

The Order 7071

Chapter: 7071

Di Chongjing was helped up by his disciples, and then he looked at Chen Ping with horror in his eyes and said.

“You are quite knowledgeable. This magic whip is specially designed to deal with demon cultivators like you.”

“Does this feel good? Do you want to try it?”

Chen Ping held the magic whip in his hand and said with a sneer.

Di Chongjing didn't speak, but it could be seen from his expression that he didn't want to suffer such a blow anymore!

“Boy, don't be so arrogant. As a master of the Mahayana Realm, if I am subdued by your mere seventh-grade monk of the Tribulation Realm, I won't have to live.”

After Di Chongjing finished speaking, he turned his palm and a bone flute, which was completely milky white and exuded brilliance, appeared in his hand!

This bone flute was obviously made of immortal bones. It was white and smooth and was over half a meter long. It looked like a human calf bone.

Moreover, there seems to be blood flowing on the bone flute, and there is a red luster, flashing and shining!

“Since you want to die, then I will make it happen for you...”

Di Chongjing held the bone flute, with murderous intent surging in his eyes!

As Di Chongjing put the bone flute to his mouth and started blowing, a whining sound came from the bone flute!

The voice was extremely deep, like the roar of a hungry ghost in hell. After listening to it, the hairs on your body stood up and your mind tightened!

Soon, as the bone flute continued to sound, some disciples of the Soul Demon Sect began to become manic, and their eyes were filled with bloodshot eyes!

When Chen Ping saw this, he knew that the sound of the bone flute would affect people’s consciousness, and then he started going crazy!

I saw Chen Ping’s mouth slightly open, and the Qingxin Mantra kept coming out of his mouth!

As the Pure Heart Mantra echoed in everyone’s ears, all the symptoms of madness disappeared instantly!

When Di Chongjing saw this, his eyes widened and he played the bone flute louder.

But it has no impact on the disciples of the Soul Demon Sect!

It’s just that the sound of the bone flute spread in all directions, and soon spread hundreds of miles!

Rumble.....

In an instant, the mountains and forests around the Soul Demon Sect seemed to be experiencing an earthquake, with loud noises coming out!

The whole earth is trembling, and there seem to be countless monsters rushing towards here from all directions!

In a moment, countless demonic beasts rushed over with their eyes red and roaring!

Chapter: 7072

These monsters were controlled by the bone flute and lost their minds, so they rushed in like crazy!

“There are so many monsters, it’s so scary...”

When Ji Yun saw this, his expression suddenly changed!

Sect Master Jiang and the others also had their eyes wide open, with panic on their faces!

There were hundreds of demonic beasts, and there were also many Tribulation-Transcending Realm demonic beasts, densely surrounding the entire Soul Demon Sect!

No wonder Di Chongjing dared to lead a few people around Tianmo Mountain, and even dared to cause trouble for the Soul Demon Sect!

It turns out that this guy has some tricks up his sleeve, and these monsters are his trump cards!

“Hahaha, aren’t you crazy? Why aren’t you crazy now?”

Seeing that Sect Leader Jiang and others were all in panic, Di Chongjing burst out laughing!

“Di Chongjing, did you steal this magic flute from Master?”

When Sect Master Jiang saw that Di Chongjing had such a treasure in his hand, he asked!

“Fart, I fucking made this myself. It’s made of the finest immortal bones. It’s so magical.”

“And this piece of immortal bone should be from a demon cultivator, because there is magic in the sound.”

“It’s a pity that when you hunted me down, you allowed me to live in the Xiao Dynasty and gave that Emperor Xiao a piece of immortal bone. Otherwise, I would have had more than just this bone flute in my hand.”

When Di Chongjing mentioned what happened back then, his eyes were full of anger!

The other disciples of the Blood Bone Sect were all excited when they saw the monsters around them, waiting to watch the fun!

“Damn it, this guy actually made a flute out of my bones.”

“Boy, give your body to me immediately. I will cut this grandson into pieces!”

Demon Lord Chiyun roared angrily in Chen Ping’s sea of consciousness!

When he took out the bone flute just now, Demon Lord Chiyun was a little suspicious. Now that Di Chongjing said this, this bone flute must be made of his own bones!

“Senior, don’t worry. I can just do it to deal with this guy. You are not needed.”

“Even if the bones are made into a flute, it won’t prevent you from recovering your physical body. Don’t be angry. Being angry will easily hurt your nerves.”

Chen Ping quickly persuaded Demon Lord Chiyun!

“Boy, you must not let this grandson die too happily, torture him for me...”

“It’s totally unreasonable to dare to use my bones to make a flute!”

Demon Lord Chiyun roared!

