

The Order 6971

Chapter: 6971

Outside the storm, Su Tianshuo and others smiled when they saw Chen Ping and his spirit boat being involved in the huge storm!

“It’s better now. If you get into such a big storm, you will definitely die.”

“When the storm stops, we will take Chen Ping’s body and go to the Demon Sealing Alliance to collect the reward.”

Bao Longxing breathed a long sigh of relief!

“This storm will not stop for ten days and a half.”

Feng Xing said!

When Bao Longxing heard this, he immediately frowned: “What should we do? Are we going to have to wait here on the spirit boat for half a month? That would be annoying to death.”

Su Tianshuo also frowned and spent a long time. If he couldn’t find Chen Ping’s body and couldn’t get the hundred-year tribute from the Demon Sealing Alliance, wouldn’t it be in vain!

If you float on this vast sea for half a month, you will really be suffocated to death!

“President Su, Master Bao, after passing through this stormy sea, there is a small island in front of us. The scenery on the island is beautiful, and there are many spiritual stones and fairy grass. We can rest on the island temporarily until the storm stops. Looking for Chen Ping’s body.”

Feng Xing said!

“Is there an island here?”

Su Tianshuo’s face was full of surprise!

You must know that this place is thousands of miles away from the Western Region mainland. In the vast sea, I saw nothing along the way!

Now that Feng Xing said there was an island here, Su Tianshuo was certainly surprised!

“Yes, that island is only a few hundred miles away from here. I once had my spirit boat overturned by a storm and landed on that island.”

Feng Xing explained!

“Then what are you waiting for? Go quickly. I’ve had enough of staying here on the spirit boat.”

When Bao Longxing heard this, he hurriedly rushed to the island!

The spirit boat was small, rickety, and not comfortable at all!

Feng Xing didn’t move, but looked at Su Tianshuo!

It's all Su Tianshuo's decision here, as long as Su Tianshuo nods!

Su Tianshuo forgot to glance at the boundless storm, nodded and said: "Okay, let's go to that island to rest temporarily."

Feng Xing then nodded and directed everyone to drive the spirit boat towards the island!

Chapter: 6972

At this time, Chen Ping and the others in the storm were still immersed in joy!

Just pretend that the terrifying storm around you doesn't exist!

Everyone got a lot of beast elixirs, spiritual stones and treasures!

Chen Ping, in particular, has received a lot of gold-replenishing stones. It seems that his gold-based original star can become brighter.

Back on the spirit boat, many pharmacists gathered together to show off their gains!

At this time, Chen Ping discovered that a pharmacist was holding a seventh-grade fairy grass in his hand!

This kind of fairy grass cannot appear on the sea, it should grow on land!

“Fellow Taoist, did you also get this fairy grass from the sea?”

Chen Ping asked the pharmacist!

“Yes, what I got from a monster beast is probably what the monster beast didn’t finish eating!”

The pharmacist nodded and said!

“Fellow Daoist Chen, is there anything wrong?”

Chen Wenliang asked!

“This kind of fairy grass can only grow on land and will never appear on the sea. Since these monster beasts have this kind of fairy grass, then there must be land there not far from here.”

At this time, Zhongqing said!

“Yes, Zhong Yaozun is right. I also suspect that there should be an island not far from here.”

Chen Ping nodded and said!

“If there is an island, there must be fairy grass and many precious spiritual stones. After all, it is far away from the mainland and no one has set foot on it.”

“Aren’t we going to get rich now?”

“It’s a worthwhile trip. It’s a worthwhile trip. Those who return to the Western Region will definitely regret it to death.”

When many pharmacists heard this, they all shouted excitedly!

In these continents of the Celestial Realm, some resources have been exploited for a long time!

Only on an inaccessible island like this can there be precious resources, maybe even ten thousand-year-old fairy grass!

Just when everyone was happy, Gu Tianchao came close to Chen Ping’s ear and whispered: “Master, the spirit boat has been damaged and has cracks. I’m afraid it won’t last long...”

