

## **The Order 7011**

Chapter: 7011

It's dark and damp below, with only a faint firelight and rows of cells. It's obvious that this is a dungeon!

"President Chen, President Chen..."

Seeing that Chen Wenliang and others came in, the pharmacist who was locked in the dungeon was very excited and started shouting!

This startled Chen Wenliang, and when he got closer, he realized that it was Bao Longxing and others!

Seeing this scene, Chen Wenliang was slightly startled, and then burst into laughter!

"Bao Longxing, aren't you with the Heaven-Zhancing Sect? Why are you locked up in the dungeon at this time?"

Chen Wenliang laughed and said!

Bao Longxing was ashamed and said quickly: "President Chen, I was deceived by Su Tianshuo. We all were deceived and only listened to Su Tianshuo's words. Now that Su Tianshuo has been subdued by us, hurry up. Open the cell door and let us out!"

After Bao Longxing finished speaking, he asked people to get out of the way, directly exposing the dying Su Tianshuo!

Seeing Su Tianshuo like that, Chen Wenliang felt relieved for a while. It was this guy who made them what they were now!

“You are simply doing your own thing. You are not good at cooperating with anyone. You just cooperate with the people of Zhantian Dharma Sect. These people are extremely cunning, otherwise you would not be driven to such a place where birds don’t shit!”

Chen Wenliang snorted coldly!

“That’s right, that’s right. President Chen taught you the right thing. We really deserve it. We know we were wrong. Please ask President Chen to let us out.”

“Let’s work together to destroy those beasts from the Tianzhan Fa Sect.”

Bao Longxing begged!

“President Chen, let us out, we really know we were wrong.”

“We killed the people of Tianzhan Dazong together and destroyed this place.”

“President Chen, you and I have worked together for many years, please...”

Many pharmacists began to pray for Chen Wenliang!

When Chen Wenliang saw this, he couldn’t bear it, so he opened the cell door loudly!

But when he just stretched out his hand, a white light flashed out, directly knocking Chen Wenliang away!

“President Chen, there is a formation here, we must break it.”

Bao Longxing reminded!

When Chen Wenliang saw this, he ordered people to go find Chen Ping immediately. He couldn't do anything about breaking the formation, so he had to let Chen Ping come!

Chapter: 7012

Chen Ping has already finished the formation at this time, and is just waiting for Gu Tianchao and the people from Liangyi Sect to perfect the formation!

When he knew that Chen Wenliang was looking for him, Chen Ping rushed over immediately.

“Fellow Daoist Chen, this dungeon is protected by a formation. The formation must be broken open.”

Chen Wenliang said!

Chen Ping glanced at the dungeon, and then at the many pharmacists in the dungeon!

When these people saw Chen Ping, they all lowered their heads and did not dare to look directly into Chen Ping's eyes!

Although Chen Ping was only at the sixth level of the Tribulation Realm, and many pharmacists here were at a higher level than Chen Ping, they didn't dare to look at Chen Ping at all at this time!

The majesty of Chen Ping's body made these people unable to lift their heads!

Although they knew that the Demon Sealing Alliance would use a hundred years of offerings to hunt down Chen Ping, no one dared to think twice at this moment!

Chen Ping's strength is obvious to all, from capturing Wang Qingshi to rushing into the storm, but coming out unscathed!

Now that he has occupied this small island again, every step Chen Ping takes gives them a deep shock!

Chen Ping slowly stretched out his hand, and his palm soon encountered a trace of resistance. Then the formation flickered, and a force came towards Chen Ping!

“break.....”

A golden light suddenly burst out from Chen Ping's palm, and the formation in the dungeon collapsed at this moment!

Like an eggshell, it shattered all over the place and then dissipated!

After the formation was broken, when Bao Longxing and others saw this, they suddenly collided!

The door of the dungeon was knocked open directly. Without the formation, how could this ordinary prison door stop Bao Longxing and others!

