

The Order 7171

Chapter: 7171

I have to say that this guy Ning Zhi can be considered a genius!

When the monk in green clothes saw the sudden appearance of the man, he was immediately overjoyed. He immediately went to greet him and said, "Master Ning, I didn't expect you to bring someone here in person."

Ning Zhi looked at the broken arm of the monk in green, frowned slightly and said, "What's wrong with you? You can't even deal with a little girl."

Ning Zhi's face was full of anger, which scared the monk in green!

"Mr. Ning, if it was Zhu Qingxiu alone, we would have captured her long ago, and we would have obtained the secret book. It's a pity that Chen Ping showed up halfway."

"This guy doesn't seem to be at a high level, but he's not weak in strength and has a treasured armor. He really made us suffer a lot."

The monk in green explained carefully!

"Chen Ping?"

Ning Zhi was slightly startled, and then his face showed a bit of excitement: "Hahaha, we are really enemies on a narrow road. This guy actually came to the Eastern Region. I was worried that I couldn't find him."

"Mr. Ning, do you know that Chen Ping? That guy was ordered by the leader of the alliance to be hunted down with a hundred years of sacrifice."

“If we can capture Chen Ping, we can go to the alliance leader to receive the hundred-year tribute.”

The monk in Tsing Yi hurriedly said!

“Not only do we know each other, we are also old acquaintances.”

“For me, Chen Ping is much more important than a hundred years of worship.”

“Then where are Chen Ping and the others now?”

Ning Zhi asked!

The monk in green pointed at the island in the distance and said, “It’s near that island...”

Just as the monk in green finished speaking, Ning Zhi’s entire body instantly turned into a stream of light and headed towards the island!

The others saw this and chased after him closely!

But when Ning Zhi arrived at the island, he found no trace of Chen Ping, so he made a seal with his hands, and countless auras around him gathered crazily towards his position!

I saw the blood surrounding Ning Zhi’s hands, spinning continuously. Finally, the blood continued to merge with the surrounding spiritual energy, and finally turned into a huge human face!

This person’s face is extremely strange. The mouth takes up half of the space, but there is only one eye on the forehead. It looks very scary!

The eyes on the forehead of the human face blinked continuously, and then a ray of light was projected into the void!

Chapter: 7172

In that light, the figures of Chen Ping and Zhu Qingxiu slowly appeared!

When he saw Chen Ping's figure, Ning Zhi's eyes showed excitement!

"Chen Ping, finally let me meet you..."

Ning Zhi had a sinister smile on his face!

Chen Ping, who was running away with Zhu Qingxiu, suddenly felt his body tighten, as if something was staring at him!

Even his actions seemed to be affected and slowed down!

"What's going on? Why do I feel like someone is spying on us!"

Chen Ping frowned and said!

"I feel the same way, I always feel uncomfortable!"

Zhu Qingxiu said!

“This is Ghost Face Exploring the Sky. This is someone spying on your location. I think they will find you soon!”

At this time, Demon Lord Chiyun said!

Just as Demon Lord Chiyun finished speaking, a huge strange face suddenly appeared in the void above Chen Ping and the others. This strange face was as tall as a man, with one eye on its forehead blinking continuously!

“Chen Ping, I finally found you. The grudge between the two of us should be settled!”

At this time, the big mouth on the ghost’s face opened and closed, and Ning Zhi’s voice came out!

“Ning Zhi?”

Chen Ping was stunned. He never expected that that guy Ning Zhi would actually come to the Eastern Region, and he seemed to have recovered!

“What is this?”

Zhu Qingxiu looked panicked, with cold sweat on her forehead. She didn’t know what the sudden grimace was!

And from behind, you can clearly feel that more than a dozen breaths are approaching quickly!

“Don’t worry, we have to speed up, otherwise we will be in trouble!”

Chen Ping didn’t know what level this guy Ning Zhi had reached, but it was definitely not too low!

This guy’s talent is also very good, and he is also an invincible little strongman!

Chapter: 7173

However, under the surveillance of the strange face, Chen Ping and the two of them could not hide at all, and they could not move faster. The strange face seemed to have a kind of gravity, pulling Chen Ping and Zhu Qingxiu tightly!

“I have a migration bead here that can take us out of this area instantly, but wherever we are taken is random and I have no way to control it!”

At this time, Zhu Qingxiu took out an orb. There was a faint blue mist inside the orb!

“Okay, as long as we leave this surveillance area, we will have a way to escape. Use it quickly!”

Chen Ping said!

