

The Order 6991

Chapter: 6991

With a flick of the hand, the formation actually changed!

Elder Liu desperately wanted to seize control of the formation. It was obviously the secret method of their Heaven-Destroying Sect, and it was obviously their spirit boat, but now it was controlled by Chen Ping!

“Elder Liu, let’s turn off all the formations on the spirit boat, otherwise it will be over!”

The young man said!

They originally wanted to rely on formations to control these pharmacists, but now the formations on the spirit boat have failed. Not only has it failed, but it has also exerted pressure on their own people, so everything must be shut down!

“Shut down all the formations, this spirit boat may not be able to withstand the ravages of the waves!”

Elder Liu hesitated.

After all, it is not easy for their Heaven-Destroying Sect to build a spirit boat. The vast sea seems calm, but without the protection of the formation, the spirit boat can easily be destroyed by dark waves!

“Elder Liu, it’s now time. If we don’t close the formation, we’re probably going to die.”

The young man urged anxiously!

Upon seeing this, Elder Liu could only take out a dark token from his body, press it lightly, and the black token instantly emitted a black light!

All the formations on the spirit boat disappeared in an instant, and the people of Zhantian Fa Sect also lost the power to suppress it!

But without the formation, the spirit boat shook instantly!

The shaking spirit boat made everyone jump up and float in mid-air. Otherwise, it would always feel like they were sinking on the spirit boat!

“Boy, I will destroy you today...”

Elder Liu’s eyes were red, and the aura on his body exploded, killing Chen Ping!

Elder Liu slapped Chen Ping with his palm, and the palm of his hand instantly became pitch black. As black mist filled the palm, the void was torn apart in an instant, and he headed towards Chen Ping!

These black mist are like sharp blades, cutting off the void wherever they pass.

When Chen Ping saw this, he covered his whole body with an indestructible golden body, and the fire rose up. At the same time, he also clapped his palm, and the flames rushed out!

boom!

The black mist collided with the flames, making a deafening sound, and the world continued to tremble!

“I didn’t expect that you, an array mage, are quite strong!”

Chen Ping didn’t expect that Elder Liu was as powerful as Wang Qingshi!

Elder Liu was also full of shock at this moment: “You are just a sixth-level monk in the Tribulation Realm, and you can actually hit me with a palm without getting hurt?”

Chapter: 6992

He thought that Chen Ping was only strong in formation techniques, but now, it is obvious that he is not weak at all!

It’s just that he doesn’t understand how Chen Ping can explode with such powerful strength when he is only at the sixth level of Tribulation Realm!

“Fellow Daoist Chen, we are here to help you...”

Chen Wenliang and Zhong Qing flew up instantly and arrived at Chen Ping’s side, intending to help Chen Ping deal with Elder Liu!

“President Chen, Zhong Yaozun, you lead people to destroy those disciples of Tianzhan Fa Sect. Just leave this guy to me.”

“Although he is very strong, it is not that easy to kill me.”

Chen Ping said to Chen Wenliang and Zhong Qing!

Chen Wenliang and Zhong Qing also knew Chen Ping’s strength. Although Chen Ping was only at the sixth level of the Tribulation Realm, the strength he showed was not necessarily that of his opponent at the second level of the Tribulation Realm!

“Well, be careful!”

Chen Wenliang nodded, and then rushed towards the disciples of the Heaven-Destroying Sect with love!

Other pharmacists and people from the Liangyi Sect also swarmed up.

The disciples of Zhantian Fa Sect relied on the formation technique to be stronger than the medicine master, but now they cannot use the formation technique, because there are people from the Liangyi Sect, as long as they use the formation technique, Liangyi The one who can break the door can break it down.

Now the disciples of Zhantian Dharma Sect are all pale-faced and complaining incessantly!

All this has changed so quickly. Originally, they were still hunters and looked down upon these pharmacists at all!

But now, they are being chased and beaten by these pharmacists!

