

The Order 7191

Chapter: 7191

When more than a dozen demon cultivators saw this, they didn't dare to say anything and could only chase after him.

On the other side, on a deserted island in the Dead Sea, a ray of light flashed, and Chen Ping appeared on the deserted island holding Zhu Qingxiu!

Holding Zhu Qingxiu in his arms and performing fire-bending steps one after another, Chen Ping was also out of breath!

Although the fire-bending step is fast and can cover several miles in one step, it also consumes a huge amount of energy!

Chen Ping looked at Zhu Qingxiu in his arms with a very solemn expression. At this time, Zhu Qingxiu was as graceful as a gossamer, hovering on the edge of death!

Chen Ping found a flat place and put Zhu Qingxiu on the ground. Zhu Qingxiu, who was covered in blood, had her eyes closed tightly and her face looked extremely ugly!

But even so, Zhu Qingxiu was still clutching Wanjian Sect's secret jade slip in her hand!

Zhu Qingxiu had consumed too much blood and essence. If it was just a normal injury or even a serious injury, Chen Ping could treat it, and he also had various elixirs on him!

But what Zhu Qingxiu consumed was her own essence and blood, and this kind of thing cannot be replenished by some pill!

Essence and blood are formed bit by bit during the continuous practice of each monk day and night. It can be said to represent the life of each monk!

Consuming blood essence is no different than consuming life, so many monks will not easily consume their blood essence unless they have to!

Chen Ping gently held Zhu Qingxiu's hand, and streams of spiritual power continued to penetrate Zhu Qingxiu's body. He hoped to use this to make Zhu Qingxiu wake up!

But despite Chen Ping's efforts for a long time, Zhu Qingxiu didn't respond at all!

Chen Ping began to inject immortal energy and dragon energy into Zhu Qingxiu's body again, but it was still of no use!

In the end, Chen Ping was exhausted, and Zhu Qingxiu's condition did not improve!

"Don't waste your efforts. This girl's essence and blood are almost exhausted. No matter how much spiritual power you put into her, it will be useless."

"I guess he won't survive. While he's not dead now and his body is still warm, you can do whatever you want..."

The voice of Demon Lord Chiyun sounded in Chen Ping's mind!

When Chen Ping heard this, he was immediately speechless.

“Fuck, if you can speak, just speak. If you can’t speak, just shut up. Who do you think I am?”

Chen Ping was a little angry!

This is the first time he has spoken to Demon Lord Chiyun in this tone!

Zhu Qingxiu became like this because of herself. Chen Ping had to save her no matter what. How could he think about anything about men and women now!

“How many women have you played with, why are you pretending now...”

Chapter: 7192

Demon Lord Chiyun rolled his eyes and said!

Chen Ping was speechless and simply stopped talking to Demon Lord Chiyun!

He dug out a large amount of elixirs from the storage ring. At this time, Chen Ping drank them all for Zhu Qingxiu, regardless of whether they were valuable or not!

He only has one idea now, and that is to let Zhu Qingxiu live and never die!

Otherwise, Chen Ping cannot afford this favor, and he will have to protect Zhujiazhen from now on!

And Chen Ping will be uneasy for the rest of his life.

Soon, a large amount of pills entered Zhu Qingxiu's body, but Zhu Qingxiu still didn't wake up. Although there was a lot of aura surging around Zhu Qingxiu's body, Zhu Qingxiu, who lacked blood essence, could not wake up even if he had more aura. , there is no way to wake up!

Just when Chen Ping was at a loss and didn't know what to do, Fire Qilin suddenly staggered out of the storage ring.

I saw the fire unicorn walking aside, and then started peeing as if no one was around!

After urinating, Huo Qilin returned to the storage ring without even looking at Chen Ping's shocked look!

Chen Ping had an angry look on his face. He was now helpless in front of the unconscious Zhu Qingxiu. This fire unicorn even walked out arrogantly and peed in front of him!

