

The Order 7081

Chapter: 7081

And that body swelled like a ball, and finally made a deafening sound!

boom!

The power of self-destruction in the Mahayana realm is very great, but without the soul and only a physical body self-destruction, the power is much lower!

At the moment of self-destruction, Chen Ping held up a shield and directly blocked the aftermath of the explosion!

But just as the aftermath of the explosion subsided, Di Chongjing's soul had already disappeared!

“Damn, this guy is so insidious, I actually let him escape...”

When Chen Ping saw this, he couldn't help but cursed!

Then he looked at the remaining Blood and Bone Sect disciples. Chen Ping took advantage of the situation and killed these Blood and Bone Sect disciples directly!

“Mr. Chen, they all blame me. It was my hesitation that gave Di Chongjing a chance!”

Sect Leader Jiang said very remorsefully!

“Sect Master Jiang, it’s not your fault. No one thought that this guy could be so insidious.”

“You’d better arrange for the disciples of the Soul Demon Sect, and I’ll refine some elixirs to heal their injuries!”

Chen Ping did not blame Sect Master Jiang. Di Chongjing escaped. Chen Ping himself was also responsible!

The top priority now is to heal the many disciples of the Soul Demon Sect!

Chen Ping doesn’t have much time to stay here, so he has to hurry up!

Seeing this, Sect Master Jiang nodded quickly, and then settled all the seriously injured disciples!

Chen Ping was treating injured disciples of the Soul Demon Sect and making medicine!

It took a full day for Chen Ping to treat all the injured disciples of the Soul Demon Sect. As long as they took the medicine on time, they would be cured in a short time!

“Sect Master Jiang, the disciples of the Soul Demon Sect are all fine, they just need to rest!”

Chen Ping said to Sect Leader Jiang!

“Mr. Chen, thank you so much. If it weren’t for you, my Soul Demon Sect would probably be destroyed.”

Sect Leader Jiang said very gratefully.

“Sect Master Jiang, it’s just a little effort. I just failed to kill Di Chongjing. I’m afraid he will come back to trouble you in the future.”

Chen Ping said!

Chapter: 7082

After hearing this, Sect Leader Jiang looked a little lonely, and sighed softly: “I didn’t expect that Senior Brother and Second Senior Brother would join Di Chongjing. They violated their oath to Master.”

“I’m also sorry, Master. After all, I couldn’t resist the desire for realm...”

“Sect Leader Jiang, what on earth is going on? How could your brothers and sisters turn against each other?”
Chen Ping asked curiously.

“Mr. Chen, it’s a long story. We all worshiped under the same master before. Our master is also a well-known demon in the world of gods and humans.”

“It’s a pity that when I was finally promoted to the Immortal Realm, I was injured by a thunder tribulation and failed to overcome the tribulation. I had no choice but to disappear and die...”

“But before we die, Master told us not to use the evil skills we learned to practice. Although blood-sucking and bone-gnawing practice can quickly improve our cultivation, this practice method makes the foundation unstable. The further we go, the more difficult it is to overcome the tribulation. The greater the chance.”

“We all promised Master that we would never use evil skills to practice, but later Di Chongjing disobeyed Master and founded the Blood and Bone Sect. He continued to suck human blood and gnaw on human bones to practice, which caused many monks in Tianmo Mountain to complain.”

“I had no choice but to unite with other monks to hunt down Di Chongjing, but unfortunately he fled to the Xiao Dynasty in the Western Regions and hid.”

“This time he came back for revenge, but I never expected that senior brother and second senior brother would also break their oaths to master and become the same people as Di Chongjing.”

Sect Master Jiang looked very depressed. It could be seen that he was very shocked and sad about what his senior brother and second senior brother had done!

“Sect Master Jiang, everyone has his or her own ambitions. We cannot control how others want to practice.”

“But do you know where your senior brother and second senior brother are?”

Chen Ping asked!

“I’m not very sure, but they should still be in the place where we used to practice together. After all, they are most familiar with it.”

After Sect Leader Jiang finished speaking, he looked at Chen Ping and asked, “Mr. Chen, are you going to find them?”