In mid-air, a melee has begun, and disciples of the Heaven-Zhancing Sect continue to fall into the sea!

When Elder Liu saw this, he became extremely anxious and started to take action against Chen Ping again and again. He had to deal with Chen Ping first before he could save the other disciples of Zhantian Fa Sect!

The giant black palm struck out again and again, the vibrating void continued to tremble, and cracks in the void appeared one after another.

But Chen Ping dodged again and again. Even if he didn't dodge, he would wave a palm at the same time to offset Elder Liu's power!

Seeing that he couldn't do any harm to Chen Ping for a long time, Elder Liu gritted his teeth and actually took out a porcelain bottle and poured some disgusting-looking black liquid into his mouth!

"Just die..."

Elder Liu's eyes were full of sternness, and he rushed towards Chen Ping at an extremely fast speed!

Chen Ping only saw a black light coming, and then smelled a smell that made people dizzy and disgusting!

Chen Ping instinctively wanted to dodge, but found that his movements began to become sluggish!

Bang!

Chen Ping was hit by a palm and his body flew backwards quickly!

Elder Liu also quickly retracted his arm, his heart full of shock!

Chapter: 6993

Although he hit Chen Ping, his entire arm seemed to be crippled, and there was a burning pain in the palm of his hand, as if it was burned by fire!

"Damn it, what kind of treasured armor is this kid wearing? It's so strong, and it also has ultimate fire defense. It seems like we can't fight him in close combat."

Elder Liu felt the burning sensation coming from his palms and must not follow Chen Ping into a close fight!

Chen Ping flew upside down for several miles before his body stabilized!

“This guy, what he just drank, actually exudes an aura that affects his mind.”

Chen Ping was very puzzled. The burst of breath from Elder Liu just now made him feel dazed for a moment, and then he allowed this guy to succeed!

If it weren't for Chen Ping's indestructible golden body protection and his physical strength, Chen Ping would have been seriously injured by that palm just now!

A look of solemnity appeared on Chen Ping's face.

He had underestimated the enemy just now and didn't take Elder Liu seriously at all, but he didn't want to get in the way of Elder Liu!

Not only does this guy know the art of formations, he didn't expect that he also has this strange medicine on him!

“Senior, did you notice the aura just now?”

Chen Ping asked Demon Lord Chiyun!

Demon Lord Chiyun is in his sea of consciousness. When he was in a trance just now, his sea of consciousness must have reacted. Lord Chiyun should also know it!

“The black liquid this guy just drank is probably a poison made from the oil of the whale monster. This kind of thing can slow down people’s consciousness.”

“I was a little careless just now, but there won’t be another time. I am in your sea of consciousness and can let others attack your consciousness. I am too shameless.”

Demon Lord Chiyun said!

Hearing what Demon Lord Chiyun said, Chen Ping suddenly became bold!

Then he used the Fire Control Step and was in front of Elder Liu in an instant!

“You guy, you still use dirty tricks, but even if you use dirty tricks, you can’t even think of hurting me.”

Chen Ping looked at Elder Liu with a sneer and said.

“Boy, I know you have a treasure armor to protect you, but let me see how many times your treasure armor can withstand my attacks.”

After Elder Liu finished speaking, he clapped out with one palm!

The black palm prints came towards Chen Ping with a strange aura!

This breath instantly poured into Chen Ping’s body and began to affect Chen Ping’s sea of consciousness.

Chapter: 6994

However, Demon Lord Chiyun waved lightly in Chen Ping's sea of consciousness, and the aura disappeared instantly, without affecting Chen Ping at all.

Looking at the black palm print, Chen Ping turned his body slightly and hid directly.

Elder Liu was stunned for a moment, and then he waved a few more palms, but Chen Ping dodged them every time. It seemed that Chen Ping was not affected at all.

"What...what's going on?"

Elder Liu looked confused and didn't understand why Chen Ping was suddenly unaffected.

"Hmph, you want to affect my sanity, but unfortunately I have already seen through it."

