

## **The Order 6941**

Chapter: 6941

“No, this formation, even if we work together, can’t break it, and it will suffer backlash.”

Chen Ping hurriedly spoke out and stopped everyone!

“Is it that powerful? What should we do?”

When Ouyang Xing heard this, he suddenly said with a sad face!

“How is this formation possible? We can’t break it with our combined efforts. I don’t believe it anymore. Our Zhou family will break it for you.”

When Zhou Lang heard what Chen Ping said, he suddenly didn’t believe it!

As the saying goes, newborn calves are not afraid of tigers. He has never seen any big formations. He doesn’t believe that so many people can’t break through a formation together!

Even if they break a gap, they can escape!

“Disciples of the Zhou family listen to the order and follow me to break the formation!”

Zhou Lang is holding a long sword, and the aura on his body is rising!

The disciples of the Zhou family are also standing behind Zhou Lang, ready to deal a fatal blow to the formation at any time!

Zhou Qian saw this but did not stop him, probably because he wanted his son to try it!

If the formation is really broken, the Zhou family will gain face in front of many pharmacists, and their status will definitely rise!

“Lao Zhou, why don’t you stop me?”

Zhen Yuandao asked Zhou Qian!

“Young people, no matter how experienced you are, even if you can’t break it, you will gain insights.”

Zhou Qian said.

“Didn’t you hear that the formation can’t be broken, and there will be backlash, don’t worry!”

Zhen Yuandao reminded!

“What are you worried about? What kind of backlash could there be? It’s just alarmism...”

Zhou Qian didn’t quite believe what Chen Ping said!

At this time, Zhou Lang and the children of the Zhou family were ready!

“Fellow Daoist Zhou, I advise you not to test it. It’s really dangerous.”

Chen Ping persuaded Zhou Lang!

Chapter: 6942

“Fellow Daoist Chen, thank you for your reminder, but with so many of us, are we going to die trapped here?”

“After all, someone is going to take action, so I’m here to take the lead. I want to see what’s so awesome about the Heaven-Zhancing Sect!”

Zhou Lang is young and energetic, and is not afraid at all!

Chen Ping simply could only sigh and say nothing more!

“Silang, you have to be careful!” Zhen Huan reminded!

“Huan Huan, don’t worry, I will definitely break the formation, and then all the pharmacists will think highly of me.”

After Zhou Lang finished speaking, he jumped up and led many of the Zhou family’s children towards the formation!

The large network of black clouds boundlessly enveloped everyone, and among the black clouds, there were these rays of light shining!

Zhou Lang rushed to the front with many of the Zhou family's children, and together they unleashed a violent blow!

“break.....”

Dozens of Zhou family disciples gathered all their strength in one place and headed straight for the big black net!

The place where the power gathered was like the sun, bursting out with dazzling light, instantly illuminating the entire formation extremely brightly!

Seeing this scene, everyone praised him one after another!

“The Zhou family's strength is indeed good, and the power of this combined attack is too great.”

“The Zhou family deserves to be one of the four major families in Yongle City. Their strength is really good.”

“That Zhou Lang was young and promising, courageous and knowledgeable...”

Everyone praised him one after another, making Zhou Qian's face full of pride!

“Prepare the elixirs to save people!” Chen Ping couldn't help but shook his head when he saw this scene!

Zhou Qian was stunned for a moment, then looked at Chen Ping with some displeasure and said, "Fellow Daoist Chen, what do you mean? You have now seen the power of our Zhou family's combined attack. Is it possible that you still can't break through this formation?"

"Even if it can't be broken, can we, the Zhou family, still be injured?"

"It's not injury, it's death. It is estimated that more than half of the dozens of members of your Zhou family will die."

Chen Ping said slowly!

"Fellow Daoist Chen, you are going a little too far. How can you curse us, the children of the Zhou family, like this?"

Zhou Qian was angry and looked at Chen Ping very unhappy!

Chapter: 6943

"This is not a curse, it is a fact..."

As soon as Chen Ping finished speaking, there was an explosion!

boom!

Accompanied by a loud noise, the combined force of the ball of light hit the formation hard!

I saw the big black net shaking for a while and then calmed down quickly!

However, a black mist spurted out from the formation instantly!

Dozens of people in the Zhou family were instantly enveloped in black mist!

“ah.....”

“kill.....”

For a moment, roars and shouts of killing resounded throughout the sky!

Everyone looked at it in confusion, because they were wrapped in black energy and couldn't see clearly what was going on inside!

