

## **The Order 7061**

Chapter: 7061

“I don’t know what his intentions are. At this time, my father is in retreat. I’m afraid we won’t be able to cope with it!”

Jiang Yulian followed Zhe Yan in explaining in detail!

When Zhe Yan heard this, he was also shocked!

Di Chongjing could tell at a glance that he was a master in the Mahayana realm. This kind of master would be difficult for the Soul Demon Sect to deal with!

Even if Sect Leader Jiang comes out of seclusion and has many disciples of the Soul Demon Sect, it will not be easy to defeat the monks like Di Chongjing!

“It’s better to wake up my father first. We can’t let him go into seclusion anymore. If the Soul Demon Sect is gone by then, it will be useless for my father to go into seclusion.”

Zhe Yan also thought about waking up Sect Leader Jiang first and discussing countermeasures!

Zhe Yan and Jiang Yulian have become dual cultivation partners, so the names have also changed!

“Okay, let’s go wake dad up and see what he has in mind.”

Jiang Yulian followed Zhe Yan to the place where Sect Master Jiang practiced!

After waking up Sect Master Jiang, Jiang Yulian told Sect Master Jiang about Di Chongjing’s visit!

Hearing that his junior brother came to the door, Sect Master Jiang's brows instantly furrowed!

The expression on his face also became gloomy, and there was a bit of panic in his eyes!

When Zhe Yan saw this, he said: "Father-in-law, even if your junior brother is ruthless, you are his senior brother after all. He can't do anything to you, right? You don't have to worry so much."

"Hey... you don't know, this guy must be here to cause trouble. Back then, his Blood and Bone Sect harmed living beings, which made many monks angry, so we fought against him together, including me!"

"We chased and killed the people from the Blood Bone Sect all the way. In the end, these guys escaped to the territory of the Xiao Dynasty in the Western Region, and only then did they escape the disaster!"

"Now he suddenly comes to me, he must be here for revenge. In his eyes, he is not a senior brother."

"It seems that this battle is inevitable. You should gather all the disciples first. If we really do it, the situation is not right. You two will run away. The further away the better!"

Sect Leader Jiang warned Zhe Yan and Jiang Yulian!

"Father, there are only a few of them. There are many of us, so there is no need to be afraid."

"If you want to escape, we will escape together, and you will never be left behind!"

Jiang Yulian shook her head and said!

“Yes, we won’t leave your father-in-law alone, we have to go together!” Zhe Yan also said!

Chapter: 7062

“Then Di Chongjing came here after me. If I leave, he will never give up. If I stay, you will have a chance to escape!”

Sect Leader Jiang said!

“Father-in-law, how about I contact Mr. Chen? As long as Mr. Chen comes, there will definitely be a way to deal with this Blood and Bone Sect!”

Zhe Yan said that he was going to take out the jade slip to contact Chen Ping!

“No need. Even if we contact Mr. Chen, he is far away. By the time we get there, Di Chongjing will have already run away.”

“You two can play it by ear in a while...”

After Sect Master Jiang finished speaking, he walked out of the room to see Di Chongjing!

Zhe Yan and Jiang Yulian followed behind, and the other disciples of the Soul Demon Sect were also summoned!

Before Sect Master Jiang and the others arrived at the room where Di Chongjing was resting, Di Chongjing had already noticed it, and then led others out!

“Senior brother, I haven’t seen you for many years. How are you?”

Di Chongjing looked at Sect Leader Jiang and said with a smile but not a smile!

“Junior brother, your current strength is probably the highest among many junior brothers!”

Seeing Di Chongjing’s strength, Sect Master Jiang became even more panicked!

He is only at the ninth level of the Tribulation Realm, but the opponent is already at the peak of the first level of the Mahayana Realm. There is no way to make up for this huge gap in numbers with numbers!

What’s more, the people brought by Di Chongjing are also in the Tribulation Realm. Compared with the disciples of the Soul Demon Sect, their strength is much higher!

