

The Order 7101

Chapter: 7101

“Mr. Chen is mighty...”

When Ji Yun saw that Chen Ping had won, he shouted happily!

The Palace Master of Guanghan Palace and others were also very excited. They were worried about Chen Ping just now, but there is no need to worry now!

“Mr. Chen is awesome, Mr. Chen is 666...”

Not to mention how excited Shen Jizi was, waving flags and shouting, he was going to win a lot of money this time!

Just as Shen Jizi was shouting, Manager Liu gave him a cold look, startling Shen Jizi and shut his mouth!

Pavilion Master Qian waved lightly towards the corner of the ring, and the formations around the ring disappeared instantly!

The moment the formation disappeared, Manager Liu jumped up and attacked Chen Ping!

Everyone in the Mu family and Tan Rongkun also followed them onto the ring!

Upon seeing this, the Palace Master of Guanghan Palace hurriedly led many saints from Guanghan Palace to rush forward!

The reason why she brought so many people here was to prevent people like the Mu family from jumping over the wall and bullying the few!

Chen Pingping faced Manager Liu who was attacking him, clenched his fist tightly, and punched out suddenly!

Thousands of golden lights bloomed from Chen Ping's fist, and the terrifying power caused many monks around him to fly backwards!

Without the barrier of the formation, everyone could truly feel the power of Chen Ping's punch!

Manager Liu also frowned, waved his palms in front of his chest, and blocked Chen Ping's punch!

"Mr. Liu, I said it before the fight. In a life-or-death fight, you leave it to fate. How can you find fault?"

Pavilion Master Qian also walked to the ring and asked Manager Liu with a slight frown!

"Kill our young master, this Chen Ping must die, otherwise how can I follow the master's instructions!"

Manager Liu said with murderous look in his eyes!

Now Mu Qing is the only child of the Mu family, and now he has been killed by Chen Ping. Manager Liu doesn't know how he can follow the instructions of the head of the Mu family!

If Chen Ping is not kept, Manager Liu will definitely be punished when the head of the Mu family leaves the country!

“Manager Liu, if you want to bully the minority, Guanghan Palace is not afraid of you. Do you think the saints in Guanghan Palace are all vegetarians?”

The master of Guanghan Palace held an ice sword in his hand and said with murderous intent!

“Hmph, your Guanghan Palace is nothing. If you dare to stop it, your Guanghan Palace will be destroyed too!”

Chapter: 7102

Manager Liu didn't take Guanghan Palace seriously at all!

“Okay, let's give it a try!”

After the Palace Master of Guanghan Palace finished speaking, all the saints under his command showed their weapons, and bursts of icy air erupted from their bodies!

“Everyone, please don't be impulsive. If you start a fight, the entire Nanjing City will suffer.”

“What's more, the last time you fought with weapons, even the Territory Lord showed up and warned you. If you fight on a large scale this time and anger the Territory Lord, you will know the consequences.”

“When the time comes, there will be no one left alive in Guanghan Palace and the Mu family. If the Lord of the Territory wants to destroy your family, it won't be a matter of just waving his hand!”

Pavilion Master Qian knew that he was speaking lightly, so he moved the Territory Master out!

Others may not know about the Territory Lord's appearance, but as the Pavilion Master of Wantong Pavilion, Pavilion Master Qian still knows it very well!

Sure enough, as soon as Master Qian finished speaking, the Master of Guanghan Palace and Manager Liu all looked at him!

The murderous aura in both of them has also restrained a lot!

After all, no one dares to make the Territory Lord unhappy. That is not just asking for death, but also destroying the family!

After hesitating for a moment, General Manager Liu put away his breath, glanced at Chen Ping coldly and said, "Boy, please wish yourself well. When our master comes out of seclusion, you will definitely die miserably!"

After saying that, Manager Liu took Mu Qing's body and left!

He didn't dare to offend the Territory Lord. If he really offended the Territory Lord, the Mu family would be completely ruined!

That's not something that can be done just by killing Mu Qing!

