

The Order 71

Chapter: 71

Chen Ping asked Su Yuqi.

“Don’t worry about it, this is more important than the wedding!”

Su Yuqi took Chen Ping to buy shoes and watches, and directly dressed Chen Ping up as a rich, handsome man!

As long as it’s done, Chen Ping can only be dragged around by Su Yuqi, and Chen Ping has more and more things on his body.

Ties, belts, and even a lighter, Su Yuqi spent tens of thousands of yuan to buy one for Chen Ping!

With Chen Ping’s outfit, I’m afraid it would cost hundreds of thousands!

“Isn’t this a bit too luxurious?”

Wearing this outfit, Chen Ping felt like he couldn’t even walk!

He doesn’t understand what rich people like Su Yuqi think. What’s the point of buying a suit of clothes for hundreds of thousands and a lighter for tens of thousands?

“What’s so luxurious about this? The clothes you wore before were too shabby. I won’t let you wear them like that in the future, otherwise I will be laughed at.”

Su Yuqi said lightly.

But after saying that, Su Yuqi suddenly felt as if she had said the wrong thing, and her face turned red instantly.

Chen Ping also heard it and smiled slightly: "I'm wearing shabby clothes, why would anyone laugh at you?"

When Chen Ping asked, Su Yuqi's face turned redder, and she could only glare at Chen Ping and said: "I already said in public that I wanted to be your girlfriend, and of course others took it seriously. You are wearing shabby clothes, aren't you just slapping me in the face? ?I won't tell you anymore. I'm going to the bathroom. You wait for me here..."

Su Yuqi made an excuse and left quickly.

Chen Ping smiled and stood there waiting for Su Yuqi!

Many girls who passed by looked back unconsciously after seeing Chen Ping. Several even came over to strike up a conversation and asked for their contact information, but Chen Ping rejected him!

At this time, on the other side of the mall, Geng Shanshan and Jiang Wenjing also came to visit the mall.

Geng Shanshan was very angry after being scolded yesterday, so she planned to buy something today to make herself feel better.

"Shanshan, look, there's a handsome guy standing across from you. Just looking at his back, you'll be mesmerized!"

Jiang Wenjing said to Geng Shanshan excitedly.

After hearing what Jiang Wenjing said, Geng Shanshan hurriedly looked up, and sure enough she saw a tall boy wearing a suit, standing upright opposite. Just looking at his back, you can feel the noble temperament of the boy!

“Stop being a back-shooter, right?”

Geng Shanshan said softly.

Chapter: 72

“Impossible, I can feel it. This must be a handsome boy. Shanshan, you already have Mr. Xiao, so leave this handsome boy to me!”

After Jiang Wenjing finished speaking, she couldn't wait to walk over!

Geng Shanshan was also curious and hurriedly followed!

“Handsome guy, are you waiting for someone?”

Jiang Wenjing stepped forward, patted the boy on the shoulder and asked!

But when the boy turned around, Jiang Wenjing and Geng Shanshan were both stunned on the spot!

“Chen...Chen Ping, why is it you?”

Jiang Wenjing said with surprise.

Geng Shanshan was also full of shock. She had been following Chen Ping for several years and had never seen Chen Ping before. It seemed that he really relied on his clothes and his saddle!

“Why can’t it be me?” Chen Ping smiled coldly when he saw it was Geng Shanshan and Jiang Wenjing!

“How could you come to this mall? The things here are very expensive!”

Jiang Wenjing said with a puzzled look!

The things in this mall are very expensive. Ordinary people have no conditions to come here. In Jiang Wenjing’s eyes, Chen Ping’s family condition is not even ordinary. How could he come to this mall? Moreover, the clothes on his body seem to be valuable. Not cheap!

“Is the mall owned by your family? I can come whenever I want!”

Chen Ping choked Jiang Wenjing unceremoniously, and Jiang Wenjing was immediately speechless.

“Chen Ping, as virtuous as you are, you are a toad wearing a dragon robe. No matter what, you can’t transform into a dragon. I don’t know where you bought cheap goods. You come here to pretend to be cool and catch girls. Bah...”

Geng Shanshan spat hard at Chen Ping!

“Whether he can turn into a dragon or not is not something you, a chicken, can say!” Before Chen Ping could say anything, Su Yuqi came over with a bit of coldness on her face: “Wipe off your shit!”

