

The Order 7121

Chapter: 7121

This punch directly punched a big hole in the bone giant's chest.

"Ouch..."

The bone giant roared in pain, and its body began to shake.

"It's not over yet!" Chen Ping took advantage of the victory and pursued the attack. He dodged and jumped behind the bone giant.

He hugged the bone giant's spine with both hands and twisted it hard.

"Crack!"

The skeleton giant's spine was twisted by Chen Ping, and its huge body collapsed.

At the same time as he collapsed, waves of wind blades rolled up around Chen Ping's body. These wind blades turned all the white bones into powder.

In this case, no matter how talented Tan Rongkun is, this bone giant can be reborn, but there is no way he can recover!

The white-bone giant fell, but the red spirit stone on his chest was flashing in mid-air!

Tan Rongkun jumped up high, opened his mouth, and suddenly sucked the red spirit stone into his body!

“Second Senior Brother.....”

Di Chongjing was shocked when he saw this, because he was the only one who knew the function of this red spirit stone!

Tan Rongkun’s chest glowed red, and his whole person was extremely ferocious!

“Chen Ping, you destroyed our bone giant, I will make you pay the price...”

Tan Rongkun raised his palm high and waved it down with all his strength!

A red light flew out from Tan Rongkun’s palm, and the light became bigger and bigger, and finally enveloped Chen Ping!

The terrifying pressure keeps approaching Chen Ping!

Chen Pingping was expressionless and slowly raised his right hand!

“I can destroy your bone giant, and I can also destroy you...”

Chen Ping’s fist is wrapped in golden light!

“Holy Light Fist.....”

Chen Ping once again used the Holy Light Fist, which is Feng Mo's unique skill, and its power is constantly increasing with Chen Ping's strength!

Chapter: 7122

boom!

When Chen Ping punched out, the world was filled with golden light, and the golden light and red light collided!

The red light that Tan Rongkun burst out instantly became dim and colorless under Chen Ping's Holy Light Fist, and was finally completely engulfed by the golden light!

Chen Ping stood up from the ground and headed towards Tan Rongkun quickly!

"I don't care what evil skills you use, everything is in vain in front of me!"

Chen Ping was in mid-air, golden light bloomed from his body, and the Dragon-Slaying Sword appeared in his hand again!

But this time, the Dragon-Slaying Sword not only exudes golden light, but also burns with blazing flames!

Spiritual power, original power, and dragon power were all injected into the Dragon Slaying Sword by Chen Ping!

The dragon-slaying sword buzzed, as if it couldn't contain its bloodthirsty aura!

The Dragon-Slaying Sword was chopped down on the head, and the terrifying sword energy turned into a golden dragon, roaring and rushing towards Tan Rongkun!

Feeling Chen Ping's sword, Tan Rongkun's eyes widened and his pupils suddenly shrank!

Because the power in this sword is simply terrifying. It is much more powerful than when Chen Ping faced Mu Qing in the ring!

"Blood Spirit Escape..."

Although Tan Rongkun is at the second level of the Mahayana realm, he does not dare to take Chen Ping's sword forcefully at this time!

I saw a red light coming out of his chest, and then his whole body turned into a ball of blood mist and disappeared!

Uh-huh!

When Chen Ping struck with his sword, it was directly cut into the air. The void in front of him was cracked by the sword!

Everyone present could feel the power of Chen Ping's sword and the overwhelming killing intent.

Di Chongjing and others were even more tense, and the Blood and Bone Sect disciples were all shocked at this moment!

They never imagined that a seventh-level monk in the Tribulation Realm would not pay any attention to a second-level master in the Mahayana Realm!

He also beat the opponent so hard that he didn't dare to fight back. This was a bit outrageous, and it also deeply impacted the cognition of the disciples of the Blood and Bone Sect!

Chen Ping ignored everyone's reactions, but turned around and looked around, looking for traces of Tan Rongkun!

I don't know what the red spirit stone that this guy swallowed was, but it can actually make people disappear instantly!

However, Chen Ping knew that Tan Rongkun would never be able to teleport through space. He should have used some kind of skill to make Zai's body disappear!

Chapter: 7123

Chen Ping tried to use his spiritual sense to detect Tan Rongkun's aura, but upon inspection, Chen Ping was a little surprised, because the entire Blood and Bone Sect was filled with Tan Rongkun's aura.

It was as if Tan Rongkun had merged with the dense white bones of the Blood and Bone Sect, and Tan Rongkun's specific location could not be found at all!

