

## **The Order 7031**

Chapter: 7031

“At that time, I, Chen Wenliang, will be the guarantee. If anyone is not convinced, you can ask the pharmacists in the Northern Territory to come to me, Chen Wenliang...”

Chen Wenliang is also very famous in the pharmacist world, otherwise he would not be able to become the president of the Zhongyu Pharmacist Association!

“I can also guarantee...”

At this time, Bao Longxing also stood up!

As one of the four major families in Yongle City, the Bao family also has a very important position in the medical field!

Bao Longxing was fawning over Chen Ping at the moment. Along the way, he really saw how powerful Chen Ping was!

“Thank you very much!”

Chen Ping thanked him and then looked at Liu Ruyan!

“Ruyan, you follow President Chen and the others back to the Central Territory first, and then you go back to the Jade Cauldron Sect. When I finish handling the matter, I will go to the Jade Cauldron Sect to find you!”

Chen Ping asked Liu Ruyan to return to the Jade Cauldron Sect, but he couldn't let Liu Ruyan follow. Chen Ping still had a lot of things to do later!

With Liu Ruyan's strength, it would be too dangerous to follow him!

Especially since the time for the fight he agreed with Mu Qing is coming soon. Although he has no fear at all towards the first-level monks in the Mahayana realm, it does not mean that Chen Ping can compete with the Mu family now!

Chen Ping must continue to improve his level of strength now. Only the strongest enough can protect the women around him!

Especially with the Demon Sealing Alliance staring at him eagerly, Chen Ping was even more afraid to let Liu Ruyan follow him!

"Chen Ping, I know you have a lot to do now. I can't help you much and will become a burden. But don't worry, I will definitely work hard and improve myself so that I can be your good wife!"

Liu Ruyan grabbed Chen Ping's hand, and it was obvious that she was very reluctant to let go!

After all, after this separation, I don't know how long it will be before I can see Chen Ping again!

"Nie Heng, you have to take good care of the eldest lady along the way, do you understand?"

Chen Ping warned Nie Heng!

"Don't worry, Mr. Chen. Even if I lose my life, I won't let the eldest lady get hurt at all."

Nie Heng promised!

“The two of us can also protect Miss Liu along the way. We hope to join the Jade Cauldron Sect!”

At this time, brother and sister Nie Lei and Nie Hong stepped forward and said!

Chapter: 7032

They plan to join the Jade Cauldron Sect and follow Liu Ruyan!

In fact, what they are interested in is not the Jade Cauldron Sect, but Chen Ping. Since the Jade Cauldron Sect is protected by Chen Ping, the future will definitely be limitless!

Chen Ping glanced at Liu Ruyan. After all, he couldn't make the final decision on this kind of thing. Liu Ruyan was the leader of the Jade Cauldron Sect!

Before Liu Ruyan could say anything, Nie Heng said, “Miss, I think it's better to let the two brothers and sisters follow. After all, it's not easy for them, and they are not bad in nature.”

After Nie Heng finished speaking, he glanced at Nie Hong secretly. Nie Hong suddenly lowered his head and bit his lip!

Chen Ping could tell at a glance that Nie Heng was probably having an affair with Nie Hong, but he didn't know when the two people secretly had an affair!

No wonder Nie Heng helped the two siblings speak up, but Chen Ping could also see that the two siblings were indeed good-natured!

“Now that Nie Heng has spoken, let the two of them follow.”

Chen Ping said!

Liu Ruyan nodded and said, "Okay, let them follow!"

Chen Ping personally watched Chen Wenliang and the others leave in the teleportation array. Although Liu Ruyan was reluctant to leave, she still left!

The other pharmacists also went back to their respective homes, and Chen Ping followed Granny Zhen and Zhongqing back to Zhen's home!

Bai Qian, Huo Feng and Ji Yun are anxiously waiting for Chen Ping!

They didn't know if Chen Ping would be in danger. Zhen Yuandao and others ran back halfway, while Chen Ping and the others went after Su Tianshuo!

There has been no news for several days in a row, and even the sound transmission jade slips cannot be contacted. Of course a few people are worried!