“What? Take me to see...”

Chen Ping frowned slightly and said!

Gu Tianchao took Chen Ping into the spirit boat. Chen Wenliang and others saw this and followed him!

In the center of the spirit boat, there is a small formation. This formation is the driving force for the spirit boat to move forward!

At this time, cracks appeared around the small formation!

There are also tiny cracks like spider webs inside the spirit boat!

If such cracks continue to withstand wind and waves, there will definitely be more and more cracks, and eventually the spirit boat will collapse!

“Can it be repaired?” Chen Ping asked!

Gu Tianchao shook his head: “I tried, but it can’t be repaired. Now we can only slowly find a land and then build a spiritual boat.”

“Now this spirit boat cannot take us back to the Western Continent. Once the spirit boat collapses in the vast sea, everyone will be in danger.”

Chen Ping was silent, and Chen Wenliang was a little at a loss when he saw Lingzhou like that!

Although they are all monks and can walk on water and even fly in the air, they also need to consume spiritual power to do so!

The short distance is okay, but the closest continent to the Western Region is probably thousands of miles away!

Who can last such a long distance?

Chapter: 6973

“This matter must be kept confidential and cannot be spread, otherwise it will easily cause panic.”

After a while, Chen Wenliang said!

If they knew that the spirit boat was going to collapse, it would definitely make many pharmacists panic!

In this vast sea, there is no place to stay!

He might even be attacked by monsters in the sea!

“Okay, I won’t tell anyone.”

Gu Tianchao nodded.

“You can’t hide it. If you hide it, it will cause greater panic, and it’s impossible to hide it from everyone.”

“We all have to figure it out together, and now we have to be in the same boat.”

Chen Ping does not agree to hide it from everyone and must tell everyone!

When Chen Wenliang saw Chen Ping saying this, he didn’t say anything!

After all, they all rely on Chen Ping to break out of this huge storm!

Chen Ping and the others are back on the deck!

Then he said to everyone: “Everyone, our spirit boat has been damaged and it probably won’t last too long, so we all need to be mentally prepared.”

“What? The spirit boat is damaged? If the spirit boat sinks, what will we do? It’s impossible to fly in the air all the time.”

“The nearest continent is thousands of miles away, and we can’t fly at all.”

“There are many monsters in this sea, are we all going to be buried here?”

“Hey, I just got so many beast elixirs and treasures, but I’m going to die here again!”

For a time, pessimism spread among everyone!

After all, without the spirit boat, most pharmacists would not be able to return to the Western Region continent!

“Fellow Daoist Chen, isn’t there an island near here? If we find the island before the spirit boat sinks, we will be fine.”

Zhongqing said!

“Yes, I think so too, but no one knows where the island is or how far away it is, so it’s not easy to find it.”

Chen Ping also knew that they had to find the island first, but they only knew that there should be an island nearby, but they didn’t know the specific location!

Chapter: 6974

In this vast sea, finding an island whose location is unknown is undoubtedly like finding a needle in a haystack!

“Let’s break out of the storm first and discuss finding the island. If the spirit boat sinks, how can we get out of the storm with so many of us?”

Zhongqing suggested!

Although Chen Ping has the Wind-Fixing Pearl, without the spirit boat, with so many pharmacists and people from the Liangyi Sect all flying in the air, the Wind-Fixing Pearl cannot protect such a large area!

We must rush out of the edge of the storm before the spirit boat sinks!

“That’s what I mean. Everyone must be prepared. If the spirit boat collapses when rushing out of the storm area, we must rush out as fast as possible!”

Chen Ping warned everyone!

This is why Chen Ping wants to tell everyone about this, just to prepare everyone in advance!

If you don’t tell everyone, and no one is prepared, the sudden collapse of the spirit boat when rushing out of the storm will definitely cause panic, and many people will probably die by then!