"Chen Ping, I said before, this Blood and Bone Sect is my territory, and you can't defeat me at all."

"The entire Blood and Bone Sect is me, and I am also the entire Blood and Bone Sect..."

Tan Rongkun's voice came from all directions, and his tone was full of ridicule and disdain!

Chen Ping held the Dragon-Slaying Sword in his hand and suddenly swung his swords to the left and right. The sword energy was flowing freely and swiftly through the Blood and Bone Gate!

When the sword energy disappeared, Tan Rongkun did not show up.

"Hahaha, I've already said it, I am the entire Blood and Bone Sect. If you want to hurt me with sword energy, how could you possibly..."

Tan Rongkun sneered!

This time, Chen Ping did feel that something was a bit tricky. This Tan Rongkun was not using a shielding circle to hide himself!

If it were a magic circle, Chen Ping could easily discover it and then break it!

But now Tan Rongkun is not using magic circles, nor is he escaping through space jumps, his aura is all over the Blood and Bone Gate, and there is no way to rely on aura to find it!

"This guy uses Blood Spirit Escape, which is also a technique in the heaven."

"After the war between gods and demons, it seems that there are many heavenly skills left behind in this world of heaven and humans."

At this time, Demon Lord Chiyun spoke!

“Senior, do you know what this Blood Spirit Escape is?”

Chen Ping asked in surprise!

“I know something!” Demon Lord Chiyun nodded, and then continued: “This blood spirit escape does not make people invisible, but turns this guy’s body into countless tiny blood droplets.”

“These tiny droplets of blood are all over the place, and that’s why you see this guy’s breath everywhere.”

“But this guy hasn’t mastered the Blood Spirit Escape. He only divided his physical body, but his soul is still intact.”

After Demon Lord Chiyun finished speaking, Chen Ping suddenly thought of a way!

It turned out that this was the case. It was also the first time for Chen Ping to encounter this kind of technique!

I saw Chen Ping’s forehead suddenly flashing red, and then an extra eye appeared!

Soon, the entire Blood and Bone Sect turned into a gray patch in Chen Ping’s eyes!

Chapter: 7124

The Tianming Eye was opened by Chen Ping. As long as the Tianming Eye is opened, Tan Rongkun’s spirit will no longer be able to hide!

At this moment, Chen Ping could see countless tiny blood droplets floating in the air in his eyes!

Tan Rongkun's soul is actually hiding on the Bone Mountain not far away!

Chen Ping didn't think of this at all, so he was deceived by this guy. If Chen Ping's consciousness spread over a larger area and the search was more careful, it would not be impossible to find this guy's soul!

At that time, I realized that the aura of Tan Rongkun was everywhere in the world, so I was a little confused and let this guy pretend!

At this time, Tan Rongkun felt very strange when he saw an eye suddenly appeared on Chen Ping's forehead!

But he doesn't know what Tian Ming Eye is!

I just felt like I was being watched closely where I was hiding, and I felt a little uncomfortable all over!

Before Tan Rongkun could figure it out, a sword energy suddenly struck!

boom!

The entire bone mountain exploded instantly, and Tan Rongkun was instantly knocked out by the sword energy!

The moment Tan Rongkun was thrown away, countless tiny blood droplets began to condense around him!

In an instant, he turned into Tan Rongkun, and Tan Rongkun's soul quickly returned to his physical body!

Without a physical body and only a soul left, his strength will be greatly reduced, and then Tan Rongkun will be even less able to fight with Chen Ping!

“What kind of magic did you use to discover my existence?”

Tan Rongkun stared at Chen Ping and asked in disbelief!

The eyes appearing on Chen Ping’s forehead give people a breathtaking feeling!

“With your little trick, it’s okay to deceive others, but it’s not that easy to deceive me!”

Chen Ping sneered and said!

Tan Rongkun glared at Chen Ping, then opened his hands, and the entire Blood and Bone Sect shook!

Then the broken bones began to condense into a big ball between Tan Rongkun’s palms!

At the same time, Tan Rongkun’s chest flashed with red light, and then he threw the ball in his hand towards Chen Ping!

Chen Ping raised the corner of his mouth and made a fist with his right hand!

boom!

Chapter: 7125

Chen Ping's fist flashed with golden light and he punched out!

The huge golden fist hit the big ball!

The shadow of the fist rapidly enlarged in the air, and finally became as huge as the big ball!

With a deafening bang, the big ball exploded and turned into powder and flew away!

Whoosh!

In the sky full of powder, Chen Ping suddenly rushed towards Tan Rongkun!