Su Yuqi pointed at the spit that Geng Shanshan had spat on Chen Ping’s clothes.

Seeing that it was Su Yuqi, Geng Shanshan flinched a little. Compared with Su Yuqi, she, Geng Shanshan, was nothing. She was the daughter of the richest man in Hongcheng!

But of course Geng Shanshan was not happy when he called her a chicken in front of so many people in the mall and asked her to clean Chen Ping's clothes.

"You... don't be so mean when you speak, and don't bully others just because you are the eldest lady of the Su family!"

Geng Shanshan worked hard to maintain her momentum.

"I told you to wipe it off, couldn't you hear me? You said if I slap you twice now, would Xiao Lei dare to come to me?"

Chapter: 73

Su Yuqi's momentum obviously suppressed Geng Shanshan, causing her body to start shaking slightly!

Geng Shanshan knew that Su Yuqi's beating was in vain, and Xiao Lei would not fall out with the Su family because of her.

Chen Ping looked at Geng Shanshan like that, with the corner of his mouth slightly raised, and without saying a word, he just looked at it with a sneer!

"I'll wipe it, I'll wipe it..."

When Jiang Wenjing saw this, she hurriedly took out a tissue and wanted to wipe it off for Chen Ping instead of Geng Shanshan!

"Who do you think you are? Can you touch my boyfriend?"

Su Yuqi directly pushed Jiang Wenjing away!

Jiang Wenjing's face turned red with embarrassment, but she didn't dare to say a fart. Geng Shanshan didn't dare to offend Su Yuqi, and she didn't dare to mess with her even more.

"You are such a bully. Just because you are rich and powerful, you bully ordinary people like us. Come and see, the eldest lady of the Su family is bullying!"

Geng Shanshan will not clean Chen Ping's clothes, she can't get over the hurdle in her heart!

Chen Ping had always been obedient to her and was a dog-licker, but now she was suddenly asked to bow to Chen Ping. She couldn't do it!

At this time, Geng Shanshan pretended to be weak, hoping to get pity and help from the people around her!

Snapped.....

Just when Geng Shanshan wanted to ask for help from the people around her, Su Yuqi stepped forward and slapped Geng Shanshan without any delay, and she was stunned!

"What nonsense, I'll let you wipe it off now!"

Su Yuqi said to Geng Shanshan in a tone that left no room for doubt.

Geng Shanshan covered her face and looked at the crowd around her, but no one said anything to help. Some were even timid and left in a hurry, not daring to stay any longer!

Helpless Geng Shanshan looked at Su Yuqi's cold look and could only take out a tissue, slowly walked to Chen Ping, squatted down and prepared to wipe off the spit on Chen Ping's clothes!

Chen Ping looked down at Geng Shanshan with a sneer on his face, but just when Geng Shanshan was about to wipe it off for Chen Ping, Chen Ping dodged!

Geng Shanshan was stunned and looked up at Chen Ping!

“I’m afraid your hands will dirty my clothes...”

After Chen Ping finished speaking, he wiped it off with a tissue!

“you.....”

Geng Shanshan’s chest heaved with anger, and she didn’t know how to refute!

Chapter: 74

“let’s go!”

Chen Ping took Su Yuqi’s hand and strode out of the mall!

Geng Shanshan looked at the backs of the two people, her whole body trembling with anger, and she gritted her teeth and said: “Chen Ping, you bastard, I will never let you go!”

But Chen Ping had already walked out of the mall and couldn’t hear it!

“You are quite aggressive today, which is inconsistent with your status as the eldest lady of the Su family. If this is spread, it will have a bad impact on you!”

After walking out of the mall, Chen Ping looked at Su Yuqi and said.

“I don’t care if she’s okay, I’m angry when I see that Geng Shanshan!” Su Yuqi gritted her teeth, with anger still on her face, but then she looked at Chen Ping: “Are you scared by me?”

“No!” Chen Ping smiled slightly and shook his head: “When you show off your power, you are quite interesting!”

“Since you like it, then I will show off my power to you every day, right?”

Su Yuqi turned her eyes and said.

“No, no, no, no...” Chen Ping waved his hands repeatedly and immediately changed the subject and asked, “You dressed me up like this, where are you taking me?”

“Today Gu Gu is holding a big banquet at our Regal Hotel. All the famous people in Hongcheng will be there. I heard that the conditions for participating are very strict and you are not allowed to bring your family members. But this is our own hotel, so I don’t need an invitation. , I will bring you in so that you can get acquainted with famous people like Hong Cheng!”