After everyone listened to Chen Ping’s words, they all cheered up, and Chen Ping asked Gu Tianchao to lead the people from the Liangyi Sect to use formations to consolidate the spirit boat and start rushing out of the storm!

Su Tianshuo and the others, under the leadership of Feng Xing, quickly arrived at a small island!

The scenery on the island is pleasant and the environment is simply beautiful!

Many pharmacists came to the island one after another, all looking excited!

“This inaccessible island must have many treasures.”

Bao Longxing said excitedly!

Su Tianshuo also had a smile on his face and looked around at the surrounding environment!

Suddenly, Su Tianshuo’s smile froze on his face, and there was a hint of solemnity in his eyes!

“President Su, what’s wrong?”

Bao Longxing asked!

“There are people on this island.” Su Tianshuo said!

“Is there anyone?” Bao Longxing was stunned, then looked at Feng Xing and asked, “Mr. Feng, is there anyone on this island?”

When Feng Xing saw this, he smiled slightly: “There are people, and there are quite a few of them...”

After Feng Xing finished speaking, dozens of people suddenly rushed out from all around. The auras of these people were not weak. The most important thing was that as soon as these people appeared, formations lit up all around, surrounding Su Tianshuo and the others!

Now it is impossible for them to get back on the spirit boat. They are surrounded by formations and they cannot get out at all!

Chapter: 6975

At this time, all the pharmacists were confused, and their expressions changed drastically!

“Lao Feng, what do you mean?”

Su Tianshuo frowned, stared at Feng Xing and asked!

Obviously, Feng Xing deliberately led them to this island. He knew that there was someone on this island!

“President Su, don’t be nervous, no one will hurt you.”

“Let me introduce to you. These people are actually members of the Tianzhan Fa Sect.”

Feng Xing smiled slightly and said!

“What? People from the Zhantian Fa Sect? Hasn’t the Zhantian Fa Sect been destroyed? The sect leader Wang Qingshi has been captured. How come people from the Zhantian Fa Sect appear again?”

Su Tianshuo was confused and didn’t understand what was going on!

“Hahaha, that Wang Qingshi was just the deputy sect leader of my Heaven-Zhanting Sect. Later, due to disagreements with his ideas, he betrayed our Heaven-Slaying Sect and brought some disciples closer to the Western Region Continent.”

“This guy has been operating in the name of our Heaven-Zhanting Sect. How could our Heaven-Slaying Sect be destroyed so easily!”

At this time, an old man in white walked up to Su Tianshuo in a hurry!

This man looks quite old, with wrinkles all over his face, but his eyes are shining and he has an aura of majesty!

The aura of cultivation exuded is very strong, and it is already at the second level of the Mahayana realm!

On this deserted island, it is simply a miracle to be able to cultivate to this level!

After all, this small island is not big, and it cannot have more resources than the Five Domains Continent!

“President Su, this is Mu Qiufeng, the true sect leader of Zhantian Fa Sect.”

Feng Xing followed Su Tianshuo and introduced him!

“It turns out to be Sect Master Mu, disrespectful and disrespectful...”

Su Tianshuo quickly said hello politely!

Now that we have arrived at someone else’s territory, we don’t care who is the real master of the Tianzhan Fa Sect, Mu Qiufeng or Wang Qingshi, now we have to flatter each other first!

“President Su, tell your people, don’t be nervous, we will never hurt you.”

“Since you are here, you are the guests of my Heaven-Zhancing Sect. Didn’t you reach cooperation with Wang Qingshi?”

“Although Wang Qingshi has been arrested now, our Heaven-Destroying Sect is not dead. I can still cooperate with President Su.”

Chapter: 6976

Mu Qiufeng said to Su Tianshuo!

Su Tianshuo glanced at Feng Xing, and he knew that it must be Feng Xing who conveyed the news, otherwise how could Mu Qiufeng know that he was cooperating with Wang Qingshi!