But seeing Chen Ping'an back safe and sound, several people instantly became happy!

In the main hall of the Zhen family, Zhen Yuandao was chatting with Granny Zhen and Zhong Qing!

He also learned from the two of them the risks that everyone would encounter when going to the deep sea this time!

However, benefits often come with risks. This time Granny Zhen and Zhong Qing also received various resources from Zhan Tian Fa Sect!

Especially the beast elixir, Zhong's storage bag is almost full!

“It seems that this Chen Ping is really not simple. Not only does he have great medical skills, he also knows the divine pattern formation, and he also possesses all kinds of ultimate fire and magical powers.”

After listening to what Grandma Zhen and Zhong Qing said, Zhen Yuandao said in shock!

“Not only that, every weapon on his body is a treasure. This Chen Ping definitely has some unknown secrets!”

Along the way, Zhong Qing kept observing Chen Ping, and he knew that Chen Ping was definitely not as simple as everyone saw!

Chapter: 7033

“Now that Su Tianshuo is dead, the president of the Western Region Pharmacists Association is vacant. We have to personally select a person to take over. We must not let something like this happen again.”

Zhen Yuandao was frightened when he thought of Su Tianshuo’s conspiracy. All their pharmacists almost couldn’t come back!

“You really need to find a reliable person, and it cannot be someone from the four major families, otherwise it will be easy for disputes.”

Zhong Qing nodded and said!

“Zhong Yaozun, I think you are the most suitable for this position. Who in the entire Western Region pharmacist community dares to disobey you?”

“Even the four major families in Yongle City don’t dare to disobey!”

Zhen Yuandao wants Zhongqing to be the president of the Western Region Pharmacists Association, after all Zhongqing can be considered one of his own!

“No, no, no, I’m used to being undisciplined, and I don’t want to be the president!”

Zhongqing waved her hands quickly!

“It has to be you. I’ll hold a meeting in two days to propose a proposal.” Zhen Yuandao must let Zhong Qing be the president!

Just as the two declined, Granny Zhen said impatiently: “Okay, okay, let’s talk about the president’s matter later.”

“Brother, when I came back just now, I heard that people from the Xiao Dynasty came to our house. What did they do?”

When Granny Zhen and the others came back, they heard from Zhen Huan that people from the Xiao Dynasty had been staying at the Zhen family for several days!

“Oh, Emperor Xiao sent someone to invite Chen Ping.”

Zhen Yuandao said!

“Is it because he cured Prince Xiao?”

Grandma Zhen asked!

“No, many of the spiritual beasts raised by the Xiao Dynasty suddenly became seriously ill, so I wanted to ask a pharmacist to diagnose and treat them.”

“Chen Ping was called upon to go, but Chen Ping is not here, so he can only stay in our house temporarily.”

“Now that you are back, I will send someone to fetch Chen Ping soon!”

Zhen Yuandao said!

“The spirit beast is seriously ill. It would be the same if I asked you to go. It seems that Emperor Xiao only trusts Chen Ping now.”

“But Chen Ping’s medical skills are indeed not comparable to mine...”

Zhongqing said!

“Indeed, we have to admit the gap.” Zhen Yuandao nodded, “I will personally invite Chen Ping to see if he can take us to the Xiao Dynasty together, so that we can gain more knowledge and increase his medical skills. OK.”

Chapter: 7034

“Let’s go, we’ll go with you!”

Zhongqing stood up and said!

Granny Zhen also stood up, and the three of them headed towards the courtyard where Chen Ping was!

Now Chen Ping is in the room, playing games with Bai Qian and Huofeng!

After so many days, as soon as Chen Ping came back, Bai Qian and Huofeng pulled him into the room!

Chen Ping was helpless, but he had no choice. He also knew that the two of them felt sorry for him!

“Mr. Chen, the head of the Zhen family is here and waiting for you in the living room...”

Ji Yun walked to the door and listened to the lively sounds in the room, so he shouted softly!

When Chen Ping heard this, he quickly got dressed and walked out of the room!

After all, this is the Zhen family, and Chen Ping is just staying with someone else. Now that Zhen Yuandao is here in person, of course Chen Ping wants to meet him!

