

The Order 7001

Chapter: 7001

Mu Qiufeng frowned slightly and looked at Chen Ping!

If you can activate the ultimate fire with just a wave of your hand, you must have understood the origin of the ultimate fire, otherwise you are not so skilled.

But even if he understands the origin of the ultimate fire, shouldn't a sixth-level monk in the Tribulation Realm be able to explode with such power?

Just when Mu Qiufeng was puzzled, Chen Ping said to Gu Tianchao with a cold face: "Gu Tianchao, how do you do things? Don't you know that I don't like to be disturbed?"

Seeing this, Gu Tianchao hurriedly stepped forward and said, "Sir, I'm really sorry. I was careless."

Seeing how much Gu Tianchao respected Chen Ping, Mu Qiufeng was even more confused!

Liangyi Sect is not a small sect, and it is also a formation sect. The leader of such a large sect has so much respect for a young monk who is in the sixth level of the Tribulation Realm. There is only one reason for that, and that is Chen Ping's identity is not simple!

At this time, Chen Ping inadvertently showed Xiao Huangchao's token towards Gu Tianchao, and Gu Tianchao instantly understood what it meant!

But before Gu Tianchao could say anything, there was a loud bang!

The fire tornado exploded instantly, and the hunchbacked old man rushed out of the fire tornado angrily!

At this time, the hunchbacked old man's face was burned black, and his clothes were in tatters, just like a beggar!

"Boy, I'm going to kill you..."

The hunchbacked old man's eyes were scarlet and his teeth were clenching as he punched Chen Ping!

As an elder of the Heaven-Slaying Sect and a first-level monk in the Mahayana Realm, he was attacked by someone unexpectedly and was left in such a mess. This made the hunchbacked old man extremely angry!

But Chen Pingping didn't pay any attention to the attack of the hunchbacked old man, with a bit of disdain on his face!

The golden light flows around Chen Ping's body, and the indestructible golden body begins to cover Chen Ping's body bit by bit!

Seeing this scene, Mu Qiufeng was stunned!

"Elder Li, stop..."

Mu Qiufeng jumped up and directly stopped the hunchbacked old man!

"Sect Master, don't stop me, I must say this today!"

The hunchbacked old man is anxious!

"Elder Li, don't be angry yet. This boy's identity is not simple. We will wait until the identity is confirmed."

Mu Qiufeng stopped the hunchbacked old man and said!

The hunchbacked old man glanced at Chen Ping and found that Chen Ping was already covered in gold armor, with an awe-inspiring look and contempt in his eyes!

Chapter: 7002

Seeing this scene, the hunchbacked old man stopped, and he also discovered that Chen Ping was indeed something special!

How could a sixth-level monk in the Tribulation Realm be so brave?

Unless he has strong family support behind him!

They don't dare to provoke such a terrifying family. Even if their Tianzhan Dazong escapes here, they may not be able to escape death!

"If you dare to provoke me, I will skin you and bury you in the sea!"

Chen Ping said to the hunchbacked old man!

"you....."

When the hunchbacked old man saw Chen Ping talking about him like this, he became furious!

But Mu Qiufeng stopped him and he couldn't move!

"Calm down, this kid's identity is definitely not simple. Wait until I ask him."

"If he has no identity, it's not too late for you to take action."

Mu Qiufeng persuaded the hunchbacked old man!

The hunchbacked old man could only nod his head. Even if he was angry now, he could only listen to Mu Qiufeng!

"Fellow Taoist, it was our elder who took the liberty just now. I'm really sorry."

"I just don't know who this fellow Taoist is? He is so young but has such a big temper?"

Mu Qiufeng looked at Chen Ping and asked!

Chen Ping just glanced at Mu Qiufeng coldly and said nothing. His expression showed that he looked down on Mu Qiufeng from the bottom of his heart!

Mu Qiufeng was slightly startled, and Gu Tianchao spoke at this time: "Sect Master Mu, to be honest, we came to this sea area this time mainly to accompany the young master for some training. It was only for safety reasons that we allowed the young master to stay in the sea. Didn't come out of the cabin."

"Oh? A person who can be called a young master by Gu Sect Master of Liangyi Sect must be very powerful, right?"

Mu Qiufeng asked!

“Sect Master Mu, I wonder if you have heard of the Xiao Dynasty?”

