

The Order 6951

Chapter: 6951

“Hmph, I think you are the one seeking death. You have killed so many of my disciples, and I must avenge them.”

“Do you dare to fight with me alone? Whether it’s a real sword or gun fight, or a battle with spells, I can let you take action first.”

Wang Qingshi said!

“Chen Ping, don’t listen to him. This guy is so shameless. A master in the Mahayana realm actually calls a monk in the Tribulation Realm to fight alone. It’s shameless!”

Liu Ruyan quickly stopped Chen Ping and said!

She didn’t want Chen Ping to fight alone. There were so many of them and they were powerful. If they attacked together, Wang Qingshi would definitely not be able to escape!

“Wang Qingshi, you are so shameless, how can you have the nerve to say something about fighting alone?”

Ouyang Xing said to Wang Qingshi with contempt!

“Hmph, I just don’t want to see the lives of the people destroyed. If you go together, there will definitely be a fight, and the ones who will die will still be those low-strength pharmacists.”

Wang Qingshi found a noble reason for himself!

“Bah, you are so shameless, you can even say such things!” Chen Wenliang spat at the bluestone!

“Mr. Chen, don’t be fooled. This guy did it on purpose.”

Nie Heng said to Chen Ping!

Chen Ping just smiled, then looked at Wang Qingshi and said: “Since you want to fight with me alone, I can help you, and I will make you convinced to death.”

“Hahaha, don’t talk nonsense, just try it if you have the ability!”

When Wang Qingshi saw that Chen Ping agreed, he was immediately overjoyed!

“Chen Ping, you are crazy, we...”

Liu Ruyan was anxious and wanted to stop Chen Ping!

After all, Liu Ruyan is the closest person to Chen Ping here. After all, they slept together!

“Ruyan, don’t worry, don’t you even believe in your own man?”

Chen Ping said to Liu Ruyan with a smile!

When Liu Ruyan heard this, her face suddenly became shy, and she nodded and said, "I believe you..."

"Miss Liu, don't worry. If Fellow Daoist Chen is in danger, we will never stand idly by."

Chen Wenliang said!

Chapter: 6952

Many of them were saved by Chen Ping, so they would not sit idly by if Chen Ping was in danger!

Chen Ping jumped up, holding the dragon-slaying sword, and instantly shot out a sword light, heading towards Wang Qingshi!

"Hmph, even though you are only at the sixth level of Tribulation Realm, you dare to be so presumptuous..."

Wang Qingshi snorted coldly and grabbed the void with his palm!

Suddenly a series of thunder and lightning were triggered, and then those thunder and lightning were caught in Wang Qingshi's hand and turned into a long sword!

Seeing this scene, everyone was shocked!

After all, this is too amazing. As pharmacists, how have you ever seen this before!

Gu Tianchao on the side smiled coldly and said: "It's just a bluffing technique. If our sect leader wants to trigger thunder and lightning, all he needs to do is make a thought!"

Chen Ping himself has the origin of thunder and lightning. With just a thought, the original power of thunder and lightning will explode, and lightning and thunder will instantly appear in the sky and the earth!

Chen Ping's sword light swarmed towards him, and Wang Qingshi passively began to resist!

boom!

Golden light suddenly appeared in the sky, Wang Qingshi's body instantly retreated, and the long sword transformed by thunder and lightning in his hand was shattered in an instant!

Wang Qingshi was horrified. He was at the second level of the Mahayana realm. Although he was an array master and had been trained to the second level of the Mahayana realm, the power he could unleash might not be as good as other monks!

But it's impossible not to be able to block a blow from a sixth-grade monk in the Tribulation Realm!

No matter how awesome Chen Ping is, how can he leapfrog so many levels?

"Show off your special skills. If you go head-to-head with me, your strength won't be enough."

Chen Ping said with a cold smile!

Wang Qingshi knew that Chen Ping was not bragging, so he didn't dare to be careless and took out a golden talisman paper that was as tall as a person from his arms!

The talisman paper was densely covered with runes. As the talisman paper burned, a golden giant appeared faintly behind the blue stone. The giant held a giant sword in his hand!