“No problem, senior, just take care of it!”

Chen Ping comforted Demon Lord Chiyun. If this guy really went crazy and fought for control of his body, then Di Chongjing would have a chance!

After appeasing Demon Lord Chiyun, Chen Ping looked at Di Chongjing calmly and said, “Do you expect these monsters to be able to deal with us? What a joke!”

“Boy, your magic whip is useful for us demons, but if you want to deal with these monsters, you are wishful thinking!”

After Di Chongjing finished speaking, he played the bone flute again!

Under the stimulation of the bone flute, these monster beasts roared like crazy one by one, and bursts of red light continued to emit from the bone flute!

Chapter: 7073

There are more and more monsters, and the area is densely packed and dark!

Following Di Chongjing's urging, these monster beasts all rushed towards Chen Ping!

This frightened Sect Master Jiang and the others, and they all got ready to fight to the death with these monsters!

And Chen Ping said: "Sect Master Jiang, you don't have to be afraid, don't do anything, just let me deal with all the monsters."

After Chen Ping finished speaking, his body began to emit golden light!

Chen Ping wants to use the power of the dragon to make the golden dragon appear, so that these monsters can be suppressed!

But just as he was about to use it, Chen Ping suddenly thought of the Fire Qilin he had conquered!

Although the Fire Qilin is still very weak now, it is a divine beast from the heavenly realm after all, and cannot be compared to these monsters from the heavenly and human realms!

Thinking of this, Chen Ping waved his hand, and the little fire unicorn appeared instantly from the storage ring!

With the appearance of the little fire unicorn, a strange pressure suddenly broke out!

The aura that burst out from Little Fire Qilin directly caused those violent monsters to stop!

You must know that the Little Fire Qilin is a divine beast, and the fear of monsters towards divine beasts is engraved in their bones!

The aura of the little fire unicorn was released instantly and surged around!

All the violent monsters felt the breath of the little fire unicorn and stopped one by one. The blood-red color in their eyes had long since disappeared, but instead they were filled with fear!

When Di Chongjing and others saw this scene, they were all stunned and looked at the little fire unicorn that appeared in disbelief!

Sect Leader Jiang and the others were all confused because they had never seen such a creature before!

“Ji Yun, what kind of creature is this?”

Zhe Yan asked Ji Yun!

“I don’t know either!” Ji Yun shook his head!

Although the little fire unicorn was small, its whole body was burning with flames, and then it began to walk slowly in front of hundreds of monster beasts!

Every time the little fire unicorn took a step forward, those monster beasts trembled and took a step back unconsciously!

Soon, the little fire unicorn came in front of a bear demon. This bear demon was several meters tall and weighed ten thousand kilograms. A single foot was bigger than the little fire unicorn!

But when the little fire unicorn walked in front of the bear demon, the bear demon’s legs softened and he knelt down, then lowered his head and pressed it tightly against the ground!

I saw the little fire unicorn raised its foot and kicked the bear demon on the head a few times, and then peed on the bear demon’s face!

Chapter: 7074

The bear demon was so frightened that he didn’t even dare to breathe!

When everyone saw this scene, besides being shocked, they couldn’t help but laugh!

Di Chongjing’s eyes widened with disbelief on his face, and then he played the bone flute desperately, but the sound of the bone flute had no effect on those monsters!

“This is the monster you invited. Why is he a coward like you?”

Chen Ping said with a joking expression!

“What...what’s going on? What kind of creature are you, a guy covered in fire?”

Di Chongjing asked Chen Ping!

“You want to know what this is, but I won’t tell you...”

After Chen Ping finished speaking, he winked at the little fire unicorn!

The little fire unicorn has recognized its master and has a heart-to-heart connection with Chen Ping, so she knows what Chen Ping means with just one look!

I saw the little fire unicorn raised its head and roared, and a flame shot into the sky!

Rumble.....

Hundreds of monsters, no matter how big or small, no matter how powerful they are, they all turned around and ran away in fear!

There were also many monsters who were so frightened that they peed, causing the Soul Demon Sect to be filled with the smell of urine!

It only took a moment for those monsters to disappear without a trace!

Xiaohuo Qilin, with his head held high and a proud look on his face, returned to Chen Ping’s storage ring!

Di Chongjing is going crazy, and so are the disciples of the Blood and Bone Sect!

These monsters are their support and their killers!

Now, in the blink of an eye, they all ran away. No one was left, and they were so scared that they peed!

What are you doing?

You must know that any of those monsters are many times bigger than the little fire unicorn, but they were so scared that they ran away!

“Mr. Chen, you are so awesome. Is that the pet you recently tamed?”