Su Tianshuo always thought that his plan was perfect, but now it seems that Feng Xing is the final winner!

From the moment he joined the team, he might have expected what happened today!

Also, it seemed that it was all planned to lead Chen Ping and the others into the stormy sea!

Now Su Tianshuo is thinking of taking Chen Ping’s body to the Demon-Sealing Alliance in exchange for a hundred years of worship. It’s obviously impossible. All of this has become a wedding dress for the Tianzhan Dazong!

“Sect Master Mu, we are willing to cooperate with you!” Su Tianshuo could only squeeze out a smile, and then said to the many pharmacists: “Fellow Taoists, please don’t be nervous. The Heaven-Zhancing Sect will not harm us. Please relax. !”

“President Su, I have prepared wine and food, please...”

Mu Qiufeng made a gesture of invitation!

Su Tianshuo had no choice but to follow Mu Qiufeng!

Other pharmacists followed behind, surrounded by people from the Heaven-Zhancing Sect. None of these pharmacists dared to resist!

“Sect Master Mu and a group of pharmacists were trapped in the storm, and their lives and deaths are unknown now.”

“Chen Ping, who was hunted down by the Demon Sealed Alliance with a hundred-year tribute, is also among them. You’d better send someone to take a look!”

Feng Xing said to Mu Qiufeng!

“Oh? That Chen Ping is here too, so we can use him to negotiate terms with the Demon-Sealing Alliance.”

Mu Qiufeng’s eyes lit up, and then she waved her hand towards a bearded middle-aged man and said, “Elder Liu, take someone to drive the spirit boat to have a look. Except for Chen Ping, try to bring the other pharmacists back alive.”

“Yes!” Elder Liu nodded, and then took the people on the spiritual boat and left!

Zhantian Fazong has hired so many pharmacists to help refine elixirs. To put it bluntly, these pharmacists will work for Zhantian Fazong for free in the future!

So if the pharmacist dies, then there is no value at all!

This small island has a lot of resources, but Tianzhanfa Sect does not have its own pharmacist, so many resources are wasted!

This is why Wang Qingshi led some disciples of Zhantian Fazong to leave here and began to learn alchemy techniques, and even wanted to rob Medicine God Island to strengthen Zhantian Fazong's ability to refine elixirs!

Wang Qingshi did that after suffering so much without a pharmacist on this remote island!

Su Tianshuo and the others were taken to the main hall of Zhantian Dazong. Although they were entertained with delicious food and drinks, they had no freedom!

They were all locked in a room, and the room was surrounded by formations. They, the pharmacists, didn't understand the formations at all, and they couldn't escape even if they wanted to!

Chapter: 6977

"This old man from Fengxing, if I have a chance, I will kill him..."

Bao Longxing yelled angrily!

Su Tianshuo sighed softly: "Stop shouting and just be honest. I didn't expect that after a lifetime of scheming, someone would get me plotted against me this time!"

Su Tianshuo lay on the bed, already resigned to his fate!

When Bao Longxing saw this, he also looked helpless. He sat at the table and started drinking.

At this time, Chen Ping and the others had already rushed out of the storm, and the spirit boat was moving away quickly!

If the spirit boat suddenly collapsed and sank at this time, the suction force generated by such a huge storm would be terrible, and someone might be caught in it!

“Don’t relax, everyone. You must stay away from the storm before you can relax!”

Chen Ping warned everyone!

Gu Tianchao, with the people from the Liangyi Sect, desperately maintained the spirit boat and urged the spirit boat to move forward!

After being hundreds of miles away from the storm, the spirit boat began to make an overwhelming rattling sound!

“Master, the spirit boat can’t hold on any longer, we must abandon the ship...”

Gu Tianchao said loudly!

“Okay, everyone, please fly in the air and don’t get on the spirit boat!”

After Chen Ping finished speaking, he jumped up first, his body suspended in mid-air!

If others saw this, they would also fly into the air!