Just when Chen Ping was about to take the Fire Qilin out of the storage ring and tidy it up so that it knew who its owner was, Demon Lord Chiyun said excitedly: "It's God's will. It is destined that this female doll will not die. Already..."

Chen Ping was stunned for a moment, then asked: "Senior, what do you mean?"

"You idiot, that fire unicorn is a divine beast, and the urine of the divine beast is also an excellent spiritual fluid."

"You use the fire unicorn's urine as a guide to refine some blood-replenishing and essence-replenishing elixirs, and this female doll can come back to life."

"It may not be possible to completely recover, but it will not lead to death..."

Demon Lord Chiyun said!

When Chen Ping heard this, he was overjoyed and did not dare to hesitate at all. He quickly took out the Shennong Cauldron, then waved his hand, and a fire dragon emerged, gradually forming a shield around it, protecting Chen Ping and Zhu Qingxiu!

Chen Ping didn't have time to set up the formation, so he could only temporarily use the fire element as protection!

Then put various materials and Fire Qilin's urine into the Shennong Cauldron!

The fire was rising under the Shennong Cauldron, and Chen Ping threw all kinds of fairy herbs into it without hesitation!

Soon, pills were refined by Chen Ping and put into Zhu Qingxiu's mouth!

It only took a moment for Zhu Qingxiu's breath to calm down and she slowly opened her eyes!

"I...am I not dead yet?"

Chapter: 7193

Zhu Qingxiu looked at Chen Ping and asked with surprise!

"Not dead, of course not dead. I told you, I will definitely save you!"

"You are still too weak now. Take a few more pills and you will recover faster!"

When Chen Ping saw that Zhu Qingxiu was awake, he stopped refining the elixir, put away the Shennong Cauldron, and fed the remaining elixir to Zhu Qingxiu!

Zhu Qingxiu opened her mouth and frowned as she took the pill given by Chen Ping!

“What kind of elixir is this? Why does it smell so bad?”

Zhu Qingxiu asked with a frown!

“Taste? What taste?” Chen Ping asked in confusion!

“It smells like urine...”

Zhu Qingxiu said!

After Zhu Qingxiu finished speaking, Chen Ping suddenly remembered that this was an elixir made using fire unicorn urine as a medicine. Of course, it would smell like urine, but he had completely forgotten about it!

“You smelled it wrong. There is a smell of urine somewhere. This medicine is a miracle medicine. Your essence and blood were almost exhausted, but this medicine saved you.”

Chen Ping hurriedly covered it up and said!

When Zhu Qingxiu heard this, she no longer doubted anything and took all the pills!

After taking a short rest, although Zhu Qingxiu is still very weak, her life is no longer in danger. As long as she recovers slowly, she will be able to return to her peak sooner or later!

“Since you’re okay, let’s go and leave the Dead Sea area for now, otherwise it will be troublesome for those demon cultivators to catch up.”

Chen Ping picked up Zhu Qingxiu and then jumped up!

Zhu Qingxiu was in Chen Ping’s arms, feeling the temperature of Chen Ping’s chest, and her heart was pounding!

It was the first time that she was held by a man like this, and it was also the first time that a man saw her naked body!

Chen Ping used the jade slip to contact Ji Yun and learned that Ji Yun and the others were still waiting for him in a small town by the Dead Sea, so Chen Ping took Zhu Qingxiu and headed straight to that small town!

After flying in the sky for nearly two hours, Chen Ping finally saw the Eastern Continent, and there was a small town not very far from the Dead Sea!

Although it is a small town, there are only dozens of wooden houses and some vendors doing business!

Chen Ping quickly found Ji Yun and the others!

Ji Yun, Zhu Qingyue and Liu Bo have been waiting for Chen Ping!

During this period, Ji Yun tried many times to contact Chen Ping using jade slips, but was unable to contact him at all. This made the three of them very anxious!

Chen Ping was still under the sea at that time, so it was normal that he couldn’t be contacted on the jade slips!

Just after Chen Ping carried Zhu Qingxiu and landed in the courtyard where Ji Yun and the others rented, Zhu Qingyue and Liu Bo were stunned!

