

## The Order 711

Chapter: 711

However, when Chen Ping looked at these people, they didn't look like people betting on stones. He saw that these people were all in groups. No one spoke, they just lowered their heads to eat, as if they all had something on their mind!

"Are the rough stones from Hengshan mined casually?"

Chen Ping asked Wu Dong.

"That's not true. If you mine it casually, wouldn't it be a mess? In the past, no one cared about it, but now the largest rough stone mining tunnels in this entire area are occupied by Feng, Song, Liu, and others. Some small mines that the three companies disdain are being mined by others, and Mr. Feng, who suffered a loss for Mr. Pei at that time, is one of them. His mine is in the southeast, closest to the top of the mountain!"

Wu Dong pointed to Hengshan through the window and said.

"Oh!" Chen Ping nodded!

Soon, the food arrived. Chen Ping suddenly stopped the waiter who was serving the food and said, "Brother, can I ask if something big happened in Shancheng? Why do I feel that many people are in a hurry?"

Chen Ping always felt that something was wrong. With so many master-level experts appearing, something must have happened here or was about to happen!

"What's the matter? I'm just a waiter, I don't know!"

The waiter shook his head, but his eyes were a little dodgy. It was obvious that he knew something!

"Brother, we are from out of town, I just asked casually, there is no harm in it!"

As Chen Ping spoke, he took out a wad of banknotes and stuffed them into the waiter's pocket. The wad of banknotes amounted to several thousand yuan!

The waiter looked around, hesitated, and then whispered: "Let me tell you, another mineral vein was discovered in Hengshan, and it was said that it was full of gems. Now the three major families of the Song family, the Feng family, and the Liu family are... They are recruiting troops. It seems that they are competing for the new mineral veins discovered. I am afraid that the mountain city will soon be in chaos. I also overheard it in a private room. Don't say that I told you!"

After the waiter finished speaking, he left in a hurry!

"New mineral vein?" Wu Dong was stunned: "I've been here for several days, why haven't I heard about it?"

Chen Ping smiled slightly. The three major families would definitely not make this kind of thing public, so as not to provoke more people to fight for it.

Chen Ping now understood why so many masters suddenly appeared in the mountain city. It must have something to do with recruiting troops from the three major families.

You must know that every step forward for a warrior to reach the master level is difficult. Unless you have the support of a family business and can spend a lot of money to buy some elixirs, medicinal materials and other auxiliary training, otherwise it will be difficult to break through!

Therefore, many warriors have no choice but to earn money and practice by looking after people's homes and nursing homes. As their strength increases, the more money they earn, and some large business families will also spend money to hire some masters to protect their families or Industrial security, this forms a cooperative relationship, each needs what it needs!

Now that all these masters and masters have come to the mountain city, it seems that the bargaining chips offered by the three major families must be particularly attractive!

Just when Chen Ping and the others were eating, there was a sudden commotion. The two of them looked up and saw a girl wearing a cheongsam and big sunglasses, which covered most of her face. Only her pointed chin and small cherry mouth were exposed. out.

Behind the girl were four bodyguards in suits, all with serious expressions. They looked around as soon as they entered the door, as if facing a formidable enemy!

“Holy crap, this can’t be the big star Song Tie, right?” Wu Dong’s eyes suddenly widened, and his mouth was about to leak out!

Chen Ping looked at the girl, and he was in a daze. The girl’s body proportions were so good, especially when she was wearing a cheongsam, which showed her small waist to the fullest. Her white feet were wearing high heels, which looked like... It looks like it came out of a painting, but the name is a bit unflattering!

Chapter: 712

“Waiter, find a private room!” said a bodyguard behind the girl.

“Sorry, all the rooms are slow now, only the lobby is left!” the waiter said helplessly.

“Go and find a way...” The bodyguard’s face turned cold and he glared at the waiter fiercely!

The waiter was frightened and stammered: “Really, it’s really gone...”

“Okay, let’s just stay in the lobby!” After the girl said that, she found a seat and sat down!

“Miss, I told you not to let you...”

“Shut up, I’ll go back after dinner!” The girl seemed a little impatient, and the bodyguard didn’t dare to say anything anymore!

