

The Order 7051

Chapter: 7051

“What? True Fire Dharma Body?” Chen Ping was slightly startled, and quickly looked at the True Fire Dharma Body in the sea of consciousness. He found that the originally illusory True Fire Dharma Body had become much more solid at this moment, and he could really see some body details. !

“Mr. Chen, congratulations, congratulations on crossing the seventh level of the Tribulation Realm!”

Xiao Yuanshan walked towards Chen Ping and congratulated!

Chen Ping stood up and said with a smile: “I have just passed through the seventh level of the Tribulation Realm. There is nothing to show off.”

“Fellow Daoist Chen, your seventh-level Tribulation Realm is comparable to that of a first-level Mahayana monk.”

Zhen Yuandao also stepped forward and said!

“More than that, if the current Daoist Chen meets a first-level Mahayana monk, he will probably be able to beat the shit out of a first-level Mahayana monk!”

Zhong Qing even flattered Chen Ping!

During this period of time, Zhong Qing did get to know Chen Ping a lot, and also saw Chen Ping’s strength, so this is not flattery, but a fact!

“Emperor Xiao, how long have I been practicing?”

Chen Ping asked!

After all, when practicing, they have already forgotten the time. Some monks stay in seclusion for years or even decades!

Chen Ping is afraid that he has been practicing for too long and will miss the time to compete with Mu Qing. In that case, Mu Qing will definitely think that Chen Ping is a coward, and the Mu family will still cause trouble in Guanghan Palace!

“Mr. Chen, you have been practicing for five days. I didn’t expect that you would be able to break through in such a short time.”

“General Qian has already taken care of the matter in Fox Emperor City, and the Feng family has been destroyed. Mr. Chen doesn’t have to worry.”

Xiao Yuanshan thought Chen Ping was worried about Fox Emperor City!

“Thank you, Emperor Xiao. Your spirit beast should be fine these days, right?”

Chen Ping asked!

“No problem. I wonder what method Mr. Chen used to make all the spirit beasts recover?”

Xiao Yuanshan asked very curiously!

Zhen Yuandao and Zhong Qing also asked curiously: “Fellow Daoist Chen, have you found out the cause of the disease? What is the disease?”

“Actually, these spirit beasts are just caused by fear and are not sick, so we can’t find the cause at first. We just need to find the reason for their fear.”

“I also accidentally discovered that the moonlight at night would cause the ground in the spirit beast’s yard to move, making the spirit beast fearful.”

“I’ve already taken care of it, so those spirit beasts just need to be cultivated and they’ll be fine!”

Chapter: 7052

Chen Ping did not tell him about getting the Fire Qilin. After all, the fewer people who know about this kind of thing, the better!

As the saying goes, no one is guilty of having a jade in his possession. Now Chen Ping’s God-King Gong doesn’t dare to let the world have it. If everyone knows that he has a fire unicorn, I’m afraid how many people will want to kill him!

After listening to Chen Ping’s explanation, Xiao Yuanshan did not continue to ask questions. The spirit beast has been cured, so that’s fine!

“Mr. Chen, you saved my son’s life, and now you have cured so many of my spiritual beasts. I hope Mr. Chen can stay in this imperial city so that I can repay Mr. Chen!”

Xiao Yuanshan tried to persuade Chen Ping again!

“Emperor Xiao, I’m really sorry. I still have many things to deal with. Please forgive me for not being able to stay in the Xiao Dynasty.”

“I have to rush back and say goodbye...”

Chen Ping bowed his hand towards Xiao Yuanshan in embarrassment!

“Since Mr. Chen insists on leaving, I have ordered people to prepare a large number of resources, and Prime Minister Yu will personally escort you back!”

Xiao Yuanshan had long known that Chen Ping would not be able to stay, so he had already prepared gifts!

Chen Ping was not trying to shirk it. After all, his own cultivation required a lot of resources, and the two guys, the Little Fire Qilin and the Little Sky-Swallowing Beast, both needed to eat!

“Thank you!” Chen Ping thanked Xiao Yuanshan, and then followed Zhen Yuandao and others to leave!

Just when Chen Ping was about to leave, Xiao Feng suddenly appeared and stopped Chen Ping!