Because they recognized Zhu Qingxiu at a glance. Although Zhu Qingxiu's face was half disfigured, they still recognized her at a glance!

After all, they are the closest people to each other.

"elder sister....."

Zhu Qingyue rushed towards Zhu Qingxiu with a look of disbelief on her face!

Zhu Qingxiu opened her arms and hugged Zhu Qingyue tightly. The two sisters hugged each other and cried!

They haven't seen each other for many years.

Uncle Liu was also in tears. He stepped forward and said, "Miss, it's really you. My family has been thinking about you for such a long time."

"Then the Wanjian Sect was destroyed and all the disciples of the sect fled to death. At that time, I will be talking about you all day long!"

"I didn't expect to see you here. It's so great..."

Chen Ping watched from the side, waiting for the family to finish their excitement, and then Chen Ping said: "It's better to go back to the room and chat, so as not to be discovered, we are being chased by more than a dozen demon cultivators!"

When Chen Ping said this, Uncle Liu and Zhu Qingyue were startled and hurriedly brought Zhu Qingxiu into the room!

Chen Ping set up a concealment formation around the room to hide the aura of everyone inside!

Chapter: 7194

In this way, even if Ning Zhi and the others passed by the roof, they would not be able to detect their aura!

After entering the room, Chen Ping told everyone everything in detail!

When she heard that Zhu Qingxiu had fled to a desert island to avoid being chased by the demon cultivators of the Demon Sealing Alliance, and her face had been disfigured, Zhu Qingyue was extremely angry!

Later, when they heard that Zhu Qingxiu almost died, they became even more nervous!

“These sanctimonious guys from the Demon Sealing Alliance, the reason why Qijia Town is so strong now is because I heard that someone is sitting in Qijia Town, which makes no one from the surrounding forces dare to provoke Qijia Town.”

Uncle Liu gritted his teeth, wishing he could tear the Demon Sealing Alliance into pieces!

“Uncle Liu, who is in charge of Qijia Town? When Wanjian Sect was still there, even if you gave Qijia Town ten courages, they would not dare to target our Zhujia Town!”

Zhu Qingxiu asked!

“It seems that his name is Ning Zhi. I heard that he is also a demon cultivator. He has the strength of the Mahayana realm and can control flames.”

“I heard that some time ago, there was a conflict between a sect and Qijia Town. This person single-handedly killed hundreds of people from the other sect and wiped out the sect directly. It was particularly terrifying.”

When Uncle Liu mentioned this paragraph, he obviously felt short of breath!

“Ning Zhi?”

When Chen Ping heard this name, he frowned instinctively. He didn't expect that Ning Zhi was so prosperous in the Eastern Region and started to control the power!

However, Ning Zhi's strength does have impressive capital in the Eastern Continent!

If I go to other continents, I'm afraid I won't be able to get in!

“Why, Mr. Chen knows this person?” Uncle Liu asked after seeing Chen Ping's reaction!

Chen Ping nodded: “I know, it is Ning Zhi who is chasing us.”

When Uncle Liu heard this, his expression suddenly became extremely ugly!

“Then let's rush back to Zhujia Town as soon as possible. I'm afraid that if we go back too late, Zhujia Town will be in trouble!”

Uncle Liu was afraid that Ning Zhi would take the people from Qijia Town to take action!

“Ji Yun, take them back first. I want to meet Ning Zhi again.”

“This time I will make them pay the price...”

Chen Ping said to Ji Yun!

“Mr. Chen, isn't it too dangerous for you to go by yourself?”

Chapter: 7195

Ji Yun said worriedly!

“Both of us are no match, and you actually want to go back and die on your own?”

Zhu Qingxiu asked in confusion when she saw that Chen Ping had returned!

“They beat you like this, of course I'm going to take revenge. This time without you holding me back, even if I can't beat them, they won't be able to catch me.”

Chen Ping is very confident. He fights on his own and is more flexible!