“Senior brother, you don’t need to compliment me so much. If you didn’t unite everyone to hunt me down back then, my strength would probably be even higher than it is now.”

“It’s just that after so many years, you still haven’t made any progress, and you are still in the Tribulation Stage. You really embarrass our master!”

As soon as Di Chongjing opened her mouth, she directly mentioned what happened back then. Sect Master Jiang knew that he might not be able to be kind today!

“Junior brother, when we left Master, he told us not to kill innocent people indiscriminately.”

“Although we are demon cultivators, many people are prejudiced against us and even have malice towards us, but we cannot give up on ourselves. We must regain the dignity of demon cultivators.”

“We follow other monks. We just have different cultivation methods. There is no essential difference.”

“But you suck human blood and gnaw on human bones. You are no different from the devil. I have no choice but to do justice for heaven!”

Sect Leader Jiang can only tell his own difficulties!

Chapter: 7063

If Di Chongjing didn't do this, Sect Leader Jiang wouldn't be able to unite everyone to hunt him down!

“Shut up, you keep saying to act for Heaven, do you know what Heaven is?”

“Don't pretend to be compassionate to me. Haven't you ever killed anyone or plundered resources?”

“In a place like the world of gods and humans, you tell me that you can do justice for heaven? It's just a joke.”

“Is there a way to heaven in the world of gods and humans? This is hell, a hell where we people kill each other!”

“I'll tell you the truth, I'm here today to avenge myself. I'm going to use your blood and bones to improve my strength.”

Di Chongjing stopped pretending and shouted at Sect Leader Jiang in anger!

“Junior brother, I can sacrifice my blood and bones, as long as you are willing to bypass the people of my Soul Demon Sect!”

Sect Leader Jiang knew that if a fight broke out, their Soul Demon Sect would be destroyed!

If he sacrifices himself now to save the Soul Demon Sect, he is very willing to do so!

“Father.....”

“father in law.....”

“metropolitan.....”

Jiang Yulian, Zhe Yan and many Soul Demon Sect disciples all looked at Sect Leader Jiang in shock!

Sect Leader Jiang’s spirit of self-sacrifice moved everyone very much!

“Senior brother, for the sake of our fellow disciples, I should agree to your request.”

“It’s a pity that the people under me also need training and resources, and your disciples of the Soul Demon Sect are the best resources.”

“So I can’t promise you. No one from your Soul Demon Sect can be left alive. All of them will die...”

There was indifference and cruelty in Di Chongjing’s eyes!

“you.....”

Sect Master Jiang was stunned, his eyes full of anger, “Di Chongjing, if you push me too hard, our Soul Demon Sect will not be easy to offend if we try our best.”

“Hahaha, I’m just going to push you, what can you do? I can crush you to death with just one finger!”

Di Chongjing smiled coldly, he looked down on Sect Leader Jiang at all!

Sect Leader Jiang looked at Di Chongjing and knew that there was no room for negotiation with this guy, so he gritted his teeth and said: “Everyone in the Soul Demon Sect must obey the order and fight with these people from the Blood and Bone Sect. Even if it means death, we can’t let him.” They suck blood and chew bones.”

Chapter: 7064

Sect Leader Jiang roared and shot directly at Di Chongjing!

To deal with someone like Di Chongjing who is stronger than him, he must strike first and take him by surprise!

As soon as he took action, Sect Leader Jiang used all his strength and shocking spiritual energy to move towards Di Chongjing!

Others from the Soul Demon Sect also took action at the same time!

Anyway, everyone is dead, and everyone in the Soul Demon Sect has unleashed their strongest fighting power!

Boom boom boom.....

For a moment, the Soul Demon Sect was roaring continuously, and the earth was shaking!

The spiritual energy is like a wave, spreading around one after another!

However, the disciples of the Soul Demon Sect were lower in strength after all, and soon a disciple of the Soul Demon Sect fell to the ground seriously injured!