Soon, the girl’s food was served. Regardless of the fiery looks from the people around her, the girl started to eat hungrily. It was obvious that she really liked the food here!

The four bodyguards behind her surrounded the girl, and everyone put their hands into their pockets. There were obviously weapons hidden inside!

“It seems that the Song family is quite powerful!” Chen Ping murmured to himself!

These bodyguards all have guns hidden in their pockets. You must know that these are prohibited items. In this country, you can practice martial arts at will and no one will care about you. But when you have a thermal weapon, its nature changes, and it requires I know that getting a gun now is even more difficult than reaching the sky!

However, hot weapons such as pistols are fine against ordinary warriors. If you really encounter a master-level master, the pistol will become useless. If you encounter Chen Ping, the pistol will be no different from scrap metal!

“Song Zude, the head of the Song family, used to be a famous entertainment company boss. He had countless celebrities and artists under his banner and had too much money to count. However, later, one of his artists was investigated for committing adultery, which also affected the company. After catching up with that Hengshan stone speculation has been booming in the past few years, so Song Zude went back to his hometown to open a mine, but his daughter is now a big star and extremely famous!”

Wu Dong explained!

Chen Ping paid attention to Song Tie while eating, but Song Tie seemed to be in a deserted place. He only ate his own food and didn't care about anyone's eyes. It seemed that he was used to being exposed to the spotlight every day.

“Mr. Chen, if you like this woman, I will try to contact her agent. As long as you are willing to spend money these days, a so-called big star like this is not the same as a bartender!”

Wu Dong saw that Chen Ping always looked at Song Tie, so he whispered.

“Shut up and eat!” Chen Ping glared at Wu Dong!

Soon, Song Tie finished his meal and walked out of the hotel with his bodyguards. Chen Ping and the others also walked out after finishing their meal!

I saw Song Tie getting into a Bentley. After the bodyguard looked around, he hurriedly got into the car and drove away!

Chen Ping and the others also got in the car, started the car and left!

Wu Dong drove his car and followed behind the Bentley. This made Chen Ping a little strange and asked Wu Dong, "What are you doing? Why are you following people?"

"Mr. Chen, you misunderstood. I'm not following her. The hotel I booked is right in front..."

Wu Dong explained hurriedly.

Chapter: 713

When Chen Ping heard this, he leaned on his seat, closed his eyes slightly and recuperated his energy!

Boom.....

Suddenly there was a loud noise, and then Chen Ping and his car stopped quickly, and Chen Ping suddenly opened his eyes!

"What's going on?" Chen Ping suddenly asked in shock.

"Mr. Chen, look quickly..."

Wu Dong's face changed with fright, and he pointed ahead!

Chen Ping looked around and found that the Bentley Song Tie was riding in had been hit by a black unlicensed car and hit the roadside. Then several people with machetes got out of the black car!

In the Bentley, Song Tie and several bodyguards were knocked dizzy. When they saw someone rushing over with a machete, one of the bodyguards kicked the car door hard and took out his gun!

But just as he raised the gun, a white light flashed, and the bodyguard's gun-holding hands were chopped off, and a shrill roar came from the bodyguard's mouth!

But as soon as he shouted, the machete pierced the bodyguard's abdomen, and there was no sound for an instant!

These guys with machetes moved very quickly. Although Song Tie's bodyguards had guns, the power of the pistols could not be used in this kind of close-quarters fighting!

In just a few dozen seconds, all four bodyguards died tragically, and Song Tie was also pulled out of the car!

"Who are you? Let me go..."

Song Tie struggled hard, but it was of no use. A guy took out a white towel and blocked Song Tie's mouth and nose. Soon Song Tie lost consciousness!

These people put Song Tie into the car, and when they were about to start the car, Chen Ping got out of the car: "You just rob people in broad daylight. Do you still have the law in your eyes?"

Several guys were stunned, and when they saw Chen Ping and Wu Dong alone, they suddenly showed fierce eyes!

One of them pointed a machete at Chen Ping and said, "It's none of your business. Get away, kid..."

"This is a good time for a hero to save a beauty. Why don't you care about me?"

Chen Ping walked forward with a sneer on his face!