Manager Liu left and ignored Tan Rongkun.

Tan Rongkun looked at Chen Ping, then turned around and left. As for asking the Mu family to help send some monks, Tan Rongkun would not mention it anymore. Mu Qing was dead, and the Mu family would follow them. It doesn't matter anymore!

Seeing that everyone was gone, the Palace Master of Guanghan Palace breathed a sigh of relief. If there had been a fight just now, it would have ended in a situation where both sides would lose!

“Pavilion Master Qian, thank you very much...”

Chen Ping followed Pavilion Master Qian to say thank you!

If Pavilion Master Qian hadn't come forward, there might have been a fight just now!

“Mr. Chen, thank you for what I did. It's your own ability, but you'd better leave Nanjing City as soon as possible. If you wait for the head of the Mu family to come out of seclusion, I'm afraid you'll be in trouble!”

Chapter: 7103

Pavilion Master Qian said to Chen Ping!

“I understand!” Chen Ping nodded!

Of course he wouldn't just wait here for the head of the Mu family to come out and cause trouble for him!

He has to rush back to the Soul Demon Sect, and then follow Sect Master Jiang to find where the Blood and Bone Sect is!

If he could collect enough of Demon Lord Chiyun's bones, and when Demon Lord Chiyun recovered his body, Chen Ping would be able to rely on Demon Lord Chiyun and become invincible in the world of heaven and man!

“Mr. Chen, where are you going next? I can escort you!”

The Lord of Guanghan Palace asked!

Chen Ping explained his itinerary to the Palace Master of Guanghan Palace. When he heard that Chen Ping was going to the Soul Demon Sect and then to find the Blood and Bone Sect, the Palace Master of Guanghan Palace decided to go with dozens of saints!

Chen Ping did not refuse. After all, Chen Ping still didn't know what the strength of Sect Master Jiang's senior brother and second senior brother were. More people would mean more strength!

After Chen Ping said goodbye to Pavilion Master Qian, he took Palace Master Guanghan Palace and the others to the airship in the square, preparing to leave Nanju City!

"Mr. Chen, Mr. Chen....."

Just when Chen Ping was about to board the airship and leave, someone suddenly called him!

Chen Ping took a look and found that it was actually a magic machine!

Shen Jizi ran over panting and said to Chen Ping: "Mr. Chen, you bet on yourself to win, why don't you exchange the spirit coins? I have already exchanged it and won a lot!"

After saying that, Shen Jizi patted his bulging money bag, then took out a dozen purple gold spirit coins and threw them to Chen Ping: "These are what I returned to you. Thanks to you, I won so much." money!"

Seeing Shen Jizi's appearance, Chen Ping smiled and said: "Wantong Pavilion has branches everywhere. I can exchange it elsewhere. It will be fine."

"As for whether you can win money, it's not because you know people well. You should win this money."

Shen Jizi smiled awkwardly. If he hadn't stayed with Chen Ping for a while and knew Chen Ping's strength, Shen Jizi wouldn't have bet on Chen Ping!

After chatting with Shen Jizi for a few words, Chen Ping asked Ji Yun to start the airship and start heading towards the Soul Demon Sect!

Almost no one of the Palace Master of Guanghan Palace and the saints had ever flown on an airship, so they were all very curious and kept looking around on the airship!

You can also see the scenery outside through the portholes, and there is also a room where you can rest, sleep, and practice!

I don't have to waste any of my spiritual power, it's so refreshing!

Chapter: 7104

"No wonder Wantong Pavilion has such strong financial resources, and the forces in various places don't dare to provoke it. It turns out that flying in an airship is so comfortable."

"There are many airships in Wantong Pavilion. Many monks want to take the airships in Wantong Pavilion. One ride costs a lot of money."

"Now we can get on the airship without spending any money. It's great..."

Lan Yingying said in shock!

“This airship is indeed quite comfortable...” the Palace Master of Guanghan Palace also said with some shock!

“Ji Yun’s family has quite a few of these airships. His family also uses airships to attract customers to make money.”