Following Ji Yun to the living room, he saw Zhen Yuandao, Granny Zhen and Zhong Qing were there, so he hurriedly said, “Master Zhen, why do you want to see me?”

“Fellow Daoist Chen is indeed young. He just came back and didn’t rest...”

Zhen Yuandao said with a slight smile!

Grandma Zhen and Zhong Qing also laughed. After all, with their abilities, they could hear the sounds in the room with just a little care!

Chen Ping was a little embarrassed and said: “Hey, I can’t help it, it’s just a matter of routine...”

“Fellow Daoist Chen, the Xiao Dynasty sent someone to look for you two days ago. Because you were not here, you stayed at the house.”

Zhen Yuandao said!

“People from the Xiao Dynasty are looking for me? Could it be that Prince Xiao’s condition has relapsed?”

Chen Ping was slightly stunned and said!

“That’s not true. The Xiao Dynasty has raised a large number of spirit beasts. It’s just that some of the spirit beasts have been sick recently, and their condition is serious. I just want to ask Fellow Daoist Chen to come and take a look!”

Zhen Yuandao said!

“Oh, that’s it. I’m about to go to the Xiao Dynasty, but I haven’t given the immortal bones that Emperor Xiao promised me yet!”

Chen Ping actually plans to go to Xiao Dynasty to get the immortal bones. He wants to see if the immortal bones are the bones of Demon Lord Chiyun!

“In that case, I will take Fellow Daoist Chen to meet the people from the Xiao Dynasty.”

Chapter: 7035

Zhen Yuandao stood up and then continued: “Fellow Daoist Chen, Xiao Dynasty has only invited you. I wonder if you can take us with you? We also want to learn from Daoist Chen!”

“Of course, I just don’t know what the people from the Xiao Dynasty mean, but I will tell them!”

Chen Ping nodded!

Zhen Yuan said that it was okay for them to follow him. After all, Chen Ping was new to Xiao Dynasty. If anything happened, he could still follow Zhen Yuan and ask them for advice!

Seeing that Chen Ping agreed, Zhen Yuandao was very happy, and then took Chen Ping to meet the people of Xiao Dynasty!

Xiao Yuanshan sent a middle-aged man, a master of the Mahayana realm!

“Prime Minister Yu, this is the Chen Ping you are looking for!”

After Zhen Yuandao brought Chen Ping over, he immediately said respectfully to the middle-aged man!

Seeing this, the middle-aged man hurriedly saluted Chen Ping and said: “Hello Mr. Chen, I am Yu Wenqiang, the Prime Minister of the Xiao Dynasty. I came here specifically to invite Mr. Chen in the name of Emperor Xiao.”

Chen Ping glanced at Yu Wenqiang. Although he was young, he had already reached the second level of Mahayana realm. No wonder he could assume the position of prime minister in the Xiao Dynasty!

“Prime Minister Yu, can I take the head of the Zhen family and others with me?”

Chen Ping asked!

“Of course, as long as Mr. Chen goes, it doesn’t matter how many people come...”

Yu Wenqiang said!

“Okay, let me say goodbye, and we’ll leave then!”

Chen Ping nodded, and then went to tell Huofeng and Bai Qian that they were going!

He couldn’t leave quietly by himself. It was estimated that when he came back, the two of them would be angry again. They were punishing him, and Chen Ping couldn’t bear it!

Chen Ping has truly understood the strength of these two women!

After saying goodbye, Chen Ping followed Zhen Yuandao and others, and followed Yu Wenqiang to the Xiao Dynasty!

Chen Ping and the others were sitting in the car, while outside there were eight spiritual beasts pulling the car forward!

These eight spiritual beasts all have huge wings, but their bodies look like tigers, so they are called flying tiger beasts!

“Prime Minister Yu, does your Xiao Dynasty raise many spiritual beasts?”

Chen Ping asked!

You must know that raising spirit beasts is very troublesome and expensive. Many people can't even get the resources for their own cultivation, let alone the resources for the spirit beasts to consume!

Chapter: 7036

Therefore, many people do not know how to tame spirit beasts. Even in relatively large sects, there are not many who tame spirit beasts!

