

The Order 701

Chapter: 701

“I don’t care!” Su Yuqi shook her head!

Chen Yingxia looked at Su Yuqi in shock: “Sister-in-law, you... you can’t ignore it, otherwise my brother will die!”

“Don’t worry, your brother is lucky!” Su Yuqi said with a smile!

At this moment, Chen Yingxia was a little dumbfounded. If Su Yuqi didn’t care about Chen Ping, then what support would Chen Ping have?

Chen Ping’s second aunt didn’t know what to do at this time, so she could only follow Chen Gouzi and said: “Xiao Chen, let me apologize to you on Chen Ping’s behalf, please don’t...”

“Get out of here!” Chen Gouzi pushed Aunt Chen Ping aside!

Chen Ping hurriedly helped his second aunt, then looked at Chen Gouzi coldly and said: “You have lost your last hope of survival, so take care of yourself!”

“Stop f*cking bluffing me, I was scared!” Chen Gouzi didn’t care at all and shouted loudly: “Aren’t you so awesome that you can also call people? Where are your people?”

“My people will be here soon!” Chen Ping said calmly.

“Okay, I’ll give you ten minutes. I’ll wait for your people to come. I want to see who dares to go against me in Anhe Town!”

Chen Gouzi moved a chair and sat down, snorting coldly!

Soon, ten minutes later, Chen Gouzi looked at Chen Ping with a sneer: "I think you are just bragging, where are your people?"

But as soon as Chen Gouzi finished speaking, he felt the ground shaking, and the whole building seemed to start to shake!

"Brother Dog, there are many people outside!"

At this time, a younger brother said to Chen Gouzi.

Chen Gouzi was startled and hurriedly looked through the window and found that a crowd of people had surrounded the entire hotel!

Chen Gouzi was shocked, but he quickly calmed down and said to his slightly flustered younger brother: "Don't worry, it doesn't matter how many people come. I am protected by Master Hu, no one dares to touch me!"

After Chen Gouzi finished speaking, there was a sound of footsteps, and someone hurried upstairs!

"Brother Biao....."

When Chen Gouzi saw the person coming, he was stunned and said!

The person who came was Biaozi, who had lost one of his left hands. At this time, Biaozi's face was solemn. He didn't even look at Chen Gouzi. Instead, he walked directly to Chen Ping and shouted respectfully: "Mr. Chen... "

Now Biaozi was extremely scared. His left hand was cut off by himself because he offended Chen Ping. Now Lin Tianhu hurriedly asked him to come over. He was afraid that something would happen and he would be implicated again!

Chen Gouzi was dumbfounded when he saw Biaozi being so respectful to Chen Ping.

“Biaozi, do you know this guy?” Chen Ping pointed at Chen Gouzi and asked.

Chapter: 702

“We know each other, but not very well!” Biaozi said truthfully.

“I don’t want to see him anymore. As for the others, broken legs!”

As soon as Chen Ping finished speaking, Chen Gouzi fell to his knees!

As soon as Chen Gouzi knelt down, all his subordinates also knelt down!

“Chen Ping... no, brother, dad, grandpa... Grandpa Chen Ping, I beg you, spare my life!”

Chen Gouzi kowtowed to Chen Ping desperately!

“Chen Gouzi, didn’t you say you are Lin Tianhu’s? Now that his people are here, how arrogant are you?”

Chen Ping sneered.

“Grandpa Chen Ping, I was wrong, I was wrong...”

Chen Gouzi kept begging for mercy!

Chen Ping snorted coldly and turned around. A cold light flashed in Biaozi’s eyes, and he took out his dagger and stabbed Chen Gouzi!

“Don’t scare my family!” Chen Ping said calmly.

"I understand, Mr. Chen!" Biaozi nodded, and then said to his men: "Drag these people to the next door!"

Soon, bursts of wailing came from next door!

Aunt Chen Ping's second aunt and his family were all confused at this time. Chen Yingxia's eyes widened even more and she looked at Chen Ping in disbelief!

On the way back, Chen Ping's second aunt looked at Chen Ping and seemed to have something to say, but she didn't say it in the end!

Early the next morning, Chen Ping was going to take Chen Yingxia to school in Hongcheng.

Because Chen Ping does have a lot of things to do now, otherwise he would have stayed with his parents in his hometown for a longer time!