Su Yuqi was not selling a lawsuit and followed Chen Ping truthfully.

After hearing this, Chen Ping felt dumbfounded. Gu Wentian was holding a big banquet just for him, and now Su Yuqi actually wanted to sneak him in!

“Why are you laughing? What I said is true. Moreover, it is said that Gu Gu’s big banquet is to introduce a friend to the big guys like Hongcheng. Now everyone is guessing who Gu Gu’s friend is!”

“Do you know how many people want to attend this banquet, but have no qualifications or opportunity? If the banquet is not held at the Regal Hotel, I won’t have the chance to take you in. You have to behave well!”

Su Yuqi followed Chen Ping's instructions!

"Okay, I will definitely perform well!" Chen Ping smiled. He didn't tell Su Yuqi the truth, he just wanted to give her a surprise!

Unknowingly, Chen Ping could also feel the change in his heart towards Su Yuqi. Although neither of them said anything, they could feel something and it was just a tacit understanding!

Hongcheng Hospital!

Xiao Yan hurried over, threw a suit to Xiao Lei and said: "Put on your clothes and follow me!"

"Dad, I'm recovering from my injuries. Where are I going?"

Xiao Lei asked with a puzzled look.

"Take you to a banquet!" Xiao Yan said.

Chapter: 75

"No, I broke my arm and am recovering from my injuries. I am attending a banquet!"

When Xiao Lei heard this, he suddenly lost interest.

He had attended many banquets, which were nothing more than eating, drinking, complimenting each other, and being very formal in suits. He was not happy to go.

"You bastard, do you know who organized the banquet this time? It was ancient, and all the respectable people in Hongcheng were there. If you behave well this time, the Xiao family's property will be handed over to you in the future. , don't let me lose..."

Xiao Yan slapped Xiao Lei on the head and said.

When he heard that it was a banquet held by Gu Gu, Xiao Lei didn't dare to say anything and hurriedly changed his clothes, but with a broken arm, Xiao Lei couldn't change it at all!

“Where is your girlfriend? If she is not here to take care of you, where has she gone? Ask her to help you change. Regal Hotel at 11 noon. Don't let me be late. I have other things to do!”

Xiao Yan left after saying that!

Xiao Lei looked at the time and did not dare to delay. He called Geng Shanshan and called Geng Shanshan back directly!

.....

At 10:30 noon, the entire Regal Hotel was already crowded with luxury cars, and prominent people from the political and business circles had arrived early!

They greeted each other one by one, and then walked into the hotel one after another with the invitation letters in their hands!

However, the accompanying family members could only wait outside the hotel.

The reason why Gu Wentian only invited the heads of each family or department to this banquet was to reduce the number of people at this banquet. He was afraid that there would be too many people and the chaos would make Chen Ping bored!

Xiao Lei also came with an arm on his arm, and Geng Shanshan was supporting him. Seeing so many big guys at the scene, Geng Shanshan was so excited that her heart almost jumped out of her chest!

“Stand here properly and don’t cause trouble for me. The people here this time are not ordinary people!”

Xiao Yan warned Xiao Lei!

“Dad, why don’t I go in?”

Xiao Lei looked confused and called him over, but he didn’t let him in!

“Nonsense, this banquet invites all heads of families or leaders at all levels. What qualifications do you have?”

Xiao Yan glared at Xiao Lei and said.

Xiao Lei suddenly became a little unhappy: “You won’t let me in, why did you call me here? I’m going to be exposed to death!”

Listening to Xiao Lei’s words, Xiao Yan really wanted to give him a hard kick. With so many people waiting outside, are they all fools?

This is a once-in-a-lifetime opportunity. Making more friends is always good for the development of your company. It’s a pity that Xiao Lei only knows how to eat, drink and have fun and doesn’t consider anything else.

Chapter: 76

“Remember, if I don’t see you when I come out, I will cut off your pocket money for half a year!”

Xiao Yan threatened Xiao Lei, he was really afraid that Xiao Lei would run back if he was unhappy!

When he heard that half a year's pocket money had been cut off, Xiao Lei was so frightened that he shook his head and nodded repeatedly: "I won't leave, I'll stay here!"

Xiao Yan walked into the hotel with confidence, while Xiao Lei and Geng Shanshan could only bask in the sun at the door!