Just after everyone left the spirit boat, the spirit boat suddenly exploded and then sank quickly!

Dozens of people were floating in the air, looking at the vast sea, and they had no idea for a moment!

“Fellow Daoist Chen, what should we do next?”

Chen Wenliang asked Chen Ping!

Chen Ping looked around and said, “President Chen, let’s select a few of the strongest pharmacists and then split up to find the island.”

“Everyone else should stay here. No one should move. This way, spiritual power can be preserved.”

“Whether we find the island or not, we have to come back and meet up after one day.”

“Okay, I’ll do as you say!” Chen Wenliang nodded!

This is all we can do now. If these people go to find the island together, some pharmacists with low strength may not be able to maintain their flight halfway!

Chen Wenliang selected a few of the strongest pharmacists and divided them into groups of two.

Chen Ping, on the other hand, asked for a certain position. He was used to being alone, and he would not be a burden!

Chapter: 6978

But just when Chen Ping and the others were getting ready to disperse and look for the island, a huge spiritual boat slowly appeared in the distance!

“Lingzhou, a ship is coming...”

“What a big spiritual boat. We can be saved.”

“That’s great, there is no end to the road...”

After everyone saw the spirit boat, they all shouted excitedly!

Chen Ping, with a solemn expression on his face, looked at the spiritual boats approaching in the distance, and said with some confusion: “How can there be such a big spiritual boat in this vast and inaccessible sea?”

“It’s so strange. This can’t be pirates. If we encounter pirates, we will be in trouble.” Zhong Qing said!

He had heard that in this area, some people were robbed by pirates, and then there was no news!

“Pirates? There are pirates here, it’s really strange!”

When Chen Wenliang heard this, he couldn’t help but be speechless!

After all, he is in the Central Domain. There is no sea in the Central Domain and it is surrounded by the Four Domains, so he doesn’t know any pirates!

“Everyone else should be on alert. Let’s go over and take a look. If we find anything wrong, the others will run away immediately!”

Chen Ping will definitely take Chen Wenliang and Zhongqing there to have a look!

If there are really pirates on this spirit boat, then they are the strongest and can handle it, and the others can take the opportunity to escape quickly!

“Okay, let’s go over and take a look!”

Chen Wenliang nodded, and then followed Chen Ping towards the spirit boat!

At this time, on the huge spirit boat, Elder Liu of the Tianzhan Dharma Sect was sitting in the cabin and resting. He knew that it would take many days for this huge storm to gradually disappear, so he was not in a hurry!

“Elder Liu, we found a group of monks suspended in mid-air more than ten miles ahead!”

At this time, a disciple of the Heaven-Zhancing Sect ran into the cabin and reported to Elder Liu!

Upon hearing this, Elder Liu hurriedly walked out of the cabin and stood on the deck to look around. Sure enough, he saw dozens of monks suspended in mid-air, and three of them were coming towards them quickly!

“Elder Liu, are these the pharmacists you are talking about? Seeing that they are suspended in mid-air and there is no spirit boat under their feet, it is estimated that the spirit boat was destroyed by the storm.”

Next to Elder Liu, a young man wearing a green shirt said!

“It should be them. No one else will come in this sea area. With so many pharmacists, our Tianzhan Dharma Sect will make a fortune.”

“From now on, these people will become our slaves and refine countless pills for me.”

Chapter: 6979

Elder Liu’s eyes were filled with sparkle!

“Then I will lead people to arrest them now?”

The young man said!

When Elder Liu heard this, he immediately frowned, gave the young man a cold look and said, “Do you have any brains? If you arrest them, will they not resist?”

“Once we resist, there will inevitably be casualties. If these people die, they will be worthless to us.”

“No one should reveal their identity. These people don’t have their spirit boats and can’t leave this place. They will definitely come on our boat.”

“We can bring them back without any bloodshed. Once they get to the island, they will become turtles in the urn.”

