

The Order 7161

Chapter: 7161

Zhu Qingxiu's eyes were filled with anger, and she suddenly struck at the leading man in green with a palm!

This man in green is also a first-level Mahayana realm.

As long as he can be injured first and there are four ninth-level monks in the Tribulation Realm left, it will be easy to deal with it!

The man in green seemed to have already prepared a response.

When he saw Zhu Qingxiu attacking him, he couldn't help but raise the corner of his mouth and said: "Little girl, you have been fooled..."

After saying that, I saw the demonic energy flowing all over the man in green, and then the demonic energy suddenly condensed into wisps of strange aura!

With a gentle wave of his palm, the other four people also exuded the aura of that aura!

These auras intertwined into a huge net, covering Zhu Qingxiu!

Zhu Qingxiu was so angry that she was dizzy. Facing the sudden appearance of the big net, her expression changed drastically!

This big net looks simple and unremarkable, but when it spreads out, the surrounding void vibrates, locking all spaces instantly. Zhu Qingxiu has no place to escape even if he wants to escape!

In just an instant, Zhu Qingxiu was suppressed by the big net!

“You despicable people...”

Zhu Qingxiu cursed and tried hard to break free from the big net and escape, but no matter how hard she struggled, it was of no use!

“Hahaha, don’t bother. You don’t even have the sword in your hand. It’s impossible to break through our big net.”

“It’s better to just surrender and capture...”

The man in green laughed proudly!

Just when the man in green was approaching Zhu Qingxiu, a figure suddenly crossed the void and then came to Zhu Qingxiu!

With a flash of golden light, the big net that bound Zhu Qingxiu was cut through, and Zhu Qingxiu escaped from the big net!

When several demon cultivators saw this, they were stunned. The young man frowned and said, “Who are you? Dare to ruin our good deeds?”

Only now did Zhu Qingxiu see clearly that the person who saved her was Chen Ping!

“You five big men are actually trying to deal with a weak woman. Are you still fucking men?”

“No wonder you practice magic skills one by one and are willing to become demon cultivators. It turns out that you are all idiots.”

Chen Pingping said mockingly to the five demon cultivators!

When the five people heard this, they were immediately furious, and their eyes were filled with a bloodthirsty cold light!

Chapter: 7162

These five people are not real demons, but human monks who practiced demonic skills and became demonic cultivators!

This kind of demon cultivator has the lowest status among the demon clan. They only made this decision to quickly improve their cultivation!

Now Chen Ping's words have exposed the scars of five people, that's why they are so angry!

“Boy, you, a seventh-level monk in the Tribulation Realm, dare to talk to us like this. You are tired of living!”

The man in green waved his hand, and the big net that Chen Ping had cut open closed up and came towards Chen Ping and Zhu Qingxiu!

Seeing this, Chen Ping once again held the dragon-slaying sword and slashed directly towards the big net!

“Be careful, don’t let this big net touch your body...”

Seeing this, Zhu Qingxiu quickly reminded Chen Ping!

Chen Ping didn’t understand what Zhu Qingxiu meant. The dragon-slaying sword in his hand had already touched the big net!

With the sword radiating in all directions, the big net was instantly cut into pieces!

The big net was chopped into pieces, but the man in green didn’t seem to be anxious at all. Instead, he raised a sneer at the corner of his mouth!

Just when Chen Ping didn’t understand what this guy had planned, the broken net kept falling on Chen Ping!

After these broken big nets fell on Chen Ping, they immediately became twisted and wrapped up Chen Ping tightly!

“Hahaha, do you think you can escape if you break this big net?”

The man in green laughed and said!

“This thing of yours is a bit interesting...”

Chen Ping looked at the big net that bound him. Instead of being afraid, he was very interested!

“Hurry up and break free, hurry up and break free. This big net can not only restrict your movements, but also attack your consciousness and make you unconscious.”

Zhu Qingxiu saw that Chen Ping was restrained by the big net and quickly reminded him!

Just as he finished speaking, Chen Ping felt a strange aura coming from the big net, constantly heading towards his body!

This kind of aura constantly attacks the sea of one’s consciousness, blurring one’s consciousness, and finally achieves the result of being controlled!

Chen Ping smiled. If this kind of spiritual attack could break through his own sea of consciousness, it would be a joke!

Not to mention that there is Daluo Golden Code in the sea of consciousness, but the remnant soul of Demon Lord Chiyun is guarding the sea of consciousness. With these childish things, it is simply impossible to break through Chen Ping’s sea of consciousness!

“Oh, my head hurts so much. Why do I feel like I’m going stupid?”

