

The Order 7151

Chapter: 7151

This quiet place can indeed make people very relaxed!

Rumble...

Suddenly, the stone house shook violently!

The woman frowned and opened her eyes suddenly. She didn't understand what was happening.

But before she could react, a huge force suddenly came from the ground!

The woman's body jumped up instantly, and at the same time, she grabbed her clothes and a mask!

Before the woman put on her clothes, she saw the stone house under her feet exploded instantly and fell apart!

A figure rushed out from the ground!

The woman hurriedly put on her mask, held a sword in her hand, and stabbed straight at the figure without any hesitation!

After Chen Ping rushed out of the ground, he exhaled a breath of turbid air and took a deep breath!

But before he could see his surroundings clearly, Chen Ping only felt a cold light coming towards him!

“Holy shit, what’s going on?”

Chen Ping was a little confused. He had just rushed out of the underground, why was someone attacking him?

Chen Ping hurriedly dodged, and the sword energy moved tightly against Chen Ping’s cheek, making Chen Ping feel a twinge of pain!

Just when Chen Ping was lucky to have dodged the sword, another overwhelming sword energy came!

The sword energy was like a wave, carrying a shocking momentum, as if it was going to tear Chen Ping into pieces!

“Why isn’t it over yet?”

Chen Ping frowned, and swung the Dragon-Slaying Sword in his hand, and a golden light shot out from the Dragon-Slaying Sword!

Ding Dang Dang Dang Dang Dang Dang Dang Dang Dang Dang Dang Dang Dang Dang Dang

With just one sword strike, the opponent’s sword energy was instantly eliminated!

It was only then that Chen Ping saw clearly that in front of him, there was a masked man attacking him with a long sword!

Wearing a mask, we couldn't tell whether we were male or female, but this person was actually not wearing any clothes. This made Chen Ping realize at a glance that this was a woman!

"This female Taoist friend, I don't know why you suddenly attacked me. I don't seem to have provoked you, right?"

Chapter: 7152

Chen Ping asked the woman!

"How do you know I'm a woman?"

The woman deliberately lowered her business and asked hoarsely!

"Actually, I don't want to know. It's a pity that your figure is so good that I can't forget it after just one look..."

Chen Ping said helplessly!

However, when he was talking, Chen Ping's eyes were not idle, and he didn't take the initiative. Since the other party didn't like to wear clothes, he didn't want to see it in vain!

"ah....."

Only then did the woman realize that she had not put on her clothes yet. After screaming, she jumped and hid behind a boulder!

After a while, the woman got dressed and walked out!

The long sword in his hand was pointed at Chen Ping, and his anger continued to rise!

“You’re such a prodigal, you sneaked here to spy on me, I’m going to kill you!”

After the woman finished speaking, she struck Chen Ping with her sword again!

The woman’s sword energy became more and more sharp, and countless sword lights were overwhelming, as if they would never stop!

Chen Ping was a little dumbfounded and hurriedly explained: “Miss, I think you have misunderstood. I am not here to spy on you.”

“You were naked and I accidentally saw it. You can’t blame me...”

Chen Ping explained loudly, but the woman didn’t listen at all!

Chen Ping was also speechless. He was not peeping, it was just an accident. He did not expect that there would be a woman living here, and she was not wearing clothes!

You can’t blame yourself for this. It’s such a huge injustice, even more unfair than Dou E’s.

But Chen Ping couldn’t explain it. The woman’s attacks were getting faster and faster, and she was ruthless. It was obvious that she wanted Chen Ping’s life!

Moreover, the woman's cultivation was at the first level of the Mahayana Realm, and her strength was not weak. Chen Ping kept dodging and did not dare to fight back, for fear of hurting the other party, which was even more difficult to explain!

"I saw it accidentally. If you are being so arrogant and unreasonable, don't blame me for being rude?"

Chen Ping warned the woman!

"Hmph, you, a seventh-level monk in the Tribulation Realm, actually dare to say such big words. Don't think that you can ignore me just because you have dodged a few attacks from me!"

Chapter: 7153

The woman snorted coldly, and instantly swung out sword flowers from the long sword in her hand. Each sword flower bloomed, and then enveloped Chen Ping!

Chen Ping frowned. This woman's swordsmanship was indeed good, so she burst out with spiritual energy and said: "Since you have forced me again and again, don't blame me. This is all because of you..."

Chen Ping held the Dragon-Slaying Sword in his hand and jumped up, intending to dodge the sword flower and then attack the woman!