At this time, Chen Ping and Su Yuqi also arrived!

"Wait here for me, and I'll make arrangements. We'll sneak in through the back door later!"

After getting off the car, Su Yuqi said to Chen Ping.

Chen Ping nodded.

Su Yuqi went to make arrangements, while Chen Ping stood there a little bored. These people came from the upper class, and Chen Ping didn't know any of them, so he could only fiddle with his phone in boredom.

The sharp-eyed Geng Shanshan saw Chen Ping at a glance. Seeing that Chen Ping was playing with his mobile phone without anyone taking care of him, Geng Shanshan suddenly sneered.

"Brother Lei, isn't that Chen Ping? Is he worthy of attending the banquet?"

Geng Shanshan whispered to Xiao Lei.

Xiao Lei looked and saw that it was indeed Chen Ping, and a cold light suddenly flashed in his eyes as he walked over!

Seeing this, Geng Shanshan hurriedly followed over, staring at Chen Ping with resentment in her eyes. Geng Shanshan still remembered the scene in the mall just now!

“Chen Ping, do you deserve to come here? Do you know who are the people who come here?” Xiao Lei looked at Chen Ping with an arrogant look: “Wearing new clothes, you think you are. Are you a gentleman?”

Chen Ping glanced at Xiao Lei coldly and did not pay attention to him.

“Chen Ping, how were you so arrogant when you were in the mall? Where’s your beautiful Miss Su? Why didn’t she take you in? Can’t she even get in? Bah...” Geng Shanshan spat again. Chen Ping said, this time with Xiao Lei here, she didn’t believe it and dared to ask her to wipe it off!

Chen Ping’s face turned slightly cold: “Remember, I will let you lick it off like a dog later!”

“Hahaha, bah...” Geng Shanshan laughed and spat again: “Who do you think you are? You asked me to lick it off for you. Aren’t you just a prisoner in the labor camp? What’s so great about it?”

“Everyone, look at it. A prisoner in a labor camp is actually dressed like a human being and wants to attend a banquet. He doesn’t even urinate and take pictures of himself!”

Geng Shanshan shouted, attracting many people to watch!

Chen Ping looked indifferent and quietly watched Geng Shanshan’s hard performance!

“Xiao Lei, who is this person? He looks unfamiliar!”

At this time, a young man of similar age to Xiao Lei asked.

Chapter: 77

You must know that the people who come here are all reputable people in Hongcheng, or their family members, and they all know or have met each other!

But Chen Ping looked very unfamiliar and did not look like someone from the upper class, so someone curiously asked Xiao Lei!

“He, he was my girlfriend’s former boyfriend. He worked as my girlfriend’s dog for three years without even holding her hand. Later, I put him in jail and served three years in prison. Just two days ago he just from!”

Xiao Lei explained with a sneer.

When Xiao Lei said this, the people around him looked at Chen Ping with contempt. People with noble status like them would not bother to stand with a labor reform prisoner like Chen Ping.

Everyone stayed away from Chen Ping and whispered sarcastically, but Chen Ping looked calm, as if he hadn’t heard!

“Chen Ping, you have developed a really thick skin in prison. Now that you are like this, do you still have the nerve to stay here?”

Seeing that Chen Ping didn’t seem to care, Geng Shanshan immediately said with a cold face.

“Chen Ping!”

At this moment, Su Yuqi had made arrangements and came over. When she saw Geng Shanshan and Xiao Lei, she frowned: “What are you two doing here?”

“Of course we are here for the party!”

Geng Shanshan said with a proud look.

With Xiao Lei supporting her, she doesn't have to be afraid of Su Yuqi.

"Pfft..." Su Yuqi burst out laughing when she heard this: "Why don't you go in to the banquet? Is it because there is no invitation and you are not allowed in at all?"

Geng Shanshan opened her mouth, but didn't make a sound, because they really couldn't get in without an invitation!

Seeing Geng Shanshan's deflated look, Su Yuqi raised the corner of her mouth slightly, took Chen Ping's hand and said, "Let's go in!"

Seeing Su Yuqi and Chen Ping about to go in, Geng Shanshan was stunned: "Do you have an invitation?"

"I won't tell you!" Su Yuqi said with a proud smile!

Geng Shanshan was furious, but when she saw Su Yuqi and Chen Ping walking towards the back door, she immediately realized: "Brother Lei, they are planning to sneak in from the back, and they don't have an invitation either!"