When several guys saw this, they slashed at Chen Ping with their knives. At first glance, they turned out to be habitual criminals who kill without blinking an eye!

Chen Ping didn't panic and rushed forward. When Wu Dong saw this, he became anxious and couldn't do anything. He didn't know any martial arts!

But he saw the pistol that fell on the ground. Although he didn't know martial arts, he could shoot!

Wu Dong rushed up and picked up the gun, but when he raised the pistol and was about to shoot at several guys, he found that there was no one left. They all fell to the ground, and everyone's neck was covered with blood. There is a deep blood mark!

Chen Ping opened the car door and took Song Tie out as if nothing was wrong!

Chapter: 714

After carrying Song Tie back to the car, Chen Ping looked at Wu Dong who was still stunned and said, "Why don't you drive yet?"

"Oh!" Wu Dong hurriedly put the pistol into his pocket and got in the car!

"Throw away the gun. If someone wants to kill you, the gun in your hand will not only not save your life, but it will also make you die faster!"

Chen Ping saw that Wu Dong actually put the gun in his pocket, so he said to Wu Dong.

Wu Dong could only throw the gun out and drive back to the hotel!

Chen Ping carried Song Tie into the room and put him on the bed!

Wu Dong couldn't help but take a few more glances at Song Tie, who was lying on the bed. His white calves were exposed, which was so tempting!

"Mr. Chen, you go ahead and play, I'm out..."

Wu Dong knew that Chen Ping was here, so how could he have any part in it!

"What am I playing for?" Chen Ping was stunned and looked at Wu Dong!

"You...you saved her, didn't you just want to..." Wu Dong pointed at Song Tie and stuttered.

Chen Ping understood instantly that Wu Dong thought he saved Song Tie just to sleep with her!

"What have you been thinking about in your head all day? Go find a bottle of ice water!"

Chen Ping looked at Wu Dong and was speechless for a while!

Soon, Wu Dong found a bottle of ice water, and Chen Ping drank it directly for Song Tie!

After drinking a bottle of ice water, Song Tie opened his eyes leisurely!

"ah....."

Suddenly there was a scream, and Song Tie sat up suddenly. Looking at the surrounding environment, it was a hotel. When he looked at Chen Ping and Wu Dong, Song Tie's face turned pale!

"Who are you? What do you want to do to me? I tell you, even if I die, I won't let you succeed. If my dad finds out, he will definitely kill you!"

Song Tie glared at Chen Ping and Wu Dong and said.

“Miss Song, you misunderstood, we...”

Wu Dong wanted to explain.

“What did I misunderstand? You brought me to the hotel to do that kind of dirty thing? I won’t let you taint me even if I die!”

Song Tie grabbed his collar tightly and shouted at Wu Dong!

Chapter: 715

This made Wu Dong speechless. At that time, he himself thought that Chen Ping saved Song Tie and brought him to the hotel just to play with her!

“Humph, don’t you have anything to say? I’ve known for a long time that among you stinky men, none of you are greedy for my body!”

Song Tie gritted his teeth and said.

“Have you finished speaking?” Chen Ping frowned slightly and looked at Song Tie and asked.

“What do you mean?” Song Tie looked at Chen Ping and asked.

“That’s it, you can go!”

Chen Ping pointed to the door and said expressionlessly!

Song Tie was stunned and looked at Chen Ping in surprise: “You...you really let me go?”

“The door is open, no one is stopping you...” Chen Ping said.

Song Tie looked at Chen Ping, then at Wu Dong, and finally slowly got off the bed and walked slowly to the door. Seeing that neither Chen Ping nor Wu Dong moved, Song Tie hurriedly ran out of the door.

Seeing Song Tie running faster than a rabbit, Chen Ping smiled lightly and said to Wu Dong: "Go to rest early today. Let's go up the mountain to have a look tomorrow!"

Wu Dong nodded and went back to his room to rest.

At this time, dozens of people had surrounded the place where the car accident had just occurred. One of them, a middle-aged man with a gloomy face, looked at the damaged Bentley!

This person was Song Zude, Song Tie's father. When he brought people over, Song Tie had long disappeared!

"Sir, the eldest lady is missing. All four bodyguards are dead. Not a single shot was fired!"