"I use blood as my guide, people as food, heaven and earth as my respect, my life..."

Wang Qingshi seemed to be dumbfounded, mumbling words, and his whole body began to slowly become transparent!

Wang Qingshi formed seals with his palms and slowly integrated into the body of the hundred-foot giant!

Buzz!

For a moment, the giant trembled, and his whole body came to life.

Chapter: 6953

The giant and Wang Qingshi actually merged together!

The aura exuding from the giant's body is exactly that of the bluestone!

Everyone's faces were filled with shock, and even Gu Tianchao frowned. He didn't expect that Wang Qingshi could do such a trick!

When Chen Ping saw this, he also frowned slightly. This was the first time Chen Ping had seen this kind of fusion technique!

"Hahaha, Chen Ping, it is your honor to die under the secret technique of our Heaven-Destroying Sect."

Wang Qingshi laughed crazily!

With that said, Wang Qingshi slashed towards Chen Ping with his sword!

At this moment, Chen Ping was as weak as an ant in front of Wang Qingshi!

When Chen Ping saw this, he stopped being careless. His body instantly emitted golden light. The indestructible golden body covered his whole body, and the dragon crystal on his chest also radiated light!

A huge golden dragon slowly appeared behind Chen Ping!

roar!

The golden dragon roared, the earth trembled, and huge waves instantly arose in the sea. Everyone hurriedly put up shields to protect the safety of the spirit boat!

Wang Qingshi looked at the golden dragon behind Chen Ping, and his original arrogance suddenly went out!

“You...who are you? Why can you make the golden dragon appear?”

“What kind of psychedelic magic did you use?”

Wang Qingshi asked!

“You ask your mother so many questions about what she’s doing. If you want to be beaten, you’ll be beaten. There’s so much nonsense!”

Flames rose on Chen Ping’s body, and even the golden dragon’s body also lit up with flames!

Turn directly into a fire dragon and open its bloody mouth!

“You are looking for death...”

Wang Qingshi roared angrily, and slashed down at Chen Ping with the giant sword in his hand!

The golden dragon roared and rushed forward, facing the giant sword!

boom!

The giant sword was blocked by the golden dragon, and then the golden dragon spurted out dragon flames, and the thick flames instantly surrounded the giant!

Chapter: 6954

The flames filled the sky, reflecting the entire sky red, and even the sea was burning with flames!

Chen Wenliang and the others had no choice but to sail the spirit boat far away!

“Hahaha, you are just joking if you want to burn me to death with flames. I am a giant who is not afraid of water and fire.”

“And there is no life, no fear of death. If you want to defeat me, just dream!”

Wrapped in flames, Wang Qingshi was not afraid, but laughed loudly!

This giant of his was made using the secret technique of the Heaven-Destroying Sect and was not made of flesh and blood, so he was not afraid of flames at all!

Just like a puppet, it has no life and does not know life or death!

Now that Wang Qingshi is merging with the giant, everything is controlled by Wang Qingshi. The giant has no thoughts of his own!

The giant stood in the flames, his body emitting golden light. The flames could not bring any harm to the giant!

“Since you can’t be burned to death, I will chop you to death...”

Chen Ping jumped up and stood on top of the dragon’s head!

The dragon-slaying sword in his hand erupted with a hundred-foot-long sword light, and then he swung it with all his strength!

The sword glow rolled in, carrying a dazzling white light.

Rumble.....

The various auras in Chen Ping’s body were constantly flowing, and he slashed at the giant with one sword after another!

Chen Ping drew his sword very quickly, and every time he struck the giant with his sword, sparks burst out all over the sky!

“Hahaha, I said it’s useless. Although your sword is good, it can’t break through my giant’s defense at all!”

Wang Qingshi laughed!

Chen Ping ignored him at all, but kept attacking. Each sword was like a mountain falling suddenly, causing the earth to tremble, the void to twist, and the eternal roar!

The huge waves triggered by this sword rolled on the sea, and the water columns soared into the sky, as if it was the end of the world!

Wang Qingshi, who originally didn’t care, suddenly had many tiny cracks on the giant’s body!