Xiao Lei also noticed it and hurriedly stepped forward to stop Chen Ping and Su Yuqi: "How could you two sneak in through the back door without an invitation? I'm going to report you!"

"Xiao Lei, are you being serious? This Regal Hotel belongs to our family. I can enter wherever I like. If I jump in from the window, can you control it?"

Su Yuqi looked at Xiao Lei and said with a scowling look.

Xiao Lei was choked immediately and had nothing to say!

“You guys keep an eye on these two. If they dare to come in through the back door, beat them out!”

Chapter: 78

Su Yuqi warned several security guards!

“I understand, Miss!”

Several security guards directly stared at Geng Shanshan and Xiao Lei!

Su Yuqi pulled Chen Ping into the hotel from the back door. Looking at the backs of the two people, Xiao Lei and Geng Shanshan stomped their feet angrily!

After Chen Ping entered the hotel, he sent a message to Lin Tianhu and asked Lin Tianhu to drive Xiao Yan away. He did not want to sit and eat with the Xiao family, and he also did not want the Xiao family to know too much about his identity. Let's see how long Xiao Lei and Geng Shanshan can dance.

Inside the hotel!

Everyone gathered around Gu Wentian, with respectful expressions on their faces. Some people knew that Gu Wentian liked to collect antiques, so they searched everywhere and then came over to give them to Gu Wentian!

Next to Gu Wentian, a middle-aged man with a burly figure and a stern face was always on guard. This man was Gu Wentian's personal bodyguard Tang Long, who had retired from the Zhanlong Squadron and was once Gu Wentian's still in office. At that time, he protected Gu Wentian personally. Now that Gu Wentian has retreated, Tang Long has also retreated, and has been protecting Gu Wentian's safety!

Whenever Gu Wentian attends public places, he will always take Tang Long with him to protect his own safety!

“Everyone, I’m hosting a banquet for you today. Firstly, it’s not to receive gifts, and secondly, it’s not to talk about things. I just want to introduce you to a new friend. Don’t be too formal!”

Gu Wentian waved his hand to silence everyone, and then said loudly.

In fact, many people have heard about it a long time ago, but now that it was said again from Gu Wentian’s mouth, everyone was still shocked. They didn’t know what kind of terrifying background the person introduced by Gu Wentian would have. Otherwise, Gu Wentian There won’t be such a big fanfare!

“Why hasn’t Mr. Chen come yet?”

Gu Wentian looked at the time and asked Lin Tianhu beside him.

“Maybe soon!” Lin Tianhu didn’t know why Chen Ping hadn’t arrived yet, but he said it well yesterday.

As soon as Lin Tianhu finished speaking, his cell phone rang. Seeing that it was Chen Ping’s message, Lin Tianhu took a look at the message to Gu Wentian.

Gu Wentian looked at the message and nodded slightly: “No wonder Mr. Chen hasn’t shown up yet. It turns out that’s what happened. I didn’t think carefully!”

After Gu Wentian finished speaking, he glanced at Xiao Yan who was not far away. At this time, Xiao Yan was also waiting for the young man Gu Wentian mentioned to appear. The person who could be valued so much by Gu Wentian was definitely not an ordinary person. If they could cling to such a person, the Xiao family might be able to surpass the Su family!

Just as Xiao Yan was thinking about it, he saw Gu Wentian looking at him and saying, “Boss Xiao...”

“Gu Gu...” Upon hearing this, Xiao Yan hurried forward: “What are Gu Gu’s orders?”

“You are not suitable to attend today’s banquet. Go back...”

Gu Wentian directly issued an order to expel Xiao Yan in front of everyone!

When Xiao Yan heard this, he was immediately stunned and looked at Gu Wentian in disbelief: “Gu, I...”

But Gu Wentian waved his hand directly before Xiao Yan finished speaking: “Send off guests!”

Chapter: 79

Xiao Yan was surprised when he saw this, but he couldn’t stay here anymore, so he had no choice but to turn around and leave.

At this time, everyone was speculating, had the Xiao family offended Gu Gu?

At this time, Su Yuqi and Chen Ping had sneaked in, and the two of them were secretly watching from a corner!

“Let’s hide first. When the party starts, we’ll go out, so we won’t be easily discovered!”

Su Yuqi peeked out her head and said.

“Why are you hiding? Now that you’re in, it would be great to go out openly!”