Chen Ping smiled slightly and said!

Upon hearing that Ji Yun’s family had many such airships, many saints looked at Ji Yun in shock!

If it weren’t for the rules of Guanghan Palace, many saints would probably fall into the arms of Ji Yun. Such rich second generations are rare!

After arriving at the Soul Demon Sect, Chen Ping introduced the Palace Master of Guanghan Palace and Sect Master Jiang!

After these few days of cultivation, Sect Master Jiang and the disciples of the Soul Demon Sect are no longer seriously injured. This is also thanks to Chen Ping’s elixir!

Chen Ping and the others did not stay too long in the Soul Demon Sect, but were led by Sect Master Jiang to start looking for the location of the Blood and Bone Sect!

After all, Sect Master Jiang is from the same sect as them. Whether it is the aura on his body or some habits, Sect Master Jiang understands them all!

Therefore, it is not particularly difficult to find the location of the Blood and Bone Sect, it is just a matter of time!

When Chen Ping led everyone to find the location of the Blood and Bone Sect, Tan Rongkun summoned all the disciples inside the Blood and Bone Sect!

Di Chongjing's physical body has also recovered, and they are all sitting in the main hall!

This time, Tan Rongkun failed to bring back the monks, which caused a serious shortage of resources in the Blood and Bone Sect!

You must know that these people practice by sucking human blood and eating human bones!

"Second Senior Brother, aren't you going to bring some monks back this time? Why did you come back alone?"

Di Chongjing asked!

"Hey, don't mention it. Mu Qing was killed with a sword on the ring. How can I follow the Mu family and ask for a monk?"

"It seems that we can only rely on ourselves in the future, but once Senior Brother breaks through, it will be easy for us in the future!"

Chapter: 7105

Tan Rongkun said!

"What? He was killed by a sword? What kind of strength did he compete with Mu Qing in? How could he kill a first-level Mahayana monk?"

Di Chongjing's face was full of disbelief!

“The seventh level of the Tribulation Realm is the same Chen Ping that the Demon Sealing Alliance is chasing. This guy is really weird. He is clearly at the seventh level of the Tribulation Realm, but his explosive strength is frighteningly high!”

“This guy is not only very powerful, but he has also condensed the Dharmakaya. That is the original Dharmakaya. It’s really strange!”

Tan Rongkun still felt frightened when he thought of Chen Ping’s fight with Mu Qing. It was unbelievable!

“Seventh level of Tribulation Realm? Killed Mu Qing with one sword?”

Di Chongjing frowned. He also thought of Chen Ping who fought with him when he was in the Soul Demon Sect!

It’s just that he has never met Chen Ping, doesn’t know him, and doesn’t know Chen Ping’s identity!

However, they are all at the seventh level of the Tribulation Realm. In the entire world of gods and humans, there are probably not many people who are at the seventh level of the Tribulation Realm and can kill those at the first level of the Mahayana Realm!

“Second Senior Brother, tell me what Chen Ping looks like. Is he the young man I met in the Soul Demon Sect?”

“He is also in the seventh level of the Tribulation Realm, but I am no match for him. In the end, even his physical body was destroyed.”

Di Chongjing asked!

Upon seeing this, Tan Rongkun hurriedly explained Chen Ping's appearance in detail. When Di Chongjing heard this, his eyes widened and he said: "Yes, it's him. It turns out that this guy is Chen Ping. I was defeated by this guy." "

"No wonder he can kill Mu Qing with one sword. He has many secrets about his feelings."

Di Chongjing frowned, his eyes full of anger!

"Damn it, this kid is here to ruin a good thing. When you get the chance to meet him, you must kill him."

"Now we must practice as soon as possible to improve our strength, and the training resources provided to Senior Brother must not be cut off at this time."

After Tan Rongkun finished speaking, he turned to look at the disciples of the Blood and Bone Sect beside him and said, "How many monks do we have incarcerated now? Do we have enough for Senior Brother to practice?"

