

The Order 7021

Chapter: 7021

“Hahaha, no one has escaped from my grasp yet, you ants, do you want to escape too?”

Chen Ping laughed loudly, as if he was pressing down gently with his palm!

The sky was filled with black mist, like a big hand, covering hundreds of miles in an instant!

No matter how fast Mu Qiufeng and the others were, they couldn't escape hundreds of miles in an instant!

Mu Qiufeng was shocked. The sky changed color in an instant. He felt as if he was being played with in Chen Ping's hands and there was no way he could escape!

“Senior, it's almost over. My physical body can't handle your magical power!”

Chen Ping hurriedly persuaded Demon Lord Chiyun!

Just one palm can cover hundreds of miles. This kind of magical power is unseen in the entire world of gods and humans. Moreover, Chen Ping is only a sixth-level monk in the Tribulation Realm. Even if his physical body is strong, he can't withstand it!

“Sorry, I almost forgot...”

Demon Lord Chiyun smiled quickly and then took back the palm!

While retracting it, Chen Ping's body moved instantly, and those disciples of Zhantian Fa Sect who had already escaped far away screamed in agony!

The screams reached Mu Qiufeng's ears, causing him to tremble all over and grit his teeth to run for his life!

But soon, he found that no matter how much he ran, he seemed to be staying in the same place, so he looked around, only to find that he was surrounded by a circle of black mist!

Mu Qiufeng's movement was restricted by this circle of black mist, and he couldn't escape at all!

No matter how Mu Qiufeng attacks or what formation he uses, it's all to no avail!

In the end, Mu Qiufeng was panting heavily and helplessly surrendered!

"Who are you? This is definitely not something that a sixth-grade monk in the Tribulation Realm can do. What kind of immortal are you to possess this guy?"

Mu Qiufeng knew that Chen Ping must have been deprived of his physical body, otherwise he wouldn't have suddenly become so powerful!

It was simply a massacre. People like the Zhantian Fa Sect were really worse than ants in front of Chen Ping!

"Hmph, even you want to know me..."

"It doesn't matter who I am, what matters is that you are finished now..."

Chen Ping returned to his original appearance and looked at Mu Qiufeng with a sneer!

Demon Lord Chiyun wanted to brag just now, but Chen Ping quickly snatched his body back!

Now that the formation is broken and all the members of the Heaven-Zhancing Sect are dead, leaving only Mu Qiufeng, Chen Ping no longer needs Demon Lord Chiyun!

Chapter: 7022

Mu Qiufeng was slightly startled. He could clearly detect the change in Chen Ping's aura!

But even if the demon soul in Chen Ping's body disappears, Mu Qiufeng has no chance of winning!

With so many pharmacists and a pervert like Chen Ping, he has no way to escape!

What's more, this is a vast sea, far away from the mainland, and there is no way to escape!

Now Mu Qiufeng can only accept her fate!

At this time, Chen Wenliang and the others also gathered around, especially Bao Longxing and the other pharmacists. Seeing that Mu Qiufeng had become a prisoner, they were all filled with righteous indignation and wanted to beat Mu Qiufeng to death!

Mu Qiufeng locked them in the dungeon. If Chen Ping and the others hadn't come, then they, the pharmacists, would have become slaves, enslaved without the sun and the moon.

“Kill him, beat this beast to death...”

“How dare you look down on us pharmacists? Today we will use the strongest poison to make you die in pain!”

“Yes, poison him, use the Heart-Eating Pill, and let him die in pain!”

Many pharmacists shouted!

“Don’t kill me, don’t kill me, as long as you let me go, I can give you all the resources of the Tianzhan Dazong!”

Seeing that these pharmacists were so angry that they wanted to poison themselves to death, Mu Qiufeng said quickly!

“Who are you kidding? We searched this island several times, but found nothing.”

“The main hall of your Tianzhan Dazong is also empty. Where are the resources?”

Chen Wenliang said coldly!

“Yes, it must be there, it’s just hidden with a formation so you can’t find it!”