At the same time, the village also started broadcasting, saying that the houses of each household would be revalued, and this time they would be demolished in accordance with national standards. There would be no forced demolitions, or malicious lowering of prices. Now every household in Chenjia Village became excited!

Chen Ping took Chen Yingxia to Hongcheng, and through Ling Zhenchuan's relationship, found a high school for Chen Yingxia to attend!

Chen Ping followed Su Yuqi and stayed with Su Wenzong in Hongcheng for a day, and then went straight to the provincial capital the next day!

The matters in Yaowang Mansion and Xuanyue Valley have not been dealt with, and Chen Ping has not investigated the matter of Hengshan Lingshi, so he does not dare to stay in Hongcheng for a long time!

"I'm sorry, I made you run around here and there with me. I can't stay at home with my father!"

On the way, Chen Ping followed Su Yuqi with an apologetic expression.

Chapter: 703

“Marry a chicken and follow the chicken, marry a dog and follow the dog, marry a grasshopper and walk around, who makes me like you!”

Su Yuqi smiled lightly and said!

Chen Ping also smiled with love on his face: “Don’t worry, I will give you a stable life soon. The two of us will live for hundreds of years and let you give birth to a hundred children for me!”

“Bah, I won’t give you so many babies, I’m not a pig!” Su Yuqi rolled her eyes at Chen Ping!

Kyoto, Bai family!

Bai Zhantang was standing aside with a depressed expression. At this time, there were six or seven people sitting in the hall. These people were all elders of the Bai family. Bai Zhantang, a junior, could only stand!

“Zhantang, tell me what happened in Jiangbei in detail!”

On the main seat, an old man with a gray beard said!

This old man is Bai Xiushan, the head of the Bai family.

“Okay grandpa!” Bai Zhantang nodded, and then continued: “A young man in his twenties came out of Jiangbei, named Chen Ping. He was very powerful. At this martial arts gathering, he easily killed Jiang Zhengde, and the master masters brought by Qin Feng were all easily killed, and this man also knew how to make elixirs, and his elixir recipe was so mysterious that no one in the Medicine King’s Palace could even know how to make the elixir!”

“The most important thing is that the jade pendant of the Yin family is now in the hands of Chen Ping. At that time, just to fight for the jade pendant, the Qin family’s talents were killed. Fortunately, I was alert

and saw that something was not going well, so I did not conflict with him. , but Chen Ping wants Yaowang Mansion to hand over all the medicinal materials, otherwise he will destroy Yaowang Mansion!”

As soon as Bai Zhantang finished speaking, there was a burst of discussion!

“To be so young and have such strength, isn’t he a genius? Zhantang, have you ever investigated this kid?”

Bai Zhantang’s father Bai Zhan asked.

“Dad, I’ve investigated it and all of that guy’s resume is here!”

Bai Zhantang said, took out some documents and distributed them to several people present!

Everyone looked at the documents and frowned, because since childhood, Chen Ping’s resume was blank, and he didn’t even have any experience in martial arts. How could he suddenly become so powerful?

“Dad, look...”

Bai Zhan gave the document to Bai Xiushan, and then said with a puzzled face: “This guy’s resume is mediocre. He just served three years in prison. Shouldn’t he be so powerful?”

Bai Xiushan looked at the document and quickly saw the problem. He said to everyone: “Didn’t you notice that after Chen Ping came out of prison, his life changed drastically? It’s very possible that this kid had a child after three years in prison. Adventure!”

“Qiyu? What can I do in three years? I’m afraid I won’t even be able to develop my energy!”

Bai Zhan frowned.

“Qi Jin?” Bai Xiushan smiled slightly: “I’m sure that Chen Ping is not practicing Qi Jin. He is not a warrior!”

Bai Xiushan’s words made everyone stunned and looked at Bai Xiushan with puzzled faces!

Chapter: 704

“Grandpa, is he a warlock? If he can make elixirs, he is probably a warlock!”

Bai Zhantang asked.

“It’s impossible. Even if a warlock is very skilled in magic, as you said, when Chen Ping dealt with Jiang Zhengde and the masters of the Qin family, he didn’t use any magic. It was all close combat. How is that possible? It’s a warlock!”

Bai Zhan immediately retorted.

Bai Zhantang thought for a while and realized that this was indeed the case, so he could only look at Bai Xiushan. It seemed that Bai Xiushan knew something!