And the various lines on the huge talisman he took out actually trembled!

Speaking of which, Wang Qingshi’s giant is not a real puppet, but made using secret techniques and runes!

The power and defense he possesses are not made of his own material, but are all supported by the dense runes on the talisman paper!

Chapter: 6955

If the runes are destroyed, the giant’s strength will also be weakened!

“Damn it, I thought you were wasting your efforts, but I didn’t expect you had a plan!”

Wang Qingshi frowned slightly and didn't dare to be careless!

I saw him forcing out the essence and blood from the center of his eyebrows, and directly smearing the essence and blood on the talisman paper!

The golden giant turned red in an instant, and the densely packed runes also turned blood red!

Bloody runes cover the giant's body, exuding an aura of terror!

"It's my turn..."

Wang Qingshi shouted loudly, the long sword in his hand flashed with light, and the void was instantly cut open!

Chen Ping stood on top of the dragon's head, feeling the power of the sword, but he didn't dodge at all, but jumped!

The whole person went straight towards the giant sword!

"What is Mr. Chen going to do?"

When Nie Heng saw this, he was immediately shocked!

"Young Daoist Chen are not going to commit suicide, are you? Why don't you dodge or dodge, but go towards the giant sword?"

Chen Wenliang didn't understand what Chen Ping was going to do!

Even Wang Qingshi himself didn't expect that Chen Ping would not dodge, but now he would take the initiative to greet him.

This is stretching your head to be chopped off by yourself!

Why is this happening?

Is it a scam?

Just when Wang Qingshi didn't understand what was going on, Chen Ping's body collided directly with the giant sword in his hand!

boom!

Along with a loud noise, golden light splashed everywhere!

Chen Ping's indestructible golden body fell down piece by piece like snowflakes and slowly disappeared!

As the golden light flashed, everyone was surprised to see that Chen Ping's thin body could withstand the blow of the giant sword!

And he clamped the giant sword tightly with both palms, with disdain and coldness in his eyes!

Chapter: 6956

“How is this possible?”

Wang Qingshi was immediately stunned!

You must know that with that sword strike just now, even a master in the Mahayana realm would have been taken away with one strike even if he resisted like this, but Chen Ping was only at the sixth level of the Tribulation Realm!

How could he withstand a blow and still appear to be uninjured?

This is impossible!

Others were also confused and stared blankly. If we talk about Chen Ping’s strength, many people have seen it!

But I never expected that Chen Ping would be so awesome!

This is a hard fight against this sword. If the body is not strong enough, no one would dare to try it!

“My dear, is this something a sixth-grade monk in the Tribulation Realm can do?”

Zhen Yuandao licked his lips with an incredible look on his face!

Others were even more shocked and speechless!

When Su Tianshuo and others saw this scene, their hearts beat wildly. If Chen Ping killed Wang Qingshi, then none of them would be able to escape!

“President Su, what should we do? This Chen Ping is too perverted, he is not a human being...”

Bao Longxing said with fear on his face!

“What are you afraid of? Wang Qingshi may not lose. Just wait and see. If Wang Qingshi loses, we will sneak away!”

“Anyway, no one is paying attention to us now. If it doesn’t work, we will kill them if they don’t admit to colluding with the Tianzhan Fa Sect.”

“Do they have any evidence? Do they really dare to kill all of us?”

Su Tianshuo was going to wait and see. Anyway, he was well prepared!

In fact, he himself was scared to death and his legs were shaking constantly!

It’s just that these people all regard him as obedient. If he shows fear at this moment, then the others will really be doomed!

If the hearts of the people are scattered, Su Tianshuo knows that he will have no chips at all!

“You giant looks tall and mighty, but you have no strength at all. Turns out you are just a loser!”

A sneer appeared on Chen Ping’s face and he said to Wang Qingshi!

Wang Qingshi was angry and angry. He gritted his teeth and said, “Don’t be proud, I’m not defeated yet...”

Buzz!

Suddenly, the giant sword began to be covered with bloody runes, and a violent force burst out!