“Our Heaven-Destroying Sect has been here for thousands of years, how can we not have resources!”

Mu Qiufeng said quickly!

Upon hearing this, everyone felt that Mu Qiufeng was right. After all, the Tianzhan Dazong had been here for a long time!

Moreover, during the search, it was Chen Wenliang and the pharmacists who conducted the search. Chen Ping, Gu Tianchao and the others were setting up formations. If there were hidden formations to hide resources, Chen Wenliang and the others would not be able to discover them!

“Take us there, if you dare to play tricks, you will die miserably!”

Chen Ping decided to let Mu Qiufeng take him to see what resources Zhantian Fa Sect had!

“No, no...”

Chapter: 7023

Mu Qiufeng nodded hurriedly.

Then, under the escort of everyone, Mu Qiufeng went to the main hall of Zhantian Dazong!

The main hall of Zhantian Dharma Sect is not particularly luxurious. After all, it is far away from the mainland and all materials are self-produced on the island. It is already very good to be able to make the main hall like this!

After entering the main hall, Chen Ping instantly sensed the fluctuations of the formation. It seemed that there really was a formation in this hall!

Mu Qiufeng muttered something, waved his hand gently, and a door appeared on a wall that was originally empty!

And there are many restrictions around the door!

Mu Qiufeng opened the restrictions one by one. As the last restriction was opened, the door slowly opened!

Seeing the door being opened, many pharmacists were about to rush in!

After all, the one who rushes in first can get more resources!

“Everyone stop, no one is allowed to move, let fellow Daoist Chen go first...”

“We are alive now only because of the help of fellow Daoist Chen and the people from Liangyi Sect. Even if there are supplies, they should get them first!”

Chen Wenliang roared, and the pharmacists who were about to rush in instantly stopped and stepped back with embarrassment on their faces!

It was impossible for Chen Ping to walk in with Mu Qiufeng, followed closely by Gu Tianchao and the others!

When I walked into the room, I found that there were a lot of beast elixirs stored inside, as well as a lot of fairy grass and spiritual stones!

The huge room is packed to the brim. To be able to accumulate so many resources on such a barren island, the Tianzhan Dharma Sect must have accumulated it for many years!

However, among these resources, a three-meter-tall statue seems out of place!

Chen Ping didn't understand, why should this statue be placed here instead of in the main hall?

"Who is this statue?"

Chen Ping asked Mu Qiufeng!

"It's our first sect leader. I'm not sure. This statue has been here since I took over the Heaven-Zhancing Sect."

Mu Qiufeng said truthfully!

"President Chen, please take people to transport these resources and share them with everyone, and then quickly treat the injured fellow Taoist!"

Chen Ping said to Chen Wenliang!

"Fellow Daoist Chen, you have contributed the most, and you should get these resources first."

Chen Wenliang said very embarrassedly!

"President Chen, there is no need to be polite to me, you should just do as I say!"

Chen Ping said!

Seeing this, Chen Wenliang nodded, led his people to clear out all the resources, and then started to distribute them!

Chen Ping did not leave the room, but took Mu Qiufeng to look at the three-meter-high statue!

Chapter: 7024

Chen Ping's forehead started to flash red, and soon a pair of eyes appeared!

The Tianming Eye was opened, and Chen Ping wanted to see what was so weird about this statue!

It is impossible for the Heaven-Zhancing Sect to put an ordinary statue in this place!

The moment Tian Ming Eye opened, Mu Qiufeng's body trembled slightly, with a hint of panic in his eyes!

Then a trace of black mist appeared in the palm of his hand, and it hit the statue directly!

The moment he touched the statue, the statue suddenly emitted golden light, and the entire statue was flashing with array patterns!

And Mu Qiufeng's entire body was actually directly sucked into the body by the statue!

"Hahaha, hahaha..."

"You have been fooled. There are formations inside this statue. Now I have merged with the statue and can become immortal."

Mu Qiufeng laughed crazily!