Seeing everyone looking at him, Bai Xiushan asked: “Besides knowing that there are warriors and sorcerers in this world, do you also know that there are other kinds of people?”

Everyone shook their heads.

“Let me tell you, there are not only warriors and sorcerers in this world, there is also a kind of people who are monks, but these people are extremely rare. This Chen Ping is probably a monk!”

As soon as Bai Xiushan finished speaking, everyone was stunned!

“Grandpa, what is a monk?” Bai Zhantang asked.

“That’s the immortal cultivator!” Bai Xiushan said, suddenly there was a trace of envy and yearning in his eyes.

“Immortal cultivator?”

Everyone exclaimed.

“Grandpa, you said that Chen Ping is an immortal? Are there really immortals in this world?”

Bai Zhantang was the most excited. If there were immortals in the world, would he also have the chance to become an immortal and be immortal?

“To be precise, he is just an immortal cultivator and has not yet become an immortal. I don’t know if there are immortals in this world, but I know that there is a group of immortal cultivators. It’s just that these people hide in the busy city and never expose themselves, so Very few people know about them!”

Bai Xiushan explained.

“Dad, how did you know there are immortal cultivators?”

Bai Zhan asked.

Bai Xiushan suddenly looked out the window, then realized his memories, and began to slowly say: “The jade pendant of the Yin family is actually the spiritual weapon of immortal cultivators. I remember that I was only in my early twenties, young and energetic, and always wanted to worship someone high. Renren was a teacher, so I went to sea with the boys from the Yin family, thinking that there would be real masters on the island!”

“However, after sailing at sea for a day and a night, we suddenly encountered a storm. The two of us were washed up on a desert island, and the ship ran aground. The two of us could only temporarily camp on the island, hoping that someone would pass by. Or after the tide comes in, we can go back!”

“We have been on the island for seven days. The food is good, but there is no fresh water. The two of us are very thirsty. We are about to die of thirst. But God is with us. It suddenly rains. We are very happy. Collect rainwater!”

“But I soon discovered that something was wrong, because it was raining only on this island, and there was no rain at all in other places. From time to time, there were streaks of lightning and weird sounds!”

“The two of us looked for the sound, and finally saw two people fighting behind a rock. The scene was so shocking. I saw one person holding a weapon similar to a big axe, and every time he swung it, there will be a bolt of lightning striking down and rocks flying everywhere, it’s like a god coming down from heaven!”

Chapter: 705

“And the person opposite was holding a flute. Every time he hit the lightning, it made a rumbling explosion. I have never seen such a fight. It was not a mortal fight at all. It was simply too scary. Got it!”

“The two of us lay tightly behind the stone, no one dared to move. It was only after there was no movement that we dared to look up and found that the two people had disappeared. The scene was in a mess, and among the rubble, the boy from the Yin family picked up that jade pendant, it must have been dropped by one of the two people!”

“Both of us knew that the jade pendant must be a treasure. Later, when the tide came up, we sailed back again. At that time, I also wanted to get the jade pendant, so I attacked the Yin family boy secretly, but the jade pendant flashed a red light and hit me directly. It was knocked away! When the Yin family boy saw this, he immediately regarded the jade pendant as a family heirloom!”

Everyone fell into deep thought as they listened to Bai Xiushan’s memories. They had never heard Bai Xiushan talk about this incident before!

“Grandpa, how come you are so sure that those two people are immortal cultivators?” Bai Zhantang asked still puzzled.

“After I came back, I searched through ancient books and found out that there are still immortal cultivators in this world. The fight between those two people at that time was so what if they weren’t immortal cultivators?”

Bai Xiushan explained.

Bai Zhantang stopped talking, and then thought for a moment and said: "I don't know if Chen Ping is a cultivator, but that jade pendant is definitely a treasure. At that time, Qin Feng and I attacked the girl wearing the jade pendant, and the result was a flash of red light. , the two of us flew out."

Bai Xiushan's eyes lit up: "Then Chen Ping seems to be a cultivator without a doubt. The jade pendant has not been activated in the Yin family for decades, but when it was in Chen Ping's hands, it was activated once. Chen Ping must know about the jade pendant. secret! "

"It hasn't been launched for decades?" Bai Zhantang asked in surprise.

"Of course, if the Yin family can activate the jade pendant, how can we let the Yin family be wiped out!"

Bai Xiushan said coldly.

"What should we do?" Bai Zhan sighed.