The housekeeper walked to Song Zude and reported in a low voice.

"What are the identities of those people? Have they been found out?" Song Zude asked, pointing to the bodies of the people whose throats were cut by Chen Ping.

"No, but we can be sure that these people are the ones who stopped the eldest lady's car, and they also killed the eldest lady's bodyguard. The machete left at the scene matched the wounds on the bodyguard's body!"

The butler shook his head and said.

"So, there is another group of people who kidnapped my daughter?" Song Zude narrowed his eyes slightly, with a murderous look in his eyes!

“It should be, and this group of people is very strong, at least they are masters. The wounds on the necks of these guys are the same, and the depth and length are exactly the same. It can be judged that they were done by one person, and they were done in a very short period of time. These people were killed!” the housekeeper analyzed.

“The mantis stalks the cicada and the oriole is behind, these guys are really going to fight me!”

Song Zude gritted his teeth and his teeth chattered!

“Master, do you suspect that the Feng family and the Liu family are responsible?” the housekeeper asked.

Chapter: 716

“Humph, except for these two families, no one in the entire mountain city dares to take advantage of my daughter. Send someone to me immediately to find out the news. I believe they have captured my daughter and will soon make terms with me!”

Song Zude’s body was filled with murderous intent, and his eyes were terrifyingly cold!

“Master, master, the eldest lady is home, he is home...”

At this time, a servant of the Song family hurriedly ran over and said!

“What?” Song Zude was so happy that he immediately rushed home!

When he got home, he saw Song Tie sitting in the living room, surrounded by many people asking questions!

“Daughter, are you...are you okay?”

Song Zude looked at Song Tie and asked with a look of disbelief on his face.

“It’s okay!” Song Tie shook his head!

“You...how did you come back? Didn’t someone kidnap you?”

Song Zude looked confused at this moment and asked Song Tie.

“Someone robbed me, killed the bodyguard, and knocked me unconscious. When I woke up, I found myself in the hotel with two young men next to me!”

Song Tie said truthfully.

“Then...then they didn’t do anything to you, right?” Hearing this, Song Zude’s heart was in his throat!

Song Tie continued to shake his head: “After I woke up, I thought they wanted to do something to me, but those two people didn’t do anything and just let me go!”

“Master, could it be that these two people are the ones who killed the young lady who kidnapped her? From this point of view, they did not kidnap her, but saved her. Otherwise, they would not have allowed her to come back!”

The butler analyzed from the side!

“Well, it’s very possible. If these two people really save my daughter, I will reward you heavily!”

Song Zude nodded, and then said to Song Tie: “Do you know where those two people are?”

“I only knew that it was at the Excelle Hotel. I forgot the specific room number. I was so panicked that I didn’t even look at it!”

Song Tie said.

“Miss, tell me what they look like, and I’ll take someone to look for them!”

The housekeeper asked Song Tie.

“I can’t even remember it. The scene at that time scared me to death, but I will definitely recognize it when I see it. I will take you to find it!”

Chapter: 717

Song Tie stood up and said.

“How can this be possible? You were just out of danger, you can’t go!”

Song Zude immediately stopped Song Tie!

“Dad, the housekeeper will take someone with me. What are you afraid of? Don’t worry!”

Song Tie didn’t take it seriously!

“Master, don’t worry, I will take good care of the young lady!”

The butler promised!

With the butler’s assurance, Song Zude nodded in agreement, and then Song Tie took hundreds of Song family members directly to the Kaiyue Hotel!

After searching layer by layer, he finally found himself on the fourth floor. Song Tie remembered the room he stayed in!

“This is the one!”

Song Tie pointed to the room and said.

The housekeeper winked, and someone immediately stepped forward and kicked the door open with a bang!

Because we are still not sure whether these two people really saved Song Tie or have any intentions, so we need to control them as soon as possible!

The door was kicked open, and the two people immediately rushed in first, but as soon as they rushed in, they all flew out and fell heavily to the ground!

Chen Ping had noticed something strange a long time ago and had been hiding behind the door. As soon as the two Song family members rushed in, Chen Ping took action!

“It’s him, it’s him...”

When Song Tie saw Chen Ping, he immediately shouted!