“Son, son.....”

Zhou Qian was shocked and wanted to jump up instinctively, but Zhen Yuandao held him back!

Soon, the Zhou family's children began to fall from the black mist!

Some people fell down, their bodies no longer intact and breathless!

Some people were seriously injured, but they were still breathing!

These people all have marks on their bodies that look like they were bitten by something!

“Save people, hurry up and save people...”

Zhen Yuandao shouted!

Now the Zhen family and the Zhou family are in a marriage relationship, so they can't ignore it!

Thursday Long also fell off and there was almost no good spot left on his body!

But it's not fatal, just treat it quickly!

Seeing his injured son and the dead disciples, Zhou Qian suddenly collapsed on the ground!

At this time, everyone's faces were full of horror and shock!

Chapter: 6944

Then he turned all his attention to Chen Ping!

Since Chen Ping can understand this formation, he must have a way to break it!

Seeing everyone looking at him, Chen Ping said: “If you want to break this kind of large formation from the inside, it will take a long time, and it may not be possible to succeed.”

When everyone saw Chen Ping say this, they all felt like eggplants beaten by frost!

If Chen Ping can't break it, none of them can break it!

After all, they don't understand any formations at all!

"Fellow Daoist Chen, is there no other way to break through the formation of the Heaven-Destroying Sect?"

"If we are trapped like this, sooner or later we will be eliminated by the Tianzhan Fa Sect."

Chen Wenliang asked Chen Ping!

"It's not that there is no way. Now as long as someone breaks the formation outside, it will be much easier, and they can also cause chaos in the Tianzhan Fa Sect's formation, causing flaws in the formation."

Chen Ping said!

"Fellow Daoist Chen, aren't you kidding me? Who can help us break the formation outside now? Can we rely on guys like Su Tianshuo?"

Zhen Yuandao said helplessly!

Now that they are all trapped here, who can help break the formation outside?

Su Tianshuo and the others will definitely not help. These guys want all their pharmacists to die!

"Don't worry, someone will definitely help us!"

Chen Ping smiled slightly!

Just as Chen Ping finished speaking, there was suddenly a burst of lightning and thunder outside!

“Master, we are here and we will rescue you right away!”

Only a loud roar was heard!

It turned out that Gu Tianchao from the Liangyi Sect had arrived, and then the disciples of the Liangyi Sect also began to use various spells to continuously bombard the disciples of the Zhantian Fa Sect!

Moreover, Gu Tianchao also led people to bombard the formation of Tianzhan Dazong outside!

In terms of magical achievements, there is no way that Zhan Tian Fa Sect can be the opponent of Liang Yi Sect!

After all, the divine pattern ancestor of the Liangyi Sect is an immortal from the heavenly realm, and the formations he teaches are all advanced formations!

Chapter: 6945

“Someone really came to save us, and there are quite a few of them!”

Listening to the commotion outside, everyone was very excited and excited!

“Sect Master? Who is the Sect Master here?”

“It can’t be Fellow Daoist Chen, right?”

“Who are these people? It seems that the spell they cast is no weaker than that of the Heaven-Destroying Sect.”

Everyone looked at Chen Ping curiously!

“These people are from the Liangyi Sect in the Central Region. I have informed them in advance, so they came here.”

Chen Ping smiled slightly and said!

“Zhongyu Liangyi Sect?” Chen Wenliang’s eyes widened and he said with shock: “That is a very powerful magic sect, and the Tianzhan Sect is no match for them.”

“Isn’t it possible that the sect leader they call is Fellow Daoist Chen?”

“That’s right!” Chen Ping said with a smile!

Buzz!

Everyone’s heads were buzzing. They had no idea how could Chen Ping, who was at the sixth level of the Tribulation Realm and was also a pharmacist, become the master of the Shufa Sect?

Even Liu Ruyan and the others were curious. After all, Chen Ping had never told them that he was the head of the Liangyi Sect!

“No wonder Fellow Daoist Chen is so confident and knows the battle tactics so well, yet he is actually the leader of the Liangyi Sect. How disrespectful!”

When Zhou Qian heard this, he immediately came over and said politely!

He didn't believe Chen Ping just now, but now that he knew Chen Ping's identity, he instantly became respectful!

Other pharmacists also began to treat Chen Ping respectfully. Even some people who had some thoughts about Chen Ping and wanted to enshrine him in the Demon Alliance for a hundred years were completely laughing at their thoughts at this moment!