Gu Tianchao said with a slight smile!

Mu Qiufeng’s face changed, and his expression became a little nervous. Then he nodded and said: “Of course I have heard of it. The Xiao Dynasty is the largest force in the Western Continent. Even in the world of heaven and man, who can compete with the Xiao Dynasty?” I can probably count the number of families on one hand.”

“Hahaha, since you know Xiao Huangchao!” Gu Tianchao laughed!

“What? Is this the prince of the Xiao Dynasty?”

Mu Qiufeng’s eyes widened!

“Yes, this is the prince of Xiao Dynasty. We are just collecting money to do things.” Gu Tianchao nodded!

Chapter: 7003

“I heard that the prince of the Xiao Dynasty is ill, but this man doesn’t seem to be ill!”

The hunchbacked old man asked!

“Prince Xiao is indeed ill. We took Xiao Dynasty to the deep sea this time to search for the whale monster and use the whale monster’s oil to treat Prince Xiao’s illness.”

Gu Tianchao said in an adaptable manner!

He didn’t expect that Zhantian Dazong, who has been overseas all year round, would actually know about Prince Xiao’s illness!

“You said he is Prince Xiao, so he is Prince Xiao? Is there any evidence?”

The hunchbacked old man was a little dissatisfied!

As long as he can be sure that Chen Ping is not Prince Xiao, then he can take revenge. After being humiliated by Chen Ping in public, he must pay it back!

“You want to see the evidence?”

Chen Ping took a step forward and asked!

“Of course, otherwise how would I know you are Prince Xiao.”

The hunchbacked old man nodded and said!

“Hmph, you don’t even look at your own virtues. Do you deserve to look at it?”

“If you want to see the evidence, I can show it to you, but you have to defeat me first!”

Chen Ping snorted coldly, looked at the hunchbacked old man with disdain and said!

“you.....”

The hunchbacked old man was angry and wanted to attack Chen Ping!

Upon seeing this, Mu Qiufeng hurriedly stopped the hunchbacked old man, and then said to Chen Ping:
“Fellow Taoist, we just want to confirm, there is nothing else. We have actually paid tribute to Xiao Dynasty for a long time.”

“Seeing that you are quite polite, I can show you...”

After Chen Ping said that, he threw the token in his hand directly to Mu Qiufeng!

This is the real token of Xiao Dynasty, so Chen Ping is not afraid to see it at all!

After Mu Qiufeng took the token, he discovered that the token was indeed real, and that it had the unique mark and aura of Xiao Dynasty on it!

Since he can hold Xiao Huangchao’s token, Chen Ping’s identity can be confirmed!

Chapter: 7004

The hunchbacked old man looked at the token and felt frightened. If he had attacked Chen Ping just now, the consequences would have been disastrous!

“It turns out it’s really Mr. Xiao, we...”

Seeing that it was a real token, Mu Qiufeng returned it to Chen Ping, intending to follow Chen Ping and be polite!

But who would have expected that Chen Ping got the token and walked straight into the cabin without paying any attention to Mu Qiufeng!

As the prince of the Xiao Dynasty, it is expected to have some temper!

Mu Qiufeng felt a little embarrassed when she saw this!

“Sect Master Mu, Prince Xiao’s character is like this, you don’t have to worry about it!”

Gu Tianchao said!

“No, of course I won’t care. I’m really sorry for wasting Prince Xiao’s time!”

How dare Mu Qiufeng care, this is the prince of the Xiao Dynasty!

Xiao Dynasty’s power is definitely one of the best in the entire heaven and human world.

Except for some sects that have been hiding from the world for many years, or the forces of the domain lords, no one dares to provoke the Xiao Dynasty!

Even the Demon Sealing Alliance did not dare to provoke anyone from the Xiao Dynasty!

“Then Master Mu, can we leave now?”

Gu Tianchao asked!

“Of course, of course you can go. Please be sure to take Prince Xiao to our island to sit for a while.”

“As for the whale monster’s oil, our Heaven-Destroying Sect has it, so we don’t need to look for it everywhere.”

At this time, Mu Qiufeng wanted to curry favor with Chen Ping. If they established a good relationship with Xiao Huangchao, they wouldn’t have to live on this deserted island all year round!

“No problem!” Gu Tianchao nodded.