Now he has merged with the statue. With a gentle wave of his hand, a huge force came towards Chen Ping!

Chen Ping's body was instantly knocked away by a huge force!

Mu Qiufeng soared into the sky, causing the entire hall to collapse!

The huge sound made Chen Wenliang and others look here in shock!

They saw that the huge statue came to life at this moment, and soared into the sky, causing the main hall to collapse!

"Chen Ping..."

Liu Ruyan was the first to spot Chen Ping who was knocked away, so he rushed over!

When the others saw this, they hurried towards Chen Ping without caring about how to allocate resources!

They don't know what's going on!

"Chen Ping, are you okay?"

Liu Ruyan helped Chen Ping up!

Chen Pingde had blood flowing from the corner of his mouth, shook his head and said: "I'm fine, I didn't expect this guy to have a hand!"

"Fellow Daoist Chen, where is Mu Qiufeng?"

Chen Wenliang asked!

Chapter: 7025

Chen Ping pointed at the statue and said: "The Mu Qiufeng has merged with the statue, and now the statue is Mu Qiufeng."

"What?"

All the pharmacists became nervous!

"You guys, destroyed my sect and killed my disciples. Today I want you to die here, all of you!"

Mu Qiufeng looked down at Chen Ping and the others in mid-air, and said extremely arrogantly!

"Do you think you can kill us with just a small statue?"

Chen Ping pushed aside the crowd, jumped up, looked at Mu Qiufeng and said!

"You know what the hell, this statue is made of ancient formations. This statue alone contains tens of thousands of formations."

“As long as I don’t leave this statue, no one can hurt me!”

Mu Qiufeng snorted coldly!

“I don’t believe it!” After Chen Ping said that, his palms rose to fire, and then he waved with all his strength!

The flames filled the sky, wrapping Mu Qiufeng in it!

The flames formed by the fusion of several supreme fires were so powerful that the entire sky was illuminated by the flames!

“Hahaha, I have already said that as long as I don’t leave this statue, no one can hurt me.”

“I am immortal now, so you don’t have to waste your efforts!”

Mu Qiufeng laughed, not afraid of the extreme fire at all!

Seeing that Mu Qiufeng was not afraid of his extreme fire, Chen Ping frowned slightly!

Mu Qiufeng waved his palms, and a formation pattern suddenly appeared out of thin air, forming a cage and enveloping Chen Ping!

This formation cage that suddenly appeared seemed familiar to Chen Ping!

It’s just that he couldn’t remember who had used this formation before!

Chen Ping's body retreated quickly, and at the same time he punched out a holy light punch, shattering the formation cage!

"Since you are not afraid of the fire, then try the power of the magic whip!"

Chen Ping took out the magic whip. He knew that what demon cultivators feared most was the magic whip!

Moreover, the attack of the magic whip is not a physical attack, but a magic attack!

Chapter: 7026

The attack is on the opponent's sea of consciousness, so even if the statue is strong, it can't resist the attack of the magic whip!

"I didn't expect your kid to whip a magic whip, but even if you whip a magic whip, I'm not afraid!"

Mu Qiufeng said without any fear!

Chen Ping raised his hand and whipped him!

Snap!

A whip struck Mu Qiufeng's body, but Mu Qiufeng was completely fine!

I saw arrays of formations appearing all over the statue's body, and it actually blocked the attack of the magic whip!

Chen Ping's face was full of shock. He didn't expect that the formation patterns on the statue could even block the attack of the magic whip!

"Since whipping the magic whip doesn't work, let's try my dragon-slaying sword..."

Chen Ping shouted angrily, holding the Dragon-Slaying Sword in his hand, he slashed out with one strike!

The dragon roared, and a sword beam struck Mu Qiufeng!

But when the sword light came into contact with the statue, it dissipated instantly, and was actually defeated by the formation patterns on the statue!

"Holy Light Fist..."

"Thunder Palm..."

.....

Chen Ping tried his best, but he didn't cause any harm to Mu Qiufeng!