Chen Ping not only has Xiao Huangchao backing him, but he is also the head of the Liangyi Sect. How could they dare to do anything!

Now everyone finally understands why the Demon Sealing Alliance has dedicated a hundred years to enshrine it. After all, if the benefits of a person like Chen Ping are too low, no one will take action!

At this time, Su Tianshuo and others who were watching the battle in the distance were dumbfounded when they saw the people from Liangyimen suddenly appearing!

"President Su, what's going on? Why do so many people suddenly appear?"

"And these people seem to be very powerful in magic. Are they here to save Medicine God Island?"

Bao Longxing asked with a frown!

"These are people from the Liangyi Sect. They are all sects from the Central Region. Why did they suddenly come here?"

“Just now I really thought I heard them shouting about the sect master. Is their sect master also trapped here?”

Su Tianshuo was very puzzled, how could Liangyi Sect, which was far away in the Central Region, come to the Western Region?

“The people trapped inside are all pharmacists. It’s really strange that there is no master of the Liangyi Sect.”

“Then what should we do? Do something?”

Bao Longxing asked!

“What are you doing? I think the Heaven-Destroying Sect is going to be in danger. Let’s take a look at the situation. If the situation is not good, we will withdraw immediately!”

Su Tianshuo didn’t know that people from Liangyi Sect were also here, so he didn’t dare to take action rashly!

At this time, the people of Liangyi Sect and Zhantian Fa Sect were fighting in a dark and dark manner, and various gorgeous spells continued to explode in the air!

Disciples on both sides suffered casualties from each other!

“Gu Tianchao, we, Zhantian Fa Sect, have no enmity with you Liangyi Sect, and there is no quarrel at all. Why do you come all the way to the Western Region to deal with us?”

Wang Qingshi roared at Gu Tianchao!

Victory was already in sight, but the people from the Liangyi Sect suddenly arrived, which suddenly put the Zhantian Fa Sect that had the upper hand at a disadvantage!

“Wang Qingshi, your Tianzhan Dazong has no quarrel with our Liangyi Sect and has no grudges. It’s just that you are blind and trapped our sect leader in the formation, so don’t blame us for being rude. !”

Gu Tianchao snorted coldly!

“Your sect leader?” Wang Qingshi said with a confused look on his face: “Who is your sect leader? The people I trapped are all pharmacists from the Medicine Master Guild. Where is your sect leader?”

“Chen Ping is the sect leader of our Liangyi Sect. Do you know now?”

“Release our sect master, then kneel down and apologize, and beg our sect master’s forgiveness. You can still have a chance of survival!”

Gu Tianchao said!

Chapter: 6946

Gu Tianchao knew what Chen Ping was capable of. In Chen Ping’s eyes, the Tianzhan Fa Sect’s skills were just rubbish!

“Is it him?” Wang Qingshi was stunned, but snorted coldly: “Let me kneel down and apologize, daydreaming, don’t think you Liangyi Sect is great, I have helpers.”

After Wang Qingshi finished speaking, he looked at Su Tianshuo who was not far away. As long as Su Tianshuo brings people to help deal with the Liangyi Sect, Wang Qingshi is sure to defeat the Liangyi Sect!

“President Su, at this point, do you still want to stand by and watch?”

Wang Qingshi asked Su Tianshuo loudly!

Su Tianshuo suddenly looked embarrassed. He agreed to cooperate with Wang Qingshi, but now they saw Wang Qingshi fighting with the Liangyimen, but they stood by and watched!

At this time, Gu Tianchao noticed Su Tianshuo and others, and his brows instantly furrowed!

He didn't expect that many of the pharmacists on the spirit boat would actually be with the Tianzhan Dazong!

If these people work together, Liangyimen will be in trouble!

Su Tianshuo carefully evaluated the current situation, and then said loudly: “Sect Leader Wang, how can we just sit back and watch, I will lead people right now...”

boom!

Before Su Tianshuo could finish his words, there was a sudden loud noise!

The great formation of the Heaven-Destroying Sect was broken!

Chen Ping, Chen Wenliang and others all rushed out of the big black net!

Seeing everyone rushing out, Su Tianshuo was stunned!

“Ouyang Island Master, President Chen, the time for revenge has come.”

After Chen Ping rushed out of the formation, he smiled slightly!

“Brothers, the time for revenge has come. Kill these beasts like Zhantian Fa Zong and avenge our brothers!”