Zhu Qingxiu followed him, which actually made Chen Ping somewhat unable to use his weapon.

“You...” When Zhu Qingxiu heard this, her face turned red with anger. Chen Ping had always regarded herself as a burden and a hindrance.

If Chen Ping hadn't saved her life, Zhu Qingxiu would have really wanted to give him a kick!

“Whether it's because I'm holding you back or not, it will definitely be very dangerous for you to take revenge. If you insist on going, then take this thing with you.”

“You also know swordsmanship, and your swordsmanship is very good. There are many sword moves in our Ten Thousand Swords Sect secret manual. It depends on how much you can understand.”

Zhu Qingxiu actually gave the secrets of Wanjian Sect to Chen Ping!

“this.....”

Chen Ping was a little at a loss after receiving the secret book. He was not a disciple of Wanjian Sect, so it was always a bad idea to take someone else’s secret book!

“It’s not for you. You have to return it to me after you use it. In the future, when our Wanjian Sect recovers, we will still need this secret!”

Zhu Qingxiu knew what Chen Ping meant, so he said!

When Chen Ping heard this, he put away the secret book of Wanjian Sect with peace of mind, and then left after explaining a few words!

Ji Yun and the others also rushed towards Zhujia Town without stopping!

Chen Ping returned to the Dead Sea because he knew that if he wanted to take revenge on Ning Zhi and others, the Dead Sea was the best choice. If he were on the mainland, Chen Ping would not have much confidence in dealing with Ning Zhi and these dozen demon cultivators!

Although the dozen demon cultivators were able to enter the Dead Sea with Ning Zhi’s help, they relied entirely on Ning Hai’s ultimate fire shield. As long as Chen Ping broke the shields of those demon cultivators, they would immediately be destroyed. The Dead Sea turned into bones!

Returning to the sky above the Dead Sea, Chen Ping glanced around and then plunged into the seabed. He knew that Ning Zhi and others would definitely return to the mainland from this direction!

Walking on the seabed, Chen Ping observed the topography of the seafloor, then pressed his hands into the soil on the seafloor, feeling the underground atmosphere, and nodded with satisfaction!

Where the aura of fire in the earth's core is stronger, the seawater will do more harm to those demon cultivators, but it will not have any impact on Chen Ping himself.

Moreover, the terrain here is flat, with many peaks surrounding it. The location where Chen Ping is at this moment, if there is no sea water, is completely a valley!

And some of these peaks rise out of the sea to form a small island. If Ning Zhi and others pass by, it is very likely that they will rest temporarily on this small island!

Chapter: 7196

After all, flying in the air for a long time will cause a great loss of spiritual energy to the monks, especially after just experiencing a battle, which itself consumes a lot of money. Flying in the air at a long distance is unbearable!

After choosing the location, Chen Ping began to draw formation patterns at the foot of the mountain peak!

There are many mountains on the seabed, covering an area of dozens of miles, and Chen Ping wants to carve formations at the foot of these peaks. Finally, when these formations are connected, they will form a huge formation!

This huge formation is generally used to protect sects or towns, and requires the cooperation of many formation masters!

Even if there are many formation masters, it will take ten days and a half to set up such a large formation!

But now it's Chen Ping himself, and time is very short. If he wants to set up such a large formation when Ning Zhi and the others arrive here, Chen Ping is not completely sure!

Therefore, Chen Ping must race against time. Even though Chen Ping has now merged the divine patterns and magic patterns, his formation skills are not comparable to those of ordinary formation masters. However, it is still a great test to complete such a huge project!

Chen Ping was at the bottom of the sea, desperately carving formation patterns, and filling his mouth with pills from time to time to replenish the consumed spiritual power!

"Is this a demon-suppressing formation set up by your boy? I didn't see it at first, but now I can see something about it."

At this time, Demon Lord Chiyun said!

"I didn't expect that you also know the art of formation?"

Chen Ping was a little surprised!

Although Demon Lord Chiyun is very awesome, he is not a formation master, and he doesn't know much about formation techniques!

