

The Order 7041

Chapter: 7041

I saw the spirit leopard lying on the ground like a pug, wagging its tail towards Chen Ping!

Chen Ping stroked the spirit leopard's head, and a burst of spiritual energy penetrated the spirit leopard's body!

At this time, Xiao Yuanshan and Zhen Yuandao were a little confused. They didn't understand how this spiritual leopard, who was originally crazy, suddenly became extremely honest.

They didn't feel that Chen Ping used his physical strength to suppress the spirit leopard!

After checking it, there was nothing special about this spirit leopard, which made Chen Ping a little embarrassed!

If the cause cannot be found, there is no way to treat it!

There is no problem with the feeding resources, there is no problem with the breeding environment, and even the people who raise these spirit beasts are carefully selected, and they are all the same person following other spirit beasts!

Now only the spiritual beasts in this courtyard are showing symptoms, which makes Chen Ping a little puzzled!

Chen Ping walked out of the formation and said with a slight embarrassment: "Emperor Xiao, I haven't found out the disease of the spirit beast yet, so there is no way to cure it. I need to observe it for a while to see what the cause is."

"No problem. Mr. Chen, please stay here first and you can study slowly."

“In addition, I will take Mr. Chen to get the immortal bones myself.”

“If possible, I hope Mr. Chen can stay in our Xiao Dynasty for a long time. I treat Mr. Chen as my guest. I can walk anywhere in Xiao Dynasty without anyone dare to stop me!”

Xiao Yuanshan wanted to keep Chen Ping!

After all, in Xiao Yuanshan’s eyes, Chen Ping is a talented person. If he can stay in Xiao Dynasty, it will definitely be a huge profit for Xiao Dynasty!

Chen Ping smiled slightly and said: “Emperor Xiao, I understand your kindness, but I am used to freedom, and there are still many things that have not been dealt with.”

“You also know that I am still being hunted by the Demon Sealed Alliance. If I stay in the Xiao Dynasty, I will only bring trouble to Emperor Xiao!”

“Mr. Chen, if you stay in the Xiao Dynasty, the Demon Sealing Alliance will not dare to pursue Mr. Chen in my territory of the Xiao Dynasty, no matter how brave they are.”

When Xiao Yuanshan heard this, he immediately patted his chest and said!

“No, I’m here to help Emperor Xiao cure the spirit beasts, and I have to rush back to the Central Territory as soon as possible. Now that the Feng family has occupied Fox Emperor City, my woman is homeless. I can’t just sit back and watch!”

Chen Ping shook his head and said!

“Feng Family?” Xiao Yuanshan frowned slightly, then looked at Yu Wenqiang who was aside and said, “Prime Minister Yu, which city is closest to the Central Territory?”

“Back to Emperor Xiao, it’s Liefeng City where General Qian is stationed.”

Yu Wenqiang said!

“Inform General Qian immediately, take people to Fox Emperor City, destroy the Feng family, and help Mr. Chen take back Fox Emperor City!”

Chapter: 7042

Xiao Yuanshan ordered!

Yu Wenqiang was stunned for a moment, then whispered: “Emperor Xiao, this Feng family is a member of the Demon Sealing Alliance, they...”

“I don’t care what alliance he has. This is an order. Tell General Qian that if I don’t hear the news of the Feng family’s destruction in five days, let him come to the imperial city in person to apologize!”

Xiao Yuanshan’s face was cold and there was no doubt in his voice.

Yu Wenqiang’s body trembled slightly, then he nodded quickly and said: “I understand, I’ll give the order right away!”

Yu Wenqiang left, and Xiao Yuanshan looked at Chen Ping and said, “Mr. Chen, feel free to stay here for a while, don’t worry, it’s just a Feng family, you don’t need to take it to heart!”

Chen Ping and Zhen Yuandao were all a little shocked when they saw how Xiao Yuanshan destroyed a family with just one word!

But this is strength. As long as you have enough strength, no difficulty will be called difficulty!

“Xiao Huang, thank you very much!” Chen Ping raised his hand towards Xiao Yuanshan!

Chen Ping also plans to join forces with Chen Wenliang’s people from the Central Region Pharmacist Association to go with him to take back Huhuang City and destroy the Feng family!

Now, it seems that it is no longer useful.