Chen Ping smiled lightly.

"Boy, don't be complacent. This place is above the sea. We have lived in this sea area for many years and have already become the masters of the sea."

After Elder Liu finished speaking, blood came out of his fingertips!

Ten fingertips were dripping with blood, and the blood was dripping into the sea!

Soon, the sea water began to boil, setting off waves of huge waves, which beat the spirit boat until it almost fell apart.

As black shadows appeared one after another, ten huge whale monsters jumped out of the sea.

Each whale monster is as big as a small mountain, and the sight of them leaping out of the sea at the same time is simply blocking the sky and the sun.

The red eyes of these whale monsters lit up and they let out shocking roars, as if their minds were affected.

As soon as he jumped out of the water, he launched an attack on Chen Ping!

The whale monster opened its mouth to reveal its sharp teeth, as if it wanted to swallow Chen Ping directly.

Chen Ping's body seemed so insignificant in front of this whale monster!

When Chen Wenliang and the others saw this, they were all shocked. They had never seen such a huge monster before.

"Chen Ping, run quickly..."

"Mr. Chen, run quickly, run quickly..."

Seeing this, Liu Ruyan and Nie Heng hurriedly yelled at Chen Ping!

So many huge monsters, it's simply too scary!

Many pharmacists were so frightened that they stepped back unconsciously!

Gu Tianchao simply prepared to rush over with the disciples of Liangyi Sect, and then set up a defensive array to help Chen Ping resist the attack of the monster.

Chapter: 6995

“Don’t come over...”

Chen Ping stopped Gu Tianchao and the others. He knew that even the defensive formations could not stop such a huge monster.

Chen Ping took out his dragon-slaying sword and headed towards the ten whale monsters.

When Elder Liu saw this, he sneered: “Those looking for death, these whale monsters are not something you can kill.”

Chen Ping held the dragon-slaying sword and faced a whale demon, and his whole body was instantly swallowed into the mouth by the whale demon!

The whale monster’s mouth is wider than a palace.

The huge suction force kept sucking Chen Ping into his belly.

Chen Ping did not struggle, but followed the suction and entered the belly of the whale demon!

Seeing Chen Ping being eaten by the whale demon, Elder Liu smiled proudly and said, “Haha, if you enter the whale demon’s belly, you won’t be able to survive.”

But as soon as he finished speaking, a ray of light suddenly shot up from the whale monster's back into the sky!

I saw Chen Ping's body glowing with golden light, and the dragon-slaying sword in his hand resounded with dragon roars!

The whale monster roared and screamed, and fell heavily into the sea, causing huge waves.

A golden dragon slowly emerged behind Chen Ping amidst bursts of dragon roars.

At this time, the remaining whale monsters all had fear in their eyes. After letting out frightened roars, they quickly rushed into the sea and disappeared in an instant!

Elder Liu, who was originally proud, was instantly dumbfounded when he saw this scene!

Before he could react, he saw a golden light coming!

Elder Liu's head was directly chopped off by Chen Ping with the Dragon-Slaying Sword.

As soon as Elder Liu died, the remaining disciples of the Heaven-Destroying Sect were all so frightened that they peeed and tried to escape.

"President Chen, don't let these people escape, otherwise we will be in trouble if our whereabouts are revealed."

Chen Ping said quickly.

“Don’t worry, no one can escape...”

Chen Wenliang led his men to pursue and kill them, and in just a few minutes, they slaughtered all the remaining disciples of the Zhantian Fa Sect.

In this battle, many pharmacists were injured, and several were seriously injured.

This was still the case with the help of the Liangyi Sect. If the Liangyi Sect had not taken action, they might not be able to defeat the disciples of the Zhantian Fa Sect.

Chapter: 6996

Everyone returned to the spirit boat. At this time, the spirit boat was already in tatters, and it could barely be seen that it still looked like a boat.

It is obviously impossible for this spirit boat to sail back to the Western Region continent!