The formation patterns on this statue were so powerful that Chen Ping was a little overwhelmed!

When Chen Wenliang and the others saw this, they were all frightened!

The various moves that Chen Ping had just used were all extremely powerful, with the power of the Mahayana realm, but they couldn't shake Mu Qiufeng in the slightest!

In this case, all of them together would not be able to hurt Mu Qiufeng at all!

"Hahaha, you ants, as long as I stamp my feet, I can make you die without a place to die!"

Mu Qiufeng couldn't be more proud at the moment!

"Fellow Daoist Chen, why don't you take the people to escape, and I will lead the pharmacists to hold back Mu Qiufeng!"

Chen Wenliang jumped to Chen Ping's side, intending to let Chen Ping escape. He stood behind him!

Chapter: 7027

The lives of these people were saved by Chen Ping. Now that this time has come, Chen Wenliang is willing to sacrifice himself to give Chen Ping a chance to survive!

Chen Ping shook his head and said, "None of us can escape. This place is too far from the mainland. The only way to survive is to kill Mu Qiufeng!"

When Chen Wenliang heard this, he immediately sighed: "Hey, I wish I had killed this guy in the first place!"

"President Chen, you don't have to worry too much, we will always find a way to deal with this Mu Qiufeng!"

Chen Ping comforted Chen Wenliang!

Chen Ping's methods have not been fully used yet!

He still has the God King's Bow and the Dragon Pattern Bell in his hand, but Chen Ping hasn't used these yet!

Even the God King's Bow and the Dragon Pattern Bell couldn't cure Mu Qiufeng. There was a small sky-swallowing beast in Chen Ping's storage ring!

If the little sky-swallowing beast could wake up, it might be able to swallow this Mu Qiufeng too!

If that doesn't work, let Demon Lord Scarlet Cloud possess him once. Chen Ping believes that Demon Lord Scarlet Cloud will definitely be able to deal with this statue!

"Boy, if you have any means, just use them. If you don't have any means, then I won't play with you anymore. I will kill you all and feed them to the fishes!"

Mu Qiufeng shouted proudly!

"Senior, if you were possessed once, are you sure you could break this statue and kill this guy?"

Chen Ping asked Demon Lord Chiyun!

"Of course I'm sure, I can kill him with one slap."

"It's just that if I beat him to death, your body will definitely be destroyed. Your body won't be able to bear it."

“Your body is destroyed, and the remnant soul of this old man has also dissipated, leaving only a wisp of your remnant soul.”

“You can bear this price, but I can’t bear it...”

Demon Lord Chiyun said!

When Chen Ping heard this, he was speechless. His body was destroyed, and Chen Ping couldn’t bear the price!

Demon Lord Chiyun can deal with this statue, but the stronger the opponent that Demon Lord Chiyun deals with, the greater the power he will explode!

And Chen Ping’s physical body can’t bear this kind of power at all, and it will definitely explode!

All of a sudden, Chen Ping was in a difficult situation!

“The formation pattern this guy used just now seems a bit familiar to me. I seem to have encountered it somewhere. Otherwise, you should use your Celestial Eye to observe it carefully!”

Chapter: 7028

“Maybe we can find a way to break the formation pattern. This statue is made of tens of thousands of formation patterns. As long as the formation pattern is broken, the statue will be useless!”

Demon Lord Chiyun said!

“Yes, I felt a little familiar just now, but I couldn’t remember it for a while.”

After Chen Ping finished speaking, he opened Tian Ming's eyes. In Chen Ping's eyes, the world instantly turned into a gray mess!

Seeing Chen Ping like that, Mu Qiufeng snorted coldly and said, "Do you want to find out the formation patterns on the statue and then decipher them?"

"Let me tell you, you don't have to waste your efforts. This is made up of tens of thousands of formation patterns. Even if you are lucky enough to break one formation pattern, what will happen?"

"And it's impossible for you to break even one of the formation patterns, because these formation patterns were passed down from the ancestors of the formation demons."