Chen Ping looked at the bloody runes flashing on the giant sword, and smiled even brighter: "Playing with runes with me, you are still a little green..."

After Chen Ping finished speaking, he actually drew a few times on the giant sword with his fingers!

In an instant, the power that was about to explode from the giant sword went dormant, and the giant sword trembled, knocking the giant away!

Wang Qingshi was shocked and looked at the giant sword in his hand in disbelief!

"You...what exactly did you draw on my giant sword?"

Wang Qingshi asked with a shocked face!

You must know that this is his weapon. He gave all the bloody runes to this giant sword!

But who would have thought that all the bloody runes would become ineffective after being swiped twice by Chen Ping!

Chapter: 6957

“You want to know?”

Chen Ping laughed!

“Of course!” Wang Qingshi nodded!

He really wanted to know what method Chen Ping used to suppress his blood runes. You must know that these blood runes were passed down from their Heaven-Destroying Sect!

“You are not my son, I can’t tell you, but if you call me dad, I can tell you, or even teach you.”

Chen Ping said with a joking face!

Hearing Chen Ping’s words, Chen Wenliang and others couldn’t help laughing!

At this point, Chen Ping still has the heart to joke!

This is the time to make a life or death decision!

Wang Qingshi’s face was livid, he raised his sword again and struck!

He doesn’t care whether the blood runes on the giant sword are effective or not!

This time Chen Ping did not resist forcefully, but blocked it instantly with the Dragon Slayer Sword!

clang!

The two swords collided and made a crisp sound!

Chen Ping's thin body was insignificant in front of this giant, but this insignificant figure blocked this blow!

Just after Chen Ping blocked the sword, a golden light suddenly shot out from the air, and then hit the giant hard!

boom!

There was a loud noise, and the giant fell back instantly, with many large and small cracks appearing on his body!

"Forget about you beast..."

Wang Qingshi looked at the golden dragon that rushed over and swept him with his tail, and roared angrily!

He only focused on following Chen Ping to fight, but forgot about Chen Ping's golden dragon!

Wang Qingshi slashed at the golden dragon with all his strength!

The golden dragon roared, twisted its huge body vigorously, and then slapped the giant sword heavily.

Wow.....

Chapter: 6958

Under this violent impact, the giant sword shattered into pieces, leaving only the hilt in the giant's hand!

"Depend on....."

Wang Qingshi looked at the broken giant sword in his hand and was completely confused!

What the hell does this mean?

How can we fight this battle if we have no weapons?

While Wang Qingshi was stunned, the golden dragon swept over with its tail again!

Bang!

The giant's huge body fell down with a crash!

The moment he fell, his entire body shattered, and Wang Qingshi flew out of the giant's body!

"Boy, just wait for me. I will take revenge sooner or later."

After Wang Qingshi finished speaking, he suddenly took out two talismans, stuck them on his legs, and then ran away!

This kind of spell can make people faster!

“You still want to run?”

Chen Ping smiled coldly, flames suddenly rose under his feet, and he started to use the Fire Steps!

Wang Qingshi was so fast that he disappeared in the blink of an eye!

He thought he had escaped, so he took a long breath!

“You run so slowly and you still want to escape from my grasp?”

Chen Ping’s voice rang in Wang Qingshi’s ears!

Wang Qingshi was stunned, turned around and found that Chen Ping had appeared next to him at some point!

“You...you...”

Wang Qingshi’s face was full of shock, then he gritted his teeth and accelerated again!

But no matter how fast he was, Chen Ping was always following him!

I don’t know how long I ran, but the charm on Wang Qingshi’s leg failed and his speed slowed down!

And Chen Ping was also unhurried and calm!

Chapter: 6959

“Stop chasing me. I surrender. Isn’t it okay if I surrender...”

When Wang Qingshi saw this, he stopped directly and gasped for air!

Chen Ping grabbed Wang Qingshi by his collar and directly carried this guy back!

Just when Chen Ping was carrying Wang Qingshi back, Su Tianshuo had secretly led someone to drive the spirit boat towards the Western Continent!