"Returning to the second uncle, we only have a dozen monks now, and many of them are in the Fusion Realm. There are only a few Tribulation Realm monks, and they are all second and third grade. Their strength is too low, and I am afraid they won't be able to sustain it for long. "

The disciple said it truthfully!

When Tan Rongkun heard this, he frowned and said, "Take me to see..."

Soon, Tan Rongkun and others walked towards the back of the Blood and Bone Gate Hall!

Chapter: 7106

In a very strange formation, there are more than a dozen monks imprisoned. These monks are both male and female, and all of them have faces full of fear!

Because there were hundreds of monks imprisoned with them at first, but as time went by, there were fewer and fewer, and in the end there were only a dozen of them left!

During this time, they all also knew that the demon cultivators who caught them were all trained by sucking human blood and chewing human bones, and they were extremely cruel!

So when they saw Tan Rongkun bringing people here, these monks were all panicked. Some of them kept kneeling down and begging for mercy, begging hard!

Others tried to escape, but there was no way, their strength was too low!

Tan Rongkun looked at the monks in front of him with no expression in his eyes. He didn't pity these people at all!

The world of gods and humans is a world where strength is respected!

The weak are the targets of slaughter!

"There are too few of these monks, and their cultivation is too weak. We must catch some monks and bring them back. Otherwise, if they affect the senior brother's retreat, we will be guilty of a big sin!"

Tan Rongkun said with a sad face!

"Second Senior Brother, I will take people to capture some monks. If that doesn't work, I will go to the foot of the mountain and destroy some small sects, so that we can get a large number of monks."

Di Chongjing said!

“No, unless it is absolutely necessary, we must not go to the foot of the mountain to arrest people. If we do this and cause panic and make many sects unite to deal with us, wouldn’t we be repeating the mistakes of the past many years?”

“You’d better take people to capture some monks in the deep mountains of Tianmo Mountain. This time there is a competition in Nanjing City, and many monks went to Nanjing City to watch the battle and place bets.”

“Now it is estimated that many monks have begun to return. There should be someone entering the depths of Tianmo Mountain. You can lead them to intercept them halfway!”

Tan Rongkun warned Di Chongjing!

If they go to arrest people on a large scale, it will definitely cause panic, and it will also cause many sects to unite against them!

Tan Rongkun didn’t want this to happen, which is why Tan Rongkun went to the Mu family to help coax a group of monks to go up the mountain!

As long as they get here, these monks will be lambs to be slaughtered!

But who would have thought that if something like this happened, it would be impossible for the Mu family to send monks to the Blood and Bone Sect in the future!

“I understand, I’ll lead someone to ambush you right now!”

Di Chongjing nodded, and then left with the others!

And Chen Ping and the others were being led by Sect Master Jiang to where the Blood and Bone Gate was!

Chapter: 7107

“Mr. Chen, I guess the Blood and Bone Gate is not far away. I can already clearly sense the sinister aura.”

“These guys must have killed a lot of people and piled their bones around!”

Sect Master Jiang knew people like Di Chongjing, so he followed Chen Ping and said!

“I also noticed it. Although this evil spirit is very weak, I can still feel it clearly.”

“The direction we are looking for should be correct, but the distance is still far away!”

Chen Ping also noticed the sinister aura!

But just after Chen Ping finished speaking, he suddenly frowned slightly because he noticed that there were more than a dozen auras coming towards him!

And these auras are not weak, and there are masters in the Mahayana realm!

Chen Ping didn't understand why so many monks suddenly appeared in the depths of the Demonic Mountain.

As Chen Ping's consciousness continued to spread, he soon discovered that Di Chongjing was among them!

He had fought with Di Chongjing, so of course he knew this guy's aura!

"The people from the Blood and Bone Sect are coming this way!"

Chen Ping said!

"Mr. Chen, is it that guy Di Chongjing? I didn't expect him to escape. If he didn't hide properly, he still dared to wander around in the Demonic Mountain!"

Sect Master Jiang didn't understand. Di Chongjing was so courageous that he almost died and didn't stop for a while!