“Gu Tianchao, take your people and set up a formation immediately to protect this spirit boat from sinking. We have to rely on this broken spirit boat to find the small island.”

Chen Ping ordered!

Gu Tianchao took people to set up the formation, but Chen Wenliang said worriedly: “Fellow Daoist Chen, that island must be the home base of the Tianzhan Fa Sect. If we go to the island again, wouldn’t we be falling into a trap?”

“We must find the mainland for repairs now, and this spirit boat cannot resist our return to the Western Region mainland, so we can only risk going to the island.”

“And we just fought, and I think the people from the Zhantian Fazong must have asked for help. In this way, there shouldn’t be too many people from the Zhantian Fazong on the island. As long as we are careful on the road, we don’t run into Zhantian Fazong again. Just people from the Tianfa Sect.”

Chen Ping said!

“Listen to Fellow Daoist Chen, we really have no other choice but to go to the island right now. There are still several seriously injured people, and most of their resources have been exhausted and must be replenished.”

Zhongqing agrees with what Chen Ping said, go to that island!

“Okay, then let’s go to the island. The worst we can do is fight again!”

Chen Wenliang nodded when he saw this.

The broken spirit boat began to move forward. This time, Chen Ping and the others no longer had to look for the island. If they moved in this direction, they would definitely be able to see it!

At this time, on the sea facing Chen Ping and others, a huge spiritual boat was sailing quickly through the wind and waves.

“Speed up, hurry up...”

On the deck, Mu Qiufeng, the leader of Zhantian Fa Sect, looked at the sea with a solemn expression. After receiving the information of support, he and his people set off immediately.

“Sect Master, you don’t have to worry too much. Elder Liu and the others will be fine. Even if there are a few formation masters among these pharmacists, they must be here just to better control the spirit boat.”

“Perhaps Elder Liu and the others have already surrendered those pharmacists and are heading here!”

A thin man comforted Mu Qiufeng!

“I’m not worried about those formation mages. There are many formations on our spirit boat, as well as the secret techniques of our Heaven-Destroying Sect. Elder Liu and the others will be fine.”

“I’m just worried that they don’t get sucked into the stormy waters. This year’s storm is much stronger than in previous years. If they are really sucked into it, I’m afraid it will be difficult to survive.”

Mu Qiufeng was not worried that Elder Liu and the others would be defeated by the pharmacist.

Even if there are a few formation masters among these pharmacists, they must know that the long voyage of the spirit boat requires the formation master to control the spiritual formation and then provide protection for the spirit boat. Without the protection of the formation master, the spirit boat will not be able to break through the wind and waves and travel such a long distance. !

There is no way these formation mages could be the opponents of Elder Liu and the others. Mu Qiufeng was worried that Elder Liu had misjudged the power of the storm and was sucked into it!

Chapter: 6997

“Sect Master, a ship is coming...”

At this time, the Tianzhanfa Sect disciple shouted!

Mu Qiufeng looked over and saw a tattered spirit boat moving this way. It looked like it was about to fall apart!

“Could such a broken spirit boat come out of the stormy sea?”

Someone said!

“It can’t be the spirit boat of our Heaven-Destroying Sect, right?”

Someone else said.

“Go over and take a look. Very few people come here. Let’s see who these people are.”

Mu Qiufeng waved his hand and said!

As the two spirit boats continued to approach, Mu Qiufeng frowned slightly and said, “This is not the spirit boat of our Heaven-Zhancing Sect. The formation on this spirit boat is wrong.”

Even if the spirit boats are built the same, the formations used to activate the spirit boats and the formations used to protect the spirit boats are all different, so they can be distinguished by relying on the formations!

Chen Ping, who was on the spirit boat at this time, was also called onto the deck by Chen Wenliang: “Fellow Daoist Chen, look at another spirit boat approaching in the distance. I wonder if it is the ship of the Tianzhan Fa Sect.”

