

## **The Order 7111**

Chapter: 7111

The disciples of the Blood Bone Sect turned around and ran away when they saw Di Chongjing. They didn't care about them at all, they all looked confused!

They didn't know what was going on, so Di Chongjing ran away!

Just when these Blood Bone Sect disciples reacted, they also wanted to escape, but found that it was too late. They had long been surrounded by people from the Soul Demon Sect and Guanghan Palace!

Sect Leader Jiang shouted angrily at Di Chongjing: "Di Chongjing, don't even think about escaping this time!"

Sect Master Jiang said as he was about to chase after him, but was stopped by Chen Ping!

"Sect Leader Jiang, let him run. If we follow him, we can find their lair!"

"This is more convenient and saves us having to search for it bit by bit!"

Chen Ping said to Sect Master Jiang!

"Okay!" Sect Leader Jiang nodded, then looked at the Blood and Bone Sect disciples and said, "What should we do with these people?"

Chen Ping glanced at it, and then said coldly: "Kill..."

As soon as Chen Ping said the word “kill”, everyone from Guanghan Palace and the Soul Demon Sect took action!

The disciples of the Blood Bone Sect were crying like ghosts and howling like wolves, without any fighting spirit!

There are only a few of them, and the sect leader has run away, so there is no fighting spirit.

In just a few minutes, these dozen Blood and Bone Sect disciples were all dead and dismembered, and they could no longer die!

Chen Ping was the first to chase after Di Chongjing, using his fire control steps, Chen Ping’s body seemed to have transcended time and space, disappearing in the blink of an eye!

Sect Leader Jiang and the others followed closely behind, following the marks left by Chen Ping!

After Di Chongjing ran for a certain distance, she was relieved when she saw that no one was catching up with her!

However, he also heard the screams of the disciples of the Blood and Bone Sect, but at this time, no one could care about anyone!

Di Chongjing didn’t want to die again. He was lucky to escape last time. If he was caught again this time, he would definitely not be able to escape!

But just when Di Chongjing breathed a sigh of relief, suddenly a breath was approaching quickly from behind!

Di Chongjing was shocked, and suddenly looked over, and found that Chen Ping's whole body was jumping towards him like a space jump!

That speed was extremely fast, much faster than his flying!

"Holy shit..."

Di Chongjing's expression changed, and she used all her strength to escape!

Chapter: 7112

Soon, Di Chongjing fled back to the Blood and Bone Gate, and then shouted at the top of her lungs: "Second Senior Brother, help, help..."

When Tan Rongkun heard the commotion, he immediately led people out of the hall, just in time to see Di Chongjing's face turn pale as she came back in a hurry!

"Junior brother, what's going on?" Tan Rongkun asked!

"Second Senior Brother, what's wrong, Third Senior Brother has brought people to kill him, and Chen Ping is also among them, as well as a large number of people from Guanghan Palace."

"These people are coming soon, think of a way quickly..."

Di Chongjing said anxiously!

"What?"

Tan Rongkun was startled, and then ordered loudly: "Go and activate the sect-protecting formation, don't let these guys in!"

"As you command!"

There are blood and bone sect disciples going to start the sect-protecting formation soon!

At this moment, Chen Ping and the others also arrived at the Blood and Bone Gate. Looking at the dense bones on the ground, many people were shocked!

How many people had to be killed to have so many skeletons!

At this moment, everyone from the Soul Demon Sect or the Guanghan Palace was filled with anger, and they wanted to kill the Blood and Bone Sect people right away!

"These damned guys, I must kill them with my own hands to prevent Master's wisdom from being tarnished..."

When Sect Leader Jiang saw this scene, he gritted his teeth with hatred and wanted to rush in right away!

But the sect-protecting formation was activated, and they had no way to enter. They could only enter the Blood and Bone Gate after breaking the formation!

At this time, Tan Rongkun had already arrived with everyone, and everyone looked at each other across the sect-protecting formation!

Chen Ping, his Soul Demon Sect, plus the saints from Guanghan Palace, have nearly a hundred people, and they are not weak either!

In particular, the master of the Guanghan Palace is also in the Mahayana realm. Although Chen Ping is only in the seventh level of the Tribulation Realm, his strength is obvious to all.

Sect Leader Jiang is considered a master at the ninth level of Tribulation Realm!