The people of the Blood and Bone Sect did not kill them, because if these people died, they could not be used as cultivation resources!

The blood and bones on your body are most valuable only when you are alive!

But it is different for those fallen immortals. Even if those immortals have been dead for a long time, their immortal bones are still of extremely high value!

Sect Master Jiang's eyes widened and he kept attacking Di Chongjing. Every time he struck, he was extremely ruthless!

It's a pity that Di Chongjing easily dodged it every time!

Di Chongjing was just playing tricks on Sect Master Jiang at the moment. She didn't want to kill him. She just kept dodging, leaving Sect Master Jiang to be played like a monkey and confused!

But those Soul Demon Sect disciples fell one by one and were seriously injured!

Zhe Yan tried his best, and the flames went towards the disciples of the Blood and Bone Sect!

It's a pity that Zhe Yan's strength is too low. Even if the flames hit the people of the Blood and Bone Sect, they wouldn't be able to cause too much damage!

In just ten minutes, only a few disciples of the Soul Demon Sect could stand. The others all fell to the ground, groaning in pain!

When Sect Leader Jiang saw this, he gasped for air and felt extremely painful inside!

The intense consumption made it difficult for Sect Master Jiang to gather a terrifying blow at this moment. With so many disciples injured, Sect Master Jiang was extremely anxious!

puff!

A mouthful of blood spurted out, and the aura on Sect Leader Jiang's body instantly declined!

"Father....."

Chapter: 7065

"father in law....."

Zhe Yan and Jiang Yulian hurried over and helped Sect Leader Jiang!

At this moment, Sect Leader Jiang's whole body's aura has become weak, his face is covered with wrinkles, and he seems to be much older!

The intense fire attacking his heart, coupled with the rapid consumption, made Sect Leader Jiang's body unable to bear it and he collapsed.

Looking at this scene, Di Chongjing couldn't be more proud!

"Senior brother, you are such a noob. I didn't even fight back. Why can't you do it?"

"If you don't kill me, then I can take action on your daughter. There are so many people under me, and they haven't tasted the taste of dual cultivation."

Di Chongjing deliberately provoked Sect Leader Jiang.

"you....."

puff.....

Sect Master Jiang spurted out another mouthful of blood, his breath becoming even weaker.

"Hahaha..." Di Chongjing laughed crazily when she saw this!

"I rely on your grandma..."

Zhe Yan was angry. Jiang Yulian was his woman. Di Chongjing dared to humiliate her like this. As a man, how could he not be anxious!

I saw flames bursting out of Zhe Yan's whole body, and his whole body was like a burning man.

The sky was filled with red fire, and then Zhe Yan rushed towards Di Chongjing desperately!

Zhe Yan wants to use his body as a weapon and die directly with Di Chongjing!

Di Chongjing was stunned for a moment, then sneered: "With your strength, even if you blow yourself up, you won't be able to hurt me at all. In my eyes, you are nothing more than an ant."

I saw Di Chongjing wave his hand, and a blood mist spread out, covering Zhe Yan instantly!

The flames on Zhe Yan's body were extinguished instantly, and then he seemed to hit a wall. He flew out and fell heavily at Jiang Yulian's feet!

"Zhe Yan..." Jiang Yulian wanted to help her up like this, but she tried several times without success.

Zhe Yan was injured, and it was serious.

After all, Di Chongjing is a master in the Mahayana realm, and it is easy to deal with Zhe Yan!

"Yulian, I'm sorry, I don't have the ability to protect you..."

Chapter: 7066

Zhe Yan's face was full of guilt!

As a man, being unable to protect his own woman is the most incompetent sign!

"Stop talking, stop talking. If God really wants us to die, then we will die together."

Jiang Yulian said with tears.

"Eldest niece, I won't stop you if you want to die, but you have to make my men feel comfortable before you die."

After Di Chongjing finished speaking, he winked at his subordinates and said: "Go ahead, don't grab, just line up one by one..."