Now the Xiao Dynasty is still raising spirit beasts and using them to pull carts, which shows that the Xiao Dynasty is really rich!

"It's not a lot. Compared to the Xiao Dynasty, which is as big as Xiao Dynasty, there are many places that need spiritual beasts."

"There are probably several thousand spiritual beasts now..."

Yu Wenqiang said!

"Thousands of heads?"

Chen Ping was shocked, and even Zhen Yuandao and others looked shocked!

Thousands of spirit beasts consume a lot of money every day. Except for the top power in the heaven and human world like Xiao Dynasty, no one can afford to raise so many spirit beasts!

"Mr. Chen, don't worry. There are only a few dozen spirit beasts that are sick, not all of them are sick."

Seeing Chen Ping like that, Yu Wenqiang quickly explained!

He thought Chen Ping was frightened when he heard that there were thousands of spiritual beasts!

After all, there are thousands of spiritual beasts. Even if Chen Ping is powerful, he probably won't be able to cure them. He won't be able to finish watching them even if they tire him to death!

"Prime Minister Yu, what are the symptoms of these spiritual beasts?"

Chen Ping wanted to know in advance what the symptoms of these spiritual beasts were, so that he would know how to deal with them!

"Mr. Chen, the symptoms of these spiritual beasts are different, so I can't tell you in detail. You can see for yourself when you get there!"

Yu Wenqiang said!

"Okay!" Chen Ping nodded and said nothing more!

The flying tiger beast pulled the cart and flew rapidly in the air. After walking for nearly a day, they finally opened a very majestic and spectacular city!

This city is probably many, many times larger than the Demon Imperial City!

"Is this the Xiao Dynasty?"

Chen Ping looked at the city below and said in shock!

“Mr. Chen, this is Wuhui City, the capital of the Xiao Dynasty. In fact, we have already entered the territory of the Xiao Dynasty.”

“The entire Xiao Dynasty has one hundred and seventy-two capitals, and the area is extremely broad!”

Yu Wenqiang said!

Chapter: 7037

Only then did Chen Ping realize that they had entered the Xiao Dynasty a long time ago. This huge city was just the capital of the Xiao Dynasty!

Chen Ping had heard that the Xiao Dynasty was powerful, but he didn't expect it to be so powerful!

The flying tiger beast fell towards Wuhui City. When it got closer, Chen Ping discovered that this huge Wuhui City had formations all around!

It seems that the Xiao Dynasty also has formation masters, and there should also be pharmacists. However, it seems that the pharmacists in the Xiao Dynasty cannot deal with these sick spiritual beasts!

The flying tiger beast pulled the cart and landed at the city gate. After seeing the flying tiger beast, several guards immediately opened the city gate respectfully!

When many people in the city saw this, they all moved out of the way and stopped moving forward. No one moved!

Chen Ping glanced at it and saw that the city gate guards were actually capable of transcending the Tribulation Realm!

Zhen Yuandao and others also looked at it with shocked faces. It seemed that they had never been to this city without regrets!

Even the people guarding the gate are in the Tribulation Realm, which shows how strong the Xiao Dynasty has become!

Zhen Yuan said that the four major families in Yongle City really were nothing in front of the Xiao Dynasty!

Even Chen Ping, who has traveled extensively and seen many people in the world, is now deeply shocked by the power of the Xiao Dynasty!

Especially this Wuhui City, this is the largest city he has ever seen!

“Prime Minister Yu, why didn’t everyone in the city stop moving after we entered the city?”

Chen Ping looked at the people standing still on both sides of the street and asked curiously!

“This is the rule of our Xiao Dynasty, and it is also to avoid assassination. After all, in such a large dynasty, there will always be people with evil intentions.”

Yu Wenqiang said bluntly!

When Chen Ping heard this, he was speechless. This kind of rule can really avoid being assassinated. No one is allowed to move. If he moves, he will be regarded as an assassin. Although this method is unethical, it is very effective!

Chen Ping knew that it was actually the same in the secular world. Often when high-level officials travel, they would impose martial law in advance and clear out the people.

It seems that there is no difference between the celestial world and the secular world!