Chapter: 7163

Chen Ping suddenly covered his head and shouted in pain!

Zhu Qingxiu was so anxious that she scratched her head and head, but was there anything she could do? She didn’t even have a weapon in her hand, and she couldn’t help Chen Ping get rid of the shackles of the big net!

“Hahaha... you idiot, you will be at my mercy in a while, I will let you do a striptease...”

The man in Tsing Yi burst out laughing when he saw Chen Ping like that!

Just for a moment, Chen Ping’s eyes were lifeless and he looked like a zombie!

It is obvious that the sea of consciousness has been breached and there is no spiritual consciousness!

When the man in green saw this, he used a casual move to pull back the big net on Chen Ping’s body!

“Chen Ping, Chen Ping...”

Seeing this, Zhu Qingxiu hurriedly stepped forward and shook Chen Ping, trying to wake Chen Ping up!

But Zhu Qingxiu’s shout immediately stunned the five demon cultivators.

“You said this guy’s name is Chen Ping?”

The man in green looked at Zhu Qingxiu and asked!

Zhu Qingxiu glared at the man in green, but didn’t pay attention to him!

“Brother, this guy’s name is Chen Ping. Isn’t he the guy that the alliance leader used a hundred years of sacrifice to hunt down?”

The bearded demon cultivator asked in a low voice!

“It’s very possible that if it was really him, the five of us brothers would be dead.”

“They all say that Chen Ping is very powerful. So many people have failed to catch him. Now it seems that his reputation is just in vain. We didn’t catch him casually.”

The man in green clothes said very proudly!

Zhu Qingxiu didn’t know what these people were saying, and she didn’t know that Chen Ping was hunted down by the Demon Sealing Alliance with a hundred-year offering!

If she knew, she wouldn’t be so calm when she heard Chen Ping’s name!

After all, the name Chen Ping is very famous in the world of gods and humans!

Chen Ping listened to the conversation of several demon cultivators and knew that these guys were actually members of the Demon Sealing Alliance. This could be regarded as enemies on a narrow road.

Even without Zhu Qingxiu, Chen Ping would not let go of the people from the Demon Sealing Alliance when he met them!

“Boy, now I order you to take off this woman’s clothes...”

Chapter: 7164

The man in green ordered Chen Ping.

Now that Chen Ping's sea of consciousness has been breached, he has long lost his sense of autonomy and is completely at the mercy of others.

"Yes!" Chen Ping nodded dully, and then grabbed Zhu Qingxiu.

"What are you going to do? Wake up quickly, wake up..."

When Zhu Qingxiu saw Chen Ping trying to take off her clothes, she could only keep dodging and yelling for Chen Ping to wake up.

She also knew at this moment that Chen Ping was not a bad person, otherwise he would not have helped her out of trouble, but now that Chen Ping was controlled by the other party, Zhu Qingxiu couldn't bear to do anything to Chen Ping.

After all, Chen Ping fell into the other party's trap to help himself and became what he is now.

"Hahaha, take it off quickly, take it off for him quickly..."

"It's so interesting. I'm going to record this scene with a recording crystal so that other people in the Demon Sealing Alliance can see that Chen Ping, who was blown into the sky, turned into a walking corpse in the hands of our brothers."

After the bearded monk finished speaking, he took out the recording crystal and began to record everything at the scene.

Chen Ping stepped forward, grabbed Zhu Qingxiu, and kept tearing Zhu Qingxiu's clothes. Zhu Qingxiu tried his best to protect herself, and said in a hurry: "Don't do this. If you do this again, I will have no choice but to be rude to you." , can you wake up?"

“Don’t worry, I won’t really take off your clothes.”

At this time, Chen Ping suddenly whispered!

Zhu Qingxiu was stunned and looked at Chen Ping in disbelief: “Are you not being controlled?”

“With their little tricks, trying to control my sea of consciousness is just a daydream. I’m just teasing them.”

Chen Ping smiled lightly and said!

Seeing this, Zhu Qingxiu breathed a sigh of relief, and then asked: “Then what should we do next?”

“The two of us pretend to be fighting, you lure someone over, and I kill him by surprise...”

Chen Ping said!

“How did I lure you here?” Zhu Qingxiu was a little confused!

Chen Ping tore off Zhu Qingxiu’s clothes, exposing her snow-white skin!

“ah.....”

Zhu Qingxiu panicked and slapped Chen Ping directly.

After the fight, Zhu Qingxiu felt a little regretful, but it was just an instinctive reaction.