Chen Ping took a look, felt the formation on the spirit boat, nodded and said: “It’s the spirit boat of Zhantian Fa Sect...”

Chen Wenliang's face tightened, and then he said: "Then I will immediately notify everyone to prepare for battle."

"No need for now. President Chen, take all the pharmacists and hide in the cabin. Don't expose your presence or make any sound."

"If we can get away with it, there won't be a fight."

Chen Ping knew that if there was a fight, many of these pharmacists would die.

"Okay!" Chen Wenliang nodded!

All the pharmacists were hiding in the cabin, and their auras were hidden with formations around them.

Chen Ping asked Gu Tianchao and the people from the Liangyi Sect to stand on the deck and head straight towards the spirit boat of the Tianzhan Fa Sect!

Soon, the two spirit boats came to a stop dozens of meters apart, facing each other!

Chen Ping's spirit boat was in tatters and looked much shabby in front of the Tianzhan Fa Sect's spirit boat!

It is precisely because of this that people like Zhantian Fa Sect did not recognize that this was the spirit boat driven by Elder Liu!

Chapter: 6998

Chen Ping motioned to Gu Tianchao to come forward and ask questions!

"Who are you? Why are you blocking our way?"

Gu Tianchao pretended not to know the identities of Mu Qiufeng and others, and asked loudly!

There was no trace of fear on Gu Tianchao's face, but rather a look of dissatisfaction!

Mu Qiufeng glanced at Gu Tianchao, frowned slightly, but still asked politely: "Fellow Taoist, who are you? Why are you here? This place is thousands of miles away from the mainland."

"As you said, this place is thousands of miles away from the mainland. Why are you here? This is not your home. I can go wherever I like!"

Gu Tianchao gave Mu Qiufeng a slap in the face!

Mu Qiufeng was stunned, but he did not get angry. He could be sure that the people in front of him were definitely not the group of pharmacists. The group of pharmacists would probably have been scared to death when they saw him.

"Fellow Taoist, I misunderstood. I didn't mean that. I just saw that your spirit boat was seriously damaged. If you are traveling far away, I'm afraid it won't be able to sustain it."

"I think fellow Taoists are also formation masters, right? Although your spirit boat is in tatters, it is protected by several formations."

Mu Qiufeng asked!

"Yes, we are from the Liangyi Sect in the Central Region. I am Gu Tianchao, the master of the Liangyi Sect. I originally took a spiritual boat to capture some monsters on the sea, but unexpectedly a storm suddenly broke out and blew us to this place."

“If our formation hadn’t been strong enough, I’m afraid this spirit boat and all of us would have died in the storm.”

“What the hell is this place? I’ve seen a lot of strong winds and waves, but I’ve never seen such a terrifying storm.”

“I advise you not to go. The storm has not stopped yet. Be careful that you are also involved!”

Gu Tianchao said cursingly.

“It turns out to be the Gu Sect Leader of the Liangyi Sect. I’ve heard about you. I heard that your ancestor of the Liangyi Sect knows the divine patterns, which is really amazing!”

When Mu Qiufeng heard about Liangyimen, she immediately became polite.

Liangyi Sect is relatively famous among the formation sects!

“I didn’t expect you to know our divine pattern ancestor. Who are you?”

Gu Tianchao asked pretending not to know!

“Oh, we are members of the Heaven-Zhancing Sect, and I am Mu Qiufeng, the leader of the Heaven-Slaying Sect.”

Mu Qiufeng raised her hands and said!

“The Heaven-Slaying Sect?” Gu Tianchao pretended to think for a moment, and then said, “I heard that the Heaven-Slaying Sect was destroyed a long time ago? I haven’t heard anything about your Heaven-Slaying Sect for many years.”

Chapter: 6999

Mu Qiufeng looked embarrassed, and then explained: “We have not been destroyed, but the mainland has no place for us to stay, so we have traveled thousands of miles to live in this vast sea.”