Chen Ping frowned: “I saved your life, but you brought someone to retaliate!”

“I.....”

Song Tie opened his mouth, but didn’t know how to refute!

Because Chen Ping did not embarrass her and let her leave easily. As for whether Chen Ping saved him, Song Tie didn’t know!

But the housekeeper reacted quickly and immediately smiled and said: “Little brother, don’t get me wrong, the eldest lady brought us here just to see you and ask about the situation. If you really saved the eldest lady, our master will reward you heavily!”

“What’s going on?” Wu Dong, who heard the noise at this time, also rushed out. When he saw so many people, he was shocked. However, after seeing Song Tie and the housekeeper beside him, he immediately understood. Come over here!

“Steward Liu, don’t get me wrong, Miss Song was really saved by us!”

Chapter: 718

At this time, Wu Dong hurriedly followed the housekeeper and said.

Wu Dong often deals with rough stones, so he also has business dealings with the Song family, so he knows Butler Liu!

“Master Wu, it’s you!” Butler Liu was a little surprised when he saw Wu Dong.

“Yes, yes, I’m taking Chen...” Wu Dong was about to call Mr. Chen, but saw Chen Ping wink at him, and immediately changed his words: “My friends and I came over to collect some rough stones, and we happened to encounter Miss Song on the way and was in danger. So we came to the rescue because Miss Song was still unconscious at the time, so we had to take her to the hotel first and let her wake up before leaving!”

“I naturally believe Mr. Wu’s words. Thank you very much. Our master wants to meet you. He said there are many rewards!”

Butler Liu said to Wu Dong.

Wu Dong couldn’t make the decision, so he could only look at Chen Ping secretly, and when he saw Chen Ping nodded, he smiled and said: “I also want to meet Mr. Song to discuss the matter of the rough stone!”

“Master Wu, please!”

Butler Liu made a gesture of invitation!

Wu Dong and Chen Ping went to the Song family with the Song family.

Song Zude was still waiting in the hall. When he saw Song Tie coming back, he immediately stood up and asked, "Daughter, have you found those two people?"

"Isn't that right, the two of them!"

Song Tie pointed at Wu Dong and Chen Ping and said.

"Master Wu?" Song Zude said in surprise after seeing Wu Dong.

"Mr. Song!" Wu Dong said with a slight smile!

"Did you save my daughter?" Song Zude's face was full of disbelief!

"Exactly, we saw Miss Song being knocked unconscious and put into the car, so we took action to rescue Miss Song!"

Wu Dong nodded.

Song Zude frowned slightly: "Master Wu, if I remember correctly, you don't seem to know martial arts, right?"

Wu Dong smiled awkwardly: "Yes, yes, I don't know martial arts. It was my friend who saved Miss Song, and he took action!"

Wu Dong pointed at Chen Ping and said.

Song Zude looked at Chen Ping, his face full of disbelief. Those robbers were masters at first glance. They could cut the throats of those people and kill them instantly. They must be masters. They should be master masters. But the Chen Ping in front of him was only in his twenties. How could he be a master?

“Little brother, what’s your surname?”

Although he was doubtful, Song Zude still asked politely.

Chapter: 719

“Chen Ping!” Chen Ping replied calmly!

“It turns out to be Brother Chen Ping. Since you saved my daughter, just say whatever you want. If you want to buy rough stones, I can give them to you at half the price!”

Song Zude said generously.

After all, when Song Tie was finally released, it was Wu Dong and Chen Ping who he saw. Regardless of whether they rescued each other, they didn’t have any bad intentions towards their daughter!

“Half price?” Wu Dong became excited when he heard it.

If they buy the rough stone at half the price, they can make a lot of money. This is a lot of money!

But Chen Ping shook his head: “Mr. Song, we don’t want anything. I hope Mr. Song can take us to see the newly discovered mineral veins!”

Chen Ping’s words made Song Zude suddenly turn cold, and the expression on his face was extremely solemn: “Who are you? How do you know about the new mineral vein?”

Seeing Song Zude’s change of expression, Wu Dong hurriedly stepped forward and said, “Mr. Song, we also heard this in the hotel. Many people are talking about it now!”