Zhu Qingxiu held the migration bead, her face full of tangles. After all, this migration bead was priceless, and she only had one!

If it were used, it would be completely gone!

But when he thought about it, if they didn't use it, they might all be caught and probably die here. Zhu Qingxiu gritted her teeth and crushed the migration bead to death!

As a blue smoke rose up, Chen Ping and Zhu Qingxiu felt a light aura surrounding them!

Then time and space traveled in front of his eyes, and he disappeared in an uncontrollable instant!

Chen Ping tried his best to open his eyes, wanting to see where this traveling bead would take them!

However, everything that entered his eyes was filled with white light that was passing by rapidly, and he could not see anything clearly!

Chen Ping could clearly feel that his body was being pulled forward by a force!

When Ning Zhi and the others arrived, they found that Chen Ping had disappeared!

Ning Zhi once again used the eyes on the strange face to find out the location of Chen Ping and the others, but he tried several times without success. Chen Ping and the others seemed to have disappeared out of thin air!

"Damn it, let the two of them escape. What kind of technique is this that can make two people disappear out of thin air!"

"It looks like the migration beads used by Zhu Qingxiu. I remember Wanjian Sect has this thing."

"That Migration Bead is priceless, but Zhu Qingxiu was willing to use it. When we besieged her, she didn't even think of using the Migration Bead!"

“That’s because she didn’t have time to use it. If she had taken out the migration beads, we would have snatched them away long ago!”

Several demon cultivators said reluctantly!

Ning Zhi looked around with a cold face, and with a wave of his hand, the strange face disappeared!

Then Ning Zhi took out a very small compass, bit his finger, and put a drop of blood on the compass!

The compass instantly emitted red light. Ning Zhi closed his eyes slightly and fell into silence!

Chapter: 7174

At this time, Chen Ping and Zhu Qingxiu didn’t know how far they were teleported. When they saw the surrounding scene clearly, they found that they were surrounded by the vast sea and there was no place to stay!

“This... what kind of place is this? Don’t go to the hinterland of the Dead Sea. If we can’t find an island, wouldn’t we be doomed?”

When Zhu Qingxiu saw this, she said with a panicked expression!

Without a place to stay, they only rely on the spiritual power in their bodies to fly. They are afraid that they will fall into the Dead Sea if they cannot find land!

What’s more, both Chen Ping and Zhu Qingxiu have experienced great battles, which have consumed a lot of energy, so they don’t have enough energy to fly in the air!

“Let’s seize the time to recover first. Only after recovery can we find the mainland faster.”

Chen Ping said to Zhu Qingxiu!

“How to recover? There is not even a place to stay. If it continues to be consumed like this, I am afraid that it will fall into the dead sea before it can recover.”

Zhu Qingxiu said with a speechless expression!

“Since there is no place to stay, let’s go to the bottom of the sea to recover. This way we can avoid being hunted. They will definitely not think that we will be at the bottom of the sea.”

Chen Ping said!

“Stop making trouble. No one can enter the Dead Sea. Haven’t you seen that people who fall into the Dead Sea turn into bones?”

“This half of my face was burned into what it is now because I accidentally touched the Dead Sea. I will never go near the sea again.”

Zhu Qingxiu touched half of her face and said with lingering fear!

“Don’t worry, as long as I’m here, the sea water can’t hurt you. You forgot that I came out of the ground. I have been at the bottom of the sea for a long time.”

After Chen Ping finished speaking, he grabbed Zhu Qingxiu and rushed directly into the sea!

When Zhu Qingxiu saw this, she was startled and started to struggle instinctively, but she couldn’t get away at all!

Plop!

The two people fell into the Dead Sea. Zhu Qingxiu was so frightened that her face turned pale. However, she soon discovered that her body was in the Dead Sea and she did not feel the slightest heat wave. On the contrary, she felt a slight chill, which was very comfortable!

“This...what the hell is going on?”

Zhu Qingxiu asked with surprise!

Chen Ping smiled faintly: “I told you, as long as I’m here, the sea water can’t hurt you.”

Not only does Chen Ping possess the fire element, but he also has a special fire called extreme cold ice flame. As long as he exudes a little bit of the breath of extreme cold ice flame, the surrounding heat wave will disappear!

Chapter: 7175

Zhu Qingxiu’s face was full of shock, and she slowly sank to the bottom of the sea. Nothing happened at all!

“What the hell is going on? What techniques are you using? Even the Dead Sea can’t do anything to you!”

Zhu Qingxiu asked in confusion!