Mu Qiufeng looked arrogant, not afraid of Chen Ping's investigation and did not stop him.

When Chen Ping heard this, he immediately retracted his Tian Ming eyes!

"Fuck... I said it feels familiar, but this can't be the direct result of the formation demon. It's obviously wrong. These formation patterns are not even one-tenth of that formation demon."

"Obviously it has been passed down for countless generations. You treat it as a treasure, and you still pass it on personally to the Demon Demon. It's so fucking shameless."

"Let me show you what the formation pattern is from the formation demon..."

When Chen Ping heard that it was the formation pattern of a formation demon, he immediately laughed!

Whether it was the divine patterns of the ancestor of divine patterns or the patterns of the array demons, Chen Ping learned from them themselves!

Moreover, they also fused the various divine patterns of the two people. The statue of Mu Qiufeng is just a piece of junk made by the disciples of the Array Demon!

If Chen Ping had noticed that it was the formation pattern of the formation demon, how could Mu Qiufeng have been able to show off for so long when it was his turn!

“Don’t you fucking brag. The Array Demon Ancestor personally taught the formation patterns. How could you possibly do it? Moreover, the Array Demon Ancestor is a person from the heaven. You, a guy who is only at the sixth level of the Tribulation Realm, can still reach heaven!”

Mu Qiufeng didn’t believe it at all. Chen Ping knew the formation pattern passed down by the formation demon himself!

What he didn’t even know was that the array demon was actually not in the heaven, but had been trapped in the heaven and human world!

“Believe it or not, you’ll know after you see it!”

Chen Ping smiled faintly and drew with his fingers out of thin air!

A formation pattern slowly appeared, and then headed towards Mu Qiufeng!

Mu Qiufeng looked at the formation patterns floating towards him and had no intention of dodging at all!

He didn’t believe that Chen Ping could untie the tens of thousands of formation patterns on his statue with just one stroke of his hand!

The formation patterns drawn by Chen Ping slowly fell on Mu Qiufeng!

Mu Qiufeng didn't feel anything at all, and the huge statue didn't change at all!

"Hahaha, is this the formation pattern you are talking about, the formation pattern passed down by the true ancestor of the formation demon?"

Mu Qiufeng laughed crazily, his eyes full of contempt and disdain!

But Chen Ping just smiled and didn't speak!

But soon, Mu Qiufeng's laughter stopped abruptly!

I saw the formation patterns on the statue begin to flicker, and then begin to dissipate one by one!

As the formations dissipated, the huge statue slowly collapsed!

Mu Qiufeng's true body was slowly exposed as the statue collapsed!

"What...what's going on?"

"Impossible, this is impossible, how could you possibly teach the formation pattern from the ancestor of the formation demon?"

Mu Qiufeng desperately used various means to prevent the statue from collapsing and the formation pattern from dissipating!

But it was of no use at all. In just a few breaths, all the thousands of formation patterns on the statue were untied and slowly dissipated!

And the huge statue slowly disappeared, leaving not even a trace of debris behind!

Chapter: 7029

Mu Qiufeng's body was completely exposed in front of everyone. At this moment, Mu Qiufeng's eyes were wide open and his face was full of horror!

He really didn't understand how Chen Ping did it to untie all the tens of thousands of formation patterns on the statue!

Could this guy really be the descendant of the Array Demon Ancestor?

Mu Qiufeng obviously didn't believe it. How old was Chen Ping? How could it be that he was personally passed down by the ancestor of the Array Demon!

What's more, the Array Demon Ancestor is in the heaven!

Even the first sect leader of Tianzhanfa Sect was just the disciple of the ancestor of the Array Demon, and he had been passed down for countless generations.

It's just that in order to show off the awesomeness of the statue, Mu Qiufeng said that the tens of thousands of formation patterns on the statue were all passed down by the ancestor of the formation demon!

The first sect leader of the Heaven-Destroying Sect, I am afraid he has never even seen the face of the formation demon, and yet he is passing it down in person!