From this point of view, the Blood and Bone Sect's strength is somewhat lacking.

There are now only more than thirty disciples of the Blood and Bone Sect. The other Blood and Bone Sect disciples were all taken out by Di Chongjing and none of them came back.

Looking at Chen Ping's team, many disciples of the Blood and Bone Sect began to change their expressions, and some of the Blood and Bone Sect disciples began to retreat!

If Tan Rongkun and Di Chongjing were not still there, these Blood and Bone Sect disciples would have run away long ago!

Chapter: 7113

"Second Senior Brother, you followed Senior Brother and actually joined forces with Di Chongjing to do such a destructive thing."

"When Master passed away, he told us not to practice with this kind of evil magic, but you didn't listen at all."

When Sect Master Jiang saw Tan Rongkun, he suddenly became furious and asked.

"Third Junior Brother, stop pretending to be noble. You were the most favored by Master back then, and you had the highest talent and strength. You didn't look down on us at all."

“But what about now? You are only at the ninth level of the Tribulation Realm. You can’t even beat the fourth junior brother, let alone me and senior brother.”

“Let me tell you, Senior Brother is attacking the third level of the Mahayana Realm. When the time comes, he can kill you with just a flick of his finger.”

“I advise you to take your people and get out of here right away. We don’t want to offend each other, and I don’t want to see people from the same family fighting each other.”

Tan Rongkun wants Sect Leader Jiang to take people away!

If a fight really breaks out, the Blood and Bone Sect will be very dangerous, and their senior brother’s retreat practice will also be interrupted and stopped!

“Hmph, I will never leave. You have killed so many people. I must kill you to comfort Master’s spirit in heaven.”

Sect Leader Jiang snorted coldly, he would never leave!

“It’s ridiculous that you people still want to kill us. You can’t even hope to break through this sect-protecting formation!”

Tan Rongkun knew that with the sect-protecting formation, it would not be that easy for Chen Ping and the others to break into the Blood and Bone Gate!

Sect Leader Jiang stopped talking, because he could also see that this mountain-protecting formation was indeed not easy to break. Now that they were isolated from the outside, it was impossible to kill these people from the Blood Bone Sect!

“You want to stop us just by breaking the formation?”

Chen Ping raised the corner of his mouth slightly and said!

“What? We...”

Tan Rongkun was about to taunt Chen Ping, but he saw Chen Ping slowly step forward and gently press one hand on the sect-protecting formation!

The originally strong sect-protecting formation actually trembled slightly under Chen Ping’s palm, and then spider web-shaped cracks were visible to the naked eye!

Seeing that the sect-protecting formation was about to be broken, Tan Rongkun and others were completely confused!

They paid a high price to hire the formation master to set up this sect-protecting formation. How could it be broken so easily in Chen Ping’s hands?

Could it be that this guy also knows how to form?

Seeing that the sect-protecting formation was about to be broken, Di Chongjing started to panic!

“Second Senior Brother, what should we do?”

Chapter: 7114

Di Chongjing asked!

“What else can we do? If we fight with them, we must withstand it. As long as the senior brother breaks through the third level of the Mahayana realm and comes out of seclusion, none of these people will survive!”

Tan Rongkun’s eyes were full of sternness, and then he suddenly jumped up!

When Di Chongjing and others saw this, they also rushed forward!

I saw Tan Rongkun waving his palms, and the surroundings were filled with bloody mist. From the dense white bones of the Blood and Bone Gate, the sinister energy continued to gather!

Soon, these evil spirits turned into four strange monsters.

These monster beasts are huge in size, and their auras are violent!

Monsters are transformed by evil spirits, so even if Chen Ping brings out the monsters, these monsters will not be afraid. After all, they are not real monsters!

“Second senior brother is mighty...”

Seeing Tan Rongkun’s methods, Di Chongjing suddenly shouted excitedly!

The other Blood and Bone Sect disciples were also overjoyed, each one felt much more settled, and their bodies were full of murderous aura!

You must know that this is the Blood and Bone Sect, their territory, their home court!

Here, there is endless evil energy!

At this moment, Sect Leader Jiang could no longer bear it any longer, and the aura on his body continued to surge wildly!

The moment the sect-protecting formation was broken open by Chen Ping, he immediately rushed forward with the disciples of the Soul Demon Sect!