But just as the body jumped up, the woman shouted: "The sword will follow..."

I saw the sword flowers suddenly gathered together, and then transformed into a ferocious beast, opened its bloody mouth, and bit Chen Ping!

Chen Ping was shocked. He didn't expect that the sword light that had been dispersed could be gathered together and turn into a beast!

"Your sword energy can actually change shape at will?"

Chen Ping was a little surprised.

You must know that it is not difficult to use sword energy to transform. As long as you control the long sword in your hand, after swinging the sword energy, you can transform into what you want according to the intention of the sword!

Chen Ping's Dragon-Slaying Sword, which cuts out the shape of a dragon with one sword, also looks like this!

But this woman's sword energy turned into sword flowers and attacked, but she was able to make those sword flowers gather together halfway, and then turned into beasts!

This somewhat surprised Chen Ping. After all, it was impossible to control the sword energy after it was released!

But this woman's sword energy can be controlled at will like spiritual energy, demonic energy, etc., which is a bit incredible!

"Hmph, do you think our Wanjian Sect's strength is in vain?"

The woman snorted coldly!

"Wanjian Sect?" Chen Ping had never heard of this sect, but when he heard it, it was a sect that specialized in swords!

"Although your swordsmanship is indeed good, in the face of absolute strength, all moves are like a trick!"

Chen Ping smiled coldly, and then raised the dragon-slaying sword in his hand!

The Dragon-Slaying Sword shone brightly, and the sword intent enveloped Chen Ping's whole body!

"Let me show you the real swordsmanship..."

"Nine Shadows Sword Technique..."

Chen Ping used the Nine Shadows Sword Technique!

It has been a while since he used the Nine Shadows Sword Technique. After all, Zhongli, the Dragon-Slaying Sword Spirit, was injured and had no way to escape from the sword, let alone connect with Chen Ping's mind, so Chen Ping rarely used the Nine Shadows Sword Technique!

Chapter: 7154

With the use of the Nine Shadows Sword Technique, Chen Ping's figures appeared one after another, each figure possessing Chen Ping's aura!

A total of six figures stood neatly in front of the woman!

When the woman saw this, she was immediately blinded. Even the beast transformed by the sword energy dissipated and disappeared without a trace at the moment when the woman was stunned!

"You...what kind of swordsmanship are you doing? How come there are so many clones?"

"Illusion, this must be an illusion, right?"

After the shock, the woman seemed to have thought of something, and her eyes suddenly widened!

She didn't think Chen Ping was doing any kind of swordsmanship. It was probably an illusion. It was definitely an illusion!

"No matter how many clones you create, you can't escape my grasp!"

"Cage of Ten Thousand Swords..."

The woman shouted lowly, and then swung the long sword in her hand towards the sky!

Under the moonlight, countless light spots suddenly appeared in the black night sky, and then sword rays were like rain, coming towards the six Chen Ping in front of them!

Thousands of sword rays, no matter how many clones there are, they can't resist it!

The woman's eyes were full of confidence, and the corners of her mouth were slightly raised!

"It's so beautiful, just like the brilliant fireworks..."

Just when the woman thought that Chen Ping would definitely die, a voice came from behind the woman!

The woman was so frightened that she quickly looked back, only to find that Chen Ping had appeared behind her at some point!

"You...why are you here?"

The woman's face was full of shock, and then she turned back to look at the six Chen Ping figures facing her!

It turns out that none of these six figures are Chen Ping's real body, and Chen Ping's real body has arrived behind the woman at some point!

The woman never expected that her so-called Ten Thousand Swords Cage would pose no threat or harm to Chen Ping at all!

Is this something that a seventh-level monk in the Tribulation Realm can do?

The doubt in the woman's eyes at this moment reflects Chen Ping's level. It is impossible for a seventh-level Tribulation Realm to achieve this!

You must know that you are a first-level monk in the Mahayana Realm, and you are proficient in swordsmanship, but at this moment, you are being made so embarrassed by Chen Ping, a seventh-level monk in the Tribulation Realm, and the opponent also uses a sword!

This is a bit outrageous!

Chapter: 7155

Chen Ping walked towards the woman, reaching out to take off the woman's mask!

After all, with such a good figure and fair and smooth skin, I believe she looks very attractive!

Seeing that Chen Ping was about to take off his mask, the woman was shocked. The long sword in her hand passed through the air and instantly intertwined into a sharp sword net, directly blocking Chen Ping's path. At the same time, she quickly back!