"That's him!" Chen Ping nodded: "Let's hide first and see what this guy is going to do!"

"Palace Master, you go ahead with the Saint of Guanghan Palace and pretend you don't know anything. Sect Master Jiang and I are hiding."

"If that guy Di Chongjing finds us, he will probably turn around and run away..."

Chen Ping decided to let the people from Guanghan Palace lure Di Chongjing to show up. He wanted to see what Di Chongjing would do!

"Okay." The Palace Master of Guanghan Palace nodded!

Chen Ping used the formation to shield the auras of him, Sect Leader Jiang and others to avoid being detected by Na Di Chongjing and others, and then asked the Palace Master of Guanghan Palace to continue moving forward with many saints!

“Master, there seems to be someone in front of you, and there are quite a few...”

At this time, a disciple next to Di Chongjing said!

Chapter: 7108

Di Chongjing closed his eyes slightly, then slowly opened them and said: “This group of monks is pretty good. There is actually a Mahayana master among them. Cheer up. If these people are captured, Senior Brother’s The training resources are there!”

After saying that, Di Chongjing led the people and quickly approached the Palace Master of Guanghan Palace and the others!

The aura of the Palace Master of Guanghan Palace has never been restrained. She deliberately let Di Chongjing and others notice it!

“Stop, who are you? Why are you here?”

Soon, Di Chongjing led people to follow the palace master of Guanghan Palace and met them head-on, and then asked loudly!

When the Palace Master of Guanghan Palace saw Di Chongjing and others, he was stunned for a moment and then said, “Who are you? This Demonic Mountain is not your home. I can go wherever I like...”

The Palace Master of Guanghan Palace knew the details of people like Di Chongjing, so he was not polite at all!

“Hey, you are a female cultivator, but you are quite crazy...”

Di Chongjing didn't expect the palace master of Guanghan Palace to be so crazy, and seemed a little surprised!

"Master, these nuns are so beautiful. Don't talk nonsense to them. Just take them back and let us have a good time."

"When we have enough fun, we will send it to our uncle to practice. It won't affect anything anyway..."

A Blood Bone Sect disciple licked his lips and said!

Many people are going to cry out. The Blood and Bone Sect used to hide here and there, but now they are entrenched deep in the Demonic Mountain and rarely run around!

I have seen very few female nuns, let alone slept with them!

"You're a worthless guy who thinks about women all day long!"

Di Chongjing glared, then looked at the Palace Master of Guanghan Palace and said, "Sister, since you have met us, it is fate. Let me tell you, this is our territory. If you want to pass here, , there is a price to pay."

"Your territory? Is your name written on it?"

The Palace Master of Guanghan Palace snorted coldly!

"Little bitch, why are you talking to our sect master? Let me tell you, this area for hundreds of miles is our Blood and Bone Sect's territory."

“This is the master of our Blood and Bone Sect. If you are not honest, I will eat you all...”

A Blood Bone Sect disciple said ferociously!

“Blood and Bone Sect?” The Palace Master of Guanghan Palace was stunned, then shook his head and said: “I’ve never heard of it. It must be some sect with a crowing of chickens and dog thieves, and it doesn’t have much reputation!”

“What? Do you dare to say that our Blood and Bone Sect is not famous?”

Chapter: 7109

Di Chongjing was instantly angry. In order to hunt down their Blood and Bone Sect, the monks of the Tianmo Mountain generation united with many people!

Who didn’t know about their Blood and Bone Sect back then, and they would tremble all over when talking about the Blood and Bone Sect!

Although the Blood and Bone Sect is much lower-key now, it is impossible not to be famous!

But what the Palace Master of Guanghan Palace said was indeed true. She didn’t know about the Blood and Bone Sect!

After all, Guanghan Palace has existed for many times longer than the Blood and Bone Sect!

“If you’re not famous, you’re just not famous. Why aren’t you allowed to talk about it?”

The Palace Master of Guanghan Palace said jokingly!