“Don’t ask me first. I want to ask you, what does it have to do with you following Zhujiazhen? Who are you, Zhu Qingyue?”

Chen Ping asked!

Zhu Qingxiu was stunned for a moment, then looked at Chen Ping and said, "How do you know about Zhujia Town? How do you know about my sister Zhu Qingyue?"

"Then Zhu Qingyue is your sister? It seems that my guess is pretty good. Although you only have half of your face left, you look exactly like your sister."

Chen Ping said with a smile!

But Zhu Qingxiu's face suddenly turned cold. She didn't like others talking about her face!

Zhu Qingxiu put the mask back on and said coldly: "How on earth do you know about my sister?"

Chen Ping had no choice but to tell in detail how he met Zhu Qingyue, but he did not mention Zhu Qingyue's following Xiao Feng!

When Zhu Qingxiu heard this, he immediately became angry: "Then Qijia Town is really unreasonable. How dare they treat our Zhujia Town like this before our Wanjian Sect was destroyed."

"What happened to your Wanjian Sect? Why was it destroyed?"

"Is it just because those demon cultivators are spying on your Wanjian Sect's secrets?"

"And your Wanjian Sect is too weak. A few demon cultivators wiped you out."

Chen Ping didn't understand, those demon cultivators didn't seem to be very strong, how could they wipe out a sect!

“Don’t talk nonsense, our Wanjian Sect is not weak, otherwise my father would not have sent me to the Wanjian Sect to learn martial arts.”

“It’s just that the Demon-Sealing Alliance tried to win over our Wanjian Sect, but Master didn’t agree to join the Demon-Sealing Alliance, so the Demon-Sealing Alliance sent a large number of demon cultivators to sneak attack on us.”

“Due to the destruction of the Weapon Refining Sect, our Wanjian Sect has not been able to update the forged swords for more than ten years, resulting in a sharp decline in strength. In the end, the disciples of the Wanjian Sect fled to death.”

“Master gave me the secret book of Wanjian Sect for safekeeping. I took the secret book and ran to hide on the Dead Sea.”

“Because I was avoiding pursuit, I accidentally fell into the Dead Sea and half of my face touched the sea water, so I became like this.”

“I have been hiding on the islands in the Dead Sea. I dare not go home for fear of causing harm to my relatives in Zhujia Town.”

“I don’t know if it’s been such a long time. Are Father and the others okay...”

Chapter: 7176

Zhu Qingxiu couldn’t stop crying as she recalled the past!

“The Demon Sealing Alliance is simply too bad. Sooner or later, I will eradicate the Demon Sealing Alliance.”

Chen Ping's eyes flashed with coldness!

"What's the matter with you? I heard that the Demon-Sealing Alliance is hunting you down with a hundred years of offerings? Do you have any deep hatred for following the Demon-Sealing Alliance?"

Zhu Qingxiu asked!

"No big grudge, I killed the son of the leader of the Demon Sealing Alliance..."

Chen Ping said lightly!

"What?" Zhu Qingxiu looked at Chen Ping in disbelief, and finally gave Chen Ping a thumbs up and said: "You are so awesome..."

"Okay, don't praise me. I get proud easily. I have some pills here. You can take them and recover faster!"

Chen Ping took out some recovery pills and handed them to Zhu Qingxiu!

Zhu Qingxiu was not polite and threw the pill into her mouth.

When the elixir enters the mouth, a stream of clear water instantly flows through the body, making Zhu Qingxiu feel comfortable all over!

"I didn't expect you to have such high-quality elixirs!"

Zhu Qingxiu couldn't help but admire it!

“I have a lot of good things. Once you get familiar with me, I guarantee you won’t be able to live without me!”

Chen Ping said jokingly!

Zhu Qingxiu rolled her eyes at Chen Ping, then closed her eyes and began to circulate her spiritual energy to recover!

While Zhu Qingxiu was recovering, Chen Ping started playing with the sacred tree!

The sacred tree is still struggling in the sea, but Chen Ping is controlling it so that the sacred tree has no way to escape!

“It just so happens that I need immortal energy to practice. Once I drain your immortal energy, I’ll see how you still struggle!”

Chen Ping’s Heart Ning Jue was running, and a large amount of immortal energy from the sacred tree began to be inhaled into Chen Ping’s body!

At first the sacred tree struggled desperately, but in the end its struggle became weaker and weaker.

“Please, stop sucking, I will die if you continue to suck...”

At this time, the sacred tree actually made a sound, and the voice sounded like a woman!

