

The Order 7131

Chapter: 7131

Di Chongjing showed surprise on her face and hurriedly shouted: “Hahaha, senior brother, it’s senior brother who has come out of seclusion...”

Rumble.....

The bone mountain cracked, and a figure flew into the sky, and then landed next to Di Chongjing!

This person was dressed in a black python robe, with a special aura covering his whole body!

And under the black robe, this man’s body was already decaying, and there was a foul smell.

“Senior Brother, these people killed Second Senior Brother and destroyed the Blood and Bone Sect. You must not let them go!”

Di Chongjing pointed at Chen Ping and others and said!

“Elder brother, why are you like this?”

Sect Leader Jiang stepped forward, looked at the senior brother in front of him and asked!

“Junior Brother Jiang, originally I didn’t want to take care of it, but you disturbed my cultivation and caused my attack to fail. You must bear this responsibility!”

Sect Master Jiang’s senior brother said in a cold voice!

“Elder brother, have you forgotten the teachings of master before his death? Look at your appearance now. Even if you really cultivate to the realm of immortality, it will be difficult for you to truly ascend to immortality.”

Sect Leader Jiang said!

“Shut up, I will definitely become an immortal, I will definitely...”

“You destroyed the Blood and Bone Sect and made me fail to attack the third level of the Mahayana Realm. I must kill you today!”

After the senior brother finished speaking, the black python robe on his body shattered!

Everyone was shocked when they saw the rotting body and the exposed bones. 1

Even Di Chongjing on the side was full of shock. He didn't expect that his senior brother would become like this!

I saw the senior brother suddenly opened his mouth and inhaled, and the blood and bone sect monks who had just died emitted a black mist from their bodies and were sucked into his body!

“Death Qi, this guy actually absorbed the death Qi to practice...”

At this time, Demon Lord Chiyun spoke!

“Dead energy?” Chen Ping was slightly stunned.

“Even in the demon world, there are very few people who use the death energy to practice, because the death energy practice is a practice method that kills one thousand enemies and damages eight hundred.”

“It seems that this guy is really cruel to me. Not only is it not enough to suck blood and gnaw bones, he even absorbs the last breath of death from the dead body.”

Demon Lord Chiyun exclaimed in surprise!

At this time, the rotting flesh of the senior brother began to grow rapidly, and then black lines appeared on the body. Two horns grew on the top of his head, and his mouth was full of fangs. His appearance was extremely ugly. , there is no human form at all!

Chapter: 7132

When Di Chongjing saw this scene, she was so frightened that she hid far away, while Sect Leader Jiang frowned, his eyes filled with regret!

After all, they are fellow seniors, but now they have become like this!

“Go to hell...”

The senior brother roared, and a burst of black mist instantly erupted from his body!

“ah.....”

Under this black mist, all the monks who came into contact made sounds of pain, and felt that their bodies were aging rapidly, as if they were decaying!

“Death energy, this is death energy, everyone, retreat quickly...”

Chen Ping hurriedly shouted loudly, leading everyone to retreat!

This death energy is very powerful. As long as it comes into contact, it will quickly absorb the vitality of the human body, causing people to age quickly and lose Yang Yuan quickly!

“You can’t run away...”

The senior brother snorted and quickly chased Chen Ping and the others!

This senior brother was very fast and kept approaching everyone. Sect Leader Jiang and others were all numb, trying to avoid the spreading death aura.

Now unless someone uses their own Yang Yuan vitality to resist this wave of death energy, they can save them, otherwise this kind of death energy will be difficult to deal with!

“Sect Master Jiang, you all stay away, I’ll meet him...”

Chen Ping knew that there was no way to escape like this, he could only resist this wave of death!

“Mr. Chen, you have to be careful...”

Sect Leader Jiang said!

Chen Ping held the Dragon-Slaying Sword in his hand, facing the explosion of anger, he rushed straight towards the senior brother!

The senior brother seemed a little surprised when he saw that Chen Ping, a mere seventh-level monk in the Tribulation Realm, dared to resist his death aura and even attacked him!

“Senior Brother, this guy’s name is Chen Ping. He is the one who killed Second Senior Brother. Don’t be fooled by his level. This guy is very powerful.”

Di Chongjing was afraid that her senior brother would underestimate Chen Ping’s strength and be caught off guard by Chen Ping, so she reminded him loudly!