“kill.....”

Sect Master Jiang led the disciples of the Soul Demon Sect and charged directly to kill him!

Upon seeing this, the Palace Master of Guanghan Palace immediately took action with dozens of saints.

The people of the Blood and Bone Sect also had high fighting spirit and charged forward with roars!

Especially the four strange monsters roared repeatedly, and the entire Blood and Bone Sect seemed to be trembling!

The melee is about to break out, and all kinds of raging auras are stirring in the world!

Lines of frost fell from the sky, causing the temperature of the Blood and Bone Gate to plummet to the extreme. This was because everyone in Guanghan Palace used ice-based techniques!

In the sky, snowflakes began to fall, and the snowflakes merged with the white bones, making it impossible to tell them apart!

Chen Ping jumped up and fought with Tan Rongkun!

Chapter: 7115

The Palace Master of Guanghan Palace also directly approached Di Chongjing, and they started fighting instantly!

Although the remaining disciples of the Blood and Bone Sect were assisted by four strange monsters, they were besieged by nearly a hundred monks and were quickly defeated!

“Boy, it turns out that you are the one who destroyed the body of my fourth junior brother, and you also killed Mu Qing. Although Mu Qing was not a disciple of our Blood and Bone Sect, he still had a cooperative relationship with us.”

“Today happens to be a time when old and new grudges are coming together. Watch me take care of you...”

Tan Rongkun glared at Chen Ping and said!

“Huh, just you? You have seen Mu Qing’s fate. You will be like him today!”

Chen Ping snorted coldly!

“What a joke, how can Mu Qing compare to me?”

“In the Blood and Bone Sect, I can kill you even if I don’t do it. Don’t forget that this is my territory.”

After Tan Rongkun finished speaking, his hands suddenly thrust towards his feet!

His hands were directly inserted into the dense white bones at his feet. You must know that the entire Blood Bone Gate is covered with white bones, and there are even several bone mountains!

Every bone here is a person’s life!

“Come out, my dearest companion...”

Tan Rongkun shouted loudly!

I saw blood-red aura constantly pouring out from Tan Rongkun’s body, and then followed his palms into the bones on the ground!

Rumble.....

Suddenly, the entire Blood Bone Sect trembled, as if there was a big earthquake!

This made everyone stop and look at it in surprise!

Rumble.....

The loud noise is still there, the whole world is shaking, and the Bone Mountain not far away is also trembling, and the bones are falling down!

Kakakaka.....

Soon, under Tan Rongkun's feet, a gap opened in the dense white bones!

From the gap, a sinister and cold aura continued to emit, shrouding the surroundings!

This Yin evil spirit is much colder than those ice-based techniques in Guanghan Palace!

boom!

A body that was dozens of meters tall and made of bones climbed out of the crack!

The body of this white-bone giant reflects white light, and there is actually a huge gem inlaid on the chest. The gem is blood red and exudes blood red light!

The head of this white-bone giant is also a skull, but there is a red light emanating from its eyes. This red light contains a bloodthirsty killing intent!

Chapter: 7116

Under those bloodthirsty eyes was the bloody mouth that opened like a bottomless abyss.

Chen Ping was like an ant in front of this white-bone giant!

Rumble.....

Suddenly, lightning struck down from the sky, all of which struck the bone giant!

However, this thunder and lightning did not cause any harm to the white-bone giant. Instead, it made the aura in his body stronger and stronger!

Looking at the terrifying giant that suddenly appeared, everyone around them looked panicked and kept retreating!

The disciples of the Blood and Bone Sect looked excited and raised their arms and shouted!

The aura of the white-bone giant continued to erupt, and the terrifying pressure made Sect Master Jiang and the others feel suffocated!

“Chen Ping, this is the white-bone giant cultivated by our Blood Bone Sect, and this white-bone giant has the aura of the three races.”

Tan Rongkun looked at Chen Ping with a sneer!

Because the bones on the body of this white-bone giant are also composed of human monks, demon monks and orcs. The Blood and Bone Sect practices, no matter what the identity of the other party is!

“Second Senior Brother, don’t talk nonsense to him. Let the Bone Giant tear him apart immediately!”

Di Chongjing said loudly to Tan Rongkun!

Tan Rongkun nodded, then waved his hand: "Kill them..."