Xiao Yuanshan personally made arrangements for Chen Ping and the others, and then personally brought the immortal bones!

This is a leg bone. It is obvious that the bones have been jade for a long time!

The crystal clear leg bones are like white jade!

The moment Chen Ping took the immortal bones, he knew that these were the bones of Demon Lord Chiyun!

Demon Lord Chiyun is also extremely excited at this moment. As long as his bones can be gathered together, he can be reborn and no longer need to be suffocated in Chen Ping’s sea of consciousness!

Now that Demon Lord Chiyun wants to move around, he needs to use Chen Ping’s body, but Chen Ping’s body cannot satisfy Demon Lord Chiyun, so he can only control the use of two moves!

If he can be resurrected, Demon Lord Chiyun will definitely find someone to fight with!

“Emperor Xiao, can I take the liberty to ask, where did you get this...this immortal bone?”

Chen Ping wanted to know where Xiao Yuanshan’s immortal bones were obtained. If he knew the address, he could try his luck there!

“The Blood and Bone Sect asked me to do something for them and then gave it to me. As for where they got it from, I don’t know.”

Xiao Yuanshan said truthfully!

“Blood Bone Gate?”

Chen Ping was slightly stunned. He seemed to have never heard of this sect!

Chapter: 7043

“The Blood Bone Sect is a group of demon cultivators who use human bones and human blood to practice and have been operating in the area of Tianmo Mountain in the Southern Territory.”

“Furthermore, people from the Blood Bone Sect will also collect many fairy bones left behind during the war between gods and demons to use as resources for training.”

“After being hunted by others, the Blood Bone Sect had no choice but to run to my Xiao Dynasty’s territory to seek shelter, so I specially gave this immortal bone as a gift.”

Xiao Yuanshan followed Chen Ping and explained!

“Then the Blood and Bone Sect is still in the Xiao Dynasty?”

When Chen Ping heard this, he seemed a little excited!

In this case, the Blood and Bone Sect probably still has the bones of Demon Lord Scarlet Cloud. If the Blood and Bone Sect can collect all the bones of Demon Lord Scarlet Cloud, then after Demon Lord Scarlet Cloud is reborn, wouldn't he become The overlord of the heavenly world?

What is the Demon-Sealing Alliance, what is the Mu family, what is the Fire Demon...

Let Demon Lord Chiyun splash his urine and kill them all!

"No more. They left Xiao Dynasty a long time ago and have only been protected by me, Xiao Dynasty, for several decades."

"I guess I have returned to Tianmo Mountain. After all, there are more immortals who have died there."

Xiao Yuanshan said!

"Oh!" Chen Ping looked depressed!

"Mr. Chen, if you are looking for the Blood Bone Sect, do you still want immortal bones? Although this thing is good, if you want to rely on immortal bones to practice, I am afraid it will not be that easy, and you can only use it as a weapon!"

Xiao Yuanshan saw Chen Ping's expression and said quickly!

"I'm just asking casually." Chen Ping quickly smiled and said!

After chatting for a while, Xiao Yuanshan left and sent someone to send Chen Ping a large amount of training resources!

Looking at the piles of resources, Chen Ping is not in the mood to practice. Now that he can't find the cause of the spirit beast's illness, Chen Ping always feels uneasy!

Lying on the bed, looking at the bright moonlight outside, Chen Ping didn't understand what the reason for these sick spiritual beasts was!

He has already inspected the bodies of these spirit beasts, and there are no pathological changes in their bodies!

Just when Chen Ping was tossing and turning and feeling a little depressed, he suddenly heard waves of deep sounds!

The sound was very soft, but very deep, as if it came from the ground!

Chen Ping quickly stood up and then walked out of the room, listening carefully with his ears perked up.

Following the direction of the sound, Chen Ping came to the courtyard of the sick spirit beast!

Chapter: 7044

Chen Ping saw that under the moonlight, those sick spiritual beasts looked panicked, curled up in the corner, and kept wailing in low tones.

Chen Ping was very puzzled. There was nothing in the yard. These spiritual beasts seemed to have seen something scary and became frightened!

Chen Ping walked towards the courtyard. Although there was a formation blocking him, this formation was simply child's play for Chen Ping. Chen Ping easily passed through the formation and walked in!