Chen Ping was extremely fast and was in front of Tan Rongkun in almost the blink of an eye!

Bang!

Tan Rongkun had no time to react and was punched hard by Chen Ping!

Tan Rongkun's body quickly flew backwards, and a bowl-sized wound appeared on his chest!

However, the wound is healing at a speed visible to the naked eye!

"Hahaha, you can't kill me. My body can turn into thousands of blood mist, so no matter how you attack, you can't hurt me!"

Tan Rongkun laughed!

“Yeah?”

Chen Ping saw that Tan Rongkun’s body could turn into blood mist at any time, and could condense at any time. If he wanted to kill Tan Rongkun, he must first prevent him from turning into blood mist!

I saw a ball of flame suddenly beating in Chen Ping’s palm, but the flame was not red or blue, but white!

Seeing that Chen Ping actually planned to use Zhihuo to attack him, Tan Rongkun smiled and said: “Even Zhihuo can’t even think of hurting me at all.”

Chen Ping ignored him, but the flames in his palms became more and more intense!

But the strange thing is that Chen Ping’s flames are rising, but the surrounding temperature is dropping rapidly!

The world seemed to be frozen, and even the falling snowflakes were frozen in mid-air, motionless!

So everyone felt the cold and had to use the spiritual power in their bodies to resist the severe cold!

“What’s going on? This breath is actually colder than the evil spirit?”

Di Chongjing asked very puzzledly!

Tan Rongkun didn’t understand where this cold air came from. The flames on Chen Ping’s palms were clearly beating. Instead of feeling a trace of heat, he felt an aura that was colder than the evil spirit!

Chapter: 7126

Before Tan Rongkun could react, the flame in Chen Ping's hand had already shot out!

"Since you said you're not afraid of flames, let's give it a try. I hope you won't be scared away!"

Chen Ping mocked Tan Rongkun!

"Hmph, it's just Zhihuo, how could I be scared away!"

Tan Rongkun snorted coldly, the red light on his body flashed, and his aura continued to surge!

Chen Ping was deliberately irritating this guy. As long as Tan Rongkun dared to touch the extremely cold ice flame, he would definitely be frozen!

By then Chen Ping will be able to easily kill Tan Rongkun!

There is no way for the frozen body to break into thousands of blood mist!

Tan Rongkun was indeed fooled. He gathered a spiritual energy in his palm, and then suddenly swung it towards Chen Ping's extremely cold ice flame!

He planned to stop this extreme fire with one palm!

But just as the extremely cold ice flames were getting closer and closer to Tan Rongkun, Tan Rongkun always felt that something was not right!

Because the chill was getting thicker and thicker, the ground beneath his feet was already covered in ice, and his feet were frozen together with the ground!

But at this time, Tan Rongkun wanted to escape, but it was too late. He could only block the extremely cold ice flames in front of him!

boom!

The spiritual energy shot out by Tan Rongkun's palm instantly collided with the extremely cold ice flames!

At the moment of contact, Tan Rongkun's spiritual energy condensed into ice instantly. It can be clearly seen that it formed an ice mist in mid-air!

And this cold breath followed Tan Rongkun's spiritual energy and passed directly into his body!

Tan Rongkun trembled all over, and then his palms began to freeze!

"My hand, my hand..."

Tan Rongkun looked at his palm in surprise!

Soon, the frost spread from the palms to the body, to the feet, and finally to the head!

Tan Rongkun was frozen in the ice until the end, his eyes were still wide open, his mouth was wide open, and his eyes were filled with fear!

Amid everyone's incredible looks, Chen Ping slowly walked up to Tan Rongkun, and then gave him a gentle push!

Boom.....

Tan Rongkun's frozen body fell down, and then shattered into many pieces!

And the moment the body shattered, a black shadow rushed out quickly!

This is Tan Rongkun's soul. His physical body is completely destroyed. Tan Rongkun's soul is planning to escape!

Looking at Tan Rongkun's spirit that was about to escape, Chen Ping waved his hand again, and this time it was a ball of red fire!

The fierce flames instantly swallowed up Tan Rongkun's soul!

Tan Rongkun screamed, and soon his voice gradually disappeared!

Di Chongjing and the others from the Blood and Bone Sect stared blankly at the scene in front of them!

These people were dumbfounded. They never expected that Chen Ping would kill Tan Rongkun so quickly!

That's a second-level monk in the Mahayana realm!

“Escape back to the main hall...”

Di Chongjing reacted, and then waved with all his strength, whipping up gusts of wind!