"Thank you, Master!"

Several guys from the Blood Bone Sect's eyes flashed, and then they headed towards Jiang Yulian.

"Di Chongjing, you beast, if something happens to you, come to me alone and I will carry it alone. Don't do anything to my daughter."

Sect Master Jiang roared, but his body couldn't move at all.

Zhe Yan also had his eyes spitting fire, but there was nothing he could do about it.

Jiang Yulian held a long sword in her hand and looked at the guys from the Blood and Bone Sect who were gleaming with eyes filled with determination.

Even if they die, they can't let these guys from the Blood and Bone Sect succeed.

"Little girl, don't think you are resisting. Just be obedient and close your eyes and it will be over soon."

"We promise to be very gentle to you, not to mention you are no longer a young lady, so don't pretend to be a loyal and loyal girl."

"If you serve us well, we can ask the sect master to let you go."

Several guys from the Blood and Bone Sect persuaded Jiang Yulian.

They were afraid that if Jiang Yulian committed suicide, they would get nothing.

"Bah, even if I die, I won't let you succeed. Even if I become a ghost, I will remember you and won't let you go."

Jiang Yulian's eyes widened and she said viciously.

"Hahaha, as a monk, you still say such things. Do you think we will let you become a ghost?"

"When we feel comfortable, we will completely destroy you and treat you like a ghost!"

A Blood Bone Sect disciple laughed crazily and then rushed towards Jiang Yulian!

"stop....."

Chapter: 7067

A sudden roar, like thunder in the clear sky, resounded throughout the entire Soul Demon Sect!

Di Chongjing and many disciples of the Blood and Bone Sect all looked up and saw an airship approaching quickly!

Seeing the airship, Di Chongjing's face instantly turned ugly!

After all, airships are not something that just any monk can use, and they are not something that ordinary sects can own!

Now such a huge airship suddenly appeared. Di Chongjing didn't know who was on the airship!

If you come to the Soul Demon Sect to rebuild your body, you will be in trouble!

Before Di Chongjing could react, the airship slowly landed, and then two people stepped out of the airship!

"Mr. Chen....."

Seeing Chen Ping, Zhe Yan, Jiang Yulian and Sect Leader Jiang coming off the airship, they suddenly became excited.

When Di Chongjing saw this, he also smiled.

He originally expected that there would be many people on the airship, but he didn't expect that there would be only two people, and they were only in the Tribulation Realm, and the highest level would not be in the seventh level of the Tribulation Realm.

This kind of little monk doesn't need Di Chongjing to take action, his own men can handle it.

Chen Ping walked up to Zhe Yan and pulled Zhe Yan up.

"Are you okay?" Chen Ping asked.

"It's okay, it's just that these guys from the Blood and Bone Sect want to defile Yulian, Mr. Chen must help me."

Zhe Yan said.

"People from the Blood and Bone Sect?" Chen Ping was delighted, and then he looked at Di Chongjing and the others from the Blood and Bone Sect.

"Are you really from the Blood and Bone Sect?"

Chen Ping asked.

"Yes, we are from the Blood and Bone Sect. Who are you two? If you are not from the Soul Demon Sect, then get out immediately and don't affect us."

Di Chongjing asked Chen Ping.

"You are quite arrogant. You dare to tell me to get lost. Now I will let you know who I am."

After Chen Ping finished speaking, he took out Xiao Dynasty's token!

Chen Ping knew that if these people from the Blood and Bone Sect had not been rescued by Xiao Dynasty and lingered on Xiao Dynasty's territory, they would have died long ago.

Therefore, people like the Blood and Bone Sect should be grateful to Xiao Dynasty.

When Di Chongjing saw the token in Chen Ping's hand, he couldn't help but be shocked, and quickly became respectful and said: "It turns out that he is from the Xiao Dynasty. I wonder, my fellow Taoist, why did you come to the Soul Demon Sect? It's from the Xiao Dynasty. Does anyone want to reinvent the body?"