“Mr. Chen, I have something to ask for, and I hope Mr. Chen can help me.”

Xiao Feng said very respectfully!

“Prince Xiao, if you have anything to say, just say it. As long as I can do it, I will definitely do it!”

Chen Ping said!

“Mr. Chen, I know that you often walk in various places in the heaven and human world. I want you to help me keep an eye on A’Zhu and see where she has gone!”

Xiao Feng said!

“A’Zhu, is this the girl you like?”

Chen Ping asked!

“Yes, she has actually been living in the Western Region, but she suddenly disappeared some time ago. I have been looking for her for many days.”

Xiao Feng had worry and loss on his face!

“It’s all my fault. If I had sent people to guard Miss A’Zhu early, she wouldn’t have suddenly disappeared.”

Chapter: 7053

“Son, don’t worry. I have ordered all the cities in Xiao Dynasty to search for Miss A’Zhu. I believe she will be found soon.”

Xiao Yuanshan came over and comforted Xiao Feng, probably because he was afraid that Xiao Feng was ill, which would cause trouble!

“Prince Xiao, I will help you keep an eye on it. Once there is information about Miss A’Zhu, I will notify you as soon as possible.”

After Chen Ping finished speaking, he took out some sound transmission jade slips and handed them to Xiao Feng!

Xiao Feng was shocked when he saw Chen Ping casually taking out a jade slip for sound transmission!

After all, this thing is very expensive in the world of gods and humans. Even if he is the prince of the Xiao Dynasty, he would not dare to be so extravagant!

“Thank you Mr. Chen!”

Xiao Feng took the jade slip and bowed deeply towards Chen Ping!

After Chen Ping said goodbye to Xiao Yuanshan and his son, he was escorted back to Yongle City by Prime Minister Yu!

Chen Ping, who returned to Yongle City, did not stay long. Instead, he took Bai Qian, Huo Feng and the others on an airship and rushed back to Fox Emperor City!

When we parted, Grandma Zhen held Bai Qian and cried for a long time!

After all, the two have been together for decades. Grandma Zhen reconciled with Zhong Qing this time and will not return to Fox Emperor City, so she is a little sad!

However, there is no such thing as a banquet that lasts forever, and it is normal for the world to be divided and reunited!

On the way to Fox Emperor City, Bai Qian was still in a low mood, while Huo Feng and Chen Ping kept persuading him!

After a day of formation, the airship slowly landed on the outskirts of Fox Emperor City!

Looking at the Fox Emperor City in front of her, Bai Qian felt a little better!

“Hey, I don’t know what kind of damage the Feng family has done to my imperial city during this period of time.”

“And I don’t know what happened to my former subordinates!”

Bai Qian sighed softly, worried about his subordinates!

“Don’t worry. If the Feng family occupies Fox Emperor City, it’s impossible to kill everyone in Fox Emperor City. We’ll find out if we go in and take a look!”

Huofeng comforted Bai Qian and said softly!

A group of four people walked towards the Fox Emperor City!

The guards at the door all had unfamiliar faces, and they did not have the aura of beasts on them. They were obviously human monks!

Chen Ping knew that these guards should be soldiers of the Xiao Dynasty!

Chapter: 7054

When Chen Ping and the four of them walked into the city gate, several guards just glanced at it but did not stop them!

This made Chen Ping a little curious. These guards didn’t check and stop them. Could it be that they were just a decoration?

Bai Qian also frowned slightly, stopped and stepped forward to question the guards: “You guys are guarding the city gate, why don’t you check the people coming in and out?”

A guard looked at Bai Qian, and then said with a cold expression: "Our general has an order, and there is no need to check people entering and leaving."

"Without interrogation, what if there are people who are plotting evil and causing trouble in this Fox Emperor City?"

Bai Qian asked in confusion!

"We're hoping someone comes along and causes trouble, and then it's all sorted out."

"This will also help us, General Qian, get more military exploits. Our General Qian said that it is not worth it to come here with a large number of troops and only deal with a small Feng family!"

The guard replied!

Bai Qian was very confused by the guard's answer. She didn't understand what the guard meant!