After Chen Ping finished speaking, he walked out directly!

Su Yuqi was startled and hurriedly stepped forward to pull Chen Ping, but she didn't hold him back!

"coming!"

Lin Tianhu said happily after seeing Chen Ping!

Gu Wentian raised his eyes and saw Chen Ping coming. His face suddenly lit up and he walked quickly towards Chen Ping!

Su Wenzong, who was in the crowd at this time, suddenly broke into a cold sweat when he saw Chen Ping showing up and Gu Wentian walking towards Chen Ping.

He asked Su Yuqi to sneak this into Chen Ping. What if Gu Wentian found out about it now?

Su Wenzong walked quickly to the front and winked at Chen Ping desperately, asking Chen Ping to leave quickly. Then he stopped Gu Wentian and said: "Gu, this person is a waiter in our hotel. He should go the wrong way and run away." Come here!"

Su Yuqi had already caught up with Chen Ping, pulled Chen Ping away, and said: "Why are you working, not looking at the road, and running here!"

"Wait a minute!" Gu Wentian shouted directly to Su Yuqi!

Su Yuqi stopped and then let go of Chen Ping in her hand!

“Gu Gu, I made poor arrangements and let my servants break in. I will give an explanation to Gu Gu later.”

Su Wenzong broke into a cold sweat, fearing that Gu Wentian would be angry!

Gu Wentian was stunned: “You said Mr. Chen is your servant?”

“Yes!” Su Wenzong nodded, but was quickly startled: “Chen...Mr. Chen?”

Su Wenzong didn’t understand, how did Gu Wentian know that Chen Ping’s surname was Chen? Why do you still call me sir?

“Yes, my main purpose for this banquet is to invite Mr. Chen. You are just accompanying me...”

Gu Wentian nodded.

Chapter: 80

This time, Su Wenzong and Su Yuqi were a little confused and couldn’t figure out what was going on.

“Gu, I hope I’m not late?”

Chen Ping took two steps forward and smiled slightly.

“Mr. Chen came at the right time. I didn’t know this was...”

Gu Wentian pointed at Su Yuqi behind Chen Ping and asked.

“Gu Gu, this is the little girl, she is friends with Mr. Chen!”

Su Wenzong is indeed an old man who has been in shopping malls for a long time, and he reacted immediately!

When Gu Wentian heard this, he immediately laughed: "A hero and a beauty are the perfect match in the world!"

When Gu Wentian said this, others praised Chen Ping and Su Yuqi one after another!

Su Yuqi's face turned red and she didn't dare to raise her head!

"Mr. Chen, please take a seat. I've been waiting for you for a long time!"

Lin Tianhu stepped forward and followed Chen Ping in a gesture of invitation.

Chen Ping was not polite and walked straight to the main seat. A group of people swarmed around Chen Ping. Although they didn't know who Chen Ping was, what they knew was that Chen Ping would definitely be a powerful figure in Hongcheng in the future. figure!

Gu Wentian and Lin Tianhu are both such respectful people, and they are also the sons-in-law of the richest man, the Su family. Who dares to offend such a figure!

Su Wenzong and Su Yuqi looked at each other and followed suit!

After Chen Ping sat down, Gu Wentian sat next to Chen Ping, while the other side was empty, no one dared to do it.

"Miss Su, this seat is reserved for you. You two should sit together!"

Gu Wentian followed Su Yuqi and waved with a smile on his face!

Su Yuqi's face turned red and she shyly sat down next to Chen Ping. Su Yuqi's next seat was Su Wenzong. Originally, this place was supposed to be for Lin Tianhu, but now if Chen Ping and Su Yuqi are boyfriend and girlfriend, then Su Wenzong belongs to Chen Ping. My father-in-law, Lin Tianhu doesn't dare to sit at the head of Su Wenzong!

After everyone sat down, Gu Wentian picked up a glass of wine and said to Chen Ping: "Mr. Chen, I will be the first to toast you with this first glass of wine..."

Gu Wentian knew very well that after he toasted the first glass of wine, he did not need to take care of the rest of the matter. None of the people sitting here would know how to do it!

"You're welcome ancient!"

Chen Ping picked up the wine glass and drank it all in one gulp!

Just when Chen Ping put down his wine glass, Gu Wentian was suddenly startled, because he saw that Chen Ping's brand new suit actually had spit from someone!