Di Chongjing regarded Chen Ping as a member of the Xiao Dynasty. After all, the person who could obtain the Xiao Emperor's token would definitely not be an ordinary person. Maybe he would have a very high status in the Xiao Dynasty!

"I didn't come to the Soul Demon Sect to rebuild my body. I was just passing by to see my friends."

Chen Ping said calmly!

Upon hearing this, Di Chongjing's face became a little gloomy and uncertain.

Zhe Yan and the others were confused. They didn't understand how long it had been before Chen Ping became a member of the Xiao Dynasty. And judging from the way he held the token, he probably had a high status in the Xiao Dynasty!

They all know about the Xiao Dynasty, which is the largest force in the Western Region. Even in the world of heaven and man, the Xiao Dynasty is one of the best!

Otherwise, Sect Master Jiang and the others would not have dared to pursue the Blood Bone Sect when they fled to Xiao Dynasty's territory!

“Fellow Taoist, I don’t know who your friends are with the Soul Demon Sect?”

Di Chongjing asked!

Chapter: 7068

If Chen Ping is only friends with one person from the Soul Demon Sect, then he can be generous and spare that person.

As for the others, Di Chongjing has no intention of letting them go!

“Everyone in this Soul Demon Sect is my friend, so you’d better get out. You can’t touch anyone from the Soul Demon Sect.”

Chen Ping said coldly.

When Di Chongjing heard this, his eyes narrowed slightly, with a bit of murderous intent in his eyes.

Although Chen Ping is from the Xiao Dynasty and has a high status, it is impossible for Di Chongjing to release the Soul Demon Sect!

He must take revenge for the past.

“Fellow Taoist, Xiao Dynasty was indeed kind to me back then, but I got that kindness in exchange for my immortal bones. It can only be regarded as a transaction.”

“Now that my Blood and Bone Sect is no longer in Xiao Dynasty’s territory, if you still use the kindness of the past to suppress me, then don’t blame me for not giving you face.”

“You are a member of the Xiao Dynasty, a member of the Soul Demon Sect. You can take one of them away, and I will never pursue him.”

It was impossible for Di Chongjing to let go of everyone in the Soul Demon Sect, but it would be okay if he let one go.

“Mr. Chen, take Yulian away, take Yulian away...”

Seeing this, Zhe Yan hurriedly said to Chen Ping.

“Mr. Chen, I hope you will take away my daughter and Zhe Yan. As for the grievances caused by the Blood and Bone Sect, let me repay them by myself.”

Sect Leader Jiang hopes that Chen Ping will take away both Jiang Yulian and Zhe Yan!

“Sect Master Jiang, what hatred does your Soul Demon Sect have for following the Blood and Bone Sect?”

Chen Ping asked in confusion!

“Why.....”

Sect Leader Jiang sighed, and then slowly started talking!

After listening to this, Chen Ping realized that the people who were chasing the Blood Bone Sect back then were Sect Master Jiang and the others!

After the Blood and Bone Sect fled to the Xiao Dynasty, they gave up.

After so many years, the Blood and Bone Sect developed and grew in the Xiao Dynasty, and finally left the Xiao Dynasty.

Now that the troops are strong and the horses are strong, they come to the Soul Demon Sect for revenge.

“What if I want to save everyone from the Soul Demon Sect?”

Chapter: 7069

Chen Ping looked at Di Chongjing and asked.

Di Chongjing frowned slightly, and then said with a cold face: “Boy, I think you are from the Xiao Dynasty, so I’ll give you some face, don’t be disrespectful.”

“You are not just a seventh-level warrior in the Tribulation Realm. If I kill you, I will just wave my hand. Even if you are from the Xiao Dynasty, if I kill you now, who will know that I did it?”

“You’d better do as I say and get out immediately. If I change my mind, none of you will be able to leave.”

Di Chongjing’s threat made Chen Ping raise the corners of his mouth slightly and reveal a disdainful smile.

