huge!

“Okay, let’s try...”

Ouyang Xing nodded!