"Damn, I was trapped by this formation before, so I know this formation."

"However, this demon-suppressing array is very powerful against real demons, but those guys are just ordinary demon cultivators, not real demons. Your demon-suppressing array is much weaker."

“And to deal with those little kids, you actually have to set up such a huge demon-suppressing array. It’s just making a mountain out of a molehill.”

“Just give me control of your body later, and I’ll help you kill those little bastards...”

Demon Lord Chiyun said lightly!

Chen Ping just rolled his eyes and said angrily: “Bring them down and kill these demon cultivators. Maybe I won’t be harmed. If I give you my body, maybe I will only have a wisp of my soul left.”

Although Chen Ping was talking to Demon Lord Chiyun, his hands did not stop and he kept carving formation patterns!

“Do you know that maintaining such a huge formation requires a lot of spiritual stone resources. Are you going to empty out your family’s fortune?”

Demon Lord Chiyun asked!

“There are a lot of flints on the bottom of the sea. How can I use my own resources!”

Chen Ping had already made a plan. There is a large amount of flint on the bottom of the Dead Sea. Just use these flints as resources!

Chapter: 7197

Chen Ping quickly carved the formation pattern. I don’t know how long it took, but the last formation pattern was finally carved!

As Chen Ping threw a large number of flints from the storage ring into the formations, the formations began to emit light!

These rays of light finally connected together, and the entire demon-suppressing array was completely activated!

Large pieces of flint emitted red light, almost covering the entire formation!

You must know that the more spirit stones there are, the more powerful the formation will be. The power of the formation is not determined solely by the strength of the formation master!

Even if it is a formation set up by a top formation master, if it is not maintained by spiritual stones, then this formation will have no power!

But looking at these fire stones in front of him, Chen Ping was not satisfied, because he knew that the core of the formation must be the best spirit stones!

After all, he was facing Ning Zhi and a dozen demon cultivators this time. Chen Ping did not dare to be careless in the slightest, and he did not want to make himself regret it in order to save money!

Chen Ping took out a pale white stone from the storage ring. The stone was only the size of a fist, but it contained fairy energy!

This turned out to be an immortal stone. Chen Ping placed the immortal stone at the core of the formation, instantly making the demon-suppressing array emit bursts of light!

After doing all this, Chen Ping took the initiative to leak his aura continuously. He wanted to let Ning Zhi feel his aura and then chase him!

And above the Dead Sea, Ning Zhi led a dozen demon cultivators to search for Chen Ping and the others!

He didn't believe that Chen Ping and Zhu Qingxiu could leave the Dead Sea in such a short time!

What's more, Zhu Qingxiu was seriously injured. If he was not treated in time, he would die, so Chen Ping would definitely find a place on the Dead Sea to help Zhu Qingxiu heal first!

You must know that Zhu Qingxiu's situation is very difficult to treat, and it is impossible to cure it in a short time!

So Ning Zhi believes that Chen Ping and the others must still be within the scope of the Dead Sea, but they just don't know where they are hiding!

Even if he looks into the sky with that grimace now, he can't detect Chen Ping's aura!

"You guys are such a waste, you are such a burden..."

Ning Zhi forgot to glance at the dozen demon cultivators and cursed impatiently!

Those demon cultivators didn't dare to say anything, they could only lower their heads and follow Ning Zhi desperately!

"Master Ning, we have been looking for him for several hours. The brothers can't bear it anymore. Let's find a desert island to rest and let the brothers recover."

The monk in green could only bite the bullet and whispered to Ning Zhi!

"There is no time for you to rest, but I can let you recover temporarily."

After Ning Zhi finished speaking, he took out a furnace cauldron from his body. This furnace cauldron was only about the size of a palm and looked very round. The sides of the furnace cauldron were actually hollow, and there were wisps of red smoke coming out of it!

After the smoke came out, the surrounding space suddenly became a little hot!

“These are the ultimate fire spiritual energy, which are very precious. If you all absorb some, your physical strength will be restored soon.”

Ning Zhi said coldly!