Chapter: 7165

Chen Ping did not stop because of that slap. He still moved his hands and feet against Zhu Qingxiu and hugged Zhu Qingxiu tightly.

“Damn it, brother, even though this stupid boy has been controlled by his consciousness, he is still so aggressive towards women...”

The bearded monk said in shock!

“It’s just a man’s true nature. Go up and record this scene. I wonder how this Chen Ping will hang out in the world of heaven and humans in the future!”

The man in green smiled coldly and said!

The bearded monk quickly approached with the recording crystal and kept licking his lips!

But just after he got closer, Chen Ping, who was holding Zhu Qingxiu, suddenly let go, and then looked at him with a smirk on his face!

The bearded monk was stunned. Before he could react, he felt a white light flash in front of his eyes.

The bearded monk, who was at the ninth level of the Tribulation Realm, had his head raised high in an instant.

Blood kept splattering, and the body fell heavily.

The recording crystal in his hand fell to the ground and was trampled to pieces by Chen Ping.

Seeing this scene, the other hurried demon cultivators were all confused and froze on the spot.

Just when the bearded monk's head fell off, he was kicked away by Chen Ping.

"Fuck you..."

Chen Ping kicked the bearded monk's head into the Dead Sea.

As the water rolled, the bearded head soon turned into a skull floating on the sea.

"You...you are not controlled?"

Only then did the man in green realize that Chen Ping was not controlled at all!

"It's a joke that you still want to attack my sea of consciousness with your little tricks."

"If I'm so easily controlled, do you think the Demon Sealing Alliance will come up with a hundred-year offering to hunt me down?"

Chen Ping said with a sneer!

"You brat, I'll kill you..."

The man in green was teased and became furious. He drew out a long knife and headed towards Chen Ping!

In mid-air, the man in green swung his long sword in the air, slashing out thousands of sword lights, like a storm, shooting out towards Chen Ping!

Chapter: 7166

Chen Ping raised the corners of his mouth slightly, his eyes full of disdain, golden light erupted from his whole body, his indestructible golden body activated, and golden scales covered his whole body!

After the indestructible golden body was activated, Chen Ping went directly towards the ten thousand sword lights without any hesitation!

“Are you looking for death?”

When Zhu Qingxiu saw this, she quickly called Chen Ping!

There is no such thing as taking the initiative to face the opponent’s offensive. Isn’t this looking for death?

“Boy, you’re so crazy. You dare to rush over without dodge!”

The monk in Tsing Yi was furious when he saw that Chen Ping dared to face the light of his sword!

This is simply looking down on myself. After all, I am also a Mahayana monk!

Chen Ping’s body was emitting a faint golden light at this time, and the indestructible golden body was attached to Chen Ping’s body. From a distance, he looked like a golden-armored God of War whose whole body was poured with gold!

Bang bang bang!

Wherever Chen Ping passed, all the rushing sword lights hit Chen Ping, but they did not cause any harm to Chen Ping. On the contrary, the sword lights shattered directly!

This scene made everyone dumbfounded. It was a blow from a Mahayana monk, and Chen Ping actually managed to bear it with his body!

And it seems that these attacks cannot cause any harm to Chen Ping!

This is simply unbelievable. Chen Ping has only passed through the seventh level of the Tribulation Realm. Even if he is wearing treasure armor, it is impossible for him to do no harm at all!

No one knows that Chen Ping's current strength has long surpassed that of a first-level Mahayana realm. Even without the indestructible golden body protection, Chen Ping's physical body can withstand the attacks of a first-level Mahayana realm monk without any problem!

Now that he has an indestructible golden body, it may be difficult for the man in green to cause harm to Chen Ping!

"Damn, the armor on this kid is so perverted..."

The monk in green cursed, his face full of disbelief!

But the next second, he only felt a blur in front of his eyes, and Chen Ping's body disappeared instantly.

"broken....."

The monk in green clothes was suddenly startled, and his body quickly retreated!

But the monk in green reacted so quickly, but it was still too late. Chen Ping's body appeared out of thin air, and then the dragon-slaying sword in his hand was slashed out!

Poof!

The dragon-slaying sword slashed across the body of the monk in green.

Chapter: 7167

With a scream, one of the monk's arms was cut off. If he hadn't reacted quickly enough, it wouldn't have been an arm!

"You...what kind of technique are you doing?"

The monk in green was shocked and looked at his severed arm with shock in his eyes!

Several other demon cultivators also looked at Chen Ping in disbelief!

A seventh-level monk in the Tribulation Realm cut off the arm of a first-level Mahayana monk with one blow. This is too outrageous!