Everyone was lost in thought. If Chen Ping was really a cultivator, what would they use to fight against Chen Ping?

"Zhantang, you are going to Jiangbei Provincial City immediately, and send him all the medicinal materials from King Yao's Mansion, and tell him that our Bai family is willing to pay tribute to the medicinal materials for a long time to help him practice. Remember this, and your attitude must be certain. Be humble, if you dare to offend him, don't blame me for being rude!"

Bai Xiushan finally made up his mind. If Chen Ping is really an immortal cultivator, then the Bai family must seize this opportunity. If the Bai family has the support of an immortal cultivator behind them, then which family in the entire Kyoto would dare to fight with the Bai family!

"I got it, Grandpa!" Bai Zhantang is not stupid either. On the contrary, Bai Zhantang is extremely thoughtful. Otherwise, at the Jiangbei Martial Arts gathering, his Bai family would be the ones who were killed or injured!

Bai Zhantang rushed to Jiangbei without stopping. At the same time in the Qin family in Kyoto, Qin Feng was smashing things like crazy!

“Young Master, I am in seclusion. Without his order, no one has the right to mobilize the four great kings of the Qin family.”

The old housekeeper followed Qin Feng with a look of helplessness.

“So many people have been killed in our Qin family, and I was stepped on and humiliated. Is that all? Today I have to take away the Four King Kongs. When the time comes, my dad will blame me and let him come to me directly. !”

Qin Feng said, and was about to rush to a courtyard enclosed by an iron gate, but was stopped by the old housekeeper!

“Master, if you release the Four Diamonds now, if they lose their minds, the Qin family will be in catastrophe. Only the master can control their minds now!”

The old housekeeper begged bitterly.

Chapter: 706

“Get out of my way. I have already brought reassurance pills from my dad’s room. As long as they are given to the Four King Kongs, everything will be fine.”

Qin Feng kicked the old housekeeper and was about to open the iron door!

“You bastard, your dad is in seclusion, so no one can take care of you?”

This was a sharp shout that scared Qin Feng to stop immediately!

Looking back, I saw a middle-aged man with a sinister face glaring at Qin Feng.

“Third uncle.....”

Qin Feng suddenly became honest when he saw the visitor.

Qin Feng’s third uncle stepped forward and took the reassurance pill from Qin Feng’s hand: “Are you able to control these four diamonds at will? I think you are looking for death.”

“Third uncle, I really can’t swallow this breath. In Jiangbei, the people I brought were not only killed, but also trampled on and humiliated in public. It was the Gu family who hired someone to do it. I think it was the Gu family who wanted to take revenge on us, and The Yin family’s jade pendant also went into the hands of that boy named Chen Ping!”

At this time, Qin Feng not only didn’t feel that Gu Ling’er had saved her life, but actually blamed it all on the Gu family!

“Hmph, Gu Wentian has retired and his family is in ruins. You still dare to seek revenge from my Qin family? You really don’t know how to live or die!” Qin Feng’s third uncle snorted coldly, and then said to Qin Feng: “That jade pendant is not what the Bai family wants. Really? Could it be that the Bai family didn’t take any action?”

“There was a fart move. Bai Zhantang was at the scene at the time. He was so frightened that he didn’t dare to do anything!” Qin Feng’s teeth itched with hatred when he mentioned Bai Zhantang!

At that time, he proposed to follow Bai Zhantang to deal with Chen Ping. Unexpectedly, the boy got scared and sold him directly.

“This coward from the Bai family has no backbone at all!” Qin Feng’s third uncle also cursed angrily, and then said to Qin Feng: “Your dad is in seclusion now, don’t cause trouble to him, return the key to the old housekeeper, I Let the wild wolf take people to go to Jiangbei with you again!”

Upon hearing this, Qin Feng’s eyes suddenly flashed with joy: “Third uncle, did you really lend me Uncle Wolf?”

“Of course it’s true. How can I lie to you? When has our Qin family ever been bullied like this!”

Uncle Qin Feng said with a faint smile!

“Hahaha, great. If Uncle Wolf goes, he will definitely kill that kid. Then I will ravage Gu Ling’er...”

Qin Feng laughed crazily!

.....

The capital of Jiangbei Province!

Chen Ping and Su Yuqi are back!

But Chen Ping is not in a hurry to go to Hengshan. He wants to finish the matters at Yaowang Mansion first and then take a trip to Hengshan!