Then he took the remaining Blood and Bone Sect disciples and fled towards the Blood and Bone Sect hall with all his strength!

Chapter: 7127

“Don’t let them escape, kill...”

When Sect Leader Jiang saw this, he immediately roared and led everyone from the Soul Demon Sect to kill the disciples of the Blood and Bone Sect!

The Palace Master of Guanghan Palace also led the saints from Guanghan Palace in pursuit!

Chen Ping frowned slightly and looked carefully at the escaped Di Chongjing. This guy was only at the first level of the Mahayana realm. He was still defeated by his subordinates. He was obviously no longer his opponent. He didn’t even run away, but ran towards the main hall!

Isn’t this letting them catch a turtle in a jar? Is there something strange in the hall, or is there some secret passage or teleportation array?

Just when Chen Ping was hesitating, Di Chongjing had already led people into the hall, and Sect Leader Jiang and others also led people to chase after him!

“Stop chasing, don’t enter that hall...”

When Chen Ping saw this, he quickly gave a loud reminder!

But Chen Ping reminded him too late. Sect Leader Jiang had already led people from the Soul Demon Sect into the hall!

When Di Chongjing saw Sect Leader Jiang rushing in with his people, he immediately raised the corner of his mouth and his eyes were filled with pride!

“Senior brother, you are so stupid, you still dare to chase me. Since you want me to die so much, then I won’t be polite!”

After Di Chongjing finished speaking, he actually took out a token from his arms and crushed it!

As the token shattered, a blood-red aura suddenly filled the hall!

“Di Chongjing, don’t forget that we are from the same sect. It is simply impossible for you to use this kind of blood mist against me!”

Sect Master Jiang is not afraid at all. After all, Sect Master Jiang also has a way to break these blood mist!

“Hahaha, senior brother, you are too naive. Are you looking to see if you can crack this blood mist?”

Di Chongjing laughed, and soon some dark green aura emerged from the blood mist, and soon Sect Master Jiang and the others were enveloped!

Seeing this, Sect Leader Jiang quickly took out a token and crushed it into pieces. These were passed down from their master!

But after Sect Leader Jiang's token was crushed, the blood mist mixed with dark green aura did not dissipate!

When Sect Leader Jiang saw this, his expression suddenly changed!

"It's so cold, so cold..."

The disciples of the Soul Demon Sect began to tremble!

The temperature of the entire hall is dropping rapidly, and the evil spirit around is rising!

Di Chongjing and the people from the Blood and Bone Sect have long since disappeared. Their voices can only be heard, but no one can be seen at all!

Chapter: 7128

"Don't panic, everyone, let's exit..."

Sect Master Jiang knew that he could only withdraw now. Maybe Chen Ping could break through the blood mist!

But Sect Master Jiang and his people kept retreating, only to find that there was no exit at all!

“Senior brother, don’t try too hard. You can’t get out at all. This is the evil ghost formation set up by the first and second senior brothers. When combined with the blood evil token given by the master, it is perfect. You can’t even think of escaping. !”

After Di Chongjing sneered, a dark wind blew by!

The surrounding blood mist rolled violently, like boiling water, and began to shake continuously, and the entire void trembled!

Sect Master Jiang and the others felt hellish fear and pressure!

At this moment, they all felt like they were in hell, surrounded by countless evil ghosts!

Soon, the dark green aura in the blood mist began to condense, and then turned into huge ghosts!

There are dozens of ghosts and monsters, and their bodies are covered with hair, like green-haired men!

The appearance of these ghosts instantly made everyone in the Soul Demon Sect fearful!

But there is no way to escape, we have to face it!

“Don’t be afraid, these are just bluffs. Mr. Chen is definitely trying to save us outside!”

After Sect Master Jiang finished speaking, everyone with the Soul Demon Sect started to kill those green-haired ghosts!

But after the fight, everyone discovered that these ghosts were not only powerful, but also very difficult to deal with!

When attacked, these ghosts will disappear instantly, disappear into the blood mist, and then attack unexpectedly!

In just a few rounds, several Soul Demon Sect disciples died in the hands of these ghosts!

“Come together, stop attacking...”

Sect Leader Jiang knew that they couldn't deal with these ghosts at all, so he asked many disciples to gather together and follow the ghosts in a stalemate!

As long as he was given some time, he believed that Chen Ping could definitely rescue them!

At this time, Chen Ping was looking carefully at the hall in front of him. The whole hall was quiet, not a sound could be heard, and even when he looked around, it was empty!