Di Chongjing's face was full of anger, she frowned, stared at the Palace Master of Guanghan Palace and asked: "Who are you? You don't know about our Blood and Bone Sect?"

"Have you ever heard of Guanghan Palace?"

The Palace Master of Guanghan Palace asked!

"Guanghan Palace?" Di Chongjing was stunned, then nodded: "I've heard of it, it's the sect that was established not long ago in the southernmost part of Tianmo Mountain."

"Are you from Guanghan Palace?"

"Yes, I am the Palace Master of Guanghan Palace." The Palace Master of Guanghan Palace nodded!

"Guanghan Palace is thousands of miles away from here, and most of it is a mountainous area. There are also monsters running rampant. What are you doing here?"

Di Chongjing didn't understand, Guanghan Palace was at the southernmost part of Tianmo Mountain, why did it come here!

"Then you don't have to worry about it. I can go wherever I like..."

The Palace Master of Guanghan Palace said with a sneer!

Seeing the fearless look on Guanghan Palace's face, Di Chongjing hesitated for a moment, then waved her hand and said: "Okay, you can go over..."

The Palace Master of Guanghan Palace was stunned and asked, "Didn't you say this is your territory? Don't you want to stop us?"

"I won't stop you. Let's go!" Di Chongjing shook his head!

"Master, they..."

The Blood Bone Sect disciples on the side were anxious!

There are so many beautiful female nuns, if they are let go, it will be difficult to find them in the future!

Chapter: 7110

"Shut up!" Di Chongjing glared, then lowered his voice and said: "I have heard about Guanghan Palace for a long time. It is very powerful, and everyone knows the ice system. It might freeze us all. "Little Iceman."

"And I think the strength of the Palace Master of Guanghan Palace is no worse than mine. If we really do it, I don't know who will lose and who will win. Let them go first, and wait until we go back to find our second senior brother before making plans!"

It turned out that Di Chongjing was a little scared when she heard that she was from Guanghan Palace. Don't steal the chicken but lose the rice, it would be troublesome!

Let's simply let the people like Guanghan Palace go and discuss what to do after contacting Tan Rongkun!

When the Palace Master of Guanghan Palace saw that Di Chongjing was about to let them go, she was at a loss for a moment. She thought these guys would take action, but by then Chen Ping and the others would rush out and catch them off guard!

But who would have thought that when he heard that he was from Guanghan Palace, he immediately gave up and wanted to let them pass!

“You Blood and Bone Sect are just a bunch of cowards. We are all female cultivators, but we don’t even dare to do anything.”

“Are you scared by the name of our Guanghan Palace?”

The master of Guanghan Palace deliberately provoked Di Chongjing!

“You fucking...”

The Blood Bone Sect disciples on the side were anxious and were about to take action, but were stopped by Di Chongjing!

The more provocative the Palace Master of Guanghan Palace was, the more guilty Di Chongjing felt. He always felt that the other party was deliberately looking for trouble!

Di Chongjing, who had just exploded her body and almost died, is much more cautious now!

“Good men don’t fight with women, so you can leave...”

Di Chongjing asked his men to get out of the way!

When the Palace Master of Guanghan Palace saw such a provocation, this guy didn’t even take action and could still hold it back!

“You’re such a coward. You don’t even dare to take action when someone provokes you like that. Did you die once and you’re scared?”

Chen Ping saw that Di Chongjing was too cautious, so he simply stopped hiding and walked out!

“Di Chongjing, your physical body recovers very quickly? Since you died once, you don’t want to repent, and you actually commit road robbery. It really embarrasses Master and him!”

Sect Master Jiang looked at Di Chongjing and said with disgust!

When Di Chongjing saw Chen Ping, Sect Leader Jiang and others, his expression suddenly changed!

He didn’t expect that the people from Guanghan Palace would be with the people from Soul Demon Sect!

“It turns out it’s you, no wonder you want to stimulate me to do something...”

After Di Chongjing said that, he turned around and ran away, not caring about the disciples who were following him!