After seeing Chen Ping, those spirit beasts showed no reaction. They curled up one by one and kept rubbing their claws on the ground!

Chen Ping frowned slightly, then slowly squatted down and gently touched the ground with his hand!

Just when Chen Ping's hand touched the ground, a burning sensation suddenly hit him, and the ground seemed to shake twice!

Chen Ping stood up suddenly and stared at the ground. He knew that there must be something under the ground, but his spiritual consciousness was unable to penetrate the ground and find out what was inside!

Chen Ping tried to wave his palms towards the ground, but the ground showed no response, which made those spirit beasts panic even more!

This time, Chen Ping was even more convinced that there was something under the ground. With Chen Ping's current strength, if he hit it with a palm, a deep pit would definitely appear on the ordinary ground!

"Is there a formation on the ground?"

Chen Ping tried to find if there were formations carved on the ground, but after searching several times, Chen Ping could not find any traces of the formations. There was not even a single formation pattern on the ground!

"It's so weird..."

Chen Ping fell into deep thought!

While Chen Ping was meditating, the moonlight slowly shone into the courtyard. Under the full moon, Chen Ping discovered that there were faint formation patterns on the ground!

The formation patterns were very faint, so faint that they were almost undetectable. If it weren't for the moonlight, Chen Ping wouldn't have been able to notice that there were actually formation patterns on the ground!

But just when Chen Ping was about to take a closer look at what the formation pattern was and how to crack it, the moonlight suddenly weakened, and the looming formation pattern disappeared in an instant!

Chen Ping raised his head and looked at the full moon. He knew that only when the full moon was in the sky, the array patterns would be revealed!

But the time is very short, and it is impossible for anyone to crack it!

Not to mention cracking it, if you don't pay attention, no one will notice that there are formation patterns on the ground!

It is estimated that Xiao Yuanshan has not known that there are formation patterns on the ground in this courtyard for so many years!

It seems that the spiritual beasts in this yard are getting sick one by one, and it must be related to the things underground!

I just don't know what is hidden under this formation?

But now that the formation pattern is gone, Chen Ping can't find it no matter how he uses his spiritual consciousness!

If the formation pattern cannot be found, it will be impossible to crack it. If it cannot be cracked, we don't know what will be in the ground. If we don't know what is there, there will be no way to cure the disease of this spiritual beast!

Chapter: 7045

If it really doesn't work, we can only move these spiritual beasts away and raise them elsewhere. Maybe the diseases on our bodies will slowly get better!

"Boy, don't you already understand the divine patterns? You can lay divine patterns on the ground. This way, the original formation will definitely be violated, and the original formation will be revealed!"

Demon Lord Chiyun said to Chen Ping!

When Chen Ping heard this, his eyes suddenly lit up and he said: "Yes, why didn't I expect that? I didn't expect that the senior also understands the art of fighting."

"Staying in your sea of consciousness all day long, I understand a little bit!" Demon Lord Chiyun said with a smile!

Chen Ping hurriedly laid out a divine pattern. Although he didn't know the level of the opponent's formation, Chen Ping tried his best to lay down the divine pattern!

If the divine pattern is too simple and poses no threat, there will be no way to interfere with the original formation!

As the divine patterns laid out by Chen Ping slowly fell, the ground soon shook gently, and those spiritual beasts kept roaring!

Sure enough, when the divine patterns laid out by Chen Ping fell to the ground, formation patterns suddenly flashed on the ground. This time, the formation patterns were obviously much brighter, and the entire formation could be clearly seen!

Chen Ping did not dare to delay at all, and immediately began to decipher the formation patterns!

It only took a quarter of an hour for the formation pattern to crack Chen Ping. It can also be seen that although the formation pattern is very concealed, it is not an advanced formation!

When the formation pattern was cracked, the ground suddenly collapsed, and then a dark downward hole appeared in front of Chen Ping!

At the entrance of the cave, waves of heat kept coming, and those spirit beasts became even more frightened!

After taking a few glances, Chen Ping walked towards the entrance of the cave!

After walking in, Chen Ping found that the space was distorted and he actually entered another space!

It seems that this is not underground, but a separate space!

Those formation patterns are the key to opening this space!

This space is not very big, but it is extremely hot inside, like being inside a fire!