Although Chen Ping had told her that the Xiao Dynasty destroyed the Feng family and recaptured the Fox Emperor City, what does this have to do with gaining military exploits?

When Chen Ping heard this, he understood instantly!

Feelings: General Qian destroyed the Feng family and took back the Fox Emperor City. He felt that his contribution was too small and he would not be able to open his mouth and follow Xiao Yuanshan to ask for the reward!

That's why I guarded the city gate laxly and let those who still have ideas about Fox Emperor City come to cause trouble!

In this way, General Qian can continue to suppress. In this way, General Qian will pay more and his achievements will be greater!

When the time comes to follow Xiao Yuanshan to report his military exploits, he will have something to say!

“Thank you very much...”

Bai Qian thanked the guard and prepared to enter the city!

“Stop!” At this time, a soldier wearing silver armor and a sturdy back came over, with a dozen people behind him.

“Captain Zhang...”

When several guards saw the sergeant, they quickly shouted respectfully!

Captain Zhang walked up to Chen Ping and the others. After looking at a few of them, he smiled coldly and said, “I have been observing you for a long time. Why did the soldiers like me just ask so many questions?” Do you want to cause trouble in this Fox Emperor City?”

“Let me tell you, Fox Emperor City is now completely under the control of our Xiao Dynasty. If you want to cause trouble, you’d better think twice...”

Upon hearing this, Bai Qian quickly explained: “I think you misunderstood. I am the Queen of the Fox Emperor City. I am very grateful to you for helping me take back the Fox Emperor City, but I did not agree to let you control it!”

Chapter: 7055

Xiao Dynasty helped take back the mansion, and Bai Qian was very happy, but now Xiao Dynasty wants to bring Fox Emperor City into its control territory, and Bai Qian will not agree to it even if he kills him!

“Are you the queen of the Fox Emperor City?”

Captain Zhang looked at Bai Qian again, and then said, “You said you are the queen here, so you are the queen? Even if you are really the queen, you still have to obey our arrangements now.”

“I suspect that you guys want to cause trouble, so you are not allowed to enter the city. Get out immediately. You can only enter after we have the right identity!”

“Why? This is my territory?” Bai Qian was anxious!

“Just because everyone in Fox Emperor City is now from my Xiao Dynasty.” Captain Zhang raised his lips, then licked his lips, “You can go in if you want, as long as you two women are comfortable serving me, You can enter this Fox Emperor City at will, and I can really make you the queen of this Fox Emperor City!”

“you.....”

Bai Qian was immediately furious, but she didn't dare to take action. After all, the other party was from the Xiao Dynasty!

“I didn't expect that there would be a scum like you among the soldiers of the Xiao Dynasty?”

Chen Ping took a step forward with a cold face and said!

“Who are you talking about? I think you guys want to come to Fox Emperor City to cause trouble, right?”

“Our general is trying to catch a few troublemakers, and I think you would be a good fit!”

“Catch me...”

After Captain Zhang finished speaking, a dozen soldiers immediately surrounded Chen Ping and the others!

Chen Ping just glanced at it, without any fear on his face!

“Do you believe it or not, how can you catch us and then how can you let us go?”

Chen Ping said calmly!

“Bah, if I don’t believe it, I won’t let you go. What can I do?”

“Let me tell you, even if you have status and background and are young masters from any aristocratic family, you can’t even think of showing off your authority in front of me.”

“We at Xiao Dynasty are not afraid of these, and I, Zhang Longhu, are even less afraid...”

Zhang Longhu’s face was full of arrogance. As a sergeant captain of Xiao Dynasty, he had to show some face wherever he went!

Xiao Dynasty is the best backer!

Although it can be seen that Chen Ping and the others may have some family background, in Zhang Longhu’s eyes, any background is not worth mentioning!

“Whether you’re afraid or not, you’ll know soon!”

Chapter: 7056

Chen Ping smiled and actually stretched out his hands and asked the soldiers to tie them up!

When Ji Yun and the others saw this, they didn’t resist and were restrained by the other party!

In this way, the four people were escorted towards the main hall of Fox Emperor City!