Lin Tianhu practiced day and night every day. After taking the Dahuan Dan given by Chen Ping, Lin Tianhu could feel that his strength was improving by leaps and bounds.

Chapter: 707

“It’s been three days, and there’s still no movement from King Yao’s Mansion. It seems it’s time to take a trip!”

Chen Ping murmured to himself!

At this moment, Chifeng walked over quickly: “Mr. Chen, the King of Medicine’s Mansion has sent someone here, asking Mr. Chen to go to the King of Medicine’s Mansion!”

When Chen Ping heard this, he immediately laughed: "I just wanted to go, and they sent someone to invite me, so let's go and have a look!"

"Mr. Chen, do you want me to bring more people?"

Chifeng asked softly.

"It's time to bring more people. There are so many medicinal materials. If we don't have enough people, we can't transport them back!"

Chen Ping smiled and said!

Soon, Chifeng drove Chen Ping straight to the Medicine King's Mansion, followed by several trucks, preparing to haul medicinal materials!

"Mr. Chen, are you sure that the Medicine King's Mansion will hand over the medicinal materials?"

On the way, Chifeng asked with some confusion.

"Whether he hands it over or not, I have to get the medicinal materials. If they don't hand it over, I will kill them all. Those medicinal materials are not all mine!"

Chen Ping leaned on the backrest and sneered!

Chifeng didn't speak. Chen Ping was right. Just kill them all. In this society where the jungle prevails, the weak have no say.

Soon, Chen Ping and the others arrived at Yaowang Mansion, but the scene was not as tense as they thought. They saw Bai Zhantang, Sun Simiao and others waiting for Chen Ping at the door!

When the car arrived, Bai Zhantang quickly stepped forward and opened the door for Chen Ping himself!

“Mr. Chen...”

Bai Zhantang respectfully shouted after Chen Ping!

This made Chen Ping somewhat surprised, but he didn't show it. After getting off the car, he was invited to the lobby of Yaowang Mansion!

Bai Zhantang invited Chen Ping to sit at the head of the table, while he himself sat below Chen Ping. As for Sun Simiao and the others, they could only stand aside!

“Speak directly if you have something to say, I don't like beating around the bush!”

Chen Ping was a little surprised, what kind of medicine was sold in this Bai Zhantang gourd!

If the Bai family were to compromise and become so respectful just because he killed several grandmasters, Chen Ping himself would not believe it. With the strength of the Bai family, it is impossible to compromise like this!

“Mr. Chen, I went back to the Bai family to discuss it. Grandpa said that Mr. Chen is a genius. Only when the medicinal materials are in Mr. Chen's hands can they have the greatest effect. So we are willing to dedicate all the medicinal materials in the Yaowang Mansion to Mr. Chen, and in the future, we will The palace will continue to provide Mr. Chen with medicinal materials.”

Chapter: 708

Bai Zhantang said.

After hearing this, Chen Ping frowned slightly and stared at Bai Zhantang. Chen Ping couldn't see through this Bai Zhantang and the Bai family. Chen Ping thought that the Bai family could give him all the medicinal materials in the Yaowang Palace. This is the most ideal result. Unexpectedly, the other party actually proposed to continuously supply me with medicinal materials in the future. Isn't this what I want?

However, Chen Ping is not particularly optimistic. He knows that the Bai family cannot make a loss-making business. There must be other intentions or conditions!

“Tell me, what conditions does your Bai family have? I don’t believe that your Bai family has such good intentions!” Chen Ping asked.

“Mr. Chen, my grandfather said that he hopes that the Bai family and Mr. Chen will be able to get along well in the future. If Mr. Chen has any instructions, I, the Bai family, will do my best!”

Bai Zhantang stood up and bowed to Chen Ping!

Chen Ping became more and more confused. He stared at Bai Zhantang and frowned slightly: “Do you know something? I want to hear the truth!”

Bai Zhantang nodded, then looked at Sun Simiao and the others and said, “You all get out. No one is allowed in without my order!”

Sun Simiao nodded and immediately led the people out, while Chen Ping also looked at Chifeng: “You can go out too!”

Chifeng also walked out!

When there were only two people left in the hall, Chen Ping and Bai Zhantang, Bai Zhantang bowed and said respectfully: “My grandfather said that Mr. Chen is a cultivator of immortality and should be respected by others. He also hopes that Mr. Chen can protect my Bai family. Prosperity for all generations!”