Fortunately, Chen Ping has the origin of fire and extremely cold ice flames, so he is not afraid of heat at all, let alone being burned to death!

Chen Ping looked around and wanted to know where the heat wave here came from!

But just as Chen Ping was looking around, a burst of flames suddenly hit Chen Ping!

Chen Ping frowned, waved his hand, and a burst of fire shot out instantly, and the flames collided violently!

boom!

With a loud noise, heat waves rolled, and the entire space was filled with flames!

Chapter: 7046

Only then did Chen Ping realize that in the corner of the space, a little guy was looking at him eagerly!

This little guy has horns on his head, looks like a lion, and has flames burning around his body!

At a glance, this little guy looks similar to the little swallowing beast in Chen Ping's storage ring!

"Is this another little sky-swallowing beast?"

Chen Ping looked at the little guy in front of him and said in confusion!

"That bullshit Sky-Swallowing Beast, this is the Fire Qilin. It's no match for my Sky-Swallowing Beast. It's the mount of Lord Fire Star. I didn't expect that this idiot's mount also fell in the world of gods and humans."

"It seems that this little fire unicorn has just hatched. No wonder those spiritual beasts are sick and can't find the reason. I think they are just scared."

Demon Lord Chiyun said with a smile!

In this way, not only his mount fell in the world of heaven and man, but Lord Fire Star also fell. No one should laugh at anyone then!

“Fire Star Lord’s mount?”

Chen Ping looked at the little fire unicorn in front of him, and suddenly remembered that the Fire Star Lord wanted to see the sky-swallowing beast in his storage ring.

When he took it out and said it was the Qilin Beast, Lord Huo Lingxing was obviously unhappy and said that it was the Sky-Swallowing Beast, the mount of Lord Red Cloud!

Apparently, Lord Fire Spirit Star at that time was also hoping that his mount would be reborn or give birth to an heir!

“Catch this little fire unicorn. It can be used as a mount for you. If this guy grows up, he can be your bodyguard.”

“It is estimated that no one in the heaven and human world can deal with this fire unicorn...”

Demon Lord Chiyun encouraged Chen Ping to capture the little fire unicorn!

When Chen Ping heard this, he also wanted to catch it, but as soon as he got close, the little fire unicorn suddenly opened its mouth again and sprayed thick flames towards Chen Ping!

Chen Ping hurriedly dodged and looked at the little fire unicorn. Unexpectedly, this little guy had a bad temper!

“This is too difficult to catch. Even if it is caught, it will probably be difficult to tame...”

Chen Ping said with a headache!

“It doesn’t matter, let my sky-swallowing beast take care of it. My sky-swallowing beast is a rare monster that can scare this fire unicorn to death!”

Demon Lord Chiyun said!

“Senior, that sky-swallowing beast is awesome, but it only eats and sleeps. It’s disobedient, and I can’t make it wake up.”

Chen Ping was speechless. This sky-swallowing beast was indeed powerful, but when it would wake up, Chen Ping had no way of controlling it!

Chapter: 7047

But as soon as Chen Ping finished speaking, the storage ring trembled, and the little swallowing beast woke up and appeared directly in front of him!

It seemed to be aware of the existence of the little fire unicorn, so it woke up!

Seeing the sky-swallowing beast in front of him, the fire unicorn suddenly had panic in his eyes!

I saw the little sky-swallowing beast strutting towards the little fire unicorn!

The little fire unicorn clamped its tail between its legs and never dared to breathe fire again!

Let the little sky-swallowing beast pass by and slap its head with its claws, but the little fire unicorn did not move!

When Chen Ping saw this, he also walked over and stroked the little fire unicorn. The little fire unicorn stopped moving and was not hostile to Chen Ping!

“This is really one thing that brings down another thing...”

When Chen Ping saw this, he couldn't help but sigh!

“Huo Lingxing Jun's Fire Qilin is just rubbish. This guy can brag and has a bad temper. He always feels that he is great.”

Demon Lord Chiyun mocked Lord Huo Lingxing!

After hearing this, Chen Ping didn't dare to say anything. No matter whether Huo Lingxing Jun was trash or not, he was afraid that he would be instantly killed by Huo Lingxing Jun with just one look!