This used to be Bai Qian’s palace, but now that you enter, you will be escorted and become a prisoner!

In the main hall, a middle-aged man with a strong build and squinted eyes was lying on a chair in the main hall to rest!

After hearing the movement, he slowly opened his eyes!

“General, there were four guys who wanted to cause trouble, and I arrested them...”

Zhang Longhu said to General Qian!

General Qian just glanced at it, frowned slightly and said: “Zhang Longhu, you are getting worse and worse at doing things. I want to take this opportunity to gain some military exploits and let you catch some people who are causing trouble. No matter what, I must catch some of them.” “Strength.”

“These guys are all minor cultivators in the Tribulation Realm. They have not even surpassed the seventh level of the Tribulation Realm. Can this be considered military merit?”

“Why don’t you catch some Fusion Realm monks for me and let me claim the credit?”

“Trash, I asked you to capture some capable people, especially those from the Demon-Sealing Alliance. Emperor Xiao has said that when you encounter people from the Demon-Sealing Alliance who are looking for trouble, kill them first and then tell them!”

“Jiang family, I think these four guys are members of the Demon Sealing Alliance...”

Zhang Longhu winked at General Qian and said!

General Qian understood the idea, sat up instantly, straightened his body and said, “What are you four guys from the Demon Sealing Alliance doing in Demon Imperial City? Are you unconvinced and want to avenge the Feng family?”

“We are not from the Demon Feng Alliance. I am the queen of this Demon Imperial City. How can I avenge the Feng family?”

When Bai Qian heard this, she quickly explained loudly!

“Queen?” General Qian stood up in a hurry and looked at Bai Qian. “You said you are the queen. Do you have any evidence?”

“I have more evidence, can you recognize me? If you find those people from Fox Emperor City, they must know me.”

Bai Qian planned to let his former subordinates identify him, and his identity would be confirmed!

“General, don’t listen to these guys’ nonsense. They are members of the Demon Sealing Alliance. Now record them and leave these four people to me.”

Zhang Longhu said to General Qian!

General Qian nodded: "Okay, I will report to Emperor Xiao right now that I have captured four more people from the Demon Sealing Alliance..."

When Bai Qian heard this, she was so angry that she almost cursed!

Chapter: 7057

At this time, Chen Ping said: "I have a token here that can prove our identity."

"What token?"

General Qian looked at Chen Ping and asked!

With a thought in Chen Ping's mind, Xiao Dynasty's token flew out directly from the storage ring!

General Qian reached out and took the token directly in his hand!

The moment he saw the token, his whole body trembled and he almost knelt down!

General Qian's body was trembling, and he was going to untie Chen Ping and the others!

"Wait a minute!" Chen Ping immediately stopped General Qian, and then glanced at Zhang Longhu, "Whoever tied us up must untie us!"

When General Qian heard this, he immediately understood what Chen Ping meant, and immediately said to Zhang Longhu: “Why don’t you loosen your ties quickly...”

“General, what are you...”

Zhang Longhu was confused and didn’t understand what was going on with General Qian!

“I asked you to fucking loosen your bonds, you are deaf...”

General Qian kicked Zhang Longhu hard. The kick was so hard that he kicked Zhang Longhu away!

Then Zhang Longhu got up and hurriedly ran to release Chen Ping and the others!

“You must be Mr. Chen, right? I’m really sorry. We were blind, and we hope Mr. Chen won’t blame us!”

General Qian held the token with respectful hands and handed it back to Chen Ping!

He only knew that Xiao Huang awarded a token to a fellow Taoist named Chen, but he did not know Chen Ping.

At this moment, Zhang Longhu also saw the token. When he saw that the token was issued by Xiao Huang himself, he knelt down with a pop!

He never thought that such a young monk of the seventh level of Transcending Tribulation Realm would have such great energy that Emperor Xiao would personally grant the token!

“Mr. Chen, I was wrong. You don’t remember the faults of villains. It’s me who looks down on others.”

Zhang Longhu kowtows desperately!

Because he knew that if Chen Ping said anything now, General Qian would kill him without hesitation!

With the token in hand, it’s like Emperor Xiao is here in person. General Qian doesn’t dare to go against Chen Ping’s wishes even though he has many brains!