Soon, the spirit boat slowly began to move forward. Mu Qiufeng and others watched as Chen Ping and the others’ spirit boat slowly faded out of sight!

“Sect Master, is that person really the prince of the Xiao Dynasty just now?”

“I always feel like something’s not right?”

The hunchbacked old man frowned slightly and said after seeing Ling Zhou leaving!

Chapter: 7005

“The token is real, it should be correct, and it can be protected by the master of the Liangyi Sect himself, so his identity is certainly not simple.”

Mu Qiufeng said!

“The sect leader is right, that kid just now was too crazy, and he only showed such strong strength at the sixth level of Tribulation Realm. Apart from a huge force like the Xiao Dynasty, I don’t know who else can cultivate such a genius. ”

A disciple of the Heaven-Destroying Sect said!

“Yes, a sixth-level cultivator in the Tribulation Realm can actually make Elder Li suffer with one move. This alone is enough to prove that this kid is not simple.”

“Stop thinking about this, we have to find Elder Liu and the others as soon as possible!”

After Mu Qiufeng finished speaking, he let the spirit boat sail quickly!

At this time, Chen Ping and the others were driving the dilapidated spirit boat closer to the island!

All the pharmacists in the cabin were sweating profusely. If the people from Zhantian Fa Sect had just barged in, they would have been discovered and completely exposed, and a fierce battle would have been unavoidable!

Fortunately, Chen Ping came forward in time, and Gu Tianchao was able to fool the people of Zhantian Fa Sect away!

“Fellow Daoist Chen, what should we do next? Are we still going to the island?”

“I’m afraid that the island is also full of dangers!”

Chen Wenliang asked Chen Ping with lingering fear!

“Of course we are going. We have killed a lot of people from Zhantian Dharma Sect, and now a lot of people are coming to support us. I believe there won’t be many people on that small island.”

“We can attack the island now and completely occupy it.”

“As long as we occupy the island, we will take the initiative.”

Chen Ping explained!

“Fellow Daoist Chen is right. There is only one way we can go now, and there will definitely not be too many people from the Tianzhan Fa Sect on the small island.”

Zhong Qing also agrees with Chen Ping’s view!

After everyone reached an agreement, the spirit boat headed towards the island!

Mu Qiufeng and the others also approached the storm sea area, and the huge storm was still roaring!

Mu Qiufeng did not dare to let the spirit boat get too close. She just searched the area and found no spirit boat around!

You must know that the spirit boat brought by Elder Liu is very huge, and there are many formations on it. It is said that it will not be easily destroyed by the storm!

Chapter: 7006

“Sect Master, Elder Liu’s spirit boat has not been found around here. I wonder if it was really sucked into the storm.”

The hunchbacked old man said to Mu Qiufeng!

“Logically speaking, it shouldn’t happen. It’s not Elder Liu’s first time here. How could he not know the power of the storm, and how could he be sucked in!”

Mu Qiufeng frowned slightly, not understanding what was going on!

“Sect Master, look quickly, are there any corpses in that area?”

At this time, a disciple of Zhantian Fa Sect quickly shouted loudly!

Everyone looked in the direction of the disciple’s finger, and sure enough they saw a lot of corpses floating on the sea, and there were also some spirit boat wreckage!

The most important thing is that the body of a whale monster is floating on the sea!

“Quick, go over and take a look...”

Mu Qiufeng quickly directed the spirit boat to drive over!

When they saw clearly that the bodies on the sea were Elder Liu and the others, they were all shocked!

They did not expect that all the dozens of disciples of the Heaven-Zhancing Sect brought by Elder Liu would die!

And it looks like the battle was fierce!

There are fragments of spirit boats everywhere.

Especially the corpse of the whale monster, floating like a hill!

“What is going on? How could this happen?”

The hunchbacked old man’s face was full of shock!

“Fire everyone out.”

With a gloomy face, Mu Qiufeng asked people to fish out the bodies of Elder Liu and the others!

Seeing the death of the disciples of the Zhantian Fa Sect, many people couldn’t hold back any longer!

“Sect Master, the whale monster has appeared. It seems that Elder Liu has taken the secret medicine.”

“Now that Elder Liu is dead, and even the whale demon is dead, it can be seen that the other party is very strong, and it cannot be done by just a few pharmacists.”