When the dozen demon cultivators heard this, they immediately thanked Ning Zhi gratefully, and then greedily began to absorb the supreme fire spiritual energy!

Sure enough, after the Zhihuo spiritual energy entered the body, these dozen demon cultivators all felt a sense of relief in their bodies, and the feeling of fatigue was swept away!

“Master Ning, this Fire Spiritual Qi is indeed a good thing. Can you let us inhale more of it?”

The monk in green asked excitedly!

Chapter: 7198

“No, you have inhaled too much of this stuff and there is no way to completely digest it. You have not practiced fire-based skills, and you do not have the Demon Clan’s Ultimate Fire.”

After Ning Zhi finished speaking, he put away the cauldron!

Just when Ning Zhi finished speaking, he was suddenly stunned because he noticed Chen Ping's aura!

"Chen Ping's aura, this guy didn't run very far at all."

"Master Ning, let's chase him quickly..."

The monk in green also felt Chen Ping's aura and said excitedly!

"Wait a moment!"

Ning Zhi waved his hand and directly stopped the demon cultivator, then frowned slightly and said: "This Chen Ping is not a fool. None of us noticed his aura just now, but now he suddenly appeared. What does this mean??"

"What does it mean?" the monk in green asked puzzledly!

"It means that Chen Ping is emitting the aura deliberately to let us find him. It seems that he has been prepared and waiting for us to go."

Ning Zhi could see through Chen Ping's thoughts at a glance!

I have to say that this guy Ning Zhi is also very thoughtful and knows Chen Ping well!

"Then Chen Ping still dares to wait for us? Has he found help?"

“There are so many of us, so there is no need to be afraid of him. Even if he finds a helper, how many people in the entire Eastern Continent will be Mr. Ning’s opponents.”

That monk in green was flattering Ning Zhi!

“Of course I’m not afraid of him. He’s deliberately provoking me.”

Ning Zhi raised the corner of his mouth and then headed towards the direction of Chen Ping’s breath!

More than a dozen demon cultivators also hurriedly chased after him!

In fact, Chen Ping had long known that he would have guessed that he was deliberately exposing his aura, and then lured him over!

But Chen Ping still did it because he also knew Ning Zhi!

Ning Zhi is a very arrogant guy. Even if he knew that he was deliberately emitting aura to lure him over, Ning Zhi would definitely come!

It can be said that Chen Ping and Ning Zhi understand each other!

It’s just that Chen Ping and Ning Zhi don’t know each other’s true trump card strength!

Ning Zhi was on the road, the aura in his body was surging, and there was a lot of black energy surrounding him!

Chapter: 7199

He also exposed all his aura, thinking that he knew that even if Chen Ping knew that he was coming, he would not be running away!

This time, it's time for the two of them to understand their grudges!

The endless black energy slowly condensed into a dozen long swords, all of which were hanging high above Ning Zhi's head!

At this moment, Ning Zhi was already ready to fight. Since Chen Ping had already prepared, Ning Zhi had to prepare in advance too!

At this moment, Chen Ping, who was at the bottom of the sea, felt the breath bursting out from Ning Zhi, and knew that this guy was already here!

In Chen Ping's eyes, there was a strong murderous intention!

After such a long time, he should really understand the grievances he had with Ning Zhi!

This guy lives in the world of heaven and humans, and Chen Ping always feels like a threat!

Soon, Ning Zhi led a dozen demon cultivators to Chen Ping's location!

At this time, the surface of the Dead Sea was calm and calm, without a trace of waves!

Ning Zhi stared at the bottom of the sea. He knew that Chen Ping was in the sea. The calmness of the sea at this moment was a sign before the storm!

Ning Zhi's consciousness continued to extend, all the way to the bottom of the sea!

Chen Ping's position was instantly locked by Ning Zhi!

"This guy is hiding under the sea again. Little did we know that we had discovered him a long time ago."

"This idiot was discovered by us when he hid at the bottom of the sea last time, and he came back this time. Do you think the Dead Sea can stop us?"