Chapter: 7177

This shocked Chen Ping, who hurriedly stopped absorbing and looked around!

I found that there was no one around, so I set my sights on the sacred tree!

“Did you...did you just say something?”

Chen Ping asked to the sacred tree in his hand!

The sacred tree shook its branches: “It’s me, who else besides me...”

“Holy crap, you’re just a tree, how can you still talk and be conscious? It’s so weird...”

Chen Ping’s eyes widened with disbelief on his face!

“Chen Ping, use your spiritual consciousness to follow the tree to communicate. It is probably not that the tree is conscious, but that someone had no choice but to hide his soul on the tree.”

At this time, Demon Lord Chiyun said!

Chen Ping instantly penetrated the sacred tree with his spiritual consciousness. In an instant, Chen Ping discovered that a figure slowly appeared in the sacred tree!

This is a woman wearing a purple robe. Her face is very ugly and she looks very weak!

“You...who are you? Why are you among the trees?”

Chen Ping asked after approaching the woman!

“My name is Zi’er, and I am one of the seven fairies in the heaven. After the war between gods and demons, I fell into the world of heaven and humanity. The remaining soul has no place to attach to. It is about to dissipate, so it can only attach to a part of this desert island. Among the trees.”

“Originally, I didn’t have much immortal energy in my body, but now that you have absorbed most of it, I’m afraid I won’t be able to sustain it for long!”

That Zi’er said helplessly!

“One of the seven fairies?”

Chen Ping’s eyes widened. When he was in the secular world, he had heard the story of the Seven Fairies since he was a child!

Unexpectedly, I met one of the seven fairies today!

“I’m so sorry, let me help you recover!”

Chen Ping began to pour the absorbed fairy energy into the trees again!

Soon, Zi’er’s face became much rosier, but no matter how much fairy energy there was, Zi’er’s remnant soul could only be in the trees, unless other carriers were found, or Zi’er could be reshaped. Flesh!

“Master, I wonder if you can help me escape from this tree. Even if I am possessed by an animal, it is better than being possessed by this tree!”

Zi’er begged Chen Ping!

Chapter: 7178

“Then Zhu Qingxiu has lived on the island for so long, why don’t you possess her?”

Chen Ping asked in confusion!

Zhu Qingxiu has been on the island and often goes to the cliff to absorb the fairy energy. There is every chance that Zi’er will possess Zhu Qingxiu!

Zi’er shook her head: “I’m too weak now. I can’t possess anyone with strong strength. What’s more, that pretty girl is also a pitiful person. I can’t bear to have her stay with me on the island for so long.” ”

“I didn’t expect you to be quite kind-hearted. When you meet me this time, you have good fortune. I can help you reshape your body without you possessing someone else.”

Chen Ping has the Heavenly Demon Stone. When the time comes, he can go to the Soul Demon Sect to restore Zi’er’s body!

“Really? Thank you so much, Master. One day when I return to the Heaven Realm, as long as the Master flies to the Heaven Realm, I will definitely repay the favor!”

Zi’er said that she was going to kneel down to Chen Ping!

Chen Ping hurriedly helped Zi’er. She was a fairy after all. Although she only had a remnant soul left, her status was also noble. How could she kneel down to herself?

“Miss Zi’er, you don’t have to be like this, but you have to accept your grievance first and stay at the bottom of the sea. When I finish my work, I will take you away from the bottom of the sea and then restore your body!”

Chen Ping said to Zi’er!

Now that Zi'er is attached to a tree, Chen Ping can't put her into the storage ring. He can't hug a tree every day!

If you take the trees out and some people notice that the trees have fairy energy, it will probably be in danger!

So Chen Ping decided to leave Zi'er at the bottom of the sea. After all, no one comes to the bottom of the Dead Sea. After Chen Ping handles the matter in Zhujia Town and brings Zhu Qingyue back to the Xiao Dynasty, he can take Zi'er to the Soul Demon Sect to recover. Physical!

"Okay, Zi'er will follow the master's arrangements in everything!"

Zi'er gave a slight salute and said!

Chen Ping looked at Zi'er, who was polite and courteous, with the temperament of a lady, no wonder she was the Seventh Fairy, her etiquette was so high!

Withdrawing his consciousness, Chen Ping placed the tree in his hand on a flat place!

In order to prevent the trees from being damaged by sea water or other people, Chen Ping began to carve formation patterns around them!

It can't be that after Chen Ping left, the trees were directly burned to ashes by the sea water, which would be troublesome!