But Chen Ping knew that there must be a formation in this hall. The reason why he couldn't hear or see it was entirely because of the formation!

But after finding the formation's eye and slowly breaking it, Chen Ping was afraid that Sect Leader Jiang and the others wouldn't be able to hold on!

So now he could only forcefully break the formation. Chen Ping exuded his spiritual consciousness and kept exploring the types of formations in the hall in front of him!

Chapter: 7129

Even if you forcefully break the formation, you must understand the formation. Otherwise, you will not be able to break the formation, but you will easily suffer backlash!

“What a strong evil spirit. These demon cultivators are good at using ghost formations, and ghosts are afraid of fire...”

Chen Ping thought, and then raging flames rose around his body!

The colorful flames turned Chen Ping into a burning man!

Several kinds of ultimate fire have been merged, and their power is much more powerful than a single ultimate fire!

Slowly raising his fist, Chen Ping’s fist was also wrapped in flames!

“Holy Light Fist...”

Chen Ping punched out!

But what burst out from this punch was not spiritual power, but endless flames!

The flames engulfed the entire hall, and the entire Blood and Bone Gate was burned by the flames!

“ah.....”

At this time, Sect Master Jiang and others were struggling to support themselves, but they discovered that flames suddenly erupted. These dark green ghosts were naturally afraid of flames. Under the burning of these flames, they screamed one by one, and a large amount of smoke came out from their bodies!

Immediately afterwards, these ghosts were retreating rapidly, and their bodies were slowly melting!

“It’s Mr. Chen. It must be Mr. Chen who is helping us. Kill me...”

When Sect Leader Jiang saw this, he immediately shouted excitedly!

This evil ghost formation is nothing at all under Chen Ping’s ultimate fire!

Everyone in the Soul Demon Sect became more confident and began to charge towards those ghosts and monsters, taking the lead bravely!

“This...how is this possible?”

When Di Chongjing saw this scene, he was completely stunned!

You must know that this evil ghost formation is combined with the blood evil token. Even if you are a formation master, it will take three days and five years to break this formation!

But Chen Ping actually caused the evil ghost array to collapse so quickly, and all the evil ghosts tried their best to escape!

Originally, Di Chongjing thought that relying on the array of evil spirits in the hall, he could subdue Chen Ping and others. Even if he couldn’t subdue them, he could always hold them back for a while!

As long as your senior brother comes out of seclusion, there is no need to be afraid. When the senior brother comes forward, he will definitely be able to kill Chen Ping and others!

But right now, this evil ghost formation is about to be broken in the blink of an eye!

Chapter: 7130

boom!

With a roar and the formation of evil ghosts, the entire hall suddenly collapsed, and the figures of Sect Master Jiang and the others appeared instantly!

“kill.....”

When the Palace Master of Guanghan Palace saw this, he led many saints from Guanghan Palace to kill the people from the Blood and Bone Sect!

“kill.....”

Sect Master Jiang also led the disciples of the Soul Demon Sect to kill everyone in the Blood and Bone Sect!

“Master, what should I do?”

Many disciples of the Blood and Bone Sect were stunned. They all looked at Di Chongjing with horror on their faces!

They are no match for Sect Master Jiang and others. Even on their own territory, they have no advantage at all!

Before Di Chongjing could figure out a way, people from both sides were already fighting together!

Soon, many disciples of the Blood and Bone Sect were killed one by one!

They can't figure it out until they die, why things turned out like this!

The purpose of joining the Blood and Bone Sect is to improve your cultivation and allow your strength to grow rapidly, but now you can see that you are being killed like this!

Everyone in the Soul Demon Sect and Guanghan Palace is on the rise, and everyone is full of energy!

Especially the disciples of the Soul Demon Sect, all of them had red eyes and soaring murderous intent, not giving the Blood Bone Sect disciples the slightest chance to survive!

Many of their brothers died at the hands of the Blood and Bone Sect, and now it was finally time for revenge!

Chen Ping did not take action, but stared closely at Di Chongjing. There was no way he would let Di Chongjing escape this time!

Di Chongjing's face was ashen at this moment, watching his disciples fall one by one, but he had no idea what to do!

Now he can only place his hope on his senior brother!

"Eldest brother, senior brother....."

Di Chongjing exerted all her energy and suddenly shouted loudly!

Following Di Chongjing's roar, the largest bone mountain behind the Blood and Bone Gate suddenly began to shake violently!

Countless bones began to fly around, and a thick evil aura emerged from the mountain of bones!

Feeling this sinister aura, Sect Leader Jiang and others all stopped and stared blankly!