“It turns out that he killed the second junior brother, so I will avenge the second junior brother...”

The senior brother’s face was cold, and with a low roar, the death energy suddenly surged!

In this case, no matter how fast Chen Ping goes, he will be attacked by the death energy!

Chapter: 7133

Perhaps before Chen Ping could reach him, his vitality was exhausted, his Yang Yuan disappeared and he died!

Moreover, this death energy is like tarsal maggots. Once it covers the whole body, even if the physical body is strong, it will be of no use!

Although I don’t know why Chen Ping dares to be so bold, this senior brother is not afraid at all, because as long as a person with vitality and Yang Yuan is most afraid of death energy, his own death energy is invincible!

“I want to see how long you can hold on in the air of death...”

The senior brother said with a joking look in his eyes!

When Chen Ping attacked this senior brother, his indestructible golden body was activated, and golden scales covered his whole body!

But even if he had an indestructible golden body, he couldn't resist the erosion of the death energy at all, and the golden scales on his body kept falling off!

That senior brother actually put his hands behind his back and looked at Chen Ping quietly!

In just a few steps, Chen Ping's indestructible golden body slowly disappeared, which was enough to prove the power of this death energy!

"Boy, when you come in front of me, you will only become a puddle of blood..."

The senior brother said proudly!

Chen Ping also discovered the power of the death energy. Even though his body was very strong, he still couldn't resist the death energy!

Chen Ping also used the True Fire Dharmakaya, but there was no way to stop it!

"Birth, old age, sickness and death are the ways of heaven. These dead energy are the ways of heaven. Nothing can resist the ways of heaven."

Demon Lord Chiyun said slowly!

“Is there no way to deal with this death energy?”

Chen Ping frowned slightly and said!

“Of course. If you have enough vitality and Yang Yuan, this death energy can't deal with you.”

“It's a pity that no matter how strong you are, you are only at the seventh level of the Tribulation Realm. It is estimated that Yang Yuan can last for a thousand years, so you cannot withstand these death auras.”

“If you are like me and have Yang Yuan of tens of millions of years or more, this death energy will not be a concern. After all, this death energy cannot consume much vitality and Yang Yuan.”

Demon Lord Chiyun said!

When Chen Ping heard this, he was immediately speechless. This Red Cloud Demon Lord had tens of thousands of years of Yang Yuan, but it was a pity that he was killed. Fortunately, a trace of his soul was left behind!

If there is no remnant soul left, even if the Yang Yuan is hundreds of millions of years old, it is still not dead.

“What will happen if I absorb all the death energy? That guy can use the death energy to practice, why can't I?”

Chapter: 7134

Chen Ping asked!

Chen Ping thought that his Heart Condensation Technique could refine all things, and even Chen Ping could absorb the evil spirit!

This death aura and the evil aura also have the same purpose!

“That guy must have the skills to use the death energy to cultivate. If you don’t have the skills, absorbing the death energy will make you die faster!”

Demon Lord Chiyun said!

“Who says I don’t have it!” After Chen Ping said that, he immediately started to run the Heart Condensation Technique, and a large amount of death energy around him began to swarm into Chen Ping’s body!

“What is Mr. Chen doing? This is death energy. How can he absorb death energy?”

When Sect Leader Jiang saw this, he was immediately shocked!

The Palace Master of Guanghan Palace also frowned slightly, with a look of worry on his face!

When the senior brother saw this, he couldn’t help being slightly stunned, and then sneered: “How dare you absorb my death energy? I think you dislike dying too slowly...”

As Chen Ping’s body continues to absorb death energy, his body is aging visibly to the naked eye, giving people the feeling that he may die at any time!

But just when Sect Master Jiang and others were worried and Di Chongjing and others were happy, all the deathly aura was sucked into Chen Ping's body!

Chen Ping is not dead. Apart from his body looking very old, he has no other symptoms!

However, as the Heart Condensation Technique continued to operate, golden lights flashed on Chen Ping's chest!

His body began to recover again at a speed visible to the naked eye!

After a few tight breaths, Chen Ping returned to his original appearance, and his aura became much stronger!

"This death energy is really a good thing. It is the best resource to use for cultivation. Do you still have it?"

Chen Ping looked at the confused senior brother and asked!

As for the senior brother, the smile was frozen on his face at this time, and he was completely stunned!

"You...how can you refine death energy? Why?"

The senior brother was stunned and his face was full of disbelief!