When Chen Ping carved the formation pattern, he also added some extremely cold ice flames to ensure the temperature within the formation!

Just when Chen Ping was concentrating on carving the formation, Zhu Qingxiu slowly opened her eyes and let out a breath of turbidity!

“This guy’s elixir is really good, he recovered so quickly!”

Chapter: 7179

Zhu Qingxiu felt refreshed and her physical strength recovered a lot!

“Do you think my elixir is very good? I’ll give you some more, take it and use it!”

Chen Ping seemed to have heard Zhu Qingxiu’s words and directly threw a bottle of pills to Zhu Qingxiu!

Zhu Qingxiu took the elixir and didn’t know what to say for a moment!

After all, she was not related to Chen Ping, and she misunderstood Chen Ping at first, but now Chen Ping gave her the pill, Zhu Qingxiu always felt a little embarrassed!

“Take it, consider it as compensation for your sword!”

Chen Ping said slowly!

“That won’t work. Since you said you have a relationship with the Weapon Refining Sect, you must get me another sword from the Weapon Refining Sect.”

“I just wanted to see if you really have a relationship with the Weapon Refining Sect, or are you just bragging...”

Zhu Qingxiu still remembers the sword that was chopped off by Chen Ping!

“Okay, when I go to the Weapon Refining Sect, I will take you with me and let you see if I have any friendship with the Weapon Refining Sect!”

Chen Ping ignored Zhu Qingxiu and continued to carve the formation pattern!

“Do you know how to use formations?”

Only then did Zhu Qingxiu realize that what Chen Ping was drawing on the ground was actually depicting formations!

Chen Ping ignored her and concentrated on carving the formation pattern!

This formation can not only protect the trees in the formation, but also block the fairy energy in the trees from leaking out, so as not to expose their position!

Zhu Qingxiu looked closely, then a look of surprise flashed in her eyes, and her expression changed slightly!

Although Zhu Qingxiu doesn't understand the art of formation, she has never eaten pork and has never seen a pig run away!

When the Wanjian Sect asked the formation master to set up the formation to protect the sect, the formation master also carved formation patterns one after another!

That formation pattern looks much simpler than Chen Ping's, and it also has many benefits from Wanjian Sect!

But Chen Ping, a seventh-level monk in the Tribulation Realm, could easily draw formation patterns that were so complicated!

You must know that the more advanced the formation, the more complex the formation patterns are, and the more difficult it is to draw!

Zhu Qingxiu didn't know it, but she had heard of it!

She couldn't believe that Chen Ping was still an array master and a senior array master!

She really underestimated Chen Ping!

Chapter: 7180

"What is this guy's identity?"

"He is at the seventh level of the Tribulation Realm, but he shows a higher strength than the first level of the Mahayana Realm."

"At such a young age, he is still an array mage, a senior array mage!"

"You even dare to kill the son of the leader of the Demon Sealing Alliance..."

Zhu Qingxiu really couldn't figure out who Chen Ping was and what background he had that made him so awesome!

After Chen Ping concentrated on carving out the formation, a barrier slowly rose up around them.

After the barrier was raised, Zhu Qingxiu immediately felt the changes around her, and the entire area felt comfortable!

"We are at the bottom of the sea, why are you setting up formations?"

Zhu Qingxiu asked in confusion!

After all, no one would think that they are at the bottom of the Dead Sea, and not everyone can enter the bottom of the Dead Sea!

"This formation is to protect this sacred tree. There is a residual soul in the sacred tree, so this sacred tree emits immortal energy and has divine consciousness."

Chen Ping told Zhu Qingxiu about Zi'er, but Zhu Qingxiu fell silent!

She always thought that this sacred tree had its own fairy energy, but she didn't expect that there was actually a ray of remnant soul hidden in it!

Chen Ping and Zhu Qingxiu sat blankly on the bottom of the sea, no one said anything!

As long as those demon cultivators can't find anyone, they will leave!

When the demon cultivators leave, they can just rush out of the sea and return to the mainland!

While Chen Ping and Zhu Qingxiu were waiting, a dozen figures appeared quickly above their heads!

It was Ning Zhi who arrived with a kind of magic cultivator, and then stopped above Chen Ping and the others!

“Master Ning, is this the right direction? You can’t see anyone around here at all?”

The monk in green asked!

Ning Zhi was holding the compass, frowning slightly, and kept fiddling with it!

Finally, Ning Zhi’s eyes fell on the Dead Sea at his feet!

“It’s very possible that the two of them are in this Dead Sea.”

Ning Zhi said coldly!