Ouyang Xing shouted loudly!

Many disciples on Yaoshen Island roared and attacked the Tianzhan Dazong!

Zhou Qian also had scarlet eyes and rushed forward with a roar. He wanted to avenge the children of the Zhou family.

“Fellow Taoists, try your best...”

Chen Wenliang also roared and rushed forward with everyone from the Central Region Pharmacist Association!

The Zhen family and other pharmacists all headed towards the Tianzhan Dazong!

Chapter: 6947

If there was no Liangyi Sect, Wang Qingshi would not take these pharmacists seriously!

But the Liangyi Sect has now come forward, and the various spells of the Heaven-Zhancing Sect were broken as soon as they were used. For a while, they were unable to block the attacks of these pharmacists!

“escape.....”

When Wang Qingshi saw it, he roared and started to run away first!

Upon seeing this, many disciples of Zhantian Dharma Sect began to run away.

“Want to run away?” Chen Ping snorted coldly, holding the dragon-slaying sword, and immediately chased after him!

“You two stop him...”

Wang Qingshi asked two elders to stop Chen Ping while he escaped for his life!

At this point, he no longer cares about his disciples!

Although the two Tianzhanfa Sect elders were unwilling, they had no choice but to stop and prepare to stop Chen Ping!

“cut.....”

Chen Ping slashed down with his sword, and the sharp sword light seemed to fall from the sky and struck directly on an elder of the Heaven-Destroying Sect!

Seeing this, the two elders hurriedly cast spells to form a shield!

But it was useless, the sword light easily cut through the shield, and then split one of the elders in half!

“The power of the Dragon-Slaying Sword is getting more and more powerful. I wonder how Zhongli is doing. It seems that I have time to go to the Weapon Refining Sect to completely restore the Dragon-Slaying Sword. Then Zhongli will be free.”

Chen Ping looked at the Dragon-Slaying Sword in his hand and couldn't help but sigh in his heart!

After such a long time, since the sword spirit Zhongli was injured and unable to leave the Dragon Sword, the power of the Dragon Sword has also weakened a lot!

The most important thing is that Zhong Li can't leave the Dragon Slayer Sword, so Chen Ping is missing a helper!

If the sword spirit Zhongli recovers, then Zhongli will be Chen Ping's killer. At the most critical moment, Zhongli can break away from the Dragon Slayer Sword and take action alone!

When another elder of Zhantian Fa Sect saw this, he was so frightened that he wet his pants and turned around and ran away!

Wang Qingshi also staggered and was so frightened that he almost fell into the sea!

I saw Wang Qingshi waving his palms, and a black mist instantly appeared in front of him. Wang Qingshi's body rushed into the black mist, and then disappeared!

Chen Ping headed towards another elder of Tianzhanfa Sect!

When the guy saw this, he knew he couldn't run away, so he crushed a rune and a bloody light appeared in front of him!

Chapter: 6948

There are also runes running through the light!

Chen Ping sneered and waved his hand, and the bloody light disappeared without a trace in an instant!

Playing tricks in front of Chen Ping is like playing with a sword in front of Guan Gong!

“this.....”

The elder of Zhantian Dharma Sect was immediately dumbfounded!

Before he could react, a light flashed before his eyes, and his head moved instantly!

After killing the two elders of the Zhantian Fa Sect, Chen Ping moved towards the other disciples of the Zhantian Fa Sect, while looking for traces of the bluestone!

It is definitely impossible for this guy to activate the teleportation array and teleport himself away!

With his current spell strength, he is not yet capable of setting up a teleportation array in an instant!

This guy must have used some kind of deception!

However, Chen Ping is now unable to detect the existence of Wang Qingshi even if he uses his spiritual consciousness!

The disciples of Zhantian Dharma Sect were all panicking and running around!

Many pharmacists and people from the Liangyi Sect were chasing these people from the Heaven-Destroying Sect like dogs chasing a bereaved family!

“Don’t fight, don’t fight, I surrender, we surrender, please spare us...”

A disciple of the Heaven-Destroying Sect couldn’t bear it any more and desperately began to beg for mercy!

puff!

But as soon as he finished speaking, he was killed by a pharmacist from Medicine God Island with a sword!

“Now you want to surrender. We have lost so many brothers. If you want to surrender, there is no way!”

Many pharmacists on Medicine God Island have gone crazy!

Of the hundreds of disciples of the Heaven-Destroying Sect, only a few dozen were left, trapped among them!