The hunchbacked old man said!

Chapter: 7007

“When Elder Liu and the others asked for help, did they say that there was an array master among the other pharmacists?”

Mu Qiufeng asked!

“Yes, that’s what you said!” The hunchbacked old man nodded!

“Array Master, Array Master...”

Mu Qiufeng frowned and muttered to himself!

Suddenly, Mu Qiufeng’s eyes widened and her expression became angry: “I know, Liangyi Sect, it must be those people from Liangyi Sect.”

“The spirit boat they are driving is Elder Liu’s spirit boat, and there must be a pharmacist hidden in the cabin.”

“Only when this group of people come together can they cause so much harm to Elder Liu and the others!”

When Mu Qiufeng said this, everyone reacted!

“No wonder I feel something is not right. There is also the so-called prince of the Xiao Dynasty. That guy is not weak and can completely deal with Elder Liu.”

“We were all fooled. They stopped me from entering the cabin for inspection...”

The hunchbacked old man said!

“It’s broken. I also told them about the island and asked them to go to the island.”

“There are not many people guarding the island now. If these people really go to the island, it will be troublesome. Go back quickly, go back quickly...”

Mu Qiufeng reacted and roared loudly!

The spirit boat under his feet quickly turned around and headed towards the island!

Mu Qiufeng was trembling all over. He also tried his best to invite the other party to the island. Wasn’t this inviting a wolf into the house?

“Speed up, speed up, we must stop them before they land on the island!”

Mu Qiufeng shouted!

At this time, on the small island, the disciples of the Heaven-Zhancing Sect were guarding Su Tianshuo and others!

These pharmacists will become the slaves of Tianzhan Dazong in the future, refining medicine for them endlessly every day!

“Feng Xing, you old man, as long as we have a chance to escape, we will kill you first.”

Chapter: 7008

Su Tianshuo was locked in a dark dungeon, cursing at Feng Xing!

Now that the sect masters and elders of Zhantian Fa Sect have left, Feng Xing has directly become the biggest leader here!

Su Tianshuo and the other pharmacists were immediately imprisoned!

In fact, Feng Xing knew best. Even if they had good food, drinks and hospitality, Su Tianshuo and the others would not be able to stay on this island and refine elixirs for the Heaven-Zhancing Sect!

In order to prevent Su Tianshuo and others from escaping, Feng Xing imprisoned them all directly in the dungeon!

There are several formations around the dungeon. Even if no one is guarding them, Su Tianshuo and the others cannot escape!

“President Su, what’s the use of scolding me now? You’d better save some energy. Otherwise, if you fail to practice alchemy or waste resources, you will be in great pain.”

Feng Xing smiled coldly!

“Old Feng, I can be obedient. Can you let me out? I promise not to run away!”

Bao Longxing knew that if they were locked up, there would be no possibility of escape!

After all, these people are just pharmacists, and no one knows the formation!

Now I can only ask for closure and don't let myself suffer too much!

"You should also stay in the dungeon. Once the remaining pharmacists and Chen Ping's body are found, you people will start working!"

Feng Xing laughed and left the dungeon!

At this time, many pharmacists in the dungeon began to accuse Su Tianshuo!

Bao Longxing was the one who made the most accusations. He was already a prisoner, so there was no need to support Su Tianshuo!

"With a brain like yours, how did you become the president? And you even negotiated cooperation with the Tianzhan Dazong!"

"Now that we are all prisoners of the Tianzhan Dazong, we may have to work here until we die."

Bao Longxing said angrily to Su Tianshuo!

"Yes, it's all because of you. You are a good pharmacist who is not the president of the Medicine Association, and you still want to dominate the entire heaven and human world. Who do you think you are?"

"Now that we are finished, it is all your responsibility. You have to take responsibility."

“I’m so angry, brothers, give this Su Tianshuo a good beating...”

As soon as someone suggested it, many people immediately responded and took action against Su Tianshuo!

Chapter: 7009

After listening to Bao Longxing’s words, many pharmacists fell silent. They had hope in their hearts, hoping that Chen Wenliang and others would attack the Tianzhan Fa Sect!

If it falls into the hands of Chen Wenliang and others, he will not become a prisoner. After all, the culprit is Su Tianshuo. Now Su Tianshuo has been beaten and huddled in the corner, lingering!