Listening to Elder Liu’s words, the young man asked doubtfully: “Elder Liu, it is impossible for them not to notice the demonic energy in us. If they realize that we are demonic cultivators, will they still get on the ship?”

“I’m just asking you to conceal your identity as the Tianzhan Dazong, not as a demon cultivator. With your current strength, you can’t completely conceal your demonic aura, so there’s no need to hide it.”

“If the hidden aura is discovered, the gains will outweigh the losses. Just openly admit that you are a demon cultivator. No one will talk nonsense for a while. I will handle it!”

“Understood!” The young man nodded!

The spirit boat moved forward quickly, and Chen Ping and the others came to meet the spirit boat!

When they were only a few miles away, Chen Ping and the others stopped!

“Demon cultivators? There are actually demon cultivators on this spiritual boat!”

Chen Wenliang noticed the other party’s aura!

“These demonic cultivators are so unabashed. Could it be that these are the pirates they are talking about?”

Zhong Qing is also very puzzled, why don’t these demon cultivators hide their aura?

You must know that the status of demonic cultivators in the world of gods and humans is very low, so many demonic cultivators hide their identities and cover up their aura!

But now these demonic cultivators are coming over without any disguise!

“Should we inform the others and escape first?”

Chen Wenliang became nervous when he saw that the other party was a demon cultivator!

“No need for now, let’s see what happens!”

Chen Ping shook his head!

Chen Ping knows a lot of demon cultivators. Not all demon cultivators are bad people and can harm others!

Chapter: 6980

It's just that the world of gods and humans puts a layer of filter on the demon cultivators. On the Demonic Mountain, there are many demon cultivators sects, but they still don't live in the same way!

Demon cultivators and human cultivators also live together, there is no difference!

Since these demonic cultivators came here without any secret, nothing should happen!

Now even if they escape, there is no way to escape, so Chen Ping decides to take a gamble!

I bet the demon cultivators on this spiritual boat won't harm them!

Soon, the spirit boat arrived in front of Chen Ping and the others. When Elder Liu saw this, he shouted loudly: "Fellow Taoists in front, I don't know why you are staying here? This place is very close to the stormy sea and it is very dangerous. You should hurry up Leave!"

Elder Liu actually did not invite Chen Ping and the others to board the ship, but asked Chen Ping and the others to leave quickly.

This is obviously a case of playing hard to get!

However, the effect is indeed obvious. Seeing what Elder Liu said, Chen Wenliang and Zhong Qing breathed a sigh of relief!

“Fellow Taoist, when we passed through this place, the spirit boat was damaged, so we can’t leave.”

Chen Wenliang said truthfully!

“In that case, please invite a few people to come to the boat to talk!”

Elder Liu then invited Chen Ping and others to board the ship!

When Chen Ping and the others landed safely on the boat, Chen Wenliang introduced himself: “I am Chen Wenliang, the president of the Zhongyu Pharmacist Association. I wonder what my Taoist identity is?”

When Elder Liu heard this, he smiled helplessly and said: “You should also be able to see that we are all demonic cultivators. Now the world of gods and humans is very unfriendly to us demonic cultivators. Everyone is shouting and beating us everywhere.”

“It’s helpless that we people gather together and can only live in this remote sea. We don’t have any sect. We are just trying to survive.”

“Because I am the strongest here, they all call me Boss Liu...”

Elder Liu directly admitted his identity, and it didn’t look like he was lying!

After all, Elder Liu has a beard and looks loyal and honest, so his words are highly credible!

Seeing what Elder Liu said, Chen Wenliang and Zhong Qing felt a little embarrassed!

They used to hate the demonic cultivators so much that everyone shouted to beat them!

But looking back, it seems that the demon cultivators didn't do them any harm. This kind of hatred should have been passed down from the time of the war between gods and demons!

But after all, it has been thousands of years, and demon cultivators are not necessarily bad people!

"Boss Liu, have you been living on the boat all these years?"
