

## **The Order 7091**

Chapter: 7091

But just as he walked into Mu's house, a terrifying aura suddenly hit him!

"Who dares to break into our Mu family..."

A figure flashed forward, followed by an overwhelming aura!

When Tan Rongkun saw this, he frowned slightly and waved his palm suddenly, blocking the breath instantly!

"Who are you? Dare you break into our Mu family?"

Manager Liu appeared, and a large number of Mu family disciples poured out from all directions!

Tan Rongkun and others were immediately surrounded!

But seeing Tan Rongkun's second-level Mahayana realm cultivation, the Mu family didn't take action!

"I came to see you, Master Mu Qing, but your guards didn't let me in!"

"I had no choice but to break in..."

Tan Rongkun said!

“We, Master Mu Qing, don’t see anyone. Get out of here right now before I get angry, otherwise don’t blame me for being rude!”

Manager Liu said with a cold face!

“What if I don’t leave?”

Tan Rongkun smiled coldly!

“If you don’t want to leave, then you will stay alive...” After Manager Liu finished speaking, the aura on his body continued to swell, ready to take action at any time!

“Manager Liu, don’t be rude!”

At this time, Mu Qing rushed out and shouted to Manager Liu!

After running to Tan Rongkun, Mu Qing said respectfully: “Uncle, why are you here?”

“Mu Qing, please don’t call me uncle. When my senior brother taught you the skills, it was an exchange of interests, not an apprenticeship.”

“Elder brother is in seclusion, but he is worried about your competition, so he asked me to come over and take a look, and bring some monks to the Blood and Bone Sect by the way!”

Tan Rongkun said to Mu Qing!

“Master, who is this person?”

Manager Liu looked at Tan Rongkun and asked in confusion!

Chapter: 7092

“Manager Liu, I have been studying abroad all these years with people like the Blood and Bone Sect. Otherwise, my strength would not have grown so fast.”

“And the monks my father prepares every year are also sent to the Blood and Bone Sect...”

Mu Qing introduced!

When Manager Liu heard this, he quickly changed his smile and said to Tan Rongkun: “Fellow Taoist, I’m really sorry. I offended you so much just now!”

Tan Rongkun waved his hand and said generously: “It doesn’t matter, he who doesn’t know is not guilty.”

“Uncle Master, you have never been to the Mu family. This time you will have a good time here for two days. After I finish competing with that Chen Ping, I will go back with you.”

“I’ll let Mr. Liu take care of the monks’ affairs. I’ll make sure you bring enough monks with you when you leave!”

Mu Qing followed Tan Rongkun respectfully and said!

“Okay, then I’ll have fun for two days and see what’s so special about that guy named Chen Ping!”

Tan Rongkun nodded!

After all, he rarely leaves the Blood and Bone Sect, and living among the dead bones all day is very boring!

Two days later, the arena in Nanju City was packed with people!

Today is the day for Chen Ping to compete with Mu Qing. Although not many people knew about the competition between the two at first, but after Wantong Pavilion's publicity, many people from the entire Southern Territory have come to watch the excitement. Got it!

Wantong Pavilion is taking advantage of this opportunity to make a fortune. This is the thinking of a businessman and will not consider the feelings of Chen Ping and Mu Qing!

Now that the matter has come to this, Chen Ping and Mu Qing have both admitted it. No one is watching anyway. The two of them are fighting to the death, and one of them will definitely die on the ring!

"Get out of the way, get out of the way..."

With a shout, the crowd around the ring slowly parted a path.

Mu Qing was seen walking towards the ring with a proud face. Behind Mu Qing were dozens of Mu family disciples, and Tan Rongkun was also following behind him!

Seeing Mu Qing appear, many people started shouting excitedly!

"Mr. Mu, we must win. I have put all my wealth on you!"

“Master Mu will definitely be invincible, come on!”

“Master Mu will definitely win...”

Many of the people watching bought Mu Qing to win, so they all shouted excitedly!

Mu Qing felt the cries of the people around him, stepped onto the ring arrogantly, and then waved with the people around him!

Chapter: 7093

Looking at Mu Qing’s appearance, it is obvious that he has absolute confidence!

Just as everyone was cheering, dozens of people came from the other side of the ring!

It’s just that these people are all female cultivators, each one of them as beautiful as a fairy, with an otherworldly aura!

These female cultivators are all saints of Guanghan Palace. The appearance of the saint instantly attracted the attention of many people!

In front of these saints is Chen Ping, who is dressed in commoner clothes and looks very simple.

The Palace Master of Guanghan Palace was beside Chen Ping, heading towards the ring together!