“Not now. I’m going to Nanjing City. The time agreed with Mu Qing is coming soon. When I deal with Mu Qing, I’ll come to Sect Leader Jiang and take me to find your two senior brothers.”

Chen Ping doesn’t have time to go now, he still has to compete with Mu Qing!

“No problem, Mr. Chen should be heading for the immortal bones, right?”

Sect Leader Jiang could tell that Chen Ping must be heading for the Immortal Bones. When he caught Di Chongjing, Chen Ping kept asking about the Immortal Bones!

Chen Ping just nodded and said nothing!

After explaining a few words to Zhe Yan, Chen Ping followed Ji Yun on the airship and left the Soul Demon Sect for Nanju City!

.....

In a dense forest in Tianmo Mountain!

There was a large piece of white land, but when I got closer, I realized that the white land was not land, but bones!

This area is surrounded by dense jungle, covering an area of dozens of miles!

The evil aura filled this area, and there were no monsters within a hundred miles of this area!

Looking down from a high altitude, you can see that a large hall is actually made of bones piled high. It is so human-like that it makes people's hair stand on end and is horrifying!

Chapter: 7083

This is where the Blood and Bone Sect is located. Di Chongjing's soul rushed here desperately after escaping!

“Second Senior Brother, save me, Second Senior Brother, save me...”

Di Chongjing shouted, with fear in his voice!

From the main hall, a man wearing a gray robe and carrying a string of bones on his chest came out!

The white bones on this man’s chest turned out to be heads, which looked very terrifying!

This person is Di Chongjing’s second senior brother Tan Rongkun. This guy is many times more ruthless than Di Chongjing!

It’s just that when their master was not dead, Tan Rongkun was so good at pretending that Sect Leader Jiang couldn’t believe that his second senior brother would do such a thing!

“Junior brother, what’s going on? Why do you only have a ray of soul left? Where is your physical body?”

“Didn’t I ask you to destroy the Third Junior Brother’s Soul Demon Sect? Why did it become like this?”

Tan Rongkun looked at Di Chongjing in surprise and asked!

While talking, the skulls on Tan Rongkun’s chest actually emitted a faint green light!

“Second Senior Brother, I failed. All the people I took with me died. I finally gave up my body and was able to escape.”

Di Chongjing said in horror!

Di Chongjing trembled all over when thinking of Chen Ping's methods to deal with her!

"How could this happen? Is the third junior brother stronger than you? Isn't this what it should be?"

Tan Rongkun looked confused!

"No, originally I was about to succeed, but unfortunately Third Brother came to help, an unidentified young man helped him."

"That young man is very strong. Although he seems to be only at the seventh level of the Tribulation Realm, his explosive strength is definitely not inferior to the second level of the Mahayana Realm."

"And this young man also has a magic whip in his hand and a token from the Xiao Dynasty. It's very extraordinary."

Di Chongjing explained!

"The token of the Xiao Dynasty? Could it be the prince of the Xiao Dynasty? But I haven't heard that the prince of the Xiao Dynasty has such strength."

Tan Rongkun frowned slightly and said solemnly.

"No, I know Prince Xiao. This young man is definitely not Prince Xiao. I just don't know what the relationship is with him following the Xiao Dynasty. He will have the token of the Xiao Dynasty in his hand."

Di Chongjing shook his head. After all, he had stayed in Xiao Dynasty for a while and knew the princes of Xiao Dynasty.

Chapter: 7084

“Then why don’t you use the bone flute to summon monster beasts to deal with them? There must be many monster beasts in the dense forest near Soul Demon Sect. It should be easy to summon hundreds of monster beasts at will, right?”

Tan Rongkun continued to ask.

“Hey, don’t mention it. I used the bone flute to summon the monsters. Unfortunately, that boy actually had a mythical beast with flames. Although the beast was small, it had a majestic aura that scared away those monsters.”

“My bone flute was also robbed. If I hadn’t been smart, I would have been completely destroyed by now.”

Di Chongjing said with lingering fear.