As soon as Tan Rongkun gave the order, the white-bone giant looked at Chen Ping, and the red light in his eyes shot straight at Chen Ping!

"Mr. Chen....."

Seeing this, Sect Master Jiang and Palace Master Guanghan Palace immediately panicked!

"Don't do anything to any of you. If I can't take down a mere Blood and Bone Sect, don't mess around in the world of heaven and humans anymore!"

Chen Ping asked Sect Master Jiang and the others not to help, and he wanted to deal with this bone giant himself!

boom!

The white-bone giant took action, and sprayed out a stream of cold evil energy from his mouth, heading straight towards Chen Ping!

Whoosh!

Chen Ping instantly turned into a golden light and dodged away!

The cold evil energy did not hit Chen Ping, but directly froze the place where Chen Ping was standing!

Chapter: 7117

The cold air continues to envelope the surroundings. This cold evil air will make the cold air emitted by Guanghai Palace's ice-based skills much more powerful!

Looking at the frozen place, Chen Ping raised the corner of his mouth slightly: "I am not afraid of the cold evil spirit..."

After Chen Ping finished speaking, his whole body instantly turned into a meteor and rushed towards the bone giant!

Chen Ping held the Dragon-Slaying Sword in his hand, and the sound of breaking through the air kept ringing!

Facing Chen Ping, the white-bone giant directly raised his right palm, and from that right palm, ice arrows shot out!

When Chen Ping saw this, he didn't dodge, but slashed the dragon-slaying sword in his hand instantly!

boom!

The golden sword energy roared out and collided directly with those ice arrows!

The two breaths collided together, and there was a violent explosion!

The white ice mist began to spread continuously amidst the explosion, directly covering Chen Ping's figure!

Chen Ping took advantage of this and instantly stepped aside, swinging the Dragon-Slaying Sword in his hand again!

This sword was even more powerful than the one just now.

The sword energy slashed towards the right palm of the white-bone giant, as fast as lightning!

Uh-huh!

Everyone saw a flash of golden light, and then the right palm of the white-bone giant was chopped off!

The skeletal palm fell heavily to the ground!

The white-bone giant roared and smacked Chen Ping with his left palm, but Chen Ping nimbly dodged it!

“Hmph, this white-bone giant is nothing more than that...”

Chen Ping snorted coldly!

But when Tan Rongkun saw that the white-bone giant had one of his hands chopped off by Chen Ping, he was not surprised or panicked at all, but had a somewhat playful sneer on his face!

When Chen Ping saw Tan Rongkun’s expression, he couldn’t help but frown, and then he saw the white-bone giant thrust the severed arm straight into the ground!

The ground was made up of piles of white bones, and the white-bone giant inserted his severed arm into the white bones!

I saw a flash of red light, and the broken palm of the white-bone giant recovered instantly!

“Chen Ping, I forgot to tell you that as long as the bones are there, you cannot kill our white-bone giant. He can be reborn.”

Chapter: 7118

Tan Rongkun said proudly to Chen Ping!

Chen Ping did not speak, but there was no surprise or shock in his eyes. Even if the bone giant could be reborn, Chen Ping seemed to be absolutely sure!

As if sensing Chen Ping’s disdain, the Bone Giant roared loudly!

“roar.....”

The white-bone giant looked up to the sky and roared, and the huge body made of countless bones exuded a frightening aura.

Its empty eye sockets were flashing with green flames, and its right paw swung towards Chen Ping.

“Whoosh!”

Chen Ping’s figure was flying across the ground like a ghost, but the range of the bone giant’s attack was too large, and he was unable to completely avoid it.

He turned sideways, made a fist with his left hand, and struck hard at the claw arm of the white bone giant.

“boom!”

A powerful force burst out from Chen Ping’s fist, which collided with the claw arm of the white-bone giant, making an earth-shattering sound.

The claw arm of the white bone giant was shaken slightly by the punch, and some fine bone fragments fell from it.

“Hmph! You, a giant of white bones, will die here today.”

Chen Ping said coldly, holding the dragon-slaying sword in his right hand, the blade of the sword flashing with a cold light, he stabbed hard at the leg of the white-bone giant.

“Crack!”

The dragon-slaying sword pierced into the bone giant’s leg bone, and cracks instantly appeared on the leg bone.

“Ouch...”