Even Zhu Qingxiu looked at Chen Ping in disbelief. Only then did she realize that when she was fighting with Chen Ping just now, Chen Ping didn't use all his strength and was always giving in. Otherwise, with Chen Ping's strength, she would have been beaten long ago. injured.

Thinking of this, Zhu Qingxiu felt a little ashamed and embarrassed. After all, she was the one who took the initiative to attack Chen Ping when he first appeared. No matter how Chen Ping explained, she refused to listen, and in the end, her sword broke!

In fact, none of this can be blamed on Chen Ping. Thinking of this, Zhu Qingxiu felt a little unreasonable!

“Don’t be stunned, let’s go together...”

Seeing how powerful Chen Ping was, the monk in Tsing Yi shouted to the remaining three demon cultivators with a painful look on his face!

The three demon cultivators reacted and immediately surrounded Chen Ping!

“I’m here to help you...”

Zhu Qingxiu saw that these demon cultivators wanted to bully Chen Ping, so he jumped to Chen Ping’s side!

“You should just watch carefully from the sidelines. These few little magic cultivators are not enough for me to stuff between my teeth!”

Chen Ping said to Zhu Qingxiu!

Chen Ping didn’t even pay attention to the three ninth-level demon cultivators in the Tribulation Realm!

“Can you really do that?”

Zhu Qingxiu asked!

“Put that away, I really can...”

Chen Ping said with confidence!

“Okay, then I’ll just watch the fun from the sidelines...”

After Zhu Qingxiu finished speaking, she really stepped aside and stopped helping!

The three demon cultivators were extremely angry. They were three ninth-level cultivators in the Tribulation Realm. At this moment, they were looked down upon by Chen Ping, a seventh-level Tribulation Realm cultivator!

“Don’t be careless. Let’s go together. This kid has some evil qualities. His realm aura is seriously inconsistent with his strength. Let’s not be fooled.”

Chapter: 7168

After the monk in green stopped bleeding, he held a big knife in one hand and reminded the other three demon cultivators!

The three demon cultivators nodded and launched an attack on Chen Ping at the same time!

One monk at the first level of the Mahayana realm and three monks at the ninth level at the Tribulation Realm. The four of them attacked from different directions!

Chen Ping, with his whole body shining with golden light, shuttled through the air to fight against these four demon cultivators!

Zhu Qingxiu stared blankly at the side. If she encountered these demonic cultivators, even with a sword in her hand, it would be impossible to defeat them!

But looking at Chen Ping, he seemed to be dealing with it very easily, but on the contrary, those demon cultivators were in danger one by one!

As Chen Ping fought with those demon cultivators, the originally quiet sea surface shook violently, and explosions continued to occur on the deserted island, with deep pits appearing one after another!

This desert island had already experienced a war, and later the Fire Qilin dug a deep hole straight to the bottom of the sea. It was already crumbling. Now another battle broke out on it, and the desert island began to sink!

Seeing this, Zhu Qingxiu hurriedly jumped up, her whole body suspended in the air, and watched helplessly as the island disappeared into the vast sea!

Without a place to stay, the four demon cultivators were obviously panicking!

If you accidentally fall into the Dead Sea, you will immediately turn into bones!

Chen Ping took advantage of the situation and struck a sword. A demonic cultivator was unable to dodge and was hit directly in the chest. He instantly lost his spiritual power and fell straight into the sea of death!

With the churning of the sea water, in just a few breaths, the demon cultivator turned into a white skeleton and floated on the sea!

“Let’s go, stop pestering, and find a place to stay first!”

Upon seeing this, the monks in green knew that it was unrealistic for them to capture Chen Ping, so they planned to lead others to escape first!

The monk in green took the remaining two demon cultivators and fled quickly towards the island where Zhu Qingxiu originally lived!

When Chen Ping saw this, he grabbed Zhu Qingxiu and quickly chased after him!

Seeing Chen Ping and the others chasing after them, the three demon cultivators were very panicked. Now instead of getting the secret realm, they have become prey themselves!

“Brother, please send a distress message quickly, otherwise we will all die here.”

A demon cultivator said to the monk in green in fear!

The monk in green frowned slightly, then nodded and fired a red light!

The red light shot straight into the sky, and then exploded!

“It’s broken. These guys are asking for help. There are probably their accomplices nearby!”

Seeing this, Zhu Qingxiu hurriedly said to Chen Ping!

Chapter: 7169

“Don’t be afraid. Kill as many as you come. None of these dogs from the Demon Sealing Alliance will be left alive!”

Chen Ping hated the demon cultivators who worked as lackeys for the Demon Sealing Alliance!