“It’s really strange. I have never heard of such a powerful young man in the world of gods and humans. He has a magic whip in his hand. What kind of divine beast is there? He is at the seventh level of the Tribulation Realm, but he can explode no less than the second level of the Mahayana Realm. Regarding the strength of the product, I feel that what you said is somewhat unrealistic.”

Tan Rongkun couldn’t understand, how could there be such young people in the world of heaven and humans?

The Xiao Dynasty is considered a big force in the heaven and human world, and the Xiao Dynasty has countless resources. Even so, none of the princes of the Xiao Dynasty have such abilities. Who in the heaven and human world can cultivate such awesome young people? ?

“Second Senior Brother, I really didn’t lie to you. If I told a lie, I would be willing to suffer the Nine Thunder Heavenly Tribulation!”

Seeing that Tan Rongkun didn’t believe it, Di Chongjing quickly raised his hands and swore!

“Fourth Junior Brother, you don’t have to swear, I just said it casually.”

“You go and reshape your body first. I still have some things to do. When I come back after finishing the things, I will go with you to the Soul Demon Sect to ask for an explanation.”

“Don’t bother Senior Brother about this matter. He is in retreat. It is estimated that it won’t take long to break through to the third level of the Mahayana Realm. When the time comes, Senior Brother will capture some Mahayana Realm monks for us to practice.”

Tan Rongkun said to Di Chongjing!

When Di Chongjing heard this, he suddenly became excited and said: “Senior Brother is going to break through to the third level of the Tribulation Realm? It’s great. The cultivation method taught by Master is really good. The improvement speed is too fast. If we can use the skills of the Mahayana Realm monks, Cultivation with blood and bones will be faster.”

“I don’t know what the second senior brother is going to do. I still need you to go there in person...”

“Do you know the Mu Qing who studied with senior brother?” Tan Rongkun asked!

“Of course I know. He is the son of the Mu family, and he followed his senior brother to learn magic skills. It was this magic skill that allowed him to reach the Mahayana realm at a young age. But hasn’t he already left?”

Di Chongjing said!

“Yes, he has left, but he has a fight with someone. It should be a fight in the next few days. The senior brother is worried before going into seclusion, so he asked me to go to Nanjing City to have a look.”

“By the way, let the Mu family send some monks over for us. If it weren’t for the magic skills taught by the senior brother, how could Mu Qing practice so fast.”

Tan Rongkun said!

“There are actually people competing with the young master of the Mu family. It’s really embarrassing. Moreover, Mu Qing is very talented. He has reached the first level of the Mahayana realm at a young age. There are several young people who are his opponents.”

Di Chongjing didn’t understand who was so stupid as to compete with Mu Qing, but just after he finished speaking, he thought of Chen Ping, and then continued: “But the boy I met today is stronger than that Mu Qing. Strong, but I don’t know which family it is from.”

Chapter: 7085

Seeing Di Chongjing like that, Tan Rongkun thought he was frightened, so he waved his hand and said: “Fourth Junior Brother, go and have a rest quickly, and then let someone help you reshape your body. Fortunately, we have the devil in our hands. Shi, it’s not difficult to reshape your soul with your level of strength!”

“Okay, Second Senior Brother, you have to be careful, I’m going!”

Di Chongjing nodded, then walked into the main hall, ready to reshape his body!

He had no idea that the person competing with Mu Qing was Chen Ping, who almost killed him today!

Of course, Tan Rongkun didn’t know that after settling Di Chongjing, he took two disciples and rushed to Nanjing City!

At this time, Chen Ping followed Ji Yun on the airship and slowly landed on the square of Nanju City!

Just after landing, someone from Wantong Pavilion came!

After all, the airships in this place are controlled by Wantong Pavilion, and most of them are carried by Wantong Pavilion's airships!

When Chen Ping stepped off the airship, he saw that the person coming towards him turned out to be the Pavilion Master Qian of the Wantong Pavilion in Nanjing City!

Although he was not very familiar with Pavilion Master Qian, with the introduction of Elder Sun of Wantong Pavilion, Chen Ping became acquainted with Pavilion Master Qian!