The bone giant felt the pain and roared angrily.

It raised its other foot and stepped hard on Chen Ping.

“Bang bang bang...”

Chen Ping jumped back quickly, leaving a deep footprint on the ground every time he landed.

He kicked his feet hard, jumped up high, held the hilt of the sword with both hands, and stabbed straight towards the head of the white-bone giant.

“boom!”

When the tip of the sword touched the skull of the white-bone giant, a burst of dazzling light burst out. The light contained powerful power, and a big crater appeared in the skull of the white-bone giant.

Chapter: 7119

“Since you are so durable, I will give you something more powerful.”

Chen Ping’s eyes flashed, and the spiritual power in his body began to run wildly, and a faint golden light glowed on his body.

“cut!”

Chen Ping swung the dragon-slaying sword, and a golden wave of spiritual power surged towards the white-bone giant.

“boom!”

The ripple blade slashed hard at the bone giant, sending its huge body back a few steps.

“Second Senior Brother, if we don’t attack now, when will we wait?” Di Chongjing on the side suddenly shouted coldly.

Di Chongjing formed a seal with his hands and muttered something in his mouth. A black shadow flew out of his hands and shot towards Chen Ping’s back rapidly.

At the same time, Tan Rongkun also moved. He flashed like a black lightning, holding a black dagger in his hand, and stabbed Chen Ping in the side.

“Mr. Chen, be careful...”

Sect Master Jiang and Master Guanghai Palace were immediately shocked and reminded Chen Ping!

They didn’t expect that Di Chongjing and Tan Rongkun would attack by surprise. They were simply shameless!

Sect Master Jiang and the others also wanted to jump up and help Chen Ping, but Chen Ping stopped them with a wave of his hand!

“Hmph! Do they think they can sneak attack me this way?”

Chen Ping snorted coldly. Although his attention was on the Bone Giant, he was already on guard.

His body suddenly spun in the air, like a top.

“Dang Dang Dang!”

Di Chongjing's shadow attack and Tan Rongkun's dagger attack were both blocked by Chen Ping.

Di Chongjing and Tan Rongkun were simply surprised. They didn't expect Chen Ping to react so quickly!

At this time, the Bone Giant took advantage of this opportunity and launched another attack.

It opened its huge mouth, and a black energy ball condensed from its mouth.

“roar!”

The white-bone giant roared, and the black energy ball blasted towards Chen Ping.

“It's not that easy to hurt me.” Chen Ping crossed his hands on his chest, and the golden light on his body became more intense.

Chapter: 7120

“Indestructible golden body!”

Layers of golden scales covered Chen Ping's body, and the black energy ball hit Bubadjin's body, making a violent explosion.

“Boom boom boom...”

Although the indestructible golden body blocked the energy ball, it was also shaken to the point where some cracks appeared.

“You two, since you dare to take action against me, then I’ll kill you first.” A trace of murderous intent flashed in Chen Ping’s eyes.

He flashed and rushed towards Di Chongjing and Tan Rongkun.

Di Chongjing and Tan Rongkun were shocked. They did not expect that Chen Ping would dare to attack them while facing the Bone Giant.

“Quick move!” Di Chongjing shouted, and he and Tan Rongkun quickly retreated.

At the same time, he ordered the Bone Giant to stop Chen Ping.

“roar!”

The bone giant roared again, and its body began to change.

The originally huge body became even larger, and the bones became thicker.

When Chen Ping saw this, he actually put away the Dragon Slaying Sword and clenched his hands into fists.

“I’m going to use my fists to break up this bone monster like you.”

“boom!”

The bone giant rushed towards Chen Ping, and the ground shook violently with every step it took.

Chen Ping also rushed towards the Bone Giant. Although his body was much smaller than the Bone Giant, the aura he exuded was not weak at all.

“Bang bang bang...”

The fists and claws of the two collided together again, making bursts of explosions.

Chen Ping’s fists fell on the Bone Giant like raindrops. Not to be outdone, the Bone Giant kept waving its claws towards Chen Ping.

“Kakaka...”

Chen Ping’s fist was so powerful that some of the bones of the White Bone Giant began to crack.

“Holy Light Fist!” Chen Ping shouted, all the spiritual power in his body was concentrated on his right fist, and he struck hard at the chest of the white-bone giant.

“boom!”