The palace master of Guanghan Palace carries a majesty from the inside out, and he is not angry but he is majestic!

Everyone automatically moved out of the way!

“Mr. Chen must win, you will definitely win...”

After Chen Ping walked under the ring, a shout suddenly came from the crowd!

You don't need to look, you can tell just by listening to the sound. This is a magic machine!

Shen Jizi also put all his wealth on Chen Ping, as he hoped that Chen Ping could win!

Seeing only one person cheering for Chen Ping, Mu Qing on the stage was full of sneers!

“I thought you didn't dare to come, but I didn't expect you actually came!”

Mu Qing looked at Chen Ping and said in a cold voice!

“Why don't I dare to hit you like this? I can do it with just one hand. I'm afraid that you don't dare to come!”

Chen Ping said with a slight smile!

“You don't need to deliberately provoke me to make me lose my mind. Stop talking nonsense. Just go on stage. I have other things to do after I kill you.”

Mu Qing waved towards Chen Ping and said!

“Since you want to die so much, then I will make it happen for you!”

Chen Ping straightened his body slightly and reached the ring directly!

“Is it him?” Tan Rongkun couldn’t help but be stunned after seeing Chen Ping!

“Do you know this Chen Ping, Fellow Daoist Tan?”

Manager Liu on the side asked!

Chapter: 7094

“I met this kid at the gambling shop in Wantong Pavilion. He was making such big claims at that time that he turned out to be Chen Ping.”

“You’re only at level 7 of the Tribulation Realm. It’s just a fool’s errand to think about defeating Mu Qing!”

A sneer appeared on the corner of Tan Rongkun’s mouth!

He can rest assured now, Mu Qing will definitely win!

“Fellow Daoist Tan, don’t underestimate this Chen Ping. This guy improves very quickly, and he has the ability to leapfrog the next level.”

“I’d better inform the young master to be careful. I’m afraid this Chen Ping has a strength no lower than the first level of the Mahayana realm!”

Manager Liu noticed it immediately after seeing Chen Ping take the stage!

At that time, Chen Ping was only at the fourth level of Tribulation Realm, but he was able to follow Mu Qing to fight back and forth.

Although it is not lower than Mu Qing, it is not much worse!

Now Chen Ping has been promoted to the seventh level of the Tribulation Realm in just one month. I am afraid that his strength will not be lower than the first level of the Mahayana Realm!

“Steward Liu, are you too cautious? A mere seventh-level Tribulation Realm can defeat a first-level Mahayana monk, why don’t I believe it!”

Tan Rongkun glanced at Manager Liu with disdain and said!

Manager Liu ignored him. After all, no one would believe it if they saw it with their own eyes!

“Master, this Chen Ping has actually been promoted to the seventh level of the Tribulation Realm. You should be more careful!”

Manager Liu used the sound transmission technique to warn Mu Qing!

“Don’t worry, I will definitely let him die in this arena today!”

Mu Qing responded, with a fierce look deep in his eyes!

At this time, Pavilion Master Qian of Wantong Pavilion also stepped onto the stage. Nanju City, as a small mountain town at the southernmost tip of the Southern Territory, does not have a city lord!

The Pavilion Master Qian of Wantong Pavilion also plays the role of the city lord. After all, Wantong Pavilion is the most powerful in Nanjing City!

“You two, now that you are on stage, it is a life and death battle. No matter who lives or dies, you must not take revenge after you get off the stage!”

After Pavilion Master Qian finished speaking, he waved lightly at the corner of the ring!

Soon, rays of light appeared around the arena, covering the entire arena!

Buzz!

As the light enveloped the arena, there was a burst of space tremors, and there were formations blocking the entire arena. This was also to prevent innocent people from being harmed!

Chapter: 7095

“Chen Ping, I didn’t expect that in just one month, you would be promoted to the seventh level of the Tribulation Realm. But no matter how fast you improve, you can never defeat me!”

Mu Qing’s face was full of confidence, the aura in his body was slowly gathering, and incomparable power blossomed out!

Behind Mu Qing, a faint blood-red color appeared, and terrifying pressure came towards Chen Ping instantly!

This coercion was like an invisible thug, locking Chen Ping firmly. Before he could take action, Mu Qing gave Chen Ping a powerful blow!

But Chen Ping stood motionless, with no trace of fear on his face!

Mu Qing raised the corner of his mouth slightly, with a hint of ridicule on his face: "Within ten moves, I will make your blood splatter on the spot..."

After saying that, Mu Qing grabbed it with his big hand, and the blood mist behind him instantly condensed into a long sword!