She must not let Chen Ping take off his mask. This is her secret. No one knows. If you wear a mask, you can still make everyone daydream. But if the mask is taken off, she knows that Chen Ping will definitely scare him. One jump!

But just as the woman stepped back, Chen Ping just waved lightly, and the intertwined sword net was instantly chopped into pieces by Chen Ping, without causing any obstruction to Chen Ping. Chen Ping's body was still getting closer!

"If you get closer, I will kill you..."

The woman held a long sword and said in shock!

But Chen Ping didn't seem to hear it, and he had to take off the woman's mask!

The woman could only swing her sword towards Chen Ping, but Chen Ping blocked it with the Dragon-Slaying Sword!

clang!

There was a crisp sound, and the sword in the woman's hand broke!

At this time, the woman was completely dumbfounded. You must know that the long sword in her hand was a precious sword, cutting iron like clay, and now it was broken?

While the woman was stunned, Chen Ping was already in front of her!

I saw Chen Ping grabbing the woman's mask!

The woman reacted, dropped the broken sword in her hand, and wanted to slap Chen Ping, but Chen Ping grabbed her wrist and controlled her!

The woman twisted her body, but found that she couldn't break free at all!

Chen Ping controlled the woman, held her in his arms, and then moved his other hand towards the woman's mask!

"No, please, no..."

The woman began to panic and kept following Chen Ping to beg for mercy, begging Chen Ping not to take off her mask!

Chen Ping stopped his hand and asked in a cold voice: "You care so much about the mask on your face. Are you afraid that people will see you because you are ugly?"

When the woman heard this, she immediately became angry and shouted loudly: "You are the ugly one. Although my appearance is not as good as that of a fairy, I can still charm thousands of men."

As soon as the woman finished speaking, Chen Ping suddenly took off his mask!

The moment the mask was taken off, Chen Ping was stunned!

I saw only half of the woman's face, which was very hideous and covered with scars, obviously burns!

Chapter: 7156

But the other half of the cheek is delicate and smooth, and you can tell that she is a beautiful woman!

“Uuu...”

The moment the mask was taken off, the woman actually started crying!

When Chen Ping saw this, he quickly let go of the girl. He didn't expect things to turn out like this, let alone such a face under such a graceful figure!

Chen Ping was a little panicked and didn't know how to comfort the woman in front of him!

But when he looked at half of the woman's face, he looked familiar!

But Chen Ping couldn't remember where he had seen this woman for a while!

“I'm sorry, I didn't mean it. I really didn't know it would be like this.”

“And I'm definitely not spying on you. I don't even know there are people on this island, let alone that they don't wear clothes.”

“This is a complete misunderstanding. Please stop crying. I won't tell anyone about you.”

Chen Ping could only try his best to explain!

The woman squatted on the ground, still covering her face and crying bitterly, ignoring Chen Ping at all!

When Chen Ping saw this, he could only jump up and plan to leave the island. He didn't have time to waste it here with a woman!

He must seize the time to go to Zhujia Town, help Zhu Qingyue handle the matter, and then send Zhu Qingyue back to Xiao Dynasty!

But just when Chen Ping was about to leave, the woman suddenly called out to Chen Ping and said, "You have seen my whole body, and now you see my ugly appearance, do you just want to leave like this?"

"Then what do you think we should do?"

Chen Ping looked at the woman speechlessly: "Do you still want me to stay here forever and pledge myself to you?"

"Bah, who asked you to commit yourself to me? I just asked you to swear that you will never tell this matter."

"Besides, what's your name? You can't take advantage of me. I don't even know your name!"

The woman asked Chen Ping!

"My name is Chen Ping. I won't tell anyone what happened today. Is it at the head office now?"

Chen Ping said helplessly!

"No, you destroyed my sword, you have to compensate me..."

The woman shook her head and said!

Chapter: 7157

“How can I compensate you? Besides, you took the initiative to attack me and almost killed me. Do you still want me to compensate you for your sword?”

Chen Ping was speechless, this woman was a little unreasonable!

It was obvious that she was the one who attacked her first, and then counterattacked in the end when she had no choice but to now shamelessly ask herself to pay for her sword.

“Then give me the sword in your hand. I think your sword is not bad!”

The woman said!

“Go away...” Chen Ping suddenly cursed: “My sword is equal to my life, how can I pay it to you?”

“You are talking nonsense, I will kill you with one sword, you are so long-winded...”

Chen Ping was angry, but the woman was not afraid. She glared at Chen Ping and said, “My sword was forged by the Weapon Refining Sect. It is the fifty-eighth sword among our Ten Thousand Swords Sect.”