Seeing Chen Ping coming down from the airship, Pavilion Master Qian laughed and said, "Who did I think could come by airship? It turned out to be Mr. Chen."

"Recently, your fight with Mu Qing, the son of the Mu family, has spread throughout the Southern Territory. Many people come here to see the fight between the two of you."

"We, Wantong Pavilion, have also benefited from Mr. Chen, and we have made another huge sum of money..."

After hearing this, Chen Ping just smiled slightly. He knew that this news must have been deliberately spread by Wantong Pavilion in order to attract people and make money!

But this is also the nature of businessmen. Wantongge relies on information to make money!

"Pavilion Master Qian, I would like to ask, are there any gambling games for fighting?"

Chen Ping asked!

“Of course. If there is such a thing, how can there be no gambling? This time, we, Wantong Pavilion, are personally taking charge. Does Mr. Chen also want to bet on it himself?”

Pavilion Master Qian asked.

“I’m somewhat interested, Pavilion Master Qian, please lead the way!”

Chen Ping wanted to see how many people bet on him to win!

“Mr. Chen, if you see the bet, don’t be angry!”

Pavilion Master Qian smiled slightly, and then took Chen Ping and Ji Yun to the gambling shop where Wantong Pavilion was the banker himself!

Chen Ping also knew that there would definitely be many people betting on Mu Qing’s victory. After all, the gap between himself and Mu Qing was too big!

Chapter: 7086

When Chen Ping and the others arrived at the gambling house, they heard noisy sounds inside as soon as they walked to the door!

“I’m betting all my clothes on Chen Ping to win. If any of you believe me, then bet with me!”

Some people shouted loudly and even put their clothes on!

“Mr. Chen, there are still people who support you so much?”

After hearing what was said inside, Ji Yun couldn't help but look at Chen Ping curiously!

He didn't understand, who in Nanjing City would support Chen Ping so much?

Even Pavilion Master Qian was slightly stunned. He didn't expect someone to support Chen Ping so firmly!

Chen Ping smiled slightly. He had long recognized that the voice was that magical machine!

"Shen Jizi, how much are these shabby clothes of yours worth? You even pledged all your clothes."

"That's right. It's not enough to pledge all the money. We also pledged clothes. Then Chen Ping is your father, and you support him so much."

"My God, Master Mu Qing is now at the first level of the Mahayana Realm, and I heard that he has reached the peak. He may soon break through to the second level of the Mahayana Realm. How can that Chen Ping be his opponent?"

"You're just a money swindler, and you're still here trying to get others to bet money with you. Who are you so stupid?"

Everyone laughed at the divine machine!

Shen Jizi is considered a celebrity in Nanjue City. There are many people who know him. If they know that this guy is cheating, no one will believe him, let alone place a bet with him!

"Don't be complacent. I can tell you that people cannot be judged by their appearance, and sea water cannot be measured. Then Chen Ping will definitely be able to win."

“I have a close friendship with him, and I know his strength best. Believe it or not!”

Shenjizi was only wearing a pair of big pants and said nonchalantly!

You know, this is Nanjing City, an extremely cold place, and now Shen Jizi is only wearing a pair of big pants!

Although monks can use spiritual energy to resist the severe cold, it can only be done for a short time. If they consume spiritual energy for a long time to resist the severe cold, they will be reluctant to do so!

Therefore, many monks wear animal skins. Even if they don't use spiritual energy, their bodies still don't feel cold!

Moreover, animal skins can also be regarded as a training resource, which is why Shen Jizi wants to use his own clothes as well!

The fur of monsters is also valuable!

“I'll bet with you...”

Chen Ping walked into the gambling house at this time and said loudly!

Shenjizi looked along the sound, and when he found Chen Ping, his eyes suddenly lit up, and he was about to shout out with joy, but was stopped by Chen Ping's look!

Chen Ping didn't want to let everyone know about him because of his fighting spirit. I'm afraid there would be a lot of trouble!

Although many people in Nanjing City have heard of Chen Ping's name, not many people have actually seen Chen Ping!