The long sword was swung out, and a sword light was seen slashing towards Chen Ping, fast and fierce!

Chen Ping took advantage of the situation and blocked it. Unexpectedly, the Dragon-Slaying Sword appeared in Chen Ping's hand!

The Dragon-Slaying Sword stood directly in front of him and let out a dragon roar, shattering the sword light into pieces!

Everyone looked at it in shock, a little unbelievable!

You must know that Mu Qing's sword was so powerful that it was unexpectedly blocked by Chen Ping so easily!

And no one felt the burst of aura from Chen Ping!

“Could it be that this guy, with the strength of his body alone, was able to block a blow from a first-level Mahayana monk?”

Manager Liu’s face was full of surprise!

Although he knew that Chen Ping’s true strength was not what his realm showed, he had tried his best to overestimate Chen Ping’s strength, but he never expected that it would be so terrifying!

He actually blocked Mu Qing’s blow just by relying on his physical strength. He looked very relaxed and comfortable, and there was no trace of a life-and-death struggle!

Chen Ping looked at Mu Qing calmly without any expression. The Dragon-Slaying Sword kept making dragon roars in his hand!

Mu Qing frowned slightly, and was extremely shocked inside!

He didn’t expect that Chen Ping didn’t burst out with any aura, and blocked his blow just by relying on the strength of his physical body!

Even Tan Rongkun, who had always looked down on Chen Ping and believed that Chen Ping would definitely lose, his eyes widened at this moment, with a look of disbelief on his face!

At this moment, everyone began to re-evaluate and define Chen Ping’s strength!

But only Chen Ping himself knows that he did not block Mu Qing’s blow simply by relying on the strength of his body. His current body is not that strong yet!

Chen Ping used the power of his True Fire Body. You must know that Chen Ping’s current True Fire Body is no longer a void, it is already solidifying!

Because this True Fire Dharma Body is equivalent to Chen Ping's clone, the power and aura of the two bodies are exactly the same, so no one will notice it!

Everyone thought that Chen Ping was just relying on his physical strength to block Mu Qing's blow!

This is the first time that Chen Ping has used the power of the True Fire Body. Once the True Fire Body is completely solidified, Chen Ping's physical body will be twice as powerful.

"Boy, you are taking my sword..."

Mu Qing shouted coldly and suddenly jumped into the air, slashing down the long sword in his hand.

This time the sword light surged wildly, soaring straight into the sky. When the sword fell down, the void was about to be torn apart!

Chapter: 7096

boom!

Mu Qing's sword slashed down, and the entire void exploded. The huge arena also shook, air waves scattered, and even the formations around the arena were distorted!

Everyone around was startled, and many people even retreated. If the formation cannot withstand this and the aftermath spreads, many monks may suffer!

When the air wave dissipated and everyone's attention returned to the ring, they were surprised to find that Chen Ping was still standing motionless, holding the Dragon-Slaying Sword without any change!

Even the expression on his face has not changed at all, as if nothing happened!

Mu Qing's sword didn't seem to hit Chen Ping at all!

Before the sharp sword energy could reach Chen Ping, all of it dissipated and disappeared without a trace!

"This...how is this possible?"

Many monks were shocked when they saw this scene. You must know that Mu Qing is a first-level monk in the Mahayana realm, and Chen Ping is a seventh-level monk in the Tribulation Realm. Even if he can leapfrog the level and fight, he can't be so outrageous!

In front of Chen Ping, Mu Qing, a first-level Mahayana realm, seemed worthless!

"Is Mr. Chen so strong? Even the first level of Mahayana realm can't shake him at all?"

The Palace Master of Guanghan Palace looked at Chen Ping's figure and said with shock!

You know, a month ago, Chen Ping was still the one who needed her protection!

But in just one month, Chen Ping's strength has become unfathomable, and the master of Guanghan Palace is no longer his opponent!

This made the Palace Master of Guanghan Palace a little excited. If it weren't for the identity of the Palace Master of Guanghan Palace, she might have fallen into Chen Ping's arms!

Chen Ping is the most talented person she has ever seen, especially he saved her life, so it is normal for the palace master of Guanghan Palace to secretly wish for him!

At this time, Manager Liu's face had become extremely ugly. Mu Qing's two attacks were stronger each time, but they did not shake Chen Ping at all!

This was without Chen Ping's counterattack. If this situation continued, he couldn't imagine whether Mu Qing would still be able to walk out of the ring alive!