“If you don’t pay me compensation, I will fight you tooth and nail...”

“Is your sword forged by a weapon refiner?” Chen Ping was stunned!

“Yes, most of the swords in our Wanjian Sect are forged by the Weapon Refining Sect. They are not ordinary swords, so you must compensate me!”

The woman started crying and moaning again!

“I didn’t expect that your Wanjian Sect would still be associated with the Weapon Refining Sect. However, the Weapon Refining Sect has long been in name only and is in tatters. How can we forge swords for your Wanjian Sect?”

Chen Ping knew that the leader of the Weapon Refining Sect was captured by the Huo Fen Sect, and the Weapon Refining Sect was also destroyed!

“How do you know this?”

The woman was stunned for a moment, and then said: “The Weapon Refining Sect was indeed destroyed by the Huo Fen Sect more than ten years ago, and the leader of the Weapon Refining Sect and many elders were captured. This also made our Wanjian Sect have no one for more than ten years. Renewing the sword.”

“However, some time ago, many elders of the Weapon Refining Sect suddenly returned to the Weapon Refining Sect and began to recruit disciples again. Although the current Weapon Refining Sect is much smaller in size, it is back to life again.”

Listening to the woman’s words, Chen Ping suddenly remembered that when he came to the Heavenly and Human Realm, he rescued the elders of the Weapon Refining Sect in the Demonic Heart Sect’s dungeon!

Moreover, Master Hammer also said at that time that he would revitalize the Weapon Refining Sect!

Now it seems that the Weapon Refining Sect has been revitalized.

“To tell you the truth, I am actually the benefactor of the Weapon Refining Sect. I am indispensable for the revitalization of the Weapon Refining Sect.”

Chen Ping said to the woman!

“Fart, how can you, a mere cultivator at the seventh level of the Tribulation Realm, be the benefactor of the Weapon Refining Sect? Even if you have some strength, you are nothing but an ant in front of a large sect like the Weapon Refining Sect.”

“Don’t think so. I can let you go. If you don’t give me my sword today, I won’t be done with you.”

Chapter: 7158

The woman simply didn’t believe what Chen Ping said!

“It doesn’t matter if you don’t believe it, but let me tell you, the Dragon-Slaying Sword in my hand is the Zongzong Sword of the Weapon Refining Sect, and this Dragon-Slaying Sword has been repaired by Jian Lao.”

Chen Ping waved the dragon-slaying sword in his hand and said!

When the woman heard this, she stared at the Dragon-Slaying Sword in Chen Ping’s hand, and then sneered: “Who are you fooling? How could I give you the Zongzong Sword of the Weapon Refining Sect, let alone what sword master you are talking about? I haven’t heard of it at all.”

Chen Ping saw that this woman was a little unreasonable, so he stopped talking nonsense with him and jumped up to leave the island!

There is no way he would give his dragon-slaying sword to this woman!

“Don’t leave...”

The woman also jumped up and planned to chase Chen Ping!

But as soon as the woman jumped up, her complexion suddenly changed slightly, and then she looked into the void behind her, with a flash of panic in her eyes!

Then the woman landed back on the island, hurriedly took out a pill and swallowed it!

Chen Ping was a little confused, what happened to this woman, why didn't she pursue him?

Just when Chen Ping was still wondering, suddenly, several breaths came quickly from a distance!

"Zhu Qingxiu, I'll see where you escape this time."

"You guy, it turned out that you were hiding on this deserted island. No wonder I couldn't find you for so long."

"Hand over your Wanjian Sect's secret book, and we can consider letting you go..."

Whoosh whoosh!

In the distant void, several figures rushed over quickly!

These people are not weak in strength. There are five of them in total, one is at the first level of the Mahayana realm, and the remaining four are also at the ninth level of the Tribulation Realm!

These five people were shouting as they rushed in this direction!

The woman's face was full of panic, and she glared at Chen Ping fiercely: "It's all your fault. If I hadn't fought with you and exposed my breath, how could they have found me..."

After the woman glanced at Chen Ping resentfully, she flew up and planned to escape!

Chen Ping was also speechless for a while. It was obviously the woman who made the move first, but now it's his fault again!

What is this thing called?

Women are unreasonable...

Chapter: 7159

When the five men saw that the woman was about to run away, they sped up to catch up and passed by Chen Ping. However, they pretended that they didn't see anything and ignored Chen Ping!