“Thank you, Fellow Daoist Chen, for saving me. We were ignorant and deceived by Su Tianshuo. We will never do such stupid things again in the future. We will follow the guidance of Fellow Daoist Chen.”

Bao Longxing, the head of the Bao family, was licking Chen Ping respectfully at this moment!

Chen Ping has heard this kind of flattery a lot, so he doesn't care!

“Fellow Daoist Chen, what should we do with Su Tianshuo?”

Chen Wenliang pointed at the dying Su Tianshuo and asked!

Su Tianshuo was covered in wounds at the moment, and his eyes were full of pleading: “Don't kill me, let me go, please, please...”

Su Tianshuo just wants to live at this moment. He no longer thinks about dominating the medical world!

Chapter: 7013

But whether Chen Ping will let him live or not depends on Chen Ping!

“When you plotted against your colleagues, did you ever think of letting them go?”

Chen Ping's eyes were cold, there was nothing pitiful about treating such a person!

Chen Ping waved his hand lightly, and a wisp of fire instantly fell on Su Tianshuo!

“ah.....”

Su Tianshuo screamed, that Ruan screamed so loudly!

When all the pharmacists saw this scene, they couldn't help but trembled!

In fact, what Chen Ping wants is this kind of effect. He wants to intimidate these pharmacists. Otherwise, if these pharmacists are useless and betray Mu Qiufeng and others during the battle, they will be in danger!

Under the gaze of everyone, Su Tianshuo was directly burned to ashes by the fire. From the beginning to the end, Chen Ping's eyes were surprisingly cold!

“Let's go, then Mu Qiufeng and others are coming back, and a fierce battle is about to begin.”

Chen Ping said slowly!

“Fellow Daoist Chen, there is another person who must be dealt with!”

At this time, Bao Longxing hurriedly spoke!

“Who?” Chen Ping was slightly startled!

This was led by Su Tianshuo. It would be enough to kill Su Tianshuo. He didn't know who else he had to kill!

“It was Feng Xing who came up with the idea to lead you to the Stormy Sea. It was also he who brought us here and was imprisoned by the Tianzhan Fa Sect.”

“This guy is already a member of the Heaven-Destroying Sect...”

Bao Longxing hurriedly took Chen Ping and the others into the depths of the dungeon, and saw Feng Xing in the innermost cell!

“Bao Longxing, what are you talking about? I was obviously against you for harming my colleagues and was isolated by you. Why are you blaming it all on me now?”

Feng Xing wanted to get through, so he quickly argued!

Upon hearing Feng Xing’s words, many pharmacists began to accuse Feng Xing, and some even insulted him. However, Feng Xing acted very aggrieved and forbearing at this moment!

At this time, Chen Ping didn’t even know who this guy was!

It seems that Feng Xing’s realm is not very high. He is only at the ninth level of the Tribulation Realm, which is not outstanding at all!

When he went to Medicine God Island, Chen Ping never paid attention to this person!

“Feng Xing, you have been away from the Feng family for many years, but you didn’t expect to be here!”

At this time, Granny Zhen suddenly walked out of the crowd, looked at Feng Xing and said!

When Feng Xing saw Granny Zhen, his expression suddenly turned ugly!

“Grandma Zhen, do you know this guy?”

Chen Ping asked doubtfully!

Chapter: 7014

“Of course, he is a member of the Feng family in the Central Region. He just likes alchemy and often travels to major pharmacists’ associations to learn from it.”

Grandma Zhen said.

When he heard that he was from the Feng family, Chen Ping immediately became angry!

Bai Qian’s Fox Emperor City was occupied by the Feng family. Now that he met someone from the Feng family, Chen Ping wanted to slap him to death right away!

“Fuck, come out...”

Chen Ping stepped forward and directly took Feng Xing out!

“What...what are you going to do?”

Feng Xing said nervously!

“Did your Feng family join the Demon Sealing Alliance and become the dogs of the Demon Sealing Alliance?”