But speaking of bad tempers, it seems that these immortals in heaven have quite explosive tempers...

“Boy, why don't you take advantage of the fact that the little fire unicorn has just hatched and quickly recognize its owner? Once you recognize its owner, it will be your mount.”

“Otherwise, when it grows up, it will be difficult to recognize its owner, and it might even be taken away by that guy, Lord Fire Star!”

Demon Lord Chiyun reminded Chen Ping!

“Senior, how can you recognize your master?”

Chen Ping had no idea how to follow these auspicious beasts and recognize their masters!

“Essence and blood, as long as you feed this little fire unicorn with your essence and blood, and it drinks your essence and blood, it will be considered its master!”

Demon Lord Chiyun said!

Upon hearing this, Chen Ping did not hesitate to force out dozens of drops of blood from his eyebrows. These blood essences floated in the air, floating in front of the little fire unicorn!

“Drink, drink, as long as you drink my essence and blood, you will be mine.”

Chen Ping kept talking towards the little fire unicorn!

Xiaohuo Qilin looked at Chen Ping’s essence and blood, and seemed to know what Chen Ping wanted to do. He didn’t even open his mouth or lick Chen Ping’s essence and blood!

Chapter: 7048

“What...what’s going on?”

Seeing that the little fire unicorn didn’t drink his own essence and blood, Chen Ping was very puzzled!

“Hahaha, I guess it’s because your boy’s strength is too low to be its master. You, a young monk in the Tribulation Realm, are probably the first in the world to let the Qilin Rui Beast recognize it as its master!”

Demon Lord Chiyun laughed!

“What should we do?”

Chen Ping looked embarrassed.

At this moment, the little sky-swallowing beast suddenly raised its claws and slapped the little fire unicorn hard on the head twice!

Then he motioned to the little fire unicorn to drink the essence and blood!

Under the power of the little swallowing beast, the little fire unicorn had no choice but to open its mouth, stick out its tongue, and lick Chen Ping’s blood clean!

The moment the little fire unicorn swallowed Chen Ping’s essence and blood, Chen Ping suddenly felt that he seemed to have some kind of telepathy with the little fire unicorn!

Xiaohuo Qilin also looked at Chen Ping blankly. Although there was disdain in his eyes, he had no choice but to come to Chen Ping and nuzzled Chen Ping gently!

The little fire unicorn would definitely not be happy to let a young cultivator in the Tribulation Realm be his master, but with the sky-swallowing beast watching eagerly from the side, it had no choice but to accept it!

Chen Ping gently stroked the little fire unicorn, feeling extremely happy. With this mount, he would have an extra helper in the future!

Even without an airship, Chen Ping can still ride the fire unicorn and run around without wasting his spiritual energy!

But this little fire unicorn is still too young, and Chen Ping doesn’t know how many resources will be needed to raise it!

A sky-swallowing beast tortured Chen Ping so much. Many things were swallowed by this guy, and now there is a little fire unicorn!

Chen Ping's own cultivation also requires a lot of resources. The resources he needs are many times more than those in other tribulation realms!

With three huge consumers together, where will the huge resources come from?

But now that the matter has come to this, Chen Ping can only take one step at a time. If that doesn't work, he can only seize resources!

There are no rules in the world of gods and humans. It's all about the weak and the strong. It's okay to find some sects and aristocratic families to snatch some resources!

It's just that Chen Ping still can't get over the test in his heart!

After putting the little fire unicorn and the little swallowing beast into the storage ring, Chen Ping left that space!

After leaving, the space instantly shattered and then disappeared. Even the formation patterns on the ground disappeared with it!

The spiritual beasts in the yard, after the Little Fire Qilin was placed in the storage ring by Chen Ping, have obviously become much gentler, and are no longer fearful and irritable!

Chapter: 7049

It seems that it was this little fire unicorn that frightened these spiritual beasts and then became ill!

After a few days of cultivation, these spiritual beasts will definitely recover!

Chen Ping returned to his room and looked at the piles of resources. Only then was he in the mood to practice!

With his eyes closed slightly, the Heart Condensation Technique was running, and a large amount of spiritual energy was pouring into Chen Ping's body!

I don't know how much time has passed, and I don't know whether it's day or night!