There was an angry pharmacist who punched and kicked him in the past, but did not beat him to death. After all, this guy was still useful. When the time came, he could be handed over to Chen Wenliang and others to atone for his sins!

Rumble.....

Suddenly there was a sudden tremor, and the whole island shook!

The defensive formations around the island collapsed instantly, the colorful aura disappeared, and the divine bell in the center of the island shattered at this moment!

“kill.....”

When Chen Wenliang saw that the defensive formation collapsed, he immediately led many pharmacists to kill the people of Tianzhan Fa Sect!

Each of these pharmacists worked hard and unleashed their full potential, because they knew that if they could not occupy the island before Mu Qiufeng and others arrived, their lives would be in danger!

Under the pressure of death, these pharmacists burst out with extraordinary fighting power!

Upon seeing this, many disciples of Zhantian Dharma Sect had to stand up to fight, but the tallest one here was only a deacon, and his combat power was no match for these pharmacists!

Coupled with Chen Ping and the people from the Liangyi Sect, the people of the Zhantian Fa Sect were simply massacred one-sidedly!

“No one should be merciful, and no one should be left alive...”

Chen Ping ordered loudly!

Chen Ping knew that if he was left alive and waited for Mu Qiufeng and others to arrive, these guys would be ready to make a move and form a pincer attack on them, which would be troublesome!

Chen Ping is not a holy lady. If he threatens his own safety, he must die!

“Kill...no one will be spared!”

Chen Wenliang listened to Chen Ping’s order and roared loudly!

The people of Zhantian Dazong were howling like ghosts when they were killed, and when Feng Xing saw this, he was so frightened that he hurriedly ran towards the dungeon!

He is still a pharmacist, so as long as he hangs out with a pharmacist, his life will not be in danger!

He knew that people like Chen Wenliang would never be able to kill all the pharmacists. After all, many of them worked together!

All we need to do is arrest the masterminds Su Tianshuo and Bao Longxing!

But when Feng Xing ran to the dungeon in a panic, he was dumbfounded because he saw Su Tianshuo, who was beaten to death, huddled in the corner of the dungeon!

Bao Longxing and others suddenly became excited when they saw Feng Xing running into the dungeon in a panic!

Chapter: 7010

“Hahaha, this guy is so panicked, someone must have called in from outside.”

“Kill those beasts from the Heaven-Zhancing Sect. No one will be left alive...”

“Old Feng Xing, you deceived us, and now you will also suffer retribution.”

Many pharmacists gloated and shouted curses!

Feng Xing didn't expect that these pharmacists would be so hot-tempered that they even killed Su Tianshuo, the president of the Pharmacist Association!

Listening to the commotion outside, Feng Xing had no choice but to find a cell and get in.

At this time, Chen Ping and the others outside had killed all the members of the Tianzhan Fa Sect and were looking for Su Tianshuo and others!

“Fellow Daoist Chen, we have searched the entire island, but we still haven’t found Su Tianshuo and others. Could it be that they are not on this island?”

Chen Wenliang said!

“It’s impossible. It’s far away from the mainland. They have nowhere else to go but this island.”

Zhong Qing retorted!

“President Chen, please take someone to see if this Zhantian Dharma Sect has a basement, secret passage or the like. Then Su Tianshuo and others must be here.”

“I took the people from Liangyi Sect and arranged the defensive formation on the island. When Mu Qiufeng and others arrive, with the defensive formation, we can still withstand it for a while!”

Chen Ping said!

“Okay, I’m going to look carefully!”

After Chen Wenliang finished speaking, he led the people to continue searching!

Chen Ping, along with Gu Tianchao and others from the Liangyi Sect, began to set up a defensive array!

The entire island covers an area of more than ten miles. It is very difficult to set up such a large formation in a short time!

So Chen Ping and the others were also working hard. Chen Ping first set up formations on the island, and then Gu Tianchao led the people from Liangyi Sect to draw formations around the island!

Chen Wenliang took all the pharmacists and searched every inch of the land for secret rooms or secret passages!

Everyone is working hard, no one is free, they all know that this is a race against time!

“President Chen, a secret room was discovered...”

At this time, a pharmacist shouted loudly!

Chen Wenliang immediately led people to rush over, and then walked in along a dark tunnel!