Hearing what Wu Dong said, Song Zude relaxed a little, and then cursed angrily: "Damn it, the news is still leaked, damn it!"

"Don't worry, we won't try to take advantage of the new mine. After all, there are only two of us, and we can't fight with the three of you. I'm just curious and want to take a look!"

Chen Ping followed Song Zude and explained.

Seeing that Chen Ping had said this, Song Zude didn't hide anything, and said solemnly: "I tell you, it will be very dangerous to explore the new mine this time. Maybe there will only be one family left in the mountain city in the future. Come on, follow me, I don't have the energy to protect you!"

"Don't worry, we will protect ourselves, you just need to take us there!"

Chen Ping said.

"Okay, we will set off tomorrow, but you are responsible for your own life and death. But you saved my daughter. I will hold a banquet tonight to thank you two. I will stay here tonight and set off early tomorrow morning!"

Song Zude followed Chen Ping and said.

Chen Ping nodded and did not refuse. It happened that the Song family was familiar with Hengshan, so it was just right for them to take it. Chen Ping always had a feeling in his heart that this newly discovered mineral vein might have some connection with the spirit stone!

Chen Ping and Wu Dong were sitting in the living room, and there was no one to entertain them. It was obvious that the Song family did not think that Song Tie was really saved by the two of them. Maybe they happened to be passing by and missed him!

Song Tie changed his clothes, then came to the living room, sat on the sofa on the other side, and looked at Chen Ping carefully: "Did you really save me? You don't look like a master, either?"

Even Song Tie himself didn't believe that Chen Ping had the strength to save himself from those powerful robbers!

Since Song Tie didn't believe it, Chen Ping ignored her and drank tea silently with his head down!

Wu Dong, on the other hand, looked at Song Tie with gleaming eyes, and would find topics to talk to Song Tie from time to time, looking like a licking dog!

Although the Wu family is powerful in Jiangbei Provincial City, they can't compete with the Song family. You know, the three words "mine boss" can directly crush most of the families!

Chapter: 720

"Ms. Song, I heard that you have released a new song. When will it be released?"

"Miss Song, when do you go to Jiangbei Provincial City to hold a concert, I will definitely go there to support you and bring hundreds of brothers to support you!"

"Ms. Song, are you on vacation at home now, or are you looking for inspiration?"

Wu Dong kept asking questions, while Song Tie looked impatient and kept answering questions!

"Buzz buzz....."

But at this moment, a bee suddenly flew in from nowhere, flying buzzing!

"Ah..." Song Tie exclaimed, his face changing color: "Bee, bee..."

It was obvious that Song Tie was very scared!

Upon seeing this, Wu Dong knew that the opportunity had come, and immediately said to Song Tie: "Miss Song, don't be afraid, I will protect you!"

Wu Dong said, picked up the pillow on the sofa and started swatting the bees. However, after slapping for a long time, he couldn't hit the bees at all and made the living room a mess.

Song Tie was so frightened that she curled up in the corner of the sofa, her face getting paler and whiter, and she was so scared. She was stung by a bee when she was a child, so she was afraid of bees!

Chen Ping, who had been drinking tea in silence, frowned slightly and seemed a little impatient. With a flick of his finger, the flying bees fell to the ground in an instant!

"You damn bee, if you dare to scare Miss Song, see if I don't trample you to death..."

Wu Dong got excited at this moment and trampled the bee to death and threw it into the trash can!

"Miss Song, don't be afraid, I'll kill the bee!"

Wu Dong said with pride.

But Song Tie ignored him and looked at Chen Ping in shock. She was not blind. Chen Ping knocked down the bee with just a flick of his finger without even looking at it!

With such ability, he must be a master. It seems that he really saved himself!

Song Tie straightened his clothes and then sat towards Chen Ping: "Is your name Chen Ping?"

Chen Ping didn't speak, just nodded!

"Why don't you dare to look at me? Are you afraid of me?"

Seeing that Chen Ping didn't look up at him, Song Tie smiled playfully.

"Afraid of you? Why should I be afraid of you?" Chen Ping raised his head and looked directly at Song Tie: "I just have a girlfriend!"

"So dedicated? There are not many men as dedicated as you!"