“And your Feng family has occupied the Fox Emperor City. I just want to take it out on you today!”

Chen Ping stared at Feng Xing fiercely and said!

“You...you dare. If you dare to touch me, the Feng family will...”

Before Feng Xing could finish speaking, Chen Ping slapped him down!

Feng Xing’s brain exploded in an instant, and he couldn’t die anymore!

Seeing this scene, all the pharmacists gasped!

This guy Chen Ping was so decisive that he killed people before he even finished a sentence!

“Sect Master, the people from Tianzhanfa Sect are here!”

At this time, Gu Tianchao shouted outside!

When Chen Ping heard this, he led everyone out of the dungeon and saw a spiritual boat approaching quickly on the sea!

Just after the spirit boat approached, Mu Qiufeng and all the people from Zhantian Dazong jumped up!

All the pharmacists looked at it with solemn expressions!

Many pharmacists began to become nervous. After all, the strength of the Tianzhan Dazong was not weak!

These disciples of the Heaven-Destroying Sect burst out all their auras, each and every one of them filled with murderous intent!

There are dozens of monks in the Tribulation Realm and the Mahayana Realm, and all of them know the art of formation, which is simply not something that these pharmacists can handle!

Chapter: 7015

What's more, Chen Wenliang and the others had just experienced a battle, which consumed a lot of energy!

Some pharmacists are trembling slightly, this time it will be a moment of life and death!

Whether you can leave the island alive depends on this battle!

Although the pharmacist has an advantage in numbers, his combat power is simply not comparable to that of the disciples of the Heaven-Zhancing Sect!

If it weren't for Chen Ping and the people from the Liangyi Sect, Chen Wenliang and the others wouldn't have the slightest chance to resist!

These pharmacists have pinned all their hopes on Chen Ping and the people from Liangyi Sect!

Mu Qiufeng looked at the many pharmacists on the island, and he knew that he was still a step too late!

“Please pay attention to me and try not to hurt those pharmacists. They are the wealth of our Tianzhan Dharma Sect.”

“Kill that boy and all the people from the Liangyi Sect!”

Mu Qiufeng ordered to the many disciples of Zhantian Dharma Sect!

In Mu Qiufeng’s view, as long as Chen Ping and the people from Liangyi Sect are eliminated, the remaining pharmacists will not be a concern!

Chen Wenliang looked at the murderous disciples of Tianzhan Dazong in mid-air, and shouted: “Prepare for war, everyone swallow all the pills!”

Each pharmacist took out all the elixirs on his body and swallowed them!

Only in this way can you recover as quickly as possible!

If they were really caught by people from the Heaven-Zhancing Sect, all the elixirs on their bodies would be robbed, so they might as well eat it themselves!

After these pharmacists swallowed the elixir, their auras increased rapidly!

Mu Qiufeng frowned slightly, then waved his hand: “Break the formation...”

Many disciples of the Heaven-Zhancing Sect all attacked the island’s defensive formation!

For a moment, the avenue roared and the earth trembled!

The island shook from side to side!

“Master, I’m afraid this defensive formation won’t last long!”

Gu Tianchao looked at Chen Ping and said!

This defensive formation was set up too hastily, there was no time at all!

If he stayed with Chen Ping and the others for a month, Chen Ping would be able to set up this defensive formation to be impregnable!

Chapter: 7016

Chen Ping glanced at the many pharmacists who were swallowing pills and recovering their strength, and then said: “Try to delay as much time as possible to give these pharmacists more time to prepare!”

Gu Tianchao and the people from Liangyi Sect desperately supported the defensive formation!

But it’s obvious that these guys from the Tianzhan Dazong are also working hard, with auras of light constantly hitting the formation!

boom!

Finally, after a quarter of an hour, the defensive formation shattered and disappeared instantly!

But it's pretty good that such a hastily deployed defensive formation can withstand it for such a long time!