Because Chen Wenliang and the others were worried about Chen Ping’s comfort, they all drove their spirit boats to chase Chen Ping, forgetting about Su Tianshuo and others!

When they saw Chen Ping coming back with Wang Qingshi, everyone breathed a sigh of relief and gathered around him one after another!

“Island Master Ouyang, I’ll leave this guy to you.”

Chen Ping handed Wang Qingshi to Ouyang Xing!

After all, there are many disciples from Killing Medicine Island in this Heaven-Destroying Sect, and Ouyang Xing just took it out on Wang Qingshi!

“Fellow Daoist Chen, thank you very much. My Medicine God Island is like this now. I really can’t repay you for it!”

Ouyang Xing said with some shame!

“Ouyang Island Master, for the sake of all the pharmacists in the heaven and human world, you did not hesitate to resist the Tianzhan Dazong alone. What I did is nothing.”

Chen Ping comforted Ouyang Xing, then glanced at the sea and found that the spirit boat of Su Tianshuo and others had long disappeared. He was shocked and said, “Where are Su Tianshuo and those people?”

“It’s broken, let them run away, no one was paying attention just now!”

When Chen Wenliang saw this, he quickly said anxiously!

“They can’t run far, let’s chase them quickly!”

Zhen Yuandao said!

“Yes, chase quickly...” Zhou Qian also told him to chase quickly!

“Master Ouyang, let’s say goodbye now. We’ll get together at the Medicine Master Conference next year!”

Chen Ping cupped his hands towards Ouyang Xing and said!

“Then I’ll be waiting for you, Fellow Daoist Chen!” Ouyang Xing also bowed his hand!

Just when Chen Ping and the others were about to leave, Wang Qingshi said: “Chen Ping, can you tell me what you drew on my giant sword that suppressed my blood runes?”

“You tell me, I can rest in peace even if I die!”

Chapter: 6960

“Okay, let me tell you, what I drew at that time was the divine pattern...”

Chen Ping said slowly!

“Divine pattern?” Wang Qingshi was startled, his eyes widened with disbelief on his face. After a long time, he muttered to himself: “Divine pattern, it turns out to be divine pattern. It seems that I didn’t lose unfairly...”

Ouyang Xing and the others didn’t know what the divine pattern was, but judging from Wang Qingshi’s appearance, the divine pattern must be very powerful!

Chen Ping and the others drove the spirit boat to chase Su Tianshuo and others, while Ouyang Xing escorted Wang Qingshi and the remaining Yaoshen Island disciples back to Yaoshen Island!

“President Su, they are catching up. We have to speed up. If we escape to the Western Region Continent, these guys won’t be able to let us go.”

Bao Longxing was so frightened that he was trembling all over when he saw that Chen Ping and the others were driving the spirit boat to catch up!

Of course Su Tianshuo also knew that even if they arrived in the Western Continent, Chen Wenliang and Chen Ping would never let them go!

The best way right now is to eliminate Chen Ping and the others on the vast sea!

It's just that these people can't be Chen Ping's opponents at all!

Even the Tianzhan Dazong was destroyed and Wang Qingshi was arrested. How could they be opponents!

"Okay, stop talking, I know, you are chirping in my ear, are you annoying..."

Su Tianshuo glared at Bao Longxing!

He knows everything, but what can he do?

"President Su, if we don't go to the Western Region Continent now, we may still have a way to kill those people behind us."

At this time, an old man in white walked up to Su Tianshuo and Bao Longxing!

Su Tianshuo and Bao Longxing both looked at the old pharmacist and frowned slightly!

Because none of them know this person!

This time, although they are led by the Western Region Pharmacists Association, the Bao family, and the Diao family, there are other pharmacists joining them!

It's just that the power of these pharmacists is relatively weak, so they have little say!

Such an old pharmacist was a casual cultivator, and he joined Su Tianshuo and the others in order to gain some benefits, but he didn't expect this result!

“Who are you?” Su Tianshuo frowned slightly!

“President Su, my name is Feng Xing, and I am a member of the Feng family in the Central Region. I learned to be a pharmacist because I loved refining elixirs since I was a child.”