When Shenjizi saw Chen Ping's glance at him, he immediately understood and said: "Young man, if you have the vision, make a bet with me and I will guarantee your prosperity and wealth!"

Chen Ping took out a bag of purple gold spirit coins from his body and threw them all on the gambling table!

"I also believe that Chen Ping can win..."

Chen Ping said slowly!

Everyone's eyes widened, looking at the bag of purple gold spirit coins, full of surprise!

When Pavilion Master Qian saw this scene, he just smiled slightly and did not expose Chen Ping's identity. No matter how much Chen Ping bet, Pavilion Master Qian would not stop him. After all, Wantong Pavilion is the banker, no matter who loses. If you win, their dealer will take a commission, so you will definitely make a profit without losing any money!

Chapter: 7087

"Young man, is there something wrong with your mind? You actually bet on Chen Ping, and you made so many bets."

"I heard that Chen Ping is only in the Tribulation Realm. Even if he is at the peak of the Tribulation Realm, he cannot be a match for Mr. Mu."

An old monk with a white beard said to Chen Ping!

“No, I heard that Chen Ping is only at the seventh level of the Tribulation Realm, but even if he is at the seventh level of the Tribulation Realm, it is enough to beat Mu Qing.”

Chen Ping smiled slightly and said!

After hearing what Chen Ping said, all the monks were in an uproar and mocked Chen Ping, thinking that Chen Ping was talking nonsense!

Isn't that a joke that a seventh-level monk in the Tribulation Realm can defeat a peak first-level monk in the Mahayana Realm?

“Who is saying that the seventh-level Tribulation Realm can defeat the first-level Mahayana Realm? I want to see who is so crazy!”

At this time, a cold voice came, and then Tan Rongkun led someone in!

Seeing Tan Rongkun appear, all the monks in the gambling house were slightly startled and involuntarily stepped back!

The aura naturally exuding from the second-level Mahayana realm monks is enough to make these monks fearful!

This is the Mahayana realm, the realm closest to becoming an immortal. How many people practice hard, but in the end they all get stuck in the Tribulation Realm!

Although it seems that there are as many Mahayana realms as dogs, but based on the ratio of monks in the heaven and human world, the Mahayana realm monks are very rare!

Pavilion Master Qian frowned slightly when he saw Tan Rongkun bringing people here. The bloody aura on Tan Rongkun's body made it obvious that he was a demon cultivator, and he was the kind who often killed people!

Chen Ping looked at Tan Rongkun and couldn't help but frown, because from the aura of Tan Rongkun, he felt that there were some similarities between Di Chongjing and Sect Master Jiang!

"Fellow Taoist, this is a gambling house, a place for everyone to have fun, so you don't need to take some words seriously."

Pavilion Master Qian stepped forward and said to Tan Rongkun with a smile on his face!

Pavilion Master Qian was afraid that Tan Rongkun would get angry because of what Chen Ping just said and start a fight!

After all, Chen Ping said that the seventh level of the Tribulation Realm can defeat the first level of the Mahayana Realm. If the monks of the Mahayana Realm hear this, they will definitely feel uncomfortable!

To be able to cultivate to the Mahayana realm, you must be extraordinary and have gone through many hardships. Now that you are being denied in such an understatement, you must be unhappy in your heart!

"Don't worry, this is Wantong Pavilion. I won't bully the small. But since someone values that Chen Ping so much and has bet a lot of money, I will also bet, but I will bet on Mu Qingsheng."

After Tan Rongkun finished speaking, he threw out a bag of purple gold spirit coins and escorted them to Mu Qing's side!

After the escort, Tan Rongkun gave Chen Ping a cold look and said, "Boy, I hope to see you on the day of the competition. Don't run away!"

While talking, the aura on Tan Rongkun suddenly burst out and went straight to Chen Ping!

Chapter: 7088

Chen Ping is only at the seventh level of the Tribulation Realm. A little pressure can make Chen Ping fall to his knees!

But when Tan Rongkun's breath pressed towards Chen Ping, Chen Ping stood motionless, as if he didn't feel a trace!