He knew the power of this death energy. Even though he had the skills to refine the death energy, his body became like this because of practicing this death energy.

But Chen Ping seems to have absorbed so much death energy, but nothing happened at all. This is simply incredible!

“I forgot to tell you that my technique can refine all things, so it’s no big deal if it’s just death energy. If you have any other skills, just use them!”

Chapter: 7135

Chen Ping said with a proud smile!

“I don’t believe it, I don’t believe it, it must be too little death energy. I don’t believe you can refine death energy...”

The senior brother roared, his whole body fell into madness, and his body desperately absorbed the death energy from the dead monk!

But after all, there are not many monks who have just died. This kind of death energy can only be found in the corpses that have just died. These bones have long lost the death energy, and some are just evil spirits!

Seeing that the dead monks had absorbed the death energy, the senior brother looked at Di Chongjing!

“Elder brother, you...what are you going to do?”

Di Chongjing asked with a face full of horror!

“In order to kill these people, I have no choice but to wrong you...”

After the senior brother finished speaking, he suddenly took action against Di Chongjing!

The sharp claws instantly penetrated the unsuspecting Di Chongjing's body. Di Chongjing's eyes widened with disbelief on his face, and he instantly lost his life!

Immediately afterwards, the senior brother opened his mouth and inhaled, and a large ball of death air was sucked into Di Chongjing's body!

Seeing this scene, Sect Leader Jiang had a very complicated expression. His fellow disciples ended up like this in the end!

"Boy, go to hell, go to hell..."

The senior brother roared, and the death energy erupted from his body, wrapping Chen Ping up!

The air of death did not permeate the air, but instead enveloped Chen Ping like a ball of black!

No one can see what Chen Ping has become inside!

Although I was very worried, no one dared to come close to help!

The senior brother's body was rotting away visibly to the naked eye, and in the end only a skeleton was left!

It looks like a big skeleton, very human!

He has exploded all the death energy in his body. He wants Chen Ping to die. As long as Chen Ping dies, it will be easier for others!

However, the deathly aura surrounding Chen Ping became weaker and weaker. Finally, Chen Ping's figure appeared, and his whole skin was glowing. There was no sign of decay!

"Good stuff, really good stuff..."

Chen Ping smiled lightly!

"ah....."

Chapter: 7136

The senior brother roared, his voice full of confusion and unwillingness!

"Since you are not angry anymore, don't blame me..."

After Chen Ping finished speaking, he punched out!

A fist shadow burst out with powerful force and hit the senior brother instantly!

Only the sound of cracking bones was heard, and then the senior brother's skeleton was torn apart!

The broken bones scattered all over the sky, and merged with the bones all over the floor of the Blood Bone Sect!

"I'm not willing to..."

As the skeleton shattered, a black shadow roared!

This was the soul of the senior brother. Unfortunately, after shouting, the soul exploded instantly.

Chen Ping's punch not only shattered the skeleton, but even the soul couldn't escape!

Until his death, he could not understand how things could be like this!

Looking at the destroyed Blood and Bone Sect, everyone was stunned and not at all excited!

They couldn't believe their eyes. What kind of person was Chen Ping?

Although they have seen Chen Ping's strength before, Chen Ping can give them a new shock every time!

Now, even the death energy can't do anything to Chen Ping, this is too outrageous!

Moreover, the opponent is at the pinnacle of the second level of the Mahayana Realm, and will soon break through to the third level of the Mahayana Realm!

Even if a strong man of this strength doesn't use his death energy, how many people will be his opponents?

But Chen Ping was able to kill the opponent with one punch, just like beating a chicken to death!

"Don't be stunned. Look around to see if there are any good things in the Blood and Bone Sect, especially fairy bones. Let me know when you find them!"

Chen Ping said to the shocked people!

“Oh well.....”

Sect Leader Jiang and others only realized this and hurriedly led people to search for resources!

The Palace Master of Guanghan Palace also took the Saint to search. Now that the Blood and Bone Sect has been destroyed, all the resources must not be wasted!

However, the Blood and Bone Sect uses the blood and bones of monks to practice, so all other resources should not be too much!

But what Chen Ping wants is immortal bones. As long as he can find a piece of the skeleton of Demon Lord Chiyun, it will be worth it!

“Mr. Chen, go and take a look. There are actually many monks imprisoned in the Blood and Bone Sect!”