“Mr. Chen, this bastard dared to tie you up. I will kill him right now to vent my anger on Mr. Chen...”

After General Qian finished speaking, he was about to slap the dragon and tiger with his palm!

Chen Ping took action and grabbed General Qian’s wrist!

“Forget it, spare him once!”

Chen Ping said calmly!

General Qian looked at Chen Ping in shock, his face full of disbelief!

You must know that he is a peak monk of the first level of the Mahayana realm, and he will soon be promoted to the second level!

No matter how he strikes, no monk in the Tribulation Realm can stop him!

But Chen Ping easily grabbed his wrist, preventing General Qian from moving at all!

General Qian's eyes almost popped out of his head in shock!

At this moment, he finally understood why Xiao Huanghui gave the token to Chen Ping. It turned out that Chen Ping was not as simple as they saw!

If Chen Ping was just an ordinary monk in the Tribulation Realm, how could he have fallen under Xiao Yuanshan's eyes!

Chapter: 7058

"Thank you Mr. Chen, thank you Mr. Chen..."

When Zhang Longhu heard this, he quickly kowtowed to Chen Ping!

General Qian also took his hand back. After all, he didn't want to kill this dragon and tiger. This was his brother who had been with him for many years!

"Mr. Chen, the Fox Emperor City has been recaptured, and the Feng family has been destroyed. There have been no special personnel in the past two days, so it should be safe!"

General Qian followed Chen Ping and said!

"General, I have the money to work..." Chen Ping said calmly!

"It is an honor for me to work for Mr. Chen."

General Qian wiped the cold sweat from his forehead and said!

“General Qian, where are my subordinates in Fox Emperor City? Why are they all your soldiers on this road?”

Bai Qian asked General Qian!

“Oh, when we captured Fox Emperor City, there were not many orcs in the entire Fox Emperor City. Most of them were people from the Feng family, and some from the Demon Feng Alliance.”

“It’s probably because Fox Emperor City was occupied and those people ran away or were killed by people from the Feng family!”

General Qian said!

When Bai Qian heard this, she suddenly became depressed. As a queen, she ran away, leaving behind all her subordinates and people in the city. Now I don’t know what happened to them!

If they ran away, that would be better. If they were all killed, Bai Qian might not be able to forgive herself!

“Don’t be sad, take your time, I believe Fox Emperor City will still develop...”

Seeing Bai Qian like that, Chen Ping quickly put his arms around his shoulders and comforted her softly!

General Qian on the side looked at Chen Ping and Bai Qian, and instantly understood the relationship between the two, and hurriedly said: “Queen, if there is no one left, you can look for me. I believe there will be many orcs who want to find a place to rest.” Woolen cloth.”

“Until Fox Emperor City develops and stabilizes, I will send people to stay in Fox Emperor City as guards to protect the safety of Fox Emperor City!”

Now General Qian is desperately trying to curry favor with Chen Ping!

No matter how great his military achievements are, it is better to coax Chen Ping and let Chen Ping speak in front of Emperor Xiao!

“I will also order Liangyi Sect and Ziyang Sect to help. I believe that Fox Emperor City will return to its peak soon.”

Chen Ping caressed Bai Qian’s hair!

Now Bai Qian is Chen Ping’s woman, and they have feelings for each other. It’s no longer the same deal as at the beginning!

Chapter: 7059

With Chen Ping’s current strength at the seventh level of Tribulation Realm, he doesn’t need Bai Qian to protect him at all!

And Bai Qian’s bloodline has also merged with Chen Ping, so she doesn’t need to sleep with Chen Ping at all!

But now the two people still maintain a relationship, that is, feelings, not an exchange of interests!

Bai Qian looked at Chen Ping and nodded vigorously!

Chen Ping only stayed in Fox Emperor City for two days, and then headed towards Tianmo Mountain!

Ji Yun followed Chen Ping, and Huo Feng was left behind in Fox Emperor City!

After all, it is still very difficult for Bai Qian to slowly develop Fox Emperor City by himself, and Chen Ping is not too worried!