Tan Rongkun couldn't help but frown, and the aura on his body increased a bit!

But Chen Ping still didn't move. Although Chen Ping didn't move, the people around him couldn't bear it anymore!

Many people gritted their teeth and tried their best to support, and some fell directly to the ground!

"Fellow Taoist, I hope you can give us Wantong Pavilion some face and stop causing trouble here!"

Pavilion Master Qian blushed and said to Tan Rongkun!

At this time, Master Qian Pavilion couldn't bear it anymore and could only use Wantong Pavilion to threaten Tan Rongkun!

Tan Rongkun took back his breath, glanced at Chen Ping in surprise, turned around and left with others!

After Tan Rongkun left, everyone breathed a long sigh of relief!

Chen Ping followed Pavilion Master Qian and bowed his hands to say goodbye, then turned and left!

When Shenjizi saw this, he hurriedly chased after Chen Ping!

To him, Chen Ping is the God of Wealth!

Chen Ping looked at Shen Jizi wearing big pants, and helplessly took out a purple gold spirit coin and said: "Go buy some clothes, and keep the flowers for yourself..."

"Thank you, Mr. Chen. Don't worry, I will definitely be able to repay you the money, because I know that you will definitely win, and I will be rich by then."

"The bet ratio for you and Mu Qing is ten to one. As long as you win, our bet will be doubled..."

Shenjizi looked excited, he was sure that Chen Ping could win!

"Then if I can't win, won't you lose everything?"

Chen Ping looked at Shenjizi playfully and asked!

"Impossible. Even if Mr. Chen really misses and loses, with your character, you will never see me penniless. You will definitely return my bet to me!"

Shenjizi said!

When Chen Ping heard this, he was speechless. It turned out that this guy had already planned it. If he won, he would make a lot of money.

If he loses, then based on his character, he will never see him without clothes and will definitely give him money. After all, Chen Ping is not short of money!

Shenjizi's calculation is really shrewd!

Chapter: 7089

"Okay, go buy some clothes. If I really lose, all the money I have will be given to you. I will be dead by then. If I want money, I can use it right away!"

Chen Ping smiled lightly and said!

When Shen Jizi heard this, he quickly said awkwardly: "Mr. Chen can't lose, he will definitely not lose..."

After saying that, Shenjizi hurriedly went to buy clothes. This was not very elegant after all!

Just after Shenjizi left, someone suddenly called Chen Ping.

"Mr. Chen..."

Two beautiful figures are coming towards Chen Ping!

“Palace Master...”

Chen Ping looked over and found that it was the master of Guanghan Palace who came with Lan Yingying!

“Mr. Chen, I guessed that you would be coming to Nanjing City soon, so I went down the mountain to try my luck. I didn’t expect to meet you.”

“It has only been less than a month, and you have been promoted to the seventh level of the Tribulation Realm. It is really amazing!”

“With your cultivation speed, I’m afraid it won’t take long to ascend to immortality!”

The Palace Master of Guanghan Palace said!

“Palace Master is joking, how can it be so easy to become an immortal...” Chen Ping smiled and said!

“Palace Master, let’s find a place to chat. People are coming and going on this street, not a place for chatting!”

Lan Yingying said!

“Yes, let’s find a place to chat!”

The Palace Master of Guanghan Palace nodded and took Chen Ping and the others to find a place to stay!

Chen Ping will not leave Nanju City before the competition, so the Palace Master of Guanghan Palace will not return to Guanghan Palace. It is necessary to find a place to live!

Just when Chen Ping was settling down in Nanju City, he was hundreds of thousands of miles away in the Northern Territory, at the headquarters of the Demon Sealing Alliance!

Zuo Tianzheng was sitting upright in his seat, his face extremely pale!

Elder Chu, who was covered in scars, said with erratic eyes: "Leader, Xiao Huangchao blatantly attacked us and openly supported Chen Ping. This is simply too much."

"I think we should find a way to give Xiao Dynasty a beating so that they will stop interfering in Chen Ping's affairs."

"Knock? How to beat?" Zuo Tianzheng said with a cold face and wide eyes: "How about you take people to Xiao Huangchao to beat?"