The three demon cultivators came to the sky above the island. After gaining a foothold on the island, they immediately jumped up again and fled into the distance!

Chen Ping took Zhu Qingxiu and landed on the island. He wanted to take Zhu Qingxiu to chase him again, but he was grabbed by Zhu Qingxiu!

“Wait a minute, you destroyed the spiritual spring of this island, and it is probably going to sink. I want to take the sacred tree away!”

Zhu Qingxiu said!

“Sacred tree? What sacred tree?”

Chen Ping was confused!

Zhu Qingxiu did not speak, but pulled Chen Ping towards a cliff on the island!

On the cliff, a tree that didn’t look very big was growing in the crevices of the rocks, and fairy energy was constantly emerging from the tree!

Chen Ping was stunned and looked at the tree in disbelief. How could this tree exude fairy energy?

Could it be that there are immortal bones under this tree?

But this tree grows in the cracks of rocks. Normally, there shouldn't be immortal bones underground, but where did this immortal energy come from?

"This is the sacred tree. During these years on the island, I have relied on the spiritual spring and the sacred tree to cultivate. As a result, you destroyed the spiritual spring, and now there is only this sacred tree."

"I have to take the sacred tree away, otherwise after the island sinks, the sacred tree will also suffer."

After Zhu Qingxiu finished speaking, she jumped towards the sacred tree!

She planned to uproot the sacred tree and find a place to plant it, so that she could continue to practice with the sacred tree!

But just when Zhu Qingxiu approached the sacred tree, the sacred tree suddenly surged with dark green brilliance!

These brilliance formed a spiritual blade and attacked Zhu Qingxiu, preventing Zhu Qingxiu from getting close!

Zhu Qingxiu was shocked by the sudden change. Several wounds were scratched on her body by the spiritual blade, and she almost fell into the sea of death!

When Chen Ping saw this, he jumped up and carried Zhu Qingxiu back!

Zhu Qingxiu and Chen Ping both looked at the sacred tree in front of them in shock. They didn't understand that it was just a tree. How could it launch an attack?

Can this tree survive?

Chen Ping directly used his magic to seal the surrounding space, and then grabbed the tree!

Chapter: 7170

He wanted to see what was so special about this tree. Not only could it emit fairy energy, but it could also actively attack humans!

The trees emitted a stream of spiritual blades, but Chen Ping simply dodged and allowed the spiritual blades to hit him, causing no harm to him at all!

Chen Ping grabbed a branch of the tree, and then pulled it out with force. The tree was pulled out directly from the crack in the stone!

The moment it was pulled out, the tree was struggling, as if trying to break free from Chen Ping's grasp!

"It's so strange that these trees are conscious..."

Chen Ping grabbed the tree and said in surprise!

"This is also the first time I've seen this. Why are these trees alive..."

Zhu Qingxiu was also very surprised!

"Ignore it for now. Those guys are going to escape. It's better to chase them first..."

Chen Ping took Zhu Qingxiu with him and began to chase the three demon cultivators!

During this period, Chen Ping tried to put the tree into the storage ring several times, but failed every time!

You know, Chen Ping's storage ring can't hold humans, but it can hold other things. Like this sacred tree, it should be no problem, but Chen Ping failed several times!

Chen Ping simply stopped caring, grabbed the tree, and began to chase the three demon cultivators quickly!

But just after chasing them a short distance away, Chen Ping frowned, because he felt that from the distance in the void, many auras were approaching them!

And there are more than a dozen people, including several in the Mahayana realm. These should be the reinforcements brought in by the three demon cultivators!

Isn't it true that the Eastern Territory is barren and the monks are not very strong? Why are so many Great Vehicle monks suddenly here?

Chen Ping was very speechless!

At this time, Zhu Qingxiu's expression also changed slightly, and she sensed the auras of many strong men, and hurriedly said to Chen Ping: "It's broken, it should be the reinforcements of the demon cultivator who have arrived, and there are quite a lot of them. We still don't want to chase them." "

"Walk....."

Chen Ping nodded, and then took Zhu Qingxiu and ran from the other direction. All he had to do was leave the Dead Sea area!

Not long after Chen Ping and the others left, there was a fluctuation in the void, and a man wearing a blood-colored robe appeared. Behind him were many monks, several of whom were first-level Mahayana realms!

If Chen Ping had not left, he would have been surprised when he saw the man in the bloody robe, because this guy was Ning Zhi who took the Demon Stone and ran away!

He has regained his physical body, and his strength has been upgraded to the second level of the Mahayana realm!