When Chen Ping heard this, he was immediately surprised. Bai Zhantang’s grandfather was the first person to recognize his identity. No one had ever said that he was an immortal cultivator!

Chen Ping himself has never met a monk during this period of time. They were all warriors and sorcerers. Chen Ping even doubted whether he and Lao Longtou were the only immortal cultivators in the world!

“Is your grandfather also a cultivator of immortality? Or has he seen cultivators of immortality?”

Chen Ping asked excitedly.

If he could meet a monk, Chen Ping would not feel lonely anymore. He could find someone to talk to and find common topics. Moreover, Chen Ping only knew a little about many things about cultivating immortals. He really wanted to ask someone!

Bai Zhantang shook his head: “My grandfather is not an immortal cultivator, but he has indeed seen...”

Soon, Bai Zhantang told Chen Ping exactly what Bai Xiushan told him. Chen Ping was immediately discouraged after hearing this. He had seen it decades ago, where would he find it now?

It seems that if I want to know more, I have to wait until July 15th to go to the uninhabited island. I don't know what the great opportunity the old leader mentioned is.

There is also his biological mother. Chen Ping always feels that his biological mother is not dead, but still alive, but is locked up somewhere. Chen Ping himself doesn't know why he feels this way, he can't explain!

“Your grandpa guessed right, I am indeed a cultivator of immortality!” Chen Ping did not hide it from Bai Zhantang. Since the Bai family treats each other sincerely, Chen Ping did not intend to hide it from them. Regardless of whether it was sincere or not, both parties were interested at this time. It's mutual benefit. As his strength increases, Chen Ping will need more and more medicinal materials!

Upon hearing Chen Ping's agreement, Bai Zhantang's eyes lit up, full of envy and surprise. He followed Chen Ping with some stumble and said, “Mr. Chen, you...can you tell me how immortal cultivators practice?”

Bai Zhantang was particularly curious. After all, this was the first time he heard about immortal cultivators. If he cultivated well, he would become an immortal!

“You warriors practice internal energy, and rely on continuous training to generate energy in the Dantian. What I need for practice is spiritual energy. I convert the spiritual energy into spiritual power and store it in the Dantian, just like those warlocks. They also need spiritual energy, but the amount they need is very small, and they mostly use formations!”

Chapter: 709

Chen Ping followed Bai Zhantang and explained.

“Oh, I understand. Mr. Chen wants these medicinal materials. Do these medicinal materials contain spiritual energy that can help Mr. Chen practice?”

Bai Zhantang suddenly realized.

Chen Ping nodded: “Yes, but only medicinal materials that are more than a hundred years old can produce spiritual energy. Now there is too little spiritual energy in the world, so I can only practice by ingesting spiritual energy from other objects!”

“Mr. Chen, when you cultivators reach the end of your cultivation, will you become immortals? Can you fly to the sky and escape from the earth? Can you live forever?”

Bai Zhantang was like a primary school student seeking knowledge, constantly asking curious questions.

Chen Ping smiled and shook his head: “Actually, I don’t know much about it. I don’t even know where the end of cultivating immortality is!”

Bai Zhantang suddenly felt that he had asked too many questions and was a little rude, so he hurriedly apologized: “Mr. Chen, I was just too curious and a little presumptuous. I’m so sorry!”

Chen Ping smiled lightly: “It doesn’t matter!”

After the two chatted for a while, Bai Zhantang shouted: “Everyone, come in!”

Sun Simiao led people in!

“Sun Simiao, let me tell you, from now on, the entire Medicine King’s Palace must obey Mr. Chen’s orders. No matter what medicinal materials are needed, Mr. Chen must choose them first. If anyone dares to disobey, he will be killed...”

Bai Zhantang said to Sun Simiao and the others with a cold face.

“I understand, Second Young Master!”

Sun Simiao nodded.

“Go load the medicinal materials into Mr. Chen’s truck!” Bai Zhantang said.

Sun Simiao hurriedly said to the housekeeper: “Lao Qiu, go arrange for someone to load the car and load all the medicinal materials!”

After giving the order, Sun Simiao looked at Bai Zhantang, then at Chen Ping, and opened his mouth but hesitated to speak!

“Master Sun, if you have anything to say, just say it!” Chen Ping said to Sun Simiao.