Tan Rongkun's face was also solemn at this moment, and there was no longer the look of contempt at the beginning. The strength shown by Chen Ping was indeed very inconsistent with his realm!

At this moment, he finally understood why Chen Ping dared to say such nonsense when he was in the gambling shop!

"Mr. Chen, you are awesome, so awesome..."

"Mr. Chen will definitely win..."

When Shen Jizi saw this, he roared excitedly. He even got a flag from somewhere and shook it hard to cheer for Chen Ping!

Chapter: 7097

The surrounding monks looked solemn and helpless. If they had known that Chen Ping was so awesome, they would have just bet on Chen Ping!

Many people have put all their wealth on Mu Qing. If Mu Qing loses, they will lose everything!

Mu Qing was on the stage, gritting his teeth and looking at Chen Ping. His initial confidence was gone.

Chen Ping raised the corner of his mouth slightly, and a faint spiritual power was exuding around his body. This spiritual power spread slowly, causing the space to start to fluctuate, and it became more and more intense!

The indestructible golden body was activated, and golden scales emitting golden light began to cover Chen Ping's body!

Although the True Fire Body is very easy to use, Chen Ping cannot always use the power of the True Fire Body. After all, the True Fire Body has not yet reached the stage of complete solidification!

In the two attacks just now, the True Fire Body also suffered a lot of blows, but in the eyes of everyone, Chen Ping was fine and unscathed!

"If you have this little ability and want to kill me within ten moves, it's a bit impossible, right?"

Chen Ping looked at Mu Qing with a joking expression and said!

Looking at Chen Ping's joking look, Mu Qing almost died of anger, and it was in front of everyone!

"You arrogant guy, I will make you pay the price..."

Mu Qing roared, endless blood mist appeared behind him, and terrifying power emanated from Mu Qing's body!

Mu Qing's expression was extremely ugly. He was a first-level monk in the Mahayana realm, but he was publicly humiliated by Chen Ping, a seventh-level master in the Tribulation Realm. This kind of humiliation was fatal!

His two attacks failed to cause the slightest harm to Chen Ping. Mu Qing also began to face Chen Ping's true strength!

The aura of the first-level Mahayana realm continued to explode, and the veins on Mu Qing's forehead bulged!

"Dharmakaya...appears..."

Buzz!

Following Mu Qing's roar, a figure slowly appeared in the red blood mist behind him!

This figure opens up the heaven and the earth and stands between the heaven and the earth, like a mountain!

The moment the dharma body appeared, red light flowed, endless divine power emerged, and the sky trembled and the wind and clouds changed color!

Everyone looked horrified when they saw this scene!

The dharma body behind Mu Qing is obviously much stronger than a month ago. This should be the result of Mu Qing's hard work for a month!

Everyone looked up at the Dharmakaya, and everyone felt very small!

When Tan Rongkun saw this Dharmakaya, he couldn't help but open his mouth and said in surprise: "Where did Mu Qing learn this Dharmakaya? It's too scary..."

Chapter: 7098

No one in their Blood and Bone Sect knows this technique, not even his senior brother!

Obviously, Tan Rongkun learned this from someone else, but this is normal. As the son of the Mu family, he spends a lot of money to learn some skills to improve his strength. After all, Mu Qing is not a disciple of the Blood and Bone Sect, nor is he a disciple of the Blood and Bone Sect. No need to follow any rules!

When the Palace Masters of Guanghan Palace and the others saw the Dharmakaya behind Mu Qing, they were shocked and began to sweat for Chen Ping!

Because at this time, the power in Mu Qing's body was obviously continuously increasing!

"The Poro Dharma Body is indeed very good, but it's a pity that your Dharma Body has not yet solidified and is really too weak."

"I'll let you see how my body is doing..."

After Chen Ping finished speaking, golden light exploded from his body, and a shadow slowly appeared behind him!

The shadow became clearer and clearer, and soon everyone was surprised to find that the shadow that appeared behind Chen Ping turned out to be himself!

And there are blazing flames surrounding this Dharmakaya!

“How can this guy condense his Dharmakaya? He is only in the Tribulation Stage. This is impossible!”

Manager Liu was shocked and said in disbelief!

Everyone looked at Chen Ping in shock!

The dharma body that Mu Qing condensed was just another person’s shadow, summoned by using his skills!

And Chen Ping’s dharma body turned out to be his true self!

It is simply unbelievable that a monk in the Tribulation Realm can condense the Dharma Body!

“This... this is impossible. How can you condense your own body? The illusion is definitely an illusion...”

Seeing this, Mu Qing didn’t believe that Chen Ping could condense his Dharmakaya!