A first-level Mahayana monk was so arrogant and dared to speak like this!

“Since I told you to get out and you don’t, then don’t blame me...”

After Chen Ping finished speaking, the Dragon-Slaying Sword suddenly appeared in his hand!

Then the Dragon-Slaying Sword followed the trend and slashed towards everyone in the Blood and Bone Sect.

This sword shocked the heaven and earth, ghosts and gods wept, the void trembled, and the heaven and earth moved.

Di Chongjing frowned and stepped back suddenly. Others in the Blood and Bone Sect were unable to dodge. Some were cut off directly from the waist, while others were seriously injured!

“You’re so brave, you’re looking for death...”

Di Chongjing was furious, and his aura suddenly exploded!

The remaining Blood and Bone Sect disciples were also filled with murderous intent, and they all glared at Chen Ping!

They didn’t believe that Chen Ping, a seventh-level monk in the Tribulation Realm, could defeat so many of them!

The disciples of the Blood and Bone Sect all rushed towards Chen Ping. They didn’t react just now, giving Chen Ping the advantage!

This time, if they attack together, they don't believe they can't take down Chen Ping!

No matter how awesome a seventh-level cultivator in the Tribulation Realm is, how awesome can he be!

"Mr. Chen, be careful..."

Seeing these people taking action against Chen Ping, Sect Leader Jiang quickly reminded him!

Chen Ping raised the corner of his mouth slightly, turned his palm slightly, and a ball of fire ignited in his palm, and then waved it casually!

The flames that filled the sky directly blocked the disciples of the Blood and Bone Sect. Some of the disciples of the Blood and Bone Sect were stained with the ultimate fire and screamed when they were burned!

Looking at the sky filled with fire, they had to retreat again!

"Boy, who are you?"

Chapter: 7070

Looking at the sky full of fire, Di Chongjing asked Chen Ping!

Because he knew that no one from the Xiao Dynasty could master this kind of ultimate fire. If Chen Ping could display the ultimate fire so easily, it must not be someone from the Xiao Dynasty!

As for the token in Chen Ping's hand, maybe it was stolen!

“I am your father...”

Chen Ping smiled playfully at Di Chongjing!

“Boy, you are looking for death...”

Di Chongjing was furious. Even though she was old, a young boy named Chen Ping said this to her. How could she bear it?

I saw Di Chongjing suddenly wave his palms, and a red blood mist was wrapped around Chen Ping!

Blood mist filled the air, and the entire world turned red. In this red, both vision and consciousness were affected.

If you can't see your fingers and can't sense the other party with your spiritual consciousness, Chen Ping and the others are equivalent to being blind!

Di Chongjing had a sneer on his face, Chen Ping and the others were wrapped in blood mist and became lambs to be slaughtered!

But Di Chongjing didn't notice that Chen Ping's forehead began to shine, and an eye opened on Chen Ping's forehead.

Chen Ping opened the Tianming Eye, so even if he was wrapped in the blood mist, he could clearly see the things around him!

Di Chongjing didn't know that Chen Ping could see it, but walked towards Chen Ping in a swaggering manner, intending to teach Chen Ping a lesson!

But Di Chongjing had just walked up to Chen Ping, and before he could make a move, there was a sudden loud noise!

Snap!

Immediately afterwards, a whip hit Di Chongjing hard!

Di Chongjing was stunned for a moment, and then he felt a splitting headache. It was like there were thousands of ants gnawing in the sea of consciousness!

Di Chongjing backed away desperately, then threw herself to the ground, rolling continuously.

The pain of being attacked by this sea of consciousness made him too uncomfortable.

As Di Chongjing rolled on the ground, the blood mist slowly dissipated.

Zhe Yan and Sect Leader Jiang were all confused when they saw Di Chongjing rolling on the ground, seemingly in great pain.

There was blood mist just now, but they didn't find out what happened.

"You...you actually have a magic whip..."