The formation shattered, and many disciples of the Heaven-Zhancing Sect began to use various spells, heading towards Chen Ping and the others, and a series of confinement formations enveloped Chen Wenliang and the others!

Mu Qiufeng wanted to capture Chen Wenliang and the other pharmacists alive!

"Fellow Taoists, it's time to fight..."

Chen Wenliang shouted loudly and started to fight back!

For a moment, thunder was rolling on the island, the earth was shaking, and various spells were constantly colliding!

Mu Qiufeng went straight to Chen Ping. No matter who Chen Ping was, he would kill Chen Ping first!

Even if Chen Ping is really from the Xiao Dynasty, so what, since everyone is dead, there is no way he can tell anyone!

Chen Ping watched Mu Qiufeng coming towards him and jumped up!

He couldn't follow Mu Qiufeng to fight on this small island, because he was afraid that this small island wouldn't be able to bear it!

Chen Ping's body was suspended in the air, and wisps of flame energy began to appear around him, like a spiritual snake, swimming around Chen Ping!

The indestructible golden body tightly wrapped Chen Ping's body, and the Dragon-Slaying Sword was also held in his hand!

Facing Mu Qiufeng, Chen Ping did not dare to be careless in the slightest!

When Mu Qiufeng saw this, he raised his hand tentatively and fired out a blast of shocking spiritual energy!

This rich aura was like a bolt of lightning, instantly crossing the void and rushing towards Chen Ping!

Rumble.....

With an explosion, the flames around Chen Ping scattered in all directions, and the sky was filled with flames, making the entire sky fall into a sea of fire!

However, with a slight move of Chen Ping's palm, the flame energy gathered towards Chen Ping again, like fiery snakes, surrounding Chen Ping, constantly circling!

When Mu Qiufeng saw this, his pupils shrank slightly!

Chapter: 7017

Behind Chen Ping, a figure appeared vaguely. This figure was exactly the same as Chen Ping's body, except that the body was surrounded by flames!

Chen Ping's body coincided with the figure, exuding the brilliance of an ancient immortal!

There is an air of immortality from the inside out, as if an immortal has arrived!

At this moment, Chen Ping was suspended in mid-air, like an immortal!

Every bone, every meridian, and even the blood vessels on Chen Ping's body can be faintly seen!

Chen Ping is only at the sixth level of the Tribulation Realm, but now he feels like a god, and he dare not look directly at him!

“What kind of technique is this? How can it have such an aura?”

Mu Qiufeng looked at Chen Ping in front of him and was completely shocked!

At this moment, he was even more convinced that Chen Ping was the young master of a certain big family. Even if he was not the prince of the Xiao Dynasty, his status was certainly not low!

The more this happens, the less Mu Qiufeng can let Chen Ping leave alive, otherwise their Heaven-Destroying Sect may be in danger of annihilation!

“Boy, I don't care if you are the prince of the Xiao Dynasty or not, don't even think about leaving here today!”

Mu Qiufeng's eyes narrowed slightly, and then he rushed towards Chen Ping!

“You alone want to stop me?”

Chen Ping's eyes were full of indifference, the True Fire Body was already in operation, Chen Ping wanted Mu Qiufeng to feel the power of the True Fire!

A supreme fire may not be able to deal with Mu Qiufeng, but what Chen Ping possesses is not a supreme fire!

Moreover, with the True Fire Dharmakaya, these ultimate fires are continuously quenched and fused!

Now Chen Ping's ultimate fire is not a separate one!

Seeing Mu Qiufeng rushing towards him, Chen Ping raised his arm and pointed in the air!

boom!

The flames were like floods, overwhelming the sky and heading towards Mu Qiufeng.

These flames roared out crazily, densely packed like a torrential downpour!

"This guy actually played with the fire to this extent?"

Mu Qiufeng was shocked. He didn't expect Chen Ping to control Zhihuo to such an extent!

As soon as he took action, it turned out to be a raging flame.