Zhe Yan asked with great admiration!

“That’s right, it’s just a little mythical beast, nothing to show off!”

Chapter: 7075

Chen Ping said calmly!

Divine beast?

boom.....

This sentence was like a thunderbolt from the clear sky, bombarding everyone present!

Is this a mythical beast?

Chen Ping actually said it so lightly?

Di Chongjing's eyes widened. He finally understood why those monsters were so frightened that they turned around and ran away!

This is a divine beast, even if it is small, it is still a divine beast, and cannot be competed by these monsters!

This is like a young immortal coming down from the heaven. Even if he is young, he is not something that monks from the heaven and human world can fight against!

You must know that many people are born in Rome, and many people struggle all their lives to find their way to Rome. This is a gap!

That little fire unicorn was born as a divine beast and possesses magical skills!

It is simply not comparable to these monsters in the world of gods and humans. Even if these monsters have been practicing for many years, it is impossible for them to compete with the divine beasts!

"Fellow Taoist, you have a divine beast and the Xiao Dynasty's token. Although I don't know your identity, you are definitely not simple."

"Today's matter ends here. I will take people away immediately. I hope you can show your respect!"

Di Chongjing gave in!

If the Soul Demon Sect cannot be destroyed this time and revenge cannot be taken, then wait until the next time when Chen Ping is not around!

He knew that if it continued, maybe all of them would have to answer here!

“You can fight if you want, and leave if you want. What do you think of the Soul Demon Sect?”

“I see that you are unhappy now, so I have to vent my anger.”

Chen Ping said coldly!

“Fellow Taoist, please keep a line in your behavior so that we can meet each other easily in the future...”

Di Chongjing’s eyes narrowed slightly, showing a fierce look!

“See your mother. Do you still have a future? Even if you deal with the Soul Demon Sect today, I can’t keep you alive.”

Chen Ping spat and said!

Chapter: 7076

“You want to kill me?” Di Chongjing’s aura exploded, and she was ready to respond at any time!

“Not just you, everyone you bring with you must die.”

Chen Ping said coldly, from the moment he took out the Little Fire Kirin, people like Di Chongjing were destined to die!

It was impossible for Chen Ping to let outsiders know that he had a mythical beast on his body, otherwise he would become the target of public criticism in the world of gods and humans!

“Brother, do you have to kill me today?”

Di Chongjing looked at Sect Master Jiang!

He knew that as long as Sect Master Jiang said a word, he could leave!

After all, this is his grudge with Sect Leader Jiang, and it doesn't have much to do with Chen Ping!

“Di Chongjing, you have done many evil things, and today you want to kill my entire sect, and even more so my daughter. If I don't kill you, it will be unjust.”

Sect Leader Jiang would not let Di Chongjing go for the sake of his fellow sect members!

“Senior brother, you said that I have done many evil things, but which of us brothers is not doing whatever it takes to achieve his own benefit?”

“Let me tell you the truth, it was the idea of Senior Brother and Second Senior Brother that I found you here today. All the resources I get from you will be shared with them.”

Di Chongjing said to Sect Leader Jiang!

Sect Master Jiang's body trembled slightly, and then he said with a ferocious face: "You fart, senior brother and second senior brother will never do this. They have been in seclusion for many years and don't ask anything."

"Hahaha, among the four of us senior brothers, you are the only one who still adheres to any broken rules. It is precisely because of this that your strength is so low."

"But I see that your body is overflowing with blood, and you should be practicing by drinking human blood, otherwise your strength will not reach the ninth level of the Tribulation Realm."

"So you don't have to accuse me sanctimoniously, let alone laugh at the same time!"

Di Chongjing laughed and said!

After Di Chongjing finished speaking, Sect Master Jiang's face instantly turned extremely ugly!

Jiang Yulian and Zhe Yan looked at Sect Master Jiang at the same time. After all, no one knew how Sect Master Jiang cultivated after he went into seclusion!

Even Chen Ping looked at Sect Master Jiang. He felt that Sect Master Jiang's strength had indeed improved a bit too quickly. In just a short time, he had reached the ninth level of the Tribulation Realm!

If you are not a super genius and have a lot of resources, it will be difficult to break through to the ninth level of the Tribulation Realm in such a short time!

Obviously, Sect Master Jiang is not a genius, and the Soul Demon Sect does not have a large amount of resources!

Sect Leader Jiang found that everyone was looking at him, with an unnatural expression on his face and some evasive eyes!

Chapter: 7077

“Father, is this... is this true? Do you really also drink human blood to practice?”

Jiang Yulian asked in disbelief!

“Sect Master Jiang, tell the truth about what’s going on.”