Chapter: 7090

"I...I don't have that strength!" Elder Chu quickly shook his head in fear!

A general from the Xiao Dynasty wiped out the Feng family. If Elder Chu hadn't been clever and ran away early, he would have been wiped out by now!

How could he have the ability to lead people to make trouble in Xiao Dynasty!

Seeing Elder Chu like that, Zuo Tianzheng couldn't help but sneered, and then said: "Okay, I know you don't have the ability to defeat Xiao Dynasty, and I won't let you die, but there is an important matter right now. You need to do it!"

When Elder Chu heard this, he immediately breathed a sigh of relief and asked quickly: "Leader, if you have anything to do, just ask me, I will do my best..."

“Recently, many demon cultivators in our Demon-Sealing Alliance are ready to make a move. Even those demon cultivators who cooperate with us have the intention to rebel.”

“I have received reliable information that someone is secretly hiding a large number of demonic cultivators, and these demonic cultivators are all kept in hidden places. Please take someone to investigate.”

“We in the Northern Territory will never allow such people to exist, let alone the existence of demon cultivators that are not under the control of our Demon Sealing Alliance. Only by handling matters in the Northern Territory can we have the strength to fight against the Xiao Dynasty.”

“As for Chen Ping, don’t worry about him anymore. A hundred years of worship is tempting enough. Someone will definitely take action against him!”

Zuo Tianzheng said to Elder Chu!

“What? There are actually demon cultivators in our northern region, or are they hidden demon cultivators? Who is it that has such courage to do such a thing?”

“Don’t worry, Alliance Leader. I will definitely find out this matter and kill all the demon cultivators who don’t submit to our Demon-Sealing Alliance...”

Elder Chu said with confidence!

At this time, he felt that he was capable again, and he was completely different from the state he had just been asked to deal with Xiao Huangchao!

After all, after so many years, there should not be many demonic cultivators left in the Northern Territory, and their strength cannot be too high. After all, the headquarters of the Demon Sealing Alliance is in the Northern Territory, and the living space for the demonic cultivators in the Northern Territory is very small!

“Go ahead...”

Zuo Tianzheng waved his hand!

Elder Chu retreated slowly and immediately led people to investigate the matter!

.....

Southern Territory, Mu family!

Tan Rongkun brought people here, but was stopped by the guards of the Mu family!

“Who are you? What do you want from our Mu family?”

A guard asked Tan Rongkun!

“We are here to see your young master Mu Qing, please inform us.”

Tan Rongkun said very politely!

The guard looked at Tan Rongkun, then shook his head and said, “No, our young master will have a competition in two days. He is taking the time to recharge his batteries. Manager Liu has told us that no one will be seen.”

“You go, our Mu family has closed its doors these days and won’t entertain anyone...”

“How dare you, a little guard of the Mu family, dare to speak like this...”

One of the disciples brought by Tan Rongkun saw that the guards of the Mu family were so awesome. He immediately became angry and wanted to teach him a lesson!

However, he was stopped by Tan Rongkun. After all, in addition to visiting Mu Qing this time, he also needed the help of the Mu family to send a group of monks!

It would not be good if there was a stalemate with the Mu family!

“Little brother, to be honest, I am a friend of your Master Mu Qing, and I hope you will tell me.”

Tan Rongkun said, took out some purple gold spirit coins and handed them to the guard!

But who would have expected that the guard knocked the purple gold spirit coin out of Tan Rongkun’s hand and said with a cold expression: “Leave immediately, otherwise don’t blame us for being rude.”

At this time, Tan Rongkun also got angry. After all, he is a master of the Mahayana realm. It was so embarrassing to be blocked by two gatekeepers like this!

Tan Rongkun’s breath shook slightly. Before the two Mu family guards could make any move, they all fell to the ground in an instant, with fear in their eyes!

Tan Rongkun did not kill him. After all, these Mu family members could be taught a lesson. If they were killed, it would be difficult to handle!

“Walk.....”

Tan Rongkun and his men walked straight into Mu's house!