Chapter: 7018

Mu Qiufeng muttered words, and his hands instantly drew a formation pattern in front of him. Then, a formation shield appeared in front of Mu Qiufeng!

As the leader of the Heaven-Destroying Sect, Mu Qiufeng's mastery of formations is extremely pure and handy!

The surging flames were blocked by the shield!

The huge impact caused Mu Qiufeng's body to retreat rapidly!

"break....."

Mu Qiufeng shouted loudly, and the formation shield in front of him exploded instantly. Following the flames, they all scattered all over the sky and disappeared without a trace!

"Boy, you are only at the sixth level of the Tribulation Realm, but you can actually show strength that is not weaker than the Mahayana Realm. You are truly a genius among geniuses."

"If it were before, I might respectfully send you off, but now, even if you have the ability, you will never leave!"

After Mu Qiufeng finished speaking, bursts of red light filled his eyes!

As the red light flashed in Mu Qiufeng's eyes, the sea around the entire island began to surge!

The waves rolled, and countless monsters jumped out of the sea and fled one after another!

I saw a series of sparkling formations slowly rising from the depths of the sea!

Countless formations filled the sea for dozens of miles, covering the entire island!

Chen Ping frowned when he saw this!

Such a huge formation has been arranged in advance for who knows how many years!

This should be the killer of the Heaven-Destroying Sect, who has set up a magic circle in the depths of the sea a long time ago!

Seeing the formation that suddenly rose up, Chen Wenliang and Gu Tianchao were all confused!

The disciples of the Heaven-Destroying Sect raised their lips, broke away from the battle in an instant, and jumped into the air!

I saw these people from the Heaven-Destroying Sect offering their blood essence one after another, which was instantly absorbed by the formation!

Soon, a formation with a radius of dozens of miles was formed, and everyone, including the people from the Tianzhan Fa Sect, was trapped in the formation!

However, these people from the Heaven-Destroying Sect didn't seem to be afraid. On the contrary, they were all extremely excited!

"Originally, I wanted to capture those pharmacists alive, but it seems that you are going to lose and resist, so let's all die!"

When Mu Qiufeng saw that the formation was complete, he immediately became proud!

As Mu Qiufeng waved an array pattern with his palm, the formation began to activate!

In mid-air, on the sea, and even on the small island, suddenly a series of spiritual lights shot out like dense arrow feathers!

Whoosh whoosh whoosh.....

Thousands of auras were heading towards Chen Wenliang and the others, each one carrying a terrifying aura.

At this moment, Chen Wenliang and the others were completely panicked. How could they dodge such dense auras?

“Hurry up and put up a defensive shield...”

When Chen Ping saw this, he hurriedly shouted to Gu Tianchao.

Pharmacists like Chen Wenliang couldn't withstand these spiritual lights at all, so they could only ask Gu Tianchao and the people from the Liangyi Sect to put up a defensive shield to resist!

Gu Tianchao hurriedly led the Liangyimen to set up shields around everyone to resist the spiritual light!

As rays of spiritual light hit the shield, Gu Tianchao and the other disciples of the Liangyi Sect all showed expressions of extreme pain!

It looked like they wouldn't be able to hold on for long!

Chen Ping wanted to go over and help, but countless spiritual lights were also attacking him!

“Hahaha, don’t waste your efforts. This formation was built by our successive sect masters of Tianzhanfa Sect for thousands of years.”

“You guys still want to resist. It’s a shame. Even if you are at the peak of the Mahayana realm, you may not be able to withstand this formation attack.”

Mu Qiufeng laughed and said!

Chapter: 7019

Puff puff puff.....

Gu Tianchao and the others couldn’t hold it any longer. Some of the spiritual light penetrated the shield and hit the pharmacist instantly!

Soon, some pharmacists began to be injured or died tragically, and some wanted to escape, but as soon as they left the shield, they were pierced by the thousands of spiritual lights!