“Whether it’s an hallucination or not, you’ll know if you try it!”

After Chen Ping finished speaking, his body slowly levitated, and he stood in front of the huge dharma body. His whole body exuded endless majesty, making people have to show endless admiration!

“True Fire Dharmakaya...open...”

boom!

With an explosion, the sky and the earth were instantly filled with flames. These flames seemed to erupt from the ground!

Chapter: 7099

Terrifying power, accompanied by flames, erupted from Chen Ping's feet!

Mu Qing was instantly blown away by this force, and even the Poro Body behind him began to shake!

Mu Qing's face turned red, and there was blood spilling from the corner of his mouth!

However, Chen Ping did not stop, holding the dragon-slaying sword, and his body was surrounded by flames!

Endless flames and breath burst out from the True Fire Technique, constantly impacting the void, making the entire void tremble and seem to collapse!

Chen Ping did not hold back this time, but wanted to see how far his True Fire Body had reached.

The terrifying breath of flames enveloped Chen Ping's entire body. Everyone could only see the huge True Fire Body, and Chen Ping could no longer be seen!

"Oh my god, is this the power that a monk in the Tribulation Realm can unleash?"

"Monster, this Chen Ping is a complete monster..."

"It's a wonder, what a wonder. A first-level monk in the Mahayana realm was actually injured by the Tribulation realm, and he still has no power to fight back?"

Everyone looked at Chen Ping in front of them with shocked expressions. They never expected that this would be the result!

I originally thought that Mu Qing could knock Chen Ping down with three punches and two kicks!

But now it seems that the result is completely the opposite!

Tan Rongkun's face has become extremely ugly. Even if he were beaten to death, he would never have thought that Chen Ping was so powerful!

Although he also knew that the Demon Sealing Alliance used hundreds of years of offerings to hunt down Chen Ping, that didn't mean that Chen Ping, who was in the Tribulation Realm, showed strength that exceeded that of the Mahayana Realm!

Mu Qing gritted his teeth and wiped the blood from the corner of his mouth. His whole body slowly merged into the dharma body behind him. The long sword in his hand was instantly held in the dharma body's hand. At the same time, the sword body also increased hundreds of times!

The huge blood sword slashed towards Chen Ping. This time the sword light was obviously much brighter!

The power contained in the sword light made the avenue roar with a devastating force. Although the speed was not fast, it was able to defeat all methods with force!

Rumble.....

Chen Ping's True Fire Body also took a picture. A fire dragon appeared and instantly defeated the sword light, but Chen Ping's footsteps did not move at all!

"ah....."

Mu Qing was going crazy. He kept waving the long sword in his hand, and sword rays fell towards Chen Ping like raindrops!

At this time, Mu Qing's expression was distorted, and his whole body was filled with a violent killing spirit!

Chapter: 7100

"You are no match for me. Why don't you kneel down and admit defeat? Now that the ten moves have passed, let me take your head!"

After Chen Ping finished speaking, he suddenly rushed out of the flames, and then swung the dragon-slaying sword in his hand!

boom!

With just one sword, he swallowed the mountains and rivers with anger and aroused the sword light!

The dharma body, which was like a mountain, slowly disappeared under Chen Ping's sword!

Mu Qing's body appeared, but his eyes were wide open and his face was full of shock!

The bloody sword in his hand instantly turned into blood mist and disappeared, and a thin blood-red line appeared from Mu Qing's neck!

Bang!

Mu Qing opened his mouth, but before he could speak, his head fell directly onto the ring, and then his body fell heavily!

A flash of spiritual light flashed out from Mu Qing's body, but was shot out by Chen Ping with a burst of fire, which instantly enveloped the spiritual light!

“ah.....”

A shrill scream sounded, this was Mu Qing's soul!

He originally wanted to escape from his physical body, but as long as he left a trace of his soul behind, there was still hope that he could reshape his physical body and survive.

But who would have thought that Chen Ping would not even let go of his soul. He obviously wanted to kill him and showed no mercy at all!

“stop.....”

When Manager Liu saw this, he became furious and murderous intent emerged instantly!

The others also had horrified expressions on their faces. No one noticed that Mu Qing was actually killed, and even the remaining soul was not spared!

Manager Liu rushed towards the ring, but he encountered the formation around the ring, and his body was instantly blocked back!

Tan Rongkun was stunned on the spot. He didn't even react at this time.

He never thought that Mu Qing would die so quickly!

This was a first-level master in the Mahayana realm, why did he die like this?

Even if you are defeated, you shouldn't be killed so easily?

This is simply off the mark...