“You...how on earth did you do that?”

Mu Qiufeng asked Chen Ping with a face full of disbelief!

“I have already said that this is the formation pattern that I have personally inherited from the Array Demon. You are tantamount to using a machete in front of Guan Gong. Not only do I have the array pattern that I have personally inherited from the Array Demon, I also have divine patterns here!”

After Chen Ping finished speaking, he drew a finger in the void, and a divine pattern appeared!

The divine pattern that was just visible slowly moved towards Mu Qiufeng, forming a silk-mesh-like formation in mid-air!

When Mu Qiufeng saw this, he was shocked and jumped up to escape, but he found that the divine pattern formation was following him everywhere. No matter how he ran, the divine pattern formation was chasing after him!

Soon, Mu Qiufeng was wrapped in the formation, and her body seemed to have fallen into the flames of magma. The burning sensation was no worse than the ultimate fire!

ah.....

Mu Qiufeng roared, and his body shook violently!

“Please, please spare me, I can be a cow or a horse for you...”

Mu Qiufeng desperately followed Chen Ping to beg for mercy!

But Chen Ping was indifferent. He had been fooled once, how could Chen Ping fall twice in the same place!

No matter how much Mu Qiufeng shouted, Chen Ping remained indifferent!

In the end, Mu Qiufeng was burned to death by the divine pattern formation, and his whole body turned into a mummy!

With a wave of Chen Ping's hand, the formation was lifted, and Mu Qiufeng's body fell into the sea, and was instantly swallowed by the monsters in the sea!

Chapter: 7030

The leader of the Heaven-Destroying Sect died like this!

There will no longer be a Heaven-Destroying Dharma Sect in the world of heaven and humans in the future!

After killing Mu Qiufeng, Chen Ping slowly fell back to the island. Looking at the many injured pharmacists, Chen Ping said: "President Chen, we should rest on this island for a few days to wait for everyone's injuries. Steady, let's set off on the spirit boat!"

"Okay, everything will be according to Fellow Daoist Chen!"

Chen Wenliang nodded!

Everyone rested on the island for three days, and then took the spirit boat to ride the wind and waves all the way back to the Western Region!

The road was calm and calm, and the storm in the stormy sea disappeared!

During the few days on the island, plus the time to return to the Western Regions, Chen Ping used the gold-enhancing stone to improve his gold element by a lot!

Returning to the Western Region Continent, everyone felt relieved after setting foot on the land.

After this life and death, it is estimated that many pharmacists will never dare to go to the depths of the sea again in this life!

“Fellow Daoist Chen, thank you for your help this time. We are going back to the Central Territory. If you need me for anything, just ask!”

Chen Wenliang said to Chen Ping very gratefully!

Without Chen Ping, none of the pharmacists would be able to come back!

“Yes, if Fellow Daoist Chen can use us, just ask, and we should do our best.”

All the pharmacists respected Chen Ping!

“Everyone, we are all pharmacists, so it is natural for us to help each other.”

“But there is one thing. I really need President Chen’s help!”

Chen Ping said!

“Fellow Daoist Chen, if you have anything to do, just say it!”

Chen Wenliang asked!

“I hope that after returning to the Central Territory, President Chen can take care of the Jade Cauldron Sect. Now Ru Yan and Nie Heng have joined the Central Territory Pharmacist Association.”

Chen Ping hopes that in the medical world, Chen Wenliang can take care of the Jade Cauldron Sect!

It is impossible for Chen Ping to stay with Liu Ruyan all day long, and it is even less possible for him to stay in the Jade Cauldron Sect for a long time. Therefore, it is still necessary for someone in the medical field to take care of the Jade Cauldron Sect!

Chen Wenliang glanced at Liu Ruyan, and then assured Chen Ping: “Don’t worry, Fellow Daoist Chen, the Northern Territory Pharmacist Association is now in name only. I will definitely unite with the presidents and recommend Miss Liu to become the president of the Northern Territory Pharmacist Association.”