“Mr. Chen asked you, just tell me directly, what’s the hesitation like?”

Bai Zhantang scolded Sun Simiao.

“Yes, yes!” Sun Simiao nodded repeatedly, and then said to Bai Zhantang and Chen Ping: “Second Young Master, Mr. Chen, the four elders of Xuanyue Valley came to Tianfeng Town a few days ago and stayed near the arena for a while. Just left!”

“Damn it, these guys must be here to cause trouble for Mr. Chen. I’m going home right away and gathering some experts to destroy Xuanyue Valley!”

Bai Zhantang said sharply.

Chapter: 710

At this time, he must fully show his loyalty and respect to Chen Ping. Chen Ping is in trouble, and the Bai family should take action!

“No need, wait a few days, I will personally destroy Xuanyue Valley!”

Chen Ping waved his hand, and then continued to face Bai Zhantang: “I may have something to go out these days. You can take care of my family, and when I return, accompany me to destroy the Xuanyue Valley!”

After all, Bai Zhantang is stronger than Chifeng. Chen Ping is planning to go to Hengshan for a few days. It is safer to leave the safety of Su Yuqi and Gu Ling'er to Bai Zhantang these days. Now Chen Ping is worried that Qin Feng will come to retaliate. Gu Ling'er shouldn't be allowed to relent and let the tiger go back to the mountain!

“Mr. Chen, don't worry, as long as I, Bai Zhantang, am still breathing, I will never let anyone hurt Mr. Chen's relatives!”

Bai Zhantang said confidently.

After returning from Yaowang Mansion, Chen Ping contacted Wu Dong. Wu Dong was in Hengshan collecting Hengshan rough stones. When he received a call from Chen Ping and knew that Chen Ping was back, Wu Dong rushed back to the provincial capital from Hengshan!

Chen Ping used this time to refine some Great Return Pills for Lin Tianhu, and also refined the Spirit Gathering Pills himself. However, after eating a few Spirit Gathering Pills, Chen Ping's strength did not increase much. It seems that As his realm improved, Chen Ping's need for spiritual energy also increased exponentially.

Early the next morning, Wu Dong rushed back after a long journey, and then took Chen Ping and set off towards Hengshan again!

Hengshan Mountain is not very far from Jiangbei, only a few hundred kilometers away, but the entire Hengshan Mountain Range stretches for thousands of miles and spans several provinces and cities!

At the foot of Mount Hengshan, there is a small town called Shancheng. Originally it was sparsely populated and lacked resources, and people's lives were very difficult. However, in recent years, as Hengshan rough stones have become more popular, and the prices have become more and more expensive, more and more people come here to mine Hengshan rough stones. With more and more visitors coming, the mountain city has become more prosperous!

Now the immigrant population in the entire mountain city is several times greater than the original population, and there are large and small mines everywhere on the mountain.

The most popular entertainment venues in mountain cities are hotels, bars, and KTVs. Those who can afford rough diamonds are big bosses, so they are not afraid of spending money!

Wu Dong went directly to eat and stopped in front of a restaurant: "Mr. Chen, you must be hungry too. Let's eat something first and then go back to the hotel to rest!"

Chen Ping nodded and got out of the car with Wu Dong!

The hotel is not very big, but the facade is well decorated and has an antique flavor. A big sign above it says Shandong Cuisine Restaurant!

"Mr. Chen, even though this hotel is not big, it is the most popular restaurant here. Many people come here to eat. The big star Song Tie, when he returns to the mountain city, he will come to this restaurant specifically to eat!"

Wu Dong introduced Chen Ping as he walked.

Entering the hotel, Wu Dong wanted to find a private room, but Chen Ping stopped him. It was just the two of them and they could just eat whatever they wanted. There was no need to look for a private room!

Finding a relatively secluded place, Wu Dong specially ordered a few special dishes from the restaurant!

While waiting for the food, Chen Ping glanced at the people eating in the restaurant and found that there were several master-level experts here!

It would not be surprising to see so many masters at a martial arts gathering in Tianfeng Town, but how come there are so many masters in this mountain city?

“It’s strange to say that I have never seen so many people before even when I was busy. In the few days I came to the mountain city, I saw several groups of strangers coming up the mountain one after another. It seems that there are more and more people playing stone gambling. too much!”

Wu Dong hurriedly explained after seeing Chen Ping glance at the people in the hotel.