It's just that everyone in the world of gods and humans is a monk, but after everyone becomes an immortal, those who cultivate it will be worthless!

Soon, Chen Ping and the others arrived at the Imperial City in the center of the city. After arriving here, Chen Ping and the others got off the car and could only walk in!

However, Xiao Yuanshan and Xiao Feng and his son were already waiting at the entrance of the imperial city!

It can be seen that Xiao Yuanshan attaches great importance to Chen Ping!

"Mr. Chen, thank you for your hard work after traveling and traveling..."

Chapter: 7038

Xiao Yuanshan stepped forward very politely and greeted Chen Ping without any airs!

Xiao Feng bowed deeply towards Chen Ping and said: "Mr. Chen, your life-saving grace will be unforgettable..."

"Emperor Xiao, my prince, you are too polite, I am just a little help."

"What's more, you all paid for it. This is considered a transaction, not a life-saving favor!"

Chen Ping quickly waved his hand and said!

Xiao Yuanshan's attitude of following Xiao Feng made Chen Ping a little flattered!

Zhen Yuandao and the others were filled with envy when they saw this scene. If their Zhen family could receive such courtesy from Emperor Xiao, then the Zhen family would be prosperous!

"Oh, I almost forgot. I still have immortal bones that I haven't given to Mr. Chen. I'll order someone to get them right now!"

After hearing Chen Ping's words, Xiao Yuanshan suddenly slapped his forehead and said!

"Emperor Xiao, that's not what I meant. You can take the immortal bones anytime. Let's go see those sick spiritual beasts!"

Chen Ping knew that Xiao Yuanshan had misunderstood him!

"Okay, then I'll take you to see..."

Xiao Yuanshan nodded and said!

From the beginning to the end, Xiao Yuanshan did not say a word to the Zhen family. From this, it can be seen that the Zhen family is really like ants in front of the Xiao Dynasty!

Xiao Yuanshan personally took Chen Ping and the others to the side of the imperial city. There was a large area here where many spiritual beasts were kept in captivity!

"Mr. Chen, I don't know what happened to the spiritual beasts in this circle. They suddenly became what they are now. Take a look!"

Xiao Yuanshan pointed to one of the yards raised using formation methods and said!

Chen Ping took a look and found that there were dozens of spirit beasts here, but these spirit beasts looked a little sluggish, and some spirit beasts had all their senses gone, and some were roaring and their eyes were red!

The symptoms of these spiritual beasts are actually different, which makes Chen Ping feel a little strange!

“Are there no problems with other spiritual beasts?”

Chen Ping asked!

“No, even the spirit beasts in the next courtyard are normal, and these spirit beasts have the same resources every day.”

“I just don’t know why, but suddenly something went wrong with the spiritual beasts in this courtyard. I asked all the pharmacists in the imperial city to look at it, and they couldn’t find the reason at all!”

Xiao Yuanshan said!

Chapter: 7039

“This is strange. Since these spiritual beasts consume the same resources, why is it that only the spiritual beasts in this yard have problems?”

“Is it because of a viral infection? But these spirit beasts are not of the same species, so how could they be infected?”

“How strange!”

Chen Ping frowned slightly, then looked at Zhen Yuandao and Zhong Qing and said, "Two of you, do you see any problem?"

Zhen Yuandao and Zhong Qing also shook their heads. They didn't know why this happened!

If there is a problem with the various fairy grass resources that are fed, why are the other spiritual beasts fine?

"Emperor Xiao, can I go in and take a closer look?"

Chen Ping asked Xiao Yuanshan!

Xiao Yuanshan nodded and said: "Of course, Mr. Chen should be more cautious. Many of these sick spiritual beasts are disobedient and may attack you."

"I will pay attention..."

Chen Ping nodded, then asked Xiao Yuanshan to open the formation, and then walked in!

Others were watching outside, but Xiao Yuanshan was ready to open the formation at any time to let Chen Ping out!

After Chen Ping walked in, these spiritual beasts did not attack Chen Ping. They just glanced at Chen Ping and ignored him!

Chen Ping walked towards a spirit beast lying on the ground and gently touched the spirit beast's head with his hand. However, the spirit beast did not move at all, and was not even willing to raise its eyelids!