At this time, a disciple of the Soul Demon Sect hurriedly ran over and said to Chen Ping!

When Chen Ping heard this, he quickly followed the Soul Demon Sect disciple!

Chen Ping saw a dozen monks being imprisoned in a strange formation under the bone mountain behind the Blood and Bone Gate!

These monks looked very embarrassed, both men and women, and they were all frightened!

When they saw Chen Ping and the others, they all curled up, probably frightened!

Chapter: 7137

“Mr. Chen, these people should be captured by the Blood and Bone Sect for training.”

“But they are all trapped by the formation, and we are helpless...”

Sect Master Jiang saw Chen Ping coming and said quickly.

Chen Ping nodded, and then glanced at the formation.

There was a cold and evil aura in the formation, coming from all around.

The brows of the monks inside would be intruded by this aura!

It seems that the Blood and Bone Sect not only sucks blood and gnaws bones, but also allows these monks to survive in this cold and evil atmosphere for a period of time.

After these monks' bodies are filled with this kind of atmosphere, they can practice with twice the result with half the effort!

However, this method is extremely cruel to these monks!

“This formation is used to instill evil energy into the monks. These people from the Blood and Bone Sect are simply bad...”

Chen Ping frowned and said!

“It’s too much. If Master is alive in heaven, he will hate these guys to death. He will do whatever it takes to practice!”

After listening to Chen Ping’s words, Sect Master Jiang became so angry that veins bulged on his forehead!

Although the Soul Demon Sect is also a demon cultivating sect, it has never done anything harmful to the world.

Even other demon cultivating sects are really nothing compared to the Blood and Bone Sect!

These guys from the Blood and Bone Sect are not just good at sucking blood and gnawing bones, but they also keep people in the evil spirit, making these people live in pain and fear all day long!

This kind of torture can cause people to collapse and even go crazy, and the Blood and Bone Sect takes advantage of this!

The more fearful and crazy the monks are, the more helpful it will be for their cultivation!

“Beasts like the Blood and Bone Sect, even if they kill people for training, they still use such vicious methods. With this mountain of skeletons, I don’t know how many monks died under such fear and pain!”

“It’s too cheap to kill them. They should be allowed to die in agony...”

The Palace Master of Guanghan Palace was full of anger and said viciously!

Sect Master Jiang looked remorseful.

These masterpieces were all made by his fellow apprentices.

He really didn't expect that all of his fellow apprentices who had studied together for many years were actually demons!

Chapter: 7138

"Mr. Chen, let's release these people first. No matter what, these people were tortured into this state by the Blood and Bone Sect. We, the Soul Demon Sect, should help them recover!"

Sect Leader Jiang wants to help these monks recover so that he can feel better!

Chen Ping nodded, shot out a few bursts of spiritual energy, and instantly broke the formation!

This kind of formation is not advanced, but it is difficult for people who don't know the art of formation to break through it.

What's more, the strength of these people is not very high, and the highest ones are not only at the second or third level of the Tribulation Realm!

As the formation broke open, the evil spirit inside dissipated instantly, and the eyes of the monks slowly turned from fear to calmness!

When they discovered that Chen Ping and the others were not from the Blood and Bone Sect, but were here to save them, the dozen or so monks were so surprised that they knelt down one after another with tears streaming down their faces!

I originally thought I was dead, but now I have been rescued.

This joy of being reborn is beyond words!

Especially when I see the monks around me being taken away one by one every day, listening to the painful screams, and feeling the evil energy around me.

This kind of suffering is extremely painful, and sometimes it is more terrifying than death!

This feeling of not being able to survive but not being able to die is the most tortured thing!

“Fellow Taoists, the Blood and Bone Sect has been completely eradicated. You are all weak now. I will arrange for someone to help you recover.”

Sect Master Jiang looked at these people and said with shame!

When these people heard this, they were all grateful to Sect Master Jiang.

Especially when they heard that the Blood and Bone Sect had been destroyed, each and every one of them became happy and knelt down to kowtow again!

“Sect Master Jiang, prepare some immortal grass, and I will help these people refine some elixirs. Their bodies will recover quickly, but it will still take some time to completely eliminate their inner demons!”

Chen Ping said to Sect Master Jiang!

These monks don't know how long they have been tortured here, and they have already developed inner demons.

They may be frightened out of their dreams, so if they want to eliminate their inner demons, they need to take their time!

“Okay, I'll make arrangements right now!”