The young monks who are in the seventh level of the Tribulation Realm can really be ignored!

Just after those five people passed by Chen Ping, Chen Ping looked at the backs of several people and frowned slightly!

Because he clearly felt the aura of the demon cultivator from these five people!

These five people were able to expose their demonic cultivation auras openly, and it seemed that they were not afraid at all!

"Zhu Qingxiu?"

Suddenly, Chen Ping seemed to remember something. He remembered that someone just called this woman Zhu Qingxiu?

So what is the relationship between Zhu Qingyue from Zhujia Town who came with him?

boom!

Chen Ping suddenly remembered that although only half of this woman's face was good, the appearance of that half of her face was exactly the same as that of Zhu Qingyue!

No wonder when I saw this woman, I felt familiar, but I just didn't think of it for a while!

"You demon cultivators, I will not give you the secrets of the Wanjian Sect. Even if I dive into the Dead Sea and turn into bones, I will not give you the secrets."

Zhu Qingxiu ran away desperately, and the direction of her escape was to the desert island where Chen Ping landed at the beginning!

Chen Ping jumped up and chased after him!

Let's not talk about whether this woman has anything to do with Zhu Qingyue. Even if she is a female cultivator who has no relationship and is being chased by so many demon cultivators, Chen Ping still has to ask clearly!

What's more, this woman belongs to the Wanjian Sect, and the Wanjian Sect has a good relationship with the Weapon Refining Sect!

In fact, speaking of it, the woman's fault for exposing her whereabouts was her own fault. If she hadn't collected those flints by herself and then rushed out on the island where they were hiding, nothing would have happened later.

Chen Ping finally convinced himself, and then quickened his pace, planning to help Zhu Qingxiu!

If this Zhu Qingxiu is really from Zhujia Town, then I have to help even more!

After all, Zhujiazhen will become his in-laws if he follows Xiao Huangchao!

Chapter: 7160

Zhu Qingxiu in front ran away desperately, while the five demon cultivators behind were chasing after her.

They attacked Zhu Qingxiu from time to time, but they didn't use their killing moves.

They were probably afraid that Zhu Qingxiu would really die and fall into the Dead Sea. , that would be troublesome!

After Zhu Qingxiu desperately escaped to the desert island, she seemed a little exhausted and could only drop her body on the desert island!

Seeing this, the five demonic cultivators launched an attack directly towards Zhu Qingxiu. Rays of brilliance pierced the night, and countless auras struck towards Zhu Qingxiu!

Zhu Qingxiu no longer had the sword in her hand, so she could only rely on constant evasion and defense.

However, this was not a long-term strategy. Five demon cultivators quickly surrounded her!

“You damn demon cultivators actually killed hundreds of members of our Wanjian Sect for the secret book of our Wanjian Sect. One day I will exterminate all of you sooner or later.”

Zhu Qingxiu looked at the five demon cultivators surrounding her, gritting her teeth with a look of reluctance!

Her strength is only the first level of the Mahayana realm, but the opponent has a first level of the Mahayana realm, and four monks of the ninth level of the Tribulation Realm!

If she had the sword in her hand, she could resist for a while, but now without the sword, it would be like the tiger has no teeth, and Zhu Qingxiu’s strength would be greatly reduced!

“It’s all that damn guy’s fault for breaking my sword.”

Zhu Qingxiu still hates Chen Ping at this moment!

If Chen Ping hadn’t broken her sword, she wouldn’t be in such a mess now, and she might still have a chance to escape!

“Zhu Qingxiu, stop talking nonsense, hand over the secrets quickly, and we will let you go, and don’t make any fearless resistance.”

“If you don’t scream, don’t blame us for being rude. Although your face is ruined, you have a good figure.”

“When the time comes, cover your face, and we brothers will have a good time.”

One of the leaders, a man in green, smiled coldly!

The five demon cultivators each stood in one direction, surrounding Zhu Qingxiu to death!

“Yes, we people are not picky. If you are disobedient, then cover your face and calm down our brother’s anger.”

A bearded demon cultivator had a lewd smile on his face, and his eyes kept scanning Zhu Qingxiu’s body!

“You should be obedient. Anyway, your Wanjian Sect is finished. What’s the use of keeping that broken secret book? Leave it to us. Otherwise, if the five of us go together, your graceful little body will have to endure it.” No.”

The five demon cultivators humiliated Zhu Qingxiu unscrupulously, and stared at Zhu Qingxiu’s body unabashedly!

“You shameless people are even more shameless than that peeping guy...”