Chen Ping also said to Sect Master Jiang!

Sect Leader Jiang looked at Chen Ping, hesitating, hesitating, and finally sighed helplessly: “Hey, actually what I sucked was not human blood, but animal blood. I secretly raised the monsters in captivity, and in the retreat time to drink their blood.”

“I broke my promise to Master. I shouldn’t have absorbed blood to practice...”

Sect Leader Jiang looked in great pain, and his whole body was trembling slightly!

Seeing Sect Master Jiang like that, Chen Ping wanted to know how many things happened to Sect Master Jiang!

“Boy, go to hell...”

Just when Chen Ping focused his attention on Sect Master Jiang, Di Chongjing suddenly attacked him!

I saw Di Chongjing holding the bone flute in his hand and pointing towards Chen Ping!

The red cold light suddenly turned into wisps of red spiritual light, covering the sky and the earth!

Puff puff puff...

This spiritual light was extremely fast and hit Chen Ping in the blink of an eye, sealing Chen Ping's body directly!

I saw Chen Ping wrapped in red mist, motionless!

“Hahaha, you are too young if you want to fight with me...”

When Di Chongjing saw that he had succeeded, he couldn't help laughing!

“Mr. Chen.....”

Ji Yun and Sect Master Jiang were all shocked when they saw this!

They didn't expect that this guy Di Chongjing would secretly attack and let him succeed!

“Di Chongjing, I will fight with you...”

When Sect Leader Jiang saw this, he roared and headed towards Di Chongjing!

Chen Ping was under control. None of them could be Di Chongjing's opponent!

The reason why Sect Leader Jiang did this was to hold Di Chongjing back and give Jiang Yulian and the others a chance to escape!

"Humph, you have so little ability, but you still want to fight me to the death?"

Di Chongjing's face was filled with disdain. After snorting coldly, he swung out a palm and knocked Sect Master Jiang away!

This is a huge gap in realm, an insurmountable gap!

Sect Master Jiang fell heavily to the ground, his expression extremely ugly!

"Boy, it's your turn..."

After Di Chongjing repelled Sect Master Jiang, the bone flute in his hand went directly towards Chen Ping!

Chen Ping was controlled and couldn't move at all. He couldn't dodge at all!

"Mr. Chen....."

Jiang Yulian and Ji Yun rushed towards Di Chongjing together!

Now only the two of them were uninjured. Although they knew it was a moth flying into a flame, they did not hesitate at all!

But before the two of them could rush to Chen Ping, Di Chongjing's bone flute had already arrived!

The bone flute went straight to Chen Ping's chest, trying to penetrate Chen Ping directly!

But the moment the bone flute reached Chen Ping's chest, Di Chongjing was suddenly stunned!

I saw Chen Ping grabbing the bone flute with one hand, with a joking smile on his face!

Chapter: 7078

"You...you can still move?"

Mahayana realm is full of surprise!

He tried hard to snatch the bone flute away, but no matter how hard he tried, the bone flute remained motionless. He, a dignified first-level monk in the Mahayana realm, was powerless in front of Chen Ping, a seventh-level master in the Tribulation Realm!

"You bastard, you still want to control me, are you thinking too beautifully?"

Chen Ping said with a faint smile!

The red mist around Chen Pingyuan's body dissipated instantly and disappeared without a trace!

Now that Chen Ping is a seventh-level warrior in the Tribulation Realm, dealing with a first-level Mahayana monk is just a matter of a few moves!

Di Chongjing still wants to control Chen Ping, which is simply wishful thinking!

Chen Ping exerted a little force and took the bone flute directly into his hand, then raised his foot and kicked it out!

boom!

At such a close distance, Di Chongjing had no time to dodge and was kicked straight away!

If Demon Lord Chiyun hadn't wanted Di Chongjing to die slowly, Chen Ping would have kicked him to death just now!

While Di Chongjing flew out upside down, Chen Ping's body also moved quickly!

Before Di Chongjing's body hit the ground, Chen Ping's fist came again!

Bang bang bang...

Chen Ping punched and kicked Di Chongjing, but Di Chongjing had no ability to fight back!

A master in the Mahayana realm was beaten by a monk in the Tribulation realm. He cried like a ghost and howled like a wolf. He had no power to fight back!

This kind of wonder can probably only be seen in Chen Ping!

When several disciples of the Blood Bone Sect saw this, they all turned pale with fright. No one dared to step forward to help Di Chongjing!

After beating Di Chongjing, Chen Ping grabbed Di Chongjing's collar!

Di Chongjing drooped his head, his nose was bruised and his face was swollen. He no longer looked as arrogant as before!