“Speaking of which, we have lived here for thousands of years, and now I have long forgotten what the mainland looks like.”

Gu Tianchao nodded in realization, and then said: “I see, since you have lived here for so long, you must know where there is a place to stay nearby, right?”

“Our spirit boat needs to find a place to stay and repair it...”

“Of course, there is a small island in front of us. We have always lived there. You can go there to stay, but I have other things to do and cannot take you there.” Mu Qiufeng said!

“That’s great. We can just go there by ourselves. I wonder what Sect Leader Mu has to do?”

Gu Tianchao asked casually!

But after asking, Gu Tianchao regretted it. Was there any need to ask? Of course these people were going to reinforce Elder Liu!

“One of our spiritual boats encountered some difficulties, so we went over to take a look. I wonder if Sect Master Gu saw our boat along the way?”

Mu Qiufeng asked.

“I didn’t see it. Could it be that I was caught in the storm?”

Gu Tianchao was a little panicked in his heart!

He now hates himself for asking so much!

“Maybe, I’ll go take a look, you can go to the island to rest first...”

Mu Qiufeng waved his hand, allowing Gu Tianchao and the others to leave!

Gu Tianchao let out a long sigh of relief, and immediately ordered someone to set up the spirit boat to bypass Mu Qiufeng’s spirit boat!

Many pharmacists in the cabin secretly breathed a sigh of relief when they saw this!

Even Chen Ping relaxed. He had been in the cabin, maintaining the shielding formation to shield the auras of these pharmacists from being noticed!

But just at this relaxation, at the moment when the two boats crossed each other, Mu Qiufeng frowned!

“Sect Master, there are still people in this spirit boat...”

A slightly hunched old man said to Mu Qiufeng!

“Master Gu, please wait a moment!” Mu Qiufeng called out to Gu Tianchao!

This time, Gu Tianchao’s heart was in his throat again!

“Sect Master Mu, is there anything else?” Gu Tianchao asked!

Chapter: 7000

“Master Gu, are there others in your cabin?”

Mu Qiufeng asked directly.

“No, the spirit boat is in such a state of ruin, how can there be anyone left there!”

Gu Tianchao shook his head!

“Hmph, you still want to lie. There are clearly people in your cabin, but you say there aren’t any.”

The hunchbacked old man snorted coldly, then jumped up and headed towards Gu Tianchao’s spirit boat!

As he spoke, he rushed into the cabin, which frightened Gu Tianchao!

If this guy is allowed to enter the cabin, all the pharmacists inside will be discovered!

Just when Gu Tianchao was at a loss, a cold voice suddenly came from the cabin!

“How can you enter the place where I rest?”

Along with the cold voice, spiritual energy surged crazily in the cabin!

boom!

An arrow condensed with supreme fire rushed out like a fire dragon and headed straight for the hunchbacked old man!

The hunchbacked old man was shocked. His body was instantly hit by the fire, and he flew backwards!

Chen Ping, on the other hand, slowly walked out of the cabin with his hands behind his back!

Chen Ping's eyes were filled with contempt and coldness!

Looking at the hunchbacked old man flying backwards, Chen Ping waved his palm lightly, and a fire tornado was instantly formed!

The color of the sky and the earth changed instantly, and the flames covered the sky and the sun!

The fire tornado directly involved the hunchbacked old man, and then wreaked havoc on the sea like crazy!

Seeing this scene, everyone was stunned, especially Mu Qiufeng!

This hunchbacked old man is an elder of the Tianzhan Dharma Sect. With the strength of a first-level Mahayana realm, how could someone take care of him with just one move?

And looking at Chen Ping's young age, he looks like he is only at the sixth level of the Tribulation Realm!

A sixth-level cultivator in the Tribulation Realm defeated a first-level Mahayana Realm monk so hard that he was unable to fight back. What's more important was that the opponent looked very relaxed!

"Who is this guy? The ultimate fire he uses is so pure. It seems that the origin of this guy's ultimate fire has reached perfection."