Sect Leader Jiang nodded!

Just as the dozen or so monks were following Sect Master Jiang to rest, Chen Ping's eyes suddenly fell on a female cultivator!

The female cultivator looked very young when she said this, but her whole body was so bright that she lost all her energy!

Chapter: 7139

The female cultivator only has the strength of the peak of the Fusion Realm, so she is not too weak after all!

After all, without a sect backing, it would not be easy for a female cultivator to reach this level if she only relied on herself to practice!

The reason why Chen Ping noticed this female cultivator was because she had a sash on her waist with a red word embroidered on it!

This reminded Chen Ping of what Xiao Feng told him, asking him to help find the girl he was in love with, A'Zhu!

“Wait a minute...”

Chen Ping shouted at the female cultivator!

When she heard Chen Ping calling her, the female cultivator trembled slightly, with fear in her eyes!

Beside the female cultivator, an old man protected the female cultivator behind him, looked at Chen Ping and asked, “Fellow Taoist, what can I do for you?”

“Old man, I would like to ask this fellow Taoist, is she Miss A'Zhu from the Western Region?”

Chen Ping asked directly!

“She is not Miss A'Zhu from the Western Regions. You made a mistake...”

The old man shook his head and said!

When Chen Ping heard this, he immediately apologized and said, “I'm sorry, I was presumptuous...”

Chen Ping didn't know that A'Zhu, he just saw the sachet, so he wanted to ask, if it wasn't the case, then forget it!

Behind the old man, the female cultivator opened her mouth, as if she wanted to say something, but in the end she didn't say anything!

These people were taken to rest by Sect Master Jiang!

The Palace Master of Guanghan Palace walked up to Chen Ping and said, "Mr. Chen, do you know that girl?"

"I don't know!" Chen Ping shook his head!

"Then why do you suddenly want to ask about A'Zhu of the Western Region? Mr. Chen doesn't want to practice dual cultivation, does he?"

The Palace Master of Guanghan Palace looked at Chen Ping with a bit of jealousy on his face!

Although the Palace Master of Guanghan Palace was unable to follow Chen Ping in dual cultivation because of her identity, she already had her heart set on Chen Ping!

After finding a successor, she will fall into Chen Ping's arms without hesitation!

"No way, it's just that the prince of Xiao Dynasty in the Western Region asked me to find a girl named A'Zhu."

Chen Ping hurriedly explained, then changed the subject and said: "Have you found the immortal bones? In this case, the Blood and Bone Sect is not considered a small sect. There should be a secret room or something like that!"

Chapter: 7140

“I haven’t found the immortal bones yet, but I have found the secret room of the Blood Bone Sect. It is in the Bone Mountain. It should be the place where people practice in seclusion.”

“There is a huge furnace in the secret room, and I don’t know what it is used for...”

The Palace Master of Guanghan Palace said!

“Let’s go take a look...”

Chen Ping followed the Palace Master of Guanghan Palace and jumped up!

The two of them entered the Bone Mountain along a dark passage.

There was a large space in the Bone Mountain.

At a glance, they knew it was a place for retreat and cultivation!

In the middle, there is a furnace cauldron.

There are many mottled red colors on the furnace cauldron, covering up the color of the furnace cauldron itself!

The reason why this cauldron is red is that it was stained by countless blood, and it became like this after many years!

The cauldron was covered by a huge copper cover, so you couldn’t see what was inside!

“I didn’t dare to open it. I didn’t know what evil things would be here...”

The Palace Master of Guanghan Palace said!

After all, the Blood and Bone Sect is evil enough, so the cauldron that appears in this place of retreat is definitely not a good thing!

“You step back, I’ll open the lid and take a look...”

Chen Ping asked the Palace Master of Guanghan Palace to step back, while he approached the cauldron, and then waved it with all his strength!

The lid on the furnace cauldron was instantly knocked out, followed by a breeze!

In a place filled with such sinister aura, this sudden breeze is like a flicker of life in the desert!

The entire secret room was filled with this aura, and both Chen Ping and the Palace Master of Guanghan Palace felt warm on their bodies.

“What kind of breath is this? It’s so comfortable...”

The Palace Master of Guanghan Palace asked in shock!

Chen Ping also frowned slightly, not knowing what kind of aura was emitting from the cauldron!

“This is life. When people die, they will have the energy of death. When people are alive, they also have life.”