Sect Master Jiang and the others were all speechless when they saw this scene!

This is no longer like a Mahayana monk fighting, just like fighting with a gangster!

Di Chongjing actually didn't want to be beaten like this, but when Chen Ping took action, he couldn't stop him at all!

Chapter: 7079

He also knew in his heart that Chen Ping didn't intend to kill him, and he probably didn't want to kill him yet!

Otherwise, with that kick just now, Di Chongjing's life might not be guaranteed!

"Let me ask you, where did you get these fairy bones in your hand?"

Chen Ping held the bone flute in his hand and asked Di Chongjing!

“Picked it up, picked it up in Tianmo Mountain...”

Di Chongjing said!

“Then do you still have immortal bones in your hand?”

Chen Ping continued to ask!

“No more. One piece of the immortal bone was given to Xiao Huangchao, and the other piece of immortal bone was made into a bone flute by me.”

Di Chongjing answered all questions and did not dare to play any tricks.

“Then do you know where there are immortal bones?” Chen Ping asked next!

“No...I don't know!”

Di Chongjing shook his head, but from the tone of his answer and his eyes, Chen Ping knew that this guy must have lied!

However, Chen Ping did not expose him, but directly injected a spiritual light into Di Chongjing's body!

“You...what did you put into my body?”

Di Chongjing asked with some fear!

“It’s nothing, it’s just a lie detector test. If what you tell is a lie, it will be very painful.”

Chen Ping smiled slightly and let go of Di Chongjing!

When Di Chongjing heard this, he suddenly panicked, but he didn’t feel anything strange in his body, so he breathed a sigh of relief!

But just when he breathed a sigh of relief, he suddenly felt like his body was being scratched by a hundred claws, and his whole body was shrinking continuously.

“It seems you just lied. Think about it for yourself...”

Chen Ping said jokingly when he saw Di Chongjing acting like that!

Di Chongjing felt extremely painful, and the veins on her forehead were bulging!

After gritting his teeth and persisting for a moment, Di Chongjing hurriedly said: “I know, I know, there are still several pieces of immortal bones in the hands of the eldest brother and the second brother.”

Chapter: 7080

As soon as Di Chongjing finished speaking, the painful feeling disappeared instantly!

After listening to Di Chongjing’s words, Chen Ping stopped asking. There are some things that you just need to ask Sect Master Jiang!

“Sect Leader Jiang, how to deal with this guy is up to you!”

Chen Ping looked at Sect Master Jiang and said!

Di Chongjing is the younger brother of Sect Master Jiang, and he has injured so many disciples of the Soul Demon Sect. Sect Master Jiang still has the final say on how to deal with Di Chongjing.

Sect Leader Jiang walked towards Di Chongjing, and upon seeing this, Di Chongjing hurriedly knelt down on the ground and cried bitterly: "Brother, please spare me, spare me, these are all what the first and second senior brothers ordered me to do."

"Among our four disciples, Master likes you the most, and I am the least popular."

"My strength is also the worst, and my talent is also the worst. If I didn't rely on blood-sucking and bone-gnawing to practice, I wouldn't be able to reach this height in my life."

"Senior brother, I know I was wrong, please go around me this time..."

Di Chongjing looked remorseful and burst into tears!

When Sect Leader Jiang looked at Di Chongjing like that, his expression became very complicated, and there was unbearable look in his eyes!

But just when Sect Leader Jiang hesitated, Di Chongjing suddenly flashed a fierce look in his eyes, and then his whole body swelled instantly, and the spiritual energy crazily impacted the meridians throughout his body!

This guy actually wants to self-destruct. A first-level Mahayana monk self-destructs. The power may make the entire Soul Demon Sect disappear!

"He's going to blow himself up..."

Chen Ping's pupils shrank, he didn't expect that this Di Chongjing was quite brave and dared to blow himself up!

It seems that the time I just knelt down and begged for mercy was all an illusion!

Sect Master Jiang was also shocked and panicked. After all, the Mahayana monk blew himself up, and he had no ability to stop it!

If the self-destruction succeeds, then his Soul Demon Sect will be completely finished!

But when Chen Ping rushed towards Di Chongjing, he saw a stream of light suddenly flying out of Di Chongjing's body!

It turns out that this guy is not going to blow himself up, but is going to leave his body directly, intending to abandon his body and get a chance to escape!

As long as the soul is still there, it can reshape the body!

After all, he is a fellow disciple with Sect Master Jiang. Sect Master Jiang can reshape his body, and Di Chongjing has no problem!

What's more, there are still senior brothers and second senior brothers here, as long as he can escape back!

After Di Chongjing's soul left her body, she flew away in an instant!