Chen Ping was extremely anxious at the moment. Although the spiritual light from this large formation could not hurt him, if this continued, Liangyi Sect and the pharmacists would all be killed or injured!

“Boy, do you want me to help you? With your current abilities, I’m afraid you won’t be able to break this big formation!”

At this time, Demon Lord Chiyun spoke!

“Senior, do you also know the art of formation?”

Chen Ping asked curiously!

He hadn't heard Demon Lord Chiyun say that he also knew the formation!

“I don't understand, but to break this formation, do you need to know any formation techniques?”

“I broke this formation with one slap, but I don't know if your physical body can withstand it.”

Demon Lord Chiyun said!

After Chen Ping thought for a moment, he nodded and said, “Come on, I can handle it...”

“But senior, please take it easy, don't rush in, no matter what, just gather some strength!”

Chen Ping could only give it a try, but he still warned Demon Lord Chiyun!

If Demon Lord Chiyun goes crazy and suddenly bursts out with the strength of Demon Lord of Heaven, his body will be 100% unable to withstand it!

“Don't worry, I will use your boy to help me collect the bones. I won't let your soul wander away.”

After Demon Lord Chiyun finished speaking, he took control of Chen Ping's body in an instant!

In just a moment, Chen Ping's eyes began to turn extremely dark, and the indestructible golden body on his body slowly dissipated, but was replaced by a layer of black mist that seemed to be there but not at all!

Chen Ping was wrapped in black mist, and he looked like a bloody demon!

As Chen Ping gently raised his palm, the demonic energy began to fill the sky, and then surged forward!

Everyone was dumbfounded when they saw Chen Ping like this!

Especially Mu Qiufeng, his eyes widened and he said: "Why is this guy also a demon cultivator? Then he will definitely not be the prince of the Xiao Dynasty."

Countless spiritual lights hit Chen Ping, but Chen Ping didn't react at all.

Chapter: 7020

And the agitated demonic energy turned into a huge fist and soared into the sky!

boom!

The huge fist transformed from the demonic energy hit the formation hard!

The formation was turbulent, and the radiating spiritual light began to attack aimlessly!

Even the members of Tianzhan Dazong were attacked by the spiritual light!

This time, the people of Zhantian Fa Sect had to use formation shields to form protection!

boom!

There was another loud noise, the formation shattered directly, and countless formation patterns began to fall into the sea!

“What? You broke our formation so easily?”

Mu Qiufeng is about to go crazy. This is the formation that the previous sect masters of their Heaven-Slaying Sect spent thousands of years setting up!

The purpose is to directly use this formation to turn the tide of the battle when the life and death of Zhantian Fa Sect is at stake.

But before the battle turned around, the formation was broken open by a punch!

He was bragging just now, saying that even those at the peak of the Mahayana realm were useless, but Chen Ping was only at the sixth level of the Tribulation Realm, but he broke the formation!

Chen Wenliang and the others also looked at Chen Ping in shock. They suddenly noticed that the aura on Chen Ping's body had changed and became very strange!

Especially Liu Ruyan, she was very familiar with Chen Ping and often slept together, but now Chen Ping made her feel scary and strange!

She can be sure that the Chen Ping in front of her is definitely not the same Chen Ping just now!

“You ignorant kids, being able to die in my hands is a blessing you have earned over ten lifetimes!”

Chen Ping looked at Mu Qiufeng and others and shouted coldly!

Mu Qiufeng looked at Chen Ping. He could conclude that Chen Ping had definitely had his soul changed, or was possessed by a demonic soul!

No matter how powerful Chen Ping is, it is impossible for him to burst out with such aura!

This kind of aura directly made Mu Qiufeng feel despair. This was an aura he had never felt before!

“escape.....”

Mu Qiufeng suddenly shouted, and then started running first!

Since even the big formation was broken in the end, they no longer have any chance of winning or relying on them. If they don't run now, why are they waiting?