Chen Ping shot his head full of flames with one palm, and all the disciples of the Heaven-Destroying Sect joined in, and finally perished in the sea of fire!

Su Tianshuo and others not far away were already scared to death!

Only then did Su Tianshuo react: “Quick, turn around, turn around and escape...”

Su Tianshuo directed the spirit boat to change direction!

Chapter: 6949

Because the people of Zhantian Fazong died too quickly, before Su Tianshuo could react, Zhantian Fazong had been destroyed, and even the bluestone was gone!

But just as the spirit boat turned around, there was an extra person on top of the spirit boat!

This person is Wang Qingshi who just used the black mist to escape!

He didn't escape because he couldn't escape either. He could only temporarily use the shadow escape technique to escape to Su Tianshuo's spirit boat!

"Sect Master Wang?"

Su Tianshuo was shocked when he saw Wang Qingshi!

"Su Tianshuo, you fucking bastard, we agreed that we would cooperate, but you actually stood idly by?"

Wang Qingshi's face was full of anger, and he was about to take action with a wave of his hand!

He felt like he was being tricked by Su Tianshuo!

"Sect Master Wang, please don't take action. The most urgent thing we need to do is find a way to deal with those pharmacists."

When Bao Longxing saw this, he quickly stopped Wang Qingshi!

“Sect Master Wang, we should not engage in internal strife now. We must find a way to turn defeat into victory.”

Su Tianshuo also didn't expect that Wang Qingshi would appear in his spirit boat, so he said!

“How the hell are you going to turn defeat into victory? All my people are dead!”

Wang Qingshi said with anger on his face!

“Sect Leader Wang, you should be able to find that these people now regard Chen Ping as their backbone.”

“As long as we find a way to kill Chen Ping, those people will become scattered in an instant without their backbone.”

Su Tianshuo started making bad ideas again, planning to kill Chen Ping first!

“How to destroy him? This guy looks like he is only at the sixth level of the Tribulation Realm, but he is very powerful and he also knows the magic.”

“At such a young age, he is the master of the Liangyi Sect, so he should not be underestimated!”

Wang Qingshi asked!

“Sect Master Wang, don’t be scared by this guy. As the sect leader of Zhantian Fa Sect, you are stronger than Chen Ping. How can you be afraid of him?”

“If we fight alone, Chen Ping will definitely not be the opponent of Sect Leader Wang!”

Su Tianshuo praised Wang Qingshi!

Chapter: 6950

“Yes, yes, Sect Master Wang’s skills are unparalleled. If Liangyi Sect hadn’t suddenly attacked, these people would have died in Sect Master Wang’s formation.”

“Sect Master Wang will never be afraid of Chen Ping...”

When Bao Longxing saw this, he started to praise him too!

This time, Wang Qingshi was really blown away!

“Of course. I am also the leader of the Heaven-Destroying Sect and a second-level master of the Mahayana Realm. How can I be afraid of a mere sixth-level monk of the Tribulation Realm?”

“But there are so many of them. If they go together, I’m afraid I won’t be able to match them.”

Wang Qingshi frowned slightly and said!

“Master Wang, just name him and fight against Chen Ping. If they dare to activate, we are not vegetarians and we will help you block them.”

“As long as we kill Chen Ping, these people will collapse in an instant!”

Su Tianshuo tricked Wang Qingshi into fighting Chen Ping!

What Su Tianshuo hates most now is Chen Ping. If it weren't for Chen Ping, their plan would have been perfect!

“Okay, I'll give it a try. This guy killed so many of my disciples, and I want to avenge them too!”

Wang Qingshi was deceived and jumped directly from the spirit boat!

The black cloak flutters in the wind, and the mask is still on his face!

“Wang Qingshi, this guy didn't run away...”

When Ouyang Xing saw this, he shouted loudly!

Everyone was also shocked. They didn't understand. The disciples of Zhantian Fa Sect were all dead. Why didn't Wang Qingshi escape?

Wang Qingshi threw away his cloak and took off his mask!

Under the mask is a twisted face, with a cold light in his eyes!

The aura of the Mahayana realm in the body keeps erupting, making many pharmacists feel that their breathing is stagnant!

“I didn’t expect you didn’t run away, you were still here waiting to die!”

Chen Ping was a little surprised when he saw Wang Qingshi appear!

It’s not like this guy didn’t realize his own strength, he actually dared to show up!

Chen Ping didn’t know that this guy showed up after being tricked into being lame!