The monk in green raised his mouth slightly, with a face full of ridicule and sneer. He didn't know that Chen Ping did it on purpose. If Chen Ping wanted to hide his whereabouts, he could use the concealment formation to hide his aura. They would not find him at all. Not enough!

The other demon cultivators couldn't help laughing when they saw Chen Ping being so stupid. They would never let Chen Ping escape this time!

The hundred-year sacrifice of the Demon Sealing Alliance, if they catch Chen Ping, these resources will be enough to greatly increase their strength!

But Ning Zhi kept looking at the sea, frowning slightly, and there was no such relaxation in his expression!

Seeing this, the monk in green clothes said to Ning Zhi: "Master Ning, we can't let Chen Ping and Zhu Qingxiu escape this time. I hope you can help us enter the Dead Sea again."

The monk in Tsing Yi volunteered because he was afraid that Ning Zhi would kill Chen Ping!

If Chen Ping were to be wiped out in ashes, why would they follow the alliance leader in exchange for a hundred years of worship?

So the monk in green planned to take the initiative and capture Chen Ping and Zhu Qingxiu first!

Ning Zhi nodded and did not stop him. He also wanted to see what tricks Chen Ping was playing!

Chapter: 7200

These magical corrections can help him test what Chen Ping is doing!

Ning Zhi waved his hand lightly, and the aura of flames instantly rose up from these demonic cultivators, wrapping up more than a dozen demonic cultivators!

Seeing this, the monk in green clothes immediately waved his hand and said: "Brothers, follow me and charge forward. We must catch Chen Ping and Zhu Qingxiu."

The monk in green was the first to rush towards the bottom of the Dead Sea. One of his arms was chopped off. He wanted to avenge this himself!

Seeing this, the other demon cultivators rushed towards the Dead Sea together!

Chen Ping, who was at the bottom of the sea, saw a dozen demon cultivators rushing into the Dead Sea, but Ning Zhi was still suspended in mid-air on the sea surface and did not enter the Dead Sea. He knew that this guy must have let these demon cultivators explore the way!

Ning Zhi was simply too cautious, so Chen Ping could only pretend to be surprised after being discovered, and then ran away!

Seeing Chen Ping escaping, the dozen demonic cultivators became even more excited, especially the monk in green who had broken off an arm and chased Chen Ping with a big knife and howling!

Seeing how panicked Chen Ping was, these demon cultivators concluded that Chen Ping must not have expected that he would be discovered!

At this time, Ning Zhi was staring at the sea, with a red light emitting from his eyes. The light shone into the sea. At this moment, he had a panoramic view of the situation on the seabed. Even Chen Ping's panicked look, He saw everything clearly!

Seeing Chen Ping's panicked look, Ning Zhi raised the corners of his mouth slightly, not sure whether it was with pride or ridicule!

"Chen Ping, if you still play with me with this little trick, are you treating me like a three-year-old child?"

Ning Zhi murmured to himself!

At this moment, those demon cultivators were desperately chasing Chen Ping. They did not notice that the peaks around the seabed were shining with light!

Just when several demon cultivators were chasing after Chen Ping and were about to catch up with Chen Ping, a burst of light suddenly shot up into the sky!

boom!

Suddenly, an overwhelming aura impact instantly tore apart the surrounding seawater at the bottom of the sea, forming a large vacuum!

When the dozen demon cultivators saw this, they immediately stopped in a hurry, and then used their shields one by one to resist the aura.

These dozen demon cultivators all stopped and looked around in surprise!

“Damn, this Chen Ping really set a trap on the bottom of the sea. Fortunately, we were prepared.”

The monk in green cursed and said!

However, after this aura exploded, Chen Ping’s traces had long since disappeared, and the seabed was completely dark!

More than a dozen demon cultivators felt that the flame aura on their bodies was constantly weakening, and they did not dare to stay at the bottom of the sea for a long time, so they were forced to rush towards the sea surface!

If the breath of fire disappears, they will turn into bones in the Dead Sea!