Chen Ping only felt his body tremble slightly, golden light shot out from the room, and the sky was covered with dark clouds, as if it was the end of the world!

"This is Fellow Daoist Chen's breakthrough..."

Looking at the dense clouds of thunder and calamity in the sky, Zhen Yuandao said in surprise!

"Transcending Tribulation Realm, a small breakthrough in the realm, can actually trigger such a thunder catastrophe. No wonder Chen Ping, who is only at the sixth level of Transcending Tribulation Realm, can fight against the Mahayana Realm masters alone."

Zhong Qing also looked at the thunder clouds in the sky in shock and said!

"How many days has it been?"

Xiao Yuanshan asked!

“Emperor Xiao, it’s been five days...”

Yu Wenqiang said on the side.

“It took five days to break through. Although it is only a small realm, this movement is not weak at all compared to the peak breakthrough of the Tribulation Realm.”

Xiao Yuanshan sighed with emotion!

“Emperor Xiao, General Qian is here to report that the Fox Emperor City has been recaptured and the Feng family has been destroyed. However, this incident has alarmed the Demon Sealing Alliance. It is estimated that the Demon Sealing Alliance may take action against us in the future.”

“General Qian was afraid that people from the Demon Sealing Alliance were attacking Fox Emperor City, so he personally led people to guard there, waiting for Mr. Chen to go there before returning it.”

Yu Wenqiang knew that the reason why Xiao Yuanshan asked him about time was not just to talk about Chen Ping’s cultivation speed!

Since the order to destroy the Feng family has been issued within five days, it must be done!

If you fail to do so, the consequences will be serious!

Although Xiao Yuanshan seems harmless to humans and animals, he is very kind and polite to others!

But there are clear rewards and punishments for his opponents, otherwise how could he be in charge of such a huge Xiao Dynasty!

“General Qian has done a great job. When he comes back, he will be rewarded heavily!”

Chapter: 7050

“As for the Demonic Alliance, ignore them. As long as they dare to touch our Xiao Dynasty people, they will be killed without mercy...”

Xiao Yuanshan nodded with satisfaction!

It seems that General Qian has thought carefully and is afraid that the people from the Demon Sealing Alliance will attack Fox Emperor City again!

However, Xiao Yuanshan knew that since he wanted to protect Chen Ping, there would definitely be conflicts with the Demon Sealing Alliance, but Xiao Yuanshan was not afraid!

If the Demon Sealing Alliance can expand its power to the entire heaven and human world, there will definitely be support from experts behind it!

Xiao Yuanshan is able to control such a huge Xiao Dynasty in the heaven and human world. Is there no expert behind him?

If there really is a large-scale conflict following the Demon Sealing Alliance, those from the Heavenly and Human Realm will definitely come forward!

Rumble.....

At this time, suddenly a thunderstorm struck down hard!

The house where Chen Ping was was instantly smashed into pieces. The lightning hit Chen Ping, but Chen Ping remained motionless!

At the same time, above Chen Ping's head, a vague figure slowly appeared. This was another Chen Ping. Chen Ping's True Fire Body slowly appeared from the sea of consciousness, and he was also suffering from the thunder tribulation of heaven and earth!

This kind of thunder tribulation can also make Chen Ping's true fire body more solid. When the true fire body is completely solidified, Chen Ping will have a real clone!

Even if the physical body is destroyed, there is no need to worry, because the true fire body is solidified and becomes a body of flesh and blood!

Chen Ping can use the True Fire Body to resurrect at any time, which is equivalent to having an extra life!

Rumble...

Another lightning strike struck down!

I don't know how long it took, and I don't know how many lightning strikes struck down, but they didn't cause any harm to Chen Ping!

You know, there are many monks who have died under the thunder tribulation. It is very dangerous to survive the thunder tribulation. The higher the strength, the more powerful the thunder tribulation is!

But Chen Ping looked as if this thunder tribulation was tickling him!

Chen Ping slowly opened his eyes, and the True Fire Body instantly entered Chen Ping's body!

"Huh, this time the thunder tribulation seems to be much easier than before!"

Chen Ping himself also felt that the thunder tribulation was not so powerful anymore!

“Your True Fire Dharma Body has helped you block the lightning disaster. Of course you feel relaxed.”

Demon Lord Chiyun said!