With Huo Feng accompanying him, Chen Ping can feel more at ease. After all, Huo Feng has a lot of prestige among the beast tribe!

The airship speeds through the air, crossing mountains and rivers, heading all the way towards Tianmo Mountain!

Chen Ping was sitting on the airship, calculating the time to compete with Mu Qing!

“Ji Yun, we happened to be on our way to Nanjing City and passed by the Soul Demon Sect. Let’s stop at the Soul Demon Sect to see how that kid Zhe Yan is doing!”

Chen Ping saw that he still had plenty of time to compete with Mu Qing, so he planned to go see Zhe Yan in the Soul Demon Sect!

There is another thing, that is, Chen Ping wants to follow Sect Master Jiang of the Soul Demon Sect to inquire about the Blood and Bone Sect!

The Soul Demon Sect is a sect that specializes in souls and can help people reshape their bodies!

The Blood and Bone Sect specializes in using human bones for cultivation. There are more or less connections between the two sects. Maybe Sect Leader Jiang will know about the Blood and Bone Sect!

With the news about the Blood and Bone Sect, Chen Ping can inquire about the skeleton of Demon Lord Chiyun from the Blood and Bone Sect. Maybe the Blood and Bone Sect still has the skeleton of Demon Lord Chiyun!

Ji Yun nodded, then controlled the airship and slowly entered the Southern Territory.

Soul Demon Sect!

Zhe Yan and Jiang Yulian have become partners in dual cultivation. Most of the affairs of the Soul Demon Sect are taken care of by Zhe Yan and Jiang Yulian!

Sect Master Jiang, on the other hand, rarely has any leisure time and spends all day practicing in seclusion!

“Miss, there are a few monks outside who want to see the sect master.”

A disciple of the Soul Demon Sect walked into the hall and said to Jiang Yulian!

“They are here to reshape the body again, let them in!”

Jiang Yulian said!

Chapter: 7060

The Soul Demon Sect is famous for reshaping the body, so many sects and aristocratic families, if they have disciples whose bodies have been destroyed, will come with their remaining souls to reshape their bodies!

Soon, a red-haired old man walked in with several disciples!

Zhe Yan only took one look and knew that these people were not here to reshape their bodies, because these people did not carry residual souls with them!

Zheyang himself has been a remnant soul for such a long time, so he can tell at a glance whether there is a remnant soul in the other person!

Jiang Yulian also frowned and asked, "Fellow Taoists, I wonder if you are here to reshape your body?"

"Eldest niece, it seems that you don't remember me. It's no wonder. When I left, you seemed to be still holding me in my arms!"

The red-haired old man said to Jiang Yulian!

When Jiang Yulian heard this, she said with confusion on her face: "You are..."

"My name is Di Chongjing, your father's junior brother. I became a disciple with your father back then."

"I wonder if your father has ever mentioned me to you?"

Di Chongjing asked with a smile!

When Jiang Yulian heard this, her face instantly turned ugly, but she quickly recovered and then shook her head: "I'm so sorry, my father never told me."

“But since you are my father’s junior brother, please take a rest for the time being. My father is in seclusion. Let me call my father up and reminisce with Uncle Di!”

“Hahaha, I didn’t expect that senior brother would still be so hardworking after so many years, so I’ll just wait for him!”

Di Chongjing laughed and said!

“Take Uncle Di to rest and be sure to entertain him!” Jiang Yulian ordered a Soul Demon Sect disciple!

Di Chongjing and the others were taken down to rest, but after Jiang Yulian saw Di Chongjing leaving, she collapsed on the chair with a thud!

At this moment, Jiang Yulian was sweating profusely, with panic in her eyes!

“Yulian, what’s going on?”

Seeing this, Zhe Yan hurriedly stepped forward and asked!

“That person just now turned out to be my father’s junior brother. My father mentioned this junior brother to me.”

“His junior brother is very cruel. He uses human bones to cultivate. He seems to have created some kind of blood and bone sect, sucking human blood and eating human bones.”

“And my father used what he learned to build the Soul Demon Sect. In addition to helping people, he can also earn some resources for himself.”

“Because the two people have different ideas, my father never interacted with this junior brother. I didn’t expect that he would come to our house.”