When Chen Ping saw this, he knew that the spirit beast must be seriously ill. You must know that spirit beasts are very vigilant. Except for their owners, if any strangers approach, they will definitely go crazy.

The aura on Chen Ping's body was not familiar to this spirit beast, but the spirit beast allowed Chen Ping to touch it without any reaction!

He shot out a stream of spiritual energy and circulated it around the body of the spiritual beast, but Chen Ping didn't find anything special!

Then Chen Ping walked in front of a spotted leopard. Just when Chen Ping was about to reach out to the leopard, suddenly there was a purring sound in the leopard's belly. This was a sign that the leopard was going to attack people. !

Moreover, the spirit leopard opened its eyes with red light, and its huge fangs kept showing towards Chen Ping!

This is a warning to Chen Ping, don't get close to him anymore, otherwise he will attack!

Chen Ping looked at the spirit leopard in front of him. It had the strength to transcend the calamity realm, and it looked like a ferocious spirit beast at first glance. But now that Chen Ping was in front of him, the spirit leopard was just a threat. It did not let Chen Ping get close and did not initiate any action. The attack proved that this spirit leopard was also seriously ill!

Chen Ping ignored the threat from the spirit leopard and approached the spirit leopard again. This time, the spirit leopard stood up and started to attack!

"Mr. Chen, don't get close to that leopard. This guy is very cruel. He won't listen to anyone except me!"

Upon seeing this, Emperor Xiao quickly reminded Chen Ping!

Chapter: 7040

Although the spirit leopard is sick and no longer so violent and ferocious, it does not mean that it can be touched by strangers!

Moreover, this spirit leopard is also capable of transcending the tribulation realm. If it attacks Chen Ping and causes other spirit beasts to attack Chen Ping, it will be in trouble!

“Don’t worry, Emperor Xiao. I just want to find out where the problem lies.”

Chen Ping said!

“Then I will use my means to put these spiritual beasts to sleep, so that you can safely investigate!”

Xiao Huang said to Chen Ping!

“No, if the spirit beasts are asleep, there is no way to detect abnormalities in their bodies. This spirit leopard will not hurt me.”

Chen Ping said very confidently!

Chen Ping walked towards Lingbao, which made Zhen Yuandao and the others nervous.

This is a spiritual beast. Although it has been domesticated and is much docile compared to those wild beasts, it does not mean that it can be caressed casually!

Moreover, if this spiritual leopard goes crazy, it will be no different from the monster beast. In addition, there are other spiritual beasts around. Chen Ping is completely putting himself at risk!

“Emperor Xiao, please activate the formation quickly and let Mr. Chen come out...”

Seeing this, Granny Zhen hurriedly said to Xiao Yuanshan!

Chen Ping is Bai Qian’s man. If Chen Ping has his shortcomings, Bai Qian probably won’t want to live anymore. Granny Zhen can’t let anything happen to Bai Qian!

“If you activate the formation at this time, I’m afraid the spiritual beast will go crazy and rush out.”

“Don’t worry, as long as Mr. Chen is in danger, I will kill all these spiritual beasts as soon as possible.”

Xiao Yuanshan said!

In order to comfort Chen Ping, Xiao Yuanshan did not hesitate to kill all these precious spiritual beasts, which shows Chen Ping’s status in Xiao Yuanshan!

You know, it is very difficult to get a spiritual beast, and it takes a long time to tame it bit by bit!

These spiritual beasts were all killed, which was also a great loss to Xiao Dynasty!

At this moment, Chen Ping had already arrived in front of the spirit leopard. The spirit leopard with scarlet eyes opened its bloody mouth and was about to attack Chen Ping when suddenly a look of fear appeared in its scarlet eyes!

He actually felt the pressure of the holy beast from Chen Ping. This pressure of the king of beasts made the originally crazy spirit leopard become honest in an instant!

You know, Chen Ping is the true form of the Golden Dragon, with the blood of the beast clan in his body, and he is also the dragon clan, the king of beasts!

Chen Ping's slight burst of dragon spirit made this crazy spirit leopard become extremely honest!
